She whipped them up.

Me: Manny how did you get that scar on your face? I don't think I asked that the first time.

Then the spirits of the World of Mexico came and swirled around her and then they swirled around her and then they converged and

then…

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion went off above her and then a phoenix cry was heard and we came out!

Me: Hello Sartana!

Qin: Nice to see you on this day.

Lola: Yeah!

Hades: Hello baby. Long time no see.

Sartana: Hades, I told you I'm not interested in love right now.

Hades: Can't blame a guy for trying.

INSTIGATOR: Cut him some slack. We were forced to kill his last girlfriend after she went insane.

Me: I didn't know about Maleficent and he dating.

Sartana: I know you all didn't come all this way to talk about love. So, how about we cut right to the chase?

Maria: What are you gonna do? Whack us with your guitar?

Sartana: (laughs): Nope. I'm gonna do this!

Sartana played her guitar and numerous skeletons popped up.

?: That's awesome!

A figure came out and it was DIGITAL CAMERA JAMEN from episode 6 of Kiramagers!

---

Carantula sent the Digital Camera Jamen to Earth to trap people in the dimension within his head and draw them of their energy. This would then allow his equivalent Jamen Beast to grow to it's fullest size and easily crush the Kiramagers. The Jamenshi was first seen chasing a throng of people up a large set of steps but, before he could take any pictures of them, the Kiramagers arrived. Sena expressed horror at his actions due to them being somewhat creepy but he dismissed it since he was worse than creepy, taking an image of a random woman and sending her into the dimension within his head and prompting them to transform. He summoned Bechats and personally fought Shiguru and Sena, withstanding many hits until they managed to get behind him. Thinking that they had the drop on him, they attacked but he spun his head around and trapped them inside of his camera dimension. Sayo then took him on, spinning his head a full 360 and holding him at gun point, demanding them back. Luckily for the Jamenshi, Galza then arrived in Smog Jouki, demanding that he capture the remaining three Kiramagers but the Digital Camera Jamen was full on photographs so retreated with Galza in Smog Jouki.

Later, having unloaded, the Digital Camera Jamen returned to the city at which point he was confronted by Tametomo (the other Kiramagers dealing with the mentally regressed Sayo who had been made that way after Galza threw her onto a rock). He captured Tametomo only for it o turn out to be a trap to free the victims with an energy crystal. This failed and he captured Juru and Shiguru but Sayo remembered who she was using a photography. She transformed and Mashin Helico arrived before they flew away and broke the others out of the Jamen Beast. The sudden loss of power caused Cloud Hildon to drop out of the sky and onto Digital Camera Jamen, crushing him to death instantly. The Jamen Beast survived but was soon slain by Land Mage Lifton & Rolland.

---

Juru: Digital Camera Jamen!

Digital Camera Jamen: Been a while rangers!

Me: I remember you! You were sent to take people's energy by taking pictures of them.

Digital Camera Jamen: That's right. Good memory.

Me: Yep.

Qin: Awesome.

Me: I also remember that we fought you on Rarity's missions last year too.

Digital Camera Jamen: Boy it feels like forever ago doesn't it?

Me: No kidding

Deadpool: Didn't you also take a picture of my arm?

Digital Camera Jamen: You got it back, didn't you?

Deadpool: I sure did.

Me: Awesome regeneration he has huh?

Ryu Tendo: Her story is cool.

---

Nico: Yep. So, Renata, what's the story on why you hate Luan with a burning passion?

Renata Nefaria: Now, that's something I haven't forgotten.

Renata Nefaria pulled up a video and it played on the screen, and it shows Lincoln and Ashina, along with his other Guardian Angels in their personal gym that Lincoln and his Guardian Angels had built and go to, and we also saw Lincoln doing one-fingered push-ups and with three 20 kg weighted plates and four 25 kg in his hand behind his back, and he was really sweating up a storm as sweat poured down from him.

Nico: Whoa, I never knew you also did one-fingered push-ups and with weights in your hand behind your back, Lincoln.

Me: I'd seen it before, and you wouldn't believe how many he was able to do: he was able to do four reps of 4,000 one-fingered push-ups and he really sweated up a storm and of course, far away from Lynn.

Lincoln: That dark side of hers never cared about my health and just wanted me to die. Now, here's where we dealt with Luan.

Suddenly, the alarm in their gym went off, and Renata saw who it was coming after them: it was Luan and she had set up tons of lethal traps all over the outside of the gym to kill Lincoln and his Guardian Angels after they finish their work-outs.

Past Renata Nefaria: At it again, Luan?! You really don't even know when to quit, do you, you crazed homicidal clown?!

Past Lincoln: Let's head for the roof and disarm all of her pranks, and then, we hunt down Luan.

Lincoln put the weighted plates down, and he and his Guardian Angels went outside and to the roof, and then, Renata Nefaria fired waves of darkness which triggered all of Luan's lethal pranks she set up outside. Luan went to see for herself if they got caught and killed in them, but nothing.

Past Lincoln: OVER HERE, CLOWN!

Luan looked up and saw Lincoln and his Guardian Angels on the roof of their gym, and they were not happy that Luan tried to kill them with her pranks.

Past Luan: You ruined my pranks, do you know how long it took to get everything set up?! That's it, I'm coming after you all myself!

Past Lincoln: You're not getting that chance ever, Luan!

Lincoln and Renata fired waves of darkness at Luan, and they blinded her, and then, Lincoln and his Guardian Angels attacked her without mercy, and she was knocked down and out. Then, Lincoln fired red energy waves from his massive white angel wings which tied Luan up in red energy ropes. Then, Luna came rushing over, and she saw what happened.

Past Luna: Whoa, looks like you and Renata took down Luan, dude, awesome!

Past Lincoln: Thanks, Luna. You can take care of the clown now.

Past Luna: Oh, trust me, she's in huge trouble when we get back.

Luan woke up and when she saw she was tied up again, she was really angry.

Past Luan: I'LL GET YOU FOR THIS, LINCOLN, DO YOU HEAR ME, I'LL GET YOU, YOU AND YOUR DUMB GUARDIAN ANGELS, YOU WILL ALL DIE LAUGHING! (LAUGHING DERANGEDLY)

Past Luna: (Grabs Luan by her ponytail) You're not laying one hand on my bro or his Guardian Angels, now get moving, clown!

Luan was forced to march home with Luna forcing her down the lane, but Luan still swore revenge for her humiliation and she was still laughing like a homicidal nutjob until Luna whacked her on the head with a baseball bat as the video ended.

Nico: Sheesh, Luan wasn't too happy Renata wrecked her pranks.

Natalie Nefaria: (GROWLS) Why, that little… ! Luan was the one who tried to kill our little sister all those years ago, I would have her miserable soul cursed with no chances of ever being freed from the curse!

Me: Whoa!

Nico: Dark Luan went way too far that day, you mess with one of The Nefaria Sisters, you're crossing a line from which you're going to get cursed for all eternity.

Lincoln: But, Mom and Dad got to Luan before any of The Nefaria Sisters did, she got grounded for fifteen weeks and thrown in a padded room container tied up in a straitjacket, and she was laughing like a deranged psycho clown.

Lincoln: Now, there's only one last thing to do and one loose end to tie up before we head home: and that's dealing with Lupe Daciana.

Lincoln: Oh great, I knew there's no mistaking that loudmouth from anywhere.

Ashley Lupus Foxina: You just don't even know when to quit, do you, Lupe Daciana.

A massive 8'3" female werewolf covered in brown fur came out, it was Lupe Daciana, Ashley Lupus Foxina's old enemy.

Rudina Adalwulf: Should've known you'd come crawling back for more, Lupe.

Carmen Adalwulf: But, as you can see, we're not the ones who are going to kill you, Ashley and Lincoln are, this is the end for you, you fleabag!

Lupe Daciana: (Beastly Voice) I will tear every last one of you to shreds and eat your remains!

Ashley Lupus Foxina: Okay, now that's gone way too far, but either way, you've already sealed your own doom by coming back, Lupe, and now, I'll see to it you never come back again.

Suddenly, Ashley Lupus Foxina's crimson red eyes turned neon crimson red, and she was surrounded by a crimson red energy aura with darkness, stars, red moonlight, red fire, kitsunes, and werewolves, she unholstered her massive greatsword from her back, and as she approached Lupe Daciana, she left crimson red energy, darkness, stars, red moonlight, red fire, kitsunes, and werewolves with every step.

Ashley Lupus Foxina: I always knew you've been nothing but big trouble, Lupe, ever since I was five, you and your werewolf clan have tried to kill me many times over in the past while I lived in Denver, but you failed numerous times, but the day you tried to kill me and my parents, I made the choice to kick your hairy tail out of Denver and destroy your pride. And now, you have the gall to come back years later to try and get revenge on me, that's an offense that I will not stand for, and for that, I'll do what I should've done all those years ago: and that's to kill you right where you stand!

Suddenly, Ashley Lupus Foxina was surrounded by a massive vortex of crimson red energy with stars, darkness, and crimson red fire surrounding the vortex, there's a nine-tailed kitsune and werewolf running around the vortex, and in the vortex is a black phoenix with crimson red eyes glaring at Lupe Daciana: the red eyes of death. Then, as the vortex faded, Ashley Lupus Foxina emerged, but she was changed forever.

Ashley Lupus Foxina grew to 7'5" in height, she has the body of a goddess, she has black highlights in the bangs of her long crimson red hair and black markings on the crimson red wolf ears on her head, she has neon crimson red eyes and a crimson red energy aura with stars, darkness, red moonlight, red fox fire, kitsunes, and werewolves surrounding her, she has a nine-tailed kitsune and werewolf holding the Full Moon emblazoned on her forehead and Third Eye with crimson red iris, she has on wolf earrings with crimson red gems for eyes on her human ears and they're holding the Fire, Stars, Darkness, Moonlight and Eternity Kanjis in their paws, she also has a werewolf with crimson red gems for eyes and holding the Fire, Stars, Darkness, Moonlight and Eternity Kanjis in it's paws for the second pendant along with the gold Thunderbird pendant on the bottom of her red werewolf-shaped Element of Harmony for her Thunderbird Necklace of Eternal Love necklace with crimson red crystal links from her merged Crystal Necklace of the Buddha and crimson red gems on the gold lightning bolts and she has on her Elemental Thunderbird Choker of Eternal Love on her neck. Ashley Lupus Foxina has on a sleeveless crimson red top, white bridal gloves, crimson red pants with black shorts, crimson red knee-high high-heeled boots with butterfly buckles, and long sleeveless white trenchcoat with stars, darkness, red moonlight, red fox fire, kitsunes, and werewolves on the coattails and on the back is a nine-tailed kitsune and werewolf holding The Full Moon. Suddenly, Ashley Lupus Foxina felt a sharp pain on her back, and then, her massive crimson red angel grew much bigger for her new body, and her nine massive and long fox tails and crimson red wolf tail also grew much bigger and longer for her new body, she has on a Ring of The Phoenix with crimson red gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded on her left hand.

Suddenly, Ashley Lupus Foxina's massive greatsword and all the greatswords and swords she'd gotten began to merge together and they're surrounded by a kaleidoscope of crimson red energy, stars, darkness, red moonlight, red fox fire, kitsunes, and werewolves, and when it emerged, it was transformed into Ashley Lupus Foxina's Crimson Red Moonlight Star Darkness Wolf-Kitsune Hanyou Greatsword of Crimson Red Moonlight Star Darkness Wolf-Kitsune Hanyou Justice, it's a brand-new massive greatsword with embedded black and crimson red gems and a werewolf and nine-tailed kitsune etched on the 7'4" massive, wide, double-edged crimson red blade, large crimson red werewolf heads with black gems for eyes for the crossguard, large white angelic faces built into both sides of the hilt with large crimson red gems embedded in the foreheads, longer midnight black handle, four large crimson red fox heads with black gems for eyes and crimson red werewolf head with black gem in its mouth below it for the pommel, Ashley Lupus Foxina has on her new brand-new large gold cuff Bracers of the Champions of The Universe with crimson red gems on her wrists and her Dragon Ball Bracelet on her left Bracer, new large gold Belt of Elemental Bravery with a gold werewolf head with crimson red gems for eyes and a large crimson red gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a crimson red kanji with stars in between the kanji below the werewolf and nine-tailed kitsune that said, "Ashley Lupus Foxina, Powerful Werewolf Hanyou-Kitsune Hybrid from Denver, Colorado, Ashley of The Red Moon, Despiser of Killjoy Huggins and Lincoln's Many Enemies, Slayer of Thugs and Criminals, Loving Guardian Angel and Future Wife of Lincoln Loud, Destroyer of Lupe Daciana, Destroyer and Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Stars, Darkness, Red Moonlight, Red Fox Fire, Werewolves, and Kitsunes"

Ashley Lupus Foxina has transformed into SUPER ANGEL-WEREWOLF HANYOU-KITSUNE-HARMONY UNIVERSAL ETERNAL CELESTIAL XELNAGA COSMIC DARKNESS CRIMSON RED WEREWOLF MOON FOX FIRE WOLF HANYOU-KITSUNE HYBRID ANGEL OF DIVINE COSMIC DARKNESS CRIMSON RED WEREWOLF MOON FOX FIRE WOLF HANYOU-KITSUNE JUSTICE AND DIVINE COSMIC DARKNESS CRIMSON RED WEREWOLF MOON FOX FIRE WOLF HANYOU-KITSUNE LOVE!

We were amazed by Ashley Lupus Foxina's Super Angel-Werewolf Hanyou-Kitsune Harmony Universal Eternal Celestial Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Lupe Daciana saw it, she went fucking crazy and she ran at Ashley to kill her, but Ashley fired a barrage of crimson red energy, stars, darkness, red moonlight, red fox fire, werewolves, and kitsunes at Lupe Daciana and it sent that werewolf flying into a rock formation back first, she got back up and she ran at Ashley again with her claws, but she used her nine massive and long fox tails to bind her hands and she fired red fox fire from her tails which hit her and sent her flying into another rock formation, she got back up, but now, she was mega pissed off and mega insane now!

Me: Holy enchiladas!

Nico: You said it, Ashley Lupus Foxina's transformed into her Super Angel-Werewolf Hanyou-Kitsune Harmony Universal Eternal Celestial Xelnaga, and she really gave Lupe Daciana quite a nasty beating.

Lincoln: Her reputation for really beating up the thugs of Denver and Royal Woods is that powerful, and she doesn't mess around, especially when it comes to dealing with an old enemy from her past. Now, I believe it's time we got rid of Lupe Daciana once and for all.

Ashley Lupus Foxina: (Divine Godly Cosmic Voice of The Cosmic Darkness Crimson Red Werewolf-Nine Tailed Kitsune Wolf Moon

Angel and Divine Cosmic Darkness Crimson Red Werewolf-Nine Tailed Kitsune Wolf Moon Angel Love) That's right, now let's rip that werewolf to shreds, Linky.

Lincoln let out a growl as white fur began growing on his massive and powerful muscular body and his abnormally massive and powerful upper and lower body muscles grew a little bit bigger, white fur also began growing on his massive and wide muscular pecs and eight pack abs, his nose changed to a wolf's nose and white wolf's muzzle, his deep sapphire blue eyes and the rainbow iris of his Third Eye remained the same, but his pupils turned into slits, along with the large white wolf ears with rainbow markings on his head, massive white angel wings with aurora and orange tips, his eleven massive and long and powerful white wolf tails with rainbow markings and rainbow tips and white rabbit's tail with rainbow markings above his white wolf tails, and he let out a powerful howl. Lincoln transformed into Lincoln The Nocturnal.

Then, Lincoln unholstered his massive Lincoln Loud's Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Phoenix-Harmony Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Mythological Hope, and he joined Ashley Lupus Foxina.

Lincoln: (Divine Godly Cosmic Beastly Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You've caused more than enough trouble to last an eternity, Lupe Daciana, and what you tried to do to come after Ashley again for what you tried to do to her and her parents years ago, you crossed The Line of No Return, and now, you shall die a horrible death.

Ashley Lupus Foxina and Lincoln went after Lupe Daciana who's now gone absolutely ballistic, and they fired extremely powerful blasts of rainbow energy, crimson red energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Lupe Daciana and they exploded with incredible power as they hit her, and they attacked her with their massive greatswords leaving scars on her, and Lincoln left many more with his claws and he and Ashley attacked her with punches, kicks, and karate chops, and they were really, really, really pissing off her off now and driving her even more ballistic.

But, before Lupe Daciana tried to attack them, Lincoln and Ashley Lupus Foxina smashed their fists into her face with Lincoln smashing out her eyes and Ashley Lupus Foxina smashing out her fangs, and Lupe Daciana roared in excruciating pain, and Lincoln even grabbed and ripped out Lupe Daciana's tongue, and Lupe Daciana screamed even more as blood came pouring out of her mouth.

Me: Oh! A fist to the eyes and a fist to the mouth!

Nico: And Lincoln even grabbed and ripped Lupe Daciana's tongue out, that was mega painful!

Then, Lincoln ran at and put Lupe Daciana in a brutal bearhug so she couldn't escape, then, Lincoln began absorbing Lupe Daciana into his body and he was assimilating the werewolf's immense brute strength and abilities. Then, as soon as Lincoln was done absorbing Lupe Daciana into his body, an energy card with that beast's completely drained soul appeared in Lincoln's large left hand.

Lupe Daciana: (Severely Weakened) You think you've won?! YOU THINK THIS IS THE END?! I'LL RETURN ONE DAY AND I WILL KILL YOU ALL!

Lincoln: (Divine Godly Cosmic Beastly Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) No, you're done and this time forever, Lupe Daciana.

Then, The Judgement Kanji appeared on Lupe Daciana's forehead and she was sent to The Black Gates for good. We cheered wildly for Ashley Lupus Foxina and Lincoln as they holstered their massive greatswords on their backs and powered down, and Ashley Lupus Foxina's new body, clothes, weapons, jewelry, Third Eye, nine massive and long fox tails and massive and long crimson red wolf tail, and massive crimson red angel wings are permanent.

Ashley Lupus Foxina: You've been asking for this for seven years, Lupe Daciana. Thanks for helping me put that bitch down for good, Linky.

Lincoln: (Beastly Voice) (Smiles Warmly) You're welcome, Ashley.

Ashley Lupus Foxina: But, don't revert back, not after we had our kiss. I always loved doing this when you turn into your werewolf form.

Suddenly, Ashley Lupus Foxina wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Ashley Lupus

Foxina's face, they kissed passionately as she moved her arms and placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, and Angel flying in the air and Werewolf and Kitsune running across the field, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and the red moon shining down on them and we cheered wildly. Then, Lincoln and Ashley Lupus Foxina absorbed the elemental forces and they came back to us as the display vanished and Lincoln reverted back.

Nico: Whoa, now that's what I call a serious dose of red moon justice, Lincoln, Ashley, you two really showed that werewolf, Lupe Daciana, no mercy whatsoever, and you got rid of her for good.

Lincoln: Thanks, Nico, and she's had it coming for seven years.

Ashley Lupus Foxina: I would've thought she'd stay away, but no, the big baby decided to come after me for more, but in the end, it got her killed by Lincoln absorbing her.

Me: And wiped from existence for good.

Nico: You got that right. So, who's the next Demon Race Embodiment we're meeting on your rescue tomorrow, Lincoln?

Lincoln: Ooh, that's an easy one, Nico: the next one that we're meeting on my rescue tomorrow is Vespera Dracona, Embodiment of The Doran Race.

Nico: We'd already seen Castle Doran for ourselves when we met you and your team, Wataru, for the ambassador missions and the big mission to kill the Fangires and Takashi Sugimura.

Wataru: That's right.

Ravenna Amaranth: You're going to love meeting her, Vespera Dracona is Lincoln's Guardian Angel from Michigan, and she was born with not only the dark powers and strengths of the wyverns and dragons, but she was also born with the dark powers and strengths of The Doran and none of their weaknesses. Vespera's known for defending Lincoln with a fierce passion not only from his enemies, but also from the heartlessness of Lori, Lynn, Lola, Lisa, and Luan, and she's also gotten along well with Leni, Luna, Laney, Lana, Lily, Lynn Sr., and Rita, and just like Lincoln and the other vampires, she feeds on blood bags from the blood bank, and she also knew of Lincoln being a powerful Alpha Vampire-Werewolf-Cyborg Hybrid, and she's also friends with Lucy and her friends in The Young Morticians' Club. She's also among the many members of The Michigan Supernatural Defense Force, a group of vampire hunters formed by Lincoln, the other Kamen Rider Kiva embodiments, and the embodiments of The Wolfen Race, Merman Race, Franken Race, Fangire Race, Kivat Race, Doran Race, Legendorga Race, Mermaid Race, Ghost Race, Gigant Race, Hobbit Race, and Goblin Race, and their job is to defend Michigan, Royal Woods, and Great Lakes City from the threat of evil vampires, evil werewolves, and other evil supernatural creatures of the night. They also teamed up with The Ghosthunters Club and other clubs for some of their more dangerous missions involving powerful vampire lords, werewolves, witches, warlocks, demons, and demon lords. Lincoln made Vespera a beautiful necklace with white pearls and a purple gem for the pendant, and to show thanks, Vespera kissed Lincoln on the lips underneath the full moon as the wolves howled and the creatures of the night flew to enjoy the darkness, and she hates Lola with a burning passion, and she absolutely loathes and despises King, the ruler of The Fangires, along with The Checkmate Four, along with The Legendorga with an absolutely intense and burning hatred for what they've done, and that absolutely intense and burning hatred is so powerful that all Fangires and even The Legendorga were absolutely afraid of Renata Nefaria, even Takato Shiramine and Takashi Sugimura, leader of The Legendorga, fear the Embodiment of The Wyverns.

Nico: (Whistles)

Me: Now, that's awesome. Too bad we didn't get a chance to meet her during the Kamen Rider Kiva mission last year, she would've really given The Legendorga the ass-kicking of their immortal lives.

Lincoln: Yeah, that was a bust, but she'd found out King, The Checkmate Four, Takato Shiramine, Takashi Sugimura all paid the price for their crimes against The Demon Races, and now, she'll be meeting us tomorrow.

Ashina Valerian: And she's also the person who built our castle as our base of operations for The Michigan Supernatural Defense Force.

Nico: Awesome.

Juniper Lee: And of course, tomorrow's the big day.

Me: Oh yeah!

Rayman: (Holds Juniper Lee's hands) Our wedding, and we've already did everything for the wedding, now we're ready for tomorrow.

Manny: Try not to be too hard on her, ok?

Blizzard: Relax. We won't be.

MetalSeadramon: She's still your family, after all.

Bonz: Well, today has been enjoyable.

Dayu: I agree with you.

Me: It sure was!

Harpymon: Let's have a victory party! Or fiesta, in this case.

Me: Yeah!

Nico: This was an awesome fiesta! Great job today everyone.

Manny: (To the viewers) This was a great battle and party too.

Me: It sure was.

We went back home and had a great fiesta and more and we enjoyed the rest of the day and went to sleep.

Also we're going to battle Another Elementals (Samurai Jack), Another Paula Bunyan & Pecos Billy, Nocturna (Dragon Flyz), Roadhog, Fat Mandark, Universe 666 Salem, Metroid Prime, Wiener Rolf, Animal Path and Griffin and we're going to meet a gene-slammer for Clawitzer and her name is Eleanor Beauregard and she is an awesome Louisiana Creole food chef from New Orleans.

The match-up scene is for Sheila Thatcher, Gene-Slammer of The Legendary Planets, and she and Lincoln are going to destroy The Dark Swat Kats

For Lincoln's rescue tomorrow, for the day of Rayman and Juniper Lee's wedding, Lincoln and his group are heading to Chi Bi, but we also got bad news: the evil former Te Xuan Ze, Kai Yee, has broken free of his statue prison and fled to Chi Bi, but he hadn't forgotten his hatred towards Juniper Lee or Jasmine Lee, and he wants one thing: revenge on The Te Xuan Ze. But, we're not letting that former Te Xuan Ze get away with his crimes, we're going to make Kai Yee pay for his crimes from 200 years ago and send him to The Black Gates, and even more epic: Rayman and Juniper Lee are also going to transform and they're really going thrash that former Te Xuan Ze, and since we're heading for Chi Bi, we're going to use Zhou Yu's fire attack because we'd found out Kai Yee has also gotten together a massive fleet of ships to attack us at Chi Bi. Too bad for him, we're going to use the very strategy used in The Battle of Chi Bi: chain the ships together, call upon The Southeastern Winds, and send the fire ship to set the ships aflame, all that combined together will send Kai Yee's giant fleet of ships sinking into the Chang Jian River. And we're going to meet the next Demon Race Embodiment, her name is Vespera Dracona, Embodiment of The Doran Race, she's Lincoln's

Guardian Angel from Michigan, and she was born with not only the dark powers and strengths of the wyverns and dragons, but she was also born with the dark powers and strengths of The Doran and none of their weaknesses. Vespera's known for defending Lincoln with a fierce passion not only from his enemies, but also from the heartlessness of Lori, Lynn, Lola, Lisa, and Luan, and she's also gotten along well with Leni, Luna, Laney, Lana, Lily, Lynn Sr., and Rita, and just like Lincoln and the other vampires, she feeds on blood bags from the blood bank, and she also knew of Lincoln being a powerful Alpha Vampire-Werewolf-Cyborg Hybrid, and she's also friends with Lucy and her friends in The Young Morticians' Club. She's also among the many members of The Michigan Supernatural Defense Force, a group of vampire hunters formed by Lincoln, the other Kamen Rider Kiva embodiments, and the embodiments of The Wolfen Race, Merman Race, Franken Race, Fangire Race, Kivat Race, Doran Race, Legendorga Race, Mermaid Race, Ghost Race, Gigant Race, Hobbit Race, and Goblin Race, and their job is to defend Michigan, Royal Woods, and Great Lakes City from the threat of evil vampires, evil werewolves, and other evil supernatural creatures of the night. They also teamed up with The Ghosthunters Club and other clubs for some of their more dangerous missions involving powerful vampire lords, werewolves, witches, warlocks, demons, and demon lords. Lincoln made Vespera a beautiful necklace with white pearls and a purple gem for the pendant, and to show thanks, Vespera kissed Lincoln on the lips underneath the full moon as the wolves howled and the creatures of the night flew to enjoy the darkness, and she hates Lola with a burning passion, and she absolutely loathes and despises King, the ruler of The Fangires, along with The Checkmate Four, along with The Legendorga with an absolutely intense and burning hatred for what they've done, and that absolutely intense and burning hatred is so powerful that all Fangires and even The Legendorga were absolutely afraid of her, even Takato Shiramine and Takashi Sugimura, leader of The Legendorga, fear the Embodiment of The Wyverns, and she's also the one who built the castle for The Michigan Supernatural Defense Force which served as their base of operations.

Get ready for an awesome non-combat adventure as the mascots battle an army of Chimchar, Monferno and Infernape and it's going to be awesome.

See you next time

Me: Mrs. Finnigan was very frantic about something.

Qin: I wonder what it was.

Kase: Either way we need to find out what.

Lola: Yeah.

Brittney: I have a feeling that something supernatural is at work here.

Girl Jordan: Oh boy. This will be scary.

Xenia: Yeah.

Sweet Leaf: It sure will be.

Nico: Jimmy, I want to thank you, Griffin, and your teams for coming.

Jimmy Neutron: It's my pleasure Nico and it's going to be a most enjoyable thrill to help you guys.

Sweet Leaf: It's going to be awesome.

Lola: It sure is.

Nico: Sweet Leaf, what do you like to do in your free time?

Sweet Leaf: I like making my own kinds of tea. I get all the best natural ingredients from my family's greenhouse and make them into the most amazing teas.

Nico: That sounds cool.

Me: A tea cultivator is an awesome job too. And we have been drinking tea since 2700 BC.

Camie: Wow so over 4300 years.

Nico: That is awesome.

Qin: It sure is and I like tea myself.

Lola: So do I. I make great teas too and know so many kinds.

Eli: That is really awesome too.

Nico: I bet you and Lola get along great

Sweet Leaf: We sure do and I show her how to make her own teas too.

Lola: It's a very awesome and amazing process too.

Qin: That is awesome.

Animal Leaf: Sweet Leaf's teas are really good and she makes them with fruits, herbs and spices. They are really flavorful.

Me: They sure are. And tasty and good for you.

Nico: That is awesome and neat.

Lola: Yep.

Lana: Boy Yesterday's mission was awesome and fun.

Kase: It sure was! I liked it.

Lola: It was awesome.

Nico: It was a Happy Cinco De Mayo for everyone.

Lincoln: It sure was and Ronnie Anne and her family loved it.

Eli: They sure did.

Girl Jordan: All of us did and it was awesome going to Miracle City

for it.

Leeli: I loved that place and it was fun.

Kase: Yeah it was awesome.

Nico: We really haven't been going there often, have we?

Me: No we sure haven't. Not since 2020.

Qin: Yeah we need to go there more often and help Manny face some of his enemies.

Lola: On rescues and missions too.

Nico: Good idea.

Camie: I agree there.

Qin: Yeah.

We arrived at the Finnigan farm.

Nico: This the place?

Me: Yep. This is it.

Eli: Nice farm they live on.

Qin: I've got a really bad feeling about this.

Maria: Lets stick together Qin.

Nico: And we defeated Sartana.

Me: We sure did.

We went over to the door and I knocked on it.

Mrs. Finnigan answered.

Mrs. Finnigan: Thank goodness you're all here!

Me: We got your message Mrs. Finnigan. Its been a while though.

Mrs. Finnigan: It sure has.

We came in and sat down.

Me: So what's going on?

Mrs. Finnigan: I think my daughter is possessed.

Juran: Maybe she's on a sugar rush.

Nico: Lets not rush to conclusions.

Me: Okay Mrs. Finnigan. Why don't you start at the beginning and tell us everything.

Mrs. Finnigan: Okay. We got back from shopping and then Rhea came down with a sickness. I thought she would get better but then she started acting strangely.

Me: Strangely like how?

Mrs. Finnigan: Her head started spinning all the way around and then she was speaking in this weird voice that wasn't hers and then she was floating off her bed.

Me: That is definitely the telltale signs of demonic possession.

Brittney: Looks lie we got here just in time.

Me: Where is she now?

Mrs. Finnigan: In her room. I'll show you.

We went up to her room.

Mrs. Finnigan: Be careful guys.

Me: Okay.

We went in and Rhea was a girl with blue hair and had brown clothes on and she was tied to her bed.

Magine: Hi, Rhea!

Me: Rhea? Are you in there?

Rhea: (Demonic Familiar Voice) Rhea is not here.

Me: (GASP) That voice! Pazuzu!

Qin: Pazuzu!?

Pazuzu/Rhea: Been a long time J.D. Knudson. Don't think I haven't forgotten what you did to me a while back.

Camie: Pazuzu!? You mean the demon from the movie The Exorcist!?

Me: The very same one.

Nico: Pazuzu is also the very demon that possessed Regan MacNeil and even Lucy. He possessed Lucy long before I joined the team.

Me: What's also ironic is that he also helped Lucy get her powers.

Nico: Whoa!

Me: Yep. (To Pazuzu) Where is Rhea!? What the fuck have you done with her!?

Pazuzu/Rhea: She's in here with us!

Qin: Let her go!

Pazuzu/Rhea: Do you really think I can let her go that easily? Not after everything you did to me.

Camie: He really hates you J.D.

Me: Yes he does. Because we Exorcised him and banished him back to hell. Twice.

Zocks: Looks like Rhea's already gone. There's only one course of action. Guys, help me push her out the window!

Nico: Zocks no! We will not do that. That is crazy.

Brittney: There is only one course of action.

Brittney splashed Pazuzu with holy water and it burned her all over.

Brittney: Hold her in place. I'll use an exorcism. When I yell now banish him to the Black Gates.

Qin: Right!

Zocks: Can we still push him out the window?

Nico: No Zocks.

Me: Come on guys!

We went and me and Nico held her in place!

Pazuzu/Rhea: LET ME GO NOW!

Me: Not a chance Pazuzu! This is for your own good!

Nico: YOU ARE NOT GOING TO HURT ANYMORE PEOPLE EVER AGAIN!

Brittney: (Chanting in Latin)

***In nomine Patris et Filii et Spiritus Sancti***

***Exorcizamus te, omnis immunde spiritus, omni satanica potestas, omnis incursio***

***infernalis adversarii, omnis legio, omnis congregatio et secta diabolica, in nomini et***

***virtute Domini nostri Jesu Christi, eradicare et effugare a Dei Ecclesia, ab animabus***

***ad imaginem Dei conditis ac pretioso divini Agni sanguini redemptis.***

***Amen!***

Then Rhea glowed and Pazuzu left her as an orb of fire!

Brittney: NOW!

Nico opened a portal and banished him into the BLACK GATES!

Pazuzu: DAMN YOU TEAM LOUD PHOENIX STORM!

He was gone for good!

Nico: That did it!

Rhea Finnigan: (Groans weakly)

Nico: You okay?

Rhea Finnigan: (Groans) What happened?

She opened her eyes and saw us.

Me: Rhea? Rhea it's me.

Rhea Finnigan: J.D.? What happened? I can't remember anything.

Me: Well it's a long story.

We called in her mother.

Mrs. Finnigan: Oh Rhea!

Rhea Finnigan: Oh mom.

We untied Rhea. Then we took her down to the living room and told her everything.

Rhea Finnigan: Oh man! I was possessed?

Me: Yeah you sure were.

Zocks: That was very freaky.

Qin: It was.

Chloe Bourgeois: We did Exorcisms before.

Qin: It's true.

Camie: That was awesome though.

Rhea Finnigan: That was… (Stomach Growls) Oh man I am starving.

I made a big buffet for her.

She was eating and eating like how Goku and Gohan and Vegeta do.

Qin: Boy she is really hungry.

Lola: Yeah no kidding.

Eli: And I found Swartz's Creations. We have Another Elementals (Samurai Jack), Another Paula Bunyan & Pecos Billy, Nocturna (Dragon Flyz), Roadhog, Fat Mandark, Universe 666 Salem, Metroid Prime, Wiener Rolf, Animal Path and Griffin.

Nico: Whoa! This is gonna be interesting.

Me: So Allie Anne Volvenstein is up first.

Nico: Let's call their archenemies.

Eli: Right.

Maria: So it's Allie Anne Volvenstein and the Avatar's of the Dark Signers.

Qin: Yep.

Rhea then burped.

Rhea Finnigan: (LOUD BELCH) Oh sorry.

Me: Boy you sure were hungry.

Nico: You have as big an appetite as me and Kakarot.

Qin: Yeah.

Rhea Finnigan: But lets deal with those Anothers.

Nico: You got it.

We went outside.

In a vortex of water came Allie Anne Volvenstein the Waterveiled Assassin Gene-slammer.

Allie Anne Volvenstein: Here I am!

Me: Awesome!

Lola: This is gonna be awesome and cool.

Maria: Now where are the anothers?

Nico: Let's call in one more.

Me: Okay. Rachel Goodwin.

Maria: All right then.

Maria called her in and then out of a vortex of purple fire with the Condor Nazca Line came Rachel Goodwin!

Rachel Goodwin: Ready for action!

Qin: Awesome.

Nico: There they are!

Then a rumble was felt and huge mounds of earth formed a woman of Earth. Then a tornado dropped down and formed a woman of wind and a fireball flew down and exploded when it hit the ground and formed into a woman of fire and they had auras of darkness around them. It was ANOTHER EARTH, WIND AND FIRE! Then out came 2 figures! One looked like a big lumberjack male version of Mandy and the other looked like a western stupid version of Billy. It was Another Paula Bunyan and Pecos Billy!

Nico: WHOA!

Qin: This is awesome!

Fu: Just like the Brave 12 with the Elementals.

Nico: Who are you guys?

Another Elementals Reverted back and she was a girl with teal blue hair and had blue clothes and had the kanji for Element in the middle of her Forehead and she had blue angel wings. Another Paula Bunyan and Pecos Billy Reverted back and it was a girl that was as tall as Paul Bunyan himself and she had blue hair and had blue clothes and had a blue axe and blue angel wings. And on her shoulder was a girl with brown hair and blue eyes and had blue and yellow clothes.

Allie Anne Volvenstein: (GASP) Vicky Ann Volvenstein!

Me: And Adrianna Bunyan and Eleanor Bill!

Allie Anne hugged Vicky Ann!

Vicky Ann Volvenstein: I thought I would never see you again sis!

Nico: But what about the other two?

Me: Adrianna Bunyan as you can guess is the daughter of the legendary Paul Bunyan and Eleanor Bill is the daughter of the legendary Pecos Bill.

Qin: WHOA!

Xenia: That is awesome!

Allie Anne Volvenstein: And Vicky Ann is the elemental version of me and my sisters. Me and my sisters are the elements individually. Vicky Ann is all 4 of them rolled into her.

Qin: WHOA!

Xenia: That is amazing!

Nico: Wow! Adrianna you are really tall!

Adrianna Bunyan: I know. Just like my father I am 63 Axe Handles high.

Qin: Wow! Did you beat up a lot of sawmill villains in the forests?

Adrianna Bunyan: (LAUGHS) Yes I did. I protect the forests and destroy logging operations and use my powers to save the forests.

Nico: That is cool!

Me: It sure is.

Then a Stereotypical villain man in a black outfit with a mustache came.

Man: YOU GIANT MELONHEADED APE CREATURE FUCKUP! You've ruined my land and taken everything from me! You set things right this very instant! Or so help me I'll sue you so hard your bank account won't know its v's from its assets!

Me: HEY!

Adrianna then punched the man so hard with her huge fist that it squished him and splattered his blood and guts everywhere!

Me: Good that guy was giving me a headache.

Allie Anne Volvenstein: Sorry we have to do this, sis.

Vicky Ann Volvenstein: No worries.

Me: By the way are the rest of the Anothers Friendly or hostile?

Adrianna Bunyan: They are all friendly and you will like the Fat Mandark one.

Me: I have a feeling we will. Also I have a big room fit for a giant too. It's a lumberjack rustic cabin themed room for you Adrianna.

Adrianna Bunyan: Awesome! Thanks.

Allie Anne Volvenstein: Let's do this!

Girl Jordan: First lets separate you.

Leeli: Yeah.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background.

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

They glowed and the five Anothers were separated from them.

Nico: WHOA!

Me: This is gonna be good!

Lincoln: Yep!

Allie Anne Volvenstein: Lets do it!

Allie Anne and Rachel fired waves of energy and purple fire and blasted the five Anothers down and then…

EXTREMELY MASSIVE FIERY EXPLOSION!

I caught their Wonder Ride Books!

Nico: YEAH!

Qin: WHOA! That was huge!

Adrianna Bunyan: That was awesome!

Nico: Who's next?

Me: Lets see. Nocturna (Dragon Flyz) and Roadhog.

Nico: Better call in Ariana Sanchez and Kiara Kessler.

Qin: Yep.

Maria: I'm on it.

In swirls of Blue and Indigo fire came the Avatars of Chacu Challhua and Ccapac Apu!

Ariana Sanchez: Yo.

Kiara Kessler: What's happening guys?

Me: A lot of things.

Nico: Yep.

Xenia: Here they come!

We saw Another Nocturna and Another Roadhog!

Nico: Who are you two?

Another Nocturna: (Australian Accent) I heard that J.D. went to the world of Dragon Flyz.

Another Roadhog: (In a girls voice) That is really awesome.

Me: (GASP) Those voices.

They reverted back.

Another Nocturna was a girl with blue hair and had blue clothes and she had the symbol of the Water Skylanders in the middle of her forehead and on her skirt and she had squid blasters and had blue angel wings. Another Roadhog was a girl with red hair and she had red eyes and the symbol of the fire skylanders in the middle of her forehead and she also had a red Centaur Horse half and the Fire Skylanders symbol was her cutie mark.

Me: (GASP) Sheila Tidepool and Yumi Trailblazer!

Nico: WHOA! And they must be the gene-slammers for Tidepool and Trailblazer.

Yumi Trailblazer: That's right.

Nico: Wow Yumi you look awesome as a Centaur.

Yumi Trailblazer: Thanks. It's awesome.

Laney: And are you an awesome shot with those blasters Sheila?

Sheila Tidepool: Well…

She fired and blasted numerous bad guys with her squid blasters and blew their heads off.

Me: WHOA!

Sheila Tidepool: That good enough for you mate?

Laney: It sure is! Awesome shooting!

Ariana Sanchez: Sorry we have to do this. Shame Another Junkrat isn't here.

Yumi Trailblazer: I know. But it's all right.

Lincoln fired beams of light and separated them.

Nico: Yeah!

Ariana and Kiara fired waves of blue and indigo fire and blasted the Anothers and they exploded!

KRABBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOO

I caught the Wonder Ride Books.

Qin: YEAH!

Me: Yep!

Nico: Another Fat Mandark is among the two next. Time to find out his true identity.

Brittney: And to give him Liposuction.

We laughed!

Nico: (LAUGHS) That was funny.

Kase: (LAUGHS) Yeah!

Me: Better call in Maria Tredwell and Alessa Garcia then.

Maria: You got it.

In swirls of green and yellow fire came Maria Tredwell and Alessa Garcia.

Alessa Garcia: Wassup?

Maria Tredwell: Hey guys.

Me: What's up is that we have Anothers running around.

Qin: Yep.

Lola: Another Fat Mandark and Another Universe 666 Salem.

Xenia: Oh boy.

Nico: There they are!

Flying in without a hook was ANOTHER FAT MANDARK!

Me: Boy this guy needs to go on a diet!

Qin: Big time!

Then in a swirl of darkness came ANOTHER UNIVERSE 666

SALEM!

Nico: Another Universe 666 Salem!

Qin: Oh boy.

Me: The Another Universe 666 Salem is going to be hard to kill. She is immortal.

Nico: Yep.

Me: Then this calls for my poisonous blood.

Nico: And 2 two are?

Another Fat Mandark: (In a girls voice) I hate this fat form.

Another Universe 666 Salem: And this is a crazy form too.

They reverted back and the Fat Mandark was a girl with brown hair and brown eyes and had the kanji for Earth in the middle of her forehead and she had brown clothes and brown angels wings and she had Lexaeus' Axe Sword in her hands and she had the kanji for The Taciturn Stalwart of the 5 Earths on her skirt. Nico: Salem has a daughter?!

Shayla Salem: That's right. I am from remnant and I also am Salem's daughter. Like my mother I too am cursed with Immortality. I lived as long as my mother and she sent me to Earth for my safety. I was given this.

She gave me a letter.

Me: (Reading) "My dearest Shayla, these thousands of years have been terrible for me and I am going down a really dark path and I'm recruiting followers to help me in my conquest to destroy the entire planet of Remnant to make the people pay for their crimes against the world and to me. I am sorry that I will never be able to see you grow up and do so many good things that I cannot. My heart is full of darkness and sorrow because of the loss of your father Ozma. I can never forgive myself for trying to bring him back to life and in the end I was cursed with this horrible fate and that was living with Immortality. The people of Remnant were out to kill me. Sending you to Earth for your safety is the only option I had left. I'm sorry I couldn't be there for you. Find someone that loves you and protects you and does good for the world. I love you. Salem."

Nico: Oh man!

Qin: That is crazy!

Nico: I got good news. Your Mom's still alive.

Me: Yeah and she is back with us. It's a crazy story.

Qin: After the 20 Days of Darkness reared it's ugly head, she appeared in Nico's mind and became his Guardian Angel as a way to redeem herself.

Me: It's true.

I told her everything and how her mother redeemed herself and how we brought her back to life and more.

Shayla Salem: Oh mom! I knew there was good in you and I knew that you would redeem yourself. I knew it!

Maria: She is one of our strongest teammates and a great friend and an awesome mentor to Ruby and friends.

Me: You'll see your mother again when we get back.

Lola: Yeah.

Nico: And Layla that is awesome that you are the gene-slammer of Lexaeus.

Layla Lexaeus: I know.

Nico: Yeah.

Alessa Garcia: Sorry we have to do this.

Layla Lexaeus: It's okay.

Lincoln: First lets separate you girls.

Lincoln fired a wave of light and separated them.

Me: YEAH! I got the Universe 666 Salem. This calls for my poisonous blood.

I took out a dagger and slashed my wrist and coated the dagger blade in my blood.

Alessa fired waves of fire and burned Another Universe 666 Salem. I teleported and stabbed her and then she disintegrated into ashes instantly!

Maria fired waves of green fire and incinerated Another Fat Mandark!

I went over and picked up the Wonder Ride Books.

Me: Got them.

Qin: Now for Another Metroid Prime and Another Wiener Rolf?

Maria called them in and in swirls of orange and red fire came Carla Carmine and Regina Goodwin!

Regina Goodwin: We're here guys.

Carla Carmine: Hey, sis!

Carly Atlas: Awesome seeing you here Carla!

Carla Carmine: It sure is.

Me: LOOK!

We saw a figure come and it was ANOTHER METROID PRIME!

Shanan: WHOA!

Nicole: Another Metroid Prime! This is its true form. It was the toughest final boss of Metroid Prime.

Sora Phaaze: No kidding!

Then we saw Another Wiener Rolf!

Me: Another Wiener Rolf!?

Lola: WHOA!

Lincoln: (Imitating Rolf) I AM A WIENER!

Leni: You are Rolf!

We laughed hysterically at that!

Eddy: (LAUGHS) That was a good one!

Nico: But that ISN'T Rolf.

Me: We know.

Another Wiener Rolf: (In a girls voice) That was really funny though!

Another Metroid Prime: (In a girls voice) That was really funny too.

Me: Those voices!

They reverted back and we saw that the Another Metroid Prime was a girl with blue hair and had blue eyes and had blue clothes and blue angel wings and had red shoes like those of Sonic and had blue ears like those of Sonic. Another Wiener Rolf was a girl with blue hair and had blue eyes and blue clothes and she had a sash of sausages around her and she had a wiener blaster!

Me: (GASP) Amelia Mobius and Sasha Knockwurst!

It appears the evil former Te Xuan Ze, Kai Yee, has broken free of his statue prison and fled to Chi Bi, but he hasn't forgotten his hatred towards Juniper Lee nor Jasmine Lee, and he wants one thing: revenge on The Te Xuan Ze. But, we're not letting that former Te Xuan Ze get away with his crimes, we're going to make Kai Yee pay for his crimes from 200 years ago and send him to The Black Gates, and even more epic: Rayman and Juniper Lee are also going to transform and they're really going thrash that former Te Xuan Ze, and since we're heading for Chi Bi, we're going to use Zhou Yu's fire attack because we'd found out Kai Yee has also gotten together a massive fleet of ships to attack us at Chi Bi. Too bad for him, we're going to use the very strategy used in The Battle of Chi Bi: chain the ships together, call upon The Southeastern Winds, and send the fire ship to set the ships aflame, all that combined together will send Kai Yee's giant fleet of ships sinking into the depths.

Lincoln: Whoa, we're here at Chi Bi, and I know what we're going to do here, not only am I going to rescue the eight girls here, but we also got bad news.

Juniper Lee: Yeah, really bad news: the evil former Te Xuan Ze, Kai Yee, has broken free of his statue prison and fled to Chi Bi, but he hasn't forgotten his hatred towards me nor Ah Mah, and he wants one thing: revenge on me.

Me: I remembered hearing about him, 200 years ago, he was the Te Xuan Ze, but after he couldn't become a Magical Elder, he turned against them and tried to become one by taking their powers, but got turned into a jade statue.

Rayman: That's what I heard from June, and then, some dingbat demons freed him from his prison and almost destroyed the worlds until he got turned to stone and imprisoned in Jasmine's house.

Nico: Now, he's somehow gotten freed and he fled here to Chi Bi. But, we're not letting that former Te Xuan Ze get away with his crimes, we're going to make Kai Yee pay for his crimes from 200 years ago and send him to The Black Gates.

Rayman: And June and I are also going to transform and we're really going thrash that former Te Xuan Ze, and since we're here for Chi Bi, Zhou Yu, we're going to use the fire attack that you used during the battle against Wei.

Eli: That's right, because we'd found out Kai Yee has also gotten together a massive fleet of ships to attack us at Chi Bi.

Lincoln: Too bad for him, we're going to use the very strategy used in The Battle of Chi Bi: chain the ships together, call upon The Southeastern Winds, and send the fire ship to set the ships aflame, all that combined together will send Kai Yee's giant fleet of ships sinking into the depths of the rivers of Jiang Dong.

Zhou Yu: However, it won't be that easy, the ships he'd gathered have advanced technology that can detect any incoming ship.

Edd: That's where I come in, Zhou Yu.

Edd took out some EMP grenades.

Edd: These EMP Grenades should be able to disable the technology onboard the ships enabling Huang Gai to get the fire ship close to his fleet and set it ablaze.

Lori: But, first things first, we need to summon the Southeastern Winds.

Zhuge Liang: I shall head to the altar at once to begin the ceremony.

Sun Quan: Lori, I want you to go with Zhuge Liang to provide some extra wind power as soon as the Southeastern Winds start blowing.

Zuo Ci: Zhang Jiao and I shall also help out as well.

Zhang Jiao: We cannot forgive a man such as Kai Yee, who turned his back as the Te Xuan Ze.

Cao Cao: While the rest of us holds off any incoming enemy soldiers.

Lori, Zhuge Liang, Zuo Ci, and Zhang Jiao headed for the altar to begin the prayer ceremony to call forth the Southeastern Winds, and we then saw some incoming demons loyal to Kai Yee ready to kill us.

Rayman: As if you couldn't stoop any lower, Kai Yee, you also recruited demons to help you?! I'm not letting you get away with this any longer.

Lincoln: Easy, Rayman, we'll make sure Kai Yee pays for his crimes, but in the meantime, we need to ensure that Zhou Yu's strategy is a success. Stand your ground, everyone!

The rest of us held off Kai Yee's armies of demons heading for us, while Lori and Zhuge Liang began the prayer ceremony at the altar. Suddenly, the Southeastern Winds began to blow as we felt the breeze.

Zhuge Liang: The Southeastern Winds have arrived.

Lori: Now, to give the winds some extra strength.

Lori used her powers and made the Southeastern Winds even stronger, and they were made even more stronger thanks to the sorcery of Zuo Ci and Zhang Jiao.

Guan Yu: Zhuge Liang has succeeded in calling forth The Southeastern Winds.

Zhang Fei: And it looks like Lori used her powers to make them even stronger.

Lincoln: Along with the added help of Zuo Ci and Zhang Jiao. Now, to take care of the fleet of ships.

Lincoln used his powers to chain the ships without alerting Kai Yee and used EMP Grenades which disabled the ships and weapons.

Yue Ying: Splendid work, Lincoln, the ships have been chained together and their weapons were disabled without Kai Yee finding out.

Sun Quan: It's time. Huang Gai, board the ship and set the fleet ablaze!

Huang Gai: Yes, my lord.

Huang Gai boarded the ship for the fire attack which was loaded with barrels of oil and dried wood from dead trees that Laney and Applejack found. Then, the ship was finally nearing the fleet, it was time. Then, Huang Gai threw the torches on the ship and it was set ablaze, and then, he leapt off the fire ship and landed among the fleet of ships, and when the fire ship crashed into the fleet, it set the entire fleet of ships ablaze, and thanks to the Southeastern Winds called upon by Zhuge Liang, and made stronger by Lori, Zuo Ci, and Zhang Jiao, the flames grew even stronger.

Lynn: Whoa, we did it, the fleet's been set ablaze.

Lincoln: Now's our chance, all forces, advance and slay Kai Yee!

Suddenly, we saw a very beautiful and super sexy girl with long purple hair and purple hairband, purple eyes, fangs, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful purple angel wings, she's dressed in a short-sleeved purple blouse, sleeveless purple top, purple skirt, white bridal gloves, dark purple knee-high high-heeled boots with butterfly buckles, and long white long-sleeved trenchcoat with darkness, wyverns, and angels on the coattails and on the back are Castle Doran and Shoodoran, and holstered on her back is a massive Doran-themed greatsword with embedded blood red gems and The Doran etched on the 7'0" massive, wide, double-edged purple blade, large purple dragon heads for the crossguard, large white angelic faces embedded on both sides of the hilt with purple gems embedded in their foreheads, longer midnight black handle, four large white angel heads and large purple gem on the bottom of the large white angel heads for the pommel, and with her are the six girls.

Nico: Whoa, looks like we've run into the next Demon Race Embodiment

Purple-Haired Girl: Oops, sorry about the scare, but I managed to get the girls away from that powerhungry fallen Te Xuan Ze, and I also sucked out the souls of his armies.

Lincoln: (Gasps) That voice, Vespera Dracona, I knew it was you!

?: JUNIPER LEE, I WILL HAVE MY REVENGE ON YOU!

We then saw our target, the fallen Te Xuan Ze from 200 years ago, Kai Yee, heading right for us.

Juniper Lee: Kai Yee, I never thought I'd have to see your face again!

Kai Yee: You and your grandmother ruined everything, I wanted to bring peace to both worlds!

Lincoln: The only thing you did was threaten the balance between the Physical and Spiritual Planes, you are an absolute disgrace to the legacy of The Te Xuan Ze.

Rayman: My words exactly, and it's high time you pay the price for your crimes, Kai Yee.

Juniper Lee: You said it.

Suddenly, Juniper Lee's brown eyes turned neon brown and she was surrounded by a magenta and pink energy aura with magic, stars, and dragons, and as she approached Kai Yee, she left magenta energy, magic, stars, and dragons with every step.

Juniper Lee: You've caused us more than enough trouble for the last time, Kai Yee, you should've stayed imprisoned inside that stone statue prison of yours, but like the sore loser you are, you decided to break out to come after me for revenge, well, I'm through playing, now I'll make sure you never come back.

Suddenly, Juniper Lee was surrounded by a massive vortex of magenta and pink energy with magic and stars surrounding the vortex, there are dragons flying around the vortex, and in the vortex is a green dragon with red eyes glaring at Kai Yee: the red eyes of death. Then, as the vortex faded, Juniper Lee emerged, but she was changed forever.

Juniper Lee has transformed into SUPER ANGEL-DRAGON-HARMONY UNIVERSAL ETERNAL CELESTIAL XELNAGA COSMIC MAGICAL SPIRIT WORLD TE XUAN ZE DRAGON ANGEL OF DIVINE COSMIC MAGICAL SPIRIT WORLD TE XUAN ZE DRAGON JUSTICE AND DIVINE COSMIC MAGICAL SPIRIT WORLD TE XUAN ZE DRAGON WILL AND BRAVERY!

We were amazed by Juniper Lee's Super Angel-Dragon-Harmony Universal Eternal Celestial Xelnaga transformation, and when Rayman saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Kai Yee saw it, he fell into a rage and fired a blast of magic at her, but Juniper Lee dodged it, and she fired a barrage of magenta and pink energy blasts with magic, stars, and dragons at him, and they exploded as they hit him, and he suffered damage from the barrage.

Nico: HOLY MOLY! June's transformed into her Super Angel-Dragon-Harmony Universal Eternal Celestial Xelnaga form, this is going to be one epic battle.

Juniper Lee: (Divine Godly Cosmic Voice of The Spiritual Magic Star Te Xuan Ze Dragon Angel and Divine Cosmic Spiritual Magic Star Te Xuan Ze Dragon Bravery) And one that'll be the end of Kai Yee for good, but it won't be fun without my future husband joining in.

Rayman: (Smirks) Oh, you already know that I'm going to enjoy kicking this guy's hide all over the place!

Suddenly, something within Rayman's mind absolutely snapped as memories of Kai Yee's crimes against the human and magic worlds 200 years ago rushed through his head, and then, his purple eyes turned neon purple and he was surrounded by a purple and red energy aura with stars, light, darkness, magic, Lums, and dragons, he unholstered his massive Morpheus's Celtic Dream Eternal Night Greatsword of Peaceful Celtic Dream Justice from his back, and as he menacingly approached Kai Yee, he left purple and red energy, stars, light, darkness, magic, Lums, and dragons with every step.

Rayman: You make me absolutely sick to my stomach, Kai Yee, as the Te Xuan Ze two centuries ago, you had a duty to defend both the Human and Spiritual Planes from evil, and you exceeded all of the expectations set out for you. But, then, you went rogue, turned traitor, and attacked the Elders to try and rob them of their power for your desire for world domination, and you were sealed into a jade statue until June and her grandmother defeated you for good and sealed you back into a jade statue for good. (SUDDENLY GETTING EXTREMELY MEGA PISSED OFF BIG TIME AND PURPLE AND RED ENERGY AURA FLARES UP EVEN MORE FURIOUSLY) But, as always, you just don't even know when to ever give up, you decided to escape and get revenge on June once again… , I WILL NOT LET YOU LAY ONE HAND ON MY WIFE, KAI YEE, YOU ARE NOTHING MORE THAN A TRAITOR AND DISGRACE TO THE LEGACY OF THE TE XUAN ZE, AND WHAT YOU DID TWO CENTURIES AGO, YOU JUST EARNED YOURSELF THE FULL EXTENT OF MY WRATH! PREPARE YOURSELF, KAI YEE, THE LEGENDARY HERO AND DEFENDER OF THE GLADE OF DREAMS IS COMING TO TAKE YOUR LIFE, AND NOT EVEN YOUR POWER WILL SAVE YOU FROM MY WRATH!

We suddenly gasped at the sudden extent of Rayman's rage: KAI YEE, YOU JUST WENT AND GOTTEN YOURSELF DOOMED!

Me: OH MAN!

Nico: (Gulps) The last time he exploded like that was when Auntie Roon attacked June, and now, he's just exploded at Kai Yee, this is going to get ugly!

Lincoln: Big time ugly! HIT THE DIRT, HE'S GOING TO BLOW!

We stood our ground as Rayman screamed like an absolute madman to the infinite power and he was surrounded by a massive vortex of purple and red energy with stars, light, magic, and darkness surrounding it, there are Lums and a dragon flying around the vortex, and in the vortex is a white phoenix. Then, as the vortex faded, Rayman emerged, but he was changed forever.

Rayman grew from 7'5" to 7'9" in height, his abnormally massive and powerful upper and lower body muscles grew a bit bigger and he still retained his eight-pack abs, he has purple and red highlights in the bangs of the two fronds of his strawberry-blonde hair which grew to reach down to the bottom of his neck, he has neon purple eyes and a purple and red energy aura with magic, light, darkness, stars, fairies, Lums, and dragons surrounding him, he has a Lum in the hands of a night dragon emblazoned on his forehead and Third Eye with purple iris, he has on his Crystal Necklace of The Buddha with red and purple gems on the gold crescent moon links and red and purple crystal links and a purple dragon-shaped Element of Harmony and on the bottom of the Element of Harmony is a Fairy with red and purple gems for eyes and holding a Lum and the Light, Dream, Dark, and Eternity Kanjis in its hands for the pendant on his neck. Suddenly, Rayman felt a very sharp pain on his wider and more muscular back, and then, his massive strawberry-blonde angel wings with purple and red tips on the large strawberry-blonde feathers on his wider and more muscular back grew much larger for his new body. Rayman has on a Ring of The Phoenix with large purple gem and heart-shaped gem embedded in the gem on his right ring finger and his Blue Lantern Corps ring on his left ring finger and Stone of Gelel embedded in his left hand covered by his left white glove.

Suddenly, Rayman's massive Morpheus's Celtic Dream Eternal Night Greatsword of Peaceful Celtic Dream Justice and all of the greatswords and swords he'd gotten in the treasure battles began merging together and they were surrounded by a kaleidoscope of purple and red energy, stars, dragons, fairies, light, darkness, and Lums, and when it emerged, it's transformed into Rayman's Morpheus's Celtic Dream Eternal Night Greatsword of Peaceful Celtic Dream Justice, it's a brand-new massive greatsword with embedded red gems and the Greek God of Dreams, Morpheus and a Celtic Triquetra etched on the 7'5" massive, wide, double-edged purple blade, large purple dragon heads with red gems for eyes for the crossguard, large white angelic faces built into both sides of the hilt and large purple and red gems embedded in the foreheads, longer midnight black handle, four large purple dragon heads with red gems for eyes and purple gems in their mouths and on the bottom of the four large dragon heads is a large purple dragon with red gems for eyes and red gem in its mouth for the pommel, he has on his brand-new large gold cuff Bracers of The Champions of The Champions of The Universe with red gems on his wrists in the long sleeves of his long-sleeved white trenchcoat and Dragon Ball Bracelet on his left gold Bracer, his new large gold Belt of Elemental Bravery with a gold dragon head with purple gems for eyes and a large red gem in its mouth for the belt buckle on his waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace Equestrian Peace, his Spellbook of Eternal Dreams, Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on his right hip and his Eater of Sins revolver holstered on his left hip. Rayman has transformed into SUPER ANGEL-FAIRY-DRAGON-LUM-HARMONY UNIVERAL ETERNAL CELESTIAL XELNAGA LIGHT DARKNESS CELTIC DREAM GLADE FAIRY DRAGON NIGHT ANGEL OF DIVINE CELTIC MOON LIGHT FAIRY NIGHT DRAGON DARKNESS CELTIC DREAM JUSTICE AND DIVINE CELTIC MOON LIGHT FAIRY NIGHT DRAGON DARKNESS CELTIC DREAM HOPE!

We were really really amazed by Rayman's Super Angel-Fairy-Dragon-Lum-Harmony Universal Eternal Celestial Xelnaga transformation, but when Kai Yee saw it, he got mad with rage and was about to fire yet another blast of magic at him, but Rayman fired a powerful barrage of purple and red energy blasts with light, darkness, stars, fairies, Lums, and dragons at Kai Yee which exploded as it hit him and forced him back, but this angered him even more.

Rayman: (Divine Godly Cosmic Voice of The Celtic Dream Glade Light Fairy and Night Dragon and Divine Celtic Dream Moonlight Light Fairy and Night Dragon Hope) Two centuries ago, you deserved to be turned into a jade statue for your crimes against the worlds of humanity and magic, Kai Yee, but now, you're about to be destroyed forever by all of Team Loud Phoenix Storm, but just remember, you brought this on yourself.

Juniper Lee: (Divine Godly Cosmic Voice of The Spirit Magic Te Xuan Ze Dragon Angel and Divine Cosmic Spiritual Magic Te Xuan Ze Dragon Angel Bravery) He sure has, now, let's kick this guy's keister to Oblivion!

Rayman and Juniper Lee went after Kai Yee, and they fired extremely powerful blasts of purple and red energy, magenta and pink energy, stars, light, darkness, magic, Lums, and dragons at Kai Yee, and they exploded with incredible power as they hit him, and they also attacked him with their new massive greatswords leaving scars on him, and they even disarmed him of his sword.

Juniper Lee: (Divine Godly Cosmic Voice of The Spirit Magic Te Xuan Ze Dragon Angel and Divine Cosmic Spiritual Magic Te Xuan

Ze Dragon Angel Bravery) Now, let's strip him of his magic, Rayman.

Rayman: (Divine Godly Cosmic Voice of The Celtic Dream Glade Light Fairy and Night Dragon and Divine Celtic Dream Moonlight Light Fairy and Night Dragon Hope) Like we did with that old witch, Auntie Roon.

Then, Rayman and Juniper Lee chanted a powerful incantation and fired red energy beams which hit Kai Yee and stripped him of all of his magical powers and we made them our own.

Lincoln: Nice one, Rayman and June. Okay, gang, let's get in there and finish off that rogue Te Xuan Ze.

Then, Rayman and Juniper Lee fired powerful black energy blasts which hit a powerless Kai Yee and they exploded with incredible power as they hit him, and the rogue Te Xuan Ze was sent to The Black Gates forever. We cheered as we holstered our weapons and powered down, and Rayman's new body, clothes, weapons, jewelry, Third Eye, and massive strawberry blonde angel wings are permanent and Juniper Lee's new body, clothes, weapons, jewelry, Third Eye, and massive black angel wings are permanent.

Juniper Lee: We did it, Kai Yee's gone for good. Wait 'til Ah Mah hears this!

Rayman: We'll make sure to tell her at the wedding, June, and of course, the entire Magical Realm is going to want to hear this.

Lincoln: You got that right, and from what your grandmother told us, June, they also happen to throw some awesome parties to celebrate the banishment or imprisonment of its biggest troublemakers.

Suddenly, we saw more demons heading right for us to kill us and avenge Kai Yee, but Lincoln fired purple energy blasts which hits the oncoming armies of demons loyal to Kai Yee, and he ripped out their souls and devoured them, and then, he sucked out and drained the souls of all their life energy and he sent their souls to the castle of The Michigan Supernatural Defense Force where they're put in prisons and with a curse on them: a curse that'll let them regain their life energy only to have it then drained out of them again. Then, we saw the burning fleet of ships Kai Yee formed sink into the rivers of Jiang Dong.

Eli: Whoa!

Nico: Kai Yee's fleet has sunk into the rivers of Jiang Dong.

Me: He tried to get together a fleet of ships to get his revenge, but in the end, he was defeated and his fleet was burned and sunk into the depths of the rivers of Jiang Dong.

Sun Shang Xiang: Just like what happened when we fought against Wei at Chi Bi.

Lincoln: Kai Yee's messiah complex did him in two centuries ago and it also did him in when he was freed from his jade statue prison and got defeated by June and her grandmother, and now, it did him in permanently when Rayman and June killed him and sent him to The Black Gates.

Laney: Indeed, and if there's one thing we can't stand, it's villains who think they're the messiah and they have the right to decide who lives and who dies.

Me: Those are the worst kind.

Nico: Yeah. But, we're rid of Kai Yee for good.

Lincoln: Along with those following him. (To Vespera Dracona) And it's so good to see you again, Vespera Dracona.

Vespera Dracona: You too, Linky, it's been such a long time.

Lincoln went up to Vespera Dracona and he hugged her, and Vespera Dracona is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, fine hair on his massive forearms and short stubble on his jawline, He-Man's chest harness, and many other accessories, and she also met his

familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you nine since you were seventeen, and as you can see, I really grew a lot since then.

Vespera Dracona: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 17-year-old 7'9" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, fine hair on your massive forearms and short stubble on your jawline and many accessories, that's really new, along with getting He-Man's chest harness. You've really really grown a lot in height and become a man, but you're still the same kind boy from long ago. Plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and he's become truly immortal.

Me: And Lincoln, you know her?

Lincoln: Indeed I do, J.D., this is Vespera Dracona, Embodiment of The Doran Race, she's my Guardian Angel from Michigan, and she was born with not only the dark powers and strengths of the wyverns, but she was also born with the dark powers and strengths of The Doran and none of their weaknesses. Vespera's known for defending Lincoln with a fierce passion not only from his enemies, but also from the heartlessness of Lori, Lynn, Lola, Lisa, and Luan, and she's also gotten along well with Leni, Luna, Laney, Lana, Lily, Lynn Sr., and Rita, and just like me and the other vampires, she feeds on blood bags from the blood bank, and she also knew of me being a powerful Alpha Vampire-Werewolf-Cyborg Hybrid, and she's also friends with Lucy and her friends in The Young Morticians' Club.

Victoria Kurenai: And she's also among the many members of The Michigan Supernatural Defense Force, a group of vampire hunters formed by Lincoln, the other Kamen Rider Kiva embodiments, and the embodiments of The Wolfen Race, Merman Race, Franken Race, Fangire Race, Kivat Race, Doran Race, Legendorga Race, Mermaid Race, Ghost Race, Gigant Race, Hobbit Race, and Goblin Race, and their job is to defend Michigan, Royal Woods, and Great Lakes City from the threat of evil vampires, evil werewolves, and other evil supernatural creatures of the night.

Ravenna Amaranth: We also teamed up with The Ghosthunters Club and other clubs for some of their more dangerous missions involving powerful vampire lords, werewolves, witches, warlocks, demons, and demon lords. Lincoln made Vespera a beautiful necklace with white pearls and a purple gem for the pendant, and to show thanks, Vespera kissed Lincoln on the lips underneath the full moon as the wolves howled and the creatures of the night flew to enjoy the darkness, and she hates Lola with a burning passion, and she absolutely loathes and despises King, the ruler of The Fangires, along with The Checkmate Four, along with The Legendorga with an absolutely intense and burning hatred for what they've done, and that absolutely intense and burning hatred is so powerful that all Fangires and The Legendorga were absolutely afraid of her, even Takato Shiramine and Takashi Sugimura, leader of The Legendorga, fear the Embodiment of The Wyverns, and she's also the one who built the castle for The Michigan Supernatural Defense Force which served as their base of operations.

Me: Whoa!

Nico: Damn, she's really that powerful?!

Lincoln: Yep, and we've taken down many evil legendary monsters long ago, and her skills in The Dark Arts and darkness are never to be underestimated. Plus, Vespera also taught me how to use the Doran powers for good.

Me: Really?

Lincoln: Yep, and as you saw, I fired those purple energy blasts at the oncoming armies of demons Kai Yee recruited and when they hit them, their souls are ripped from their bodies and I devour them and then, I drained their souls of their life energy and I sent them to our castle and with a curse I put on those who met the same fate: the curse lets them regain their life energy, only to have their life energy drained out of them again.

Nico: Oof, now that's the kind of torture fitting for criminals and thugs that crossed your path.

Luna: You should've seen what he'd done to a group of thugs that Chandler hired to kill him long ago: he fired a wave of purple energy at them, and that caused their souls to be ripped from their bodies and he devoured them, and he drained their souls of their life energy and sent them to their castle and put in prisons forever.

Me: I still remembered that day all too well, and it's too bad we didn't get a chance to meet you last year when we went after King and his minions.

Nico: Yeah, that was a bust, you would've kicked some serious Fangire and Legendorga ass.

Vespera Dracona: Yeah, I would've wanted to kick King, Takato, and Takashi's asses hard, along with beating up the other Legendorga and the other members of The Checkmate Four, but, I'm so glad to hear King and the rest of The Checkmate Four, along with Takashi Sugimura and Takato Shiramine got The Black Gates.

Selena Kurenai: They were nothing but bastards, every last one of them, except for Maya who was once The Pearlshell Fangire along with Mio Suzuki, but she got turned against her own will.

Lincoln: And some of the Fangires and The Mummy, Gargoyle, and Medusa Legendorga are now part of The Masters of Evil and some of them are now the archenemies of many of our friends.

Vespera Dracona: Wow.

Nico: It sure is, and if they come out for the usual battles and when they see you, please try not to attack them.

Vespera Dracona: Okay, but I'll settle for scaring them when they see me.

Lincoln: Good idea, Vespera, and now that you're here.

Suddenly, Lincoln hugged Vespera Dracona in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Vespera Dracona: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Vespera Dracona's neck with purple gems on the gold lightning bolts and purple crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck.

Vespera Dracona: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Vespera Dracona.

Vespera Dracona had a smile on her face and tears in her eyes as Lincoln still had his abnormally massive and powerful muscular arms around her, and he leans down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the eight girls, and when Lincoln saw who they were, he immediately recognized them. The eight girls are Maika Kamimura, Sora Kannazuki, Shizuru Kōsaka, Rin Uehara, Vajra Annerose, Nagi Momochi, Felicia, and Astaroth from Taimanin.

Lincoln: Oh wow, it's Maika Kamimura, Sora Kannazuki, Shizuru Kōsaka, Rin Uehara, Vajra Annerose, Nagi Momochi, Felicia, and Astaroth from Taimanin.

Nicole: Uh oh, looks like you've really attracted even more sexy girls, Lincoln, hope you can keep them away from perverts.

Lincoln: I'd beaten the tar out of Lewis Travolta, Flip, and Brad, Nicole, I can easily beat the tar out of any pervert. Are you girls okay?

Maika Kamimura: Yes, we're okay, thanks to you.

Then, when Maika Kamimura and the other seven girls saw who it was that saved them from Kai Yee, their faces turned atomic red upon seeing the 17-year-old 7'9" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head, fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with a gold lightning bolt and Ebonwu Squadron emblem emblazoned on his forehead with Third Eye on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, He-Man's chest harness with colored gems on the orange crisscrossing straps and large circular chest plate with phoenix on it, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made seven clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene.

We returned home to The World Tree Estate, and the rest of the team were shocked to find out the villain we went after was the evil former Te Xuan Ze, Kai Yee, who had broken free of his statue prison and fled to Chi Bi, but he hadn't forgotten his hatred towards Juniper Lee or Jasmine Lee, and he wants one thing: revenge on The Te Xuan Ze.

But, when Lincoln showed what happened such as Lori, Zhuge Liang, Zuo Ci, and Zhang Jiao heading for the altar to begin the ceremony to call forth the Southeastern Winds and Lori, Zuo Ci, and Zhang Jiao using their powers and sorcery to strengthen them and Lincoln disabling the technologically advanced fleet of ships Kai Yee gathered with EMP grenades and finally unleashing the fire ship that set the fleet ablaze, and finally Juniper Lee and Rayman transforming and they and all of us beat the tar out of him and Rayman and June sending him to The Black Gates forever, everyone cheered and hugged us and Lincoln's harem kissed him all over, and they had steam whistling out their ears. Lincoln and Vespera Dracona have a lot of catching up to do, now that she's back in town.

Maria: Whoa, you guys really fought a hard battle against that rogue Te Xuan Ze, and it's really awesome to see that Rayman and

Juniper Lee transformed and fought against that monster.

Rayman: We sure did.

Juniper Lee: And in the end, we got rid of Kai Yee, sent his fleet sinking into the rivers of Jiang Dong, and got rid of his army.

Lincoln: We sure did, he underestimated his opponents in a huge way.

Nico: We had to be many steps ahead of him for this one, that's why Lincoln put Zhou Yu in charge of the battle.

Me: That's right, and we also added our own contributions to his fire attack strategy.

Lu Meng: Indeed all of you have, J.D.

---

After destroying Kai Yee, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Vespera Dracona saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her faces, hearts in her eyes, and her nose was bleeding.

Vespera Dracona: My God, I was right that Lincoln's really grown into a 17-year-old, 7'9" tall, really big, handsome, and really strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been bodybuilding and working out for many years. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Vespera, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Vespera Dracona: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Vespera Dracona: Oh man, I knew it was only a matter of time before he told everyone that story.

Nico: Yep. So, Vespera, what's the story on why you hate Lola with a burning passion?

Vespera Dracona: Now, that's something I haven't forgotten.

Vespera Dracona pulled up a video and it played on the screen, and it shows Lincoln and Vespera, along with his other Guardian Angels in their personal gym that Lincoln and his Guardian Angels had built and go to, and they were working out in their gym and Lincoln was 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever and they were really working up a sweat. Suddenly, they heard a loud screech of rage and the alarm in their gym went off, and Vespera saw who it was coming after them: it was Lola, her face red with anger, her teeth turned into fangs, and her hair turned into living fire, and she was running to the gym to kill Lincoln and his Guardian Angels.

Past Vespera Dracona: Ugh, you're at it again, Lola?! You don't even know when to quit, do you, you sociopathic, blackmailing, violent, bad-tempered pink-wearing, rampaging pageant demon?!

Past Lincoln: Let's head out there right now, and take care of that rampaging demon!

Lincoln and his Guardian Angels took a break from their work-outs and went outside to take down Lola who's on another one of her rampages again, and they soon saw her.

Past Lola: YOU WILL PPPPAAAAAAAAAYYYYYYY! (SCREAMS ANGRILY)

Past Lincoln: Whatever got you in another one of your bad moods again, you should know by now that I'm not to blame for it, Lola, but since you refuse to listen to reason, you've left us no choice.

Lola roared with anger and charged at Lincoln and his Guardian Angels in a blinding rage and threw fireballs at them, but Lincoln absorbed the fireballs and they'd made him stronger, and Lincoln and Vespera fired waves of darkness at Lola and blinded her, and then, Lincoln and his Guardian Angels attacked her without mercy, and she was then knocked down and out. Then, Lincoln fired red energy waves from his massive white angel wings which tied Lola up in red energy ropes. Then, Luna came rushing over, and she saw what happened.

Past Luna: Whoa, looks like you and Vespera took down Lola, dude, awesome!

Past Lincoln: Thanks, Luna. You can take care of her now.

Past Luna: Oh, trust me, she's in huge trouble when we get back.

Lola woke up and when she saw she was tied up again, she was really angry.

Past Lola: I'LL GET YOU FOR THIS, LINCOLN, DO YOU HEAR ME, I'LL GET YOU, YOU AND YOUR DUMB GUARDIAN ANGELS, YOU WILL ALL PAY!

Past Luna: (Grabs Lola by her dress' collar) You're not laying one hand on my bro or his Guardian Angels, now get moving, you rampaging little demon!

Lola was forced to march home with Luna forcing her down the lane, but Lola still swore revenge for her humiliation and she was still screaming with rage until Luna whacked her on the head with a baseball bat as the video ended.

Nico: Sheesh, Lola wasn't too happy Vespera ruined Lola's little rampage.

Me: She sure wasn't, and Varie and I did some investigating, and we found out what made Lola go on that violent rampage of hers: it was Lori and Lynn, Lynn stepped on and broke Lola's tiaras and Lori shredded Lola's dresses with a pair of scissors and planted a lock of Lincoln's hair to frame him, so that Lola could kill him.

Nico: (GROWLS) Lori, Lynn, if we hadn't gotten rid of your Dark Sides, I'd have you two put into the stocks and paddled with a spiked metal paddle until your butts were bleeding!

Lincoln: Easy, Nico. After Lola found out, she suddenly had a pang of conscience and she apologized for it, but she still got grounded, but only for two days.

Lola: But, as for Lori and Lynn, those two got grounded for seventeen weeks and Lori got thrown in a padded room container and tied up in a straitjacket, and she was screaming with wrathful rage and wanting revenge on J.D. and Varie and when she threatened Varie's life along with his parents, J.D. punched Lori hard in the face giving her a black eye and closed the door, leaving Lori screaming with anger and hatred.

Nico: (GASPS) She did what?!

Me: Yep, every word Lola said was true, Lori threatened Varie's life along with my parents, so I had to show her no mercy when I punched her in the face and I gave her that black eye, and I personally threw Lynn in a metal container, and she roared and pounded on the door again to get out, but Varie flipped her the bird through the window, and that caused Lynn to roar and beat her chest like a gorilla again.

Nico: Serves them right.

We got a shower, and then, Lincoln, Cure Mermaid, D.D. Warrior Lady, Blizzard Princess, Red Archery Girl, Lady Assailant of Flames, and Magician's Valkyria are heading to Lake Lamode.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'9", handsome and extremely muscular man was dressed in his new large orange speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Cure Mermaid, D.D. Warrior Lady, Blizzard Princess, Red Archery Girl, Lady Assailant of Flames, and Magician's Valkyria are dressed in the two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Cure Mermaid, D.D. Warrior Lady, Blizzard Princess, Red Archery Girl, Lady Assailant of Flames, and Magician's Valkyria had feelings for Lincoln and he also had feelings for them, and he also saved them all from an ambush by a group of thugs Trina Riffins hired to kill them, Lincoln killed them all and sucked out their blood and life energy, which made Trina Riffins go insane with anger, until Lincoln fired energy blasts at him and more gold and jewels and treasures came out of that bitch, but they also got to keep their heads up, they got word that bitch, Trina Riffins, has sent more muscle-bound thugs to kill them.

Blizzard Princess: Wow, so this is Lake Lamode, it sure is beautiful.

Lincoln: It sure is, Blizzard Princess, and it's perfect for our first date before Rayman and June's wedding. Shall we?

Lincoln, Cure Mermaid, D.D. Warrior Lady, Blizzard Princess, Red Archery Girl, Lady Assailant of Flames, and Magician's Valkyria dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, then they into an indestructible dome and they also had a game of volleyball, and Cure Mermaid, D.D. Warrior Lady, Blizzard Princess, Red Archery Girl, Lady Assailant of Flames, and Magician's Valkyria got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, but then, they saw hulking muscle-bound thugs hired by Trina Riffins coming after them, but Lincoln grabbed each of them one by one and he'd sucked out their muscle mass and strength and made them thin as rakes and completely weak and he sent them to The Black Gates forever.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Cure Mermaid, D.D. Warrior Lady, Blizzard Princess, Red Archery Girl, Lady Assailant of Flames, and Magician's Valkyria, and they hugged the girls in their abnormally massive and powerful muscular arms, and Cure Mermaid, D.D. Warrior Lady, Blizzard Princess, Red Archery Girl, Lady Assailant of Flames, and Magician's Valkyria placed their hands on the massive pecs of Lincoln and his clones, and then, they shared a passionate and romantic kiss. Then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face, massive muscular body, and eight-pack abs.

Nico: Whoa, looks like someone really had an awesome time at Lake Lamode, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, six Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Cure Mermaid, D.D. Warrior Lady, Blizzard Princess, Red Archery Girl, Lady Assailant of Flames, and Magician's Valkyria with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Cure Mermaid, D.D. Warrior Lady, Blizzard Princess, Red Archery Girl, Lady Assailant of Flames, and Magician's Valkyria are now in your harem.

Jenna: Trina Riffins had some nerve trying to kill them, that heartless murderous bitch's just making things much worse for herself.

Serena Logan: Trina really is a murderous rage-crazy bitch to try those sorts of stunts, but just like Flip, she's just making things worse for herself.

Rarity: And trying to kill Cure Mermaid, D.D. Warrior Lady, Blizzard Princess, Red Archery Girl, Lady Assailant of Flames, and Magician's Valkyria, now she's really going to get it.

Lincoln: And we also had a run-in with more of her hulking muscle-bound hired thugs to kill us yet again, but I sucked out their muscle mass and strength and killed them all and sent them to The Black Gates, and she should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Trina Riffins scream with extreme hatred and rage, and now, she's officially lost her mind.

Maria: Yeah, up yours, bitch!

Nico: If that bitch so much as breaks out and we face her on your rescue, Lincoln, I hope you break every last bone in her body.

Lincoln: Are you kidding, if Trina broke out, Courtney would wind up getting to her before any of us did, and she'd really do a lot worse than the beatdown she gave that rage-crazy Spawn of Satan during The 20 Days of Darkness.

Me: Yeah, and she's lucky we're not giving her The Black Gates because she doesn't deserve it.

Lincoln: Death's too kind for her, she deserves to suffer our humiliations, and from what we've been doing by always winning against evil, it's driving her and the other jerks completely nuts!

Nico: (Snickers) In more ways than one, Lincoln.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed two dark energy signals with their eyes and the Force, and they saw who the figures were in the vision: the figures were the Dark Swat Kats, and they're here for one thing: revenge on The Swat Kats. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is someone coming after us?

Lincoln: You guessed it, Rayman, and Jake, Chance, you're not going to like it: the figures we sensed were the Dark Swat Kats, and they're here for one thing: revenge on you two.

Jake and Chance gasped in shock.

Chance Furlong: Oh man, not those two fleabags, I should've known they'd come back.

Aylene Carter: The dark counterparts of you and Jake, those two are nothing more than trouble. But, we'd better get rid of them before we have Rayman and June's wedding.

Sheila Thatcher: (Australian Accent) And that's what Lincoln and I are going to do, Aylene, destroy the Dark Swat Kats, so we can get to Rayman and June's wedding.

Lincoln: Right, Sheila, and we'll also have gotten rid of more of The Swat Kats' enemies in the process.

Nico: Right, Lincoln. Alright, gang, let's go, we may not have a mission today since today's Rayman and Juniper Lee's wedding, but we still need to get rid of The Dark Swat Kats before they cause any damage.

Lincoln: Yeah, those Dark Swat Kats have caused enough trouble to Megakat City for far too long, now we'll make sure they never come back.

Sheila Thatcher: (Australian Accent) That's right, let's go!

Lincoln put up a rainbow energy field around The World Tree Estate and we headed to the park to deal with The Dark Swat Kats and send them to The Black Gates, and then, we'll head back home to get ready for Rayman and Juniper Lee's wedding at Cloudsdale.

We arrived at the park to hunt down and kill The Dark Swat Kats.

Nico: Alright, we made it to the park, now where are those two hairballs?!

Razor: Knowing them, they'll try to use missiles against us.

T-Bone: We haven't forgotten the last time they did that.

?: And because of it, we want nothing more than to kill you both and mount your heads on a pike and burn all of Megakat City to the ground!

Suddenly, the eight large planets and stars orbing around my legs, the ten large multi-colored orbs orbiting around Lincoln's legs, the eight large orange orbs orbiting Linka's legs the nine large orange orbs orbiting around TLPS Ms. Tarantula's legs, the ten multi-colored orbs orbiting around Duke Lincoln's legs, the eight large dark blue orbs orbiting around Ed Cowart's legs, the nine large midnight blue orbs orbiting around TLPS Mr. Wolf's legs, the nine large crimson red orbs orbiting around Naruto's legs, the eight large crimson red orbs orbiting around Tahu, Vakama, and Nate Adams' legs, the eight large fiery red orbs orbiting around Zach Gurdle's legs, the eight large silver orbs orbiting around Clyde McBride's legs, the eight large black orbs with the Eye of Horus orbiting around Cody (OC)'s legs, the nine large black orbs orbiting around Lucy's legs, the eight large black orbs orbiting around Lars and Dudley Puppy's legs, the nine large search pink orbs orbiting around Lola's legs, the eight large search pink orbs orbiting around Lexx Loud's legs, the nine large rose pink orbs orbiting around Steven Universe's legs, the nine large green orbs orbiting around Lynn Sr.'s legs, the nine emerald green orbs orbiting around Yakko Warner's legs, the nine large sapphire blue orbs orbiting around Wakko Warner's legs, the nine large hot pink orbs orbiting around Dot Warner's legs, the nine large marine blue orbs orbiting around Lana's legs, the eight large marine blue orbs orbiting around Liam and Leif Loud's legs, the nine large scarlet red orbs orbiting around Lynn's legs, the eight large scarlet red orbs orbiting around Lynn Jr.'s legs, the ten coral red orbs orbiting around Timon's legs, the eight large blood red orbs around Marco Diaz's legs, the nine large aqua blue orbs orbiting around TLPS Mr. Shark's legs, the eight large blue orbs orbiting around Skippy, Sean Bolton, and Loki Loud's legs, the nine large sky blue orbs orbiting around Lori's legs, the eight large sea-foam green orbs orbiting around Loni Loud's legs, the nine large sea-foam green orbs orbiting around Leni's legs, the nine large yellow orbs orbiting around TLPS Mr. Snake and Luan's legs, the eight large yellow orbs orbiting around Lane Loud's legs, the nine large brown orbs orbiting around Laney's legs the eight large brown orbs orbiting around Larry Loud's legs, the nine large light green orbs orbiting around Lisa's legs, the eight large light green orbs orbiting around Levi Loud's legs, the nine large lavender orbs orbiting around Lily's legs, the eight large lavender orbs orbiting around Leon Loud's legs, the eight large colored orbs orbiting around Bobby Santiago and Nico's legs, the eight large rainbow orbs orbiting around Rainbow Dash's legs, the eight large aqua and ocean blue orbs orbiting around Varie, William Dunbar, and Adam Lyon's legs, the ten large aqua blue orbs orbiting around Girl Jordan's legs, the nine large colored orbs orbiting around Timmy Turner's legs, the eight large gold orbs orbiting around Alex the Lion and Takanuva's legs, the nine large purple orbs orbiting around Luna's legs, the nine large search pink orbs orbiting around Rita's legs, and the eight large purple orbs orbiting around Luke Loud's legs and Menat's legs, along with our gems on our large gold Bracers of The Champions of the Universe and the Stones of Gelel that were embedded in the backs of our left hands were glowing, and that means we've got big trouble incoming, and the imps of The Fabled Gene-Slammers were already hissing with anger.

Lincoln: Hook, Line, and Sucker!

Lincoln fired two Matchead Missiles which hit the bush and forced out our targets: The Dark Swat Kats.

Razor: Bulls-Eye! Nice shot, Lincoln.

T-Bone: I'd say it's been a long while, Dark Swat Kats, but that's just a big fat lie. Now, here's a little something to welcome you back before you both die.

Razor and T-Bone punched their dark counterparts hard in the face and left them with bleeding noses and black eyes, and that pissed them off.

Sheila Thatcher: (Australian Accent) Nice shot, boys, now it's my turn.

Suddenly, Sheila Thatcher's blue eyes turned neon blue and she was surrounded by a black and red energy aura with stars, nebulae, fire, earth, water, light, darkness, The Sun, Mercury, Venus, Earth, Mars, Saturn, Jupiter, Uranus, Neptune, and Pluto, and angels, she unholstered her massive Legendary Planets-themed greatsword from her back, and as she approached the Dark Swat Kats, she left black and red energy, stars, nebulae, fire, earth, water, light, darkness, The Sun, Mercury, Venus, Earth, Mars, Saturn, Jupiter, Uranus, Neptune, and Pluto, and angels with every step.

Sheila Thatcher: (Australian Accent) You Dark Swat Kats really make me sick to my stomach, it's bad enough you two fleabags make the true Swat Kats look bad, but what you two have done in trying to take over Megakat City and cause terror and destruction, that's something that can never be forgiven nor forgotten, and for that, I shall make you two suffer the wrath of the Planets of The Solar System and end your pathetic lives forever!

Suddenly, Sheila Thatcher was surrounded by a massive vortex of black and red energy with stars, nebulae, fire, earth, water, light, and darkness surrounding the vortex, there's The Sun in the center with Mercury, Venus, Earth, Mars, Saturn, Jupiter, Uranus, Neptune, and Pluto orbiting around it with angels flying around the vortex, and in the vortex is a black phoenix with reflecting stars and nebulae on it and the Armenian Symbol of The Solar System on its chest and with red eyes glaring at The Dark Swat Kats: the red eyes of death.

Dark T-Bone: What the?! What sort of nonsense is this?!

T-Bone: It's not nonsense, what you two see before you is death, and it's coming for you both.

Razor: As Lucy would say, no one will ever say a kind word at your funerals because there's nothing to even say about you two.

Nico: You got that right, and that was one awesome display! It's like seeing the entire Solar System but we didn't even need to go into space.

Gina Readington: You got that right, and it's true that Sheila has all the powers of all the Planets of The Solar System and The Sun itself, she really is a powerful and awesome Fusion Gene-Slammer of The Legendary Planets.

Lincoln: And you, Erica Gillette, Varya Halinorova, Rachel Jacobs, Valerie Apollo, Jessica Florrence, Caitlyn Togero, Nikolette Furya, Hailey Nicos, and Katie Ferrari were also Gene-Slammed into the Legendary Planets as well, Gina Readington, and you girls also have the powers of the planets and were named The Angels of The Sun, Mercury, Venus, Earth, Mars, Saturn, Jupiter, Uranus, Neptune, and Pluto.

Me: He's right on that one, and you girls were Gene-Slammed separately into The Legendary Planets because of those powers you were born with, and I wouldn't be surprised that you girls will also have the symbols of the planets on your angel wings when you transform for your own fights.

Nico: That would be so awesome to see!

Then, as the vortex faded, Sheila Thatcher emerged, but she was changed forever.

Sheila Thatcher grew to 7'5" in height, she has the body of a goddess, she has black highlights in the bangs of her red hair, she has neon blue eyes and a black and red energy aura with stars, fire, water, earth, light, darkness, The Sun, Mercury, Venus, Earth, Mars, Jupiter, Saturn, Uranus, Neptune, Pluto, and angels surrounding her, she has the Armenian Symbol of The Solar System emblazoned in the middle of her forehead with Third Eye with blue iris, she has on angel earrings with blue gems for eyes and holding the Fire, Water, Earth, Light, Darkness, Planet, and Eternity Kanjis in her hands, she also has an angel with blue gems for eyes and holding the Fire, Water, Earth, Light, Darkness, Planet, and Eternity Kanjis in her hands for the second pendant along with the gold Thunderbird pendant on the bottom of her red angel-shaped Element of Harmony for her Thunderbird Necklace of Eternal Love necklace with crimson red crystal links from her merged Crystal Necklace of the Buddha and crimson red gems on the gold lightning bolts and she has on her Elemental Thunderbird Choker of Eternal Love on her neck. Sheila Thatcher has on a sleeveless black midriff top, black shorts, black shoes, and long sleeveless white trenchcoat with stars, fire, water, earth, light, darkness, The Sun, Mercury, Venus, Earth, Mars, Jupiter, Saturn, Uranus, Neptune, Pluto, and angels on the coattails and on the back is the Armenian Symbol of The Solar System and surrounding it are The Supremacy Sun, The Tripper Mercury, Splendid Venus, Elemental HERO Terra Firma, The Blazing Mars, The Big Saturn, The Grand Jupiter, The Despair Uranus, The Tyrant Neptune, and The Suppression Pluto. Suddenly, Sheila Thatcher felt a sharp pain on her back, and then, her massive five sets of black angel wings with the symbols of the nine planets and The Sun grew much bigger for her new body and the black feathers also have red tips on them and she now has eleven massive and long red wolf tails with black tips and black markings, she has on a Ring of The Phoenix with red gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded on her left hand.

Suddenly, Sheila Thatcher's massive Legendary Planets-themed greatsword and all the greatswords and swords she'd gotten began to merge together and they're surrounded by a kaleidoscope of black and red energy, stars, fire, water, earth, light, darkness, The Sun, Mercury, Venus, Earth, Mars, Jupiter, Saturn, Uranus, Neptune, Pluto, and angels, and when it emerged, it was transformed into Sheila Thatcher's Multi-Elemental Legendary Planets Greatsword of Multi-Elemental Legendary Planet Justice, it's a brand-new massive greatsword with embedded colored gems representing The Sun, Mercury, Venus, Earth, Mars, Jupiter, Saturn, Uranus, Neptune, and Pluto and the Armenian Symbol of The Solar System and The Supremacy Sun, The Tripper Mercury, Splendid Venus, Elemental HERO Terra Firma, The Blazing Mars, The Big Saturn, The Grand Jupiter, The Despair Uranus, The Tyrant Neptune, and The Suppression Pluto etched on the 7'4" massive, wide, double-edged red blade, large black dragon heads with red gems for eyes for the crossguard, large white angelic faces built into both sides of the hilt and large colored gems embedded in the foreheads, longer midnight black handle, four large black phoenix heads with red gems for eyes and on the bottom of the four large black phoenix heads is a large black dragon head with a red gem in its mouth for the pommel, Sheila Thatcher has on her new brand-new large gold cuff Bracers of the Champions of The Universe with crimson red gems on her wrists and her Dragon Ball Bracelet on her left Bracer, new large gold Belt of Elemental Bravery with a gold dragon head with crimson red gems for eyes and a large crimson red gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a red kanji with stars in between the kanji below the Armenian Symbol of The Solar System and The Legendary Planets Duel Monsters that said, "Sheila Thatcher, Gene-Slammer of The Legendary Planets, Wielder of The Powers of The Planets of The Solar System and The Sun, Lover of Astronomy, Despiser of Killjoy Huggins and All of Lincoln's Enemies, Loving Guardian Angel and Future Wife of Lincoln Loud, Archenemy of Universe 666 Sora Takigawa, Destroyer of The Dark Swat Kats, Destroyer and Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and

Sheila Thatcher has transformed into SUPER ANGEL-LEGENDARY PLANETS-DRAGON-PHOENIX-HARMONY UNIVERSAL ETERNAL CELESTIAL XELNAGA DIVINE COSMIC LEGENDARY PLANETS MULTI-ELEMENTAL STARSTORM DRACONIC PHOENIX ANGEL OF DIVINE COSMIC LEGENDARY PLANETS MULTI-ELEMENTAL STARSTORM DRACONIC PHOENIX ANGEL JUSTICE AND DIVINE COSMIC LEGENDARY PLANETS MULTI-ELEMENTAL STARSTORM DRACONIC PHOENIX ANGEL LOVE!

We were amazed by Sheila Thatcher's Super Angel-Legendary Planets-Dragon-Phoenix-Harmony Universal Eternal Celestial Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when The Dark Swat Kats saw it, they got out their missiles and were about to fire at her, but Sheila Thatcher fired powerful blasts of black and red energy, stars, fire, water, earth, light, darkness, The Sun, Mercury, Venus, Earth, Mars, Jupiter, Saturn, Uranus, Neptune, Pluto, and angels which hit The Dark Swat Kats and exploded with incredible power and it destroyed their gauntlets, and that pissed them off big time!

Nico: HOLY COW! Sheila's transformed into her Super Angel-Legendary Planets-Dragon-Phoenix-Harmony Universal Eternal Celestial Xelnaga form, and she really put the hurt on those fleabags.

Me: It's like we're seeing the true powers of The Planets of The

Solar System and The Sun in action!

Lincoln: Sheila now looks like a true Angel of The Planets and The Sun, and those Dark Swat Kats just made a fucking mistake in trying to mess with her.

Sheila Thatcher: (Divine Godly Cosmic Voice of The Multi-Elemental Legendary Planets Star Draconic Phoenix Angel and Divine Multi-Elemental Legendary Planets Star Draconic Phoenix Angel Love) Too right, now let's rip those two hairballs apart, Linky.

Lincoln unholstered his massive Lincoln Loud's Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Phoenix-Harmony Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Mythological Hope, and he joined Sheila Thatcher.

Lincoln: (Divine Godly Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You two disgraces to the real Swat Kats have caused more than enough trouble to Megakat City and to the Swat Kats for the last time, and now, we will put an end to you both and send you both to Oblivion for your crimes!

Sheila Thatcher and Lincoln went after the Dark Swat Kats, and they fired extremely powerful blasts of rainbow energy, crimson red energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at The Dark Swat Kats and they exploded with incredible power as they hit them, and they attacked her with their massive greatswords leaving scars on them, and Lincoln left many more with his claws and he and Sheila attacked her with punches, kicks, and karate chops, and they were really, really, really pissing off them off now and driving them even more ballistic.

But, before the Dark Swat Kats could attack again, T-Bone and Razor fired two Matchhead Missiles at The Dark Swat Kats and they got burned badly, and that enabled Lincoln and Sheila Thatcher to kick them both high into the skies, and they fired energy balls in the forms of The 9 Planets and The Sun with the elemental forces of Fire, Earth, Water, Light, and Darkness surrounding them, and they hit the Dark Swat Kats and exploded with incredible power as they hit them, and they were obliterated in the explosions. Then, The Dark Swat Kats' spirits appeared.

Dark Razor: You think you've won?! YOU THINK THIS IS THE END?! WE'LL RETURN ONE DAY AND WE WILL KILL YOU ALL!

Lincoln: (Divine Godly Cosmic Beastly Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) No, you're done and this time forever, Dark Swat Kats.

Then, Lincoln and Sheila Thatcher drew The Judgement Kanjis on the foreheads of the Dark Swat Kats and they were sent to The Black Gates forever. We cheered wildly for Sheila Thatcher and Lincoln as they holstered their massive greatswords on their backs and powered down, and Sheila Thatcher's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long red wolf tails, and massive five sets of black angel wings with the symbols of The Planets and The Sun in them are permanent.

Sheila Thatcher: (Australian Accent) That'll learn ya, you two fleabrained hairballs! Thanks for helping me destroy The Dark Swat Kats, Linky.

Lincoln: (Smiles Warmly) You're welcome, Sheila.

Suddenly, Sheila Thatcher wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Sheila Thatcher's face, they kissed passionately as she moved her arms and placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, and The Legendary Planets Duel Monsters flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and The Sun, Mercury, Venus, Earth, Mars, Saturn, Jupiter, Uranus, Neptune, and Pluto over them, and we cheered wildly. Then, Lincoln and Sheila Thatcher absorbed the elemental forces and they came back to us as the display vanished.

Nico: Whoa, now that's what I call a serious dose of Legendary Planets Justice, Lincoln, Sheila, you two showed those Dark Swat Kats no mercy, and you made them suffer the fury of The Solar System and kicked their tails in.

Lincoln: Thanks, Nico, and they had it coming for their crimes.

Razor: We were planning on going after them in the future, but we didn't have to wait, they came to us and you and Sheila sent them packing.

T-Bone: And now, all that's left for our enemies to permanently get rid of are Turmoil and that dark version of Callie, and if that little ghoul, Pastmaster, dares to come back, he's also getting The Black Gates as well.

Nico: We'll send them packing as well if they dare to come back. So, who's the next Demon Race Embodiment we're meeting on your rescue tomorrow, Lincoln?

Lincoln: Ooh, that's an easy one, Nico: the next one that we're meeting on my rescue tomorrow is Marianne Shelly, Embodiment of The Franken Race and Descendant of Mary Shelly.

We gasped.

Nico: Whoa, an Embodiment of The Frankenstein Race and Descendant of Mary Shelly, this should be a really awesome and electrifying one!

Ravenna Amaranth: You're going to love meeting her, Marianne Shelly is Lincoln's Guardian Angel from Michigan and descendant of horror author Mary Shelly, and she was born with not only the dark powers and strengths of Frankenstein, but she was also born with the dark powers and strengths of The Franken and none of their weaknesses. Marianne's known for defending Lincoln with a fierce passion not only from his enemies, but also from the heartlessness of Lori, Lynn, Lola, Lisa, and Luan, and she's also gotten along well with Leni, Luna, Laney, Lana, Lily, Lynn Sr., and Rita, and just like Lincoln and the other vampires, she feeds on blood bags from the blood bank, and she also knew of Lincoln being a powerful Alpha Vampire-Werewolf-Cyborg Hybrid, and she's also friends with Lucy and her friends in The Young Morticians' Club. She's also among the many members of The Michigan Supernatural Defense Force, a group of vampire hunters formed by Lincoln, the other Kamen Rider Kiva embodiments, and the embodiments of The Wolfen Race, Merman Race, Franken Race, Fangire Race, Kivat Race, Doran Race, Legendorga Race, Mermaid Race, Ghost Race, Gigant Race, Hobbit Race, and Goblin Race, and their job is to defend Michigan, Royal Woods, and Great Lakes City from the threat of evil vampires, evil werewolves, and other evil supernatural creatures of the night. They also teamed up with The Ghosthunters Club and other clubs for some of their more dangerous missions involving powerful vampire lords, werewolves, witches, warlocks, demons, and demon lords. Lincoln made Marianne a beautiful necklace with white pearls and a purple gem for the pendant, and to show thanks, Marianne kissed Lincoln on the lips underneath the full moon as the wolves howled and the creatures of the night flew to enjoy the darkness, and she hates Lisa with a burning passion, and she absolutely loathes and despises King, the ruler of The Fangires, along with The Checkmate Four, along with The Legendorga with an absolutely intense and burning hatred for what they've done, and that absolutely intense and burning hatred is so powerful that all Fangires and even The Legendorga were absolutely afraid of Marianne Shelly, even Takato Shiramine and Takashi Sugimura, leader of The Legendorga, fear the Embodiment of The Franken Race and Descendant of Mary Shelly.

Nico: (Whistles)

Me: Now, that's awesome. Too bad we didn't get a chance to meet her during the Kamen Rider Kiva mission last year, she would've really given every last Fangire and Legendorga the ass-kicking of their immortal lives.

Lincoln: Yeah, that was a bust, but she'd found out King, The Checkmate Four, Takato Shiramine, Takashi Sugimura all paid the price for their crimes against The Demon Races, and now, she'll be meeting us tomorrow.

Nico: Awesome.

Juniper Lee: And of course, tomorrow's the big day: Lyra's mission with The Donbrothers.

Rayman: Oh, I'm so looking forward to this, and if Jo returns, she's looking at a one-way trip to The Black Gates, and we might say this to her: "Give Alejandro, Heather, Scott, Josee, and Jacques our regards."

Lincoln: That's an awesome line we'll use on her, a final farewell to that sore loser!

Me: Same here, Lincoln. Okay, now, let's head back home and get ready.

Rayman: Right, time to get ready for the wedding.

We headed back home to The World Tree Estate to prepare for Rayman and Juniper Lee's wedding at Cloudsdale Church.

After dealing with The Dark Swat Kats, we came back home, and we got ready for the big day: today's the day that Rayman, legendary hero, defender, and Guardian of The Glade of Dreams is going to be married to Juniper Lee, the Te Xuan Ze of Orchid Bay City, this was going to be a wedding unlike any the worlds have ever seen.

We were dressed in special clothes, and Rayman was dressed in a black wedding tuxedo, and me, Nico, Eli, and the boys were getting Rayman ready.

Me: Oh man, can you believe it? The day has finally arrived: Rayman and Juniper Lee's wedding.

Nico: You said it.

Lincoln: It's been a month since the day he proposed to June.

Rayman: I know, and June and I have been through a lot.

Eli: You sure have.

Nico: Yeah, you guys have been battling monsters and demons that threaten the existence of every creature in existence, and you both accomplished many great things, and you guys have more than earned this wedding.

On the girls side, Rarity, Carol, Rika, and the girls were helping June get ready, and June was dressed in a very beautiful white wedding dress Rarity, Leni, and our Fashion Brigade made for her.

Lori: This is literally going to be one amazing wedding.

Rarity: Absolutely, darling, and your dress is truly wonderful, June.

Juniper Lee: Thanks, Rarity. Plus, we made sure to invite everyone for the wedding especially our two archenemies: Red Herring and Katty Katswell. I hope Kitty and Katty don't start a catfight.

The girls snickered.

Luna: (Snickers) Cat fight, that was a good one. But, don't worry, they won't be doing that, June.

Jody Irwin: Yeah, and this is really going to be one wedding no one will ever forget.

We were all set, and we were at the altar, and Rayman was standing at the altar.

Lori: I take it you guys have finished getting Rayman ready.

Me: We sure have, Lori.

Nico: Plus, Rayman made sure to invite his friends from The Glade of Dreams.

Luan: Same with June as she made sure to invite Jody, Ophelia, Rodger, her parents, brothers, and her grandmother.

Jasmine Lee: Indeed, and this is one wedding that everyone will be talking about for eternity: my dear Juniper getting married to the legendary Hero and Guardian of The Glade of Dreams. By the way, everyone in the Underworld heard of what they and all of you did in putting the kibosh on Kai Yee at Chi Bi, they were partying like it was 1999!

Lincoln: I can imagine.

Jasmine Lee: Oh, and Sergio was also banned from parties in The Underworld for life.

Nico: Nice.

Suddenly, the doors to the chapel opened, and there we saw Juniper Lee and she was dressed in a very beautiful white wedding dress Rarity, Leni, and our Fashion Brigade made for her, and she was accompanied by her dad as the organ played "Here Comes The Bride". When Rayman saw her, he had a bright red atomic blush on his face. Then, Mr. Lee brought her up front and he let her go to join Rayman.

Rayman: (Stunned) Wow. June, you really look so beautiful.

Juniper Lee: Thanks.

Then, Princess Celestia came in and stood on the podium, as the wedding began as Rayman and June held hands.

Princess Celestia: Ladies and gentlemen and Mares, Gentlecoats, and human and magical creatures, we have gathered here today to celebrate in holy matrimony the union of Rayman, legendary Hero and Guardian of The Glade of Dreams and Juniper Lee, Te Xuan Ze of Orchid Bay City.

Rayman and June said their vows and love for each other, and they were presented the rings and they put them on.

Princess Celestia: It is with great pride and love that I am proud of their love, and it is with great joy under the light and grace of the divine light of God that I now pronounce thee husband and wife. You may now kiss the bride.

Rayman did so and we all cheered wildly for them!

Plus, we saw that some of June's friends, namely Jody, and family all had tears in their eyes. Later, we were at Lynn's Table having the reception.

Juniper Lee: This is really awesome, first, our wedding, and now, a reception at Lynn's Table. You planned that, didn't you, Rayman?

Rayman: I sure did, June, and it gets even better. Lincoln, mind waking Flip up by dousing him with ice water?

Lincoln: (Smirks) You got it.

Lincoln fired ice water at Flip, and it shocked him awake and he was freezing, and when he saw us, he was really mad and so were the other jerks.

Rayman: Hello, jerks, long time no smell.

Me: You know what this means, it's showtime, jerks!

The jerks' eyes widened: THEY WERE IN FOR MORE HUMILIATION AND IT WASN'T GOING TO END WELL FOR THEM!

Rayman summoned mace balls, and he sent them at Lewis Travolta, and smashed him in the face and stomach. Then, he summoned a battering ram and he and June charged and smashed Flip hard in the gut with it, and they did all sorts of horrible things to the jerks: tripping them and they fell in rhino poop, dropping blocks of cement on their heads, smashing their heads in with a piano, giving them a mega wedgie all the way to Mercury, and they finished by throwing bombs and dynamite at them as they exploded, and because of that, massive tons of gold bars, jewels, gems, and currencies of all types exploded out of them, and we were laughing hysterically.

Juniper Lee: That was so awesome and way too hilarious. I certainly loved that we dropped blocks of cement on their heads, and you even gave the jerks a mega wedgie all the way to Mercury, I tried so hard not to laugh! (LAUGHING HYSTERICALLY)

Rayman: And we even tripped them and made them fall in rhino poop, that was way too hilarious!

Rayman and June shared another kiss, and it made the jerks barf.

Ray Ray: (Laughs) Stinks to be you jerks!

We were about to leave, but the humiliations we made the jerks go through made Flip so mad, he had bull horns on his head and he bellowed and went charging at Rayman who got out a red cape, but then…

CLANG!

Flip fell on his fat hairy belly and Rayman removed the cape to see an anvil right behind it.

Rayman: Classic trick, gets 'em every time.

Then, Rayman kicked Flip hard and sent him back to his post, and he was chained back to his post with Neutronium Chains lined with rainbow energy, and we left leaving the jerks bellowing and ranting in pure rage and anger.

Walking through an amazing cave was Kyojuro and Natalia and I was guiding Kyojuro and Varie was guiding Natalia.

Nico: You'll love where we're taking you.

Me: It's perfect for you guys.

Natalia Somonmenchikov: (Russian Accent) I have a feeling this will be fun.

Qin: Oh it will be.

We arrived in a magnificent crystal grotto and it had a beautiful waterfall oasis in it.

Nico: We're here.

Me and Varie took off their blindfolds.

Me: Tadah.

They saw the cave and it was Magnificent!

Natalia Somonmenchikov: Wow! This is amazing!

Kyojuro: Wow! This is amazing and beautiful!

They saw each other and gasped.

Kyojuro: Natalia!?

Natalia: Kyojuro!?

Both: YOU'RE MY BLIND DATE!?

Nico: Yep.

Natalia Somonmenchikov: (In her head) Nico I will give you the worst tickling ever for this.

Kyojuro: (In his head) ME TOO!

Maria: You can tickle little bro later

Nico: Maria!

Maria: Well they are going to!

Me: She's right. We got something important to do. We'll be right back.

Nico: Maria, you and the rest of the team watch over them. Eli, May, Lyra, you guys come with me and J.D.

Eli: Right.

Me: We got to go to Japan and get Natsumi.

Maria: Okay.

We teleported to Japan.

---

In Tokyo we were at the house of Natsumi Kuramochi.

We knocked on the door.

Nico: Natsumi? Are you there?

Natsumi answered.

Me: Natsumi Kuramochi?

Natsumi Kuramochi: Team Loud Phoenix Storm. It's an honor.

Me: Sorry to disturb you like this. But Tsuyoshi is very worried about you.

Natsumi Kuramochi: Is he okay?

Me: He is fine. But it's you he is mostly worried about. We should explain. Lyra's big day mission is tomorrow and he is worried that the target of her mission is going to hurt you. We can't risk that so we're going to place you into our protection till the threat is over.

Natsumi Kuramochi: Wait. Didn't you guys help save me from that Jo person?

Me: As a matter of fact yes we did. We're sorry that happened to you.

Natsumi Kuramochi: Thank you guys for saving me.

May: You're welcome Natsumi.

Natsumi: I can handle myself though.

Nico: (gets out knockout spray) I'm sorry. But we can't break a Pinkie Promise.

Me: Nico no need for that. Natsumi, Tsuyoshi told us that he can never forgive himself if anything ever happened to you. He loves you more than anything. So please listen to us for him.

Lyra: Yeah he is worried and because of that 2 days ago he turned into the Gaoranger Hitotsuki.

Natsumi Kuramochi: What? Oh man. I'll go pack.

Me: Good.

Nico: Aww.

She later came out with her bags.

Natsumi: But if I need to sneak out to help Tsuyoshi, then I will.

Nico: (laughs) Good luck sneaking out with the security!

Me: Lets get moving.

We teleported back to the estate and got her into her room.

In her room she was already right at home.

Me: Here you are.

Natsumi: Nice room.

Me: All the rooms we have are nice. Also the view of the entire planet is really beautiful up here.

Natsumi: Wow it sure is.

Me: Natsumi, Tsuyoshi will be fine. He will have not only us beside him but all the rangers from over the course of 46+ Years too.

May: Yeah.

Nico: And the Time Force Rangers, And the Cyborg 009 heroes, And Marty and his friends, And Astro Boy and his friends, And the Zi O Riders

Me: That must be who is fighting the footsoldiers next.

May: Yeah.

Nico: Yep.

Me: But if you need anything let us know.

Natsumi: I will. Thanks guys.

Me: Anytime.

Natsumi: But remember what I said.

Nico: (laughs) I guarantee you won't be able to sneak out with our security system!

Me: Yeah you would have to be crazy to try and get passed it.

Natsumi: Like how crazy?

Me: Like say Lois Lane times 1,000,000.

Natsumi: Oh.

---

Back in the Crystal Oasis, everyone was relaxing.

Manaohy: Poromon, I think we might need some extra muscle. So, I know of a tribe I found out before reuniting with Mama.

Poromon: Really? Okay.

Manaphy: Lets go.

We came back.

Me: We're back.

Pinkie Pie: Is she in the estate?

Me: Yep. We have her at the estate. I already sent a message to Tsuyoshi. I also had Tsuyoshi tell her to stay at the estate and he told her he loves her.

Qin: Aww.

Me: Yeah. Natalia how did you like having your date in an amazing crystal oasis?

Natalia: It was really amazing.

Nico: Glad to hear it.

Natalia: By the way J.D. how did you find an amazing Crystal Oasis like this?

Me: I was walking around in the forest getting some fresh air and then I stumbled upon this cave and it lead here. That's where I got the idea for making this a special relaxation spot.

Qin: Very awesome and neat.

Lola: I'll say.

Maria: It really is nice

Natalia: It sure is. And me and Kyojuro had a lot of fun.

Me: We're glad.

Natalia: What do you say we give Nico his reward? (CRACKS KNUCKLES)

Kyojuro: Oh it would be my pleasure.

Qin: Uh oh.

Nico immediately used Reverse Flash and Speed Demon's powers to run very fast.

ZOOM!

Nico was running fast.

Me: Boy he sure is fast. But so are we.

Nico was hiding out in a special underground bunker that he found. It was his anti-blind date tickle hideout. It was on an island in the ocean.

Nico: Now to hide out here until they've cooled off

?: Mind if I hide too?

He saw a Heliolisk.

Nico: Cool a Heliolisk.

Heliolisk: (In a girls voice) Not just a Heliolisk.

Nico: Sunny Tamarlin? Whoa.

She reverted back and was a girl with blond hair and had black and yellow clothes and had orange angel wings.

Sunny Tamarlin: I hope there's enough for the both of us in here.

Nico: I got lots of food here.

Sunny Tamarlin: Cool.

Nico: Wanna make out?

Sunny Tamarlin: As long as May doesn't get jealous.

Nico: Nah. Always available on the market.

They got to kissing.

So adorable.

Meanwhile we were looking all over the planet for him.

Me: Boy he really must have picked a good spot.

May: No kidding.

Poromon: NICO!

Poliwag: WHERE ARE YOU?!

Me: Boy it's like he just vanished.

Qin: Wait look.

We saw a hatch on an island.

Me: Hmm.

I used my X-Ray Vision and saw Nico and Sunny making out.

Me: AHA!

We went and I opened it.

Me: BUSTED!

Nico: WHAT THE!?

Me: Awesome spot.

Qin: Wait Sunny!? Wow I didn't expect you to be with Nico.

Sunny Tamarlin: Yeah I found him here. I'm the Heliolisk Gene-slammer.

Me: That's awesome.

Nico used Reverse Flash and Speed Demon's powers to run again

ZOOM!

Me: WHOA! He sure runs fast.

Sunny Tamarlin: That was an awesome makeout session though.

Me: What's your favorite memory of Nico?

Sunny Tamarlin: When me and Nico were on the beach and he gave me this.

She pointed to a jeweled seashell she had around her neck.

Me: Ooh that is beautiful.

Rarity: That is beautiful on you darling.

Sunny Tamarlin: Thanks.

Me: I think I know where Nico is heading.

I used Instant Transmission and we teleported to the Wing Kingdom Restaurant.

Nico was there.

Nico: Whew!

Muscle Man: Hey, Nico!

Nico: Hey Muscle Man!

Muscle Man: You know who else likes wings as much as you do?

Nico: I know what's coming.

Muscle Man: MY MOM!

Nico laughed!

Me: (LAUGHS) That was funny!

Nico: GAH!

Muscle Man: Looks like Nico made a Blind Date Boo boo!

Nico used Reverse Flash and Speed Demon's powers to run again

ZOOM! BOING!

But Nico ended up getting stuck in a giant strawberry gelatin!

Nico: WHAT THE!

Me: Luan's gelatin really came in handy for this.

Luan: Look at Nico getting Jiggly with it! (LAUGHS)

WE LAUGHED AT HER JOKE!

Eddy: (LAUGHS) That was a good one!

I took off Nico's boots.

Me: All yours you two.

Nico: TRAITOR!

Me: Bite my big fat fucking ass!

Natalia and Kyojuro then tickled his feet and he was laughing hysterically.

Nico: HAVE MERCY!

Eli: SAY IT!

Nico: (LAUGHING HYSTERICALLY)

Eli: Say it!

Nico was laughing hard!

Nico: NEVER!

Eli: SAY IT!

Me: NICO FOR HEAVENS SAKE IN THE NAME OF HUMANITY SAY IT!

Nico: Uncle!

Me: Louder!

Natalia: YEAH!

Nico: (Louder) UNCLE!

Me: LOUDER!

Eli: YEAH!

Nico: UNCLE!

We stopped.

Me: Good.

We pulled him out.

Me: Awesome chase though.

Nico: Should I move my bunker somewhere else?

Me: If you want. That was still fun though.

Qin: Yeah it sure was.

Xenia: Funny too.

Qin: I did not expect Sunny to be with you.

Sunny Tamarlin: Yeah I was with him.

Nico: Yeah.

Nico and Sunny hugged.

Nico: I've missed you.

Sunny Tamarlin: Me too Nico.

May: Nico, which Gene Slammers do you think you'll meet next?

Nico: Tyrantrum, Aurorus and Sylveon next.

Me: WHOA! I thought we would never get to the Aurorus.

Qin: That one will be awesome.

Xenia: It sure will.

Lola: Yeah!

Manaphy: Okay. Time to take you guys to where the Chimchar tribe is.

Me: A Chimchar Tribe? We never saw that here before.

Qin: This will be interesting.

Nico: Lead the way.

We followed them.

In the forest we saw a temple.

Nico: Is this a temple?

Manaphy: Yep.

Me: Wow!

Lola: Amazing!

We went in and saw a tribe of Chimchar!

Nico: Whoa!

Me: Wow! A tribe of Chimchar.

A Monferno guard walked over to us.

Manaphy: We are here to see the Elder Monferno.

Monferno Guard: Follow me.

Me: Whoa that Monferno Talks.

Meowth: Wow! This is amazing.

We walked with Manaphy.

Me: Boy the way the Chimchar and Monferno act is very similar to Jungle Natives and the Native American Indians.

Qin: It sure is.

Elder Monferno: Oh, by all means, come in.

Manaphy: (bows) Great and mighty Elder Monferno.

Elder Monferno: So, I heard you want my army.

Manaphy: Yes, your… Highness. We don't know who we're facing tomorrow. And without your help, we might lose

Elder Monferno: What makes you think you're worthy of fighting alongside the greatest army in the world? All because you don't know who you're fighting tomorrow?

Manaphy: We think it's someone we hate.

Me: Wow this is really cool.

Emily Molstad: Boy this is my kind of village being the Infernape

Gene-slammer and all.

Qin: It sure is.

Manaphy: And it's also because we have heart. And with your strength, we can win.

Elder Monferno: Okay, fine.

Manaphy: That's it?

Elder Monferno: No, that's not it! The answer is no. Goodbye.

Manaphy: If we fall, everyone else is next.

Poromon: We're not leavin' without your army.

Elder Monferno: (beat, laughs) Who is this guy? Oh, he makes me laugh. (laughs) All right, tough guy. You want my army so badly? Defeat my son in the ring!

Me: Your son?

Manaphy: (whispering) This is a really, really bad idea!

Poromon: (whispering) Well, we don't exactly know who we're fighting tomorrow. We need all the muscle we can get!

Elder Monferno steps in between them.

Elder Monferno: Are you two done whispering? It's a little rude.

Poromon: You, sir, have a deal. I'll fight your son. And win.

Elder Monferno: I'm sure you will. (laughs)

Me: Yeah.

Poromon flew into an arena with several Chimchar and Monferno jeering at him. The rest of us were next to Elder Monferno. The gates across from Poromon opened as he heard something. Then, an Infernape jumped out of the gates and grinned savagely at Pormon before grabbing two barrels and smashing them together.

Music: IN! He's Infernape!

The crowed cheered.

Infernape: Yeah, I'm IN! I'm Infernape! (shows off his muscles) Oh yeah!

The crowd kept cheering..l;

Infernape: (Waves to Elder Monferno) Hi, Dad!

Elder Monferno: No, no! Don't do that!

Infernape: Dad, wave back!

Elder Monferno: Enough with the showboating!

Infernape: What do you mean? They like it! It's what they came here for! Dancing pecs! (makes his pecs dance)

Elder Monferno: Okay, simmer down. I said, simmer down! (crowd stops cheering except for one) That means you, Chimchar Junior!

Chimchar Junior: IN! I- (stops mid-cheer and sheepishly sits down) Sorry.

Me: Interesting and awesome

Elder Monferno: Now, since I want this fight to last more than 5 seconds, I put items from the Super Smash Bros tournaments. You're welcome, Poromon!

Infernape: (laughs) I don't need anything special to break every bone in your tiny body!

Me: Five seconds is going to be a challenge.

Poromon: Not for me. But luckily I have an awesome attack for that.

Poromon then flew at Infernape. But Infernape nonchalantly grabs Poromon out of the air by the face, slams him onto the girder, and begins pounding the crap out of him with a grin.

Elder Monferno: (smirks while eating banana) Well, guess you're not getting my army.

Poromon: We'll see about that!

Just as Infernape was about to punch him, Poromon jumped away!

Poromon: (Echoing) LIGHTNING JAVELIN!

He fired a blast of lightning and it hit him and electrocuted him and knocked him out.

Infernape: (gets up) It is on like INFERNAPE KONG! (charges at Poromon)

He charged and then Poromon went to the side and then…

CLANG!

An anvil appeared and Infernape hit it head on!

OUCH!

Me: NICE!

Poliwag: Um… is he going to get up?

Me: He's knocked out but Poromon won!

Qin: Yeah he sure did!

Xenia: That was funny!

Manaphy smirked at Elder Monferno.

Elder Monferno: Yeah, ok. You can have my army.

Manaphy: Thank you!

Elder Monferno: You're welcome. A Deal is a deal.

Later, Me and Nico and Eli were in the park at the estate doing some stargazing in our observatory.

Me: Look at all the stars

Nico: They sure are pretty.

Eli: Especially from this high up.

Me: So many stars all waiting to be explored.

Eli: Yep.

Nico was looking through the telescope.

Nico: So many stars and nebulae.

But then he came across an odd nebula.

Nico: Wait look at that. That Nebula looks like a demonic skull.

Me: Let me see.

I looked and saw that it was really scary.

Me: That Nebula wasn't there before. It has to be a sign.

I looked closer.

Me: It might be an Omen. Follow me guys.

Nico: What's up?

We went to our library.

Me: We must consult Nostradamus's Big Book of Predictions, Prophecies and Omens.

I went to a book case and pulled a book and it opened up and then in a compartment was the book of Nostradamus.

Me: For thousands of years Nostradamus made amazing predictions.

We went to the table.

Me: Lets see.

I scrolled through the pages.

Me: Here it is. "A Nebula in the Shape of a Demonic Skull means the return of enemies from another world!"

We gasped!

Eli: (GULPS) Uh oh! I wonder who they are.

Me: It says that they will return on the 7th day of the 5th month of the 23rd year of the second millennium.

Nico: That's May 7th, 2023! That's tomorrow!

Eli: Uh oh!

Me: It doesn't say specifically who it will be. But we'll find out soon.

Qin: Yeah.

Maria: Hey, whatever or whoever it is, we'll handle it as a team.

May: Good thing we recruited the Chimchar tribe, huh?

Me: You're right about that.

William: Now, if only Infernape and Poromon can stop bickering with one another!

Nico: Yeah no kidding!

Qin: But we'll figure out who it is soon.

Nico: Lets get ready for tomorrow.

We enjoyed the rest of the day and went to sleep.

---

Meanwhile in Japan, the Donbrothers were getting ready for our arrival against whoever the Nebula warned us about.

Taro: I'm ready for Lyra and the team's arrival and it's going to be fun.

Haruka: It sure is!

Tsuyoshi: I'm glad Natsumi is going to be okay.

Tsubasa: We are too. J.D. sent you that message. So she will be okay.

Shinichi: Yeah we are too.

Taro: Lets get ready guys!

All: AVATAR CHANGE!

They turned into the Donbrothers and went at the Screen and it froze!

TO BE CONTINUED…

For Lincoln's rescue tomorrow, Lincoln and his group are heading to

London, and we got bad news: our old enemy, Professor Ratigan, has come back from the dead wanting revenge on us, but this time, he's not going to get sent back to The Warp. No, for his crimes against London and The Crown, he shall get the worst punishment ever: he shall be sent to The Black Gates for his crimes against London and The Crown, and he will never ever come back. And we're going to meet the next Demon Race Embodiment, her name is Marianne Shelly, Embodiment of The Franken Race and Descendant of Mary Shelly, she's Lincoln's Guardian Angel from Michigan and descendant of horror author Mary Shelly, and she was born with not only the dark powers and strengths of Frankenstein, but she was also born with the dark powers and strengths of The Franken and none of their weaknesses. Marianne's known for defending Lincoln with a fierce passion not only from his enemies, but also from the heartlessness of Lori, Lynn, Lola, Lisa, and Luan, and she's also gotten along well with Leni, Luna, Laney, Lana, Lily, Lynn Sr., and Rita, and just like Lincoln and the other vampires, she feeds on blood bags from the blood bank, and she also knew of Lincoln being a powerful Alpha Vampire-Werewolf-Cyborg Hybrid, and she's also friends with Lucy and her friends in The Young Morticians' Club. She's also among the many members of The Michigan Supernatural Defense Force, a group of vampire hunters formed by Lincoln, the other Kamen Rider Kiva embodiments, and the embodiments of The Wolfen Race, Merman Race, Franken Race, Fangire Race, Kivat Race, Doran Race, Legendorga Race, Mermaid Race, Ghost Race, Gigant Race, Hobbit Race, and Goblin Race, and their job is to defend Michigan, Royal Woods, and Great Lakes City from the threat of evil vampires, evil werewolves, and other evil supernatural creatures of the night. They also teamed up with The Ghosthunters Club and other clubs for some of their more dangerous missions involving powerful vampire lords, werewolves, witches, warlocks, demons, and demon lords. Lincoln made Marianne a beautiful necklace with white pearls and a purple gem for the pendant, and to show thanks, Marianne kissed Lincoln on the lips underneath the full moon as the wolves howled and the creatures of the night flew to enjoy the darkness, and she hates Lisa with a burning passion, and she absolutely loathes and despises King, the ruler of The Fangires, along with The Checkmate Four, along with The Legendorga with an absolutely intense and burning hatred for what they've done, and that absolutely intense and burning hatred is so powerful that all Fangires and even The Legendorga were absolutely afraid of Marianne Shelly, even Takato Shiramine and Takashi Sugimura, leader of The Legendorga, fear the Embodiment of The Franken Race and Descendant of Mary Shelly.

Buckle your seatbelts and get ready for an awesome and epic adventure 46 years in the making as we meet the Donbrothers in Japan and help them battle enemies from the past and you're going to be surprised as to who they are! It's going to be awesome and epic!

See you next time.

Lola: Yeah.

Qin: That is awesome.

Xenia: It sure is.

Eli: I'm proud of him.

Lola: Me too!

Qin: That was so awesome.

Nico: And now, the Infernape is constantly arguing with Poromon!

Eli: Not even me bonking their heads together will get them to stop.

Nico: No kidding.

Qin: Yeah.

Camie: Boy they have a really nasty grudge.

Nico: There's a treasure here, right?

Nicole: Yep. We're going after an amazing quarry. It's called the Staff of Qailertetang

Brittney: The Spirit of Weather in the Inuit.

Nicole: Yep and it is a staff that is extremely powerful and has the power to control all the weather.

Nico: Wow!

Xenia: That is amazing!

Qin: It sure is!

Camie: I never knew it had that kind of power.

Nico: How are we gonna find it in the middle of all this cold?!

Nicole: It's in a cave right… There!

We saw a cave located right in an ice mountain.

Nico: Oh.

We went in and Nicole pulled out a map leading to it.

Nicole: Now we follow this cave to it.

We went into the cave and went deep into it. We then came to a room and it was an ice cave that had rainbow waterfalls.

Qin: WHOA!

Rainbow Dash: Wow! This reminds me of the Rainbow Department of the Cloudsdale Weather Factory!

Xenia: It sure does!

Qin: Wow!

Nico: Is that it?

We saw a staff that was purple and it had a sun, rain, wind, snow and fire on it.

Nicole: That's it! The Staff of Qailertetang. At long last I've found it.

Nico: Who gets it?

Amity Blight: I will get it.

Nico: Okay.

Amity went over to it.

Luz: You can do it sweet potato.

Nico: Go for it, Amity!

Amity then grabbed the staff and then she pulled it out and then it glowed and she underwent an amazing and powerful transformation!

(ESCAFLOWNE FOX KIDS INTRO EXTENDED SONG PLAYS)

She was enveloped in a vortex of weather and the elements and then she grew angel wings made of the elements and they were stronger than ever before. When the vortex faded she emerged forever changed!

We were amazed!

Me: WHOA! Amity how do you feel?

Amity Blight: I feel amazing J.D.!

Luz: That was so awesome!

Nico: It sure was!

Nico: You should be proud of yourself.

Felicia Wittebane: I know I am.

Amity Blight: I am too. Now I have an awesome Palisman and the staff.

Qin: You sure do.

Eli: And I found the next Anothers. We have Another Live Action Brawl, Another Live Action Sideways, and Another Grindor. And Another Live Action Bonecrusher, Another Capricorn Zodiarts and Unicorn.

We gasped!

Me: Whoa Another Live Action Bonecrusher is no doubt going to be a hostile one.

Qin: Yeah.

Nico: Who's first?

Me: Yost She-Hulk.

Qin: Nice.

Xenia: This will be good.

Maria called in Yost She-Hulk, Carl Carlson, Allura the Star Dragon Maiden and Brenda Loud.

Yost Jen: Here I am!

Carl Carlson: We're here guys.

Me: Awesome Carl.

Brenda Loud: I hate this place. I hate everything.

Lola: Sheesh.

Me: (In my head) She really needs to pull that stick out of her butt.

Allura: Boy this place is really cold.

Qin: It's the arctic.

Nico: I see Another Live Action Brawl.

Me: Yep.

In came ANOTHER LIVE ACTION BRAWL!

Me: Whoa! This one is gonna be tough.

Another Live Action Brawl: (In a girls voice) My father has told me a lot about you J.D.

She reverted back and it was a girl with blond hair and had yellow eyes and had the kanji for Time in the Middle of her Forehead and she had yellow and black clothes, golden orange angel wings, and she had the Monochrome keyblade and a familiar deck of cards on her hip and she had the kanji for The 10 Gamblers of Fate and Time on her skirt.

Lina Luxord: I'm Lina Luxord and I am the gene-slammer of Luxord the Gambler of Fate. Also I am his daughter.

We gasped!

Me: Whoa! So Luxord decided to settle down and start a family.

Nico: Yeah!

Me: Yeah. My son Jared and Luxord are amazing archenemies.

Lina Luxord: And like my father I too have his sense of honor.

Me: That's one thing that will never change with him and you.

Nico: Yep.

Yost Jen: Sorry we have to do this.

Yost Jen concentrated and then started sweating uncontrollably. Her stomach growled before doubling over in pain. Her eyes glowed and she grew and her muscles grew and her skin turned green and her hair grew longer and she turned into YOST SHE-HULK!

Yost She-Hulk: (GROWLS)

Nico: Oh yeah!

Yost She-Hulk: Brawl is a really amazing fighter and she he puts up a great fight.

Lina Luxord: I can tell.

Me: By the way are the rest of the Anothers Friendly or hostile?

Lina Luxord: The Another Live Action Bonecrusher is hostile. She just has a really nasty anger problem. (SHIVERING) MAN IT'S COLD!

Me: We'll we're in the Arctic.

Nico: Yeah.

Girl Jordan: First lets separate you.

Leeli: Yeah.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background.

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low
Holoél dark in the Deep
Down beneath the earth you go
Go holoré fast to sleep
O holoré lay thee low

Down beneath the earth you go
Go holoré fast to sleep
Fast to sleep

Spring abundant holoél

Lina glowed and Another Live Action Brawl was separated from her and I brought Lina over and gave her a parka to warm her up.

Lina Luxord: Thanks.

Another Live Action Brawl fired missiles at Yost She Hulk but she grabbed one of them.

And she threw one of them back and I grabbed the other one and threw it back and they hit him and he exploded!

KRABBBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOO

I caught the Wonder Ride Book!

Me: Got it.

Carl Carlson: Me next.

Me: Another Live Action Sideways next.

Lola: Yep.

Another Live Action Sideways stepped forward.

Nico: This weather is no problem for Carl.

Me: Yep. He's from Iceland and he practically lives in the cold.

Carl: You wanna tell me who you are?

Another Live Action Sideways: (In a girls voice) I believe that J.D. knows me.

She reverted back and was a girl with black hair and had blue eyes and blue clothes.

Me: (GASP) Lola Exxelton.

Lola Exxelton: Awesome to see you again J.D.

Me: Same here. Lola is my friend from meteorology and she and I did weather projects together.

Lola Exxelton: Yeah.

Carl: I may not be Homer but I can still kick some ass!

Lincoln: After this.

Lincoln fired a beam of light and separated her Another from her and I brought her over and put a fur parka on her.

Carl fired waves of energy and blasted Another Live Action Sideways and he exploded!

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOM

I caught the Wonder Ride Book.

Me: Next.

Nico: Another Grindor.

Alurra the Star Maiden: My turn.

She went over and Another Grindor stepped forward.

Alurra the Star Maiden: And you are?

Another Grindor: (In a girls voice) I believe that J.D. knows me and he met my sister Amelia.

She reverted back and was a girl with blond hair, biue eyes, yellow clothes and had fox ears and had 2 fox tails and she had yellow angel wings.

Me: Sheila Mobius!

Nico: And from the looks of things you're the hybrid of Tails.

Sheila Mobius: That's right. Good eye.

Nico: Thanks.

Alurra the Star Maiden: That is cool.

Lincoln: Lets separate you first.

Lincoln did so and she came over and Alurra fired waves of stars and they hit Another Grindor and he exploded!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

I caught the Wonder Ride Book.

Nico: Nice.

Me: Now for Another Live Action Bonecrusher.

Brenda Loud: I hate her already!

Another Live Action Bonecrusher stepped forward.

Brenda Loud: Alright, who are you?!

Me: Better answer her before she wails on you!

Another Live Action Bonecrusher: (IN A BOYS VOICE) YOU SHOULD KNOW WHO I AM J.D.!

Me: (GASP) Not hiim!

He reverted back and it was a was a boy with blond hair and had red eyes and was in a red prison jumpsuit.

Me: (GASP) Crandon! Alex Crandon!

I went over to him and me and Alex got in each others faces and growled ferociously and realistic fire exploded out in the background!

Me and Alex: (FEROCIOUS GROWLING)

Me and Alex were REALLY GROWLING at each other like a couple of ferocious wolves!

Brenda Loud: Um, you know him?

Nico: From the way they are growling I can tell they do.

Me: You could say that. Alex was a rich kid jerk at school that would always pick on the weak and the disabled. But he also had a REALLY NASTY Anger problem. I played him at his own game and got him to use his anger and beat up the entire sports team and he beat them to a pulp with every single bone in their entire bodies broken. He was immediately expelled from school, disowned and disinherited from his families fortune and sentenced to spend eternity in a Russian School for Jerk Boys.

Nico: WHOA!

Eli: This guy is a total asshole!

Brenda Loud: You know what I hate the most? People like you who think they can do whatever they want and hurt those in their way!

Me: I feel the same way Brenda.

Nico: No need to separate this one.

Me: Nope.

Me and Brenda fired a wave of energy and he was completely obliterated in an instant and banished to the black gates.

Me: Good riddance.

I got the Wonder Ride Book.

Lola: He deserved it.

Brenda Loud: You know that I meant what I said back there, right?

Me: Yes.

Brenda Loud: Good.

Me: Another Capricorn Zodiarts next.

Qin: Interstellar.

Meilin: Yep. My turn.

Princess Luna: But we're… (WINCES)

Me: What's wrong Princess Luna?

Her constellation mark for Capricorn was glowing.

Me: She's close.

Then out of a portal in the shape of the stars for the constellation of Capricorn the Mer-Goat appeared.

Nico: There he is!

Then out came ANOTHER CAPRICORN ZODIARTS!

Qin: Whoa! Another Capricorn Zodiarts.

Sakura Knudson: I guess my constellation is Libra right?

Me: Yep. That's right.

Meilin: And you are?

Another Capricorn Zodiarts: (In a girls voice) I believe that J.D. knows me.

She reverted back and was a girl with teal green hair and green eyes and had green clothes and had the symbol of the constellation of Capricorn in the middle of her forehead and she had a long fish tail like Juri's and she had fish fins for ears.

Mw: (GASP) Ellia Jurris!

Nico: Whoa!

Ellia Jurris: Long time no see J.D.

Me: Same here.

Meilin: You know her?

Me: I sure do. She's a mergirl that I met in the Demon Realm. She is also the little sister of Juri. You know Juri the referee girl from the Dark Tournament?

Nico: Oh right! Wow! I didn't know she was her sister.

Me: Yep.

Ellia Jurris: Yeah. How is Juri?

Me: Really well.

Meilin: Yep. Sorry we have to fight like this.

Lincoln: After this.

Lincoln fired a blast of light and separated her from Another Capricorn Zodiarts and me and Meilin fired waves of energy and blasted him and he exploded!

KRABBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

I caught the Wonder Ride Book and the Zodiarts Switch. Then the Switch shattered into a million pieces.

Me: Whoa!

Nico: Guess that one was only a temporary one.

Me: Yep. Now for Another Unicorn.

Maria: Time for backup! (TURNS DIAL) VENOM SNAKE 6!

She summoned King Hiss, Kaa, Dragon (Timon and Pumbaa), Quartzion The Crystal Queen, Vypeera and Ms. Allure!

Nico: Nice!

Lola: Hope they don't fall asleep out here.

Nico: There's the Another Unicorn.

We saw a figure and it was ANOTHER UNICORN!

Me: Oh boy.

Qin: This one looks tough.

Another Unicorn: (In a girls voice) It's awesome to see you again J.D.

Me: That voice.

She reverted back and it was a girl with green hair and had blue angel wings and had a rainbow horn in the middle of her forehead and had blue eyes and green clothes and had the skylanders symbols of Life and Air in the middle of her forehead and on her skirt.

Me: Skyla Whirlcamo!

Nico: Whoa!

Skyla Whirlcamo: Awesome to see you again. And yes I am the gene-slammer for Whirlwind and Camo.

Rainbow Dash: Wow! Half Whirlwind and Half Camo!

Xenia: That is amazing!

Zocks: (gets out Donbrothers' gear) Did Swartz promise you anything?

Kaito: (Gets out Zenkaiju gear) Because we can grant it instead. Zenkaiju Gear!

Zocks got a Donbrothers Sword and Kaito donned his Zenkai Armor.

Skyla Whirlcamo: No he didn't. After he put this ridewatch inside me I teleported away in a rainbow and got away.

Me: Clever.

Nico: Yeah.

Qin: Awesome.

Sougo: (gets out Zenkaiger ridewatch) How often do we find a Gene Slammer of two species?

Geiz: (gets out Donbrothers Ridewatch) Or is this the first time?

Sougo got ZenkaizerArmor while Geiz got DonMomotaroArmor.

Me: I don't really know. But I think this might be the first time this happened.

Skyla Whirlcamo: I don't really know myself. But I might be the first multi-species Skylander Gene-slammer you guys met.

Qin: That is awesome.

Me: Yep. Sorry we have to fight like this Skyla.

Skyla Whirlcamo: It's okay.

She turned into ANOTHER UNICORN!

Nico: Time to blast you up. (ACTIVATES UNICORN'S RIDEWATCH)

He fired waves of energy and smashed her all over.

Nico: I see money and wealth in your horoscope. (ACTIVATES CAPRICORN ZODIARTS RIDEWATCH)

He fired waves of stars and blasted her all over.

Nico: Okay I'm not good with horoscopes.

May: YOUR MONEY AND JEWELS ARE MINE! (ACTIVATES UNIVERSE 666 MEAN RARITY'S RIDEWATCH)

She fired waves of jewels and smashed her down.

May: Lets see what this does. (ACTIVATES MONSTER ARM'S RIDEWATCH)

She grew an octopus tentacle out of her back and it punched and smashed Another Unicorn all over and smashed her with intense fury.

Maria: PARENT TEACHER ORGANIZATION OF ERADICATING YOUNGSTERS ATTACK! (ACTIVATES P.T.O.O.E.Y.'S RIDEWATCH)

She fired waves of energy and books and blasted her all over.

Maria: Time to spice things up! (ACTIVATES BOSCO TA JOLOKIA'S RIDEWATCH)

She fired waves of energy and fire and smashed her down.

Meilin: My turn! (ACTIVATES CAPRICORN ZODIARTS RIDEWATCH)

She fired waves of stars and blasted her all over.

Then Overdrive, Yost Living Laser, Dark Decade, Spider Carnage, Bulldozer and Rampage came.

Nico: Nice Team Overdrive!

Overdrive: Thanks Nico.

Lola: YEAH!

Maria: Where's the next Gene Slammer?

Then an Aurorus came!

Me: Whoa an Aurorus!

Qin: Wow! This one is beautiful.

Lola: It sure is.

Aurorus: (In a girls voice) Glad you guys are all here too.

Nico: Sylvia Arodanus! Wow!

Aurorus: Awesome to see you again Nico. I got this.

She fired a wave of energy and blasted Another Unicorn down and I caught the ridewatch and purified it and I brought Skyla over as she was wobbling and put a parka on her.

Sylvia reverted back and she was a girl with Rainbow hair and had blue clothes on and had star angel wings and she had the symbols of the sun and the moon on her right arm.

Sylvia Arodanus: That was so awesome!

Meilin: What's your favorite memory of Nico?

Sylvia Arodanus: When me and Nico were watching the Aurora and I demonstrated my powers to him and showed him the designs I made in the aurora.

Me: That is cool that you can do that!

Qin: It sure is.

Lola: Yeah!

Nico and Sylvia hugged.

Nico: I've really missed you.

Sylvia Arodanus: Me too Nico. Me too.

Me: Lets get back home and warm up.

Nico: Good idea.

Yost She Hulk came and concentrated again and groaned and she shrank and her hair turned back to black and her skin was normal and her muscles shrank and she was back to normal.

Yost Jen: That was awesome though.

Me: Yep.

We went back home.

No, for his crimes against London and The Crown, he shall get the worst punishment ever: he shall be sent to The Black Gates for his crimes against London and The Crown, and he will never ever come back.

Lincoln: Ah, we're back in London, and I know what we're going to do here, not only am I going to rescue the seven girls here, but we got bad news: our old enemy, Professor Ratigan, has come back from the dead wanting revenge on us.

We gasped.

Nico: London's demonic crime lord has come back?! It's been years since we got rid of him.

Me: It sure has, but this time, he's not going to get sent back to The Warp. No, for his crimes against London and The Crown, he shall get the worst punishment ever: he shall be sent to The Black Gates for his crimes against London and The Crown, and he will never ever come back.

Sherlock Hound: (British Accent) We'll need to hurry, there's no doubt he'll be going after Basil first for ruining his plans to take over London.

Lincoln: Right, Sherlock Hound.

Just then, we ran into Basil.

Basil: Ah, Team Loud Phoenix Storm, I knew you'd come back as soon as word of Ratigan's return had reached.

Me: We sure did.

Suddenly, Lincoln's deep sapphire eyes and rainbow iris of his Third Eye glowed, and he had a vision and he saw who it was that we were going to confront in the future: he saw a nebula with a demonic skull face in the sky, and then, he saw who it was we're going to confront in the future, it was Burns and Crocker, not the ones that we know, but from when we confronted and destroyed HIM two years ago on that apocalyptic Earth. When we saw it, we knew it meant big trouble.

Nico: Lincoln, what's wrong?

Lincoln: Nico, everyone, I just had a horrible vision of who we're going to confront today: remember that nebula in the form of a demonic skull that we saw yesterday and the omen that we found inside Nostradamus' Book of Predictions, Prophecies, and Omens at the library?

Nico: Yeah, you know who it is?

Lincoln: Yes, the two figures that've returned are Burns and Crocker, not the ones that we know, but from when we confronted and destroyed HIM two years ago on that apocalyptic Earth.

We gasped in shock.

Me: Oh God, so the villains mentioned in the omen we found out from yesterday were those two?!

Just then, Plankton and Vlad Masters arrived.

Plankton: Oh shrimp, I thought we were rid of them for good, but they refuse to stay dead.

Vlad Masters: Crocker's always been persistent, same with Burns, but this'll be the last time we'll ever deal with them. So, this means we'll be confronting them during the mission with The Donbrothers.

Lincoln: Exactly, and J.D., Nico, we'll leave Jo to you guys.

Me: Oh, trust me, Jo's not getting out of this, same with Crocker and Burns!

Nico: Yeah, those three are getting The Black Gates, along with the main enemy of The Donbrothers.

Suddenly, we saw a very beautiful and super sexy girl with long dark purple hair and purple bow on the right side, dark purple eyes, fangs, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful purple angel wings, she's dressed in a sleeveless dark purple crop top, necklace with pearls and dark purple gem pendant, dark purple skirt, white bridal gloves, dark purple knee-high high-heeled boots with butterfly buckles, and long white long-sleeved trenchcoat with lightning and angels on the coattails and on the back is Riki the Franken, and holstered on her back is a massive Franken-themed greatsword with embedded blood red gems and The Franken etched on the 7'0" massive, wide, double-edged dark purple blade, large purple dragon heads for the crossguard, large white angelic faces embedded on both sides of the hilt with dark purple gems embedded in their foreheads, longer midnight black handle, four large white angel heads and large dark purple gem on the bottom of the large white angel heads for the pommel, and with her are the seven girls.

Nico: Whoa, looks like we've run into the next Demon Race Embodiment.

Purple-Haired Girl: Oops, sorry about the scare, but I managed to get the girls away from that evil demonic crime rat.

Lincoln: (Gasps) That voice, Marianne Shelly, I knew it was you!

?: TEAM LOUD PHOENIX STORM!

We then saw our target, Professor Ratigan, and man, was he really enraged now!

Sylvester: I always knew you wouldn't stay dead for long, Ratigan, now it's time for you to die for good.

Sylvester unholstered his Sylvester's Blood-Soaked Vampiric Demon Darkness Greatsword of The Dracul and transformed into Super Angel-Cat-Vampire-Acme Dark Knight-Harmony Universal Eternal Celestial Xelnaga Darkness Looney Tune Feline Demonic Darkness Vampire Cat Angel of Divine Darkness Looney Tune Feline Demonic Darkness Vampire Cat Justice and Divine Darkness Looney Tune Feline Demonic Darkness Vampire Cat Death.

Lincoln: Your crimes against London can never be forgiven, you heartless fiend!

Then, Lincoln fired a black energy blade from his massive greatsword and it pierced Professor Ratigan in his black heart and he exploded and his evil spirit was sent to The Black Gates forever. We cheered as we holstered our weapons and powered down.

Lincoln: That's one less criminal mastermind London has to worry about. (To Marianne Shelly) And it's so good to see you again, Marianne Shelly.

Marianne Shelly: You too, Linky, it's been such a long time.

Lincoln went up to Marianne Shelly and he hugged her, and Marianne Shelly is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, fine hair on his massive forearms and short stubble on his jawline, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you nine since you were seventeen, and as you can see, I really grew a lot since then.

Marianne Shelly: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 17-year-old 7'9" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, fine hair on your massive forearms and short stubble on your jawline and many accessories, that's really new, along with getting He-Man's chest harness. You've really really grown a lot in height and become a man, but you're still the same kind boy from long ago. Plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and he's become truly immortal.

Me: And Lincoln, you know her?

Lincoln: Indeed I do, J.D., this is Marianne Shelly, Embodiment of The Franken Race, she's my Guardian Angel from Michigan and descendant of horror author Mary Shelly, and she was born with not only the dark powers and strengths of Frankenstein, but she was also born with the dark powers and strengths of The Franken and none of their weaknesses. Marianne's known for defending me with a fierce passion not only from his enemies, but also from the heartlessness of Lori, Lynn, Lola, Lisa, and Luan, and she's also gotten along well with Leni, Luna, Laney, Lana, Lily, Lynn Sr., and Rita, and just like me and the other vampires, she feeds on blood bags from the blood bank, and she also knew of me being a powerful Alpha Vampire-Werewolf-Cyborg Hybrid, and she's also friends with Lucy and her friends in The Young Morticians' Club.

Victoria Kurenai: And she's also among the many members of The Michigan Supernatural Defense Force, a group of vampire hunters formed by Lincoln, the other Kamen Rider Kiva embodiments, and the embodiments of The Wolfen Race, Merman Race, Franken Race, Fangire Race, Kivat Race, Doran Race, Legendorga Race, Mermaid Race, Ghost Race, Gigant Race, Hobbit Race, and Goblin Race, and their job is to defend Michigan, Royal Woods, and Great Lakes City from the threat of evil vampires, evil werewolves, and other evil supernatural creatures of the night.

Ravenna Amaranth: We also teamed up with The Ghosthunters Club and other clubs for some of their more dangerous missions involving powerful vampire lords, werewolves, witches, warlocks, demons, and demon lords. Lincoln made Marianne a beautiful necklace with white pearls and a purple gem for the pendant, and to show thanks, Marianne kissed Lincoln on the lips underneath the full moon as the wolves howled and the creatures of the night flew to enjoy the darkness, and she hates Lisa with a burning passion, and she absolutely loathes and despises King, the ruler of The Fangires, along with The Checkmate Four, along with The Legendorga with an absolutely intense and burning hatred for what they've done, and that absolutely intense and burning hatred is so powerful that all Fangires and even The Legendorga were absolutely afraid of Marianne Shelly, even Takato Shiramine and Takashi Sugimura, leader of The Legendorga, also feared the Embodiment of The Franken Race and Descendant of Mary Shelly.

Me: Whoa!

Nico: Damn, she's really that powerful?!

Lincoln: Yep, and we've taken down many evil monsters long ago, and her skills in The Dark Arts and darkness are never to be underestimated. Plus, Marianne also taught me how to use the powers of the Franken Race.

Me: Really?

Lincoln: Yep, but for this, I grab the person and the electrical charge will drain his soul's life energy and I send their drained soul to our castle with the curse I put on the thugs who crossed me.

Lincoln formed purple lightning in his large left hand, and we saw an incoming thug heading for us with a knife, but Lincoln grabbed him and the purple lightning's electrical charge drained the thug's soul out of him and Lincoln absorbed it, and then, he drained the thug's soul of his life energy and sent it to their castle and with a curse he put on those who met the same fate: the curse lets him regain his life energy, only to have his life energy drained out of him again.

Nico: Whoa! So, that's…?!

Wataru: Yes, that's the Franken's ability to feed off souls, Nico.

Lincoln: And of course, Marianne also has unbeatable superhuman strength and intellect, so she had used brain and brawn to teach the thugs a lesson and outsmart Lisa and my enemies.

Me: It's too bad we didn't get a chance to meet you last year when we went after King and his minions.

Nico: Yeah, that was a bust, you would've kicked some serious Fangire and Legendorga ass.

Marianne Shelly: Yeah, I would've wanted to kick King, Takato, and Takashi's asses hard, along with beating up the other Legendorga and the other members of The Checkmate Four, but, I'm so glad to hear King and the rest of The Checkmate Four, along with Takashi Sugimura and Takato Shiramine got The Black Gates.

Selena Kurenai: They were nothing but bastards, every last one of them, except for Maya who was once The Pearlshell Fangire along with Mio Suzuki, but she got turned against her own will.

Lincoln: And some of the Fangires and The Mummy, Gargoyle, and Medusa Legendorga are now part of The Masters of Evil and some of them are now the archenemies of many of our friends.

Marianne Shelly: Wow.

Nico: It sure is, and if they come out for the usual battles and when they see you, please try not to attack them.

Marianne Shelly: Okay, but I'll settle for scaring them when they see me.

Lincoln: Good idea, Marianne, and now that you're here.

Suddenly, Lincoln hugged Marianne Shelly in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks

sealed up, and he also kissed where he bit her.

Marianne Shelly: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Marianne Shelly's neck with purple gems on the gold lightning bolts and purple crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck.

Marianne Shelly: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Marianne Shelly.

Marianne Shelly had a smile on her face and tears in her eyes as Lincoln still had his abnormally massive and powerful muscular arms around her, and he leans down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the eight girls, and when Lincoln saw who they were, he immediately recognized them. The eight girls are Chika Hinata, Kanako Dougami, Kokoro Kasai, Mao Arata, Mikoto Hasegawa, Miku, and Suzuka Natsui from Koi Doki.

Lincoln: Oh wow, it's Chika Hinata, Kanako Dougami, Kokoro Kasai, Mao Arata, Mikoto Hasegawa, Miku, and Suzuka Natsui from Koi Doki.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Chika Hinata: Yes, we're okay, thanks to you.

Then, when Chika Hinata and the other six girls saw who it was that saved them from Professor Ratigan, their faces turned atomic red upon seeing the 17-year-old 7'9" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head, fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with a gold lightning bolt and Ebonwu Squadron emblem emblazoned on his forehead with Third Eye on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, He-Man's chest harness with colored gems on the orange crisscrossing straps and large circular chest plate with phoenix on it, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between the kanji that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer of Extremely Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic, Irredeemable Bastards and Tyrants, Talented Comic Book Writer and Video Gamer, Jack-Of-All-Trades, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial

Chika Hinata: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made six clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene.

Chika Hinata: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, seven Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Chika Hinata, Kanako Dougami, Kokoro Kasai, Mao Arata, Mikoto Hasegawa, Miku, and Suzuka Natsui with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to The World Tree Estate, and the rest of the team were shocked to find out the villain we went after was none other than our old enemy, Professor Ratigan, who came back from the dead wanting revenge on us.

But, when Lincoln showed what we all did in giving that demonic monster the beatdown of his life and Lincoln finishing him off by firing a black energy blade from his massive greatsword that pierced that monster's black heart and it exploded and sent him to The Black Gates forever, everyone cheered and hugged us and Lincoln's harem kissed him all over, and they had steam whistling out their ears. Lincoln and Marianne Shelly have a lot of catching up to do, now that she's back in town.

Maria: That Ratigan just doesn't know when to stay dead, but now, he's gone for good.

Nico: He sure is, and you're going to like what Lincoln found out, and it concerns the omen and the demonic skull nebula we saw yesterday.

Nico explained everything, and the others were horrified.

Maria: (Gasps) So, the villains mentioned in Nostradamus' omen yesterday were the Crocker and Burns from the apocalyptic Earth we went to and destroyed HIM two years ago, they've come back?!

Lincoln: Yes, but now that we know who the villains in Nostradamus' omen are, we'll be ready for them, along with the main enemy of The Donbrothers.

Me: Along with that bitch, Jo.

Lincoln: And ever since Kurumu removed that paranoia and anger chip Sergio put on me weeks ago in his attempt to get revenge on us, I'm not going to let anger blind me.

Sergio: (Squawks) I hate that succubus, she's ruined my revenge, you ruined the Sergio!

Eli: SHUT UP, YOU SACK OF FEATHERS!

Eli hit Sergio's cage with a mallet!

CLANG!

Nico: Thank you for that, Eli, and this was all your fault, Sergio, just be glad J.D. made the choice not to kick you out since you wouldn't last a second in the wild. But, you've got a lot to answer for, and I made a call not to give you an archenemy until you behave yourself.

Me: Which we highly doubt.

---

After finally getting rid of Professor Ratigan and this time for good, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Marianne Shelly saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her faces, hearts in her eyes, and her nose was bleeding.

Marianne Shelly: My God, I was right that Lincoln's really grown into a 17-year-old, 7'9" tall, really big, handsome, and really strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been bodybuilding and working out for many years. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Marianne, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Marianne Shelly: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Marianne Shelly: Oh man, I knew it was only a matter of time before he told everyone that story.

Nico: Yep. So, Marianne, what's the story on why you hate Lisa with a burning passion?

Marianne Shelly: Now, that's something I haven't forgotten, and she also conspired with Lori, Lynn, Lola, and Luan in her plot, and their latest attempt to kill Lincoln showed them the more dangerously angry side of him.

Marianne Shelly pulled up a video and it played on the screen, and it shows Lincoln and Marianne, along with his other Guardian Angels in their personal gym that Lincoln and his Guardian Angels had built and go to, and they were working out in their gym and Lincoln was 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever and they were really working up a sweat. Then, they got a shower and were heading home, but then, they were suddenly ambushed by Lisa, along with Lori, Lynn, Lola, and Luan, who showed up and started attacking them with knives and scalpels, each of them had horrible slash wounds on their arms and stomachs and blood was being spilled like crazy, while Lori, Lynn, Lola, Lisa, and Luan were laughing like demons from Hell high on a thrill kill.

Past Lori: THIS IS THE PRICE YOU PAY FOR DEFYING US AND FOR EVEN LIVING, TWERP! (CACKLING INSANELY)

Past Lisa: AND THIS IS FOR HELPING THAT PATHETIC TEST SUBJECT, LOWER LIFE FORMS! (LAUGHING INSANELY)

We gasped.

Nico: (GROWLS) LORI, WHY, YOU LITTLE… !

Me: Easy, Nico, easy. Here's where it gets good.

Just then, Varie and I arrived and we saw what Lori, Lynn, Lola, Lisa, and Luan did, and while Varie and I were helping everyone and bandaging their wounds, this angered the five mean sisters and they were about to stab us as well, but then, we saw Lincoln still alive, but he was now really angry and pissed off now!

Past Lincoln: LORI, LYNN, LOLA, LISA, LUAN!

This angered the five mean Loud Sisters who turned to see Lincoln still alive, and when he looked up to glare at them, his eyes turned blood red with slit pupils, and that freaked out Lori, Lynn, Lola, Lisa, and Luan, then, we saw their hearts beating fast and blood was rushing through their veins, and to Lincoln, he was now out for blood.

Lincoln: (LION GROWL)

Past Me: Now, you five have done it, I hope Lincoln rips you to pieces for what you did.

Lori, Lynn, Lola, Lisa, and Luan were quaking with fear, and then,… !

Past Lori, Lynn, Lola, Lisa, and Luan: (BLOODCURDLING SCREAMS)

Lori, Lynn, Lola, Lisa, and Luan let out bloodcurdling screams and ran like headless chickens for their lives, but Lincoln followed behind them with his superhuman speed and roaring like a lion and filled with a hunger for blood and revenge. The scene then transitioned to Lori, Lynn, Lola, Lisa, and Luan running for downtown Gotham Royal York with a now really enraged Lincoln chasing them and still roaring like a lion and almost pounced on them if they didn't dodge in time. Then, Lori, Lynn, Lola, Lisa, and Luan ran off to hide in a nearby alley, but Lincoln kept following them because during the attack, Lynn cut herself with her knife, along with Lori, and they were leaving drops of blood behind.

Lincoln knelt down on all fours and his face was near the blood that was spilled.

Lincoln: (Sniffs) I know you and your cohorts are here, Lisa!

Lori, Lynn, Lola, Lisa, and Luan were trying their hardest not to scream, but then, they saw a really tall, imposing, and extremely muscular thug walking and he was unaware of Lincoln in his path nor the bloodhungry beast that awakened inside him.

Muscular Thug: Hey, what do you think you're doing here, freak?!

Then, Lincoln turned his head facing the thug and his fangs were now longer and his eyes were blood red with slit pupils.

Past Lincoln: (HISSES)

That frightened the thug and he was about to run away, but then, Lincoln leapt up with superhuman agility and pounced on the thug and pinned him to the ground with superhuman strength. The thug tried to fight back, but as soon as Lincoln had his mouth opened up, it was too late as Lincoln then reeled his head back and lunged forward and sank his fangs into the thug's neck.

Muscular Thug: (SCREAMS)

Lori, Lynn, Lola, Lisa, and Luan peeked out to see what happened:

Lincoln sank his fangs into the thug's neck and he was draining him dry of blood, but that wasn't the end, they also saw that the thug's muscle mass was also being sucked out of him, and when Lincoln was done, the muscular thug was now a desiccated corpse drained of blood and muscle.

Past Lincoln: (Growls) That's much better.

Lincoln's wounds suddenly healed and he'd gotten another increase in muscle, power, and energy, and he stood up. Lori, Lynn, Lola, Lisa, and Luan ran out of the alley, but Lincoln already spotted the cowards running for their lives, they almost got away, that was until Varie and I showed up, along with Marianne Shelly and the other Guardian Angels, and we were really pissed off at their stunt now.

Past Lori, Lynn, Lola, Lisa, and Luan: (SCREAMS)

Lori, Lynn, Lola, Lisa, and Luan backed away slowly as Varie and I along with Marianne Shelly and all of Lincoln's Guardian Angels walked towards them, but then, the five mean Loud Sisters backed towards the dead thug Lincoln had drained dry.

Past Lola: We're so doomed!

Suddenly, the thug's eyes opened up, but they were now blood red, and he rose from the ground, and it frightened Lori, Lynn, Lola, Lisa, and Luan.

Nico: Whoa!

Carly Atlas: Lincoln did say that his Guardian Angels didn't get turned into vampires because of the love he had for them, but for the thugs and criminals that he hates.

Me: Yep, if they get bitten by him, they get turned into vampires.

Past Lynn: WHAT THE?! HOW ON… !?

Past Ravenna Amaranth: Lincoln fed on him and drained him dry of his blood and muscle mass, and I knew that thug looked familiar, that's notorious drug dealer Ricky Accardo, he's a drug dealer with a local Michigan gang that the police had been after.

Past Me: And Lincoln sucked him dry of his blood and muscle mass, which means Lincoln can't be that far away.

Then, the vampire Ricky Accardo ran at Lori, Lynn, Lola, Lisa, and Luan to kill them, only to be met by a greatsword to the chest and he exploded into dust, and we saw who it was that did it: Lincoln with his massive white angel wings spread out, but his dark blue jeans were torn slightly and his shirt was really shredded due to the sudden muscle mass increase and covered in blood due to Lori, Lynn, Lola, Lisa, and Luan's attack. Then, he grabbed his tattered and bloodstained shirt and ripped it off him, then, he knocked out Lori, Lynn, Lola, Lisa, and Luan with a sudden roundhouse kick and fired red energy beams from his massive white angel wings and tied them up in energy ropes.

Past Lincoln: That'll hold them until we get back, and is everyone okay?

Past Varie: Yeah, I healed everyone and bandaged them up.

Past Me: Then, we came to get you and get after Lori, Lynn, Lola, Lisa, and Luan.

Past Marianne Shelly: Lisa planned this whole thing, now she's really earned my hatred forever.

Past Ravenna Amaranth: Along with ours.

Past Me: Come on, let's take Lori, Lynn, Lola, Lisa, and Luan home.

Past Lincoln: They're in so much trouble when we get home.

We grabbed Lori, Lynn, Lola, Lisa, and Luan, and then, we went back home as the video ended. But, everyone was still shocked and stunned by what happened.

Nico: Damn, I can't believe Lisa planned that attack, and Lori, Lynn, Lola, and Luan were also in on this as well.

Me: We were all pissed off big time upon finding out about it, and when Luna heard it, she was that pissed off she wanted their heads, but Lincoln restrained her.

Luna: Hey, I may be strong due to doing some heavy lifting with my equipment, but with what my little bro's been doing, I didn't stand a chance.

Rita: Luna wasn't kidding about that, and thanks to what we heard, Lori, Lynn, Lola, Lisa, and Luan got grounded for seventeen weeks and instead of throwing them in metal containers or cages, we'd sent them to Aunt Ruth's, not only as punishment for what they did, but to keep Leni, Luna, Laney, Lucy, Lana, and Lily from trying to kill them.

Lynn Sr.: It took Lincoln, J.D., and Varie to hold them off.

Nico: Yikes, they were really out for their heads after what happened to Lincoln and his Guardian Angels, and man, what Lincoln did in chasing them all over the place and what he did to Ricky Accardo, that was like something out of a vampire movie.

Me: That just goes to show you: if any asshole so much as gets Lincoln angry by trying to kill him, his Guardian Angels, his harem, his family and friends, and children, you better pray for death because he will kill said asshole.

We got a shower, and then, Lincoln, Fortune Lady Dark, Fortune Lady Earth, Fortune Lady Fire, Fortune Lady Light, Fortune Lady Water, and Fortune Lady Wind are heading to Yoshi's Tropical Island.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'9", handsome and extremely muscular man was dressed in his new large orange speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Fortune Lady Dark, Fortune Lady Earth, Fortune Lady Fire, Fortune Lady Light, Fortune Lady Water, and Fortune Lady Wind are dressed in the two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Fortune Lady Dark, Fortune Lady Earth, Fortune Lady Fire, Fortune Lady Light, Fortune

Lady Water, and Fortune Lady Wind had feelings for Lincoln and he also had feelings for them, and he also saved them all from an ambush by a group of thugs Trina Riffins hired to kill them, Lincoln killed them all and sucked out their blood and life energy, which made Trina Riffins go insane with anger, until Lincoln fired energy blasts at him and more gold and jewels and treasures came out of that bitch, but they also got to keep their heads up, they got word that bitch, Trina Riffins, has sent more muscle-bound thugs to kill them.

Fortune Lady Dark: Wow, so this is Yoshi's Tropical Island, it sure is beautiful.

Lincoln: It sure is, Fortune Lady Dark, and it's perfect for our first date before Lyra's mission with the Donbrothers. Shall we?

Lincoln, Fortune Lady Dark, Fortune Lady Earth, Fortune Lady Fire, Fortune Lady Light, Fortune Lady Water, and Fortune Lady Wind dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, then they went back to the beach and they also had a game of volleyball, and Fortune Lady Dark, Fortune Lady Earth, Fortune Lady Fire, Fortune Lady Light, Fortune Lady Water, and Fortune Lady Wind got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, but then, they saw hulking muscle-bound thugs hired by Trina Riffins coming after them, but Lincoln grabbed each of them one by one and he'd sucked out their muscle mass and strength and made them thin as rakes and completely weak and he sent them to The Black Gates forever.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Fortune Lady Dark, Fortune Lady Earth, Fortune Lady Fire, Fortune Lady Light, Fortune Lady Water, and Fortune Lady Wind, and they hugged the girls in their abnormally massive and powerful muscular arms, and Fortune Lady Dark, Fortune Lady Earth, Fortune Lady Fire, Fortune Lady Light, Fortune Lady Water, and Fortune Lady Wind placed their hands on the massive pecs of Lincoln and his clones, and then, they shared a passionate and romantic kiss. Then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face, massive muscular body, and eight-pack abs.

Nico: Whoa, looks like someone really had an awesome time at Yoshi's Tropical Island, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, six Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Fortune Lady Dark, Fortune Lady Earth, Fortune Lady Fire, Fortune Lady Light, Fortune Lady Water, and Fortune Lady Wind with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Fortune Lady Dark, Fortune Lady Earth, Fortune Lady Fire, Fortune Lady Light, Fortune Lady Water, and Fortune Lady Wind are now in your harem.

Carly Atlas: Oh, I knew the Fortune Ladies had feelings for Lincoln!

Carla Carmine: And now, your signature Duel Monsters are now part of Lincoln's harem, Carly.

Jenna: Trina Riffins had some nerve trying to kill them, that heartless murderous bitch's just making things much worse for herself.

Serena Logan: Trina really is a murderous rage-crazy bitch to try those sorts of stunts, but just like Flip, she's just making things worse for herself.

Rarity: And trying to kill Fortune Lady Dark, Fortune Lady Earth, Fortune Lady Fire, Fortune Lady Light, Fortune Lady Water, and Fortune Lady Wind, now she's really going to get it.

Lincoln: And we also had a run-in with more of her hulking muscle-bound hired thugs to kill us yet again, but I sucked out their muscle mass and strength and killed them all and sent them to The Black

Gates, and she should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Trina Riffins scream with extreme hatred and rage, and now, she's officially lost her mind.

Maria: Yeah, up yours, bitch!

Nico: If that bitch so much as breaks out and we face her on your rescue, Lincoln, I hope you break every last bone in her body.

Lincoln: Are you kidding, if Trina broke out, Courtney would wind up getting to her before any of us did, and she'd really do a lot worse than the beatdown she gave that rage-crazy Spawn of Satan during The 20 Days of Darkness.

Me: Yeah, and she's lucky we're not giving her The Black Gates because she doesn't deserve it.

Lincoln: Death's too kind for her, she deserves to suffer our humiliations, and from what we've been doing by always winning against evil, it's driving her and the other jerks completely nuts!

Nico: (Snickers) In more ways than one, Lincoln.

* * *

Later it was time for Natalia's first ever mission and we're going to meet the Dragon Knight riders of America.

Me: This is gonna be awesome! It'll be good to see Kit and everyone again after all these years.

Natalia Somonmenchikov: (Russian Accent) It's going to be so awesome.

Nico: Yep.

William: Anyone else want to go with Natalia? Besides Shu and 4 Rabbids?

Poromon: I'll go.

Infernape: So will I! I'm not letting you upstage me again!

Me: Knock it off you two. This isn't a competition.

Infernape: Sorry.

Twilight Sparkle: Me and my friends will go too.

Me: Okay.

Kase: And you know I'll be going with too.

Eli: Yep.

Me: I don't know how Kit and friends are going to react when they hear about what happened in the events of Kamen Rider Ryuki.

Nico: It will be a terrible event.

Me: Yep. Lets get moving guys. You will love Kit and his team.

We were off to Los Angeles, California.

## LOS ANGELES, CALIFORNIA

We arrived in Los Angeles.

Me: Los Angeles, California. Boy it's good to be back here.

Eli: It sure is.

Twilight Sparkle: This is awesome that we're going to meet American Kamen Riders.

Nico: It sure is.

Natalia Somonmenchikov: I'm really excited for this one.

Kit then came up to us.

Me: Now there's a familiar face. Long time no see Kit.

Kit: Hey J.D.!

Me and Kit hugged.

Kit: Awesome to see you here!

Me: Same here.

Shu: Awesome to meet you Kit.

Kit: I've heard of you. You're Shu, right?

Shu: That's right. Awesome to meet you.

Nico: Awesome to meet you Kit.

Kit: Wow! Team Loud Phoenix Storm what an honor.

Me: Natalia here is your ambassador.

Natalia Somonmenchikov: I'm Natalia Somonmenchikov and I'm from Russia and I'm your ambassador.

Me: It's part of a special diplomatic mission program we made.

Twilight Sparkle: And it's awesome to meet you guys.

We introduced ourselves.

Kit: Wow! Awesome to meet you guys. And Kase I am glad that J.D. got your letter.

Kase: He sure did and I'm glad to help the team.

Eddy: We are glad to have her with us.

Me: Yep.

Kit: Everyone will be happy to see you J.D.

Me: We have a lot to talk about and we have 15 years of catching up to do.

Nico: Yep.

Me: It's awesome.

Nico: But this also might be the last set of Ambassador missions until further notice

Kit: Well, at least you had fun doing them, right?

Me: We don't know what we have coming up next but it will be good like always.

Eli: It sure will.

Nico: Yeah.

We followed Kit to his base which was his apartment.

We arrived.

Len: Hey J.D.!

Me: Long time no see Len. Hey guys.

Maya: Boy J.D. you look amazing.

Me: I know. A lot has changed over the last 15 years.

Nico: Boy no kidding.

Chris Ramirez: How have you been J.D.?

Me: Amazing and awesome.

Poromon: Hello! I'm Poromon!

Maya: Aww awesome to meet you Poromon.

Me: And this is Infernape. He just joined us.

Infernape: Awesome to meet you guys.

Len: Wow! You too.

Me: Long story.

Eddy: Yeah it's a crazy one.

Eli: But we have a lot to tell you though.

Rabbids gibbering.

Shu: (sighs) And these are Rabbids.

Maya: Oh they are really cute.

Me: They may be cute but they are not the brightest lightbulbs in the closet if you know what I mean.

Kit: Actually I do. I love Rayman Raving Rabbids and they are funny little guys.

Me: Nice that you were keeping tabs on them. They may be cute and funny but they are idiots.

Kit: Yep.

Eli: But they are funny.

One Rabbid hopped on Kit's head

Kit: Oh (LAUGHS) He sure is funny.

The Rabbid farted like a bagpipe and he and the Rabbids laughed.

Me: (LAUGHS) They may be idiots but they know how to make us laugh.

Eli: (LAUGHS) They sure do!

Eddy: (LAUGHS) Yeah it's funny!

Len: (LAUGHS) That is funny!

Me: We have a lot to talk about now. First this.

I pulled out my bag and in it was the Advent Decks of the M.O.E.

Me: We got these from defeating Another Riders of Ryuki.

Eli: Yeah it's crazy.

Me: These Advent Decks are all imbued with the powers of the M.O.E. Members both Core and Neo Core and Non-Core.

Chris Ramirez: Whoa that is amazing.

Eli: Yeah.

Len: Boy that is crazy! But I'm glad you stopped them.

Me: Yep.

Len: (to me) You did a good job refusing Lex Luthor's offer. After all, you DID refuse Xaviax's offers back then.

Me: Boy that brings back a lot of memories. But thanks Len.

Kit: And when you think about it, there's nothing in my life that needs changing. I have my Dad back, there are no Riders in the Advent Void, and Xaviax's plan didn't succeed. Sure, Xaviax might return but we'll cross that bridge when we get to it.

Me: Yep.

Nico: What did Xaviax offer you J.D.?

Me: Power to destroy all evil. But I told him no deal and told him to go fuck off. After that I slashed a hole into his chest and cut him open.

Nico: Nice!

Me: Also the reason I wasn't thinking right back then was because I was suffering from Dark Orb Contamination.

Kit: Oh man! It was poisoning you with emotions that weren't yours.

Me: Bingo.

Trent Moseley: There are other good ways time travel can be used besides destroying all evil.

Nico: Like what?

Trent: Ensuring that Legendary Pokémon appear commonly like all other Pokémon.

Nico: That's a good thought. But then they wouldn't be called Legendary Pokémon, would they?

Trent Moseley: That is true.

Len: By the way guys we heard all about what was going on in Japan last year. We saw massive numbers of explosions blasting everything all over.

Me: That was all us. We met most of the Japanese Kamen Riders and helped them destroy their major enemies. That was one of the most awesome series of missions ever.

Kase: It's true and it was awesme.

Eddy: It'll be awesome for you guys to meet your fellow Kamen Riders over from Japan.

Me: We have 50 years of Riders for you to meet.

Maya: Wow! That's a lot of riders.

Me: I know. It's a darn shame that America doesn't have as many Kamen Riders as Japan does.

Kase: You guys should've seen Poromon yesterday. He kicked a lot of ass.

Me: He sure did. And it involved him and Infernape here.

Infernape: Yeah I live in a tribe full of Chimchar and Monferno.

Me: We found them in a temple in the forest just outside of the city.

Chris Ramirez: That is amazing.

Albert Cho: Wow! That sure is something.

Eli: It sure is.

Infernape: Yeah and Poromon beat me and I will never live that down!

Me: Calm Down Infernape. Can't have you go Lynn on us.

Eli: They live in a tribe that is very similar to the Jungle Natives and Native American Indians.

Me: Yeah and very similar to the Na'Vi of Pandora.

Infernape: (to Poromon) For the record, I let you win.

Poromon: (skeptically) And why would you do that?

Infernape: You wanna know why? NONE OF YOUR DAMN BUSINESS, THAT'S WHY! (Throws barrel at Poromon)

Poromon: (dodges it) You wanna fucking go, hothead?!

Infernape: Yeah! Let's do it!

Eli: Pardon me guys but I must discipline the nannygoats!

Eli grabbed them and then…

BLANG!

He bashed their heads together!

Poromon and Infernape: OUCH!

Me: That's enough you two!

Nico: Yeah we're on a mission and we need you to calm down.

Kit: Geez they really have it out for each other huh?

Me: No kidding.

Eli: Yeah.

Me: You guys are also the American versions of Kamen Rider Ryuki from 2002.

Maya: Wow!

Kase: Interesting.

Kit: My counterpart really is gone, huh?

Nico: He's not dead. But he just has no memories of being a Rider.

Maya: What happened?

Me: Well the main hero of Ryuki was Shinji Kido and he was Kit's Japanese Counterpart.

I went over what happened.

---

Shinji Kido (城戸 真司, Kido Shinji) is the main protagonist of Kamen Rider Ryuki. He is a journalist trainee from ORE Journal who finds himself dragged into the Rider Fight, and transforms into Kamen Rider Ryuki (仮面ライダー龍騎, Kamen Raidā Ryūki, lit. "Dragon Knight") to end the war among the Riders.

Shinji was aiding in the New Group's investigation behind the "missing persons" crisis that had with the latest victim being Ida Megumi. While checking on the list of missing persons, Shinji finds a clue and investigates the apartment of Kōichi Sakakibara, a man who mysteriously disappeared two months ago. Upon coming across a deck of cards lying on the ground, Shinji was nearly attacked by a monster that emerged from Mirror World, Dragreder.

However, the card deck not only protected him but allowed him to sense things when he feels that Reiko is in danger, ending up in the Mirror World where he encounters another monster, Dispider. He tries to escape the monster as it overwhelms him until he is saved by Kamen Rider Knight who defeats the monster before he and Shinji are ambushed by Dragreder, with the two barely able to get back to the real world in time.

Once coming to, Shinji finds himself in the Atori Cafe where he formally meets Yui Kanzaki and Knight's human identity, Ren Akiyama, who tries to take the Ryuki deck from him with Yui explaining to him of the Mirror Monsters and that he's targeted by Dragreder. After understanding Reiko's reasons for investigating the missing person's case, only to run into Ren who is following him to get Dragreder before Yui contacts him about the reformed Dispider.

Following Ren, and seeing the daughter of a woman who was devoured by the monster, Shinji learns that he can fight once he forms a contract with a Mirror Monster. Though warned that he'll be beyond the point of return if he commits to it, Shinji uses the Contact card Yui gives him to form his pact with Dragreder, becoming Kamen Rider Ryuki to save Knight and destroy Dispider with Dragreder feeding on the monster's essence. But once the fight ends, Ryuki is suddenly attacked by Knight, who beats him until Yui indirectly interferes and threatens to leave him.

Indebted to Ren for 30,000 yen after he paid for Shinji for the glass window Yui shattered to get their attention, Shinji later runs an errand for his boss, where Shinji encounters Shiro Kanzaki, who tells him to fight the other Riders, before finding Ren while he was hunting for a Megazelle incognito. The next day, Shinji visits Yui and recognizes the picture of her brother, believing that the Vent Decks were made to protect people from the Mirror World monsters, revealing that to be his reason for becoming a Kamen Rider.

After destroying a Gigazelle, Shinji starts to question Ren's methods after seeing Darkwing scaring a girl, unaware that she was being attacked by another Gigazelle. Later, after getting kicked out of his apartment as his rent was overdue, Shinji moves into ORE temporarily, causing much inconvenience to both himself and the company.

The next day, after a tussle with Ren and seeing that he might have a reason of his own to fight, Shinji is questioned if his resolve is strong enough to take a life, with Ren reminding him of the debt and it would be a shame if he can't pay back in full if dead. After which the two defeat a Megazelle and a Gigazelle.

But the fact that Riders must fight each other worries Shinji, remembering the ring he found on Ren during their tussle. He later learns that Reiko is hospitalized while investigating an antique shop due after finding a link between it and the missing person case, meeting detective Masashi Sudo before Reiko assigns him to continue her investigation on the owner Tomoyuki Kaga. While on his way to the store, he sensed a woman attacked by the Mirror Monster Volcancer, saving the woman and fighting the monster until Scissors arrives, with Ren later showing up to even the odds as Scissors retreats.

Believing that Scissors is Kaga, Shinji attempts to reason with the Rider, leaving his calling card to contacted. But Shinji falls for Sudou's trap, tricked into revealing Knight's identity as well as kidnap Yui. After barely enduring Scissors attack on him, Shinji learns that Kaga is not Scissors when his corpse is found by Ren who investigated the shop and finding Kaga plastered behind a wall. He later he meets up with Ren while he's chasing down Yui and her kidnapper, following him to find out that Scissors is Sudou, getting scolded for endangering Ren and Yui in his ideology.

Confronting Sudou, Shinji was about to fight him because of his evil actions until Ren arrives to settle things with Sudou. Shinji was forced to watch the two fight until Scissors is eaten alive by Volcancer, and he destroys Volcancer with his Final Vent, though he kept his ideals by not having Dragreder absorb the Mirror Monster's essence as Darkwing takes it while Knight explains there are more Riders left to defeat.

Later, while assisting Reiko in the interview a man named Togukawa Katsuhikaku on a golden crayfish, Shinji almost gets run over by a white car as he arrived in the Atori Cafe to meet Yui's grandmother who lets him move into Atori Cafe, encountering the driver Shuichi Kitaoka and grabbing him as before contacting the Sakura Company's thugs, unaware their identity and intent as he saves Kitaoka before escaping with him, disgusted by Kitaoka's methods as a lawyer. Though cornered, Kitaoka and Shinji were saved by the lawyer's apprentice Goro Yura as Shinji senses two Zebraskulls and battles one until it escaped, seeing the other destroyed by Kamen Rider Zolda.

Later, when Reiko believes that the river was polluted by Kawazu Pharmacy, resulting in both the crayfish and the haired-frog Toguwawa found, Shinji accompanies her to see the Pharmacy's representing lawyer, ironically which was Kitaoka. Soon after spending time with Kitaoka, Shinji spends the next day with the lawyer to write an article about him until he hit a nerve and was ordered to leave. Sensing the Zebraskull from before as it devours Togukawa, whose animals turned out to be fakes, Ryuki battles it until he finally destroys it.

But by that time, Zolda gets the drop on Ryuki who forced to fight him before he is forced to retreat. The next day, Shinji learns that Shimada is kidnapped last night and is sent to give the kidnapper the ransom, only to be attacked by him. However, the kidnapper is devoured by a Wildboarder and Shinji is arrested, forced to stay in jail as he can't explain what happened to the kidnapper without exposing himself and Shimada has no memory of her kidnapper.

However, when Reiko and Ren manage to get Kitaoka as his lawyer, he intended to incriminate him after learning that Shinji's actually a Rider. After his friends fire Kitaka, Shinji is freed thanks to the kidnapper's daughter Yukari, meeting her at the hospital with Kitaoka as she defends him before he drives off. But when Yukari is targeted by the Wildboarder, Ryuki joins Knight in a two-on-one fight on the Mirror Monster before Zolda arrives to take them all out.

Though Ryuki and Knight survived, Ren suffered memory loss as a result, not remembering the recent events over the year. Though told to leave him alone, Shinji follows Ren as he attempts to recover his memory, encountering every single person Ren had ever offended before he senses Zenobiter and is forced to leave Ren to fight the monster as Ren regains some of his memories. But once he kills the Mirror Monster, Shinji follows Ren to Semiin University before covering for him when they encounter some of Ren's enemies. By the time he finds Ren, he's with Yui with his memory completely restored as the two save the dying Professor Ejima from Terrabiter.

While investigating the Non-Stop Elevator rumor for its ties to the missing people, Shinji mistakenly believes that Zolda is Kitaoka's assistant Goro and chides him before sensing Deadlemur. But during the fight, Zolda intervenes and Ryuki was forced to fight back at the cost of seemingly killing Goro. Feeling guilty about it, Shinji quits being a Rider even if it meant that Dragreder would eat him. However, thanks to Ren exposing Kitaoka as the real Zolda, Shinji learns the truth and feels a weight lifted seeing Goro alive and resumes being a Rider with intentions of stopping the Rider War.

When asked to investigate Meirin University where rumors of masked men fighting took place, the chain of events led Shinji to meet its arrogant mastermind Jun Shibaura, who took his Dragreder card from him. But with the aid of a kindred spirit who also wants to end the war, Miyuki Tezuka, Shinji regains his card as Jun is briefly taken to jail. However, the appearance of the sadistic Takeshi Asakura in the fight results in the deaths of Jun and then Tezuka. Shinji's offers of friendship eventually win Ren over, even though they also maintained something of a rivalry afterward.

After the death of Tezuka, Shinji blames himself for not being able to protect the only one in the Rider Fight who was friendly to him and moreover to avoid people dying in this fight he wanted to stop. Yet, he accompanies Ren and Shuuichi into fighting some suddenly appearing Mirror Monsters, but strangely, their Contract Monsters are unavailable. Shirou then appears in front of them, revealing that the Rider Fight is over as there is no need to continue.

With Yui having disappeared too, Shinji and Ren try finding her, worried about what can happen to her. Looking for her everywhere they can they don't find her, as she's in fact in the Mirror World with her brother. Ouja having been baiting his brother by the means of Reiko Momoi, he fights against Shinji and Ren, and fuses Venosnaker with Metalgelas and Evildiver, into the mighty Genocider.

Shinji now seeing how critical the Rider Fight went, tries to change his mind on how to consider his fight. Shuuichi, having his arm broken, now temporarily hires Shinji as his secretary, which in fact means using Advent Cards at his place. Thinking it will benefit him, Shinji falls in Shuuichi's trap.

Some day, a kid steals Shinji's Advent Deck, thinking he could transform into a Kamen Rider. Not getting it to work, he gives it back to Shinji who shows the kid how to transform. Joining Knight, Zolda and Ouja, Ryuki confronts the one who claims to be the 13th and last Kamen Rider, Odin. Seeming invincible, he requests that the one who will remain amongst them will be able to fight him as a final opponent.

Thinking the Rider Fight is a mess, Odin uses a neverseen card, "Time Vent", allowing time to go back to when Shinji was about to enter the fight. However, Shinji unexpectedly remembers everything from the Rider Fight, and is thus reviving everything, from Scissors' case to Odin's appearance.

As Eri Ogawa's health begins to deteriorate, Shinji finds it harder and harder to talk Ren out of actively participating in the Rider Fight. This results in a period of rising tension between the two, which in turn leads to a showdown, where Ren is determined to eliminate Shinji for good. Unwilling to let his friend dirty his own hands, Shinji uses the Survive Rekka card. Transforming into his Final Form, Shinji vows to always survive in battle, so that Ren can never take a life. In the end, Knight does defeat Ryuki, but chooses to leave alone rather than ending his life.

Upon learning from Yui why Ren has been acting so strangely, Shinji resolves to end the Rider Fight permanently. In the process of searching for a means to do so, he runs into the three researchers of Room 401 - Hideyuki Kagawa, Satoru Tojo and Hajime Nakamura. One of them is Kamen Rider Tiger, who has helped Shinji fight his enemies a couple of times, most notably Kamen Rider Ouja when he is trying to escape from custody. Seeing that the Room 401 trio must know some secrets of the Mirror World, Shinji visits their lab once more to learn whether or not they have a method of sealing the Mirror World, only to be discouraged by Hideyuki's ruthless methods of preserving peace. Due to Shinji's constant absence, Sanako Kanzaki is forced to hire Satoru as a new part time worker. While surprised, Shinji is determined to ask his new colleague how to seal the Mirror World entirely.

According to Tojo, the Mirror World and the Rider Fight exist only for Yui's sake, which means that killing Yui will render the existence of both moot. Shinji speculates that Tojo will come to harm Yui with this piece of information in mind, and chooses to protect the girl from him first. When he sees Kamen Rider Alternative, whom he thinks is Tojo, stalking Yui and trying to attack her, Shinji intercepts and manages to disarm the Rider. Ryuki maintains that sacrificing the life of one person for the needs of the many is wrong, but this is not enough to convice Alternative, who strikes Shinji from behind. As the enemy Rider prepares his Final Vent, Kamen Rider Tiger suddenly appears, having already activated his own Final Vent on Alternative, and kills him. Here, Shinji learns that Tojo is Tiger, and that he has just killed his own friend, Hajime. Tojo then tells Shinji that he does not want to end the Mirror World and the Rider Fight anymore.

Despite ongoing tension from their previous bout, Ren and Shinji agree to cooperate for the time being with Yui's life being at stake. Shinji comes into conflict with Tojo as the latter is still hellbent on killing Yui, with his sentiment about not wanting to end the Fight having been faked prior. In one instance, Tiger comes close to killing Ryuki but is stopped by Alternative Zero. At this point, Shinji realizes that each and every Kamen Rider has their own reasoning and is merely fighting for what they personally believe is right. Ren confirms this, stating that Shinji can never stop the Rider Fight. His own foundations of belief shaken, Shinji contemplates quitting altogether but is encouraged by Yui to keep on fighting. While still perplexed, Shinji still makes saving people his number one priority regardless and goes to save Hideyuki's family from being threatened by Shiro's Mirror Monsters.

As Tojo has quit his work at the Cafe due to differences with Shinji, another person arrives, introducing himself as Mitsuru Sano, and offers his service in exchange for money. Ren does not trust the new man, sending him away. Later, when Shinji is fighting a Mirror Monster, Mitsuru shows up, this time as Kamen Rider Imperer, and helps him destroy the monster. Unbeknownst to Shinji, Mitsuru has already allied himself with Hideyuki earlier, and his distraction allows Tiger to strike him from behind again. Shinji has to defend Yui from repeated attempts on her life by Hideyuki, who now also has the assistance of Imperer and his horde of Zelles.

Eventually, Shinji learns the truth about Yui's past: Yui has already died a long time ago, and is only living on borrowed time, which will run out on her 20th birthday. The entirety of the Rider Fight has been set up from the start by Shiro, whose representative is the all-powerful Kamen Rider Odin designed to win the Fight and grant Yui the wish of a new, complete life. Knowing that the only way to protect Yui is to win the Fight, Shinji actively asks Ren for a battle and manages to defeat him, but is unable to follow through. A conflicted Shinji goes to ask Shuichi for more battles but is turned down because the lawyer tells him that he has not been himself lately. All the recent contradictions in his mind surrounding the Rider Fight leads to Shinji's having a crisis and pretending to be overtly happy in front of others. This attitude worries Ren and Yui greatly.

At the final stages of the Rider Fight, Shiro tells the remaining Riders to finish their battles in three days, otherwise no one will get their wish. Upon seeing Kamen Rider Odin in a mirror, Shinji transforms into Ryuki, but he is unknowingly spotted by Reiko Momoi. Ryuki, even in Survive, is unable to match Odin. Ren appears in the midst of the battle to assist, but Odin is still able to swiftly counter both Riders' Survive Final Vents, reducing them to their base forms. Unexpectedly, Yui screams, which distracts Shiro and Odin enough for him to be held down in place by Shinji. Knight promptly takes the opportunity to destroy Odin with his Final Vent.

Shinji and Ren rushes to Yui's side to see if she is alright. Yui states that she only wants a world where she is happy with her brother before fading away in front of the two's eyes. Shiro angrily orders Ren and Shinji to finish the Fight since there may just still be enough time to save his sister. Shinji rebukes, as Yui will never want people sacrificing one another just for her sake alone. Both Shiro and Ren ignore his words, however, with the latter maintaining that the Rider Fight must still go on and have a conclusion. When Shinji leaves the Mirror World and comes back to the real world, Reiko confronts him on his status as a Kamen Rider. Seeing no other way he can hide his secret, he chooses to tell her and everyone at ORE Journal the full story of Kamen Riders, the Rider Fight and the Mirror World. Daisuke Okubo gives Shinji, who still does not know what to do next, some encouraging words. The boss tells his employee to follow what he really believes in.

The following day is Yui's 20th birthday - the final day of the Rider Fight. As Shinji is on the road, he notices a horde of Raydragoons flying in the sky. As Shinji is trying to help the citizens, one monster targets a little girl who is too scared to move. Trying to protect her, Shinji is stabbed in the back. Mortally wounded, he tries his best to transform into Kamen Rider Ryuki and destroys a few Raydragoons close by. Ren joins the brawl to help his friend, and the two both use their Survive Forms to finish off all the Raydragoons present in the area at that point.

Seeing the girl he has saved safe and sound with her mother, Shinji smiles, having finally found his wish after long days of self-doubt and crisis: To close the Mirror World forever. He knows it is a selfish desire, since his wish will prevent others from getting theirs fulfilled, but he still maintains that as a Kamen Rider, he has at last found a purpose, a true goal to participate in the Rider Fight.

Shinji dies with a devastated Ren by his side shortly afterwards. Bolstered by his dying words, Ren would go on to win the Rider War and bring Eri back to life.

Shinji's story, however, ends on a happy note. Kanzaki finally realizes the futility of his single-minded obsession with his dead sister, and at her request finally ends the Rider Fight for good. Performing one last Time Vent, Shiro travels to the past. Instead of pictures of Monsters though, he and Yui would draw pictures of their living happily together in a beautiful world. Thus, the Rider Fight has never happened, and the Riders are allowed to live happy new lives without needing to fight. Somehow, Shinji has managed to change the Rider's fates in the end and achieved his wish to stop the fighting.

Recent crossovers reveal that he has somehow re-obtained his Ryuki deck and Dragredder, regaining his Rider powers. Whatever the reason, Shinji Kido will always be there, fulfilling his only desire of protecting others as Kamen Rider Ryuki.

When I was done everyone was shocked and horrified!

Kase: Oh my god.

Kit: That's horrible!

Maya was crying in shock.

Eli: Poor guy.

Me: Yeah. Shinji made the ultimate sacrifice.

Kit: Tell me more about my counterpart.

Nico: Well, he was a kind reporter who fought to keep anyone from dying in the Rider War. And he was dedicated to ending it peacefully.

Me: And he succeeded at the cost of his life.

Eli: Yeah. He is a true hero.

Me: Yep.

Eddy: Yeah.

Me: That's why we're not going to let the same thing happen to you Kit. We're going to give Xaviax the Black Gates.

Kit: Black Gates?

Me: It's the deadliest technique we have in our arsenal. It's a powerful technique.

I told him what it can do.

Kit: Whoa! Xaviax will be a forgotten memory with that.

Maya: He sure will.

Me: Yep.

Maya: (to Eddy) Today's your Dark Side's final day alive, isn't it?

Eddy: Yep.

Maya: Good. I hope you blow his fucking brains out.

Eddy: That you can count on!

Eli: Boy time really flew fast didn't it.

Me: Yeah it sure did.

Kit: Master Ebulon has assigned most of the other Rider Decks to the almost all of the Earth Riders. He says that they're deserving of another chance.

Nico: That's fine. I may have to modify the Final Vents so they don't send to the Advent Void immediately. They'll basically be a normal finisher that will either knock down or kill a target.

Me: Good idea Nico.

Nico: Thanks.

Kit: We do have 3 good candidates that are perfect for your frenemies in the M.O.E.

Me: Really?

Kit: Yep. My Kamen Rider Onyx counterpart, Kamen Rider Incisor and Kamen Rider Camo.

Me: Cool!

Eli: Awesome ideas so far.

Nico: Adam might join the Redemption Squad as Kamen Rider Onyx. Poor kid's been through enough. But Grant and Richie? We'll go find them right now.

Me: Good idea.

Twilight Sparkle: Where are we going to find them?

Maya: There's actually been sightings of them online.

She showed us a camera of them in the park by Mount Wilshire.

Me: Over by Mount Wilshire huh? Whoa.

Kit: Right by that newly formed volcano that formed in the middle of the city.

Eli: Yep.

Me: That volcano is right where the La Brea Tar Pits once stood.

Nico: That's right. That was a fiery day back then.

Eli: Wow.

Sunset Shimmer: That is amazing that a volcano formed here.

Nico: Yep.

Kit: Lets head there now.

Me: Right.

Kit: Oh Natalia I forgot to ask. I couldn't help but feel something unearthly.

Natalia: Oh right I'm a gene-slammer for what's called a Lunanian Werewolf.

Nico: They are werewolf aliens from the Sombrero Galaxy. Long story.

Kit: Oh wow.

We followed the Riders as they boarded their motorcycles.

I decided to ride on a hoverboard!

Me: Oh yeah!

Infernape: (sneers at Poromon) I hate you.

Poromon just glares at him in response.

Kase: Knock it off!

We all were off.

Kit: Nice Hoverboard!

Me: Thanks! I figured it would be awesome for this.

Eli: It sure would.

We arrived.

Me: Whoa.

Nico: Wow! Mount Wilshire.

Sunset Shimmer: It's amazing seeing a volcano like this here.

Eli: It sure is.

Kit: Wow! It's terrible that happened back then.

Me: Nicole told us about it and we had to spring into action and save much of the city.

Eli: Wow.

Nico: Do you guys see them?

Eli: (Concentrates) Found them! 5 klicks and closing. They are coming this way from the southeast.

Me: Get ready.

Kit: (to Poromon and Infernape) Okay. This is a chance to recruit two Riders who got Vented immedaitely after we met them. I want you both on your best behavior, okay?

Infernape: With him!? Over my dead body!

Poromon: In that case sure.

Me: Good.

Kase: Yeah.

Me: Those two are acting like Tuddrussel and Larry.

Kit: Tuddrussel and Larry?

Me: Officer Buck Tuddrussel and the Larry 3000. They work for Time Squad and they HATE Each other.

Kit: Jeez.

Grant was walking toward us and Richie met up with him.

Grant Staley: (to Richie Preston) The fuck are you doing here?

Richie Preston: Hey, I was here first. Get your own spot.

Grant Staley: Looks like we're both here for the same thing.

Richie Preston: So we are.

Kit: Hello Grant. Hello Richie.

Grant: (sees Kit) Oh, it's you.

Kit: Yeah it's me.

Me: And us!

We came out.

Grant: J.D.!?

Richie Preston: J.D.!? You look completely different!

Grant Staley: What happened!?

Me: Lets just say I have evolved and leave it at that.

Nico: And he has come a long way since he helped you guys kill Xaviax.

Richie Preston: Hey, we missed out on that because we both got Vented!

Len: (to Richie) To be fair, you attacked me and Kit first.

Me: I remember that. We have 15 years to catch up on you two.

Twilight Sparkle: And also Xaviax is going to pay for his crimes.

Richie Preston: He's already dead.

Me: He's bound to come back. But when he does we're going to give him the Black Gates.

Kit: And no one will ever remember him.

Grant: Yeah, there's one problem with that.

Nico: And that is?

Grant: You guys can't do shit to Xaviax in the Advent Void. Kamen Rider!

Richie: Kamen Rider!

They transformed! Richie turned into INCISOR! Grant turned into CAMO!

Me: The Crab and the Chameleon of America. This is gonna gonna get Crabby and Out of Sight.

Richie: Very funny!

Me: KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON 🌙!

Me: (HOWLS)

Kit: Kamen Rider!

Len: Kamen Rider!

Chris Ramirez: Kamen Rider!

Kase: Kamen Rider!

They transformed!

Me: This will be good.

Nico: Yeah!

Natalia: I'm ready for this comrades.

Biogreeza appeared by Grant's side and Volcancer appeared by Richie's side.

Shu: I'm getting in on this.

He summoned the Blue Dragon!

Blue Dragon: This will be good!

Me: RELEASE THE WOLF! (HOWLS)

BLUE FIRE EXPLODED OUT FEROCIOUSLY!

I went at them both with incredible speed and slashed and kicked both of Richie and Grant down.

Richie got up.

Richie: (Groans) That hurt!

Grant: You weren't that strong before!

Me: Nope. I'm now infinitely more powerful.

Clear Vent!

Grant then turned invisible as Biogreeza charged at Blue Dragon.

Blue Dragon punched him and I slashed Grant with my scythe and sent him crashing into the ground and Richie went to strike behind me and I blocked his strike with my scythe and kicked him in the face and sent him flying!

Me: Pathetic.

Kit: WHOA! J.D. has really transcended beyond anything I've ever known.

Nico: Yep he sure did.

Hold Vent!

Grant got out a yo-yo-like weapon that resembles Biogreeza's eyes and threw it at me to try and snag me.

But I smirked and used Substitution Jutsu and he snagged Richie!

Grant: WHAT THE!?

Richie: HEY! LET ME GO! GRANT YOU MORON!

Me: Two for one! WOLF MOON FIRESTORM STYLE NINJA ART: WOLF PACK FIREBALL BARRAGE!

I fired a massive barrage of blue fireballs and they formed into a pack of wolves and they hit Richie and Grant and exploded!

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Nico: YEAH!

They were knocked down and got back up.

Kit: WHOA! That was epic!

Nico: Yep. J.D. has come a long way in these last 15 years.

Eli: J.D. and the team are all gods among man and we have achieved much more than anyone can fathom.

Len: Wow! That is absolutely incredible!

Guard Vent!

Richie got a shield derived from the armor plating on Volcancer's back.

Richie: Take your best shot!

Nico: (gets out Unicorn and Griffin's Ridewatches) My pleasure!

Nico activated them and fired a massive energy ray and it hit the shield and shattered it into a million pieces and smashed him down!

Kit: Whoa! That was Zi-O's Ridewatches!?

Nico: Yep.

Attack Vent!

Richie equipped himself with the Scissors Pincer and charged at Len while Grant charged at Kit.

I teleported and blocked Richie's strike and kicked him in the face and I jumped and flipped and smashed Grant in his face and sent him crashing into the street.

Len: WHOA! J.D. what have you been learning and doing these last 15 years?

Me: A massive and incredibly hard amount of work and a huge number of adventures that were fun. I've been learning so many awesome things as well as learning new powers and evolving in strength, skill and power. I'm infinitely beyond the J.D. Knudson that helped kill Xaviax.

Len: Wow! That is amazing!

Volcancer charged at Shu.

Shu: (gets out Yost Wizard's Advent Card) Let me do this one, Blue Dragon!

Blue Dragon: Okay!

YOST WIZARD!

He fired a blast of magic and blasted down Volcancer!

Eli fired a wave of Force Lightning and Electrocuted Richie and Grant!

Me: YEAH! (Senses something) Time for the main event!

I pulled out my blaster and fired a blast and it hit a garbage can and it exploded!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Out came a figure and it was DARK EDDY!

Kit: Whoa! Nice shot!

Len: So he is Dark Eddy.

Nico: Yep.

Dark Eddy got up and he was clutching his chest.

Eddy: You can feel it, can you? While you wasted your chances to kill us, Nico's curse just reached your heart. Today is your last day alive.

Dark Eddy: At least I can kill you once and for all! I wonder how it's gonna be when one of us is dead?

Eddy: Time to find out!

With that said, Eddy and Dark Eddy fired their blasters at each other.

Eddy and Dark Eddy were really going at it! Firing Lasers.

Richie: This is for last time!

Final Vent!

Volcancer launches Richie into the air with its claws. Richie then curls into a ball and rapidly spins in the air before crashing into Len, knocking him down. Richie laughed triumphantly before realizing something.

Richie: Shouldn't you be fading into the Advent Void by now?

Len: (gets up) On the way here, Nico made sure the Final Vents either only knock someone down or kill them. Good try though.

Me: It sure was. But this will be good! SPD MORPHER! JUDGEMENT MODE!

I pressed a button and a white flash of light appeared and a timer began.

15 seconds later the red X lit up.

Me: GUILTY! CONTAINMENT!

I fired a beam of energy and locked him in a containment card!

Richie Presley: WHAT THE!? LET ME OUT OF HERE NOW!

I picked it up.

Me: Richie Presley A.K.A. Kamen Rider Incisor, you have failed this city.

Kase was suddenly shot in the shoulder by Dark Eddy and fell to the ground.

Dark Eddy: (aims blaster at her head) Look on the bright side. At least it's better than the Advent Void. Now, say goodbye!

Kase closed her eyes as she heard a blaster shot. But when she opened her eyes, she saw that she was unharmed. It turned out that a blaster shot blew a hole in Dark Eddy's chest. Another blaster shot blew his brains out, killing him as his lifeless corpse fell to the floor. Kase saw that Eddy was the one who killed him but was wearing dark shades and a leather jacket for some reason.

Eddy: Hasta La Vista, baby!

Me: Nice use of the Terminator Line!

Nico: YEAH!

Then Dark Eddy turned into a black mass and then the Black Gates Portal opened up and then he was sucked in!

Dark Eddy: DAMN YOU TO FUCKING HELL TEAM LOUD PHOENIX STORM!

He was gone for good!

Eddy: WHEW!

Nico: Wow! WHEW!

FWOMP!

Nico fainted!

Eli: Nico fainted!

Me: He's just glad that this is all over.

I helped up Kase.

Me: You okay?

Kase: Yeah.

Kit: Okay, Len. Let's use our own Final Vents!

Len: My pleasure!

FINAL VENT!

Me: Let me get in on some of that!

LORD DRAKKON!

Me, Kit and Len: DRAKKON DARK DRAGON BLAST!

We fired a massive blast of energy and it hit Grant and exploded!

KRABBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was knocked down with incredible force!

Me: Time for this! Judgement mode!

I pressed a button on my SPD Morpher and a flash of white light came and a timer started. 15 seconds later a red X lit up.

Me: GUILTY! CONTAINMENT!

I fired a wave of energy and locked him in a containment card!

Grant: HEY! LET ME OUT OF HERE!

I went and picked him up.

Me: Grant Staley A.K.A. Kamen Rider Camo you have failed this city too.

Tyrantrum: (In a girls voice) That he has!

Nico: Naomi Tyrannus!? Whoa!

Tyrantrum: Awesome to see you again Nico.

Nico: Same here.

Naomi reverted back and she was a girl with red hair and red eyes and had red clothes and had a tyrannosaurus on her skirt.

Naomi Tyrantrum: Grant really tasted awful.

Me: Just like old times huh guys!

Kit: You got that right J.D.!

Len: That was awesome!

Eddy: I did it! Dark Eddy's finally gone for good! And I didn't even need to use the Lethal Weapon line!

Nico: You got that right! Well done Eddy!

Eli: YEAH! Luan is going to be so happy!

Kit: Thank goodness!

Me: About damn time!

Naomi Tyrannus: No kidding.

Me: What's your favorite memory of Nico, Naomi?

Naomi Tyrannus: When me and Nico went to my family's awesome cajun Louisiana stew restaurant and me and Nico ate 50 bowls of it.

Kit: WHOA! You guys have amazing appetites!

Me: We eat a lot of awesome food. But Nico eats the most food out of all of us.

Nico: Yep.

Naomi Tyrannus: My family makes really awesome stew. You would love it.

Me: I'm sure we would.

Nico and Naomi hugged.

Nico: I've really missed you.

Naomi Tyrannus: Me too Nico. Me too.

Chris Ramirez: Awesome job, guys!

But then, Chris started coughing.

Nico: You okay?

Chris Ramirez: It's nothing. Don't worry.

Me: He has really bad asthma. I got this.

I had my hand glow blue and I placed it on his chest and then his lungs got better!

Chris Ramirez: (GASP) WHA I'm not weak from asthma anymore! What did you do?

Me: I have the power to heal anyone. I can heal burns and wounds and cure even diseases like asthma and I can even have people regenerate their lost limbs.

Kit: That is incredible!

Len: Wow!

We arrived back.

May: Hey guys! How did it go?

Me: REALLY AWESOME!

We told everyone everything and then they bursted into cheers!

HALLELUJAH! HALLELUJAH!

Luan: HALLELUJAH! DARK EDDY IS GONE!

Camie: OH WHAT A RELIEF!

Lola: NO KIDDING!

Nico: I KNOW!

May: Next time, Girl Jordan, Leeli, Fairy Woman and Cheese should go with you guys.

Nico: Good idea!

Kase: Yeah that is awesome!

Qin: Thank goodness we never have to deal with Dark Eddy ever again.

Me: Whew! No fucking shit!

* * *

We were at Lynn's Table celebrating.

Timmy Turner: So, Eddy. How does it feel to have finally killed your Dark Side for good?

Eddy: I feel pretty good, honestly. And I ended it the only way it could've ended.

Nico: Yeah you sure did.

Qin: Boy no kidding.

Lynn Sr.: Well I'm really happy for you Eddy.

Luan: We all are.

Qin: Thank goodness we will never have to worry about him ever again.

Nico: Yeah no kidding. The Donbrothers are going to be happy to hear about that.

Lyra: They sure are.

Nico: Hey, how about we go somewhere I have in mind to celebrate this?

Me: Sure.

We paid for the food and went to wherever it is that Nico has in mind.

We were at the aquarium.

Homer: The good old Aquarium.

Me: I always love coming here. Look at all the pretty fish.

Lisa Simpson: They sure are pretty.

Fluttershy: So many adorable fishies.

Nico: Dr. Warpnik would feel right at home here because all he has are fish for friends.

Xenia: He sure would feel right at home.

Nico: No kidding there.

Lola: Yeah.

Camie: These fish are beautiful.

Nico: Yep.

Me: Just as long as Bart doesn't go swimming in the tanks like he did that one time.

Homer: (LAUGHS) That was funny.

Horsea: Can I swim in the water, Maria?

Maria: I don't think they will let you do that Horsea.

Nico: Yeah we don't want that.

Gina Green: Are there any piranhas here? I want to see the fish that killed me.

Me: Sure.

We went to the tropical fish exhibit and we showed them.

Me: These are them. Red Bellied Piranhas.

Gina Green: So those are the fish that did me in?

Me: Yep. Except those were super piranhas.

Heidi picked one up out of the tank.

Heidi: See these teeth? They are sharper than a razor blade and they will render you into a skeleton in seconds.

Xenia: Geez!

Gina Green: That is awful that happened to me.

Heidi: Good thing these are freshwater fish. Watch this.

Heidi put it back. She then pilled out a T-Bone Steak.

Heidi: Watch.

She dipped it into the tank and then…

CHAINSAW BUZZING!

She pulled it out and all the meat was gone! The entire bone was stripped clean!

Gina Green: Holy fuck!

Qin: I know. Shocking huh?

Gina Green: No kidding.

We were looking at the fish.

Mevya: So many fellow fish!

Kevin Levin: I know. It's awesome.

Lola: Yeah.

Mevya saw the fish that were like Dory.

Mevya: Wow it's Dory's kind.

Me: Blue Tangs. Those are some of my favorite fish.

Lola: They are really pretty.

Gatomon: Can I eat them?

Kari: No Gatomon you can't eat any of the fish here.

Me: I know you're a kitty and eat fish but they are not for you to eat.

Gatomon: Oh right I forgot.

Nico: Yeah.

Poliwag: Do you want to go to jail for that, Gatomon?

Me: I don't think Digimon CAN go to jail.

Poliwag: Oh yeah right.

Gatomon: But I guess you're right.

Olga Orromov was looking at the jellyfish.

Olga Orromov: (Russian Accent) Look at all these jellyfish. So many pretty kinds.

Nico: They sure are.

Me: And Jellyfish have been on the planet for over 530 million years.

Lola: Wow!

Olga Orromov: Look at that little one.

We saw a sea wasp.

Me: That's a Sea Wasp! That's what you were gene-slammed with Olga.

Olga Orromov: You got to be kidding me! That tiny little jellyfish is what I was slammed with?

Me: Don't let its appearance deceive you. It may be a small one but it is the most venomous jellyfish in the world.

Spongebob: The Jellyfish I catch aren't like that.

Lily: No these jellyfish aren't like that SpongeBob.

SpongeBob: Good.

We then got to the sharks.

Me: Sharks. One of natures most powerful and toughest survivors. For over 450 million years, Sharks have been through it all.

John Bolton: That is so awesome.

Clint Bolton: You got that right.

Stacy Bolton: Boy look at all the kinds of sharks there.

Coup Bolton: Yeah.

Me: Look there. There's a Whale Shark. That's the largest kind of shark. That's what you were slammed with Coup.

Coup Bolton: Wow! That is amazing.

Nico: And there's a Hammerhead. That's what you were slammed with Clint.

Clint Bolton: Wow sure is a cool fish.

Me: Yep. And there's a sawshark on the floor. That's what you were slammed with Stacy.

Stacy Bolton: Wow! That is awesome.

Nico: Does it bring back traumatic memories?

Bobby Bolton: It does. Like when we were first gene-slammed.

Qin: I wonder how Dr. Paradigm and his brothers got samples needed for his atrocities against nature?

Me: Probably from Aquariums and zoos. Who knows.

Lola: Yeah.

Roy hugged Stacy.

Stacy Bolton: Thanks Roy.

Nico: We still have Paradigm's mess to clean up.

Me: There has to be one here.

Poliwag: We always run into one before a main mission.

Me: We could.

Nico: Yeah.

Me: Huh? Look.

We saw a figure looking at the goldfish.

Nico: What is that?

We pulled out our guns.

Reflector: Turn around and put your hands on your head.

It turned around and we saw that it was a FEMALE GREAT WHITE SHARK GENE-SLAMMER!

We gasped!

Joan Bolton: WHOA! Another Great White Shark Gene-slammer!

John Bolton: Like me and Joan! Wow!

Great White Shark Gene-slammer: You guys are gene-slammers too? Paradigm got you too?

John Bolton: Yeah he sure did.

Joan Bolton: Long and ugly story.

Maria: Who are you?

Joan Carcharos: My name is Joan Carcharos.

Me: Pleasure to meet you Joan.

Qin: How did Dr. Paradigm get you?

Joan Carcharos: Like he did to the Bolton Siblings. He captured me and slammed me with Great White Shark DNA.

Me: Well you don't have to worry about Paradigm anymore. He is dead and a forgotten memory.

Eli: That's right.

May: Do you know Nico?

Joan Carcharos: As a matter of fact. Wait Nico!? Is that you?

Nico: It sure is. Joan I can't believe that this happened to you .

Joan Carcharos: Its been a long time Nico.

Nico: It sure has been a while.

Me: Lets revert you back and then you can tell us more about yourself.

Joan Carcharos: Okay. But I don't have a shirt on.

Me: Oh boy.

I put on my blind man glasses and the boys covered their eyes.

Me: Would you like the power to change at will?

Joan Carcharos: I sure would.

Me: Awesome. But we have to warn you though, it's going to hurt really bad.

Joan Carcharos: I'm ready.

Me: Here we go. (Snaps fingers)

I snapped my fingers and she was in excruciating pain. Joan Carcharos braced herself on the table as she groaned in pain.

Joan Carcharos: IT HURTS!

Stacy and Olga were comforting her as she was changing.

Stacy Bolton: It'll be over in a few seconds.

She was reverting back. Her hands came and then her skin and dark blue hair and then her blue eyes and then her nose and mouth and teeth.

She was back to normal and was on the floor in pain.

Maria and Varie came and helped her up.

Joan Carcharos: (GROANS) That was incredibly painful.

She felt her face

Joan Carcharos: My face is back to normal and I have my hair!

Varie showed her a mirror and she saw herself back to normal!

Joan Carcharos: I'm back to normal!

Varie: You sure are.

Joan looked down and saw her pants and underwear had fallen down because they were stretched out too big.

Joan Carcharos: GAH! (COVERS HERSELF) My clothes are too big to fit me

Rarity: We got this!

The fashion brigade moved in and gave her a blue shirt and blue pants and blue shoes and a blue vest and her blue hair was in pigtails.

Rarity: (GASP) Rapture darling you look grand.

Varie showed a mirror.

Joan Carcharos: Oh wow! I look amazing.

Nico: Where did you first transform?

Joan Carcharos: I transformed in my house as I was watching TV. I came home 20 minutes later after being dumped in a drainpipe.

Me: Ew.

Qin: Yuck.

Xenia: But like we told you, Paradigm is dead now.

Nico: And he was given the Black Gates.

Me: When we faced him in Opaline's castle.

Xenia: Yeah.

Maria: What can you tell us about yourself?

Joan Carcharos: I'm a marine biologist. I like to study all about all kinds of marine life.

Heidi: I do too. You and I would make an awesome team together in the Aquarium.

Joan Carcharos: We sure would.

Me: Did Dr. Paradigm capture others with you too?

Joan Carcharos: Not that I can remember.

Qin: Oh.

Joan Carcharos: Also I wasn't going to eat those fish. I have the power to talk to fish.

Me: Wow this I got to see.

I went with her to one of the fish tanks.

Joan Carcharos: It sure is a lovely day isn't it?

Sheephead Fish: It sure is an amazing day today. I like being in a tank like this.

Me: I can tell you have a lot of fun with so many awesome friends.

Sheephead Fish: I sure do.

Joan Carcharos: You can talk to fish too?

Me: Any kind of animal actually. One of my many newly acquired

powers.

Joan Carcharos: That is cool.

Nico: There's one nore Gene Slammer we have to find.

May: But where… (Feels something) Whoa!

She saw a Sylveon nuzzling her leg.

May: Hey a Sylveon.

Me: Aww it's really cute.

Lola: Sure is.

Poromon: Hi there!

Sylveon: (In a girls voice) Been a long time Poromon.

Nico: Gabby Columbus!? Whoa!

Then…

POOF!

She turned into a beautiful fairy with pink hair and had a green dress like Tinkerbell's and she had pink butterfly wings. She flew to Nico and touched him on the nose. Then…

POOF!

She turned human size and had green clothes and larger pink Butterfly Wings.

Gabby Columbus: Being a fairy, Fairy Pokemon and a human is awesome.

Me: I take it Nico met you in a fairy forest right?

Gabby Columbus: That's right.

Me: Neat.

First Aid: What's your favorite memory of Nico?

Gabby Columbus: When a crazy madman was coming to capture us and prove that we exist and Nico bashed his face in and sent him to a nuthouse.

Me: That sounds eerily familiar.

Xenia: Yeah.

Me: Did this madman have ears on his neck, a hunchback and spazzed like this… (SPAZZING) FAIRY GODPARENTS! FAIRY GODPARENTS! FAIRY GODPARENTS!

Gabby Columbus: That's right!

Me: Denzel Crocker!

Nico: Oh boy. I knew that was him. Wow.

Me: Nico if I ever do that again blast my head off with a 12 gauge shotgun.

Nico: Noted.

Nico and Gabby hugged.

Nico: I've really missed you.

Gabby Columbus: Me too Nico. Me too.

Cybertron Ransack: Natsumi's not going anywhere, right?

Nico: Nope. She'll be safe. It'll be impossible for anything to get in or out with our security system.

Qin: Good,

Lola: Yep.

The Previous Group came.

Skinner: Can me, Springfield Bullies, Rich Texan, Comic Book Guy, Krusty, Blizzard, MetalSeadramon, Bonz, Etemon, Dayu and Harpymon go with you guys?

Dolph: And I hope you guys meet a Hammerhead Shark, Whale Shark, and Tiger Shark for Nico's side.

Nico: I have a feeling we will and yes you all can come with us.

Lana: This is gonna be so awesome and fun.

Qin: It sure will.

Astrotrain: Boss, besides, those, which Gene Slammers do you think you'll meet next?

Nico: Bonnie will like this one. Hawlucha and Dedenne next.

Qin: Nice!

Bonnie: Awesome! And it will be fun!

Lola: Yeah!

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed two dark energy signals with their eyes and the Force, and they saw who the figure was in the vision: the figure was Dracula from Honkai Impact 3rd, and she's out to conquer Europe again and rule over it forever. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is someone coming after us?

Lincoln: You guessed it, Rayman, and this is something you won't like, Nicole: the figure we saw was Dracula from Honkai Impact 3rd, and she's out to conquer Europe again and rule over it forever.

Nicole: (GASPS) Oh man, not her! She may be the female version of Dracula, but she's still the same bloodthirsty vampire we'd battled against. That vampire's got to be stopped or all of Europe's going to have an undead plague on their hands.

Me: That certainly takes us back to when we first stopped Count Dracula years ago.

Nico: And then, a year ago, we found out that vampire came back from the dead and infected Santa and Mrs. Claus in another attempt to take over the world and get revenge on us, but we stopped him and gave him The Black Gates forever.

Lyra Heartstrings: Now, we got a female version of the vampire king running loose and she intends to take over Europe and rule over it forever. We're going to stop her, but instead of just driving a stake into her black heart, I'm going to let Linky drain her dry of every last drop of blood and assimilate her powers by letting him absorb her.

Lincoln: I haven't had any evil vampires to feed on for a while, and you can bet that I'm now hungry. (Deep Sapphire Eyes turn blood red)

Nico: Uh oh, Lyra, you do realize you just unleashed a wild beast out for the blood of Dracula!

Me: It's more than just that, J.D., he's killed and absorbed many evil vampires, werewolves, and evil humans, normal and powerful over the years, and none of them are safe from him.

Eli: (Gulps) After what we saw him do to Ricky Accardo in Marianne Shelly's video, he was serious.

Nico: Yeah, and it's a lesson not to piss Lincoln off if you mess with those he loves. Alright, gang, let's go, we're heading off to meet with Taro and the Donbrothers.

Lyra Heartstrings: Europe will never fall to a bloodthirsty, soulless monster like you, the only thing that awaits you is your death by our hands.

Lincoln put up a rainbow energy field around The World Tree Estate and we headed to Japan to meet with Taro and the Donbrothers and help them kill The Noto Council, and the mysterious enemies we have coming and send them all to The Black Gates, and once we get done with destroying them once and for all, Lyra Heartstrings and Lincoln are going to kill Dracula from Honkai Impact 3rd and stop her from trying to take over Europe and unleashing a reign of eternal darkness.

---

We arrived in Tokyo and we saw the Donbrothers fighting what looked like Another W.

Kearney: No way that's Another W.

Jimbo: He's still at our base, That must be a clone.

Maria: Fitting considering Burns and Crocker were both Another W before.

William then saw that somehow, the Another W turned nearby civilians into zombie bugsters.

William: You know, Burns. I'm getting sick and tired of having to make sure you and Crocker stay dead. What are you even up to anyway?

Rather then responding as soon as it saw us, the Another W just growled and ran at us.

Maria: Huh. Doesn't seem to be in a talkative mood today.

Me: It must be a mindless one!

I fired a wave of energy and blasted it and it exploded!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOMMMMMM!

I caught the ridewatch for it and purified it.

Nicole fired a wave of energy and cured the Bugsters!

Qin: There!

Taro: You guys made it!

Me: Like we would miss this for anything!

Nico: (suspicous) Odd. Usually, Crocker would also say that he hates us. Specifically J.D.

Anakin: I sensed that this one really is a clone. But you're right to be suspicous. Something doesn't felt right.

Me: I felt it too.

Nico: Yeah.

Eli: I sensed it too. That was just a clone.

Taro: Odd.

Xenia: That is weird.

Camie: No kidding.

Lyra: But enough about that. I really missed you guys!

Haruka: We did too Lyra!

Qin: It's awesome to see you guys.

Taro: Yeah! Lets head to the restaurant.

We went to the restaurant.

We arrived.

Kaito 2: Hey guys! Hey boss! Welcome back.

Nico: Thanks.

Kaito 2: Glad that you guys are back. Because we have a situation.

Nico: What kind of situation?

Sapphire Nautilus then gasped as she recognized the person with Kaito 2.

It was a girl with black hair, green eyes and blue clothes.

Sapphire Nautilus: Evelyn!

Evelyn Drakmor: Sapphire!

Sapphire Nautilus: You're alive!

She went and hugged her.

Sapphire Nautilus: I thought you were dead!

Evelyn Drakmor: I was. But somehow I'm back.

Me: Whoa Evelyn awesome to see you again.

Evelyn Drakmor: Wow! You too J.D.

Nico: Tsuyoshi, don't worry. Natsumi's at the Estate safe and sound. Just like we Pinkie Promised.

Tsuyoshi: (Sighs in relief) Good I'm glad.

Qin: We all are.

Xenia: Yep.

Me: We have the security system and defense grid on maximum so she will be fine.

Lola: Yep.

Eddy: By the way, Dark Eddy? I killed him earlier today.

Taro: Wow! Good riddance!

Me: Yep. That monster is never bothering us ever again.

Qin: Thank goodness.

Lola: Yeah no kidding.

Camie: Thank goodness.

Xenia: Yeah.

Me: By the way guys we owe you big time for helping us last week with Von Talon's minions.

Taro: No problem guys.

Skull Man: Also, we figured out who our target is today.

Me: We first received a sign in the stars. It was a nebula in the shape of a demonic skull. That showed that it was the return of enemies from the past from another world.

Nico: Yeah.

Haruka: Very ominous.

Nico: Yep.

Me: And that target is Crocker and Burns.

Haruka: WHAT!? But didn't you guys give them the Black Gates!?

Nico: Yes we did.

King Kai: (Telepathically to us) Nico, Everyone can you hear me?

Nico: Yes we hear you loud and clear King Kai.

King Kai: J.D. is right. Crocker and Burns are back but they are the ones from the world of Earth where it was ravaged by that terrible apocalypse caused by HIM.

We gasped!

Me: Oh man!

Haruka's aunt Yuriko Kito came in.

Yuriko: Haruka, thank goodness you're okay.

Haruka: Aunt Yuriko? What are you doing here?

Yuriko: I was looking for you, of course. I heard everything.

Haruka: You did?

Yuriko: Yes. If what Burns and Crocker are planning is that big, it's nothing we're sticking around for. I honestly am proud of how far you've grown as OniSister. But now, it's time to get out of the city before it crumbles around us.

WE GASPED!

Yuriko headed towards the exit but looked back towards Haruka when she saw she wasn't following her.

Yuriko: Well, are you coming?

Haruka: So, you've basically been keeping track of my career as OniSister.

Yuriko: Yes. At first, I wanted you to stop but I wanted to see how far you've grown. And you have.

Haruka: If you HAVE known how much I've grown, that you know that I can take care of myself.

Yuriko: Well, I'm sure you can. But right now, it's best that we get out of the city before whatever scheme Crocker and Burns are making destroys it and you with it.

Haruka: That's not going to happen. The Donbrothers have saved me from ymself and made me a better person. So now, I'm going to help them with this. If you want to help, fine. If not, stay out of my way!

Yuriko was about to argue against this but Taro then spoke up.

Taro: She gave you your answer, Yuriko. It's time you left.

Yuriko: Taro. I see you've given my niece the same death wish you have. Fighting an enemy that you can't possibly defeat.

Taro: The Donbrothers and Team Loud Phoenix Storm have not fallen yet. And they never will.

Krusty: We've beaten Crocker and Burns before. We can do it again!

Yuriko: We'll see if you all are still saying that when Burns wins and Crocker has all the fairies he wants.

Me: Don't worry about that Yuriko. We're not going to let them do so. Besides, Haruka is a big girl and she can protect everyone like we can. Trust us.

Qin: Yeah.

Me: Yeah!

Taro: Haruka. Maybe you should've gone with your Aunt out of the city. You've helped me and the Donbrothers more time then I could ask for. You really don't owe me anything.

Haruka: I can't just ditch you and the others when something big like this is going down. I could never forgive myself. I DO love my aunt. But I know like me, she can take care of herself. I know Crocker and Burns are top priority. I'll stick around and help you and the others one last time. And then, I'll decide if I want to go back to my Aunt and live a normal life again. (holds out hand) One last festival together. Let's make the most of it.

Taro looked at the hand and smiled before shaking it.

Taro: You really have grown, Haruka. And I truly am proud of you for it.

Me: All of us are!

Qin: Yeah that's the spirit!

Lyra: All of us are proud of you Haruka.

Yuriko was proud of Haruka with how much she has grown and knew that she was destined for great things and more.

Sonoi: It's fitting that we're fighting Crocker and Burns today. No person is as greedy and selfish as they are. But.. I'm not giving them the satisfaction of sending them to the Noto Prison.

Me: Nope. These guys will just keep causing trouble. So we're sending their asses right to the Black Gates.

Qin: That's right.

Eli: And it will rid the world and the universe of their evil once and for all.

Xenia: That's right.

(DANCE OF THE SUGAR PLUM FAIRY PLAYS)

Poromon came out in a fairy costume with 1 bottle of beer.

Poromon: (to the Donbrothers): Hello there! I'm the beer fairy! Come to give you guys 1 bottle of beer!

Waspinator: (laughs) Waspinator love this part!

Haruka: Oh Poromon is so cute in that costume.

Qin: Yeah he calls himself the beer fairy.

Eli: It's cute.

Taro: It sure is. But we don't drink unfortunately.

Poromon: Darn.

Tsubasa: Why are there so many Monferno and Chimchar here?

Infernape: What am I, chopped liver?

?: No that's what I am.

He saw a jar of chopped liver was on the table as a rimshot was heard.

MetalSeadramon: Well, we figured we might need help with this. So, yesterday, we recruited them.

Me: Yep.

Qin: They are helping us out as part of a deal.

Xenia: Yep.

Taro: Also, what's this we hear about a Blood and Honey movie?

Me: Uh oh.

Poromon: OH, WE'LL GLADLY SHOW YOU THAT ABOMINATION! (shows trailer close to Taro's face) HERE! LOOK AT IT! IT'S UGLY, ISN'T IT?!

Taro: IT'S HORRIBLE AND UGLY!

Mevya: (shows trailer close to Shinichi's face) YOU LOOK AT IT!

Shinichi: WHAT A NIGHTMARE!

Kevin Levin: Mevya not you too!

Manaphy: (shows trailer close to Haruka's face) YOU LOOK AT IT!

Haruka: (SCREAMS) HORRIBLE!

Poliwag: (shows trailer close to Tsubasa's face) LOOK AT IT!

Tsubasa: WHAT AN ABOMINATION!

Horsea: (shows trailer close to Tsuyoshi's face) LOOK AT IT!

Tsuyoshi: TERRIBLE AND HORRIBLE!

Jirachi: (shows trailer close to Jiro's face) LOOK AT IT!

Jiro: THAT IS DISGUSTING!

Tentacool: (shows trailer close to Sonoi's face) LOOK AT IT!

Sonoi: THAT IS AWFUL!

Eevee: (shows trailer close to Sononi's face) LOOK AT IT!

Sononi: THAT IS GROSS!

Kabuto (Pokemon): (shows trailer close to Sonoza's face) LOOK AT IT!

Sonoza: AWFUL!

Wobuffett: (shows trailer close to Don Murasame's face) LOOK AT IT!

Don Murasame: MOTHER WOULD HATE THAT!

Mascots: WE WANT ALL OF YOU… TO FUCKING LOOK AT IT!

THEY SCREAMED IN FRIGHT AND HORROR!

Blackarachnia: This marks by far the most mascots who have shown this trailer to people.

Eli: No kidding!

Donbrothers: BOOOOO!

Me: You took the words right out of my mouth! (Imitating Dr. Ivo Robotnik) I REALLY HATE THAT MOVIE! I HATE IT! I HATE IT! HAAAATE IT! HATE HATE HATE HATE!

I clenched my teeth with the word HATE in them and they shattered!

Me: It's an absolute atrocity!

Taro: (looks the movie over) What kind of sick fucks would make this movie?

Me: Don't fucking ask.

Sonoi: I can't think of any decent poetry to describe this movie!

Haruka: (crying) How could anyone make Piglet look so hideous?!

Sonoza: And you guys aren't giving the people who made this the Black Gates why?!

Dayu: Because they're innocent. Even though I think otherwise.

Me: These are innocent people and our code strictly forbids us from doing that to innocent people. Also they are just actors and people that make it look real with fake props.

Sonoza: Oh. Right.

Shinichi: Before anything else happens, I would like to make a haiku that describes all of us here and united today.

Nico: Go for it.

Shinichi: United Rainbow, Dismissing Discrimination, Depicting Pure Heart.

Me: Wow.

Anakin: Guys, I'm sensing something happening outside.

Kerchak: Let's check it out.

We went outside and we were greeted with a nightmare!

We saw several Another W clones. Suddenly, Crocker and Burns appeared in butler outfits.

Nico: There they are!

Burns: Greetings, everyone. I am Navigator Burns..

Crocker: And I am Navigator Crocker. (bows) We will be your guides for this game.

Harpymon: (eyes twitches) Game?!

Me: What game!

Navigator Burns: (reveals holographic screen) This is a survival horror game where you must battle immortal zombies.

Navigator Crocker: This is… Zombie Chronicle!

Maria: Say what?!

Navigator Burns: We've remade Masamune Dan's Kamen Rider Chronicle into a game about zombies. Our dear players… arm yourself with any weapon you wish. Show me you have what it takes to conquer the masses of Another Ws.

Navigator Crocker: Of course the invitation is also for Team Loud Phoenix Storm but be warned as there will be special NPC's to keep you from making this too easy. However, take down just one Another W and we shall grant you a blessing.

May: What exactly is this blessing?

Navigator Burns: A life taken by the game disease, brought back. One life will be chosen at random to be resurrected as a Bugster.

Navigator Crocker: However, players that are infected by the zombie virus will get a game over. They will not be able to return, ever. They will stay a zombie forever.

Evelyn Drakmor: So that explains why I'm back!

Navigator Burns: Will you take back the lives that were taken? Or will the hunter become the hunted? It's up to you,

Navigator Crocker: Now, go forth! You can become a hero, a savior! Let's game!

With that, they both disappeared, leaving many civilians to panic as the Another W clones chased them.

Nico: Well, that escalated quickly.

Me: It sure did!

I fired waves of energy and blasted the Another W Clones all over.

Nico and everyone did the same.

I fired a genocide blast and obliterated all the Another W clones in one fell swoop.

Emu: Nice job. But there are still probably more Another W clones!

Taro: Then we have to make sure they are destroyed! We can count how many people have been brought back later! Avatar change!

Taro: HAHAHAHAHA! Avataro Sentai!

All: Donbrothers!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion went off behind them and they were ready

for action!

Lola: HERE THEY COME!

We saw a massive army of Another W's and it was of KLENDATHU SIZE IN THE TENS OF BILLIONS!

Me: UH OH!

Lola: Oh no! What are we gonna do!

Nico: Uhh I don't know! I don't know!

Me: Kill them! KILL THEM ALL!

We fired waves of energy and elements and blasted and obliterated them.

Beelzemon: Ha! I think I've killed 10 already!

Me: KAAAA MEEEE HAAAA MEEE HAAAAAAAAAAA!

I fired a massive Kamehameha Blast and obliterated billions in an instant!

Lola: Feel the heat!

She fired a wave of fire and blasted them all over!

I fired a massive blast of fire and burned them!

Qin fired waves of fire and energy and blasted them into ashes!

Nico: TAKE THAT!

Our scores were piling up!

Crocker and Burns were watching and they were infuriated!

It was awesome

But then the score reached its maximum and then the game broke and we won!

Nico: YEAH!

WINNERS! TEAM LOUD PHOENIX STORM!

The game vanished!

Crocker and Burns were SCREAMING IN BALLISTIC RAGE! They had completely underestimated our power to the utmost extreme.

Bonz: I summon Pumpking of Ghosts!

He summoned his signature monster and it obliterated numerous Zombie Bugsters and Nicole was curing them too.

William: (hears where Crocker and Burns are screaming) You guys handle things here. I'm gonna find where Crocker and Burns are hiding out.

Nico: By yourself?!

Maria: He won't be by himself. Because I'll be going with them.

Nico: I'm going with you two.

Luan: No, J.D. You're needed more here helping to cure the Zombie Bugsters.

Luna: Besides, it's just Crocker and Burns. How difficult can leaving a mark on them be?

With that, William and Maria went to where they heard the screams of rage

Me: I make shadow clones too.

I did so and it went with William and Maria.

I cured the Zombie Bugsters and Nicole and me did good doing so.

William, Maria and my clone found them in an abandoned warehouse and it was by Tokyo Bay.

Burns: Ah. William Dunbar. And you brought your girlfriend.

Maria: Let's just say we're both mutually sick of what you've been doing.

William: You sure you two should be out and about like this? You're wanted men, y'know, You're bold, I'll give you that.

Crocker: Seeing as you both decided to confront us personally, we're going to give you a first look on our ultimate form!

With that, they both merged into Another CycloneJokerXtreme.

Crocker and Burns: We are… Another CycloneJokerXtreme!

William: Well, fuck.

Me: Oh boy.

Maria: Lets get back to the team and tell them!

William Dunbar: Right!

We did so.

The rest of us suddenly saw what looked like Hakaizer along with Sonoshi, Sonoroku, and Sonogo in their armored forms.

Kaito: Hakaizer?! But how?! Dad's no longer under the Tojitendo control!

Sonoi: And I checked this morning. Sonoshi, Sonogo, and Sonoroku are still in the Noto Prison.

Nico: It looks like these were the NPCs Crocker and Burns were talking about.

Me: The real versions of these will make great members of the M.O.E. Lets see how they like this!

I fired energy waves and blasted all of them and destroyed them!

Qin: YEAH!

My clone came back.

Me: What's going on?

My clone: We found them.

My clone managed to find your way back to us. But Maria and William tried fighting Another CycloneJokerXtreme. The result? They were both defeated and knocked to the ground.

Another CycloneJokerXtreme: Now, no one can stop us. (starts to walk away)

William: (groans) Burns, I get. But you seriously spent all that time helping Timmy against the Darkness. And you don't feel a single bit of empathy? You don't feel how precious life is? You don't feel sympathy for those who have suffered?

Crocker: We don't want the Earth to burn completely. We're giving you all a second chance to save all those who are dead, aren't we?

Burns: It's up to the players themselves whether they get a happy end or a bad end. That's what a game is about!

Maria: That's not a game. It's your own sick and twisted egos!

Maria then heard William laughing.

William: "Game"? Fuck you. Yeah, sure, the people murder can be brought back. But that's not how it is for people like Aelita's dad. It doesn't matter what grand things your godly talents can do. You can never… You can never bring them back!

Maria: (shocked) William…

Jorgen Von Strangle then appeared in an atomic poof.

Jorgen Von Strangle: (Arnold Schwarzenegger Accent) Enough!

Crocker: Ah, Jorgen Von Strangle. It seems you have come to play this game too.

Jorgen: This is not a game. I made the mistake of making you into the person you are now. And I intend to correct it!

He used his wand to freeze Another CycloneJokerXtreme in place.

Jorgen: And now to end this! I am going to erase your memories so you will never hurt anyone else again!

Jorgen got close to try and use his wand to erase Crocker and Burns' memories when suddenly, Another CycloneJokerXtreme slashed Jorgen in the shoulder.

Jorgen: ARGH!

Burns: It seems we're even immune to your fairy power.

Despite this, Jorgen was still in one piece.

Jorgen: (sarcastically) Congratulations. You managed to hurt me only a tiny bit. But your reckoning will come. Count on it!

With that, Jorgen poofed himself, William and Maria back to us.

They came back to us.

We went back to the restaurant.

Proto Boy: Scanning for any who have been brought back as a result of Another W destruction.

Me: Okay.

Proto Boy: Scan complete.

EVERYONE that was killed by the evil people we faced over the years was killed!

Including Lieutenant Kalloway and many more!

Blizzard: Burns and Crocker weren't kidding!

Me: No they weren't. All the people we know and lost were brought back!

Nico: YEAH!

Lola: No kidding!

Burner Man: You okay, Jorgen?

Jorgen: (chuckles) I'm okay, Burner Man. You should know by now that it'll take more then a scratch to take me down.

Me: For the toughest fairy in the universe, a scratch like that is just a mere mosquito bite.

Xenia: No kidding.

Lola: That is awesome.

Laney: Oh yeah!

Comic Book Guy: Maybe we should have the usual battles now.

Sonoza: J.D., is it okay if I fight you while those happen? I didn't get a chance to before.

Me: Sure.

I unsheathed my sword.

Me: Lets do it.

Maria called it in.

Then Duskmon, Grumblemon, Ranamon, Arbormon, Mercurymon, Lythos, Stratos, Hydros, Pyros and Thundermon came.

Nico: Duskmon, Grumblemon, Ranamon, Arbormon, Mercurymon, Lythos, Stratos, Hydros, Pyros and Thundermon.

Thundermon: Boy some battle huh!?

Qin: You're telling me.

Duskmon: We managed to wipe out a few Another W clones.

Grumblemon: There are probably only a half of them left by now.

Ranamon: Thanks to you guys.

Arbormon: (to Nico) We heard you went to the Arctic.

Nico: We sure did. For a treasure hunt.

Mercurymon: Did you really get a treasure there?

Nico: Yep. We sure did.

?: That was an awesome hunt and battle.

A figure came out and it was KASHIWA MOCHI WORLD from Episode 9 Zenkaigers!

---

At night, Kashiwa Mochi World began his scheme of making everyone to be addicted to these delicious Kashiwa mochi. Gaon, Magine and Flint has fallen under the influence to Kashiwa Mochi World's ability due to them eatting the treats and now they wanted more mochi. Kashiwa Mochi World drove off the 2 Zenkaigers by tempting a crowd of people under his control with kashiwa mochi but he was soon confronted by Zenkaizer and Twokaizer, who also heard about the World. The 2 Sentai and the World fought a 3 way battle with Twokaizer and Zenkaizer trying to be the one to defeat the World, while the World tried to fight them both.

With that, the battle commences of whoever defeats the Kashiwa Mochi World. During the duel, Twokaizer used the TwokaiRicky Sentai Gear and accessed to his Ohren Form and sent Kashiwa Mochi World towards a park and then used the TwokaiCutanner Sentai Gear to access to his Shinken Form as he began slicing Kashiwa Mochi World. However, Kashiwa Mochi World used his Kashiwa Shields and sends Twokaizer further from him, but

Zenkaizer as he was holding onto Kashiwa Mochi World's leafy hat until he accidentally tossed him with the hat away, thus rendering his arsenal useless. After that, the Kashiwa Mochi World was then destroyed by the Twokaiser: Shinken Strike technique, thus breaking the spell.

---

Kaito: Kashiwa Mochi World!

Kashiwa Mochi World: Been a whiile rangers.

Me: I remember you! You were trying to make the world addicted to Kashiwa Mochi!

Nico: That was a crazy and tasty one.

Qin: Yep.

Taro: I think I remember you.

Kashiwa Mochi World: You should. I fought you with Kikaiki before.

Haruka: I'm really starting to crave Kashiwa Mochi now!

## Kari Kamiya, Fire, Spirit Elephant Ranger, Spirit Shark Ranger, Spirit Bat Ranger, Camille, Angewomon, Darkwing Duck, Fluttershy, Tornado Bolt, Seabreeze, Life Skylanders, Tarantulas and Waspinator VS Arbormon, Bushroot, Elestomp, Shark Brothers, Batarax, and Dr. Mingo - Meeting the Embodiment of The Franken Race

---

Arbormon was next.

Arbormon: (to Kari) I heard you guys met the Embodiment of The Franken Race. What's her name?

Kari: Her name is Marianne Shelley and she is the direct descendent of the great Mary Shelley who made Frankenstein.

Fire: (Spanish Accent) She is a really amazing and formidable force to be reckoned with too.

Spirit Elephant Ranger: Yeah she sure is and she is a strong and powerful force.

Spirit Shark Ranger: You got that right and she knows how to really kick some butt.

Spirit Bat Ranger: And her story is amazing too.

Camille: Boy it sure is and she really socked it to the Mean Loud Girls.

Darkwing Duck: It was like something out of a vampire horror movie.

Angewomon: It sure was.

---

Nico: Yep. So, Marianne, what's the story on why you hate Lisa with a burning passion?

Marianne Shelly: Now, that's something I haven't forgotten, and she also conspired with Lori, Lynn, Lola, and Luan in her plot, and their latest attempt to kill Lincoln showed them the more dangerously angry side of him.

Marianne Shelly pulled up a video and it played on the screen, and it shows Lincoln and Marianne, along with his other Guardian Angels in their personal gym that Lincoln and his Guardian Angels had built and go to, and they were working out in their gym and Lincoln was 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever and they were really working up a sweat. Then, they got a shower and were heading home, but then, they were suddenly ambushed by Lisa, along with Lori, Lynn, Lola, and Luan, who showed up and started attacking them with knives and scalpels, each of them had horrible slash wounds on their arms and stomachs and blood was being spilled like crazy, while Lori, Lynn, Lola, Lisa, and Luan were laughing like demons from Hell high on a thrill kill.

Past Lori: THIS IS THE PRICE YOU PAY FOR DEFYING US AND FOR EVEN LIVING, TWERP! (CACKLING INSANELY)

Past Lisa: AND THIS IS FOR HELPING THAT PATHETIC TEST SUBJECT, LOWER LIFE FORMS! (LAUGHING INSANELY)

We gasped.

Nico: (GROWLS) LORI, WHY, YOU LITTLE… !

Me: Easy, Nico, easy. Here's where it gets good.

Just then, Varie and I arrived and we saw what Lori, Lynn, Lola, Lisa, and Luan did, and while Varie and I were helping everyone and bandaging their wounds, this angered the five mean sisters and they were about to stab us as well, but then, we saw Lincoln still alive, but he was now really angry and pissed off now!

Past Lincoln: LORI, LYNN, LOLA, LISA, LUAN!

This angered the five mean Loud Sisters who turned to see Lincoln still alive, and when he looked up to glare at them, his eyes turned blood red with slit pupils, and that freaked out Lori, Lynn, Lola, Lisa, and Luan, then, we saw their hearts beating fast and blood was rushing through their veins, and to Lincoln, he was now out for blood.

Lincoln: (LION GROWL)

Past Me: Now, you five have done it, I hope Lincoln rips you to pieces for what you did.

Lori, Lynn, Lola, Lisa, and Luan were quaking with fear, and then,…!

Past Lori, Lynn, Lola, Lisa, and Luan: (BLOODCURDLING SCREAMS)

Lori, Lynn, Lola, Lisa, and Luan let out bloodcurdling screams and ran like headless chickens for their lives, but Lincoln followed behind them with his superhuman speed and roaring like a lion and filled with a hunger for blood and revenge. The scene then transitioned to Lori, Lynn, Lola, Lisa, and Luan running for downtown Gotham Royal York with a now really enraged Lincoln chasing them and still roaring like a lion and almost pounced on them if they didn't dodge in time. Then, Lori, Lynn, Lola, Lisa, and Luan ran off to hide in a nearby alley, but Lincoln kept following them because during the attack, Lynn cut herself with her knife, along with Lori, and they were leaving drops of blood behind.

Lincoln knelt down on all fours and his face was near the blood that was spilled.

Lincoln: (Sniffs) I know you and your cohorts are here, Lisa!

Lori, Lynn, Lola, Lisa, and Luan were trying their hardest not to scream, but then, they saw a really tall, imposing, and extremely muscular thug walking and he was unaware of Lincoln in his path nor the bloodhungry beast that awakened inside him.

Muscular Thug: Hey, what do you think you're doing here, freak?!

Then, Lincoln turned his head facing the thug and his fangs were now longer and his eyes were blood red with slit pupils.

Past Lincoln: (HISSES)

That frightened the thug and he was about to run away, but then, Lincoln leapt up with superhuman agility and pounced on the thug and pinned him to the ground with superhuman strength. The thug tried to fight back, but as soon as Lincoln had his mouth opened up, it was too late as Lincoln then reeled his head back and lunged forward and sank his fangs into the thug's neck.

Muscular Thug: (SCREAMS)

Lori, Lynn, Lola, Lisa, and Luan peeked out to see what happened: Lincoln sank his fangs into the thug's neck and he was draining him dry of blood, but that wasn't the end, they also saw that the thug's muscle mass was also being sucked out of him, and when Lincoln was done, the muscular thug was now a desiccated corpse drained of blood and muscle.

Past Lincoln: (Growls) That's much better.

Lincoln's wounds suddenly healed and he'd gotten another increase in muscle, power, and energy, and he stood up. Lori, Lynn, Lola, Lisa, and Luan ran out of the alley, but Lincoln already spotted the cowards running for their lives, they almost got away, that was until Varie and I showed up, along with Marianne Shelly and the other Guardian Angels, and we were really pissed off at their stunt now.

Past Lori, Lynn, Lola, Lisa, and Luan: (SCREAMS)

Lori, Lynn, Lola, Lisa, and Luan backed away slowly as Varie and I along with Marianne Shelly and all of Lincoln's Guardian Angels walked towards them, but then, the five mean Loud Sisters backed towards the dead thug Lincoln had drained dry.

Past Lola: We're so doomed!

Suddenly, the thug's eyes opened up, but they were now blood red, and he rose from the ground, and it frightened Lori, Lynn, Lola, Lisa, and Luan.

Nico: Whoa!

Carly Atlas: Lincoln did say that his Guardian Angels didn't get turned into vampires because of the love he had for them, but for the thugs and criminals that he hates.

Me: Yep, if they get bitten by him, they get turned into vampires.

Past Lynn: WHAT THE?! HOW ON… !?

Past Ravenna Amaranth: Lincoln fed on him and drained him dry of his blood and muscle mass, and I knew that thug looked familiar, that's notorious drug dealer Ricky Accardo, he's a drug dealer with a local Michigan gang that the police had been after.

Past Me: And Lincoln sucked him dry of his blood and muscle mass, which means Lincoln can't be that far away.

Then, the vampire Ricky Accardo ran at Lori, Lynn, Lola, Lisa, and Luan to kill them, only to be met by a greatsword to the chest and he exploded into dust, and we saw who it was that did it: Lincoln with his massive white angel wings spread out, but his dark blue jeans were torn slightly and his shirt was really shredded due to the sudden muscle mass increase and covered in blood due to Lori, Lynn, Lola, Lisa, and Luan's attack. Then, he grabbed his tattered and bloodstained shirt and ripped it off him, then, he knocked out Lori, Lynn, Lola, Lisa, and Luan with a sudden roundhouse kick and fired red energy beams from his massive white angel wings and tied them up in energy ropes.

Past Lincoln: That'll hold them until we get back, and is everyone

okay?

Past Varie: Yeah, I healed everyone and bandaged them up.

Past Me: Then, we came to get you and get after Lori, Lynn, Lola, Lisa, and Luan.

Past Marianne Shelly: Lisa planned this whole thing, now she's really earned my hatred forever.

Past Ravenna Amaranth: Along with ours.

Past Me: Come on, let's take Lori, Lynn, Lola, Lisa, and Luan home.

Past Lincoln: They're in so much trouble when we get home.

We grabbed Lori, Lynn, Lola, Lisa, and Luan, and then, we went back home as the video ended. But, everyone was still shocked and stunned by what happened.

Nico: Damn, I can't believe Lisa planned that attack, and Lori, Lynn, Lola, and Luan were also in on this as well.

Me: We were all pissed off big time upon finding out about it, and when Luna heard it, she was that pissed off she wanted their heads, but Lincoln restrained her.

Luna: Hey, I may be strong due to doing some heavy lifting with my equipment, but with what my little bro's been doing, I didn't stand a chance.

Rita: Luna wasn't kidding about that, and thanks to what we heard, Lori, Lynn, Lola, Lisa, and Luan got grounded for seventeen weeks and instead of throwing them in metal containers or cages, we'd sent them to Aunt Ruth's, not only as punishment for what they did, but to keep Leni, Luna, Laney, Lucy, Lana, and Lily from trying to kill them.

Lynn Sr.: It took Lincoln, J.D., and Varie to hold them off.

Nico: Yikes, they were really out for their heads after what happened to Lincoln and his Guardian Angels, and man, what Lincoln did in chasing them all over the place and what he did to Ricky Accardo, that was like something out of a vampire movie.

Me: That just goes to show you: if any asshole so much as gets Lincoln angry by trying to kill him, his Guardian Angels, his harem, his family and friends, and children, you better pray for death because he will kill said asshole.

FLASHBACK ENDS

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion went off and they were ready!

Megaforce Rangers: LEGENDARY RANGER MODE! LEGACY FORCE!

The Megaforce Rangers turned into the Zenkaigers too!

Zero One Riders: HENSHIN!

They transformed too!

Me: YEAH! Lets get him!

Kaito: ZENKAI CANNON!

They charged it up.

Me: FIRE!

We fired waves of energy and elements and the blasts all hit him and he exploded!

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOO

I caught the world gear he had.

Me: Oh yeah! Kashiwa Machi World you have failed this dimension!

Troy Burrows: Rangers that's a Super Mega Win.

When the battles were done we cheered.

Lola: That was so awesome!

Taro: Boy those are really fun and awesome battles!

Nico: They sure are!

Varie: Yep.

Mai (Avatar): Now, let's go after Crocker and Burns. And I mean ALL of us.

Nico: I was just about to say that.

Rich Texan: I should've just put a bullet in Burns when I first met him!

Nico: You can still get that chance.

Me: Yep.

Nico: Come on guys! (EYES GLOW RED) IT'S TIME TO END THE TERROR OF BURNS AND CROCKER ONCE AND FOR ALL!

Me: (EYES GLOW RED) NO MORE BURNS AND CROCKER! NO MORE LIVES WILL BE CONSUMED AND BRAINWASHED BY YOUR HATRED!

We were off to the warehouse.

We arrived.

Nico: This it?

William: Yep.

We went up to it and we saw SONONA AND SONOYA!

Sonoi: Sonona and Sonoya!

Sonoya: Sonoi. So nice to see you again.

Sonoi: The feeling isn't mutual.

Lyra: You guys can't seriously be supporting this so called game too!

Sonona: Why not? It has great benefits, after all.

A certain Rider Alter Ring's revving was then heard.

Me: I know that rider ring!

Shouichi came!

Me: Shouichi! Awesome!

Shouichi: I got these guys! You get Burns and Crocker!

Kadma: Let me help you guys!

Shouichi: Okay!

We went into the warehouse.

Django came.

Nico: Thanks for coming, Django.

Django: (Spanish Accent) No problem Nico. This will be fun.

We hid and saw them.

Crocker and Burns were looking out into the distance,

Burns: What's wrong, humanity? Show us you can clear our game.

Crocker: ARE TEAM LOUD PHOENIX STORM TRULY THE ONLY ONES WORTHY OF RECEIVING OUR BLESSING?!

Burns: A game no one can clear… a game much too far ahead of its time… it seems like that's what we've ended up with.

Crocker: If we truly are guilty of something, it must be being born in the wrong generation.

That's when Django, Maria, and William appeared.

William: You'd be wrong there. You two misused your own talents yourselves,

Maria: He's right. You two can do all these incredible things but you chose to use them to make people suffer.

Crocker: Oh, so there is someone playing this game!

Burns: Welcome, you three!

Django: You're getting way in over your head, we'll put an end to this game. Your Universe 666 counterparts can stay. But as long as you two are still alive, humanity will still be under threat.

William: That's right and you will pay for everything you did.

Crocker: We're just giving the people what they want!

Maria: Well it will end with your deaths!

Then the spirits of the rangers appeared and they swirled around them and then converged and then…

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted out above them and then a phoenix cry was heard and then we came out.

Me: Hello Burns and Crocker you Jerkasses! We meet again. For the Last time!

Nico: Tell me. What did we ever do to you that you would hate us so much?

Burns: You ruined our lives and our plans. That's what!

Me: Good! You fucking deserved it!

Nico: If we did anything to hurt you guys years before the team was formed, we're sorry.

Crocker: Is that what this is all about, making amends for ruining our lives? Well, it's too late.

Nico: No, it doesn't have to be. You can still have better lives, Don't you see? All we do is cause each other pain. But tonight, you two can change all that if you just walk away after you call off the Another W army.

Burns: Oh please. We still win in the end!

Nico: You two win one battle, not the war between us. Neither of us could do that. But if you both don't walk away tonight, you will lose everything.

Lincoln: Take the fucking deal. He's being generous then we're feeling towards you two right now!

Burns: (laughing) Keep your genorosities. Don't you know who we are? We've always been the heroes. You're the villains, Team Loud Phoenix Storm.

Crocker: You're the ones who ruined our entire lives and dragged us into hell. And that's why you all will die by our hand!

Me: Come and try it Crocker-Fucker!

Crocker: Cyclobots! Anonis! Attack!

An army of Cyclobots and Anonis appeared.

Me: Now we're talking!

Xenia: Yeah!

I fired waves of energy and elements and blasted them apart.

Nico: Come on you two you can do better than that!

Then the footsoldiers jumped the Donbrothers!

The Donbrothers lay defeated at the hands of the Cyclobots and Anonis.

Burns: We don't even need our ultimate form for this.

Crocker: But just in case…

They both merged into Another CycloneJokerXtreme again.

Eddy: (fires at Cyclobot) Anyone got a plan?!

Lyra got an idea

Rice: Everyone in the audience! Lend the Donbrothers your strength! They get stronger with your support! When I give the signal, share your energy with Donbrothers! Okay? Ready… go!

Everyone in the audience began sharing their energy with the Donbrothers. And soon, Taro found the strength to get up.

Taro: You two were the ones who started this game. And now, we're going to end it!

Taro grabbed a Cyclobot and threw it at an Anoni, knocking them both down.

Taro: Thank you for the help, everyone.

Shinichi: I like that we have so many fans.

Tsubasa: Even cheering for a former fugitive like me.

Haruka: You know what? Maybe I won't go back to a normal life after all.

Tsuyoshi: I hope Natsumi is watching.

Jiro: Enough talking, guys. Let's make this a festival to remember!

Me: Lets!

Lyra: Let me transform with you guys!

Wes: You got it, Lyra.

Time Force Rangers: Time for Time Force!

Eric: Quantum Power!

With that, Woz places his belt on his waist, generating the strap, and activating it, showing a blank smartwatch looking head while materializing a neon green strap as it does.

Beyondriver: Beyondriver!

As the Beyondriver activates, Woz pushes down on a button on top of the block, causing it to activate, illuminating the face on the front

Woz Miridewatch: Woz!

Woz: Henshin!

With that, Woz places the Woz Miridewatch on his belt, then presses the button again, causing the front face to split open, revealing the same image underneath on a narrow strip

Woz Miridewatch: Action!

As the Miridewatch activates, green energy forms around Woz into a smartwatch face and various green lines, and as he slams the lever of the Beyondriver into itself, the image on the Miridewatch projects onto the black face on the Beyondriver screen.

Beyondriver: Touei! Future Time! Sugoi! Jidai! Mirai! Kamen Rider Woz! Woz!

With their transformation sequences activated, Woz is encased in silver armor as black and green decorum looking like a watch strap and two smartwatch faces adorn his torso and shoulders respectively, finished off with blue symbols forming the face.

Tsukuyomi places her Driver on her waist, causing a black belt to form

Ziku Driver: Ziku Driver!

With the Ziku Driver in place, Tsukuyomi rotates the face of the Ridewatch, revealing a glossy looking Rider face, with some sort of characters acting as the visor, before activating it

Tsukuyomi Ridewatch: Tsukuyomi!

With the Tsukuyomi Ridewatch active, Tsukuyomi places it on the stage left side of the Ziku Driver before pressing a large button on top of the Driver itself as a golden clock-astrolabe hybrid forms behind her.

Tsukuyomi: HENSHIN!

Her battle cry known, Tsukuyomi grabs the Ziku Driver by her Ridewatch and spins the front of it 360 degrees. As the rotation stops, the astrolabe disintegrates as the Ziku Driver speaks again

Ziku Driver: Rider Time! Kamen! Rider! Tsukuyomi! Tsu-ku-yo-mi!

As this battle cry is made, the astrolabe forms into a black undersuit covered by white and gold dress-like armor, a white shoulder-covering cape, and a crescent moon visor with characters across it, much like on Woz's suit, but with two clock hands as well, set for 2:00 of all times.

Geiz presses the button on the top of his Ridewatch, activating it

Geiz Ridewatch: Geiz!

Ridewatch activated, Geiz slides the timepiece onto the right side of his Ziku Driver, much like Tsukuyomi before him. But instead of an astrolabe construct, the clock construct forming behind Geiz as he presses the button atop his Ziku Driver resembles a digital clock

Geiz: Henshin!

With the familiar battle cry made, Geiz grabs the front of his Ziku Driver and spins it 360 degrees, causing the clock construct behind him to explode into yellow text and a mixture of red, yellow and silver watch bands, that eventually consolidate into Geiz's familiar red armor with yellow visor.

Ziku Driver (Geiz): Kamen Rider! Geiz!

Zi-O Ridewatch: Zi-O!

Sougo: Henshin!

The famous battle cry known, Sougo inserts the left track of the Ziku Driver, presses the button on the top of the unit, and spins the front around, all the while an intricate clock face forms behind him.

Ziku Driver (Sougo): Rider Time! Kamen Rider! Zi-O!

As the Ziku Driver makes it's announcement, the clock face formed behind Sougo forms into a silver and black armor with pink accents, followed by the famous pink text visor settling into place.

Sonoi: Absolute Integrity and Perfection Personified! SONOI! ソノイ

Sononi: A beautiful Rose has its thorns… Looking to know love! SONONI! ソノニ

Sonoza: When my interest is caught, nothing gets in the way! SONOZA! ソノザ

Taro: Born from a Peach! DON MOMOTARO! ドンモモタロウ

(FIREWORKS GO OFF)

Taro: HAHAHAHAHA! Avataro Sentai!

All: Donbrothers!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion went off behind them and they were ready for action!

Sougo: I've got a feeling this will work out!

Troy: We all have that feeling, Sougo!

Tsukasa: Now, let's make it happen!

Kamen Ride: Don Momotaro!

Kamen Ride: Saru Brother!

Kamen Ride: Oni Sister!

Kamen Ride: Inu Brother!

Kamen Ride: Kiji Brother!

Kamen Ride: Don Torabolt!

Kamen Ride: Don Doragoku!

Tsukasa turned into Don Momotaro and Daiki summoned clones of the Donbrothers.

Megaforce Rangers: LEGENDARY RANGER MODE! PEACH MOUNTAIN SHOGUNS!

They turned into the Donbrothers too!

Maria: (TURNS DIAL) NATURE FURY LEGEND SIX!

She summoned Ssserpent, Madame Snake, Mongolian Death Worm, RTN Pain, Dirt Boss Animated and Supergator including ALL of the Members of the M.O.E.!

Vypra: I will never forgive these guys!

Ssserpent: Me neither!

Nico: Yeah!

Lyra Heartstrings: Alright, that is it, I've had it up to hear with you and Burns to last an eternity, Crocker!

Suddenly, Lyra Heartstrings' brilliant gamboge eyes turned neon brilliant gamboge and she was surrounded by a mint green energy aura with Alicorns, stars, lyres, and magic, she unholstered her massive Lyra Heartstrings' Musical Friendship Greatsword of Magical Love from her back, and as she approached Crocker and Burns, she left mint green energy, stars, lyres, music, magic, and Alicorns with every step.

Lyra Heartstrings: You two good-for-nothing bitter old loons make me absolutely sick to no fucking end. Crocker, you have and always will be a miserable, crazy, fairy-obsessed loon, and you know what, you don't deserve to be alive ever again!

Good Crocker: And you know what, your mother doesn't want to hear anything about you ever again!

Crocker: I'LL DESTROY EVERY LAST ONE OF YOU! YOU MAKE ME COMPLETELY CRAZY!

Timmy Turner: OH, SHUT UP!

Timmy fired a blast of pink energy from his Mage's Staff and it hit and charbroiled Crocker, and it so made that fucked-up loon even more angry and insane than ever, but Lyra Heartstrings wasn't done!

Lyra Heartstrings: And you, Burns, you will always be nothing more than a traitor to the entire world always driven by your own selfish desires and greed, and you enjoyed making the lives of everyone around you miserable and always causing nothing but trouble for your own benefit, and I'll make sure you suffer even more!

Good Burns: I believe I know how to do just that! RELEASE THE HOUNDS!

Good Burns released his hounds on his evil counterpart and they viciously mauled him, and they came back, and this made Burns even madder than ever!

Lyra Heartstrings: And don't even think Sonona and Sonoya are going to help you, they're getting the stuffing beaten out of them, and with that aside, I cannot allow you two to live any longer. Denzel Quincy Crocker, Charles Montgomery Burns, I cannot allow your crimes to go unpunished for too long, you've hurt too many innocent people for too many years, as The Alicorn Princess of Love, I hereby sentence you two to death!

Suddenly, Lyra Heartstrings was surrounded by a massive vortex of mint green energy with stars, lyres, and magic surrounding the vortex, there's an Alicorn flying around the vortex, and in the vortex is a brilliant gamboge-colored phoenix with red eyes glaring at Crocker and Burns: the red eyes of death. Then, as the vortex faded, Lyra Heartstrings emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Lyra Heartstrings grew from from 6'11" to 7'4" in height, she has white highlights in the bangs of her long flowing mint green hair, she has neon brilliant gamboge eyes and a mint green energy aura with stars, lyres, magic, and Alicorns surrounding her, she has an Alicorn with a star and lyre emblazoned on her forehead, she has on Alicorn earrings with mint green gems for eyes and the Love and Eternity

Suddenly, Lyra Heartstrings felt a sharp pain on her back, and then, her massive mint green angel wings with white tips on the mint green feathers and long mint green tail with white streaks grew much bigger for her new body. Lyra Heartstrings has on her Ring of the Phoenix with large mint green gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger, and she has her cutie mark on her right shoulder and Stone of Gelel embedded in her left hand.

Suddenly, Lyra Heartstrings' massive Lyra Heartstrings' Musical Friendship Greatsword of Magical Love and all the greatswords and swords she'd gotten began merging together, and they were surrounded by a kaleidoscope of mint green energy, stars, lyres, magic, and Alicorns, and when it emerged, it was transformed into Trixie Lulamoon's Alicorn Magical Musical Friendship Greatsword of Musical Love and Musical Harmony, it's a brand-new large greatsword with embedded mint green gems and her cutie mark and stars etched on the 7'0" massive, wide, double-edged gold blade, large gold alicorn heads for the crossguard, large mint green gem embedded in the rainguard, longer black handle, four large gold alicorn heads with mint green gems for eyes and a large mint green gem on the bottom of the alicorn heads for the pommel, she has on her large gold cuff Bracelets of The Champions of The Universe with mint green gems on her wrists, her Belt of Elemental Bravery with an Alicorn for the belt buckle with gamboge gems for the eyes and a large mint green gem in its collar for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian

We were amazed by Lyra Heartstrings' Super Angel-Alicorn-Harmony Celestial Eternal Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when Crocker and Burns saw it, those two bitter old vultures fell into homicidal rages and ran at her to kill her, but Lyra Heartstrings fired a powerful barrage of mint green energy blasts with stars, music notes, lyres, magic, and Alicorns, and the barrage hits Crocker and Burns and sent them flying into a wall, but they're not out yet, and now, they're even more pissed off than ever.

Taro: Whoa, so that…?!

Lyra Heartstrings: (Divine Echoing Cosmic Voice of The Divine Cosmic Starstorm Magic Lyre Musical Love Alicorn and Divine Cosmic Starstorm Magic Lyre Musical Alicorn Love) This is only my Phase 1 transformation, Taro, my Phase 2 transformation's coming up soon, and it's against a dangerous evil vampire.

Lincoln told Taro and his team the villain we're going to face after we get rid of Crocker and Burns is Dracula from Honkai Impact 3rd, and the female version of the vampire we'd dealt with on multiple occasions is just as dangerous, but she's more focused on taking over Europe and ruling it forever.

Taro: So, there's a difference between the Dracula from Honkai Impact 3rd.

Lincoln: And the one we knew from years ago, that's right, Taro. But, they're both very dangerous vampires, and trust me, you'll get to see how I'm going to kill her after Lyra and I get through with her.

Nico: Trust me on this, Taro, you're going to see Lincoln in full action when that vampire shows up.

I then went SUPER ANGEL EBONWU UNITED FRIENDSHIP UNIVERSAL ETERNAL CELESTIAL XELNAGA COSMIC ELEMENTAL WOLF MOON PHOENIX!

Me: (Divine Echoing Godly Voice) **Denzel Crocker and Charles Montgomery Plantagenet Schicklgruber Burns, for years you have caused nothing but pain and suffering to everyone you came into contact with and all you have brought was nothing but death and destruction wherever you went and killed numerous people and you never gave a flying fuck about it not even once! (FORSAKEN BY WITHIN TEMPTATION PLAYS)

We went at them and I teleported and punched both Crocker and Burns in their faces and kicked them down and fired waves of energy and blasted them and Lyra and Taro slashed them all over!

Sougo: (gets out Sarawareteiru of the Fairy's Ridewatch) Let's get things started!

He activated it and fired laser blasts and blew the footsoldiers apart!

Crocker: You know we're right. Good and Evil have always fought each other But ever concsider that everything that's happened from 2017 has been J.D. and the Louds Kids' fault?

Burns: Their presence enrages ordinary people and makes them lose their minds. The only reason villains rise up again is because they always go after J.D. and the Loud Kids. And like germs, they spread. The presence of vigilantes like J.D. and you fools created the environment, allowing the germ to mutate, to become stronger. Look at Flip. Would he even have resorted to more criminals ways if not for J.D. and the Louds? Not to mention that if it weren't for Lincoln, the Legion of the Lincoln haters would still be ordinary girls.

Me: **SHUT YOUR FUCKING MOUTHS!**

They gasped!

Me: **Your lies hold no power over us!**

Taro: Don't you dare blame this on them! Things like this happen because corrupt people like you exploited everyone they could to line their own pockets or get into positions of power while everyone else suffers!

Jiro: You guys were causing problems first. That's why J.D. and the Louds created Team Loud Phoenix Storm. To defeat people like you!

Tsuyoshi: All you two do is step on anyone that gets in your way!

Tsubasa: You created that Another W army and unleashed them on innocents!

Haruka: You two are the villains here, not the heroes!

Shinichi: (Gets out Spongebob Victor's Ridewatch) And now, you two will pay!

Shinichi activated it and smashed and punched them all over and fired waves of energy and blasted them all over.

Donbrothers: Avatar Change!

Trip: (gets out Boneswitch's Ridewatch) Save some for me!

He activated it and blasted them all over.

Several Chimchar and Monferno attacked the Cyclobots and Anoni.

They fired waves of fire and blasted and incinerated them.

Albert Heinrich: (gets out Jasper Monster's Ridewatch) I knew they would come in handy!

He activated it and blasted and smashed them.

Infernape and Poromon fought back to back against the Cyclobots and Anoni.

They really tore them apart!

Orrin: (gets out VolCancer's Ridewatch) Looks like those two are finally getting along!

Poromon: Yeah we are!

Orrin activated it and slashed them!

Armor Time! Kyuukyoku kyokugen W! Xtre~me! Xtreme!

Sougo got WCycloneJokerXtremeArmor and knocked Another CycloneJokerXtreme to the ground with ease.

Burns: Impossible!

Crocker: This form was supposed to be powerful!

Sougo: But it's also weak to the Ridewatch of its' original version!

I fired waves of energy and blasted the two.

Violet: (gets out Mr. Snuff's Ridewatch) Well said, Sougo!

LOUD FARTS AND STENCH!

Violet activated it and farted in Burns and Crocker's faces!

Wes: Red Battle Warrior!

Eric: Mega Battle, Activate!

Sougo pulls out his fusion Ridewatch and activates it, causing panels with the other 19 Riders' faces on them to slide out of the sides.

Grand Zi-O Ridewatch: Grand Zi-O!

With the Grand Zi-O Ridewatch activated, Sougo slides it onto the left track on his Ziku Driver bas statues of all 20 main Riders in the field appear around him with some sort of clock-tower structure behind him, culminating in him pressing the button on the top of the unit and rotating the Ziku Driver 360 degrees.

Ziku Driver: (Sougo) Grand Time! Kuuga, Agito, Ryuki, Faiz, Blade! Hibiki, Kabuto, Den-O, Kiva, Decade! Double, OOO, Fourze! Wizard, Gaim, Drive! Ghost! Ex-Aid! Build! Iwae! Kamen Rider! Grand Zi-O!

With that, the Kamen Rider statues are encased in some sort of frame and start swirling around Sougo before ultimately attaching to him, turning his armor gold and generating shoulder pads to accommodate all of them, before the Zi-O statue settles on his helmet like a crown, putting gold lining around the pink text visor.

We fired waves of energy and blasted them all over!

Eric Meyers: Quantum Defender Blaster Mode!

Sougo: All 20 Time Break!

Sougo summons all of his 19 Heisei Rider predecessors, who all attack Another CycloneJokerXtreme with their respective Rider Kicks and their Rider symbols, creating a giant energy projection. Sougo then performs his own Rider Kick.

They fired their attacks and we fired our blasts and energy and the blasts all hit the 2 and then the entire warehouse exploded with incredible power!

EXTREMELY MASSIVE AND POWERFUL FIERY EXPLOSION!

They were knocked down!

I caught their ridewatch and purified it.

Me: It's over!

Burns: You fools! You've destroyed our Ultimate Form! (growls) But even if you defeat us, I'll never stop hating you!

Crocker: SAME WITH ME! I HATE YOU! I HATE YOU-

Nico: (cuts him off) I know. But you know what? The 20 Days of Darkness tortured us for months. Until we realized that it was replaced by an event far worse.

Burns: Is that supposed to make us cry?!

Crocker: The 20 Days of Darkness is still the worst days of your lives. We know it!

Nico: But they also helped us grow closer together. We have you two to thank for that. And we'll always be grateful.

Burns: OH, KEEP YOUR THANKS!

Crocker: WE WON'T STOP UNTIL EVERY LAST ONE OF YOU IS

DEAD

A giant robot appeared and Burns and Crocker hopped into it.

Me: Where the fuck did they get a robot like that!

Time Force Rangers: Time Force Megazord!

In the year 3000 the Time Force Megazords came!

Eric Meyers: Q Rex, arise!

The Q-Rex arrived!

They were ready!

Donbrothers: Lets help too guys!

They summoned their zords too!

Donbrothers: Don Onitaijin!

Jiro: Toradoragonjin!

Sougo: We're helping out too!

Sougo and the Daiki summoned their own zords and they formed into a new megazord called THE HEISEI ERA LEGACY MEGAZORD!

Nico: COOL!

Qin: Wow!

Sougo: Lets get them!

Wes: TIME STORM SLASH!

Eric: Q-REX BLAST!

Sougo: LEGACY MEGABLAST!

Wes then had the Megazord slash the robot and the 2 zords followed and blasted them.

Then the robot fell down and then it exploded!

EXTREMELY MASSIVE AND POWERFUL FIERY EXPLOSION!

It was destroyed!

Taro and Lyra were searching the wreckage of the robot for Crocker and Burns when they saw the two madmen laying on the ground weakly

Burns: I guess where you arrest us.

Lyra: You really think you're going to jail after everything you two caused?

Crocker: (laughs) Oh please! We unleashed our Another W army on Earth, turned the world against your friends, provoked oridinary civilians into turning into terrorists, turned many people into Zombie Bugsters, formed an alliance with Sonoya and Sonona and Hell, it isn't even breakfast! But so what? (to Taro) You always fight to turn people back to normal and you've hung around J.D. and the rest. In the end, we know you'll arrest us!

Taro: J.D. has told me so much about you two; you and your insane minds. The way you step on people in your way, the way you make people suffer just because you can, and how you twisted others' minds into believing everything you told them.

Burns: (laughs) You sound just like him! What are you, his biggest fan?!

Lyra: Every decision you two have every made ends with death in misery. People die, we'll stop you, only for you two to break out and do it all over again.

Crocker: Oh please. Just think of it as a running gag!

A Cyclobot and Anoni came behind them and fired at them. Lyra and Taro jumped out of the way but the shots ended up blasting Burns and Crocker through the chest.

They screamed.

Burns: Are you two happy now?!

Taro: Do you want to know something funny? Even after how you corrupted so many innocents interrorists, after how you made JD and the others' lives a living Hell, and after all that have suffered because of you two, I was still loyal to my own beliefs. Even after everything you two did, I still would've thrown you both in prison.

Crocker: (laughs) Okay. I have to admit. That actually is… pretty funny!

But then…

BANG!

Burns was shot in the head and his entire head was blasted into pieces! Courtesy of Rich Texan!

Rich Texan: You don't know how long I've wanted to do that!

And with that, Burns and Crocker died.

Crocker: NO! NO! HOW CAN WE BE BEATEN LIKE THIS AGAIN!?

Burns: YOU WILL ALL PAY FOR THIS! WE WILL RETURN AND YOU WILL ALL DIE

Nico: No, you two fuckers are done, and this time forever!

Lyra and Taro banished Crocker and Burns to The Black Gates forever, and we will never ever see those two ever again.

Lyra: We just sent their spirits to the Black Gates. Now what?

Taro: We bring their bodies to the others to be cremated.

Lincoln: Good riddance for good, we're two old goats from that apocalyptic Earth and this time for good!

Nico: You said it, Lincoln. Awesome job, gang, we're rid of Crocker and Burns forever.

Lincoln: Now, there's only one last thing to do, and one last loose end to tie up: Dracula.

?: I shall enjoy destroying all of you, Team Loud Phoenix Storm, and soon, all of Europe shall belong to me!

Lincoln: There's no mistaking it: the scent of a vampire in the air. You can come out now, Dracula.

A figure came out, and it was none other than Dracula from Honkai Impact 3, the legendary vampire and dangerous serial killer.

Me: So, that's the Honkai Impact version of Dracula.

Nico: She may look beautiful, but there's no mistaking the desire to rule over every living thing on the Earth and the desire for blood from anywhere.

Dracula (Honkai Impact): And now, I shall enjoy killing all of you along with drinking your blood and seeing you all writhe in agony! (LAUGHING MALEVOLENTLY)

Suddenly, Lyra Heartstrings' brilliant gamboge eyes turned neon brilliant gamboge and she was surrounded by a mint green energy aura with Alicorns, stars, lyres, and magic, she unholstered her massive Lyra Heartstrings' Alicorn Magical Musical Friendship Greatsword of Musical Love and Musical Harmony from her back, and as she approached Dracula, she left mint green energy, stars, lyres, music, magic, and Alicorns with every step.

Lyra Heartstrings: You really are just like the vampire that we'd fought against two times years ago, but back before you were human, you were a champion and the heroine of Wallachia, but suddenly, you fell into darkness and awake to find yourself covered in blood and the only one alive, that was the moment you'd become a vampire and reviled demoness. You eventually left your own people and to make things worse, you also met up with another notorious vampire, Elizabeth Bathory, and you became partners in crime and started a rampage of serial killing, murdering young and virgin girls and drinking their blood. Vlad Țepeș Dracula, the crimes you'd committed against humanity for over 500 years can never be forgiven, and as The Alicorn Princess of Love, I hereby sentence you to death and this time, stay dead!

Suddenly, Lyra Heartstrings was surrounded by a massive vortex of mint green energy with stars, lyres, and magic surrounding the vortex, there's an Alicorn flying around the vortex, and in the vortex is a brilliant gamboge-colored phoenix with red eyes glaring at Dracula: the red eyes of death. Then, as the vortex faded, Lyra Heartstrings emerged, but she was changed forever.

Lyra Heartstrings grew from 7'4" to 7'5" in height, she has white highlights in the bangs of her long flowing mint green hair, she has neon brilliant gamboge eyes and a mint green energy aura with stars, lyres, magic, and Alicorns surrounding her, she has an Alicorn with a star and lyre emblazoned on her forehead and Third Eye with brilliant gamboge iris, she has on Alicorn earrings with mint green gems for eyes and the Love and Eternity Kanjis in its horns, she also has an Alicorn with mint green gems for eyes and the Love and Eternity Kanjis in its horn for the second pendant on the bottom of her Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with mint green crystal links from her merged Crystal Necklace of the Buddha and mint green gems on the gold lightning bolts, and she also has on her new Elemental Thunderbird Choker Necklace of

Eternal Love, Lyra Heartstrings has on a short-sleeve pink blouse, green shorts, pink high-heeled knee-high boots, and long sleeveless white trenchcoat with lyres and magic on the coattails, and on the back is an Alicorn surrounded by stars and on top of its horn is a lyre. Suddenly, Lyra Heartstrings felt a sharp pain on her back, and then, her massive mint green angel wings with white tips on the mint green feathers and long mint green tail with white streaks grew much bigger for her new body. Lyra Heartstrings has on her Ring of the Phoenix with large mint green gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger, and she has her cutie mark on her right shoulder and Stone of Gelel embedded in her left hand.

Suddenly, Lyra Heartstrings' massive Lyra Heartstrings' Alicorn Magical Musical Friendship Greatsword of Musical Love and Musical Harmony and all the greatswords and swords she'd gotten began merging together, and they were surrounded by a kaleidoscope of mint green energy, stars, lyres, magic, and Alicorns, and when it emerged, it was transformed into Lyra Heartstrings' Alicorn Eternal Magical Musical Friendship Greatsword of Musical Eternal Love and Musical Harmony, it's a brand-new large greatsword with embedded mint green gems and her cutie mark and stars etched on the 7'4" massive, wide, double-edged gold blade, large gold alicorn heads for the crossguard, large mint green gem embedded in the rainguard, longer black handle, four large gold alicorn heads with mint green gems for eyes and a large mint green gem on the bottom of the alicorn heads for the pommel, she has on her large gold cuff Bracers of The Champions of The Universe with mint green gems on her wrists and Dragon Ball Bracelet on her left Bracer, her large gold Belt of Elemental Bravery with an Alicorn for the belt buckle with gamboge gems for the eyes and a large mint green gem in its collar for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip, Eater of Sins revolver holstered on her left hip, and mint green Crystal Saber holstered on her left hip. There's a mint green kanji below the alicorn that said, "Lyra Heartstrings, The Alicorn Princess of Love, Member of The Canterlot Five, Dear Friend of Bon Bon, Loving Future Wife of Lincoln Loud, Loving Sister of Taro and

The Donbrothers, Archenemy of Django of The Dead, Destroyer of Denzel Quincy Crocker and Charles Montgomery Burns, Destroyer and Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, Destroyer of The Doomsday Twenty-Three, Defender of Equestria, Ponyville, and Canterlot, Member of The Knights of The Friendship Table and The Redemption Squad, and Master of Music, Lyres, Magic, and Alicorns"

Lyra Heartstrings has transformed into SUPER ANGEL-ALICORN-HARMONY UNIVERAL ETERNAL CELESTIAL XELNAGA COSMIC STARSTORM MAGIC LYRE MUSICAL LOVE ALICORN ANGEL OF DIVINE COSMIC STARSTORM MAGIC LYRE MUSICAL LOVE ALICORN JUSTICE AND DIVINE COSMIC STARSTORM MAGIC LYRE MUSICAL LOVE ALICORN TRUE LOVE!

We were amazed by Lyra Heartstrings' Super Angel-Alicorn-Harmony Universal Eternal Celestial Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when Dracula saw it, the vampire laughed malevolent as she sent waves of blood stakes to impale her, but Lincoln impaled his massive greatsword into the ground and sucked up the waves of blood, and Lyra Heartstrings fired a powerful barrage of mint green energy blasts with stars, magic, music, lyres, and Alicorns at Dracula and it sent her flying into a wall back first, she got back up and unholstered her sword ready for battle.

Taro: Okay, so now that's her…?

Lyra Heartstrings: (Divine Echoing Cosmic Voice of The Divine Cosmic Starstorm Magic Lyre Musical Love Alicorn and Divine Cosmic Starstorm Magic Lyre Musical Alicorn Love) Yep, this is my Phase 2 transformation, Taro.

Nico: This is going to be so awesome.

Twilight Sparkle: The Alicorn Princess of Love VS. The Former Voivode of Wallachia, no doubt this will be a dangerous battle.

Lincoln: Not with me joining in, Twilight. Hang on, Lyra, let me give you a hand with this bloodsucking demon.

Lincoln unholstered his massive Lincoln Loud's Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Phoenix-Harmony Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Mythological Hope, and he joined Lyra Heartstrings.

Lincoln: (Divine Godly Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) (Speaking in Romanian) Crimele tale împotriva întregii umanități și a întregii Europe în urmă cu peste cinci sute nouăzeci și doi de ani nu pot fi niciodată iertate, Vlad Țepeș Dracula, iar acum, vom avea grijă să mori aici și acum, dar de data aceasta nu mai mori eroul și voievoid al Țării Românești, ci ca monstrul însetat de sânge care ai devenit!

Taro: What was…?!

Adrianna Ardelean Dracula: (Romanian Accent) That was Romanian, and I know exactly what he said to her, translated into

English, he said, "Your crimes against all of humanity and all of Europe over five-hundred ninety-two years ago can never be forgiven, Vlad Țepeș Dracula, and now, we shall see to it that you will die here and now, but this time, you will die no longer the hero and Voivoide of Wallachia, but as the bloodthirsty monster that you have become!"

Nico: He can also speak in Romanian as well?! Wow.

Lyra Heartstrings and Lincoln went after Dracula, who sent waves of blood at them, only for Lincoln to devour all the blood waves, and they fired extremely powerful blasts of rainbow energy, mint green energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Dracula and they exploded with incredible power as they hit her.

Then, they clashed with Dracula greatswords to broadswords as sparks flew, and then, they disarmed her and they attacked her with their massive greatswords leaving scars on her, and Lincoln left many more with his claws and he and Lyra Heartstrings attacked her with punches, kicks, and karate chops, but her wounds wound up getting healed thanks to her superhuman regeneration.

Eli: Oh, what?! She regenerated?!

Nico: One of her powers involves superhuman regeneration, but her superhuman regeneration factor is more powerful than a normal vampire's.

Dracula (Honkai Impact): (Laughing Malevolently) Yes, yes, excellent, I haven't had this much fun in centuries. Come, show me more!

Suddenly, Lincoln ran at Dracula and put her in a bearhug, so she couldn't escape.

Lincoln: (Divine Godly Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Too bad your fun's about to end, and you're not the only vampire here!

Suddenly, Dracula saw Lincoln's deep sapphire eyes turn blood red with slit pupils and she saw his fangs lengthened, and then, he reeled his head back and sank his fangs hard into her neck, and he began sucking out and draining her dry of blood, and he also began absorbing her into his body and he was also assimilating her powers and abilities. Then, as soon as Lincoln was done draining Dracula dry of blood and absorbing her and assimilating all her powers and abilities, an energy card with the vampire's soul imprisoned inside appeared in Lincoln's large left hand.

Dracula (Honkai Impact): So, you defeated me. It doesn't matter, one day, I will return and Europe will be mine!

Lincoln: (Divine Godly Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) No, Dracula, your reign ended over 500 years ago, and now, your immortal life is over.

Suddenly, The Judgement Kanji appears on Dracula's forehead as she was found guilty for the crimes she'd committed over 500 years ago and Dracula was sent to The Black Gates forever, and one of the most dangerous villains from the Honkai Impact universe is gone forever. We cheered wildly for what Lyra Heartstrings and Lincoln did as they holstered their weapons and powered down, and Lyra Heartstrings' new body, clothes, weapons, jewelry, longer mint green tail and horn, Third Eye, and massive mint green angel wings are permanent.

Lyra Heartstrings: Vlad Țepeș Dracula, your days of bloody carnage and destruction are finally over, now rot in The Black Gates for eternity. Thanks for helping me destroy Dracula for good, Linky.

Lincoln: (Smiles Warmly) You're welcome, Lyra.

Suddenly, Lyra Heartstrings wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Lyra Heartstrings' face, they kissed passionately as she moved her arms and placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, and Alicorn flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with lights shining down on them and lyres playing, and we cheered wildly. Then, Lincoln and Lyra Heartstrings absorbed the elemental forces and they came back to us as the display vanished.

Nico: Wow, now that was one awesome fight of Alicorn Princess of Love and True Immortal Angel of The Elemental Forces and The Cosmos against The Princess of The Vampires, Lincoln, Lyra, you two did an awesome job putting an end to Dracula, and Lincoln, that was one really awesome kill you did by sinking your fangs into Dracula's neck and draining her dry of blood and absorbing her into your body.

Lincoln: Thanks, Nico, and even though she was evil, her blood tasted really good.

Me: And before you ask, Taro, he's gotten used to it because he's an Alpha Vampire-Werewolf-Cyborg hybrid and he's been one for seven years, and he's a really powerful one.

Taro: How come you didn't show it when we first met?

Lincoln: And spoil the surprise, uh uh. But, now that the cat's out of the bag, we might as well tell the story.

Lori: The first time Lincoln got stabbed by Lynn, his Guardian Angel, Varya Pohzar, donated her blood to save his life, and then on two separate occasions, when Lincoln got stabbed by Lynn and was about to die, Adriana Ardelean Dracula gave him her blood to save his life and it turned him into a vampire, and then, when Lincoln got stabbed by all of us, Rudina Adalwulf saved him by giving him her blood, and it turned him into a werewolf, and he kicked our butts hard.

Taro: Jeez, so that's how… !

Lincoln: Yep.

Me: It was really horrible, but Lincoln became something much more thanks to Adriana and Rudina saving his life, and over time, he became a powerful Alpha Vampire-Werewolf-Cyborg Hybrid and he also has absorption techniques and many many powers in addition to getting his powers from Hinon.

Nico: And believe us, if any moronic thug, crime boss, or any other irredeemable scum makes him mad, they wind up becoming lunch. So, who's the next Demon Race Embodiment we're meeting on your rescue tomorrow, Lincoln?

Lincoln: Ooh, that's an easy one, Nico: the next one that we're meeting on my rescue tomorrow is Adriene Camazotz, Embodiment of The Kivat Race.

Nico: Whoa, an Embodiment of The Kivat Race, we're going to enjoy meeting this one.

Ravenna Amaranth: Oh, you're definitely going to enjoy meeting her alright. Adriene Camazotz is Lincoln's Guardian Angel from Michigan, and she was born with not only the dark powers and strengths of the vampires, but she was also born with the dark powers and strengths of The Kivat and none of their weaknesses. Adriene's known for defending Lincoln with a fierce passion not only from his enemies, but also from the heartlessness of Lori, Lynn, Lola, Lisa, and Luan, and she's also gotten along well with Leni, Luna, Laney, Lana, Lily, Lynn Sr., and Rita, and just like Lincoln and the other vampires, she feeds on blood bags from the blood bank, and she also knew of Lincoln being a powerful Alpha Vampire-Werewolf-Cyborg Hybrid, and she's also friends with Lucy and her friends in The Young Morticians' Club. She's also among the many members of The Michigan Supernatural Defense Force, a group of vampire hunters formed by Lincoln, the other Kamen Rider Kiva embodiments, and the embodiments of The Wolfen Race, Merman Race, Franken Race, Fangire Race, Kivat Race, Doran Race, Legendorga Race, Mermaid Race, Ghost Race, Gigant Race, Hobbit Race, and Goblin Race, and their job is to defend Michigan, Royal Woods, and Great Lakes City from the threat of evil vampires, evil werewolves, and other evil supernatural creatures of the night. They also teamed up with The Ghosthunters Club and other clubs for some of their more dangerous missions involving powerful vampire lords, werewolves, witches, warlocks, demons, and demon lords. Lincoln made Adriene a beautiful necklace with white pearls and a blood red gem for the pendant, and to show thanks, Adriene kissed Lincoln on the lips underneath the full moon as the wolves howled and the vampire bats flew to enjoy the darkness, and she hates Flip with a burning passion, and she absolutely loathes and despises King, the ruler of The Fangires, along with The Checkmate Four, along with The Legendorga with an absolutely intense and burning hatred for what they've done, and that absolutely intense and burning hatred is so powerful that all Fangires and even The Legendorga were absolutely afraid of Marianne Shelly, even Takato Shiramine and Takashi Sugimura, leader of The Legendorga, fear the Embodiment of The Kiva Race, and she's also the daughter of Camazotz.

We gasped.

Me: WHOA! The daughter of Camazotz, the bat-like spirits that dwell in Xibalba in Mayan folklore, now this is getting more interesting by the second.

Maria Garcia: (Spanish Accent) But, we also remember her all too well, the daughter of Camazotz is well-known by everyone in Mexico, and any criminal who dares to anger her will be found the next day drained of blood.

Luna Rodriguez: (Spanish Accent) Ay, we haven't forgotten that many of her victims were some of Mexico's drug dealers and their bosses, the drug cartel lords and many other cartels in the country.

Me: Whoa!

Shoichi and Makoto charged at Sonoya and Sonona.

They smashed and pulverized them and knocked them down.

They tied them up.

Shoichi: That did it!

Makoto: It sure did!

Kadma: What should we do now?

Then news spread like wildfire and right to the worlds we impacted!

In the world of Powerpuff Girls Z.

Blossom Z: Looks like it's the end of Crocker and Burns. J.D. and ther others should be proud.

In Arizona with Michael and friends!

Michael: So, Crocker and Burns kicked the bucket, huh? It's more then what they deserve.

On Ringworld.

Church: Good. Two less crazies in the world.

In Brazil.

Blu: Crocker and Burns are dead, huh? Good riddance.

In the world of Ever After High.

Apple White: With Burns and Crocker gone, it's the end of an era.

And in Los Angeles.

Kit: (laughs) Geez, I just left J.D. and the others alone for several hours!

EVERYONE CHEERED EXPLOSIVELY ALL OVER THE UNIVERSE!

We came back.

Kadma: Good riddance!

Nico: (to Infernape and Poromon) So, how did you two bury the hatchet?

Infernape: We realized there's one thing we have in common.

Poromon: We waant you and his dad to be proud of us!

Lythos: Are their spirits destroyed?

Taro: Yes. We've decided to cremate their bodies.

Stratos: Fair enough.

I fired a wave of fire and incinerated their bodies and destroyed them forever.

Hydros: (to the Agito team) You guys helped too.

Shoichi: We sure did.

Me: We owe you guys big time Shoichi.

Taro: We'll see you in 7 days.

Shoichi: Count on it!

Taro and Shoichi shook hands before Taro laughed.

Pyros: How should we celebrate?

Thundermon: Let's do it at Cafe Donbura.

Nico: Awesome idea guys! Great job today everyone and Lyra you did amazingly well on this mission.

Me: Yeah you sure did.

Lincoln: Yeah that was awesome!

Taro: (To the viewers) You mess with the laws of the world and you mess with us and it will be a party of doom for you.

Qin: That is for sure.

Me: Yep.

We went to Cafe Donbura and had a great meal and it was awesome.

We returned home and helped Taro and the Donbrothers settle in at Gotham Royal York, which they did pretty easily. Soon, we were getting ready for bed, and as soon as Lincoln stepped into his room, he saw his harem waiting for him all dressed in smoking hot bras and panties lying on a super extra-extra-extra large bed fit for an expanding harem. When Lincoln saw his harem, he had a really bright atomic red blush on his face, his deep sapphire eyes turned deep red with fiery passion, and his nose was bleeding: he was dumbstruck by the sight of his harem.

Girl Jordan: (Seductive Voice) Like what you see, big boy?

Lincoln: (In Heaven) Oh yeah.

Lily the Mermaid walked seductively to Lincoln.

Lily the Mermaid: (Seductive Voice and rubs her hands on Lincoln's massive pecs) Think of it as a bit of a reward for getting rid of The Legion of The Lincoln Haters, and you need a nice lovemaking night.

Lincoln: Whoa, mama.

Lily the Mermaid and the rest of Lincoln's harem pulled Lincoln and onto the super extra-extra-extra large bed fit for Lincoln and his ever expanding harem, and he closed the door: Lincoln was in for one really wild night of lovemaking.

Lincoln pulled down a panel and it said THE END on it.

THE END

For Lincoln's rescue tomorrow, Lincoln and his group are heading to The Bronx in New York, and we got bad news: an old enemy of Serenity Lexington's past: a bad girl named Lorna Taylor, a dangerous thug and the leader of a group of dangerous thugs known as The Hellraisers of New York, a gang of thugs who terrorized some of the roughest neighborhoods of New York, and one of the rough neighborhoods was The Bronx and it was also their home turf. Their reign of terror ended when Serenity Lexington had busted them for their crimes and gave the evidence of their crimes to the police who launched a full-scale arrest of The Hellraisers of New York and they were all sent to prison for life. Now, years later, Lorna Taylor and her gang had broken out of Attica Correctional Facility to get revenge on Serenity Lexington, but we're going to make sure The Hellraisers of New York are all destroyed for good. And we're going to meet the next Demon Race Embodiment, her name is Adriene Camazotz, Embodiment of The Kivat Race, she's Lincoln's Guardian Angel from Michigan, and she was born with not only the dark powers and strengths of the vampires, but she was also born with the dark powers and strengths of The Kivat and none of their weaknesses. Adriene's known for defending Lincoln with a fierce passion not only from his enemies, but also from the heartlessness of Lori, Lynn, Lola, Lisa, and Luan, and she's also gotten along well with Leni, Luna, Laney, Lana, Lily, Lynn Sr., and Rita, and just like Lincoln and the other vampires, she feeds on blood bags from the blood bank, and she also knew of Lincoln being a powerful Alpha Vampire-Werewolf-Cyborg Hybrid, and she's also friends with Lucy and her friends in The Young Morticians' Club. She's also among the many members of The Michigan Supernatural Defense Force, a group of vampire hunters formed by Lincoln, the other Kamen Rider Kiva embodiments, and the embodiments of The Wolfen Race, Merman Race, Franken Race, Fangire Race, Kivat Race, Doran Race, Legendorga Race, Mermaid Race, Ghost Race, Gigant Race, Hobbit Race, and Goblin Race, and their job is to defend Michigan, Royal Woods, and Great Lakes City from the threat of evil vampires, evil werewolves, and other evil supernatural creatures of the night. They also teamed up with The Ghosthunters Club and other clubs for some of their more dangerous missions involving powerful vampire lords, werewolves, witches, warlocks, demons, and demon lords. Lincoln made Adriene a beautiful necklace with white pearls and a blood red gem for the pendant, and to show thanks, Adriene kissed Lincoln on the lips underneath the full moon as the wolves howled and the vampire bats flew to enjoy the darkness, and she hates Flip with a burning passion, and she absolutely loathes and despises King, the ruler of The Fangires, along with The Checkmate Four, along with The Legendorga with an absolutely intense and burning hatred for what they've done, and that absolutely intense and burning hatred is so powerful that all Fangires and even The Legendorga were absolutely afraid of Marianne Shelly, even Takato Shiramine and Takashi Sugimura, leader of The Legendorga, fear the Embodiment of The Kiva Race, and she's also the daughter of Camazotz.

Get ready for a battle with an old enemy of the Time Force Rangers as we battle Frax, Ransik's right hand man monster and we're going to have him put into the M.O.E. after we thrash him.

See you next time.

Camille Casterwill and Nathalia Gorgorio and we were there to relax after we had an awesome big day for yesterday.

Me: Ahh! Boy this is the life.

Eli: You said it bro.

Qin: After a massive and huge battle we had yesterday, we earned some time to relax.

Me: Yeah.

I took off my shoes and revealed my webbed feet and I dipped them in the lake. I had steam coming off my feet.

Me: Ahh!

Camie: It's so well deserving.

Nico: (YAWNS) (Exhausted) Yeah you got that right.

Andros: I think this is awesome too.

Nico: Andros, I want to thank you, Overdrive, and your teams for coming

Andros: No problem Nico. It's going to be fun helping out.

Mai Takatsukasa: It sure will be fun too.

Sonic, Tails, The Sonic Sisters and Amelia Mobius were over at a bunch of barbecues and boiling pots making chili dogs.

Qin: Boy the clouds in the sky are really pretty.

Eli: They sure are.

Hmiko: Boy no kidding. I love looking at the sky.

Fiona Hernandez: Me too. It makes me feel at peace.

Lola: Me too.

Vinyl Scratch: Yeah it sure is awesome.

Kia: Boy it's so relaxing out here.

Lola: Especially after a big day with Lyra's mission.

Xenia: It sure is awesome.

Izzy Moonbow: I just love all the things we get to do in the park! It's so fun!

Me: It sure is Izzy.

Nico: (YAWNS) It sure is fun.

Camille Casterwill: (British Accent) Are you alright Nico? You look really tired.

Nico: I was just up all night.

Me: Oh.

Nico: Mai, how's it feel being the ruler of the Helheim Forest?

Mai Takatsukasa: In all honesty it feels really amazing. I have a tremendous responsibility there too.

Qin: That is true. Also now the Vengeful 6 is not going to threaten it too.

Mai Takatsukasa: That is true there. And thanks to you guys Yggdrasil will never hurt anyone again.

Kouta: I'm glad for that as well.

Xenia: Same here.

Fu: Me too.

Nico: (YAWNS) That is for sure.

Qin: Yeah.

Tsuyu: But seeing the Helheim forest was an awesome adventure back then.

Lola: It sure was a beautiful place.

Shanan: At 3.9 billion lightyears away from Earth, it was an amazing sight to behold.

Camie: It sure was. What was the name of the planet it was on again?

Me: It was called Femushinmu.

Camie: That's right.

Lana: That was amazing.

Shanan: But it was a dangerous place.

Nico: Don't worry. None of us will eat any of the fruit there without your permission.

Mai Takatsukasa: I know you won't.

Me: But that was still an epic and explosive adventure for Kouta and his team.

Kouta: It sure was.

Qin: Yeah.

Varie: But it was awesome that we helped the Donbrothers yesterday.

Taro: It truly was worth the wait.

Me: It sure was Taro.

Nico: (YAWNS) Yeah it sure was.

Qin: But it was one of the most awesome missions ever.

Lola: Twilight you should be very proud of Lyra.

Twilight Sparkle: Oh I sure am. All of Canterlot is. So are Minuette, Twinkleshine, Lemon Hearts, Moondancer and Bon Bon.

Lola: Boy no kidding. All of us are proud of them.

Lily: We sure are.

Nico: I can't believe Crocker and Burns had the nerve to unleash an army of Another W clones on the world.

Me: Me too. That was totally unexpected. But after we defeated Crocker and Burns I did a scan and found out that MANY of our friends and loved ones that many people lost all over the world were brought back.

Lola: Wow!

Me: Including those we lost. President Whitmore, General Morshower, and even all of Sapphire's friends.

Qin: WHOA!

Xenia: That is amazing!

Nico: (YAWNS) So that was a big time bonus victory.

Lola: Yeah.

Taro: But it wasn't us that ended them physically. It was that Cyclobot and Anoni.

Me: That delivered the shot that blasted them in their chests.

Lola: Rich Texan shot Burns in his head.

Me: That was awesome.

Taro: Yeah it was. He said he had always been wanting to do that.

Camie: Yep.

Me: And the best part is that we're finally rid of the 2 enemies that caused us nothing but total grief before, during and after the 20 Days of Darkness.

Kaoruku: That is for sure.

Varie: No kidding!

Nico: (YAWNS) You got that right.

Haruka: Are you okay, Nico?

Nico: (YAWNS) Just really tired.

Me: Did you have a bad dream?

Nico: No. I was up all night because of Lincoln.

Lincoln: Oops! I think my lovemaking with all my harem did it. (BLUSHES ATOMIC RED) How embarrassing.

Qin: Oops.

Nico: Girl Jordan, if this is payback for all the times I held you back against Carnage, then mission accomplished.

Girl Jordan: Nico no this was all totally accidental.

Lincoln: Yeah we had no idea this would happen.

Me: Nico you need to get some shut-eye.

We took Nico and put him by a tree and put a pillow behind him.

Me: You just get some sleep. You need it.

Nicole: I really need to put up silencing seals whenever you do that.

Qin: Yeah.

Nico: Guys, I'm fine. Really.

Me: Nico you need to get some sleep. May will keep you company too.

May: Yeah.

Nico: Okay. Thanks guys.

Nico and May went to sleep by the tree.

I put up a silence dome for them so that it was nice and quiet for them.

Me: And Nico's contingency plan should be activating in 3… 2… 1…

Nico's clone appeared.

Nico: You're catching on J.D.

Me: Just know what's coming.

A clone of May appeared too.

Me: Looks like Nico made a Contingency plan for May too.

May: Yep he sure did.

Nico: Yep.

Me: Awesome.

Sonic: Come and get it guys.

We got to the table and we were having chili dogs for our park lunch.

Me: Oh boy! (Eating one) Mmm! Delicious.

Nico: Nothing like chili dogs for a good lunch.

Xenia: You said it.

Amelia Mobius: You got that right.

Sonia Sonic: Yep.

We were eating a lot.

Jiro: Nothing can ruin this moment!

Sonic: Except Dr. Robuttnik.

We laughed!

Eli: Yeah.

We got finished eating and we had a lot of plates piled up.

Me: Ahh! (BELCHES) Oh pardon me.

Eli: No worries. (GASP) Look!

We saw JO and she was MASSIVELY PISSED!

Me: Jo! Right on schedule!

Tsubasa: You really have some nerve pulling what you did last time!

Sonoza: I should've known you would get out eventually!

Me: Just like you said Sonoza. I see the mark where I ate your heart is still there. It tasted horrible by the way.

Lola: Yeah and your foot is disgusting too!

Lana: BLECH!

Jo was growling hard.

Me: Well are you going to say something or just growl at us ferociously all day?

Jo: I DON'T GIVE A FLYING FUCK WHAT YOU THINK! I WILL MAKE YOU ALL SUFFER! YOU MAKE ME FUCKING SICK!

Me: Ah so you can speak after all.

Nico: Yeah!

Me: You just don't know how to accept defeat and take losing with grace and honor!

Jo: (evilly smirks) Although I DO want you all dead, I really did enjoy going after Kijino's girlfriend. Maybe after I kill you all, I'll pay her a visit!

Tsuyoshi: (growls) That was your last mistake!

Me: It sure was!

I punched her in her face and knocked her down and stomped on her stomach and then Eli kicked her in her head!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOMMMM

A massive fiery explosion blasted off behind them and they were ready!

Lincoln: Your rampage is over, Jo. Oh, and I've also called in a couple of people who have some not-so-kind words to say to you.

Just then, Jo's mom and dad came to the park with Lincoln's Guardian Angels, and they were so absolutely pissed off at Jo for what she'd done.

UH OH!

Me: Thank you gor coming Mr. And Mrs. Camelton.

Mr. Camelton: Anytime J.D.

Mrs. Camelton: We're glad you called us.

Mr. Camelton: I am so absolutely disgusted by your behavior, Jo! So, everything we'd heard from Lincoln's guardian angels and the others was true! You've tarnished our family's reputation with your despicable actions over the years!

Mrs. Camelton: I can't believe that you're even our daughter! What kind of person could do those evil acts to other people all over the world!?

Maria: Everything we told you is all true, Mr. and Mrs. Camelton. Your daughter is a monster with a complete disregard for the lives of those around her, and she tortures everyone to win and she's been a nightmare to everyone for years!

Varie: Yeah, she's gotten away with everything by using your reputations, and no one's been able to stop her.

Lola: And let's not forget what she'd done in assaulting everyone who's crossed her path, and she belittled Lynn with the Bad Luck incident and hurt so many people! Many of them had to spend a month in the hospital 'cause of her!

Mrs. Camelton: And we thank you for what you did, Lola. Lincoln's lucky to have an awesome family and numerous great guardian angels like you in his harem.

Lincoln had an atomic red blush on his face, and Anna Anyanova went up and kissed him on the lips and he returned it.

Mr. Camelton: Aww. Lincoln is a lucky guy.

Me: He sure is.

Then, they turned to Jo.

Mr. Camelton: We've done our best to raise you right, but instead, you went downhill and started causing trouble, God knows how many times we'd been called to the school involving yet another of your stunts. As well as all the pain and suffering you caused on Total Drama! You've used our reputations and your overzealous competitiveness to get away with doing horrible things to innocent people, and if you hadn't been stopped, you would've wound up taking someone's life. Well, that all ends here and now!

Mrs. Camelton: Jo, you are hereby disinherited from our family fortune and it'll be passed on to your younger sister, Logan, and you are also disowned from our family forever.

Jo: WHAT THE FUCK?! YOU CAN'T DO THIS TO ME! YOU WEAK, SPINELESS, SENILE OLD FOOLS! I WILL KILL YOU!

Me: Bite my big fat fucking ass!

Tsuyoshi: AVATAR CHANGE!

He turned into the Pink Gaim Rider!

Qin: Nice!

I fired waves of energy and blasted her all over!

Nico: Time for you to pay for your crimes Jo!

Tsuyoshi grabbed Jo and started beating her to a pulp.

SMASH SMASH SMASH SMASH SMASH SMASH SMASH!

Lola: YEAH!

Eli fired a wave of Force Lightning and electrocuted Jo!

Lola: Time to finish her!

Lola fired waves of fire and burned her.

Maria: (grabs Jo by the collar) Messing with us is one thing. But bringing Natsumi into your little grudge match against us is going too far!

Maria smashed her onto the ground!

Maria: You need to be taught some manners!

Maria smashed her face in.

Mr. Camelton: Kill that bitch for us and send her to the Black Gates!

Qin: With pleasure.

Nico: First time parents have ever asked us to give their Child the Black Gates.… that didn't come out right.

Me: Actually we heard EVERY word right. They want her dead and gone.

Nico: Geez.

Lola: She had this coming!

Eli: That's for sure!

Tsuyoshi just continued to beat Jo to a bloody pulp.

She was badly beaten up!

Lola: Tsuyoshi I'll finish this up.

Tsuyoshi: Okay.

Lola: Goodbye!

She fired a wave of fire and incinerated Jo into ashes. Then her spirit appeared and Tsuyoshi then banished her to the Black Gates!

Nico: Good riddance!

Lola: Yeah.

Nico: (to Mr. Camelton) We'd like to meet your other daughter Logan. Hopefully, she's more nicer.

Mr. Camelton: Oh she is. She is an angel. She is athletic but is a great sport and also she has a heart of gold.

Me: Whoa she is the polar opposite of Jo.

Mr. Camelton: Exactly.

Nico: Wow.

Me: Do you have a picture of her?

Mrs. Camelton: We sure do.

She showed us a picture of her and she was a girl with blond hair and had blue eyes and had red sports clothes.

Me: She's pretty.

Tsuyoshi: I don't fault you two for what your daughter did.

Mrs. Camelton: Jo brought all this on herself.

Qin: She sure did.

Lola: Yeah.

Maria: Wait. What's that over there?

We saw a Hammerhead Shark gene-slammer. It was a girl Hammerhead.

Me: Whoa she is a Hammerhead Gene-slammer.

Qin: Yep.

Hammerhead: I saw the battle that happened and she deserved it.

Nico: (GASP) Colleen Rovvington!?

Colleen Rovvington: Nico!? Whoa!

Maria: You know her?

Nico: I sure do. She is a girl I know from history class and she knows so much about history.

Me: That is so cool.

Laney: Yep.

Colleen Rovvington: Those were fun times.

Qin: Boy they sure were.

Nico: Colleen, you choose when you want to be reverted back. Eli, sense for Swartz's creations.

Eli: Right.

Colleen Rovvington: I will be reverted back and I want to change at will.

Nico: Okay.

Eli: Found them and we have 4 new ones. Another 8-Slices of Pizza Doom, Another Evil Pizza, Another Evil Ramen, And Another Evil Soda, Another Yost Living Laser, and Another Overdrive.

Me: Whoa!

Qin: Wait what are those guys?

Me: You'll have to see for yourself.

Lola: Oh boy.

Nico: Who do we call first?

Me: Belle Muldoon.

Qin: Nice.

Maria called her in.

Belle came in.

Belle Muldoon: I'm here guys.

Qin: Awesome.

Nico: I see the first one!

We saw 8 pizza slices with black auras come. It was ANOTHER 8-SLICES OF PIZZA DOOM!

Qin: Whoa!

Me: They are 8 pizza slices and they have scary monster faces. They were made to get revenge on us for people eating pizza.

Qin: Whoa!

Nico: Oh boy.

May: Who are you?

Another 8-Slices: (In 1 girls voice) J.D. knows me too well.

Me: (GASP) Luna Saix!

She reverted back and it was a girl with blue hair and she had the kanji for moon in the middle of her forehead and she had a scar on her cheek shaped like the moon. She had blue clothes and had angel wings that were blue and had Saix's claymore in her hand and she had the kanji for The Lunar Diviners of the 7 Moons on her skirt.

Luna Saix: Been a long time J.D.

Nico: Whoa are you?

Luna Saix: Yes I am the gene-slammer of Saix.

Colleen: I'll help you with this, Belle.

Belle Muldoon: Thanks Colleen.

Me: Are the rest of the Anothers that are coming friendly or hostile?

Luna Saix: They are all friendly.

Me: Ooh okay.

Nico: This will be fun.

Qin: Yep.

Nico: Save some pizza for me!

Girl Jordan: First lets separate you.

Leeli: Yeah.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background.

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Luna Saix had Another 8-Slices of Pizza Doom separate from her.

Belle Muldoon: Oh yeah!

Qin: This will be good!

Belle and Colleen fired waves of energy and blasted the pizza slices down and I caught the Wonder Ride Book and it was called The Lunar Diviner Princess and The Pizzas of Doom.

Nico then ate the pizza slices. They were tasty.

Nico: Yummy.

Lola: Nice.

Me: Now for Another Evil Pizza. So I have a new recruit coming.

Nico: Who?

I called in a special girl and it was a girl made of pizza.

Me: Meet the ruler of the Pizza Kingdom of Ooo, Pizza Princess.

Pizza Princess: Hello everyone.

Nico: It's an honor to meet you, your highness!

Pizza Princess: Same here.

Qin: This is getting really awesome.

Lola: Yep.

Nico: There he is!

We saw a dark version of Evil Pizza!

Me: Oh boy! Another Evil Pizza.

Lola: Yep.

Xenia: This will be cheesy.

Nico: I'll help you with this, princess!

Pizza Princess: Okay!

Lincoln: First this.

He fired waves of light and separated her from Another Evil Pizza.

Nico and Pizza Princess fired waves of energy and blasted him down and I caught the Wonder Ride Book. It was called The Pizza Princess and the Evil Pizzas of Doom.

Me: Fitting.

Nico then ate the pizza.

Qin: Nico sure is hungry.

Me: Yep. Next for Another Evil Ramen.

Lola: Ooh!

Eli: Yep.

Me: I have another new recruit.

I called in a Princess made of Spaghetti and her skirt looked like a meatball.

Me: Everyone meet Spaghetti Princess, She is the ruler of the Spaghetti Kingdom of Ooo.

May: Pleased to meet you!

Spaghetti Princess: Same here. This will be fun.

Then a figure came and it was ANOTHER EVIL RAMEN!

Me: Whoa if Naruto were here he would not like this kind of Ramen.

Xenia: No kidding.

May: Who are you?

Another Evil Ramen: (In a girls voice) I believe that J.D. knows me.

She reverted back and it was a girl with black hair and had red clothes and had red eyes.

Me: (GASP) Emiko Roswell!

Nico: The awesome Ramen Chef! Awesome!

Emiko Roswell: Yep. Awesome to see you J.D.

Lola: Awesome.

May: I'm helping you with this!

Spaghetti Princess: All right then.

Lincoln fired a light blast and separated her from Another Evil Ramen.

May: Now lets do it.

They fired waves of energy and blasted Another Evil Ramen and I caught the Wonder Ride Book.

Me: Oh yeah!

Nico ate the Ramen.

Nico: (SLURPS) Delicious.

Me: Yep. Now for Another Evil Soda.

Eli: Ooh.

Me: And I have just the friend for that.

Maria: I'll help you with this. Too bad Gulper's not here.

Me: Nope.

Amazonite: Lets do it!

Lincoln fired a wave of light and separated her.

Maria and Amazonite fired waves of light and energy and blasted him down. I caught the Wonder Ride Book.

Me: Nice!

Nico then drank the soda and then…

LOUD BELCH!

Nico: Excuse me!

Me: No problem. Yost Living Laser is next.

Qin: This is gonna be good.

Camie: Yeah!

Mai: Are you ready to fight a goddess?

Pyra Jolokia: I sure am.

Lincoln: Lets do it.

Lincoln fired a beam of light and separated her.

Mai: This will be good.

Me: I will help you.

Mai: All right.

We fired waves of energy and blasted Another Yost Laser and smashed him down. I caught the Wonder Ride Book.

Me: Awesome.

Nico: Yep.

Maria: Time for backup! (TURNS DIAL) ICE STORM 10!

She summoned Unicorn, Capricorn Zodiarts, Universe 666 Mean Rarity, Monster Arm, P.T.O.O.E.Y., and Basco ta Jolokia!

Nico: YEAH!

Qin: This will be good.

Unicorn: It sure will.

Nico: Wait. Is that her?

We saw a figure and it was ANOTHER OVERDRIVE!

Qin: Whoa! Another Overdrive!

Lola: Oh boy.

Xenia: This will be good.

Another Overdrive: (In a girls voice) This is gonna be good and fun.

Me: (GASP) Anita Steele!

She reverted back and it was a girl with blue hair, blue eyes and blue clothes.

Anita Steele: Awesome to see you J.D.

Me: You too. Anita is a technomancer and she makes weapons, vehicles and more with her mind.

Nico: Awesome!

Kaito: (gets out GoGoV gear) Did Swartz promise you anything?

Zocks: (gets out Timeranger gear) Because we can grant it instead.

Kaito got a Lightspeed Rescue blaster and Zocks got a Time Force Blaster.

Anita Steele: Just to be a racer.

Me: We definitely can make that happen.

Sougo: (gets out Lightspeed Rescue Ridewatch) You'd be a good addition to the races.

Geiz: (gets out Time Force Ridewatch) Whenever the next one may be.

Sougo got LightspeedRescueRedArmor while Geiz got TimeForceRedArmor.

Anita Steele: I would like that.

Me: Sorry we have to fight like this.

Anita Steele: No worries.

She turned into Another Overdrive!

Nico: First lets fight vehicles with vehicles. (ACTIVATES OVERDRIVE'S RIGHTWATCH)

He made an awesome solar ray energy tank and blasted her down.

Nico: Lasers are power and awesome. (ACTIVATES YOST LIVING LASER'S RIDEWATCH)

He fired waves of energy and smashed her down.

May: Time for this! (ACTIVATES DARK DECADE'S RIDEWATCH)

May fired waves of energy and smashed her down.

May: Time to feel the wrath of carnage! (ACTIVATES SPIDER CARNAGE'S RIDEWATCH)

May fired waves of energy and blasted her down.

Maria: Top this. (ACTIVATES BULLDOZER'S RIDEWATCH)

Maria smashed her down with a powerful punch.

Maria: And this! (ACTIVATES RAMPAGE'S RIDEWATCH)

Maria punched her down with a powerful punch.

Mai Takatsukasa: Now it's my turn. (ACTIVATES YOST LIVING LASER'S RIDEWATCH)

She fired laser blasts and smashed her down.

Then Gearhead, Frictor, Aligned Scowl, Sir Pantsalot of Dropseat Manor, Mingy Jongo and Lard Lad Statue came.

Nico: Nice team Gearhead!

Gearhead: Thanks Nico!

Qin: Awesome!

Maria: Where's the next Gene Slammer?

ZZZZZZZAAAAAAAAAAAAAAAAAAAAAAAAPPPPP!

Maria got electrocuted.

Maria: Ow.

We saw a Dedenne!

Me: Hey a Dedenne.

Lily: Cute little one.

Dedenne: (In a girls voice) Sorry about that guys.

Nico: Denise Reginald! Wow!

She reverted back and was a girl with black hair and yellow eyes and had orange and black clothes.

Denise Reginald: Awesome to see you again Nico. I got this.

She fired a wave of lightning and smashed down Another Overdrive and I caught the ridewatch and purified it. I brought Anita over.

Xenia: That was awesome!

Nico: Alright, Colleen. Ready to revert back?

Colleen Rovvington: I sure am.

Me: Okay but it's going to hurt really bad.

Colleen Rovvington: I'm ready.

I put on my blind man glasses.

Nico: Anyone peaks at her I will kill you.

The boys covered their eyes.

Me: Here we go. (SNAPS FINGERS)

I snapped my fingers and she reverted back and she was in excruciating pain.

Colleen held her head in pain

The stalks on her head went back in and she got her eyes back. Her brown hair came back and her skin did too. She had brown hair and brown eyes and she regained her hands and everything.

Colleen Rovvington: (GROAN)S That was so painful.

She then saw her pants and underwear fall down and she was naked.

Colleen Rovvington: GAH! (COVERS HERSELF) EYES TO YOURSELVES PERVERTS!

Rarity: Don't worry darling. We can fix this.

The fashion brigade moved in and they gave her a new fashion look. She had a brown shirt, brown pants and a brown vest and brown legwarmers and shoes and fingerless gloves.

Varie formed a mirror and she saw her reflection.

Colleen Rovvington: Oh wow! I look amazing!

Eli: You sure do.

Nico: Where were you when you first got Gene Slammed?

Colleen Rovvington: The library. I got hit with a dart and then the rest is history.

Nico: Oh boy.

Me: Yikes.

Qin: Yeah.

Mai: Denise, what's your favorite memory of Nico?

Denise Reginald: My favorite is when me and Nico made a powerful lightning ray gun and it was a powerful super tesla ray.

Me: That is powerful.

Qin: Yeah no kidding.

Lola: That is amazing.

Nico: Yep.

Nico hugged both Colleen and Denise.

Nico: I missed you both.

Colleen Rovvington: We did too Nico.

Denise Reginald: Me too Nico.

The real Nico and May were really sleeping.

Me: Aww they are really tired.

We picked them up and took them back to the estate.

It appears an old enemy of Serenity Lexington's past, a bad girl named Lorna Taylor, a dangerous thug and the leader of a group of thugs known as The Hellraisers of New York, a gang of thugs who terrorized some of the roughest neighborhoods of New York, and one of the rough neighborhoods was The Bronx and it was also their home turf. Their reign of terror ended when Serenity Lexington had busted them for their crimes and gave the evidence of their crimes to the police who launched a full-scale arrest of The Hellraisers of New York and they were all sent to prison for life. Now, years later, Lorna Taylor and her gang had broken out of Attica Correctional Facility to get revenge on Serenity Lexington, but we're going to make sure The Hellraisers of New York are all destroyed for good.

Lincoln: Ah, we're back in London, and I know what we're going to do here, not only am I going to rescue the eleven girls here, but we got bad news you're not going to like, Serenity, your old enemy from New York, Lorna Taylor, has broken out of prison.

Serenity Lexington gasped.

Serenity Lexington: Lorna Taylor's broken out?!

Riley MacKenzie: Ugh, not that hellraising bitch! I thought you had her and her gang of thugs put in jail years ago before you moved to Michigan, Serenity.

Me: Uh oh, I've got a feeling we're not going to like hearing about them.

Serenity Lexington: And I'm afraid you're right, J.D., Lorna Taylor is a dangerous thug and the leader of a group of thugs known as The Hellraisers of New York, a gang of thugs who terrorized some of the roughest neighborhoods of New York, and one of the rough neighborhoods was The Bronx and it was also their home turf. For years, the police were unable to stop them, but their reign of terror ended when I busted them for their crimes and gave the evidence of their crimes to the police who launched a full-scale arrest of The Hellraisers of New York and they were all convicted and sentenced to prison for life. Now, years later, Lorna Taylor and her gang had broken out of Attica Correctional Facility to get revenge on me.

Lincoln: If that thug thinks I'm going to let her get away with this, she's sorely mistaken, we're going to make sure The Hellraisers of New York are all destroyed for good. Serenity, you know all the spots where Lorna and her gang have caused havoc in when you took on the mission to bust them years ago before you moved to Michigan, can you show us exactly where those thugs are hiding out at?

Serenity Lexington: Of course, follow me.

We followed Serenity Lexington, and we arrived at one spot in the tough neighborhood of The Bronx: Hunts Point.

Gohan: Okay, this neighborhood looks like one dangerous place to be. What is this place, Serenity?

Serenity Lexington: This is one of the most dangerous neighborhoods in The Bronx: Hunts Point, one of the worst parts of New York due to the prostitution and drug issues that run rampant in the area, and sexual assault cases are rising in Hunts Point, making it an unsafe place to visit.

Me: The average violent crime rate is about 1,944 per 100,000 people, and the average crime rate is about 4,557 per 100,000 people.

Nico: Damn, this is one place no one in New York wants to visit.

Serenity Lexington: And it's exactly where we'll find Lorna Taylor and The Hellraisers of New York.

Tommy Oliver: Let's head down there and take them down and then get out of here, this place isn't a safe neighborhood.

Lincoln: Right, Tommy.

Suddenly, we saw a very beautiful and super sexy girl with long midnight black hair and blood red headband, blood red eyes, fangs, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful black angel wings, she's dressed in a midnight black short-sleeved blouse, sleeveless blood red top, necklace with pearls and blood red gem for the pendant, long midnight black frilly skirt with jewels around the waist, white bridal gloves, black knee-high high-heeled boots with butterfly buckles, and long white long-sleeved trenchcoat with darkness, bats, and angels on the coattails and on the back are the Kivats, and holstered on her back is a massive Kivat-themed greatsword with embedded blood red gems and The Kivats etched on the 7'0" massive, wide, double-edged midnight black blade, large midnight black bat heads for the crossguard, large white angelic faces embedded on both sides of the hilt with blood red gems embedded in their foreheads, longer midnight black handle, four large white angel heads and large blood red gem on the bottom of the large white angel heads for the pommel, and with her are the eleven girls and accompanying her are Kivat-Bat the 3rd, Kivat-Bat the 2nd, Kivat-Bat the 4th, and Kiva-la.

Nico: Whoa, looks like we've run into a vampire girl and another Demon Race Embodiment.

Vampire Girl: Oops, sorry about the scare, but I managed to get the girls away from that psychopath, Lorna Taylor and her bloodthirsty gang before they could kill them.

Lincoln: (Gasps) That voice, Adriene Camazotz, I knew it was you.

?: (ENRAGED SCREAM) SERENITY LEXINGTON, YOU BITCH, WE WILL KILL YOU FOR THROWING US IN PRISON!

We then saw our target, Lorna Taylor, a punk girl with black hair in a mohawk and dressed in a red prison jumpsuit, and she's accompanied by her gang, The Hellraisers of New York, and they were so extremely pissed off beyond imagination.

Sylvester: Good thing you decided not to send them to prison again.

Lincoln: If we so much as sent them back to jail, they'll just break out again. No, there's only one way to make sure they never hurt anyone again, and I'm not letting those thugs hurt Serenity, not unless they want the police to find them all drained of blood!

Lincoln unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal

Then, Lincoln fired black and blood red energy blasts which hit Lorna Taylor and her gang and the blasts of vampiric energy sucked out every last bit of blood and life energy from their bodies and as soon as Lincoln was done, Lorna Taylor and her gang were reduced to desiccated corpses and he sent their souls to The Black Gates forever. We cheered as we holstered our weapons and powered down.

Gohan: Well, that's one less gang of thugs terrorizing New York.

Lincoln: You got that right, but crime in New York's not an easy thing to get rid of, but whenever crime arises, we'll be there to kick the daylights out of criminals. (To Adriene Camazotz) And it's so good to see you again, Adriene Camazotz.

Adriene Camazotz: You too, Linky, it's been such a long time.

Lincoln went up to Adriene Camazotz and he hugged her, and Adriene Camazotz is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, fine hair on his massive forearms and short stubble on his jawline, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you nine since you were seventeen, and as you can see, I really grew a lot since then.

Adriene Camazotz: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 17-year-old 7'9" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, fine hair on your massive forearms and short stubble on your jawline and many accessories, that's really new, along with getting He-Man's chest harness. You've really really grown a lot in height and become a man, but you're still the same kind boy from long ago. Plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and he's become truly immortal.

Me: And Lincoln, you know this sexy vampire mama?

Lincoln: Indeed I do, J.D., this is Adriene Camazotz, Embodiment of The Kivat Race, she's my Guardian Angel from Michigan, and she was born with not only the dark powers and strengths of the vampires, but she was also born with the dark powers and strengths of The Kivat and none of their weaknesses. Adriene's known for defending Lincoln with a fierce passion not only from his enemies, but also from the heartlessness of Lori, Lynn, Lola, Lisa, and Luan, and she's also gotten along well with Leni, Luna, Laney, Lana, Lily, Lynn Sr., and Rita, and just like Lincoln and the other vampires, she feeds on blood bags from the blood bank, and she also knew of Lincoln being a powerful Alpha Vampire-Werewolf-Cyborg Hybrid, and she's also friends with Lucy and her friends in The Young Morticians' Club.

Victoria Kurenai: And she's also among the many members of The Michigan Supernatural Defense Force, a group of vampire hunters formed by Lincoln, the other Kamen Rider Kiva embodiments, and the embodiments of The Wolfen Race, Merman Race, Franken Race, Fangire Race, Kivat Race, Doran Race, Legendorga Race, Mermaid Race, Ghost Race, Gigant Race, Hobbit Race, and Goblin

Race, and their job is to defend Michigan, Royal Woods, and Great Lakes City from the threat of evil vampires, evil werewolves, and other evil supernatural creatures of the night.

Ravenna Amaranth: We also teamed up with The Ghosthunters Club and other clubs for some of their more dangerous missions involving powerful vampire lords, werewolves, witches, warlocks, demons, and demon lords. Lincoln made Adriene a beautiful necklace with white pearls and a blood red gem for the pendant, and to show thanks, Adriene kissed Lincoln on the lips underneath the full moon as the wolves howled and the vampire bats flew to enjoy the darkness, and she hates Flip with a burning passion, and she absolutely loathes and despises King, the ruler of The Fangires, along with The Checkmate Four, along with The Legendorga with an absolutely intense and burning hatred for what they've done, and that absolutely intense and burning hatred is so powerful that all Fangires and even The Legendorga were absolutely afraid of Adriene Camazotz, even Takato Shiramine and Takashi Sugimura, leader of The Legendorga, fear the Embodiment of The Kivat Race, and she's also the daughter of Camazotz.

Me: Whoa!

Nico: Damn, she's really that powerful?!

Lincoln: Yep, and we've taken down many evil monsters long ago, and her skills in The Dark Arts and darkness are never to be underestimated. Plus, as you see before you, she also has Kivats of her own with her.

Wataru: And they're none other than Kivat-Bat the 3rd, Kivat-Bat the 2nd, Kivat-Bat the 4th, and Kiva-La.

Kivat: Another version of me?! Please, tell me I'm seeing double!

Lincoln: No, you're not seeing double, that is indeed another version of you, but he's among the four personal Kivats of Adriene, and she also taught me a lot on how to summon colonies of vampire bats to attack any villain trying to kill us.

Nico: Really?

Lincoln: Watch this.

Lincoln made a screech like a bat, and then, colonies of vampire bats came to Lincoln.

Eli: Whoa!

Fluttershy: Goodness, and this ability also came when you also became a vampire, right?

Lincoln: That's right, Fluttershy.

Me: It's too bad we didn't get a chance to meet you last year when we went after King and his minions.

Nico: Yeah, that was a bust, you would've kicked some serious Fangire and Legendorga ass.

Marianne Shelly: Yeah, I would've wanted to kick King, Takato, and Takashi's asses hard, along with beating up the other Legendorga and the other members of The Checkmate Four, but, I'm so glad to hear King and the rest of The Checkmate Four, along with Takashi Sugimura and Takato Shiramine got The Black Gates.

Selena Kurenai: They were nothing but bastards, every last one of them, except for Maya who was once The Pearlshell Fangire along with Mio Suzuki, but she got turned against her own will.

Lincoln: And some of the Fangires and The Mummy, Gargoyle, and Medusa Legendorga are now part of The Masters of Evil and some of them are now the archenemies of many of our friends.

Adriene Camazotz: Wow.

Nico: It sure is, and if they come out for the usual battles and when they see you, please try not to attack them.

Adriene Camazotz: Okay, but I'll settle for scaring them when they see me, and I may even ask my father to show up.

Lincoln: Good idea, Adriene, and now that you're here.

Suddenly, Lincoln hugged Adriene Camazotz in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Adriene Camazotz: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Adriene Camazotz' neck with blood red gems on the gold lightning bolts and blood red crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck.

Adriene Camazotz: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Adriene Camazotz.

Adriene Camazotz had a smile on her face and tears in her eyes as Lincoln still had his abnormally massive and powerful muscular arms around her, and he leans down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the eleven girls, and when Lincoln saw who they were, he immediately recognized them. The eleven girls are Mafuyu Toono, Saya Shinonome, Mio Sakaki, Kotoha Yanagase, Arisa Gokokuji, Tokiko Andou, Mari Ebihara, Ayase Tachibana, Haruna Hitokata, Karen Shinomiya, and Nanaha Senjou from Nama Tama.

Lincoln: Oh wow, it's Mafuyu Toono, Saya Shinonome, Mio Sakaki, Kotoha Yanagase, Arisa Gokokuji, Tokiko Andou, Mari Ebihara, Ayase Tachibana, Haruna Hitokata, Karen Shinomiya, and Nanaha Senjou from Nama Tama.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Mafuyu Toono: Yes, we're okay, thanks to you.

Then, when Mafuyu Toono and the other ten girls saw who it was that saved them from Lorna Taylor and The Hellraisers of New York, their faces turned atomic red upon seeing the 17-year-old 7'9" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head, fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with a gold lightning bolt and Ebonwu Squadron emblem emblazoned on his forehead with Third Eye on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, He-Man's chest harness with colored gems on the orange crisscrossing straps and large circular chest plate with phoenix on it, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between the kanji that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and

Mafuyu Toono: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made ten clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene.

Mafuyu Toono: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, eleven Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Mafuyu Toono, Saya Shinonome, Mio Sakaki, Kotoha Yanagase, Arisa Gokokuji, Tokiko Andou, Mari Ebihara, Ayase Tachibana, Haruna Hitokata, Karen Shinomiya, and Nanaha Senjou with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to The World Tree Estate, and the rest of the team were shocked to find out the villain we went after was an old enemy of Serenity Lexington's past: a bad girl named Lorna Taylor, a dangerous thug and the leader of a group of dangerous thugs known as The Hellraisers of New York, a gang of thugs who terrorized some of the roughest neighborhoods of New York for many years, and one of the rough neighborhoods was Hunts Point in The Bronx and it was also their home turf. But, their reign of terror ended when Serenity Lexington had busted them for their crimes and she gave the evidence of their crimes to the police who launched a full-scale arrest of The Hellraisers of New York and they were all sent to prison for life, but years later, Lorna Taylor and her gang had broken out of Attica Correctional Facility to get revenge on Serenity Lexington.

But, when Lincoln showed what happened such as all of us giving those murderous bitches the beatdown of their miserable lives and Lincoln finishing them off by firing vampiric black and blood red energy blasts which hit them and he sucked out all their blood and life energy and sent their souls to The Black Gates forever, everyone cheered and hugged us and Lincoln's harem kissed him all over, and they had steam whistling out their ears. Lincoln and Adriene Camazotz have a lot of catching up to do, now that she's back in town.

Maria: Oh man, you guys were lucky to head into Hunts Point in The Bronx and get out of there in one piece, that place was one of the roughest neighborhoods in New York.

Lincoln: It sure was, but, we had to go down there for one reason: to get rid of Lorna Taylor and her gang of thugs.

Serenity Lexington: No one was ever going to miss those heartless bitches, all of New York hated the Hellraisers with a bloodstained hatred.

Me: Damn, now that's brutal.

Nico: You said it, and if there's one thing we're not going to tolerate, it's heartless bitches like them.

Lincoln: Yep, and everyone in New York is now able to breathe easily now that we got rid of Lorna and her gang.

---

After getting rid of Lorna Taylor and her gang and this time for good, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Adriene Camazotz saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her faces, hearts in her eyes, and her nose was bleeding.

Adriene Camazotz: My God, I was right that Lincoln's really grown into a 17-year-old, 7'9" tall, really big, handsome, and really strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been bodybuilding and working out for many years. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Adriene, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Adriene Camazotz: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Adriene Camazotz: Oh man, I knew it was only a matter of time before he told everyone that story.

Nico: Yep. So, Adriene, what's the story on why you hate Flip with a burning passion other than for the obvious reasons?

Adriene Camazotz: Now, that's something I haven't forgotten, and that mutant's attempt to kill us also caused Lincoln to turn into his werewolf form and he ripped Flip to shreds, but he didn't get turned into a werewolf, thank God. If you thought what Lincoln did to Lori, Lynn, Lola, Lisa, and Luan was bad, wait 'til you see this, and we still thanked Adriana and Rudina for their donations that saved Lincoln's life.

Adriene Camazotz pulled up a video and it played on the screen, and it shows Lincoln and Adriene, along with his other Guardian Angels in their personal gym that Lincoln and his Guardian Angels had built and go to, and they were working out in their gym and Lincoln was 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever and they were really working up a sweat. Then, they got a shower and were heading home, but then, they caught the stench of an unwashed mutant cheapskate in the air.

Then, they saw who it was that smelled like a rotten dumpster and rotten food: it was Flip, and he was on the rampage again as they heard him bellowing with rage and running towards them.

Past Lincoln: Ugh, I should've known there was no mistaking the smell from anywhere! Can't you give it a rest, Flip?!

Lincoln let out a growl as white fur began growing on his massive and powerful muscular body and his abnormally massive and powerful upper and lower body muscles grew a little bit bigger, white fur also began growing on his massive and wide muscular pecs and eight pack abs, his nose changed to a wolf's nose and white wolf's muzzle, his deep sapphire blue eyes remained the same, but his pupils turned into slits, along with the large white wolf ears on his head, massive white angel wings with aurora and orange tips, and his eleven massive and long and powerful white wolf tails, and he let out a powerful howl as he transformed into his werewolf form.

Nico: Oh man, now this is going to be good!

Past Lincoln: (Beastly Voice) Bring it on, you fat hairy mutant!

Flip ran at Lincoln bellowing with rage and murder in his eyes, but Lincoln was more than ready for that mutant as he punched Flip hard in his fat hairy belly, and then, he pounced on Flip and he began beating and clobbering him all over the place, and Lincoln also slashed at Flip with his sharp claws. Then, as soon as Lincoln got off, Flip was badly mangled and lying on the pavement with claw marks on his body and broken arms and legs, and Lincoln tied him up with red energy ropes fired from his massive white angel wings.

Nico: (Whistles) Damn, now that was just absolutely brutal!

Me: You got that right.

Then, I arrived with the cops.

Cop: You again, Flip?! Ugh, you really are nothing but a headache!

Past Me: A headache that just won't quit. Take him away!

The cops grabbed the mangled Flip and threw him in the car and they drove Flip back to prison.

Past Me: You did an awesome job handling Flip, Lincoln.

Past Adriene Camazotz: He went werewolf on him and really tore him to shreds.

Past Me: I'll leave you guys to have your romantic moment.

Lincoln had a blush on his face and muzzle when I said that.

Past Lincoln: (Beastly Voice) (Embarrassed) J.D.

I left, but then, Adriene Camazotz wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face and muzzle, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Adriene Camazotz's face, they kissed passionately as she moved her arms and placed her hands on Lincoln's massive pecs as the video ends.

Nico: At least, Flip didn't get turned into a werewolf when you scratched him, Lincoln.

Lincoln: Thank goodness, but just like what happened with Ricky Accardo years ago, anyone who gets bitten by me when I'm in my werewolf form risks getting turned into a werewolf themselves.

Sima Yi: I've indeed noticed it for myself, but now I see the reason why you tend to keep your more dangerous and feral side contained. However, if someone dares to push your patience to the limit, that's when that more dangerous side of you emerges.

Me: Which was the fault of the Dark Sides of Lori, Lynn, Lola, Lisa, Luan, Chandler, and Principal Huggins along with his other enemies who don't have dark sides, but are beyond any form of redemption, and that's one of the reasons why no one dares to mess with Lincoln's loved ones and friends because if that happens, only death awaits them.

Nico: Or suffering a fate crueler than death.

We got a shower, and then, Clyde, DJ Mary, Cheryl, Anthea, and Concordia along with the rest of his harem are heading to Gelato Beach.

Clyde snapped his fingers, and the 17-year-old, black-haired, 7'5", handsome and extremely muscular man was dressed in large dark blue swim shorts with a phoenix surrounded by clocks and stars on it with silver flames coming off the swim shorts, dark blue sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And DJ Mary, Cheryl, Anthea, and Concordia along with the rest of his harem are dressed in colored two-piece bikinis colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out DJ Mary, Cheryl, Anthea, and Concordia fell in with Clyde, and he also fell in love with them as well, and Clyde saved them all from an ambush by a group of thugs Pablo and Anderson hired to kill them, and Lincoln killed them all and sucked out their blood, which made those two buttfaces go insane with anger, until Clyde fired energy blasts at him and more gold and jewels and treasures came out of that mutant, but they also got to keep their heads up, they got word that bitch, Trina Riffins, has sent more muscle-bound thugs to kill them. But, they don't know that Lincoln was also here in

Gloomy Galleon waiting for the muscle-bound thugs of Trina Riffins.

Anthea: Wow, so our first date's here in Gelato Beach, awesome.

Clyde: I knew you'd love it, Anthea. Plus, I've been here before along with Lincoln and his harem, and it's really awesome. But, we also got to watch it though.

Concordia: Yeah, Trina Riffins has sent more muscle-bound thugs to kill us. She's an absolute monster!

Clyde, DJ Mary, Cheryl, Anthea, and Concordia along with the rest of his harem dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, then they went back to the beach and they also had a game of volleyball, and DJ Mary, Cheryl, Anthea, and Concordia along with the rest of his harem got a massive and extreme deep atomic red blush on their faces when they saw Clyde lift thirteen 900,000,000,000,000-lb barbells he summoned in his large and strong hands and thirteen massive and long black wolf tails, but then, he saw Trina Riffins' muscle-bound thugs heading for them.

Clyde: There's Trina Riffins' thugs, let's get them.

But, before they could get after Trina Riffins' muscle-bound thugs, Lincoln appeared from a tornado of rainbow energy, mythological animals and beings, stars, planets, and elemental forces, and he then grabbed each of them one by one and he'd sucked out their muscle mass and strength and gained a massive increase in muscle mass and strength and made the thugs thin as rakes and completely weak and he sent them to The Black Gates forever.

Clyde: Lincoln?! Wow, you really responded quick.

Lincoln: I wasn't going to let you or your harem be put in danger by the hired thugs of that rage-crazy monster, buddy. See you guys at home.

Lincoln teleported back home, and then, Clyde, DJ Mary, Cheryl, Anthea, and Concordia and the rest of his harem had lunch, and then, as the sun was about to set, Clyde made clones of himself and he and his clones went up to DJ Mary, Cheryl, Anthea, and Concordia along with the rest of his harem, and they hugged the girls in their abnormally massive and powerful muscular arms, and DJ Mary, Cheryl, Anthea, and Concordia along with the rest of his harem placed their hands on the massive pecs of Clyde and his clones, then they shared a passionate and romantic kiss. Then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico, Lincoln, and I also saw Clyde had lipstick marks all over his face, massive muscular body, and eight-pack abs.

Nico: (Smirks) I take it you and your harem had tons of fun at Gloomy Galleon, eh, Clyde?

Clyde: (In Heaven) It… was… so… awesome!

Concordia: And we also ran into Trina Riffins' muscle-bound thugs who came here to kill us. But, Lincoln appeared and he grabbed each of them one by one and he'd sucked out their muscle mass and strength and gained a massive increase in muscle mass and strength and made the thugs thin as rakes and completely weak and he sent them to The Black Gates forever.

Rarity: Why, that reprehensible little monster, now she's going after Linky's friends and family?!

Lincoln: She sure is, but she failed again when I showed up and I sucked out their muscle mass and strength and gained a massive increase in muscle mass and strength and then killed them all and sent them to The Black Gates, and she should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Trina Riffins scream with extreme hatred and rage, and now, she's officially lost her mind.

Maria: Yeah, up yours, bitch!

Nico: If that bitch so much as breaks out and we face her on your rescue, Lincoln, I hope you break every last bone in her body.

Lincoln: Are you kidding, if Trina broke out, Courtney would wind up getting to her before any of us did, and she'd really do a lot worse than the beatdown she gave that rage-crazy Spawn of Satan during The 20 Days of Darkness.

Me: Yeah, and she's lucky we're not giving her The Black Gates because she doesn't deserve it.

Lincoln: Death's too kind for her, she deserves to suffer our humiliations, and from what we've been doing by always winning against evil, it's driving her and the other jerks completely nuts!

Nico: (Snickers) In more ways than one, Lincoln.

---

Later we were watching TV and Troy came in.

Troy: You guys want to go out on patrol with me.

Nicole Knudson: We sure would!

Me: Yeah!

Nico: Lets do it!

We went down to the surface of the planet.

Nico: I'm all rested now.

Me: Good.

May: That's good.

Qin: It sure is.

We were out on patrol.

Me: So far things are quite.

Nicole Hernandez: Wait. Who's that over there?

Tsubasa: Wait is that? It is!

We saw that it was Ryuji Inui!

Me: (In my head) Ryuji Inui! I remember him! He was the temporary Inu Brother! He filled in for Tsubasa.

Qin: Whoa Ryuji Inui!

Xenia: Wow!

Ryuji: Tsubasa? Is that you?

Tsubasa: Been a long time.

Ryuji: It has been a while.

Taro: No kidding.

Nico: Hi. You're Ryuji, right?

Ryuji: I sure am and it's an honor Nico. Thank you for killing Burns and Crocker.

Me: Aww it was nothing.

Lana: Yeah they deserved it.

Lola: Yeah no kidding.

Nico: They had it coming.

Tsubasa: Ryuji, I really am sorry for putting you in the Inu Brother position on the spot.

Ryuji: It's okay. It was fun.

Me: You looked awesome as Inu Brother.

Nico: Yeah.

Ryuji: And while we're apologizing, Tsuyoshi, I want to apologize. I picked a fight with you because I thought your wife Miho was my girlfriend Shoko.

Tsuyoshi: It's fine. It turns out that Miho was a Juto all along.

Me: It was a case of mistaken identity. But the Juto are all destroyed now thanks to me. I killed them all and saved all their prisoners.

Nico: It's true.

Qin: Yep

Ryuji: Good. I'm glad they are safe and the Juto are destroyed.

Troy: But since being brought here, you probably miss Shoko, do you?

Ryuji: You're right about that. Ever since I came here, I can't stop worrying about her! I don't even know if she's alright. SHOKO, COME BACK TO ME!

Me: Poor guy. But uh oh!

With that, he was surrounded by an energy circle with the Goseiger logo and turned into Tensouki from episode 31 of Donbrothers!

---

Inui Ryuji is busking downtown, hoping he can join a band. He feels a bit discouraged, especially since his girlfriend Shoko, the only one who appreciated his talent, has left him. He still hopes to be able to see her again one day. When the Tensouki delivers a Landick Power attack at them, it sending Inu Brother flying off the side of the walkway bridge but Inui Ryuji breaks Tsubasa's fall to the ground. Forced to demorph, Tsubasa is teleported back to where he came from. The others see the knocked-out Ryuji on the ground, next to Inu Brother's glasses, and they immediately assume he is their teammate.

The four of them head down just as Ryuji regains consciousness. Ryuji has no idea what's going on at first, but he assumes they are a band who wants to scout him. He is excited that someone is finally interested in him, but when the Tensouki begins attacking people nearby, he finds out these new friends aren't a band. Ryuji puts the glasses on and follows the others' lead as they battle Tensouki.

However, Ryuji gets knocked back toward him by Tensouki, forcing him to demorph. Tsubasa picks the glasses up and joins the others to drive the Tensouki away.

Over at the stadium, Tsubasa speaks with Ryuji to explain to each other what happened. Ryuji is happy he got a chance to be a hero at least once. Especially when he's been unable to catch up to the dreams he's been chasing. Add to that his girlfriend Shoko leaving him too. Tsubasa says Ryuji should take over as Inu Brother then. Tsubasa thinks to himself that if the others believe Ryuji is Inu Brother, then they will stop going after him when he does eventually return as Inu Brother.

At Donbura Cafe, Ryuji puts on a cool 1991 personality to impress his teamates. Just then, Miho is approaching them and Tsuyoshi is excited to finally introduce Tsubasa to her but Ryuji suddenly comes running up to Miho thinking she is Shoko. Tsubasa is shocked, but he can't watch Tsuyoshi and Ryuji going at it as a police officer recognizes him. Tsubasa has to run once again.

Tsuyoshi and Ryuji head to the café to tell the others to help resolve their love dispute. But Tarou says they must keep their personal issues outside of the team. Tsuyoshi and Ryuji head back to the park to duel. But Miho comes and makes clear that she is Tsuyoshi's wife. She sets up a mat on the ground and Tsuyoshi uses her legs as a pillow while she cleans his ears with a dandelion. Ryuji is beside himself and his desire of meeting Shoko, leaves him open for Tensouki, who left the eater's body, to take over his body. He begins to approach every woman, thinking they are Shoko.

The other Donbrothers arrived and Tsuyoshi tells them that Tensouki is actually Ryuji. Tsubasa comes across the scene and the sunglasses pop onto his face. He sees that Ryuji has become Tensouki and vows to save him. He transforms and joins the others, much to their surprise. Jiro also arrives, a bit annoyed they started without him. The Donbrothers then transform into the Toradragonjin and Don-Onitaijin to finish off Tensouki for good.

Later, Ryuji is back to busking and he is shocked to see the real Shoko appear in front of him. She apologizes for leaving him and they share a tight hug.

We gasped!

Me: Tensouki the Goseigers Hitotsuki! I knew it!

Xenia: Oh man!

Me: And I remember this one! He was upset because he missed his girlfriend Shoko!

Qin: Oh man!

Xenia: Yeah!

Lola: This is gonna get tough!

Troy: Go go Megaforce!

He turned into MEGAFORCE RED!

Troy: FURY OF THE DRAGON! MEGAFORCE RED!

Me: Lets separate him and turn him into a Donbrother for real too.

Nico: Good idea.

I fired a wave of light and separated him from Tensouki.

Ryuji: (GROANS) That was rough.

I gave him a Donbrothers Gun and a gear.

He took it and got an awesome look of determination on his face.

Me: Lets get it on!

Donbrothers, Lyra, Dante, me and Nico: AVATAR CHANGE!

We transformed!

Sonoi: Absolute Integrity and Perfection Personified! SONOI! ソノイ

Sononi: A beautiful Rose has its thorns… Looking to know love! SONONI! ソノニ

Sonoza: When my interest is caught, nothing gets in the way! SONOZA! ソノザ

(FIREWORKS GO OFF)

Taro: HAHAHAHAHA! Avataro Sentai!

All: Donbrothers!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion went off behind us and we were ready!

Qin: YEAH!

Xenia: Go get him!

Ryuji was now a sparkling White Donbrother!

Ryuji: Looks like I'm a Donbrother for real now.

Me: Yep. You sure are!

Nico: Yeah!

Eli: Lets kick some butt!

Tensouki formed an avatar Tensou Header from his body. With it, he manipulated the sky to attack Troy.

He fired waves of lightning and Lincoln redirected the lightning back and it hit Tensouki and electrocuted him all over.

Qin: Take this!

She fired waves of fire and blasted him down!

Lola: And this!

She fired waves of fire and blasted him.

Nico: YEAH!

Tensouki used his avatar Tensou Header from his body to manipulate the land into attacking Gia

Nico: Not so fast!

He had the 7 Star Dragonball glow on his bracelet and channelled energy into the ground and then a massive wave of earth counted his earth attack.

Nico: YEAH!

Carol fired an Atomic Ray blast and it hit Tensouki and exploded all over with incredibly fiery force!

Tensouki was in pain from that one!

Tensouki used his avatar Tensou Header from his body to manipulate the sea into attacking Noah

Maria: Oh no you don't!

Maria used her powers and redirected the water and splashed him all over.

Me: WHIRLWIND SPIN!

The 6-Star Dragonball Glowed on my bracelet and I fired a wave of energy wind and blew him around in an energy tornado.

Qin: Take that!

Nico: YEAH!

Then a Hawlucha appeared.

Me: Cool a Hawlucha!

Qin: WHOA!

Tensouki summoned some towers from the sky.

G1 Tantrum: Do I even want to know what those do?

The towers shot beams at us.

Eli used the Force and deflected the blasts back at Tensouki and they hit him and exploded!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOMMMMM!

Nico: Nice one!

Hawlucha: (In a girls voice) (Spanish Accent) That's what he gets amigos!

Nico: Salina Rodriguez! Whoa!

Hawlucha: I got this.

She fired waves of energy and blasted him down.

Nico: YEAH!

Ryuji fired waves of energy and blasted him all over.

Troy: Have some of this!

Troy used the Lightning Strike card to Summon a storm cloud that launched lightning bolts at Tensouki but he manipulated the Earth to protect himself.

But the lightning struck through the earth and hit him and exploded!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOMM

Nico: Nice one!

Lola: And Lightning is stronger than Earth.

Nico: Yep.

Tensouki used his Tensou Headder to fire a green energy beam from its mouth at us

I punched the blast and sent it right back and it hit him and exploded!

KRABBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Qin: Nice one!

Xenia: YEAH!

I fired waves of energy and blasted him all over!

Then Tom and Jerry pulverized him and bashed him. Tom bashed him with a mallet, Jerry smashed him in the back with a board with a nail in it and Tom bashed him on his foot with a wrench!

Tensouki shot orange lasers from both hands and wielded them as bludgeon weapons against us.

I formed fire war clubs and we clashed and thunderous fire shockwaves blasted out and smashed and burned many things around us.

I kicked him in his face.

Qin: Take that!

Tsubasa: Avatar Change!

He turned into Wild Force Black!

Me: Yeah!

Tsubasa fired waves of energy and blasted Tensouki all over!

Me: YEAH! (STOMACH GRUMBLES) UH OH! WHY DID I HAVE TO 6 BOWLS OF CHIEF WIGGUM'S NEW CHILI!?

LOUD FART TOOT!

Nico: (COUGHS AND GAGS) J.D.!

Tsubasa: You really love that stuff, huh?

Me: He makes really good chili.

Qin: Yep.

LOUD FART TOOT!

Me: Sorry!

Taro: Your farts sound like Garby's.

Garby: (LAUGHS) That's what everyone says!

LOUD FART TOOT!

Garby: Oops! Sorry.

Maria: J.D., point your farts at Tensouki!

Me: You got it!

I pointed my butt at him.

Me: (STRAINING) FIRE IN THE HOLE!

SUPER LOUD FART TOOT!

I blasted him with nasty mega farts!

Nico then lit a match and threw it at the farts.

Nico: EVERYONE, HIT THE DECK!

WE DUCKED AND COVERED AND THEN…

KRABBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

It ignited it and exploded! Tensouki was weak and damaged and then…

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He exploded!

Me: TAKE THAT!

Nico: Tensouki you have failed this city!

I caught the Goseiger gear.

Donbrothers: Demon Elimination Complete! All's Well that End's Well.

Troy: Mega Rangers that's a mega win!

Hawlucha: That was awesome and fun!

She reverted back and was a girl with black hair and had green eyes and had a tornado tattooed in the middle of her forehead and had green angel wings and had green and aqua blue clothes.

Salina Rodriguez: That was so funny!

G1 Hot Spot: What's your favorite memory of Nico?

Salina Rodriguez: When me and Nico were in a tag team wrestling match and we pulverized the stinkiest wrestler ever: Sir Rottenalot. He's called that because he smells like rotten eggs.

Me: YUCK! Someone give him a bath.

Salina Rodriguez: That's what I said to him and we beat him up.

Me: Whoa!

Nico and Salina hugged.

Nico: I've missed you.

Salina: Me too Nico. Me too.

Guts Man: The best part about yesterday is that now, we don't have to call you guys here for Hitotsuki attacks

Taro: That's true.

Qin: Thank goodness.

LOUD FART TOOT!

Me: Oops sorry!

Nico: Oh boy.

Lola: Yeah.

Nico: Lets get ready for the next mission.

We went back to the estate.

We were getting ready for the next mission.

The previous group then came.

Duskmon: Can me, Grumblemon, Ranamon, Arbormon, Mercurymon, Lythos, Stratos, Hydros, Pyros and Thundermon go with you guys?

Nico: Yes you all can come with.

Qin: Yep.

Shockwave: Nico, which Gene Slammers do you think you'll meet next?

Nico: Klefki, Goodra and Carbink.

Qin: Whoa!

Lola: Nice!

Nico: Yep.

Suddenly, Lincoln's deep sapphire eyes and rainbow iris of his Third Eye glowed, and he had a vision and he saw who it was that we were going to confront: it was none other than Frax, one of the main enemies of The Time Force Rangers, and he's come back wanting revenge on them for destroying him. When we saw it, we knew it meant trouble.

Nico: Lincoln, what's wrong?

Lincoln: Nico, where's Wes, his team, and Ransik and Nadira?

Just then, Wes Collins, his team, Ransik, and Nadira showed up.

Wes Collins: You called, Lincoln, what's the emergency?

Lincoln: Just in time, Wes, and you, your team, Ransik, and Nadira aren't going to like hearing this one bit: I had a vision and I saw who it was that we're going to face today: it's your old enemy, Frax, he's come back from the dead wanting revenge on you all for destroying him. And on Ransik for leaving him for dead.

Wes and his team, Ransik, and Nadira gasped in shock.

Eric Myers: Oh man, this isn't good, I knew Frax would one day come back, but this also provides us with the opportunity of a lifetime.

Wes Collins: Yeah, this time, we're going to send Frax to the M.O.E.

Ransik: And see to it that he pays for everything that he's done.

Me: That's right.

Nico: We'll make him pay for everything he's done, and there's no doubt Lord Zedd was behind this as well.

Sebastian Mendez: Should've known. I hope that when the day comes that we face Lord Zedd, I wish to see his arrogance and pride degenerate into fear and despair, he will regret ever crossing us!

Lincoln: I get you're eager to show him your brand of pain and suffering, but you need to be patient.

Nico: Lincoln's right, but you do make a good point: when we face Lord Zedd in the future, you can show him your brand of pain and suffering and make his arrogance and pride degenerate into fear and despair. Right now, let's get going and stop Frax.

Camie: Who is Frax?

Me: He was Ransik's right hand man.

I went over his history.

---

Dr. Louis Fericks, better known as Frax, is the secondary antagonist of Power Rangers: Time Force.

He is a human scientist who was attacked and left for dead after attempting to aid the mutant criminal Ransik, and forced to convert himself into a cyborg in order to survive. He later joined Ransik's forces in his new form and began constructing robotic minions to aid him in his quest to conquer the Earth and destroy the Time Force Power Rangers, while secretly plotting to overthrow him and take revenge.

He was voiced by Eddie Frierson, who also voiced Rabbitcon in the series, as well as Octophantom and the Blue Globbor in Mighty

Morphin Power Rangers, Strikning in Power Rangers Lightspeed Rescue, Tenshinhan in the Harmony Gold dub of Dragon Ball, and Atori in Noein. His human form was portrayed by Jeff Griggs.

Frax was originally Dr. Louis A Fericks, a scientist from the future that attempted to heal Ransik of his poisoning by Venomark, a mutant criminal who was later captured and placed in the X-Vault. It was he that provided the serum that Ransik must consume regularly to combat the poison; Ransik destroyed his lab and left him for dead in return due to his intense hatred for humans. Dr. Frax survived but was mortally wounded so he was forced to graft robotic parts onto his body and turn himself into an unrecognizable cyborg. Adopting the identity of Frax, he swore to destroy Ransik and joined his Mutant army, and worked his way into becoming Ransik's doting servant so he could betray and kill Ransik when the time came.

Later in the series, Frax discovers the X-Vault, where the worst prisoners were contained. He releases many of them without Ransik's approval, including Venomark (an action that particularly angers Ransik due to their past history). As a form of revenge, he destroys all of his serum and runs away from Ransik. He begins constructing massive robots that run on powerful Trizirium crystals from Mr. Collins' lab. Frax created Dragontron and unleashed him onto the city nearly destroying the Power Rangers in the process.

In the finale, Frax is caught by Ransik with the aid of Gluto who has discovered his secret base. Nadira, Ransik's daughter, comes to him after she begins to doubt her father's mission. Frax explains that the hatred and prejudice between humans and mutants is a vicious cycle, and he urges her to break it before being taken away and having his memory erased. He is then reprogrammed to obey only Ransik and to use his robot Doomtron to destroy his enemies. Wes is able to return and destroy Doomtron, with Frax inside. Ransik and Nadira find Frax afterwards. Ransik kicks Frax's dying body and calls him useless. Frax's face falls apart, he lays his hand down, and he dies moaning. Frax was dead. Nadira mourns him briefly but quickly forgets him when she sees a baby in need.

---

When I was done everyone was shocked!

Qin: OH MAN!

Lola: Yeah he did nothing to deserve that.

Nioc: No kidding that.

Nico: This will be awesome.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed two dark energy signals with their eyes and the Force, and they saw who the figures were in the vision: the figures were none other than Marugori and Fukegao, The Brain and Brawn Brothers from One-Punch Man, and they're here to cause havoc and destroy Saitama. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is someone coming after us?

Lincoln: You guessed it, Rayman, and this is something you won't like, Tatsumaki: the dark energy signals that we sensed, they belong to Marugori and Fukegao, The Brain and Brawn Brothers, and they're here to cause havoc and destroy Saitama.

Tatsumaki and the other female heroes from One-Punch Man in Lincoln's harem gasped in horror.

Tatsumaki: I should've known they'd be coming. Lincoln, you also need to be careful when facing Marugori, he will digest the steroidal compound, Biceps Brachii King, that his older brother, Fukegao, had developed.

Lincoln: I know, and that's why when he does drink that compound, we'll take the fight to somewhere he won't be able to hurt any innocent people.

Elesis: I may have an idea: how about we take the fight to Alhmacan.

Lincoln: Good idea, Elesis.

Nico: Those two are in big trouble when you guys take them on. Alright, gang, let's go, the time to destroy Frax has come at last.

Lincoln: We'll make that monster pay for everything that he's done, and once we get done destroying Frax, you two are next, Marugori and Fukegao.

Elesis: There shall be no mercy for you, Brain and Brawn Brothers, as the sword that guards Elrios, I will put an end to you both for your remorseless crimes, right after we destroy Frax and make him pay for every last one of his wrongdoings.

Jen Scotts: Let's go to the Clock Tower.

Grumblemon: Your base, right?

Jen Scotts: Yep.

Me: We have never been to your base before.

Jen Scotts: You'll be amazed.

Nico: Lets go.

Lincoln put up a rainbow energy field around The World Tree Estate and we headed to Silver Hills to destroy Frax who's come back from the dead wanting revenge on The Time Force Rangers, and once we got done destroying Frax, Lincoln and Elesis are going to destroy Marugori and Fukegao and make those two pay for every last one of their crimes.

We were off.

---

We arrived at Silver Hills.

Me: Silver Hills.

Qin: Wow.

Star Man: Here we are in Silver Hills

Nico: Awesome place.

Lola: Yep.

Wes: Good to be home.

Eric: It sure is.

Ranamon: There's that Clock Tower

We saw it.

Me: Wow.

Qin: Awesome clock tower.

We went in and saw that it was a really awesome place.

Me: Boy nice place that is a perfect base of operations.

Qin: It sure is.

Jen Scotts: It sure has been a good place.

Circuit: Wow Team Loud Phoenix Storm it's an honor.

Caitlyn: You must be Circuit.

Me: Boy I remember you Circuit.

Circuit: But it's awesome to have you guys here too.

Qin: It sure is.

Trip: Awesome to see you again Circuit.

Circuit: Same to you Trip.

Poromon: Hello, Circuit!

Arbormon: You're planning to make him a mascot, aren't you?

Poromon: Yep.

Qin: That's an awesome idea

Xenia: That sure is.

Qin: Yeah.

Me: I take it you heard about Frax coming back?

Circuit: I sure did. It's crazy he is back.

Circuit: And it gets worse.

Donna Diego: I'm afraid to ask. But how?

Circuit: He has Doomtron with him.

We gasped!

Me: Boy I remember the Doomtron! That was the final monster the Time Force Rangers faced.

Qin: Yeah he was a nasty robot!

Lola: Yeah!

Camie: What does he look lie?

Me: Like this.

I showed everyone a hologram of it.

---

Eventually, Doomtron was grown to giant size as Frax completed its construction. However, Frax's hiding place was found by Gluto, and was stormed by Ransik, to Frax's shock as he thought that Ransik had been destroyed by his Venomark ailment. Frax was then captured and reprogrammed to obey the mutant, and once Doomtron was fully operational, Ransik had Frax board it and attack the city.

Doomtron proved to be a hard robot to defeat, as he beat the Q-Rex Zord in battle and wreaked havoc across the city, opening large vortexes in the sky. Wes and Eric tried to fight an entire army of Cyclobots but there were too many and Doomtron shot them, crippling Eric.

It went on a rampage until the Time Force Rangers (who Wes had sent back to 3000) joined in the fight in the Time Force Megazord Jet Mode, using the Cyclone Defense to pick it up like a piece of paper and send it flying away from the city. Doomtron quickly recovered and returned, but the Rangers had since defeated the army of Cyclobots and the Megazord battled it, holding it off long enough for Wes to neutralize the Q-Rex's Trizyrium Crystal power source using the Quantum Defender.

Wes then took command of the Q-Rex and had it fire on Doomtron with its massive laser blast. The blast destroyed Doomtron's crystal power source and caused it to explode, destroying Frax as well. The destruction of Doomtron led to the timeholes around Silver Hills closing, saving the city once and for all.

---

When I was done everyone that hadn't heard about it was shocked!

Sonia Sonic: Geez!

Camie: That is intense!

Ransik: (sighs) It was one of the many mistakes I've made.

Geiz: You know what? Maybe what you did was bad. And that's why you're here with us. So you can fix this mistake of yours!

Mercurymon: You can probably start by telling us how to defeat Doomtron.

Ransik: We can't.

Geiz: Again, do you want to take responsibility for your actions or not?

Ransik: It's not about what I want.

Eric Meyers: He's right. Doomtron isn't easy to destroy.

Me: I remember seeing how tough it was and it gave the rangers a MASSIVE run for their money. It's like trying to fight MechaGodzilla back in 1974.

Eli: He's right on that.

Qin: Yeah.

Lythos: I doubt it'll let us do that from the outside.

Ben: What about from the inside?

Me: Ransik can go in and get Frax after we blew it apart from the outside.

Nico: Good idea.

Sandpit: Or Ben can use Nanomech to sneak inside and destroy the crystal

Nico: Good idea.

Ben: I'll do it.

Qin: Yeah.

Lola: That works.

Nico: Awesome.

Stratos: We still have Frax to deal with

Lincoln: Leave that to me. I'll separate Lewis from his Frax half and have Frax beamed to the M.O.E.

Qin: All right then.

Ransik: I swear that one way or another, we're taking down Frax alive!

Jack Spicer: That's kinda the idea, dude.

Me: Yep that's what we're going to do.

Wes: Our Megazords and the Q Rex can still help out.

Hydros: Of course they can. After all, this all started with you guys.

Wes: Yes it did.

Carol: I can call in some of the kaiju too.

Eli: Same with me sis.

Carol: You got it.

Circuit: Is Carol really your sister Eli?

Eli: Not by blood. Me and Carol have had a bonb that made us sisters. Same with Ariel.

Nico: Yep.

Notacon: You're not leaving me and Dash out of this!

Me: Wouldn't dream of it you two.

Dash: Great!

Notacon: Good!

Xenia: This will be fun.

Pyros: Let's get going

Time Force Rangers: Time for Time Force!

Eric Meyers: Quantum Power!

They transformed and were ready!

Wes: "Time Force Red!"

Jen: "Time Force Pink!"

Lucas: "Time Force Blue!"

Katie: "Time Force Yellow!"

Trip: "Time Force Green!"

Eric: "Quantum Ranger!"

All: "Power Rangers Time Force!"

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMM

A massive fiery explosion went off behind them and they were ready!

Me: OH YEAH!

Nico: YEAH!

Me: Awesome! Taro you're going to have a battle with your first Hitotsuki in the usual battles today. They start right now.

Taro: COOL!

Qin: Awesome!

Haruka: This will be fun!

Lola: Yep.

Papillon: Entrance TIME! (laughs) See what I did there?

Me: (LAUGHS) Hey that was a good one.

Luan: (LAUGHS) Good one Papillon.

Eddy: (LAUGHS) That was a good one!

Qin: (LAUGHS) That was a good time pun.

Papillon: Thanks.

We were off.

We were flying and then in the middle of the forest was a HUGE Robot! It was DOOMTRON!

Me: Target at 3:00!

Nico: Lets go!

We went at him.

Doomtron was walking and then the spirits of the times and eras of the world came and swirled around him and then they converged and then…

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion went off above him and a phoenix cry was heard and then we came out and I grew to giant size and we were facing DOOMTRON!

Me: Okay Frax we know you're in there!

Frax: Team Loud Phoenix Storm!

Nico: That's right!

Wes: Been a long time Frax!

Camie: Yeah!

Frax: Well, if it isn't my old friend, Ransik. And by old friend, I mean THE ONE WHO LET ME AND MADE ME THIS WAY!

Ransik: Frax, please. I've changed. I'm not the same man I once was.

Frax: Neither will you be the man you are now. Since it's obvious I won't be able to cause destruction to Gotham Royal York, I'll settle for Silver Hills instead!

Thundermon: You're right about not causing destruction to Gotham Royal York.

Me: But you're going to have to get passed us first!

Frax: With pleasure!

He fired laser blasts and I deflected the blasts back and they hit him and exploded all over!

Time Force Rangers: Time Force Megazord!

Eric Meyers: Q Rex, arise!

They summoned their megazords and they were ready!

Qin: OH YEAH!

Lola: He is in a lot of trouble now!

I fired a wave of lightning and electrocuted the Doomtron all over!

Qin: Take that!

Then Number 7, Zs'Skayr, Dark Spicer, Patty & Selma, Evil Green Ranger, Vanitas, Springfield Mafia, Cantwell, Wiggum and Ghost appeared.

Nico: Number 7, Zs'Skayr, Dark Spicer, Patty & Selma, Evil Green Ranger, Vanitas, Springfield Mafia, Cantwell, Wiggum and Ghost.

Number 7: Lord Zedd saved us the trouble of bringing Frax back.

Me: He sure did.

Zs'Skayr: Out of all the villains he's sent after us, Frax is the one we all feel bad for.

Me: I don't blame you guys for feeling that way. We feel the same too.

Selma: (to Nico) We heard you went to the park.

Nico: We sure did.

Evil Green Ranger: I love Colleen's new outfit, by the way.

Colleen Rovvington: Oh thank you.

Dark Spicer: (to Lori) Here's your warning: Your ass is about to be kicked!

Lori: Bring it on you red headed turd! I'll bash your brains out!

Me: Easy there Princess Windy Temperton.

Nico: Huh?

Me: Just a name I made up.

Lori: That's literally funny.

Then Tokumeiki appeared.

Me: Tokumeiki! This is gonna be awesome.

Nico: Yep. Back for another round?

Tokumeiki: Yep I sure am.

Qin: Awesome.

Taro: We will not have trouble fighting you this time.

Tokumeiki: We'll see about that.

Me: Ha. Your overconfidence will be your undoing.

Dark Spicer: I have 2 new aliens to show you.

Me: Lets see what you got.

He then turned into a dark version of a Na'Vi but it had fur all over.

Indianrage: Meet Indianrage!

Kaito: Is that a Na'Vi?

Indianrage: It sure is! (charges at Kaito)

Nico fired a wind blast and smashed him down.

Shanan: Boy a Na'Vi hybrid. That is cool.

Nico: Yeah.

Dark Spicer: Yep. But Kate you may not like this next one.

He turned into a horrifically gross and terrifying version of THE THING! It was a fusion of all the monsters from the movies and video game for the movie The Thing and it had blood dripping everywhere and had a dark aura of blue energy.

Carnagedoom: I call this one… Carnagedoom!

Me: WHAT THE FUCKING HELL!

Nico: Is that The Thing!?

Camie: GOOD GOD!

Shanan: Over 10,000,000 aliens in that one!

Taro: Can you even control that form?

Carnagedoom: Let's find out! (charges at Taro)

Taro fired waves of energy and blasted it down.

Carnagedoom: I CAN control it.

Me: Neat! But that was cool!

He reverted back and we got the battles underway.

Ed/Edzilla, Lori Jimenez, Sunny Starscout, Izzy Moonbow, Hitch Trailblazer, Pipp Petals, Ben 10 Alien Force, Pinkie Pie, Maud Pie, Featherweight, Tech Skylanders, Stone Man, and Guts Man VS Number 7, Live Action Sebtinel, Malachite, Bad End Pretty Cure, Pitcher Plant Monster, and Jasper - Nico's Rescue in the park and battling Jo

---

Number 7 was first.

Number 7: (to Ed) Nico's rescue was in the park. And Jo finally got what she deserved.

Ed: He sure did and it was really fun.

Lori Jimenez: Yeah it sure was. We battled her and belittled her and called her all kinds of horrible names and roughed her up really bad. And the final nail in the coffin for her was her parents coming in with Lincoln's Guardian Angels and they disowned her and had us banish her to the Black Gates.

Number 7: WHOA! That is the first time ever the parents told us to get rid of someone that way after they were officially disowned like that! But Jo had it coming for being a psychotic sociopathic freak!

Sunny Starscout: That is a total understatement.

Izzy Moonbow: But it was awesome taking her down.

Pipp Petals: Now that is one ugly sore loser we'll never see again.

Hitch Trailblazer: Yeah no kidding there.

Ben Tennyson: But she had it coming for her crimes.

Gwen Tennyson: Yeah no kidding there.

Pinkie Pie: She deserved it! That rotten party pooper!

Maud Pie: (monotonously) Yeah no kidding there.

Featherweight: Yeah she deserved it.

Sprocket: She sure did.

Number 7: Good riddance. Lets do it!

Ed: WILD ACCESS!

He turned into a Brown Wild Force Ranger!

Ed: PECKING CHICKEN!

(CHICKEN CLUCKS)

Number 7: (LAUGHS) That is funny! And fitting for you Ed.

Ed: Thanks.

Ed summoned his keyblade and it was a chicken themed one. It was called HUG A CHICKEN!

Number 7: Cool Keyblade!

Ed: Thank you.

They fired waves of eggs, metal, gears lightning and blades and smashed them down.

Ed: OH YEAH!

Pinkie Pie: Best Victory EVER!

Leni then came.

Leni: HUG A CHICKEN! HUG A CHICKEN! HUG A CHICKEN! HUG A CHICKEN!

Leni hugged Ed and they laughed and it was funny!

## Edd/Iron Boy, Rei the Ghost, Zenyatta, Soldier 76, Widowmaker, Bastion, Tom & Jerry, Twilight Sparkle, Starshine Sparkle, Magic Skylanders, Shockwave and Soundwave VS Zs'Skayr, Phantom of Vasquez Castle, U.A. Molten Man, Vampire Pinkie Pie, Vampire Twilight Sparkle, and Yost Shocker - Battling Another 8-Slices of Pizza Doom, Another Evil Pizza, Another Evil Ramen, and Another Evil Soda

---

Zs'Skayr was next.

Zs'Skayr (to Iron Boy): Nico, Andros' team, Overdrive's team, and the others did good battling Another 8-Slices of Pizza Doom, Another Evil Pizza, and Another Evil Ramen. And Another Evil Soda, Another Yost Living Laser, and Another Overdrive as well.

Edd: They most sure did and it was most fun.

Skylanders, Caitlyn and Dominique VS Patty & Selma, Mr. Fibb & Mr. Wink, Shizuka of The Wind, Red Menace, Doktor Frogg, and Voltar - Meeting the Embodiment of the Kivat Race

---

Selma and Patty were next.

Patty: (to Mandee) We heard you guys met the Embodiment of the Kivat Race. What's her name?

Mandee: Her name is Adriene Camazotz ans she is a really awesome and amazing force of nature.

Serenity Wheeler: She sure is and it's really awesome.

Sonnya Blade: Boy no kidding there.

Kitana: Yeah she sure is and she is a powerful master of darkness.

Jade: We all think so.

Amy Anderson: and her story is really awesome too.

Tyler Bowman: Yeah it sure is.

---

Nico: Yep. So, Adriene, what's the story on why you hate Flip with a burning passion other than for the obvious reasons?

Adriene Camazotz: Now, that's something I haven't forgotten, and that mutant's attempt to kill us also caused Lincoln to turn into his werewolf form and he ripped Flip to shreds, but he didn't get turned into a werewolf, thank God. If you thought what Lincoln did to Lori, Lynn, Lola, Lisa, and Luan was bad, wait 'til you see this, and we still thanked Adriana and Rudina for their donations that saved Lincoln's life.

Adriene Camazotz pulled up a video and it played on the screen, and it shows Lincoln and Adriene, along with his other Guardian Angels in their personal gym that Lincoln and his Guardian Angels had built and go to, and they were working out in their gym and Lincoln was 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever and they were really working up a sweat. Then, they got a shower and were heading home, but then, they caught the stench of an unwashed mutant cheapskate in the air.

Then, they saw who it was that smelled like a rotten dumpster and rotten food: it was Flip, and he was on the rampage again as they heard him bellowing with rage and running towards them.

Past Lincoln: Ugh, I should've known there was no mistaking the smell from anywhere! Can't you give it a rest, Flip?!

Lincoln let out a growl as white fur began growing on his massive and powerful muscular body and his abnormally massive and powerful upper and lower body muscles grew a little bit bigger, white fur also began growing on his massive and wide muscular pecs and eight pack abs, his nose changed to a wolf's nose and white wolf's muzzle, his deep sapphire blue eyes remained the same, but his pupils turned into slits, along with the large white wolf ears on his head, massive white angel wings with aurora and orange tips, and his eleven massive and long and powerful white wolf tails, and he let out a powerful howl as he transformed into his werewolf form.

Nico: Oh man, now this is going to be good!

Past Lincoln: (Beastly Voice) Bring it on, you fat hairy mutant!

Flip ran at Lincoln bellowing with rage and murder in his eyes, but Lincoln was more than ready for that mutant as he punched Flip hard in his fat hairy belly, and then, he pounced on Flip and he began beating and clobbering him all over the place, and Lincoln also slashed at Flip with his sharp claws. Then, as soon as Lincoln got off, Flip was badly mangled and lying on the pavement with claw marks on his body and broken arms and legs, and Lincoln tied him up with red energy ropes fired from his massive white angel wings.

Nico: (Whistles) Damn, now that was just absolutely brutal!

Me: You got that right.

Then, I arrived with the cops.

Cop: You again, Flip?! Ugh, you really are nothing but a headache!

Past Me: A headache that just won't quit. Take him away!

The cops grabbed the mangled Flip and threw him in the car and they drove Flip back to prison.

Past Me: You did an awesome job handling Flip, Lincoln.

Past Adriene Camazotz: He went werewolf on him and really tore him to shreds.

Past Me: I'll leave you guys to have your romantic moment.

Lincoln had a blush on his face and muzzle when I said that.

Past Lincoln: (Beastly Voice) (Embarrassed) J.D.

I left, but then, Adriene Camazotz wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face and muzzle, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Adriene Camazotz's face, they kissed passionately as she moved her arms and placed her hands on Lincoln's massive pecs as the video ends.

Nico: At least, Flip didn't get turned into a werewolf when you scratched him, Lincoln.

Lincoln: Thank goodness, but just like what happened with Ricky Accardo years ago, anyone who gets bitten by me when I'm in my werewolf form risks getting turned into a werewolf themselves.

Sima Yi: I've indeed noticed it for myself, but now I see the reason why you tend to keep your more dangerous and feral side contained. However, if someone dares to push your patience to the limit, that's when that more dangerous side of you emerges.

Me: Which was the fault of the Dark Sides of Lori, Lynn, Lola, Lisa, Luan, Chandler, and Principal Huggins along with his other enemies who don't have dark sides, but are beyond any form of redemption, and that's one of the reasons why no one dares to mess with Lincoln's loved ones and friends because if that happens, only death awaits them.

Nico: Or suffering a fate crueler than death.

---

FLASHBACK ENDS

They fired waves of energy and elements and they formed into said rangers.

Lincoln and his harem: TIME FORCE FINAL SMASH: TIME FORCE MEGAZORD STRIKE!

They summoned the Time Force Megazord to take down Frax!

They blasted and smashed him all over.

Nanomech blasted Doomtron from the inside.

Nanomech: Doomtron's about to blow!

Nico: Right. Let's- (sees Ransik running towards Doomtron) Ransik, the fuck are you doing?!

Ransik: I abandoned Frax before! I won't do it again!

Me: Ransik no!

He went in and got to the bridge of Doomtron and picked up Frax and then he ran fast.

Ransik got out and then…

EXTREMELY MASSIVE AND POWERFUL FIERY EXPLOSION OF INCREDIBLE POWER!

The Doomtron was BLOWN COMPLETELY TO FLAMING SCRAP METAL!

Nico: GEEZ!

Ransik and Frax came out and Frax was unconscious.

Frax: You… saved me?

Ransik: I told you I changed, didn't I?

Vanitas: Getting you out just now proves it.

Fat Tony: Lincoln's going to separate you from your robot half.

Cantwell: But that one's not being destroyed.

Wiggum: That one's going into our ranks.

Ghost: Meanwhile, we'll get you a job at Bio Lab.

Me: I agree there.

Lincoln fired a blast of light and separated Dr. Louis Fericks from Frax, and then, he brought him to us.

We loaded Dr. Fericks into a medical transport to the infirmary.

Frax was beamed to the M.O.E.

Nico: Alright, awesome job, gang, we've defeated Frax, and saved Louis and freed him and that was some quick thinking firing that blast of light separating Dr. Fericks from Frax, Lincoln.

Lincoln: Dr. Fericks died once, he's not going to die again, he deserves to live the life he'd once had. Now, there's one last thing to do, and two loose ends to tie up: Marugori and Fukegao.

?: (LAUGHING MANIACALLY) And now, we shall destroy you all and I shall finally rule the world!

Lincoln: There's no mistaking that mad scientist laughter from anywhere, you and your brother just don't know when to give up, do you, Fukegao.

Two figures came out, the large and muscular figure was Marugori, and the thin figure in the lab coat was his older brother, Fukegao, The Brain and Brawn Brothers.

Tatsumaki: Marugori, Fukegao, I should've known you two criminals would one day show up.

Fukegao: You heroes will never stop us, soon, all of you will be dead and the entire world will soon be mine! (LAUGHING MANIACALLY)

Elesis: Spoken like the madman that you are, but your days of causing pain and suffering are over.

Suddenly, Elesis' crimson red eyes turned neon crimson red and she was surrounded by a red and white energy aura with stars, flames, holy light, and lions, she unholstered her red claymore and summoned her other weapon: The Divinus Manus in her left hand, and as she approached Marugori and Fukegao, she left red and white energy, stars, flames, holy light, and lions with every step.

Elesis: I will never forgive you two for the crimes that each of you have committed: Marugori, you've callously murdered thousands of people and without a hint of remorse only fueled by your desire to be the strongest, that is nothing more than the act of an animal who acts on his primal instincts, and Fukegao, your great hunger for power and your ambition to conquer the world is indeed sickening, you are nothing more than a delusional, sadistic, arrogant monster with a disregard for human life, and even more, you went so far as to promote yourself as the most intelligent person on the planet, and during your rampage, you continuously screamed orders at Marugori to destroy more towns and kill more people to prove the power of your steroid. Those are indeed truly unforgivable acts that only proves that you two are truly beyond redemption and beyond any forms of rehabilitation, as the blade that guards the kingdom of Elrios, I cannot allow you two to run free any longer, as punishment for your vile crimes, you are both hereby sentenced to death for your foul misdeeds.

Suddenly, Elesis was surrounded by a massive vortex of red and white energy with stars, flames, and holy light surrounding the vortex, there are lions running around the vortex, and in the vortex is a cyan blue phoenix with red eyes glaring at Marugori and Fukegao: the red eyes of death and eternal judgement. Then, as the vortex faded, Elesis emerged, but she was changed forever.

Elesis grew to 7'5" in height, she has the body of a goddess, she has white highlights in the bangs of her long red hair going down to her waist, she has neon red eyes and a red and white energy aura with stars, flames, holy lights, and lions surrounding her, she has a lion emblazoned in the middle of her forehead with Third Eye with red iris, she has on lion earrings with red gems for eyes and holding the Fire, Holy Light, and Eternity Kanjis in its paws, she also has a lion with red gems for eyes and holding the Fire, Holy Light, and Eternity Kanjis in its paws for the second pendant on the bottom of her red lion-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with red crystal links from her merged Crystal Necklace of the Buddha and red gems on the gold lightning bolts, and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love, Elesis has on a short-sleeved long white coat with pieces of silver armor, black pants, white thigh-high boots with silver heels, and long sleeveless white trenchcoat with stars, fire, light, and lions on the coattails, and on the back is a lion surrounded by stars, flames, and holy light. Suddenly, Elesis felt a sharp pain on her back, and then, massive red angel wings with white tips on the red feathers grew and sprouted out from her back, and she also now has eleven massive and long red wolf tails with white tips and white markings, Elesis has on her Ring of the Phoenix with large red gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Elesis' red claymore in her right hand and all the greatswords and swords she'd gotten began merging together, and they were surrounded by a kaleidoscope of red energy, stars, flames, holy lights, and lions, and when it emerged, it was transformed into Elesis' Elrios Guardian Holy Red Lion Firestorm Greatsword of Holy Red Lion Firestorm Elrios Justice, it's a brand-new massive greatsword with embedded blue gems and a lion etched on the 7'4" massive, wide, double-edged red blade, large red lion heads with blue gems for eyes for the crossguard, large white angelic faces built into both sides of the hilt and large red gems embedded in their foreheads, longer midnight black handle, four large red lion heads with blue gems for eyes and on the bottom of the lion heads is another red lion head with blue gems for eyes and a white gem in its mouth for the pommel and she has her Divinus Magnus sword in her left hand, Elesis has on her large gold cuff Bracers of The Champions of The Universe with red gems on her wrists and Dragon Ball Bracelet on her left Bracer, her large gold Belt of Elemental Bravery with a large gold lion head with red gems foe eyes and large blue gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a red kanji below the lion that said, "Elesis Also Known as Adrestia, The Sword That Guards Elrios And Defies The Given Destiny, Formerly Known as The Bloody Queen, Older Brother of Elsword, Loving Future Wife of Lincoln Loud, Destroyer of Marugori and Fukegao, Destroyer and Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of The Sword of El, Fire, Holy Flames, Stars, and Lions"

エレシスはアドレスティアとしても知られ、エルリオスを守り与えられた運命に逆らう剣、かつてはブラッディ・クイーンとして知られ、エルソードの兄、リンカーン・ラウドの愛する未来の妻、マルゴリとフケガオの破壊者、悪の破壊者にして殺戮者、錯乱した、殺人的で冷酷でサディスティックなろくでなし、驚くべき強力な教師の驚くべき強力な生徒、そしてエル、火、聖なる炎、星、そしてライオンの剣のマスター

Elesis has transformed into SUPER ANGEL-SWORD OF THE GUARDIAN-LION-HARMONY UNIVERSAL ETERNAL CELESTIAL XELNAGA DIVINE GUARDIAN SWORD FIRESTORM HOLY LIGHT LION ANGEL OF DIVINE GUARDIAN SWORD FIRESTORM HOLY LIGHT LION JUSTICE AND DIVINE GUARDIAN SWORD FIRESTORM HOLY LIGHT LION LOVE!

We were amazed by Elesis' Super Angel-Sword of The Guardian-Lion-Harmony Universal Eternal Celestial Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when Marugori and Fukegao saw it, Fukegao gave Marugori the Biceps Brachii King and he drank it. Suddenly, Marugori's tank top and plain jeans began to be ripped off as his huge muscles began expanding and growing incredibly, and he grew to a giant human body without skin, steaming, with a white, bone-like armor covering his enormous muscles with most of his skeleton and muscle tissue became visible, including his tendons, and he also grew two tubes, protruding from his chest and running over his shoulders to his back.

Fukegao: KILL THEM!

Lincoln snapped his fingers and we were teleported to Alhmacan, and Elesis fired a powerful barrage of red and white energy blasts with stars, flames, holy lights, and Lions at Marugori disorienting him and she fired another barrage of red and white energy blasts with stars, flames, holy lights, and Lions at Fukegao which exploded with incredible power as they hit him, and he was incinerated by the fires of Alhmacan, and this set off Marugori and he was now on a violent rampage.

Nico: Incredible, Elesis has transformed into her Super Angel-Guardian of The Sword-Lion-Harmony Universal Eternal Celestial Xelnaga form, and what's with that second sword in her left hand?

Nicole: (Gasps) That's The Divinus Magnus, The Sword of El. She did it, she's merged with The El and opened a brand-new path, but not as the El Lady who manages and maintains the Power of El, but as the warrior who defeats the enemies and protects Elrios and the world, Adrestia.

Lincoln: I had no idea that she merged with The El and also gained The Divinus Magnus, but she has truly ascended from what happened a year ago.

Elesis: (Divine Godly Cosmic Voice of The Divine Guardian Sword Red Holy Light Firestorm Lion Angel and Divine Guardian Sword Red Holy Light Firestorm Lion Love) From when I was The Bloody Queen to being brought back to life, with that said, let's cut this overgrown muscle-bound giant down to size, Linky.

Lincoln unholstered his massive Lincoln Loud's Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Phoenix-Harmony Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Angel of Divine Universal

Elemental Cosmic Harmonious Thunderbird Buffalo Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Mythological Hope, and he joined Elesis.

Lincoln: (Divine Godly Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Your days of causing death and destruction are over, Marugori, now it's time for you to join your madman brother in death!

Elesis and Lincoln went after Marugori, and they fired extremely powerful blasts of rainbow energy, red and white energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Marugori and they exploded with incredible power as they hit him.

Then, they flew and attacked him with their massive greatswords leaving scars on him, and Lincoln left many more with his claws by firing energy slashes from his claws and he and Elesis attacked him with punches, kicks, and karate chops, along with elemental blasts.

Elesis: (Divine Godly Cosmic Voice of The Divine Guardian Sword Red Holy Light Firestorm Lion Angel and Divine Guardian Sword Red Holy Light Firestorm Lion Love) Lincoln, get behind Marugori and you know what to do.

Lincoln teleported behind Marugori, and he'd transformed the tips of his eleven massive and long white wolf tails into Cell's stinger and as he stabbed them into Marugori's back, he began to absorb Marugori and he was getting stronger and stronger and stronger as he continued absorbing Marugori. Then, as soon as Lincoln was done, nothing was left of Marugori, and then, he also drained Marugori's soul of his life energy, and then, two energy cards with the souls of Marugori and Fukegao imprisoned inside in Lincoln's large left hand.

Fukegao: You will all pay for this, one day, we will return and you will all pay for ruining my plans!

Lincoln: (Divine Godly Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) No, you and your brother are done, Fukegao, forever!

Then, the Judgement Kanjis appeared on the foreheads of Fukegao and Marugori and they were found guilty for the crimes they'd committed and for the lives they've taken during their rampage, and they were sent to The Black Gates forever. We cheered wildly for what Elesis and Lincoln did as they holstered their weapons and powered down, and Elesis' new body, clothes, weapons, jewelry, Third Eye, eleven massive and long red wolf tails, and massive red angel wings are permanent, and we came back home to Earth.

Elesis: That's one deadly duo of villains we'll never see again. Thank you for helping me destroy Marugori and Fukegao forever, Linky.

Lincoln: (Smiles Warmly) You're welcome, Adrestia.

Suddenly, Elesis/Adrestia wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Elesis/Adrestia's face, they kissed passionately as she moved her arms and placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, an Angel flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with holy lights shining down on them and flames raging behind them, and we cheered wildly. Then, Lincoln and Elesis/Adrestia absorbed the holy lights and flames and they came back to us as the display vanished.

Nico: Wow, now that was one truly awesome and incredible fight, Lincoln, Adrestia, you both showed no mercy to Marugori and Fukegao, and you both made them pay for their crimes in full.

Lincoln: Thanks, Nico, and Adrestia timed the final attack perfectly: once we'd disoriented Marugori, she then told me to teleport behind Marugori, and I used Cell's stingers and absorbed him.

Nicole: And in the process, you also absorbed the Biceps Brachii King into your body as well.

Lisa Loud did a scan and it showed Lincoln's body has removed the negative effects of the steroid and kept all of the positive benefits.

Lisa Loud: Sweet Einstein, it appears Lincoln's body has removed the negative effects of the steroid and kept all of the positive benefits.

Me: Whoa.

Nicole: Lincoln's powers definitely had that effect, and you're right, Lisa, Lincoln's body removed the negative effects of the steroid and kept all of the positive benefits and increased his already immense and infinite levels of superhuman strength and speed.

Nico: That's incredible. So, who's the next Demon Race Embodiment we're meeting on your rescue tomorrow, Lincoln?

Lincoln: Ooh, that's an easy one, Nico: the next one that we're meeting on my rescue tomorrow is Melania Douglas, Embodiment of The Mermen Race.

Nico: Whoa, an Embodiment of The Mermen Race, we're going to enjoy meeting this one.

Ravenna Amaranth: Oh, you're definitely going to enjoy meeting her alright. Melania Douglas is Lincoln's Guardian Angel from Michigan, and she was born with not only the dark powers and strengths of the mermen, but she was also born with the dark powers and strengths of The Merman Race and none of their weaknesses. Melenia's known for defending Lincoln with a fierce passion not only from his enemies, but also from the heartlessness of Lori, Lynn, Lola, Lisa, and Luan, and she's also gotten along well with Leni, Luna, Laney, Lana, Lily, Lynn Sr., and Rita, and just like Lincoln and the other vampires, she feeds on blood bags from the blood bank, and she also knew of Lincoln being a powerful Alpha Vampire-Werewolf-Cyborg Hybrid, and she's also friends with Lucy and her friends in The Young Morticians' Club. She's also among the many members of The Michigan Supernatural Defense Force, a group of vampire hunters formed by Lincoln, the other Kamen Rider Kiva embodiments, and the embodiments of The Wolfen Race, Merman Race, Franken Race, Fangire Race, Kivat Race, Doran Race, Legendorga Race, Mermaid Race, Ghost Race, Gigant Race, Hobbit Race, and Goblin Race, and their job is to defend Michigan, Royal Woods, and Great Lakes City from the threat of evil vampires, evil werewolves, and other evil supernatural creatures of the night. They also teamed up with The Ghosthunters Club and other clubs for some of their more dangerous missions involving powerful vampire lords, werewolves, witches, warlocks, demons, and demon lords. Lincoln made Adriene a beautiful necklace with white pearls and a blood red gem for the pendant, and to show thanks, Adriene kissed Lincoln on the lips underneath the full moon as the wolves howled and the vampire bats flew to enjoy the darkness, and she hates Pablo and Anderson with a burning passion, and she absolutely loathes and despises King, the ruler of The Fangires, along with The Checkmate Four, along with The Legendorga with an absolutely intense and burning hatred for what they've done, and that absolutely intense and burning hatred is so powerful that all Fangires and even The Legendorga were absolutely afraid of her, even Takato Shiramine and Takashi Sugimura, leader of The Legendorga, fear the Embodiment of The Merman Race.

Me: Man, that's brutal.

Wataru: Indeed, and Basshaa's looking forward to meeting this one.

Lincoln: What the Fangires did to The Merman Race, that was really awful.

Me: No shit.

Nico: Yep. But that was a great mission though. Great job today everyone.

Twilight Sparkle: (To the viewers) Never mess with the laws of nature or else.

Me: You got that right.

We went back home and enjoyed the rest of the day and went to sleep.

At breakfast we were having pancakes and I was reading the paper.

Me: Hmm. What's this? (Reading) "Mysterious Police Disappearances Baffle the City. City stupefied as 20th police officer vanishes over the course of 24 hours."

Nico: Boy this is strange.

Qin: Yeah.

Lola: Who do you think is doing this?

Nico: No idea.

Marge: It's not just the cops, it's also Homer and Timmy!

Trixie Tang: Yeah they vanished too!

Me: Weird! Where could they have gone?

Nico: I don't know but we found ourselves our next rescue mission! Rescue Team, lets move out!

We were off and Marge and Trixie were going to hope for their return!

Me: Where do you think the cops went to?

Girl Jordan: Boy good question.

Leeli: Yeah no kidding. This is too weird.

Xenia: It's not like them to just disappear like that.

Ibara: Yeah this is weird.

Laney: Well we'll find them.

Thor: It will be a most good adventure for us.

Nico: Thor, I want to thank you, Gearhead, and your teams for coming.

Thor: Thy welcome Nico. It will be fun.

Uta: It sure will.

Nico: Uta, remember when we met you last year?

Uta: How can I forget. That was so awesome.

Me: Yeah we heard this amazing song.

Applejack: And before that during my missions y'all beat up Kyle Finkster and that was amazing.

Leni: That was totes amazing.

Qin: It sure was.

Uta: It sure was fun.

Nico: It sure was and he had it coming too.

Apple Bloom: Boy he sure did.

Haruka: Can we hear said song?

Uta: Sure.

She sang her song and it was amazing. She sang as she was doing amazing parkour and jumping stunts off some of the buildings and it was BREATHTAKING! Like she was a graceful acrobat and a great and skillful force.

Qin: WHOA!

When she was done we were amazed as she landed by us.

Taro: WHOA!

Haruka: That was incredible!

Qin: Yeah!

Me: That is so awesome.

Nico: Yep.

Tsuyoshi: What is the story of Uta?

Me: She came from a world in a Japan that was turned into an Apocalyptic Sight. It was a Tokyo that was entombed in a ginormous bubble that had this mysterious power. She and her friend Hibiki and their friends made that city into an enormous Parkour arena.

Qin: That is something Lynn would love.

Nico: Yeah!

Xenia: That is awesome and amazing.

Haruka: Wow! That sounds like something I would love to see.

Nico: Me too.

Eli: That would be awesome to see though.

Sonoi: It sure would be cool.

Qin: Yeah.

Me: Boy yesterday was awesome though.

Lola: It sure was.

Nico: Yesterday brought peace for Ransik's past.

Me: It sure did.

Wendy Sapphira: Yeah that was amazing.

Lola: But I'm glad we saved Dr. Fericks from himself.

Lincoln: We sure did and we now have Frax in the M.O.E.

Laney: Yeah. The separation took a tremendous amount of energy from him. Dr. Fericks is going to be out of commission and weak like that for a few days.

Lana: He is really exhausted and weak.

Camie: No kidding. Poor guy.

Varie: Yeah but he will be better soon.

Nico: Better exhausted than dead.

Qin: Yeah. But at least he is okay.

Uta: Yeah he sure is.

Frictor: I'm glad he is all right though.

Crag: All of us are.

Camie: Same here.

Tsuyu: Yeah no kidding. Frax was mutated somehow and left for dead. But now he is back to what he was before.

Lola: Yeah no kidding.

Me: I talked it over with Jenn and his crimes will warrant a little bit of community service. But don't worry. I got just the job for him.

Nico: Really?

Me: Yep. Gardening in our garden.

Nico: Good idea.

Me: It's going to be a while before he's back to full strength though.

Maria: Still can't believe that Ransik pulled Frax out of Doomtron right before it blew up.

Me: That was a big risk but it ultimately paid off and he proved that he redeemed himself to Frax.

Nico: It sure did. Ransik proved that he changed.

Xenia: He sure did.

Lola: I'm proud of him.

Uta: All of us are.

Leeli: We sure are.

We came across a building adorned with a giant Burns bobble head. We made sure no guards saw us.

Taro: Trixie. Marge. We're here. Are you sure there hasn't been any news on Homer and Timmy?

Trixie Tang: (from Communicator) No. They've been gone for 2 days. Me and Marge are worried. You know what they've been like since…

Lyra: Yeah. We know. But therapy will have to wait until after we find them. And we WILL find them.

Marge: (from Communicator) We know you will, Lyra. We're just worried about whether you'll find Homie and Timmy alive or dead.

Me: Don't worry we don't die that easily Marge.

Taro noticed the powerful weapons the guards have.

Taro: Whoever's behind this is getting ready for a siege. What is he or she up to?

Trixie Tang: (from Communicator) Does it matter? Just find Timmy and Hommer and get the hell out of there. Okay?

Lyra: What are you worried about? It's us we're talking about after all.

Marge: (from Communicator) We may be the most powerful force in the Universe but even we're not THAT invincible.

Me: Marge don't worry. We are now TRULY invincible. We are also truly immortal too. Don't worry. We'll find them.

We went into the building and snuck around quietly. We observed from another room that it was Augustus Burns IV.

Augustus Burns IV: (to his goons) Shut up, idiots. I'm trying to think here!

Captive Cop: (smirks) Does it hurt?

Lyra (giggles): I like that guy.

Me: (GASP) (Whispers) Guys that's Augustus Burns IV. I thought he was in jail after you guys beat him in that auction.

Nico: (Whispers) So did I.

Me: And he had Number 11: Big Eye.

Augustus Burns IV: Shut your stupid mouth! You're just lucky I need you later!

Taro: (to Marge and Trixie) Well, I found the cops, but not Timmy and Homer. Augustus Burns IV has them. But it sounds like he has a plan for them. So at least for now, she's not gonna hurt them.

Marge: (from communicator) Sounds good. Just be careful.

Lyra: It's all gonna work out fine. It always does.

Trixie Tang: (from communicator) How can you be so sure? They haven't been the same since your big mission. They won't even talk about the Crocker or Burns.

Taro: Don't worry, Trixie. We're going to help them as best as we can. It's all we CAN do.

Me: Yeah.

Nico: We better be ready.

Eventually, we entered a room with a massive shrine to Burns in the back, complete with an oversized mechanical version of him. And in the arms of the mechanical memorial was a giant ball, in which Homer and Timmy were contained, sitting in lotus positions, their fists pressed together and their heads down.

Lyra: Marge. Trixie. We found them.

Marge: (from communicator) Thank God. Are they okay?

Taro: They're trapped, but alive. Augustus made a giant Burns monument… thing that's holding a giant hamster ball with Homer and Timmy trapped in it and we can't get to them. And I can't just blast away at it in case he's rigged it with explosives or something. They've got limited oxygen, so we have to hurry. There's a panel that controls the monument, but it needs a keycard. How much you want a bet Augustus has it?

Trixie: (from communicator) Take him down, get that key and save Timmy and Homer.

Lyra: We're on it.

But just then, the speaker systerm came on.

Augustus Burns: I was wondering when you'd show up, Momoi! Simpson and Turner are going to die and you're gonna watch it happen! I just wish it was you and Heartstrings in there instead so you could feel what it's like to choke on your last breath like my father died! You could've saved him, but you didn't! He's gone because you let that Cyclobot and Anoni kill him!

Taro: How convenient how you left out the part that we let the Cyclobot and Anoni kill him because we had to dodge their attacks which were aimed at us in the first place.

Me: Yeah.

Xenia: This is gonna be good.

Qin: Yeah.

Nico: First, we need to find a way to Augustus himself.

Me: Lets see.

I used my X-Ray vision and found him on the top floor of the building.

Me: Found him. Top floor.

Eli: This is gonna be a tough battle though.

We found our way to the top floor. We slowly crept towards Augustus and then Lyra grabbed him by the collar.

Lyra: Just make this easy on you and give me the key, Augustus!

Augustus Burns: You didn't want to save my father. So now, I don't wanna give you the key!

Taro rolled his eyes and reached into Augustus' shirt, pulling the keycard out from it.

Taro: How very clever.

Augustus Burns: No! That's mine! Let me go!

Lyra: If you insist.

Lyra let Augustus go and then, Spiderman webbed him to the floor.

Taro: I was really hoping you could get better without your father. I guess I was wrong.

Lincoln: Now to end him once and for all!

Spiderman: He won't be going anywhere webbed up like this. Saving Homer and Timmy comes first.

Me: Right.

Nico: J.D., Eli, keep an eye on him. Make sure he doesn't move.

Me: Right.

We watched him like a hawk.

Nico used the keycard on the shrine, causing it to throw the ball containing Homer and Timmy to the ground at its feet. This knocked Homer and Timmy out of their meditative trances and Homer delivered a powerful punch to knock the lid off of their prison.

Lyra: You okay?

Homer: What kept you?

Taro: And people say I'm ungrateful sometimes. Maybe next time, you should try not getting captured.

Timmy: What happened to the cops?

Lyra: They should be fine.

Augustus Burns: Forget about them, morons! They'll all be dead soon and so. Will. You!

At that moment, a nearby door raised up to reveal a bomb.

Taro: Crap. How much you wanna bet that's not the only one?

Nico: Taro, you and Lyra get the cops out of here! (to J.D. and Eli) J.D., Eli, help us deactivate the bombs!

Me: Right!

Me and Eli teleported to Nico and everyone.

We saw that it had 2 minutes left!

Me: A V9 Plastique bomb! And it's packed with enough explosive power to obliterate 400 city blocks!

Lyra: (to the cops) Okay, guys. Time to get moving!

Cop 1: What the Hell's going on out there?

Taro: Augustus got a bomb ready to level this place. We've got to get out of here. NOW!

Nico: It's a V9 Plastique Bomb and it has enough power to obliterate 400 city blocks!

Cop 1: WHAT!?

Me: I got this!

I went and took the bomb up into space!

I had to look for a place to detonate it out of harms way!

I found a perfect spot!

Me: Locus' old lair! Perfect!

I threw the bomb to Ringworld and it hit the lair. Then..

EXTREMELY MASSIVE AND POWERFUL FIERY EXPLOSION!

The explosion was felt all over!

Carolina: GEEZ WHAT THE FUCK WAS THAT!?

Sarge: Lets find out!

Then Carolina got a call from me.

Carolina: Carolina?

Me: Carolina, J.D.

Carolina: Hey J.D.! Congratulations on getting rid of Burns and Crocker.

Me: Thanks. Also that explosion you felt was a powerful V9 Plastique bomb that I threw into Locus' lair and destroyed it. Long story on that.

Carolina: So that's what that explosion was!

Me: Yep. Sorry to bring you cause for alarm.

Carolina: No worries.

Taro and Lyra just got the cops out of there when they heard the explosion.

Taro: J.D.?! (sees us nearby) Oh, thank God.

They saw me looking at the building in shock while Augustus looked pleased with himself.

Nico: (growls at Augustus) What have you done?!

Augustus: Ha! Now you know how it feels!

Lyra: They think we're dead?

Taro: Let's correct that.

But then, they saw Augustus get out a knife.

Lyra: Dammit, we won't make it in time to stop him!

But then a Tiger Shark Gene-slammer appeared and bit his hand clear off and he screamed in excruciating pain!

Tiger Shark: (SPITS) (In a girls voice) BLECH! You taste horrible!

Nico: Bella Lewis! WHOA!

Tiger Shark: Nico! Whoa!

Nico: Awesome to see you again. A Tiger Shark fits you perfectly.

Bella Lewis: It sure does.

Lewis went to use his other arm and he grabbed the knife I teleported and kicked him in the face and knocked him down and I stomped on his hand and crushed it and he dropped the knife.

Me: The bomb detonated in Locus' old lair. The cops, Homer and Timmy are safe.

Taro: Thank God you guys are okay.

Homer: Where are the cops?

Lyra: They're fine. It was definitely a plan that could've given any of Crocker and Burns' a run for their money, but we managed to save everyone.

Timmy: We're done here.

Nico: (stops him) Uh uh, Timmy. We need to have a talk with you and Homer. Now.

Me: First this. We banish Augustus to the Black Gates.

Nico: Oh right.

Me: You can go live with your father in the Black Gates forever.

I used the Black Gates on him and banished him there forever.

Nico: Good riddance. Now where were we?

Me: (To Marge and Trixie on the Communicator) Homer and Timmy are safe and alive and all the cops are safe too.

Marge: Oh thank goodness J.D.! Thank you!

Trixie Tang: Yeah thank you!

Me: You're welcome.

Lyra: Homer, I know you and Timmy are haunted because of what happened.

Homer: I just feel like we could've made sure Burms and Crocker didn't have to die.

Timmy: Better yet, before J.D. came along, we could've convinced them to change their ways.

Taro: Are you the reason why Joker killed so many people before? No. He made his own decisions. Same with Luthor. And Maleficent and Xehanort. And Paul and Malfoy. And Kurata and Master Org. And Krytus and Masato Kusaka. It's not your fault Crocker and Burns became who they were. It's not Cosmo and Jorgen's fault either. You should not feel responsible for every decision that scumbags make.

Nico: Besides, if you want to blame someone, blame me. I tried talking them out of their scheme but I couldn't. I should be feeling haunted, not you two.

Homer: No, you shouldn't!

Timmy: It's not your fault. They chose not to stand down.

Nico: There you go. If I shouldn't feel haunted, neither should you two.

Me: Yeah that wasn't your fault guys. Homer, Timmy, Crocker and Burns would never change no matter how hard you try. They are completely irredeemable and they did all kinds of terrible things that made them cross the Moral Event Horizon. They didn't deserve any sympathy at all. Universe 666 Crocker and Burns are the exceptions. But not the prime universe ones.

Bella Lewis: Couldn't have said it better myself.

Me: Thanks.

Bella Lewis: I'm just glad that they are safe.

Nico: Same here.

Eli: No kidding. Now we've officially seen the last of the evils of the Burns legacy.

Qin: No kidding there.

Brittney: Good riddance to bad rubbish.

Leeli: That is for sure.

Camie: Yeah.

Taro: Bella, tell us about yourself.

Bella Lewis: Well I'm a skater and I have an amazing record. I won the X-Games 5 times in a row and I also won many skating competitions and more.

Me: Whoa! That's really impressive.

Xenia: It sure is. Stacy and Otto and friends would love to have you as their partner on their team.

Nico: I was going to say that.

Xenia: Yeah.

Bella Lewis: Thanks.

Me: You're welcome.

Nico: Shall we revert you back or do you want to wait till after the battles with the Anothers?

Bella Lewis: First, let me tell you guys another funny thing about myself!

Me: What is it?

Bella Lewis: I gave the Queen Bee girls in Nico's class a nasty humiliation prank.

Eli: What was it?

Bella Lewis: I stuffed a chocolate bar down their underwear and it melted and made it look like they crapped their pants!

WE THEN BURSTED OUT LAUGHING HYSTERICALLY!

Me: (LAUGHING HYSTERICALLY) THAT IS FUNNY!

Nico: (LAUGHS) YEAH!

Eddy: (LAUGHS) THAT WAS A RIOT!

Maria: Now, that's funny!

Nico: YEAH!

Lola: (LAUGHS) SO FUNNY!

Bella Lewis: I'm ready to revert back.

Me: All right then.

I put on my blind man glasses.

Nicole: No peeking or I will kill you.

The boys covered their eyes.

Me: Just so you know Bella this is gonna be excruciatingly painful.

Bella Lewis: I'm ready.

Me: Here we go. (SNAPS FINGERS)

I snapped my fingers and she doubled over in excruciating pain.

Bella braced herself against the wall

Bella Lewis: KILL ME! IT HURTS! MAKE IT STOP! MAKE IT STOP!

Nico: That hurts.

She was back to normal and she was a girl with aqua blue hair and had blue eyes and had a crescent moon in the middle of her forehead.

Bella Lewis: (GROANS) GODDAMN! That hurt.

She saw that her pants and underwear fell off.

Bella Lewis: My clothes are too big for me to wear!

Rarity: Don't worry darling we can fix this.

The Fashion Brigade then gave her awesome new clothes. She had an aqua blue crop top shirt and had blue pants, blue vest and blue legwarmers and blue shoes and had blue fingerless gloves.

Bella Lewis: Whoa!

Varie formed a mirror and Bella saw herself.

Bella Lewis: Whoa! I look awesome!

Nico: Where were you Gene Slammed?

Bella Lewis: I was over at the skate park practicing for the next X-Games.

Qin: Geez.

Lana: Yeah no kidding.

Lola: But at least you're back to normal now and can change at will.

Bella Lewis: That's true.

Nico: Eli, sense for Swartz's creations.

Eli: Already found them. Another Shadowbolts, Another Universe 666 Zeno Bell and Dufort, Another Universe 666 David Banner, Another Beast (Krull 1983), Another Frictor and Another Gearhead.

Me: Whoa! This will be awesome.

Kia: Cool! So that means me, Jenna and Lina are first.

Jenna: Yep. This will be fun.

Me: Yep this will be awesome girls.

Lola: Yeah!

Nico: I see them!

ZOOM ZOOM ZOOM!

We saw three figures fly in and we saw that they were dark versions of The Shadowbolts! It was ANOTHER SHADOWBOLTS!

Me: Whoa! Another Shadowbolts!

Rainbow Dash: This is gonna be a really awesome battle!

Kia: It sure is!

Jenna: No kidding!

Lina: And you are?

Another Shadowbolts: I believe that J.D. knows me.

They reverted back and we saw that it was a girl with yellow hair and had golden yellow eyes and orange clothes and she had orange angel wings and we saw that she was crying gold? What the.

Me: (GASP) Sarah Audiis!

Sarah Audiis: Awesome to see you again J.D.

Her tears are dripping to the ground and hardening into 24K gold nuggets.

Nico: You okay?

Sarah Audiis: Oh yeah. I am a strange one. As you can see I cry gold.

Nico picked up a nugget and it was completely real!

Nico: It's really real gold! This is completely unheard of!

Lisa Loud: This is an amazing scientific impossibility!

Me: Many people heard about crying diamonds but never gold. The reason is because Sarah was kidnapped and experimented on and given this crazy serum that makes her cry gold.

Nico: WHOA!

Me: Yeah. Read this.

I pulled up a report on the news. It showed this crazy old woman in a straitjacket locked up in an insane asylum.

Nico: (Reading) "Crazy old woman locked up in maximum security insane asylum for insane experiments on kidnapped people!?"

Me: Yep. Read more.

Nico: (Continues reading) "Eleanor McCallister found criminally insane for kidnapping people and poisoning people with a radical serum that makes people cry gold instead of tears so she can line her pockets with gold!?"

Maria: That's insane!

Eli: YEAH!

Sarah Audiis: I escaped from there and reported her.

Nico: Good.

Camie: She can stay there till she dies.

Me: Looks like Grim has a new reaping victim to go get.

Lina: Either way, we have a job to do.

Me: Firstly are the rest of the Anothers for today friendly or hostile?

Sarah Audiis: Friendly. And you will be surprised what the Another Universe 666 David Banner is.

Me: Thank goodness Hulk isn't with this group or he would go ballistic. He hates his father with a vengeance.

Nico: Yeah.

Girl Jordan: First lets separate you.

Leeli: Yeah.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background.

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

Fast to sleep

Fast to sleep

Dark holoré in the Deep

Rise again holoré now

Spring abundant holoél

Render green the dying bough

Raise the rock where Yurgen fell

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Spring abundant holoél

She glowed and Sarah was separated from the Another Shadowbolts!

Nico: Nice!

Lina: Lets get them girls!

They fired waves of energy and blasted the Another Shadowbolts and I caught the Wonder Ride Book. It was called The Gold Tear Princess and the Quicksand Damsels and the Kingdom of the Dark Horses.

Me: Awesome title.

Nico: Yep. Next.

Me: Another Universe 666 Zeno Bell and Dufort.

Nico: Who do we call for that?

Me: Zinnia Zeus the Lightning Rod Gene-slammer.

Nico: All right then.

Maria called her in.

THUNDERCLAP! THUNDERCLAP! THUNDERCLAP!

In a bolt of lightning came Zinnia Zeus!

Zinnia Zeus: I'm here in a flash of lightning!

Qin: Yeah you are!

Nico: There they are!

We saw ANOTHER UNIVERSE 666 ZENO AND DUFORT!

Nico: Here we go.

Zinnia Zeus: This is gonna be electrifying.

Lola: Yeah.

Me: And you might be?

Another Universe 666 Zeno and Dufort: (In a girls voice) I believe you know me J.D.

They reverted back and we saw that it was a girl with red hair in pigtails and she had red clothes and had red eyes.

Me: (GASP) Zina Magnus! Whoa!

Nico: You know her?

Me: Yep. She's my friend from science and we specialized in lightning.

Nico: Nice!

Zinnia Zeus: Sorry we have to do this.

Lincoln: First this.

He fired a beam of light and separated Another Universe 666 Zeno and Dufort from her.

Zinnia Zeus: Now for some real lightning.

Another Universe 666 Zeno: BRING IT ON!

Zinnia Zeus: One Strike and You're Out!

She fired a blast of lightning and it hit them both and they exploded!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

I caught the Wonder Ride Book and it was called The Lightning Princess and the Mad Momodo King.

Me: Fitting.

Nico: Yep. Next.

Me: Another Universe 666 David Banner.

Qin: Oh boy.

Nico: Who do we call for this?

Me: We haven't assigned anyone yet for this one. So I'll face this one.

Nico: Okay.

Qin: Here we go.

Lola: Yep.

Nico: (telepathically) Okay, anyone want to volunteer to help J.D.?

Maggie Marluxia flew in.

Maggie Marluxia: I will. I think I found my archenemy.

Lola: Awesome!

Me: Awesome Maggie. Okay you are the Archenemy of Universe 666 David Banner.

Maggie Marluxia: Awesome! Boy this guy is going to feel my flowery wrath.

Nico: Okay. How about you tell that to him right now?

Out of the wall came a figure and it was ANOTHER UNIVERSE 666

DAVID BANNER!

Maggie Marluxia: Whoa! That is crazy! It's like he can merge with the elements.

Lola: That's like Absorbing Man's powers.

Lana: Yep.

Another Universe 666 David Banner: (In a girls voice) And I hate being in the earth.

Me: (GASP) That voice.

She reverted back and it was a girl with blue hair, blue eyes, and had the Kanji for Water in the middle of her forehead and she had blue clothes, blue angel wings and had Demyx's sitar and had the kanji for The 9 Tides of the Melodious Nocturnes on her skirt.

Me: (GASP) Denise Demyx!

Denise Demyx: Awesome to see you again J.D.

Me: Same here.

Nico: If I had to guess you are the gene-slammer of Demyx.

Denise Demyx: That's right.

Me: Wow!

Maggie Marluxia: From one Organization XIII Gene Slammer to another, I'm sorry we have to do this.

Denise Demyx: I know Maggie. I know.

Lincoln: I got this.

Lincoln fired a blast of light and separated her from Another Universe 666 David Banner!

Maggie Marluxia: Now to unleash the wrath of the flowers!

Maggie formed a swirl of flowers and she formed her scythe!

Maggie fired waves of flowers and blinded him and then she slashed him and cleaved him in two! Then he exploded!

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

i caught the Wonder Ride Book and it was called The Melodious Nocturne and the Mad Elementalist of Evil.

Me: Cool title.

Qin: Yeah.

Me: Another Beast of Krull 1983 next.

Eli: Godzilla 2014 for that one.

Eli then whistled.

Then a roar was heard! Out came GODZILLA 2014!

Qin: Whoa!

Lola: A Kaiju battle with Another!

Lana: Yep!

Nico: Awesome!

Then Another Beast of Krull came!

Lola: There it is!

Nico: And you are?

Another Beast of Krull: (In a girls voice) I believe that J.D. knows me.

She reverted back and was a girl with red hair and green eyes and she had blue and red clothes and had blue angel wings and had green tail feathers.

Me: Amy Woody Woodpecker!

Nico: Whoa! Are you a hybrid of…

Amy Woody Woodpecker: I sure am. Hybrid of Woody Woodpecker. HAHAHAHAHA HAHAHAHAHA HAHAHAHAHA! (PECKS NICO ALL OVER)

Nico: (laughs) How about you do that to Poromon?!

Amy Woody Woodpecker: (LAUGHS) Nah. The Mascots are too cute for that. But I will do it to Wally Walrus and Ms. Meanie.

Lola: Good call there.

Nico: Godzilla is sorry he has to fight you like this.

Amy Woody Woodpecker: No worries.

Lincoln fired a wave of light and separated her.

Amy Woody Woodpecker: Oh yeah!

Godzilla 2014 roared. He then charged his atomic breath and then fired and blasted down Another Beast of Krull and he exploded!

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOO

I caught the Wonder Ride Book and it was called The Woodpecker and the King of the Monsters and the Devil Beast.

Lola: Fitting title.

Me: Yep. Another Frictor next.

Uta: There he is!

We saw a dark figure and it was ANOTHER FRICTOR!

Frictor: YE MORTAL FOOLS HAVE AGITATED ALMIGHTY (ECHOING) FRICTOR! MASTER OF (ECHOING) FRICTION!

Me: This will be good.

Qin: Yep.

Uta: And you are?

Another Frictor: (In a girls voice) I believe that J.D. knows me.

She reverted back and she was a girl with purple hair and had purple eyes and blue and dark blue clothes.

Me: Fiona Frictrola! Whoa!

Fiona Frictrola: Awesome to see you again J.D.

Me: Same here. Fiona is my friend from science and she specialized in friction.

Qin: Cool! Fitting for her.

Uta: Let's do this!

Lincoln fired a beam of light and separated her from Another Frictor!

Another Frictor: YE MORTAL FOOLS HAVE AGITATED ALMIGHTY (ECHOING) FRICTOR! MASTER OF (ECHOING) FRICTION!

Uta jumped and used amazing parkour moves and she swooped in and bashed him down with powerful force and I caught the Wonder Ride Book. It was called The Bubble Parkour Princess and the Master of Friction.

Me: Fitting.

Nico: Yep.

Me: Lastly we have Another Gearhead.

Nico: There he is!

We saw a figure and it was ANOTHER GEARHEAD!

Qin: This is amazing.

Eli: Yep.

Nico: Who are you?

Another Gearhead: (In a gears voice) I believe J.D. knows me.

She reverted back and it was a girl with black hair and yellow and black clothes.

Me: (GASP) Talia Gearstorm.

Talia Gearstorm: Awesome to see you again J.D.

Nico: You know her J.D.?

Me: I sure do. Talia is a technomancer and she can make anything from vehicles and junk.

Qin: That is cool!

Kaito: (Gets out Revice gear) Did Swartz promise you anything?

Zocks: (Gets out Saber gear) Because we can grant it instead.

Kaito got a Revice Sword and Zocks got a Saber sword.

Talia Gearstorm: Just to be a great technomancer and have the power to make my enemies get their butts kicked.

Me: That we can easily do.

Qin: Yeah it will be fun.

Talia Gearstorm: Yep.

Me: Sorry we have to fight like this.

Talia Gearstorm: No worries.

Sougo: (gets out Revice Ridewatch) We should introduce you to the junkyard.

Geiz: (Gets out Blades Ridewatch) There's plenty of things you can build there.

Sougo got ReviceArmor while Geiz got BladesArmor.

Talia Gearstorm: That always is a good place to begin there.

Nico: Yep.

Talia then turned into Another Gearhead!

Me: This will be good.

Nico: (gets out Gearhead's Ridewatch) I hope there's a vehicle nearby.

Nico saw a car and he activated the ridewatch and formed the car into a ray gun. Nico fired waves of energy and smashed her down.

Nico: Yeah! Now for some friction! (ACTIVATES FRICTOR'S RIDEWATCH)

He rubbed his hands really fast and fired a beam of red energy and smashed her down.

Me: Oh yeah!

May: (gets out Aligned Scowl's Ridewatch) It's Hammer time!

May activated it and fired waves of energy and smashed her down.

May: And here is a good one! (ACTIVATES SIR PANTSALOT OF DROPSEAT MANOR'S RIDEWATCH)

She got a mace club and bashed her all over the place.

Qin: Oh yeah!

Maria: (gets out Lard Lad Statue's Ridewatch) Homer, you'll like this one!

Maria activated it and a huge donut appeared in her hand and she bashed her all over.

Qin: OH YEAH!

Maria: And this one! (ACTIVATES MINGY JONGO'S RIDEWATCH)

She fired waves of magic and smashed her down.

Uta: My turn!

She activated Frictor's Ridewatch and she fired waves of energy and smashed her down.

Then Kyd Wykkyd, Black Baron, Hades Beast Manticore, Scarlet, Big Top Werewolf, and Ice Kate & Kid Kold came.

Nico: Nice team Kyd Wykkyd!

Kyd Wykkyd: Thanks Nico.

Lola: This will be fun!

Xenia: Yep!

Kyd Wykkyd: We saw the explosion.

Me: At least it didn't detonate here.

Lola: Yeah no kidding.

Qin: Yep.

But then we smelled something horrible!

Me: (SNIFFS) WHEW! MAN WHAT STINKS!?

Nico: Oh man!

Then we saw a Klefki!

Me: Hey a Klefki! Awesome!

Nico: Yeah!

Klefki: (In a girls voice) That smell is me.

Nico: Stella LeParadox!? Whoa!

Me: Wait a second! You mean you're…

She reverted back and was a girl with black hair and black clothes and she had a skunk tail and black angel wings.

Stella LeParadox: Yep. Daughter of the infamous Cyrille LeParadox. But unlike him I do it right. I got this.

She fired waves of energy and smashed her down and I caught the ridewatch and purified it. I brought Talia over.

Nico: Who stepped on a duck?

Stella LeParadox: Sorry. I can't help it.

Uta: What's your favorite memory of Nico?

Stella LeParadox: When me and Nico stole the loot of all the Queen Bee girls and pinned the blame on numerous bully jerks we hate.

Me: Very clever.

Qin: Yeah.

Nico and Stella hugged.

Nico: I'm missed you.

Stella LeParadox: Me too Nico. Me too.

We went back home.

Jessica Bailey's psychopathic nature was becoming far more dangerous as her laughter became more and more psychotic and insane and she charged at us to kill us all and slake her thirst for blood, but Lincoln fired black and blood red energy blasts from his massive greatsword which transformed into blades and the blades hit and pierced Jessica Bailey and the blades sucked out every last bit of blood and life energy from her body and Lincoln absorbed her blood and life energy and as soon as Lincoln was done, Jessica Bailey was reduced to a desiccated corpse and he sent her soul to The Black Gates forever. We cheered as we holstered our weapons and powered down.

Lincoln: You've had this coming for a long time, Jessica, now you will be forgotten forever for what you have done. (To Melania Douglas) And it's so good to see you again, Melania Douglas.

Melania Douglas: You too, Linky, it's been such a long time.

Lincoln went up to Melania Douglas and he hugged her, and Melania Douglas is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, fine hair on his massive forearms and short stubble on his jawline, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you nine since you were seventeen, and as you can see, I really grew a lot since then.

Melania Douglas: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 17-year-old 7'9" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, fine hair on your massive forearms and short stubble on your jawline and many accessories, that's really new, along with getting He-Man's chest harness. You've really really grown a lot in height and become a man, but you're still the same kind boy from long ago. Plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and he's become truly immortal.

Me: And Lincoln, you know this sexy mama?

Lincoln: Indeed I do, J.D., this is Melania Douglas, Embodiment of

The Merman Race, she's my Guardian Angel from Michigan, and she was born with not only the dark powers and strengths of the mermen, but she was also born with the dark powers and strengths of The Merman and none of their weaknesses. Adriene's known for defending Lincoln with a fierce passion not only from his enemies, but also from the heartlessness of Lori, Lynn, Lola, Lisa, and Luan, and she's also gotten along well with Leni, Luna, Laney, Lana, Lily, Lynn Sr., and Rita, and just like me and the other vampires, she feeds on blood bags from the blood bank, and she also knew of me being a powerful Alpha Vampire-Werewolf-Cyborg Hybrid, and she's also friends with Lucy and her friends in The Young Morticians' Club.

Victoria Kurenai: And she's also among the many members of The Michigan Supernatural Defense Force, a group of vampire hunters formed by Lincoln, the other Kamen Rider Kiva embodiments, and the embodiments of The Wolfen Race, Merman Race, Franken Race, Fangire Race, Kivat Race, Doran Race, Legendorga Race, Mermaid Race, Ghost Race, Gigant Race, Hobbit Race, and Goblin Race, and their job is to defend Michigan, Royal Woods, and Great Lakes City from the threat of evil vampires, evil werewolves, and other evil supernatural creatures of the night.

Ravenna Amaranth: We also teamed up with The Ghosthunters Club and other clubs for some of their more dangerous missions involving powerful vampire lords, werewolves, witches, warlocks, demons, and demon lords. Lincoln made Melania a beautiful necklace with white pearls and a blood red gem for the pendant, and to show thanks, Melania kissed Lincoln on the lips underneath the full moon as the wolves howled and the vampire bats flew to enjoy the darkness, and she hates Pablo and Anderson with a burning passion, and she absolutely loathes and despises King, the ruler of The Fangires, along with The Checkmate Four, along with The Legendorga with an absolutely intense and burning hatred for what they've done, and that absolutely intense and burning hatred is so powerful that all Fangires and even The Legendorga were absolutely afraid of her, even Takato Shiramine and Takashi Sugimura, leader of The Legendorga, fear the Embodiment of The Merman Race.

Me: Whoa!

Nico: Damn, she's really that powerful?!

Lincoln: Yep, and we've taken down many evil monsters long ago, and her skills in The Dark Arts and darkness are never to be underestimated. Plus, she also taught me how to use the powers of The Merman Race, and she's also one fast swimmer.

Nico: That's right, the Merman Race are known as fast swimmers.

Me: It's too bad we didn't get a chance to meet you last year when we went after King and his minions.

Nico: Yeah, that was a bust, you would've kicked some serious Fangire and Legendorga ass.

Marianne Shelly: Yeah, I would've wanted to kick King, Takato, and Takashi's asses hard, along with beating up the other Legendorga and the other members of The Checkmate Four, but, I'm so glad to hear King and the rest of The Checkmate Four, along with Takashi Sugimura and Takato Shiramine got The Black Gates.

Selena Kurenai: They were nothing but bastards, every last one of them, except for Maya who was once The Pearlshell Fangire along with Mio Suzuki, but she got turned against her own will.

Lincoln: And some of the Fangires and The Mummy, Gargoyle, and Medusa Legendorga are now part of The Masters of Evil and some of them are now the archenemies of many of our friends.

Melania Douglas: Wow.

Nico: It sure is, and if they come out for the usual battles and when they see you, please try not to attack them.

Melania Douglas: Okay, but I'll settle for scaring them when they see me, and I may even ask my father to show up.

Lincoln: Good idea, Melania, and now that you're here.

Suddenly, Lincoln hugged Melania Douglas in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Melania Douglas: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Melania Douglas' neck with blood red gems on the gold lightning bolts and green crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck.

Melania Douglas: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Melania Douglas.

Melania Douglas had a smile on her face and tears in her eyes as Lincoln still had his abnormally massive and powerful muscular arms around her, and he leans down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the thirteen girls, and when Lincoln saw who they were, he immediately recognized them. The six girls Lincoln set out to rescue are Raiko the Thunder Elemental and Otoha, Kyouka, Kanadeko, Nene, and Aria from Omega Quintet and the seven girls Ets set out to rescue are Moo, Shell, Azul, Red, Pepper, Stressball and Poffy.

Lincoln: Oh wow, it's Raiko the Thunder Elemental and Otoha, Kyouka, Kanadeko, Nene, and Aria from Omega Quintet.

Ets: And Moo, Shell, Azul, Red, Pepper, Stressball and Poffy.

Nicole: Whoa, awesome.

Suddenly, Moo, Shell, Azul, Red, Pepper, Stressball and Poffy jumped on Ets and they kissed him all over his face, massive muscular body, and eight-pack abs.

Lincoln: I knew you'd get jumped like that again, Ets. Are you girls okay?

Raiko: Yes, we're okay, thanks to you.

Then, when Raiko and the other five girls saw who it was that saved them from Jessica Bailey, their faces turned atomic red upon seeing the 17-year-old 7'9" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head, fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with a gold lightning bolt and Ebonwu Squadron emblem emblazoned on his forehead with Third Eye on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, He-Man's chest harness with colored gems on the orange crisscrossing straps and large circular chest plate with phoenix on it, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between the kanji that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made five clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene.

Suddenly, six Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Raiko, Otoha, Kyouka, Kanadeko, Nene, and Aria with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to The World Tree Estate, and the rest of the team were shocked to find out the villain we went after was Jessica Bailey, the major antagonist in the light novel and anime series Date A Live.

But, when Lincoln showed what happened such as all of us giving that murderous bitch the beatdown of her miserable life and Lincoln finishing her off by firing vampiric black and blood red energy blades from his massive greatsword which hit her and he sucked out all her blood and life energy and sent her soul to The Black Gates forever, everyone cheered and hugged us and Lincoln's harem kissed him all over, and they had steam whistling out their ears. Lincoln and Melania Douglas have a lot of catching up to do, now that she's back in town.

Maria: Damn, I never expected to see an old enemy of some of your future wives to show up, but it's been a long while.

Lincoln: I know, but I haven't lost my touch when it comes to putting down the enemies of my future wives.

Me: You got that right.

Nico: But, if any more old enemies of your future wives show up, well, you know what'll happen to them.

Lincoln: Yep, torn to shreds and sent to The Black Gates.

---

After getting rid of Jessica Bailey and this time for good, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Melania Douglas saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her faces, hearts in her eyes, and her nose was bleeding.

Melania Douglas: My God, I was right that Lincoln's really grown into a 17-year-old, 7'9" tall, really big, handsome, and really strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been bodybuilding and working out for many years. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Melania, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Melania Douglas: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling

and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Melania Douglas: Oh man, I knew it was only a matter of time before he told everyone that story.

Nico: Yep. So, Melania, what's the story on why you hate Pablo and Anderson with a burning passion other than for the obvious reasons?

Melania Douglas: Now, that's something I haven't forgotten, but their attempted attack was foiled by our security system at our gym alerted us of their presence.

Melania Douglas pulled up a video and it played on the screen, and it shows Lincoln and Melania, along with his other Guardian Angels in their personal gym that Lincoln and his Guardian Angels had built and go to, and they were working out in their gym and Lincoln was 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever and they were really working up a sweat. Suddenly, their alarm sounded, and the computer showed them who it was that triggered the alarm: it was those two buttface psychopaths, Pablo and Anderson and they were out for blood.

Past Melania Douglas: Ugh, not those buttface psychopaths again!

Past Lincoln: Ugh, I should've known there was no mistaking them from anywhere. Well, we better take care of them at once.

Lincoln and his Guardian Angels put down the weights and headed outside where they saw those two buttface psychos out for blood, and they ran at them, but Lincoln and Melania fired powerful blasts of water which drenched those two buttface psychos hard, and right into a straitjacket trap Lincoln set up and they were tied up in straitjackets and loaded into a police car which took them to prison.

Past Melania Douglas: Wow, that was one awesome trap you set up, Lincoln.

Past Lincoln: They made a big mistake in trying to attack us, and look at what happened.

Suddenly, Melania Douglas wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face and muzzle, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Melania Douglas' face, they kissed passionately as she moved her arms and placed her hands on Lincoln's massive pecs as the video ends.

Nico: (LAUGHS) Oh man, now that was one slick move: you and Melania blasted them with waves of water and they got caught in a straitjacket trap you set up and they also got taken to jail, nice.

Lincoln: Thanks, and we also relied on the fact that they're dumber than a truck tire and didn't see it coming.

Me: They sure were dumber than a truck tire.

Laney: Those buttfaces didn't know when to quit, all they wanted was to kill Lincoln and everyone all around him, they were that dangerous.

Nico: They sure were, but now, they're nothing more than humiliation fodder, and we've been really giving them nothing but pain for all their crimes.

We got a shower, and then, Lincoln, Arcana Triumph Joker, Bloom Harmonist the Melodious Composer, Gem-Knight Lady Brilliant Diamond, Witchcrafter Edel, Witchcrafter Genni, Witchcrafter Haine, Witchcrafter Madame Verre, Witchcrafter Pittore, Witchcrafter Potterie, Witchcrafter Schmietta, and Witchcrafter Vice-Madame are heading to Jolly Roger Bay.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'9", handsome and extremely muscular man was dressed in his new large orange speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Arcana Triumph Joker, Bloom Harmonist the Melodious Composer, Gem-Knight Lady Brilliant Diamond, Witchcrafter Edel, Witchcrafter Genni, Witchcrafter Haine, Witchcrafter Madame Verre, Witchcrafter Pittore, Witchcrafter Potterie, Witchcrafter Schmietta, and Witchcrafter Vice-Madame are dressed in the two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Arcana Triumph Joker: Wow, so this is Yoshi's Tropical Island, it sure is beautiful.

Lincoln: It sure is, Arcana Triumph Joker, and it's perfect for our first date. Shall we?

Lincoln, Arcana Triumph Joker, Bloom Harmonist the Melodious Composer, Gem-Knight Lady Brilliant Diamond, Witchcrafter Edel, Witchcrafter Genni, Witchcrafter Haine, Witchcrafter Madame Verre, Witchcrafter Pittore, Witchcrafter Potterie, Witchcrafter Schmietta, and Witchcrafter Vice-Madame dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, then they went back to the beach and they also had a game of volleyball, and Arcana Triumph Joker, Bloom Harmonist the Melodious Composer, Gem-Knight Lady Brilliant Diamond, Witchcrafter Edel, Witchcrafter Genni, Witchcrafter Haine, Witchcrafter Madame Verre, Witchcrafter Pittore, Witchcrafter Potterie, Witchcrafter Schmietta, and Witchcrafter Vice-Madame got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, but then, they saw hulking muscle-bound thugs hired by Trina Riffins coming after them, but Lincoln grabbed each of them one by one and he'd sucked out their muscle mass and strength and made them thin as rakes and completely weak and he sent them to The Black Gates forever.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Arcana Triumph Joker, Bloom Harmonist the Melodious Composer, Gem-Knight Lady Brilliant Diamond, Witchcrafter Edel, Witchcrafter Genni, Witchcrafter Haine, Witchcrafter Madame Verre, Witchcrafter Pittore, Witchcrafter Potterie, Witchcrafter Schmietta, and Witchcrafter Vice-Madame, and they hugged the girls in their abnormally massive and powerful muscular arms, and Arcana Triumph Joker, Bloom Harmonist the Melodious Composer, Gem-Knight Lady Brilliant Diamond, Witchcrafter Edel, Witchcrafter Genni, Witchcrafter Haine, Witchcrafter Madame Verre, Witchcrafter Pittore, Witchcrafter Potterie, Witchcrafter Schmietta, and Witchcrafter Vice-Madame placed their hands on the massive pecs of Lincoln and his clones, and then, they shared a passionate and romantic kiss. Then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face, massive muscular body, and eight-pack abs.

Nico: Whoa, looks like someone really had an awesome time at Jolly Roger Bay, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, eleven Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Arcana Triumph Joker, Bloom Harmonist the Melodious Composer, Gem-Knight Lady Brilliant Diamond, Witchcrafter Edel, Witchcrafter Genni, Witchcrafter Haine, Witchcrafter Madame Verre, Witchcrafter Pittore, Witchcrafter Potterie, Witchcrafter Schmietta, and Witchcrafter Vice-Madame with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Arcana Triumph Joker, Bloom Harmonist the Melodious Composer, Gem-Knight Lady Brilliant Diamond, Witchcrafter Edel, Witchcrafter Genni, Witchcrafter Haine, Witchcrafter Madame Verre, Witchcrafter Pittore, Witchcrafter Potterie, Witchcrafter Schmietta, and Witchcrafter Vice-Madame are now in your harem.

Nico: It's going to be awesome having the Witchcrafter monsters in Lincoln's harem, and each of the Witchcrafter monsters are named after the words in various languages related to artisan crafts,

Jenna: And Trina Riffins had some nerve trying to kill them, that heartless murderous bitch's just making things much worse for herself.

Serena Logan: Trina really is a murderous rage-crazy bitch to try those sorts of stunts, but just like Flip, she's just making things worse for herself.

Rarity: And trying to kill Arcana Triumph Joker, Bloom Harmonist the Melodious Composer, Gem-Knight Lady Brilliant Diamond, Witchcrafter Edel, Witchcrafter Genni, Witchcrafter Haine, Witchcrafter Madame Verre, Witchcrafter Pittore, Witchcrafter Potterie, Witchcrafter Schmietta, and Witchcrafter Vice-Madame, now she's really going to get it.

Lincoln: And we also had a run-in with more of her hulking muscle-bound hired thugs to kill us yet again, but I sucked out their muscle mass and strength and killed them all and sent them to The Black Gates, and she should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Trina Riffins scream with extreme hatred and rage, and now, she's officially lost her mind.

Maria: Yeah, up yours, bitch!

Nico: If that bitch so much as breaks out and we face her on your rescue, Lincoln, I hope you break every last bone in her body.

Lincoln: Are you kidding, if Trina broke out, Courtney would wind up getting to her before any of us did, and she'd really do a lot worse than the beatdown she gave that rage-crazy Spawn of Satan during The 20 Days of Darkness.

Me: Yeah, and she's lucky we're not giving her The Black Gates because she doesn't deserve it.

Lincoln: Death's too kind for her, she deserves to suffer our humiliations, and from what we've been doing by always winning against evil, it's driving her and the other jerks completely nuts!

Nico: (Snickers) In more ways than one, Lincoln.

* * *

Later it was time for Natalia's 2nd mission.

William: Anyone else want to go with Natalia? Besides Fairy Woman, Girl Jordan, and Cheese?

Nico: We're gonna meet Kit and the others at Grace's books.

Leeli: I said I would be going too.

Qin: Yes you did.

Xenia: Yep.

Camie: Me, Tsuyu, Himiko, Sirius, Kaina, Ochaco and Toru will go too.

Nico: Cool!

Qin: Okay then.

Nico: Lets roll.

We were off to Los Angeles.

---

We arrived.

Kit: Hey guys!

Kase: Hey Kit. Hey guys.

Natalia: (Russian Accent) Kit, this is my archenemy.

Fairy Woman: Awesome to meet you guys. I'm Fairy Woman, Robot made by Dr. Wily and I am a Nature Robot Master.

Chris Ramirez: Wow awesome to meet you!

Girl Jordan: I'm Girl Jordan. But J.D. calls me G.J.

Me: It's her initials.

Leeli: I'm Leeli Wingfeather. Awesome to meet you guys.

Kit: Same here.

Camie: I'm Camie Utsushimi.

Tsuyu: I'm Tsuyu Asui.

Sirius: I'm Sirius.

Kaina: I'm Kaina Tsutsumi.

Ochaco: I'm Ochaco Uraraka.

Himiko: I'm Himiko Toga.

Toru: And I'm Toru Hagakure.

Kit: Wow awesome to meet you ladies.

Toru: Same here.

Cheese: I like chocolate milk.

Me: Oh and this is Cheese.

Kit: The brainless Imaginary Friend. Awesome!

Me: Yep. He has a brain the size of an amoeba but he is really funny and drives our enemies batty.

Len: (LAUGHS) That's funny!

Cheese was desperately reaching for one of the books. Kit wanted to help.

Kit: Here, buddy, let me help you.

Cheese: Let me do it. [swats Kit's hand away]

But Kit was persistent. When he tried to push it closer to the edge, Cheese wasn't happy.

Cheese: Let me!

And when he tried to help him for the third time, Cheese has had enough.

Cheese: NO, LET ME! [bites Kit's hand]

CHOMP!

Kit: OUCH! He bit me!

Me: He doesn't know any better. He's an idiot.

Eli: Yeah he is one of the dumbest members of the team we have next to Billy.

Girl Jordan: Yeah he sure is.

Leeli: But he is really funny.

Kaina Tsutsumi: Yeah.

Master Eubulon: Natalia, I understand you don't have a Ventaran counterpart. But I've made a new Kamen Rider deck just for you.

He gave her a neon orange deck with a Wolf Symbol on it.

Natalia: Wow I'm truly honored.

Camie: That is so awesome.

Eli: It sure is.

Toru: I'll say.

Kit: By the way guys awesome job destroying Crocker and Burns.

Me: Thanks guys. Boy news spread really fast all over the universe like wildfire about that.

Eli: It sure did.

Tsuyu: Yeah everyone can't stop talking about it.

Nico: That was so awesome.

Himiko: Yeah it sure was.

Nico: No kidding.

Camie: But it finally brought an end to an incredibly dark saga for all the team.

Me: Before, during and after The 20 Days of Darkness.

Kit: (laughs) And I only left you guys alone for about a day!

Me: I know! That is crazy! Boy everyone must've been watching that.

Eli: And just recently earlier this morning we killed Burns' illegitimate son Augustus Burns IV and banished him to the Black Gates.

Me: Yep. Years ago we beat him in an auction and sent him to prison.

Nico: He was after a Number Card. Number 11: Big Eye. I outbid him by a longshot and we got the card.

Eli: We sure did.

Nico: Yep. And we battled him and sent his sorry ass to prison.

Kit: WHOA! That is awesome!

Me: Yep.

Kit: I can't believe Crocker was that evil.

Me: He was more than just evil. He was a psychotic megalomaniacal fucked up whackjob.

Eli: Yep.

Nico: Yeah.

Master Eubulon: Anyway, I have reason to believe Albert Cho might be making his move.

Me: Albert Cho? Whoa man I haven't seen him in a while.

Nico: I know.

Me: I thought he would have given up after we killed Xaviax.

Eli: Yep.

Master Eubulon: Hunt will be joining you guys shortly.

Me: Okay then.

Eli: I sense that Albert is right in the Park.

Camie: Then lets get a move on.

Eli: Yeah.

Me: What about his brother Danny?

Kit: My guess is that Danny still doesn't remember he's a Rider. And Albert plans to keep it that way for his own safety.

Me: Well he holds as massive as a responsibility as we do as well as all the riders.

Eli: Yep.

Natalia: Lets head out.

Me: Lets find Danny First. We need his help.

Nico: Good idea.

We went to his apartment and met Danny.

Nico: Sup, Danny.

Me: Been a long time Danny.

Danny Cho: Wow! J.D. it has been a while.

Me: It sure has. Danny we need your help to talk some sense into your brother. You need to be a Kamen Rider again.

Danny Cho: I was a rider?

Me: (In my head) Kit was right. (Out loud) You sure were. Look into my eyes and remember.

My eyes glowed and they showed him that he was INDEED A RIDER! He was Kamen Rider Axe!

Danny Cho: I remember! I will do it.

Nico: Great!

Hunt then arrived.

Hunt: Hey, guys. Sorry I'm late.

Me: Long time no see Hunt.

Hunt: Whoa! J.D. its been a long time. You've gotten bigger and taller.

Me: I know. My powers have evolved a lot. Long story.

Nico: Yep. But we got to head to the Park.

We were off.

Danny Cho: WHOA! You're…

Hunt: (to Danny) I know. It's like looking into a mirror, isn't it?

Danny Cho: I know. It's like I have a twin.

We got to the park.

Eli: He is around here.

Nico: Yep.

We then saw a figure and it was ALBERT CHO!

Me: Target sighted.

We went over.

Me: Albert!

He saw me.

Albert Cho: J.D. Knudson. So you have come.

Me: I knew you still had some ill feelings ever since I killed Xaviax. Sheesh that was 15 years ago. Just let it go.

Albert Cho: Relax. I'm not here for you. I'm here for Girl Jordan.

Girl Jordan: Why?

Albert Cho pressed a button and a time portal opened up.

Albert Cho: (to me) This actually isn't for you. Based on how you've refused Xaviax's offers so many times. (to Girl Jordan) This is a time portal that leads to the day when Carnage ruined your life. What do you say you and I ditch Xaviax and Team Loud Phoenix Storm? If you do, I'll gladly help you go back in time and destroy Carnage before he has a chance to ruin your life along with anyone else's.

Kit: (in realization) Was Xaviax supposed to make this offer?

Albert Cho: Hey, he probably couldn't care less about Carnage. But me? I DO think Carnage is a threat. Besides, Carnage beind erased from the timeline. You can't deny the results that come with that.

From a nearby rooftop, JTC looked annoyed by this.

JTC: (in frustration) Dammit, Cho! Now I'm gonna have to think of a new offer for J.D.! (walks away)

Me: (Senses him) (In my head) So JTC was going to do this one.

Danny Cho: (to me) Don't, J.D. Now's not the right time to take JTC on.

Me: I know that and I'll wait for him.

Girl Jordan: Here's what I say to your offer.

Girl Jordan fired an energy blast and destroyed the remote he had and the time portal closed.

Me: What the fuck is it with villains offering us a chance to go back in time and erase evil!? Honesty, it's about as stale as your brain.

Eli: Yeah!

Me: Why can't they just accept the fact that doing that will endanger the entire universe and destroy everything?

Girl Jordan: That's right! So take your offer and shove it up your ass! SCREW YOU FUCKWAD!

Albert Cho: Well, can't say I didn't try to be nice. Kamen Rider!

He turned into KAMEN RIDER SPEAR!

Hunt: Kamen Rider!

Hunt turned into KAMEN RIDER AXE!

Natalia: Kamen Rider!

Natalia turned into an awesome new rider! She was a neon red, orange and yellow rider and had phoenix angel wings! She turned into KAMEN RIDER STAREON!

Nico: COOL!

Eli: Awesome!

Me: Yeah! KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON 🌙!

Me: (HOWLS)

Eli: YEAH!

Albert Cho: Wait. Danny?!

Danny Cho: Um.. what about me?

Nico: (hands him axe) Here's an actual axe you can use.

Me: You'll regain your powers soon. But it's time to RELEASE THE WOLF! (HOWLS)

A massive wave of blue fire exploded out of me and I was ready to

strike!

I teleported and kicked Albert in his face and kicked him down!

I fired waves of blue fire and burned him all over!

He got up and I dodged his punches and kicks.

He then used his axe on me and I blocked his strikes with my scythe.

I teleported and slashed him on his back.

Kit: Nico, let me show you how mirror travel works.

Kit then went into a mirror.

Nico: WHOA! Like walking through a portal to another dimension!

Eli: YEAH! Try it.

Nico: Okay.

Nico then stepped through mirror and he was in the world of VENTARA!

Nico: Whoa so this is Ventara! But it looks so much like home.

Kit: It sure does.

I teleported and kicked him in his face.

Nico and Kit then emerged from a mirror behind Albert.

Albert Cho: What the?!

Nico: (gets out Gearhead and Overdrive's Ridewatches) Any vehicle will be useful right now.

Me: There!

Nico activated them and used a jeep and formed blasters and he fired fire blasts and smashed Albert Cho all over!

Me: Take this! WOLF MOON FIRE STYLE: FLAMES OF THE CRESCENT!

I fired waves of blue fire crescent moons and blasted him all over!

Eli fired waves of Force Lightning and electrocuted him all over.

Eli: Take that!

Me: The reason I rejected all of Xaviax's offers is because it's like making deals with the devil himself. I don't do that. I kill the most irredeemable of enemies without a single shred of mercy and destroy them without a single ounce of remorse. They brought it on themselves.

Eli: That's for sure!

Me: Yep. Xaviax got what was coming to him! He paid for his crimes! And when he comes back on June 28th, I'm going to personally make sure we give him the Black Gates. I'm going to finish what I started in the past. Now that my powers have come so far over the last 15 years, I will not show Xaviax any form of mercy and I will tear him apart and torture him in the most excruciatingly painful way ever imagined!

Camie: YEAH!

Camie used her Quirk and formed an illusion and it was raining blood from the Aurora Borealis.

Eli: YEAH!

Attack Vent!

Albert called out Megazelle, Omegazelle, and Magazella alongside Gigazelle.

Fairy Woman: Let's a lot of Zelle monsters! (charges at Megazelle)

Meanwhile, Albert armed himself with the Gazelle Stab and charged at Nico.

I teleported and slashed his Gazelle Stab and shattered it.

Nico kicked him in his face and Fairy Woman blasted Albert all over!

Tsuyu fired her long tongue and splatted it in Omegazelle's face and threw him into Albert!

Himiko fired a wave of fire and blasted Magazella all over!

Final Vent!

Albert summons a horde of Zelle Mirror Monsters to surround him and stampede Nico. Albert then emerges from the crowd and delivers a knee strike to Nico's head, knocking Nico into a certain cabbage stand!

CRASH!

Cabbage Merchant: MY CABBAGES!

Nico: (Dazed) Anyone get the number of that truck?

Nico got up and he was dazed!

Nico: OUCH! OKAY THAT DOES IT!

Nico went into a mirror.

I slashed Albert all over and Sirius kicked him in the face! Then Nico popped out of a mirror and punched Albert in the stomach with devastating force and smashed the wind out of him!

Len: My turn!

Final Vent!

Len got the Winglancer and Blackwing's cape form. Len then jumps into the air and performs a drop kick while holding the Winglancer downward, resulting in it being parallel to his legs. Finally, Len's cape forms a drill around him before he strikes Omegazelle.

Omegazelle was blasted down all over.

Eli: YEAH! Take that!

Natalia: Oh, you meant me doing a Final Vent!

Me: Go for it!

FINAL VENT!

She then flew into the air and spun around and then slashed and smashed down Albert with a powerful volcanic lava drill!

Eli: YEAH!

Albert was knocked down.

Me: Now this! SPD MORPHER! JUDGEMENT MODE!

I pressed a button and a white light came on and a timer started.

15 seconds later a Red X Lit up!

Me: GUILTY! Containment!

I fired a blast of energy and locked him in a containment card!

I went over.

Albert Cho: LEMME OUTTA HERE! LEMME OUT!

I picked it up.

Me: Albert Cho A.K.A. Kamen Rider Spear you have failed this city.

Nico: Yep. He'll be perfect for the M.O.E.

Me: And the Universe 666 versions of the riders like Spear, Incisor, Camo and the bad guys will be with the M.O.E. And us.

Eli: Yep.

Kit: Oh, Natalia, can you tell me what your life was like before?

Natalia: Sure. I was born into a rich family and it's amazing. I loved my rich life. I'm from Russia and I am very loving of nature and I know so much about plants and everything. I came from a rich family in Russia that gives food to the poor.

Me: Yep.

Kit: That is cool!

Eli: It sure is.

Goodra reverted back and Alicia Nightroad was a girl with purple hair, purple eyes and had slug eyes on stalks on her head and she had purple clothes and had purple angel wings.

Alicia Nightroad: That was so awesome and cool though.

Nico: It sure was.

Kit: What's your favorite memory of Nico?

Alicia Nightroad: When me and Nico were over in science class and we mixed a powerful chemical concoction of liquid methane and ammonia and nitroglycerin and we made an awesome new explosive. We tested it and hit a gang of jewel thieves and blew them to smithereens and recovered all the jewels they stole.

Me: WHOA! That is cool!

Camie: I'll say!

Nico: Yep.

Nico and Alicia hugged.

Nico: I've missed you.

Alicia Nightroad: Me too Nico. Me too.

---

We later came back.

May: Hey guys! How did it go?

Me: Really awesome.

We told everyone everything and it was awesome!

Lincoln: AGAIN WITH THE TIME PORTAL THING!?

Me: Easy Lincoln I already said that the time portal thing is getting really old and that villains that use that are too stupid to keep doing that. But Girl Jordan took Albert's offer and shoved it up his ass.

Eli: Yep.

Lincoln: Good.

Me: But it was awesome too.

May: That's awesome!

Qin: Yeah it was.

May: Next time, Kyojuro, Dr. Nick, and Ripster should go with you guys.

Me: Awesome idea!

Lola: Yeah!

Nico: Yep.

* * *

Sailor Mars was in her room brushing her hair.

Sailor Mars: Serena is a stupid girl that can't get a date and she is such a stupid meatball headed dummy that will never get a job. She doesn't deserve to be anything. I don't know what Luna was thinking making her a Sailor Soldier and I should have been the leader. She's a selfish, clumsy, dumb idiot.

Sailor Moon heard that and Then SHE EXPLODED INTO A MASSIVE BURST OF RAGE!

Sailor Moon: (ENRAGED GROWL AND SCREAMING) REI!

She went at Sailor Mars and brutally attacked her!

---

We were watching TV and Lincoln and Girl Jordan were kissing and making out and it was awesome.

Lincoln: Oh Girl Jordan.

Flame Wingman: I honestly am proud of you, Girl Jordan.

Girl Jordan: Thanks Flame Wingman.

CRASH!

We saw Sailor Moon and Sailor Mars fighting in a brutal fight cloud!

Alice: We need to stop this!

Me: Right!

Me and Nico grabbed Sailor Moon and Varie and May grabbed Sailor Mars!

Me: All right You two break it up!

Nico: That's enough you two!

Me: What the fuck has gotten into you!?

Sailor Moon: Rei insulted me! She said all kinds of horrible things about me!

Me: What did she say to you?

Sailor Moon: She called me a stupid girl that can't get a date an I was such a stupid meatball headed dummy that will never get a job. She said that I didn't deserve to be anything. She said she didn't know what Luna was thinking making her a Sailor Soldier and that she should have been the leader. She called me a selfish, clumsy, dumb idiot.

We gasped!

Me: (SCOLDING) REI THAT IS INCREDIBLY MEAN!

Nico: HOW CAN YOU BE SO CRUEL!

Infernape then grabbed Rei and Serena's heads and bonked them together.

BLANG!

Sailor Moon and Mars: OUCH!

Infernape: (to Eli) Ha! I can bonk heads too!

Eli: Nice one. Looks like you, me and Muscle Pig are a team of enforcers.

Me: Ouch. That has got to hurt.

Qin: Yep.

Dirge: Just like slamming those barrels together, huh?

Infernape: Yep.

Me: But Rei you need to pull that stick out of your ass and stop harassing Sailor Moon like that!

Nico: Yeah!

Sailor Mercury: They are right Rei! Apologize now!

Rei: (sighs) Okay, Serena. I'm sorry. I admit that was very mean, even for me.

Sailor Moon: Okay I forgive you. Uh guys can you let go of my arms? You're hurting me.

Me: Oops sorry Serena.

We let her go and she rubbed her arms.

Varie and May did the same to Sailor Mars.

Rei: We'll still argue from time to time. But I won't say anything else too mean!

Me: Good.

Then there was a knock at the door.

Me: (Imitating Mr. Krabs) (Singsong) Come in!

In came a Carbink.

Me: Cool a Carbink!

Qin: Awesome!

Lola: Ooh dazzling.

Blades: Who are you?

Carbink: (In a girls voice) Just a girl Nico knows.

Nico: Jewel Knightjewel!? Whoa!

She reverted back and she was a girl with blue hair and it was sparkling like a diamond and she had blue eyes and had a blue diamond in the middle of her forehead and she had blue sparkling clothes and had blue angel wings that were sparkling and dazzling and she had a blue jewel sword.

Jewel Knightjewel: Awesome to see you again Nico.

Nico: Same here.

Me: Wow your clothes are really dazzling and beautiful.

Rarity: Oh they sure are darling and they really sparkle and glisten.

Nico: Yep.

Jewel twirled around.

Jewel Knightjewel: Me and Nico made this awesome dazzling dress and the accessories. It was for fashion school and my clothes became popular very fast.

Xenia: That is an awesome outfit.

Lola: Yeah.

May: It sure is. What's your favorite memory of Nico?

Jewel Knightjewel: When me and Nico made dresses like this in every color of the rainbow.

Nico: It wasn't easy but we did it.

Qin: That was so awesome.

Nico: Yep.

Nico and Jewel hugged.

Nico: I've really missed you.

Jewel Knightjewel: Me too Nico. Me too.

Roxas: Are you and Homer feeling better, Timmy?

Timmy: We sure are.

Homer: Yeah!

Homer was eating a whole box of donuts.

Qin: That's our loving Homer!

Timmy: (LAUGHS)

Nico: Yeah!

The Previous group came.

Number 7: May me, Zs'Skayr, Dark Spicer, Patty & Selma, Evil Green Ranger, Vanitas, Springfield Mafia, Cantwell, Wiggum and Ghost go with you all?

Selma: I get the feeling the next mission will be a little strange.

Me: What makes you say that?

Selma: A Hunch.

Nico: Also yes you all can come with us.

Camie: Awesome.

Natalia: Yeah!

Selma: Great! And Albert Cho will make a great member of the M.O.E.

Me: Cool.

Suddenly, Lincoln's deep sapphire eyes and rainbow iris of his Third Eye glowed, and he had a vision and he saw who it was that we were going to confront: it was none other than our old enemy, The Red Queen, and she has escaped from the Outlands and is coming back to Wonderland to seek revenge on us for ruining her rule years ago. When we saw it, we knew it meant trouble.

Nico: Lincoln, what's wrong?

Lincoln: Nico, everyone, we've got a huge emergency, I had a vision and I saw who it was that we're going to face today: it's none other than our old enemy, The Red Queen, and she has escaped from the Outlands and is coming back to Wonderland to seek revenge on us for ruining her rule years ago.

We gasped in shock.

Me: The Red Queen has come back?! Oh, that bloody tyrant just doesn't know when to quit, does she?!

Nico: Clearly, she doesn't, dude. Well, now she's done it, we're going to end her once and for all and see to it that she gets The Black Gates forever.

Eli: That monster deserves only death for her crimes!

Stalker: Nico, which Gene Slammers do you think you'll meet next?

Nico: These two will be scary ones. Trevenant and Gourgeist next.

Qin: OOH! That will be cool!

Lola: Yep.

Suddenly, Lincoln's deep sapphire eyes and rainbow iris of his Third Eye glowed, and he had a vision and he saw who it was that we were going to confront: it was none other than our old enemy, The Red Queen, and she has escaped from the Outlands and is coming back to Wonderland to seek revenge on us for ruining her rule years ago. Eli: That monster deserves only death for her crimes!

Me: That's for sure!

Nico: Yep. First we'll watch the movie Alice in Wonderland from 2010 and then we'll head out.

Qin: Good idea.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow

colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was none other than Anise, the overarching main villainess of the World of Mana video games series, and she's here to destroy the world. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is someone coming after us?

Lincoln: You guessed it, Rayman, and this is something you won't like, Nicole: the dark energy signal and the figure we sensed belongs to Anise, the overarching main villainess of the World of Mana video games series, and she's here to destroy the world.

Nicole: (Gasps) Oh God, not her. That witch is a dangerous threat not only to the world, but also, to the entire multiverse. That's it, we need to destroy her once and for all.

Okalani Xayavong: That'll be left to me and Lincoln, Nicole, we'll not let that chaotic destructive witch get away with her crimes.

Nico: So, you guys got an evil goddess to destroy later on, but we've taken down many evil gods and goddesses for years, so she'll be taken down in the same way. Alright, gang, let's go, it's time we get rid of The Red Queen once and for all.

Lincoln: The Red Queen has caused Wonderland enough trouble for the last time, this time, she'll die here and now and she will never come back, and once we get rid of The Red Queen, you're next, Anise.

Okalani Xayavong: There shall be no mercy for you, Anise, as The Gene-Slammer of Lady Rose Diamond, we shall see to it that your crimes against the world and the multiverse are punished, and you shall be destroyed here and now!

Lana and Lola came and got some popcorn.

Camie: So we're going after Iracebeth of Crims, the Red Queen.

Me: Yep.

I pulled up her info.

---

Iracebeth of Crims (also known as The Bloody Big Head), or more commonly known as The Red Queen, is the main antagonist of the 2010 film Alice in Wonderland and its 2016 sequel Alice Through the Looking Glass. She is based upon the character of the same name and Queen of Hearts from the classic novel Alice's Adventures in Wonderland and its sequels.

She is Mirana the White Queen's stubborn and murderous older sister with anger issues, the former master of the Knave of Hearts and the Jubjub Bird, the servant of the Jabberwocky, one of the tyrannical rulers of Underland (alongside the Jabberwocky) and the former arch-nemesis of both Alice Kingsleigh and Tarrant Hightopp the Mad Hatter.

She was portrayed by Helena Bonham Carter, who also played Bellatrix Lestrange in the Harry Potter franchise, Dr. Serena Kogan in Terminator: Salvation, Mrs. Lovett in Sweeney Todd: The Demon Barber of Fleet Street, Dr. Julia Hoffman in Dark Shadows, and Madame Thénardier in Les Miserables.

Ever since Alice Kingsleigh first left Underland, the Horovendoush occurred and the Red Queen had overthrown her sister, the White Queen, before taking control of Underland. Her right-hand man is the Knave of Hearts while she has an army of Armoured Cards, anthropomorphic animals as servants and is shown to have a very bad temper. The Red Queen was so paranoid, she even had her husband executed, believing he would leave her for the White Queen. She was often referred to as Bloody Big Head, possibly because all her power, which she stole, literally went to her head. Her rule was harsh for all of Underland. Those that opposed her rule were hunted down and executed. Even her most loyal advisers feared her so greatly that they would deform themselves with fake noses and ears just so she would not punish them for being more attractive than she was. However, she does show affection for the Knave of Hearts.

On Griblig Day, the Red Queen angrily shrieks that someone had stolen three of her tarts. After finding out it was one of her Frog-Footmen, he is later to be executed. The Queen informs a Fish-Footman to choke the frog's children so she can eat them on a meal with caviar. Upon being informed by the Knave of Hearts that Alice has returned to Underland, the Red Queen assigns Bayard Hamar the Bloodhound, to pursue Alice for his imprisoned mate and children and his own freedom. Later, the Red Queen sees an oversized Alice in her garden, and to avoid suspicion, Alice tells the Queen her name is "Um from Umbridge" while that people make fun of her height. The Queen, not recognizing Alice, accepts her story and welcomes her to her court. Alice soon finds herself at the Red Queen's side and the Mad Hatter's trail, which eventually the Red Queen is persuaded by Tarrant to become her hatter.

The next morning while Tarrant is hatting the Red Queen, she hears the news about how the Knave had advanced towards Alice. The Knave attempts to lie on how it's Um (Alice) that's obsessed with him, which the Queen believes and orders the capture of Alice. Alice returns to Tarrant and Mallymkun, but right away is charged of seduction. However, Alice manages to escape with the Vorpal sword with assistance from the Bandersnatch.

On the day of Tarrant and Mallymkun's execution, the executioner severs Tarrant's head, but his body disappears with only the hat floating in the air. Tarrant was substituted by the Cheshire cat and the real Hatter is up with the Red Queen. Tarrant reveals that all of the Red Queen's followers are slaves and Tarrant makes a speech for all those willing to rebel against the Bloody Bighead to rise and escape to the White Queen's side. In retaliation, the Red Queen orders the release of the Jubjub Bird which terrorizes the people. Tarrant manages to escape with Mallymkun, the Tweedles, Nivens, and Bayard's mate and children, and the Cheshire cat returns his hat and asks Alice how her arm is. The Red Queen then tells the Knave to prepare the Jabberwocky for battle as it is time to visit her sister.

Frabjous day has finally arrived with both Red Queen and White

Queen's armies prepared for an epic battle. Alice dons her armor and wields the Vorpal sword. Both armies arrive at a chessboard-like battlefield for the battle between Alice and the Jabberwocky. After the Jabberwocky is slain, the Red Queen orders her troops to kill Alice, but they no longer follow her since the death of the Jabberwocky. The Cheshire cat crowns the White Queen as once again the queen of Underland. The White Queen banishes the Red Queen to the Outlands along with the Knave. The Knave, unable to live with the Red Queen, attempts to kill her, but is quickly stopped by Tarrant. Both the Red Queen and The Knave are carried off of the battle field and taken to the Outlands for their heinous crimes.

The Red Queen becomes the girlfriend of Time and she wants to rule the universe with him with the power of the cronosphere, the Red Queen discovers who Alice steal the cronosphere and orders Time to find her and killing her. Alice travels in time with the cronosphere and discovers the Red Queen's past: When she and the White Queen was two little girls their parents threats her like she was nothing and ever threats the White Queen like their preferred. One day the Red Queen would have the big and large head who her have now crashed into a statue making her head grows up, her head would become more big and large when she was humiliated incarnation where his father decide to gave the crown to the White Queen making the Red Queen evil and revengeful. The Red Queen would make a revenge on Underland and Tarrant Hightopp (who her believing who was laughing about her big and large head) her captured Tarrant's family and skrunch them prisoning them into a cage for ants, the Red Queen would use in her revenge the Jabberwocky.

In present, the Red Queen reunites with a dying Time who tell to her who he fails and Alice is going to save Tarrant's family, the Red Queen betrays Time and leaves him making him throws away by her guards. The Red Queen captured Alice and Tarrant who are saved by Tarrant's family. The two are prisoned into a cage by the Red Queen together with the others. The Red Queen takes the cronosphere and back to the past taking the White Queen with her.

The Red Queen back to the day where his sister lies for who eat the biscuits and try to change the past meeting her from the past but destroying all universe making her and the whole universe being turned to stone, a stone Red Queen is saved by the White Queen before the White Queen self-being turned to stone. However, Alice making the cronosphere back to his place making the whole universe back to normal and making so the Red Queen back to normal and to live as the all people on Earth. The White Queen apologizes to the Red Queen and the two being two lovely sisters, so she turns better due to being loved by everyone. Finally, she then realizes the meaning of family and hope.

When I was done looking her up it was shocking for us!

Qin: WHOA! She is a tyrant and a monster!

Xenia: Worse than her 1951 counterpart.

Wallflower: Me, Lincoln and Alice are DEFINITELY going to slash her head off for her crimes!

Elena Validus: Let's go there right now.

Nico: You got it. Come on guys! (EYES GLOW RED) We got us a queen to dethrone!

I took out a playing card and threw it and it formed into a door that lead into Wonderland!

Lincoln put up a rainbow energy field around The World Tree Estate and we headed to Wonderland to destroy our old enemy, The Red Queen, who's come back from the dead wanting revenge on us for what we did in ruining her reign years ago, and once we got done destroying The Red Queen, Lincoln and Okalani Xayavong are going to destroy Anise and make that Anti-Goddess pay for every last one of her crimes against the world and the multiverse.

We were off to Wonderland.

---

We arrived.

Evil Green Ranger: This is Wonderland.

Legs: Or at least, it's supposed to be.

Sora: My God. What have they done to Wonderland?

?: The real question is what are you all doing in Underland?

Sora: Mad Hatter. Been a while.

Mad Hatter: Sora! Team Loud Phoenix Storm!? Wow! I didn't recognize you guys. Awesome to see you all again.

Nico: You too Mad Hatter.

Xenia: Been a long time.

Qin: Yeah. What happened here?

Mad Hatter: The Red Queen that's what.

Shade Man: What happened since Sora's visit here?

Mad Hatter: She was overthrown by Alice and the White Queen, her sister and they banished her to the Outlands forever. She came back for revenge. She is going to destroy the entirety of Wonderland and Underland.

Xenia: Oh we got to stop this.

Qin: We came here to help you guys kill the Red Queen once and for all.

Nico: Yeah.

Mad Hatter: Awesome. Alice is at the White Queen's castle.

Nico: Then lets head there.

We went to the White Queen's castle. It was the castle of Mirana of Marmoreal.

Fat Tony: You still haven't explained what happened here.

Louie: Why the Hell does Wonderland look like this?

Mad Hatter: Sorry. The Red Queen came back and has launched a massive hostile takeover. She and the Outlanders and her troops are taking over everything and destroying it all.

Nico: This is horrible.

Qin: Yeah.

Nico: She will definitely pay for this.

Mad Hatter: She will. She also has the Jabberwock with her and it is blasting everything in its path.

Qin: Oh man!

Camie: Who is the Jabberwock?

Me: A horrible evil dragon.

I went over what it was.

---

The Jabberwocky is the overarching antagonist of the 2010 dark fantasy film Alice in Wonderland and the posthumous overarching antagonist in its 2016 sequel Alice Through the Looking Glass.

He is a demonic black dragon who is the ruler of all matter of evil in Underland as well as the Red Queen's champion and master.

He is voiced by the late Christopher Lee, who also played Frankenstein's Monster in The Curse of Frankenstein, Count Dracula in Hammer Studios' Dracula films, Lord Summerisle in The Wicker Man, Francisco Scaramanga in The Man With the Golden Gun, King Haggard in The Last Unicorn, Fu Manchu in Hammer's Fu Manchu film series, Saruman in Sir Peter Jackson's The Lord of the Rings and The Hobbit film trilogies, Count Dooku in the Star Wars prequel films and Cushing Catheter in Gremlins 2: The New Batch.

The Jabberwocky was the champion and master of the Red Queen. Years ago, he, along with the Red Queen's army and the Knave of Hearts sent by her, destroyed a party held by the White Queen and her subjects, allowing the Red Queen to not only gain the crown and control of Underland, but secure the Vorpal Sword (the only thing that can kill the Jabberwocky). The Jabberwocky is referenced, but does not appear until he is called by the Red Queen to fight against Alice during the Frabjous Day. The two fought until they reached the last tower on the battlefield, where the Jabberwocky is finally killed after Alice beheaded the beast with the Vorpal Sword, ending his reign of terror on Underland for good.

With the Jabberwocky now slain, the Red Queen's card soldiers immediately lay down their arms, as without the Jabberwocky to enforce her demands, they no longer fear what she may do to them. The Jabberwocky's blood was then used by the White Queen to transport Alice back to London.

The Jabberwocky is shown in the past helping the Red Queen conquer Underland on Horunvendush Day. It was on that day that Alice traveled back to that she discovered that the Hatter's family was captured, and are therefore still alive in the present. This version of the Jabberwocky was also seen rusting due to the present Red Queen's actions in the past as the others rush back to the present to return the Chronosphere and restore time to normal.

---

When I was done everyone was shocked.

Qin: That monster is bad news.

Xenia: Yeah.

We went into the castle of the White Queen.

Me: Wow.

Nico: Amazing.

Thundercracker: Yo, Alice! You there?

We saw Alice Kingsleigh.

Alice Kingsleigh: (British Accent) Nico, J.D., Everyone! Wow!

Me: Alice!

We went and hugged her.

Alice Kingsleigh: It's so great to see you all.

Me: Same here.

Wiggum: You… remember us?

Alice Kingsleigh: I sure do. Wallflower and you guys helped me defeat the Red Queen before and sent her to jail the second time.

Nico: That's exactly right.

Lola: That is right.

Wallflower: I remember that. That was amazing.

Qin: Yeah no kidding.

Jungle Fury Jarrod: She wasn't called the Red Queen back then

Me: No she was called the Queen of Hearts.

Alice Kingsleigh: That's right. That was just an alias. Her real name is Iracebeth of Crims and she is an absolute evil monster.

Qin: Yeah she sure is.

Xenia: We're not going to let her get away with everything she did.

Alice Kingsleigh: But her sister Mirana of Marmoreal will not kill her because it goes against her vows.

Nico: She may not kill her. But there has to be a loophole in that.

Eli: Yeah.

Alice Kingsleigh: That's right there is a loophole. Someone from an outside world can kill her.

Me: Us.

Alice Kingsleigh: That's right.

Ghost: Where's the White Rabbit?

?: Right here.

We saw The White Rabbit.

Me: White Rabbit!

White Rabbit: Thank goodness you are all here.

Qin: Like we would miss out on this.

Wallflower: Yeah no kidding.

Bowser: Okay, what's more important to Mirana right now? Her vows? Or innocent lives?

Alice Kingsleigh: Both. She cares about her people and her vows. Her vows are to never kill the innocent and kill those that kill people that did terrible crimes. Her vow is to HARM NO LIVING CREATURE.

Me: That is a very powerful and very understandable and reasonable vow. She may not be able to do it but we can.

Alice Kingsleigh: That's right. We are the loophole that can bring down the Red Queen.

Cantwell: Your younger self is here with us too.

Alice Kingsleigh: I know. I see her.

Alice: Wow.

Alice Kingsleigh: It's like I travelled back in time.

Alice: It feels like it doesn't it.

Nico: It sure does.

Eli: Yeah. (Senses something) Uh oh!

Eli went to the window and he saw a terrible sight! He saw IRACEBETH OF CRIMS AND A MASSIVE AND TERRIBLE ARMY OF CARD TROOPS AND OUTLANDERS AND THE JABBERWOCK APPROACHING! It was in the 10s of billions!

Eli: Guys we got big trouble!

We saw them!

Me: Uh oh!

The Jabberwock then charged ahead at us.

Scavenger: Looks like the Jabberwock wants to have a crack at us first!

Nico: J.D., Eli, you face him and hold him off!

Eli: Right! I SUMMON BLUE EYES WHITE DRAGON!

He summoned BLUE EYES WHITE DRAGON!

Eli got on the dragon and armed himself with his sword and the dragon flew at the Jabberwock!

Vanitas: I'm helping you guys out too!

Me: Looks like we're all going at them.

Nico: Yep! Lets go guys!

Qin: Right!

Alice Kingsleigh: Lets do it!

Sora: Alice, I honestly never expected Wonderland to change so much that it would become Underland.

Alice Kingsleigh: Sora, things may have changed here. But I'm still the same Princess of Heart you met and saved so long ago.

Kabuto: She's right, Sora. It doesn't matter how old Alice is now. Deep down, she's still the same person.

Tayuya: That is too fucking true.

Qin: Yep.

Lola: Yep.

Nico: Lets roll!

We were off.

Eli: BLUE-EYES, ATTACK WITH WHITE LIGHTNING!

Blue-Eyes fired a wave of lightning energy and blasted Jabberwock all over and blasted him with intense lightning.

Jabberwock: (SCREAMS) That hurt you brat!

Eli: Who are you calling a brat!?

Jabberwock fired a blast of purple lightning and Blue-Eyes fired a blast of white lightning too and the blasts collided and Blue-Eyes White Dragon's blast pushed back and it hit Jabberwock and exploded!

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was knocked down and blasted into the ground!

Patty: Hey, Alice. Did you learn any fighting skills since last time?

Alice Kingsleigh: Watch and learn.

She flew at the Jabberwock and then unsheathed the Vorpal Sword!

Alice dodged his swipes from his claws and his blasts of energy.

Alice then jumped from his bite.

Alice Kingsleigh!: OFF WITH YOUR HEAD!

SHE CLEAVED HIS ENTIRE HEAD CLEAR OFF HIS NECK!

Me: WHOA!

Xenia: That was awesome!

Lola: Yeah it was!

Disk Wars Magneto: I believe we know what time it is.

Finn: ADVENTURE TIME!

Disk Wars Magneto: (LAUGHS) Nope.

Me: Nice one though. It's Entrance Time!

We went at them.

Iracebeth of Crims was infuriated! Alice had beaten her again! Then the spirits of Wonderland appeared and they swirled around her and then they converged and then…

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off and then numerous fireballs rained down and blasted all the troops all over and burned them and then a Phoenix Cry was heard and then we came out and landed!

Me: Hello Queenie! Surprised to see us?

Nico: Your reign of terror is over!

Wallflower: Did you miss us?

Iracebeth: (to Wallflower) YOU! I REMEMBER YOU! YOU HUMILIATED ME!

Wallflower: That's right! And I'm glad I did you Bloody Bigheaded bitch!

Nico: And now, we're going to do more then that!

Dark turned into Sockin Chicken.

Socking Chicken: Here's your warning: Your ass is about to be kicked!

Zs'Skayr: (to Alice) I hope you remember that form.

Alice Kingsleigh: I sure do and it's awesome.

Me: Awesome.

Wallflower then kicked Iracebeth and bashed her face in!

Iracebeth: (GROWLS) KILL HER!

Wallflower fired waves of energy and blasted the troops and Outlanders.

Then Waffle Woman, Common Cold, Technus, Roquefort, Xaldin, Salami Swami, Steam Smythe, Hydrax and Samon Shakekisutanchin appeared.

Nico: Waffle Woman, Common Cold, Technus, Roquefort, Xaldin, Salami Swami, Steam Smythe, Hydrax and Samon Shakekisutanchin.

Alice Kingsleigh: I have a question to ask.

Waffle Woman: What is it?

Alice Kingsleigh: Is Maleficent truly dead?

Common Cold: Yes, she is.

Technus: She died on Zarya's big mission.

Kaito: I helped with that!

Me: He sure did. There's a Universe 666 version with the M.O.E. Long story on that.

Alice Kingsleigh: I see.

Roquefort: (to Timmy and Homer) We heard you two got captured earlier today.

Timmy Turner: We sure did.

Katnappe: How did that happen?

Homer: It was after we defeated Burns and Crocker and killed them.

Timmy Turner: We were ambushed by Augustus Burns IV.

Katnappe: We sent that loser to prison didn't we?

Me: Yes we did.

Chunky Chicken came out.

Me: Chunky Chicken. You sure are a glutton for punishment.

Chunky Chicken: Yeah I know.

Ed: HUG A CHICKEN! HUG A CHICKEN! HUG A CHICKEN! HUG A CHICKEN!

He hugged him.

Qin: (LAUGHS) That's funny!

Chunky Chicken: (to Sockin Chicken) Funny how you chose that form right before I showed up.

Sockin Chicken was punching and smashing the Card Troops.

Sockin Chicken: No kidding!

Chunky Chicken: Yeah that is awesome!

Qin: Yep.

We got the battles underway.

Tara: He sure did. Augustus Burns IV got what's coming to him and he si now a forgotten meemory. But the ordeal left Homer and Timmy scarred and sad. So we reminded them of Marge and Trixie and they got back to their old selves..

Chiro: They sure did and it was awesome and cool.

Lion-O: That pep talk really helped out.

Tygra: It sure did.

Panthro: Yeah no kidding.

Panthro: It really helped big time.

Popeye: It sure packed a good pep for them. (LAUGHS)

Applejack: It sure was a good talk.

Apple Bloom: You got that right.

Common Cold: Awesome Keyblade!

Robin: Thanks.

They fired waves of energy and magic and smashed them down.

---

Roquefort was next.

Roquefort: (to Raven) I heard you guys met the Embodiment of the Merman Race. What's her name?

Raven: Her name is Melania Douglas and she is a really strong and powerful warrior and a great swimmer too.

Derpy Hooves: She sure is and she is a great master of water too.

Aniya Florrentine: She sure is and she hates Pablo and Anderson big time bad.

Silphymon: She sure does and she really wants those two dead.

Lucilla Demigorgan: No kidding there.

Sailor Ysmault: She really wants their heads mounted on pikes.

Little Audrey: Her story is good.

---

Nico: Yep. So, Melania, what's the story on why you hate Pablo and Anderson with a burning passion other than for the obvious reasons?

Melania Douglas: Now, that's something I haven't forgotten, but their attempted attack was foiled by our security system at our gym alerted us of their presence.

Melania Douglas pulled up a video and it played on the screen, and it shows Lincoln and Melania, along with his other Guardian Angels in their personal gym that Lincoln and his Guardian Angels had built and go to, and they were working out in their gym and Lincoln was 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever and they were really working up a sweat. Suddenly, their alarm sounded, and the computer showed them who it was that triggered the alarm: it was those two buttface psychopaths, Pablo and Anderson and they were out for blood.

Past Melania Douglas: Ugh, not those buttface psychopaths again!

Past Lincoln: Ugh, I should've known there was no mistaking them from anywhere. Well, we better take care of them at once.

Lincoln and his Guardian Angels put down the weights and headed outside where they saw those two buttface psychos out for blood, and they ran at them, but Lincoln and Melania fired powerful blasts of water which drenched those two buttface psychos hard, and right into a straitjacket trap Lincoln set up and they were tied up in straitjackets and loaded into a police car which took them to prison.

Past Melania Douglas: Wow, that was one awesome trap you set up, Lincoln.

Past Lincoln: They made a big mistake in trying to attack us, and look at what happened.

Suddenly, Melania Douglas wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face and muzzle, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Melania Douglas' face, they kissed passionately as she moved her arms and placed her hands on Lincoln's massive pecs as the video ends.

Nico: (LAUGHS) Oh man, now that was one slick move: you and Melania blasted them with waves of water and they got caught in a straitjacket trap you set up and they also got taken to jail, nice.

Lincoln: Thanks, and we also relied on the fact that they're dumber than a truck tire and didn't see it coming.

Me: They sure were dumber than a truck tire.

Laney: Those buttfaces didn't know when to quit, all they wanted was to kill Lincoln and everyone all around him, they were that dangerous.

Nico: They sure were, but now, they're nothing more than humiliation fodder, and we've been really giving them nothing but pain for all their crimes.

FLASHBACK ENDS

Roquefort: Boy those Buttfaces are nothing but trouble!

Starlight Glimmer: You got that right! They need to be destroyed.

Okalani Xayavong has on a sleeveless pink sweater, purple sleeveless shirt, pink and black striped fingerless bridal gloves, hot pink skirt, purple pants, purple heels, and long sleeveless white trenchcoat with stars, diamonds, earth, swords, knights, and dragons on the coattails, and on the back is Lady Rose Diamond surrounded by stars, diamonds, swords, knights, dragons, and earth. Suddenly, Okalani Xayavong felt a sharp pain on her back, and then, massive pink angel wings with purple tips on the pink feathers grew and sprouted out from her back, and she also now has eleven massive and long pink wolf tails with purple tips and purple markings, Okalani Xayavong has on her Ring of the Phoenix with large pink gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Okalani Xayavong's Lady Rose Diamond-themed greatsword and all the greatswords and swords she'd gotten began merging together, and they were surrounded by a kaleidoscope of rose pink energy, stars, diamonds, swords, knights, earth, and dragons, and when it emerged, it was transformed into Okalani Xayavong's Rose Quartz Diamond Earth Lady Rose Diamond Greatsword of Earth Rose Diamond Justice, it's a brand-new massive greatsword with embedded rose quartz gems and Lady Rose Diamond etched on the 7'4" massive, wide, double-edged rose pink blade, large rose pink dragon heads with purple gems for eyes for the crossguard, large white angelic faces built into both sides of the hilt and large rose pink gems embedded in their foreheads, longer midnight black handle, four large rose pink dragon heads with purple gems for eyes and on the bottom of the large rose pink heads is a rose pink dragon head with purple gems for eyes and a pink gem in its mouth for the pommel, Okalani Xayavong has on her large gold cuff Bracers of The Champions of The Universe with rose pink gems on her wrists and Dragon Ball Bracelet on her left Bracer, her large gold Belt of Elemental Bravery with a large version of Lady Rose Diamond's head with rose pink gems for eyes and large rose pink gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. Okalani Xayavong has transformed into SUPER ANGEL-LADY ROSE DIAMOND-DRAGON-HARMONY UNIVERSAL ETERNAL CELESTIAL XELNAGA ROSE DIAMOND EARTH KNIGHT DRAGON LADY ROSE DIAMOND KNIGHT ANGEL OF DIVINE STAR ROSE DIAMOND EARTH KNIGHT DRAGON LADY ROSE DIAMOND KNIGHT JUSTICE AND DIVINE STAR ROSE DIAMOND EARTH KNIGHT DRAGON LADY ROSE DIAMOND KNIGHT LOVE!

We were amazed by Okalani Xayavong's Super Angel-Lady Rose Diamond-Dragon-Harmony Universal Eternal Celestial Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when Anise saw it, she fell into a rage and fired blasts of dark magic to kill her, but Okalani made diamond barriers appear and they blocked the dark magic blasts, and she fired a powerful barrage of rose pink energy blasts with stars, swords, diamonds, earth, knights, and dragons at Anise, and they exploded with such incredible power as the barrage hit her, and this really angered her now.

Nico: Incredible, Okalani Xayavong has transformed into her Super Angel-Lady Rose Diamond-Dragon-Harmony Universal Eternal

Celestial Xelnaga form, and she really damaged Anise.

Leni: She looks totes amazing, and that dark goddess is done for now.

Lincoln: After what Anise had tried to do in destroying the multiverse, that dark goddess deserves to pay for every last one of her crimes with her own immortal blood.

Okalani Xayavong: (Divine Godly Cosmic Voice of The Shimmering Divine Star Rose Diamond Earth Lady Rose Diamond Angel and Divine Star Rose Diamond Earth Knight Dragon Lady Rose Diamond Love) Indeed, now let's destroy this dark goddess once and for all, Linky.

Lincoln unholstered his massive Lincoln Loud's Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Phoenix-Harmony Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Mythological Hope, and he joined Okalani Xayavong.

Lincoln: (Divine Godly Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Your days of trying to destroy the multiverse are over, Anise, and now it's time for you to die once and for all!

Okalani Xayavong and Lincoln went after Anise who continued firing blasts of dark magic at them, but Lincoln and Okalani absorbed them, and they fired extremely powerful blasts of rainbow energy, rose pink energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Anise and they exploded with incredible power as they hit her.

Then, they flew and attacked her with their massive greatswords leaving scars on her, and Lincoln left many more with his claws and firing energy slashes from his claws and he and Okalani Xayavong also attacked her with punches, kicks, and karate chops, along with elemental blasts. Then, Lincoln drove his massive greatsword into Anise's stomach, and he began sucking out all of Anise's godly powers and abilities and he made them his own, and in the process freed the souls of Anise's victims from long ago, and he removed his massive greatsword from Anise's stomach.

Lincoln: (Divine Godly Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Now, it's time for you to die.

Lincoln kicked Anise hard into the air.

Lincoln: (Divine Godly Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Blood Demon Art: POISON BLOOD SWORD SLASHSTORM!

Lincoln summoned a barrage of swords made of his poisonous blood and they went at the powerless Anise, and they pierced her body and the poisonous blood was damaging her body badly, and when one poison blood sword pierced her black heart, she turned to dust and her soul was sent to The Black Gates for all eternity. We cheered wildly for what Okalani Xayavong and Lincoln did as they holstered their weapons and powered down, and Okalani Xayavong's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long rose pink wolf tails, and massive rose pink angel wings are permanent

Okalani Xayavong: The suffering you've caused for eons has finally been brought to an end, Anise, may you never return. Thanks for helping me destroy Anise for good, Linky.

Lincoln: (Smiles Warmly) You're welcome, Okalani.

Suddenly, Okalani Xayavong wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Okalani Xayavong's face, they kissed passionately as she moved her arms and placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, and Lady Rose Diamond flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with clusters of crystals and jewels forming right behind them, and we cheered wildly. Then, Lincoln and Okalani Xayavong absorbed the crystals and jewels and they came back to us as the display vanished.

Nico: Wow, now that was one truly awesome and incredible fight, Lincoln, Okalani, you two showed that dark goddess no mercy, and Lincoln, that was one slick move driving your greatsword into her stomach and then sucking out all her godly powers and abilities and making them your own, and what we just saw, that was a brand-new Blood Demon Art you developed, right?

Lincoln: Yep, that's a brand-new Blood Demon Art I developed called Poison Blood Sword Slashstorm, and I only use it on evil gods and goddesses, along with evil immortals.

Me: Wow, I've got to learn that technique, can you teach me, Lincoln?

Lincoln: Sure, J.D.

Eli: I hope we can also see you use some of the Breathing Techniques of the Hashira for your next opponent tomorrow, Lincoln.

Lincoln: You'll have to wait and see, Eli.

Kyojuro Rengoku: He's right, you'll have to wait and see, Eli.

Tanjiro Kamado: So, Lincoln, which of your Guardian Angels are we meeting tomorrow?

Suddenly, we saw the symbols of the Olympian Gods and Goddess forming in the skies and glowing.

Selene Emperyous: (Gasps) Selene, that display we just saw… , is that what I think it is?!

Selene Arcangela: It is, what we just saw is a hint on the next group of girls we're meeting on the next series of Lincoln's rescues: the daughters of the Gods and Goddesses of Olympus.

We gasped in shock.

Me: Whoa!

Nico: We've never met the daughters of the Olympian Gods and Goddesses on Lincoln's side before, this should be an interesting series of rescues in the days to come.

Lincoln: It sure will be, and the first one we'll be meeting tomorrow is Michelle Aphrodite, Daughter of Aphrodite, The Greek Goddess of Sexual Love and Beauty, she's my Guardian Angel from Greece mainly the legendary Mount Olympus, and like her mother Aphrodite, she's a Goddess of Sexual Love and Beauty and has all her mother's powers and she's immortal and she's extremely beautiful and sexy.

Me: Hubba Hubba.

Selene Emperyous: When she and Lincoln met, there was indeed quite the attraction that turned into true love and she swore to protect him from those who sought to do him harm, and her targets were none other than Flip, Lewis Travolta, Scoots, Hawk, Hank, Pablo, Anderson, Chandler, Artie, Trent, and Killjoy Huggins, his enemies, and she also swore to protect him from Lori, Lynn, Lola, Lisa, and Luan, she's really good friends with Leni, and she's also an awesome fashionista with a great sense of style. Lincoln and Michelle made many beautiful dresses for Leni to model and they also made some for the rest of the Guardian Angels and for those who would become part of his harem. Lincoln made Michelle a beautiful necklace with red gem for the pendant, along with a white short-sleeved blouse, red sleeveless top, long ankle-length white dress skirt, and white bridal gloves, and to show thanks, Michelle kissed Lincoln on the lips and their make-out session lasted for ten minutes, and she hates Lola with a blazing passion because Lola was just jealous of Michelle's beauty and grace and that she always defends Lincoln whenever she along with Lori, Lynn, Lola, Lisa, Luan, and the rest of Lincoln's enemies plotted to kill him.

Michelle Emperyous: And Selene Arcangela told Michelle everything those demons have done to him, and during a bake sale Michelle and Lincoln were doing for a charity one night, Lola ambushed them and she viciously attacked them and destroyed their table along with the snacks that they made for the bake sale, Michelle kicked the tar out of that rampaging little pageant demon, and Lincoln tied her up in a red energy straitjacket, and when he had alerted the rest of his family of what Lola did, Lola got grounded for seventeen weeks and she was forced to clean up the mess that she made during her little rampage while Michelle and Lincoln remade the treats for their bake sale.

Nico: Oh, we're so going to hear this story tomorrow, and Lola should've known better than to anger one of the daughters of the Olympian Gods and Goddesses, there's always consequences to consider.

Me: Big time.

The Knave got up.

Me: We're going to give you a choice.

I had my sword up against his neck.

Me: Either you surrender or you lose your head like the queen did.

The blade shined in the sunlight.

Me: So what's it going to be?

Xaldin: (to Knave of Hearts) Here's your chance to do the right thing.

Salami Swami: If I were you, I would take it.

Knave of Hearts knew he had no chance and put his hands on his head.

Knave of Hearts: I surrender

Me: Good.

Steam Smythe: Smart choice. You and the Jabberwock from her will be in the Masters of Evil now.

Alice Kingsleigh: Thank you so much, everyone.

Hydrax: It was our pleasure

Me: Aww it was nothing.

Samon Shakekisutanchin: Wanna come with J.D. and the others on the next rescue?

Alice Kingsleigh: I would be honored.

Nico: But great job today everyone! This was so fun.

Eli: Yeah it was!

Lola: Yeah!

Fluttershy: (To the viewers) It wa a really fun and amazing adventure. I hope you all loved it.

Qin: We all did.

Me: And Wonderland is safe.

We went back home and enjoyed the rest of the day and went to sleep.

Me: We haven't been to the Play Pals Toy Factory in a while.

Qin: I know. It feels like forever.

Aylene C.: For good reasons too. After we destroyed Chucky there.

Varie: I know.

Himiko: That was crazy.

Lola: Yeah.

Takanuva: But I'm ready for this.

Varie: We all are.

Nico: Takanuva, I want to thank you, Kyd Wykkyd, and your teams for coming.

Takanuva: No problem Nico and it will be so fun.

Wallflower: It sure will.

Catherine Hoshi: I am really looking forward to this too.

Nico: Catherine, remember when you first met Lincoln?

Catherine: I sure do. That was so awesome and fun. Me and Lincoln met when we were working on a history project. My powers have been really helpful to warn him of future events.

Me: Boy they sure have. You and the Arcana Force Gene-Slammers have an amazing and great gift and that's what makes you awesome guardian angels.

Xenia: That's right.

Lola: Yeah.

Catherine Hoshi: And I'm glad we don't have to deal with the Dark Sides of Lincoln's sisters anymore as well as Huggins and all that.

Me: I know.

Xenia: Yeah.

Nico: Now, you're part of Lincoln's harem.

Catherine Hoshi: I sure am.

Alice Kingsleigh: (British Accent) That is really amazing.

Wallflower: It sure is awesome.

Qin: Yeah so was yesterday's adventure.

Nico: Yeah it sure was!

Camie: That was so fun.

Nico: Who knew that Wonderland changed so much?

Me: I know.

Alice Kingsleigh: Yeah it has changed a lot.

Qin: But it was great to see it again.

Lola: Yep.

Wallflower: I was really amazed that everyone remembered us even after all this time.

Xenia: Yep.

Lola: That was cool though.

Twilight Sparkle: It sure was.

Lana: Yeah but that was an awesome battle.

Nico: It wasn't the bright and colorful place Sora visited before.

Me: I know.

Alice Kingsleigh: But with the Red Queen gone forever the place is slowly recovering.

Xenia: That's true.

Camie: We can speed it along too.

Wallflower: Yeah we can do that.

Qin: Yeah.

Me: I think we'll do that. We'll call it the Wonderland Restoration Project.

Laney: Good idea.

Nico: Yeah.

Tsuyu: At least it will be back to normal soon.

Himiko: That is true.

Alice Kingsleigh: I know I might have grown up. But I'm still the same Alice.

Me: You sure are. Always and forever.

Nico: Yep.

Eli: That's for sure. And you are now better than ever.

Alice Kingsleigh: I have all those amazing moves too.

Wallflower: You sure do.

Qin: Yep.

Nico: Here we are.

We arrived at the Abandoned Play Pals Toy Factory. We saw that it was destroyed and the roof was completely blasted off and burned.

Me: Whoa! What a mess!

Nico: No kidding.

Camie: What happened to it?

Me: Right it was before many of you guys all joined us. Chucky and Mr. Coconuts teamed up to take Lincoln and Luan's bodies 1 month after Nico joined us.

Nico: That's right! It was a little over a month after I just joined the team.

I went over what happened in chapter 479 and it was crazy!

When I was done everyone that hadn't heard about it was shocked!

Twilight Sparkle: WHOA MAN!

Rainbow Dash: That was crazy! But I'm glad Lincoln and Luan are safe.

Me: Same here.

Nico: Barely anyone comes here anymore.

Me: No kidding. Because all it brings back is nothing but bad memories.

Nico: Yep.

Camie: I can't believe that Chucky did all that! What was he like for you guys?

Me: He was a nightmare that we will never forget and never want to relive ever again.

I went over his history. And it was a brutal one.

When I was done everyone that hadn't heard about it was shocked and horrified!

Qin: Yeah no kidding.

Nico: Yep.

Me: But we don't have to worry about Chucky or Charles Lee Ray anymore. We gave him the black gates and Andy and Nica are free of him.

Kaito: Was it you guys that blasted off the roof?

Me: That's right. Well actually the toys all exploded. They blew the entire roof off.

We went in and saw that the building was condemned.

Me: Looks like they are getting ready to demolish this place.

Qin: Yeah.

We went in and searched the place and it was a mess.

Me: Wow.

We saw pieces of wood and metal all over the place and pieces of machinery blasted everywhere.

Nico: Boy we sure damaged this factory good didn't we?

Qin: Boy I'll say.

Maria: Was Mr. Coconuts really jealous of Luan?

Me: He sure was. But not entirely. It was because of Chucky that he became like that.

Lola: Yeah.

Camie: How did this place end up becoming like this after that?

Me: Well after the truth got out that Charles Lee Ray did all this as

Chucky, this place REALLY went downhill and it was forced to declare bankruptcy and was left to rot like a rotting wound. The toys were declared reminders of murder and we burned them.

Nico: Yeah no kidding.

Lola: But at least this place is getting destroyed forever.

Juran: Wait. You guys hear something?

Me: Probably the structure falling apart.

Juran: Oh.

But then I stepped on a tile.

Me: Huh?

Then a secret compartment opened up.

Me: Hey look.

We went and looked in it.

Nico: What is it?

Me: One last Good Guy Doll. But this one is a girl.

Qin: Whoa.

Brittney sensed for any evil spirits in it.

Brittney: This one doesn't have an evil spirit. But it's a REAL good spirit!

Nico: We know you're alive. Say something. Or we use you as fucking firewood!

May: Nico calm down.

Doll: (in a girls voice) Okay okay sorry.

Me: Who are you?

Doll: My name is Charlotte Sullivan.

Me: Wait aren't you the daughter of the CEO of this factory before it was destroyed?

Doll: That's right. I knew all about Chucky and his evil crimes before and after this place went downhill. I should explain. In 1990, I saw what happened when Andy and Kyle defeated Chucky the 2nd time and it was crazy how such a whacko serial killer was able to become one of my favorite toys. And I was amazed how he was able to come back like that too.

Nico: We were shocked ourselves.

Me: Yeah.

Nico: And we're getting you a new body.

Charlotte Sullivan: I don't know Nico. I like it like this.

Nico: Well if that's what you want, we won't force you.

Me: We'll tell Andy and Nica about this later.

Camie: Okay.

Camie put Charlottle on her back.

Charlotte Sullivan: Awesome. I love this.

Me: You got so much to catch up on.

Qin: Yep.

Eli: Wait I sense LOTS of Swartz's creations. We have Another Evil HERO Inferno Wing, Lightning Golem, Wild Cyclone, Dark Gaia, Infernal Gainer, Infernal Prodigy, Infernal Sniper, Malicious Edge, Malicious Fiend, Adusted Gold, Sinister Necrom, Nemesis, Black Baron and Kyd Wykkyd.

Bonnie Terrez: WHOA! All of the Evil HERO Monsters!

Brittney: That is amazing!

Nico: Boy this will be awesome!

Me: Vypra decided to recruit them since they are the villain versions of the Elemental HERO Monsters.

Bonnie Terrez: That's right. Awesome and good call there.

Maria: If she can have Evil HERO Inferno Wing in there then all the Evil HERO Monsters apply.

Nico: And the Advanced Crystal Beasts apply as well.

Eli: Wait. I also sense someone else here.

Me: What is it?

Eli: There!

We saw a figure come out and it was a WHALE SHARK GENE-SLAMMER GIRL!

Me: Whoa she's half Whale Shark!

Whale Shark: Sorry about the scare guys.

Nico: Wait Connie Peyton!

Connie Peyton: Nico? Whoa its been a long time dude.

Nico: Awesome to see you again.

Me: Wait you're the famous rugby star!

Connie Peyton: Yep I sure am.

Nico: How do you like our handiwork?

Connie Peyton: You guys really blew this place to oblivion.

Me: Well most of the explosions were caused by most of the toys exploding.

Varie: They sure were.

Wallflower: That was a crazy adventure though.

Charlotte Sullivan: Boy no kidding there.

Camie: Yeah.

Me: What were you doing when you got slammed?

Connie Peyton: Practicing for the next Rugby game. Then I got turned into this.

Lola: Oh man.

Nico: Wanna revert back?

Connie Peyton: I sure do.

I put on my blind man glasses.

Me: I got to warn you though, it's going to hurt really bad.

Connie Peyton: I know.

Nicole: And no peaking guys or else!

The boys covered their eyes.

Me: Here we go. (SNAPS FINGERS)

She then doubled over in pain as she was reverting back.

Connie was on the ground writhing in pain

Connie Peyton: SOMEONE KILL ME! IT HURTS!

She regrew her orange hair and her eyes turned back to orange eyes and she her skin was strong and muscular.

Connie Peyton: (GROANS) That hurt like hell.

She got up and then her pants and underwear fell off.

Connie Peyton: (COVERS HERSELF) WHOA! I stretched out my clothes too much.

Rarity: Don't worry darling. We can fix this.

The Fashion Brigade went to work and gave her an awesome new wardrobe. She got a red shirt, red shorts and red fingerless gloves and had red boots.

Varie: There.

Varie formed a mirror.

Connie Peyton: Wow! I look awesome.

She flexed her arm.

Connie Peyton: And I'm stronger and amazing than ever.

Rainbow Dash: You sure are.

Connie then lifted up a dismantled heavy machine like it was nothing.

Connie Peyton: Cool! I have superhuman strength now! My new gene-slammer form made me stronger and tougher.

Lola: Were you always strong before?

Connie Peyton: Never THIS strong.

Lola: Oh.

Connie Peyton: (Stomach Growls)

Nico: Uh oh.

Connie Peyton: Actually I'm just really hungry. After we get done here do you guys know any good spots to eat?

Me: We sure do. LOTS of good spots.

Varie: Yep.

Connie Peyton: Awesome. Any chili dog restaurants?

Me: Oh yeah we have a great chili dog all you can eat buffet restaurant.

Connie Peyton: Awesome.

Nico: Who do we call first?

Me: Fenix and Another Evil HERO Inferno Wing is first.

Qin: Whoa!

Bonnie Terrez: This one is going to be hot.

Lola: Yeah.

Maria called Fenix in.

In a vortex of fire came FENIX!

Fenix was ready with a powerful Phoenix Cry!

Qin: Yeah!

Me: This one will be hot.

Lola: Yeah it will!

Connie Peyton: I'm really looking forward to this one.

Nico: There he is!

We saw a figure and it was ANOTHER EVIL HERO INFERNO WING!

Me: Whoa!

Eli: This one is going to be rough.

Another Inferno Wing: But it will be cool.

Me: That voice!

She reverted back and was a girl with red hair, orange eyes with glowing orange sclera, she had Fire Angel Wings that was burning with INTENSE flames and she had orange, red and yellow clothes and phoenix tail feathers and she had Pink Hedgehog ears and a powerful warhammer in her hands.

Me: (GASP) Phoebe Fenix Rose!

We gasped!

Me: Whoa! That is cool!

Nico: Yeah it is!

Fenix was surprised.

Me: I know Fenix. It's awesome that she is a hybrid and a gene-slammer of you.

Lola: So Team Rocket made gene-slammers of the Monster Legends monsters too.

Phoebe Fenix: Yeah they sure did.

Me: Also are the other Anothers with you friendly or hostile?

Phoebe Fenix: Friendly. And also the Another Nemesis is an Organization XIII gene-slammer. You will be amazed about this one.

Me: Wow!

Lola: Sorry we have to do this to you Phoebe.

Phoebe Fenix: No worries.

Girl Jordan: First lets separate you.

Leeli: Yeah.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background.

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

She glowed and she was separated from Another Evil HERO Inferno Wing!

Phoebe Fenix: WHOA! And also Evil HERO Inferno Wing is one of my favorite monsters of Duel Monsters.

Fenix was happy to hear that. Then Fenix fired a wave of fire and blasted down Another Inferno Wing and I caught the Wonder Ride Book and it was called The Phoenix Sage and the Kingdom of the Evil Hero of Fire.

Eli: That must've hurt.

Xenia: Yeah.

Xenia Xigbar: It did.

Nico: Want us to help you get it back?

Xenia Xigbar: I would like that.

Me: Okay then.

I went over and my hand glowed blue.

Me: Hold still. This will hurt for a bit.

I touched her and it hurt like hell and then her eye grew back and she can see again with it!

Xenia Xigbar: Oh wow! I can see again out of that eye! Awesome!

Me: Yep. I restored your eye.

Xenia Xigbar: How did you do that?

Me: I have the power to restore people's limbs and heal people.

Nico: Yep.

Me: Awesome.

Sylvia Arodanus: Sorry we have to fight like this.

Xenia Xigbar: No worries.

Lincoln: First this.

Lincoln fired a wave of light and separated her from Another Nemesis!

Xenia Xigbar: Wow! So that's what I turned into!

Me: Yep.

Sylvia Arodanus: Now I can do this.

Connie Peyton: Yeah I could go for an all you can eat chili dog buffet.

Connie Junkia: You got it.

Celeste Xion: That is so cool that you girls are masters of lunch.

Laura Larxene: How did you get your powers though?

Penelope Junkia: Transporter accident. Someone accidentally left their lunch in a transporter and the foods each merged with our DNA and we got our powers from all that.

Me: OOPS.

Nico: That is crazy. But that is cool.

Lola: Yeah!

Celeste Xion: Sorry we have to fight like this.

Connie Junkia: No worries.

Lincoln: Here is this.

Lincoln fired a beam of light and separated them from their Anothers.

Celeste Xion: Now we can do this!

Brittney: (GASP) Eclipsa Grimoire!

Eclipsa Grimoire: Good to see you again Lady Brittney.

Brittney: You too. Eclipsa is a girl I met on a video online chat room on the Vampires of Melancholia Web Site and she and I would talk about the events that took place in the episodes of the show.

Nico: Maria they are all one person.

Maria: Oh right.

Aqua Orimoto: That can't be good for you.

Brittney: I was going to say that.

Annika Angeline: Good to see you again J.D.

Me: You too. Annika is a girl I met when we were watching and participating in the ACES competition.

Nico: Cool!

Qin: That is awesome!

Annika Angeline: Ja und you guys did a fantastic job in that event.

Me: That was awesome.

Catherine Hoshi: Sorry about this. But your future is separation from the Another.

Lincoln fired a beam of light and separated her from her Another.

Catherine Hoshi: And this.

She fired waves of energy and blasted down her Another and I caught the Wonder Ride Book.

Nico: Looks like someone's teleporting in.

POOF!

A figure appeared and it was ANOTHER KYD WYKKYD!

Nico: WHOA!

Me: Another Kyd Wykkyd!

Xenia: This one sure likes to teleport in.

She reverted back and it was a girl with black hair and had red eyes and blue clothes and blue angel wings.

Me: (GASP) Pahvnar Emilios!

Pahvnar tapped the ground with her foot and was tapping in Morse Code.

Me: (Deciphering) "It's good to see you too J.D." Same here Pahvnar. She was born mute and can't speak. She talks in morse code and also has amazing teleportation powers. She also is a very powerful master jewel thief and steals jewels from bad guys and criminals.

Nico: That's cool!

Kyd Wykkyd: Wow! Just like me. I was born mute and I have teleportation powers too.

Kaito: (gets out Build Gear) Did Swartz promise you anything?

Zocks: (gets out Ex Aid gear) Because we can grant it instead.

Kaito got a Build Blaster and Zocks got a Video Game Ex-Aid sword.

Pahvnar tapped her foot.

Me: (Deciphering) "I teleported away from Swartz before he could promise anything. But if I wanted anything it's to talk." We can easily do that for you. Lisa helped Kyd Wykkyd and those that couldn't talk get their voices.

Vinyl Scratch: It's true.

Qin: Yeah.

Me: Sorry we have to fight like this though.

Pahvnar tapped her foot.

Me: (Deciphering) "No worries J.D. Just do what you got to do." You got it.

Sougo: (gets out Build Ridewatch) When this is over, we can give you a voice.

Rider Time! (RabbitTank-esque rock music) Best Match! Build!

Geiz: (gets out Brave Ridewatch) It'll be easy.

(Right-hand Ridewatch's announcement)! Armor Time! (Dramatic fantasy music) Level Up! Brave!

Sougo got BuildArmor while Geiz got BraveArmor.

Pahvnar turned into Another Kyd Wykkyd.

Nico: Yep. (ACTIVATES KYD WYKKYD'S RIDEWATCH) Now you see me, Now you don't. (POOF)

He teleported and in the air Nico fired energy beams and blasted her all over!

Nico: Time to take flight! (ACTIVATES BLACK BARON'S RIDEWATCH)

He fired energy waves and they formed into planes and smashed her all over.

May: Time for this! (ACTIVATES HADES BEAST MANTICORE'S RIDEWATCH)

Maria: And this too! (ACTIVATES ICE KATE & KID COLD'S RIDEWATCH)

She fired energgy and ice blasts and froze her to the ground.

Catherine Hoshi: Oh yeah! Now this!

She activated Black Baron's Ridewatch and blasted her all over with energy planes.

Then Spot, Weather Report, Mr. Compress, Draco Zodiarts, Evil Brownies and Walter West the Evil Flash came.

Nico: Nice team Spot!

Spot: Thanks!

Me: Boy I hope those brownies are safe to eat.

Nico: (LAUGHS) I don't think they are.

Xenia: Funny.

Maria: Where's the next Gene Slammer?

Then a Gourgeist came.

Me: Whoa a Gourgeist!

Nico: This one must be a scary one.

Qin: Yeah!

Gourgeist: (In a girls voice) That's because I am the master of scares.

Brittney: Nathalie Blackheart!? Whoa!

Nico: Whoa! Nathalie!

She reverted back and was a girl with orange hair and Orange Eyes and had pitch black clothes and orange angel wings and she had a black aura around her.

Nathalie Blackheart: The Scarecrow Walks At Midnight, but the fire will burn it into ashes in the end.

Nico: Whoa.

Nathalie fired waves of darkness and blasted down Another Kyd Wykkyd and I caught the ridewatch and purified it and I brought Pahvnar over.

Qin: That was awesome.

Catherine Hoshi: And your favorite memory of Nico is when you and him scared the living daylights out of a bunch of evil queen bee girls with their fears of monsters and being broke homeless girls being buried six feet under. Right?

Nathalie Blackheart: That's right! Wow. How did you know?

Lincoln: Catherine has the power to see into the future and she knew what you were going to say.

Nathalie Blackheart: That is amazing.

Nico: Yep. We scared those girls so bad that they crapped their pants bad.

Me: Nice!

Nico: And you just name dropped a Goosebumps title.

Nathalie Blackheart: I sure did. I love all things horror and I love the Goosebumps books.

Qin: That is awesome.

Me: And we just destroyed numerous Goosebumps monsters over the years.

Qin: That is awesome.

Nathalie Blackheart: Yeah.

Nico and Nathalie hugged.

Nico: I've missed you Nathalie.

Nathalie Blackheart: Me too Nico. Me too.

We went back home and told everyone everything. And also they welcomed Charlotte Sullivan with open arms and more and it was awesome.

Our old enemy, Isaac Chroner, the religious zealot and servant of He Who Walks Behind the Rows, has returned from the dead, and he wants revenge on us for what we did destroying him two years ago along with ending his cult and putting an end to He Who Walks Behind The Rows, but this time, we're going to destroy him once and for all and we're going to send him to The Black Gates forever.

Lincoln: Oh man, we're back in Gatlin, Nebraska, and I know what we're going to do here, not only am I going to rescue the forty-one girls here, but we got bad news.

Me: And I know what that is: our old enemy, Isaac Chroner, the religious zealot and servant of He Who Walks Behind the Rows, has returned from the dead, and he wants revenge on us for what we did destroying him two years ago along with ending his cult and putting an end to He Who Walks Behind The Rows.

We gasped.

Nico: That murderous zealot, he just doesn't know when to quit! If he's captured the forty-one girls, there's no doubt he's going to try and sacrifice them to He Who Walks Behind The Rows.

Lincoln: That's exactly right, Nico. But, we're not going to let Isaac Chroner fulfill his sacrifice to He Who Walks Behind The Rows, this time, we're going to destroy him once and for all and we're going to send him to The Black Gates forever. He may be a kid, but he crossed The Moral Event Horizon when he forced the children to murder all the adults in the town.

Just then, a flurry of snow and a firestorm of lames appeared from nowhere, and then, Liam and Carmen appeared.

Liam: Darn right, Lincoln. Isaac's crossed too many lines, and now, that ornery bloodsoaked monster is going to be slain here and now.

Nico: Whoa, Carmen, Liam, this is quite the surprise.

Lincoln: It sure is, but as soon as you heard of Isaac's return, you had to come here at once along with Carmen.

Carmen: Yep, we're not letting that zealot get away with this, he's spilled too much blood for the last time and all for He Who Walks Behind The Rows.

Sun Shang Xiang: Luckily, since we freed the children from Isaac's control two years ago, we won't have any re-emergence of his cult.

Lincoln: Right, Shang Xiang, but we still got to be careful though, last time, he summoned zombified versions of the villains we'd killed long ago, he could try that same old trick again.

Sora: Right. Now, let's find Isaac and put an end to this nightmare for good.

Suddenly, we saw a very beautiful and super sexy girl with long rose red hair and red headband, red eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful red angel wings, she's dressed in a white short-sleeved blouse, sleeveless red top, necklace with pearls and red gem for the pendant, long ankle-length white skirt, white bridal gloves, red knee-high high-heeled boots with butterfly buckles, and long white long-sleeved trenchcoat with doves, hearts, and angels on the coattails and on the back is Aphrodite, and holstered on her back is a massive Aphrodite-themed greatsword with embedded red gems and Basshaa etched on the 7'0" massive, wide, double-edged red blade, large white dove heads for the crossguard, large white angelic faces embedded on both sides of the hilt with red gems embedded in their foreheads, longer midnight black handle, four large white angel heads and large red gem on the bottom of the large white angel heads for the pommel, and with her are the the forty-one girls.

Selene Arcangela: (Gasps) The dove motif on the sleeveless trenchcoat, you're one of the daughters of the Olympian Gods and Goddesses.

Red-Haired Girl: That's right, and I got the girls away from that bloodsoaked zealot who was spouting nonsense about He Who Walks Behind The Rows, he's lucky he doesn't suffer the wrath of my mother, Aphrodite.

Lincoln: (Gasps) That voice, Michelle Aphrodite, I knew it was you.

?: Team Loud Phoenix Storm, you will all be sacrificed to He Who Walks Behind The Rows!

We then saw our target, Isaac Chroner, and he was now out for blood.

Liam: Isaac, I should've known you'd show up again. But, this time, you're never going to hurt yet another innocent soul again.

Suddenly, something within Liam's mind snapped as the memories of the slaughter of all the adults in Gatlin, Nebraska orchestrated by Isaac Chroner and what he'd done in manipulating innocent children to follow that religious zealot and the bloodthirsty deity echoed and rushed through his head and his marine blue eyes turned neon marine blue and he was surrounded by a marine blue energy aura with ice, snow, ice crystals, snowflakes, stars, musk ox, and seals, he unholstered his massive Qailertetang's Arctic Thunderstorm Greatsword of Thundersnow Justice from his back, and as he approached Isaac Chroner, he left marine blue energy, ice, snow, ice crystals, snowflakes, stars, musk ox, and seals with every step.

Liam: Isaac, you absolutely make me sick to no end, what you did in manipulating all the children of Gatlin, Nebraska to slaughter all the adults of the town, that was an act of genocide that can never be forgiven. (SUDDENLY GETTING EXTREMELY PISSED OFF AS HIS MARINE BLUE ENERGY AURA FLARED UP EVEN MORE EXTREMELY AND HIS MUSCLES BULGED OUT EVEN MORE) But, what you've done in manipulating those children, you traumatized them so much, and they still have nightmares of what you'd forced them to do, and all for your ornery deity… , YOU'VE CROSSED ONE LINE TOO MANY, ISAAC CHRONER, YOU ARE NOTHING MORE THAN A EVIL, BLOODSOAKED, HEARTLESS, GODLESS, SADISTIC MONSTER AND YOUR DEITY, HE WHO WALKS BEHIND THE ROWS IS A MONSTER WITH A HATRED FOR ALL OF MANKIND! AND FOR THAT, YOU AND HE WHO WALKS BEHIND THE ROWS SHALL SUFFER THE WRATH OF QAILERTETANG!

We gasped at the sudden extent of Liam's fury: Isaac Chroner was doomed now, and not even his deity will save him.

Lincoln: Whoa! I've known Liam for years, and I've never known him to get that pissed off before!

Me: Me too.

Nico: But, what Isaac had done and in the service of He Who Walks Behind The Rows made his mind snap, and now, his fury is about to be unleashed! STAND YOUR GROUND, HE'S GOING TO BLOW!

We stood our ground and braced ourselves.

Isaac Chroner: How dare you insult He Who Walks Behind The

Rows?! SACRILEGE, AND NOW, YOU MUST DIE, SO THAT HE WHO WALKS BEHIND THE ROWS SHALL BE SATED!

Isaac Chroner charged right at Liam to kill him, but then, Liam screamed like a madman to the infinite power and he was surrounded by a massive vortex of marine blue energy with ice, snow, ice crystals, snowflakes, and stars surrounding the vortex, there are musk ox, seals, ice dragons, and a Yuki-Onna flying around the vortex, and in the vortex is an orange phoenix with red eyes glaring at Isaac Chroner: the red eyes of death. Then, as the vortex faded, Liam emerged, but he was changed forever.

Liam grew from 7'5" to 7'9" in height, his abnormally massive and powerful upper and lower body muscles grew much bigger for his new body and he still retained his eight-pack abs, he has marine blue highlights in the bangs of his long orange hair that reached the bottom of his neck and he now has rows of straight teeth, he has neon marine blue eyes and a marine blue energy aura with snow, ice, ice crystals, ice lightning, snowflakes, musk ox, seals, ice dragons, and Yuki-Onna surrounding him, he has a Yuki-Onna holding a snowflake in her hands emblazoned on his forehead and Third Eye with marine blue iris, he has on snow dragon earrings with ice blue gems for eyes and holding the Snow and Eternity Kanjis in its claws, he has on his Crystal Necklace of The Buddha with marine blue gems embedded in the gold snowflake links and marine blue crystal links and an Ice Dragon-shaped Element of Harmony and on the bottom of the Element of Harmony is a musk ox with ice blue gems for eyes and holding the Snow and Eternity Kanji in its hooves for the pendant on his bare chest and he now has fine hair on his forearms, short beard stubble on his jawline, and chest hair on the center of his chest, and he has on large gold metal bands on his massive biceps and thighs. Liam has on a marine blue version of He Man 2002's loincloth, dark blue shorts, long white trenchcoat coattails with ice, snow, ice crystals, ice lightning, snowflakes, musk ox, seals, ice dragons, and Yuki-Onna on them and tattooed on Liam's wider and more muscular back is a Yuki-Onna, Seal, Musk Ox, and an Ice Dragon surrounded by snow. Then, Lincoln and Liam fired ice lightning blasts at Isaac Chroner which exploded as they hit him and he was frozen in a block of ice, and they fired black energy swords from their massive greatswords and they pierced Isaac's black heart, and as they exploded, Isaac Chroner and He Who Walks Behind The Rows were sent to The Black Gates forever. We cheered as we holstered our weapons and power down, and Liam's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long orange wolf tails, and massive orange angel wings are permanent.

Liam: That'll teach you, you good-for-nothing, side-winding, bloodsoaked rattlesnake!

Lincoln: You and your deity deserve to burn forever in The Black Gates!

Suddenly, Carmen Rockell wrapped her arms around Liam's muscular back as her chest was pressed against Liam's massive and wide muscular pecs, which'd brought an atomic red blush to Liam's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and it brought an atomic red blush to her face. Then, as Liam leans down to Carmen Rockell's face, they kissed passionately as Carmen Rockell's arms moved and her hands were placed on Liam's massive pecs, and behind them was a Fire and Ice Phoenix, Fire and Ice Dragon, and Yuki-Onna flying in the air, and we also saw a herd of Oxen running across the field, along with flames raging and lightning crashing down behind them and snowflakes falling down on them and we all cheered wildly for them. Then, they absorbed the fire and ice.

Carmen: That was one awesome surprise you had, Liam, you were about to transform, and you also got quite the upgrade.

Lincoln: She's right, Liam, you also now have beard stubble on your jawline, hair on your forearms, and the chest hair, that was also an added bonus.

Nico: Looks like Carmen's going to have a lot of fun with you tonight.

Liam: Nico.

We laughed.

Lincoln: But, we're finally rid of Isaac Chroner and He Who Walks Behind The Rows for good. (To Michelle Aphrodite) And it's so good to see you again, Michelle Aphrodite.

Michelle Aphrodite: You too, Linky, it's been such a long time.

Lincoln went up to Michelle Aphrodite and he hugged her, and Michelle Aphrodite is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, fine hair on his massive forearms and short stubble on his jawline, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you nine since you were seventeen, and as you can see, I really grew a lot since then.

Michelle Aphrodite: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 17-year-old 7'9" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, fine hair on your massive forearms and short stubble on your jawline and many accessories, that's really new, along with getting He-Man's chest harness. You've really really grown a lot in height and become a man, but you're still the same kind boy from long ago. Plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and he's become truly immortal.

Me: And Lincoln, you know this sexy mama?

Lincoln: Indeed I do, J.D., this is Michelle Aphrodite, Daughter of Aphrodite, The Greek Goddess of Sexual Love and Beauty, she's my Guardian Angel from Greece mainly the legendary Mount Olympus, and like her mother Aphrodite, she's a Goddess of Sexual Love and Beauty and has all her mother's powers and she's immortal and she's extremely beautiful and sexy. When she and I met, there was indeed quite the attraction that turned into true love and she swore to protect me from those who sought to do him harm, and her targets were none other than Flip, Lewis Travolta, Scoots, Hawk, Hank, Pablo, Anderson, Chandler, Artie, Trent, and Killjoy Huggins, his enemies, and she also swore to protect me from Lori, Lynn, Lola, Lisa, and Luan.

Luna: She's also really good friends with Leni, and she's also an awesome fashionista with a great sense of style. Lincoln and Michelle made many beautiful dresses for Leni to model and they also made some for the rest of the Guardian Angels and for those who would become part of his harem. Lincoln made Michelle a beautiful necklace with red gem for the pendant, along with a white short-sleeved blouse, red sleeveless top, long ankle-length white dress skirt, and white bridal gloves, and to show thanks, Michelle kissed Lincoln on the lips and their make-out session lasted for ten minutes.

Nico: (Whistles) That must've been some make-out session.

Me: It sure was, and she hates Lola with a blazing passion because Lola was just jealous of Michelle's beauty and grace and that she always defends Lincoln whenever she along with Lori, Lynn, Lisa, Luan, and the rest of Lincoln's enemies plotted to kill him, and Selene Arcangela also told Michelle of everything those demons have done to him, and during a bake sale that Michelle and Lincoln were doing for a charity one night, Lola ambushed them and she viciously attacked them and destroyed their table along with the snacks that they made for the bake sale, Michelle kicked the tar out of that rampaging little pageant demon, and Lincoln tied her up in a red energy straitjacket, and when he alerted the rest of his family of what Lola did, Lola got grounded for seventeen weeks and she was forced to clean up the mess that she made during her little rampage while Michelle and Lincoln remade the treats for their bake sale.

Nicole: Oh man, I remembered that little incident, and Michelle wasn't the only one that pissed off at Lola that day, Mary was also pissed off at Lola for ruining the treats that Lincoln and Michelle made and knowing Mary, she's a lover of sweets. When she saw that Lola destroyed the treats along with their table, Jared and I tried to restrain her, but we forgot just how strong she is, and when she ate one of the cookies, she gained a power boost and got us off her and we went flying into a nearby wall and she went at Lola and clobbered her.

Brittney: I still remember that, Mom had to heal you guys, none of us had forgotten how strong Mary is, and that she also gets stronger by eating sweets, nuts!

Lincoln: Yep, and Mary also kept an eye on Lola in case she tries anything. And now that you're here, Michelle.

Lincoln went up to and hugged Michelle Aphrodite in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Michelle Aphrodite: Mmm, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Michelle Aphrodite's neck with red gems on the gold lightning bolts and red crystal links from her merged Crystal

Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck.

Michelle Aphrodite: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Michelle Aphrodite.

Michelle Aphrodite had a smile on her face and tears in her eyes as Lincoln still had his abnormally massive and powerful muscular arms around her, and he leans down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the forty-one girls, and when Lincoln saw who they were, he immediately recognized them. The forty-one girls are Ayame Midoh, Kiara Kanan, Maho Akai, Maria Abe, Yuuma Mochizuki, Eve Seiya, and Noel Seiya from Doki Doki Majo Shinpan!, Tohka Yatogami, Mana Takamiya, Ellen Mira Mathers, Ryouko Kusakabe, Mikie Okamine, Mildred F. Lincoln: You're welcome, and it's a pleasure to meet you all.

Lincoln made forty clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene.

Ayame Midoh: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, forty-one Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Ayame Midoh, Kiara Kanan, Maho Akai, Maria Abe, Yuuma Mochizuki, Eve Seiya, Noel Seiya, Tohka Yatogami, Mana Takamiya, Ellen Mira Mathers, Ryouko Kusakabe, Mikie Okamine, Mildred F. We returned home to The World Tree Estate, and the rest of the team were shocked to find out the villain we went after was our old enemy, Isaac Chroner, the religious zealot and servant of He Who Walks Behind the Rows, who'd returned from the dead, and he wanted revenge on us for what we did destroying him two years ago along with ending his cult and putting an end to He Who Walks Behind The Rows.

But, when Lincoln showed what happened such as Liam transforming into his Universal Eternal Celestial Xelnaga form and all of us giving that religious zealot the beatdown of his life, and Lincoln and Liam finishing Isaac off by firing black energy blades from their massive greatswords which pierce Isaac in his black heart and they obliterate him and send him and He Who Walks Behind The Rows to The Black Gates forever, everyone cheered and hugged us and Lincoln's harem kissed him all over, and they had steam whistling out their ears. Lincoln and Michelle Aphrodite have a lot of catching up to do, now that she's back in town.

Maria: Damn, I certainly wasn't expecting Isaac Chroner to return from the dead to get revenge on us, but that was so awesome that Liam transformed.

Rusty: Yeah, and you also now have hair on your forearms and chest, along with beard stubble on your jawline.

Carmen: He does now look even more manlier like Lincoln, and the eleven massive and long orange wolf tails, that was also an extra bonus.

Lincoln: They sure are, and now, we're finally rid of Isaac Chroner and He Who Walks Behind The Rows for good.

Me: You said it.

Nico: The nightmare of Gatlin, Nebraska may be over, but the scars those two left behind will take a very long time to heal, but with them gone, the scars will begin to heal.

---

After finally getting rid of Isaac Chroner and He Who Walks Behind The Rows and this time for good, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Michelle Aphrodite saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her faces, hearts in her eyes, and her nose was bleeding.

Michelle Aphrodite: My God, I was right that Lincoln's really grown into a 17-year-old, 7'9" tall, really big, handsome, and really strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been bodybuilding and working out for many years. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Michelle, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Michelle Aphrodite: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Michelle Aphrodite: Oh man, I knew it was only a matter of time before he told everyone that story.

Nico: Yep. So, Michelle, what's the story on that whole incident Lincoln mentioned?

Michelle Aphrodite: I was hoping you'd ask that, and it's something we all remember all too well.

Michelle Aphrodite pulled up a video and it played on the screen, and it shows Lincoln and Michelle setting up their table in the auditorium for the charity, and Michelle got out the treats they were going to sell: chocolate-dipped cookies drizzled with white chocolate and decorated with sprinkles and nuts. Suddenly, the doors burst open, and standing in the doorway was Lola, her face was red with anger, her teeth turned into fangs, and her hair was on fire.

Past Lola: (ROARS WITH ANGER)

Then, Lola charged at Lincoln and Michelle and she viciously attacked them and destroyed their table along with the snacks that they made for the bake sale.

Past Lincoln: Lola, this was for our part in the bake sale for charity!

Past Lola: THIS IS WHAT YOU GET FOR EXISTING AND FOR DEFYING ME, PESEANTS! (LAUGHING MANIACALLY)

Past Michelle Aphrodite: Okay, that's it, I've had it up to hear with your ugly attitude and your big fat mouth, you heartless, rampaging, little pageant demon!

Michelle Aphrodite pounced on Lola, and she really kicked the tar out of that rampaging little pageant demon, and we saw Mary being restrained by Jared and Nicole, but then, she ate a cookie which gave her a power boost and she got Nicole and Jared off and that sent them flying into a wall, and she ran at Lola and viciously beat her up. Then, Lincoln fired red energy blasts from his massive white angel wings and they tied her up in a red energy straitjacket, and he alerted the rest of his family of what Lola did, and Lola got grounded for seventeen weeks and she was forced to clean up the mess that she made during her little rampage while Michelle and Lincoln remade the treats for their bake sale, and Lola was in a prison uniform and she was seething with rage.

Past Lola: YOU WILL PAY FOR THIS, YOU PESEANTS!

Past Lily: Get back to work, you rampaging she-demon!

Lily swung a whip and it cracked and forced Lola to get back to work as the video ended.

Nico: I can't believe Lola did that just because Lincoln was still alive and defying her petty orders!

Me: I know, she was an animal and she was at the worst of her wrath!

Luna: She ruined the hard work Michelle and Lincoln put into making those treats! We were so mad at Lola, we wanted to shred her dresses and break her tiaras, but the parents got her grounded for her stunt, and for the whip, Mary gave her that whip to use instead of using her mallet.

Nicole: Mary was really mad at Lola for what she did, and we had to keep her from trying to kill her.

Me: Which wasn't an easy thing for us.

Brittney: Yeah, it really wasn't.

We got a shower, and then, Lincoln, Gem-Knight Lady Lapis Lazuli, and Gem-Knight Lady Rose Diamond are heading to Shangri-Spa.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'9", handsome and extremely muscular man was dressed in his new large orange speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Gem-Knight Lady Lapis Lazuli and Gem-Knight Lady Rose are dressed in the two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Gem-Knight Lady Lapis Lazuli and Gem-Knight Lady Rose had feelings for Lincoln and he also had feelings for them, and he also saved them all from an ambush by a group of thugs Trina Riffins hired to kill them, Lincoln killed them all and sucked out their blood and life energy, which made Trina Riffins go insane with anger, until Lincoln fired energy blasts at him and more gold and jewels and treasures came out of that bitch, but they also got to keep their heads up, they got word that bitch, Trina Riffins, has sent more muscle-bound thugs to kill them.

Gem-Knight Lady Lapis Lazuli: Wow, so this is Shangri-Spa, it truly is beautiful!

Lincoln: It sure is, Gem-Knight Lady Lapis Lazuli, and it's also perfect for our first date and a nice relaxation. Shall we?

Lincoln, Gem-Knight Lady Lapis Lazuli, and Gem-Knight Lady Rose went to The Springs of Purification, Bliss, Sanctuary, Jungle Mist, and Rainbows, and they had quite a very relaxing time there, and the girls even gave Lincoln a full body massage which really soothed him and relaxed his muscles, and he also did the same by giving the girls a full body massage as well.

Then, they went to a workout area, and Gem-Knight Lady Lapis Lazuli and Gem-Knight Lady Rose got a massive and extreme deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, but then, they saw hulking muscle-bound thugs hired by Trina Riffins coming after them, but Lincoln grabbed each of them one by one and he'd sucked out their muscle mass and strength and made them thin as rakes and completely weak and he sent them to The Black Gates forever.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Gem-Knight Lady Lapis Lazuli and Gem-Knight Lady Rose, and they hugged the girls in their abnormally massive and powerful muscular arms, and Gem-Knight Lady Lapis Lazuli and Gem-Knight Lady Rose placed their hands on the massive pecs of Lincoln and his clones, and then, they shared a passionate and romantic kiss. Then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face, massive muscular body, and eight-pack abs.

Nico: Whoa, looks like someone really had an awesome time at Shangri-Spa, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, two Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Gem-Knight Lady Lapis Lazuli and Gem-Knight Lady Rose with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Gem-Knight Lady Lapis Lazuli and Gem-Knight Lady Rose are now in your harem.

Sidney Ford: It's so awesome that Gem-Knight Lady Lapis Lazuli is now part of the harem.

Okalani Xayavong: Along with Gem-Knight Lady Rose.

Jenna: And Trina Riffins had some nerve trying to kill them, that heartless murderous bitch's just making things much worse for herself.

Serena Logan: Trina really is a murderous rage-crazy bitch to try those sorts of stunts, but just like Flip, she's just making things worse for herself.

Rarity: And trying to kill Arcana Triumph Joker, Bloom Harmonist the Melodious Composer, Gem-Knight Lady Brilliant Diamond, Witchcrafter Edel, Witchcrafter Genni, Witchcrafter Haine, Witchcrafter Madame Verre, Witchcrafter Pittore, Witchcrafter Potterie, Witchcrafter Schmietta, and Witchcrafter Vice-Madame, now she's really going to get it.

Lincoln: And we also had a run-in with more of her hulking muscle-bound hired thugs to kill us yet again, but I sucked out their muscle mass and strength and killed them all and sent them to The Black Gates, and she should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Trina Riffins scream with extreme hatred and rage, and now, she's officially lost her mind.

Maria: Yeah, up yours, bitch!

Nico: If that bitch so much as breaks out and we face her on your rescue, Lincoln, I hope you break every last bone in her body.

Lincoln: Are you kidding, if Trina broke out, Courtney would wind up getting to her before any of us did, and she'd really do a lot worse than the beatdown she gave that rage-crazy Spawn of Satan during The 20 Days of Darkness.

Me: Yeah, and she's lucky we're not giving her The Black Gates because she doesn't deserve it.

Lincoln: Death's too kind for her, she deserves to suffer our humiliations, and from what we've been doing by always winning against evil, it's driving her and the other jerks completely nuts!

Nico: (Snickers) In more ways than one, Lincoln.

Michelle Aphrodite: And I've also helped Nicole with creating silencing seals for whenever we engage in a love-making fest. Nicole told me about what happened after you guys dealt with Crocker and Burns.

Lincoln: (Face turns Atomic Red) Oh, that.

Nicole: Michelle combined her magic with the silencing seals I made, and now, whenever anyone gets in a love-making fest, the silencing seal activates and no one will be distracted.

Then, Michelle Aphrodite walked seductively to Lincoln.

Michelle Aphrodite: (Seductive Voice and rubs her hands on Lincoln's massive pecs) And we're going to be the first ones to test it out, Linky.

Lincoln had a really bright atomic red blush on his face, his deep sapphire eyes turned deep red with fiery passion, and his nose was bleeding.

Lincoln: (Seductive Voice) Well, then, I'm ready whenever you are.

Lincoln picked Michelle Aphrodite up bridal style and she was extremely surprised, and they went into his room and closed the door, and then, the silencing seal had activated and we saw it was a glowing soundproof pink barrier.

* * *

We were watching TV and then Jack Landors came.

Jack Landors: There's this oden stand that opened up in the city. You guys want to visit it with me?

Potion Nova: We sure would!

Me: Hey sure Jack.

Qin: Yeah!

We went down to the surface of the planet.

Taro: You guys will love eating oden. It's one of me and Sonoi's favorite foods.

Me: I actually had it before on my travels all over the world when I went to Japan. It's really good.

Nico: That is awesome.

Taro: Wow that is awesome and cool.

Xenia: It sure is.

Lola: I can't wait to try it.

Me: We ate all kinds of awesome foods all over the world and they are good.

Lola: Yeah.

Xenia: It's true.

We arrived at the stand.

Melon Mint: Here we are.

Me: Sure looks like a good place.

We went in.

Masaharu Kinichi: Ah welcome to Kinichi Oden.

Me: Glad to be here. (In my head) Wait a second. I remember him. That's Masaharu Kinichi. He is an Oden chef and he makes good food.

Nico: One of your tastiest Oden please

Masaharu Kinichi: Coming right up. Taro? Wow! Good to see you again.

Taro: You too Masaharu. Been a while.

Masaharu Kinichi: It sure has. And congratulations on defeating Burns and Crocker and joining the team..

Taro: Thank you.

Me: Awesome that you two know each other Taro.

Taro: Yeah Masaharu makes great Oden for me and my friends and we love it.

Haruka: It sure is awesome.

Masaharu got to work.

Masaharu: Here you go.

Me: Arigato.

We then got to eating.

Me: (Eating) Mmm! Just like on my travels all over the world.

Nico: (Eating) It's good.

Eli: (eating) Delicious.

Varie: (Eating) It sure is.

Masaharu Kinichi: Thank you very much.

Me: You're welcome.

Taro: Just as good as ever Masaharu.

Masaharu: Thank you Taro.

Jack Landors: This is good. But you know what it needs? Some ketchup!

Masaharu: What? No, it doesn't need ketchup.

Taro: Ok, just calm down.

Me: I don't think it needs ketchup Jack.

Qin: Yeah that would not taste good.

Lola: Yeah.

Me: It's good the way it is.

Masaharu: I am the genius chef! Why are you complaining about my cooking! It doesn't need ketchup at all!

Me: UH OH!

With that, he was surrounded by an energy circle with the Dekaranger logo and turned into Tokusouki from episode 34 of Donbrothers!

---

Tokusouki is attacking the city, complaining that he is a skilled chef and wonders why people are complaining about his food, desiring to have customers who show him some respect. He uses the Hanpen License to delete the fleeing civilians. The Donbrothers teleport in and at first are distracted by what they were doing previously as civilians before noticing Tokusouki. Sonoi, Sonoza and Sononi arrive as well to try to slay Tokusouki, but Sonoi shifts his attention to Taro and the other Donbrothers push the opposing forces away so that the two rivals can duel again. Both act identical to each other and seem irritated about it as they fight, as both refuse to believe that they are similar. Tokusouki flees and both parties chase after it, with Taro and Sonoi dropping their feud to pursue the Hitotsuki.

Later, Tokusouki, back in his human form, is serving Taro, Shinichi and Haruka some food when the Noto generals arrvied. He asks them to scoot over to let his new customers have a place to sit,

The Noto, unfamiliar with human food, ask for a "round thing, a triangle and the rectangle". Taro helps out by stating to the owner that they want an egg, a hanpen fish cake and fried fish. Sonoi exposits facts about oden, but Taro says that trivia isn't required, one must simply enjoy food with their senses. Upon eating his oden and getting sauce for the egg from Taro, Sonoi is moved to tears, with the emotion expelling bits of Taro's energy from him and Sonoi reverting back to his old self. Sonoi is enthusiastic about his meal, declaring it the best thing he has ever eaten. While Sononi and Sonoza are also enjoying the food they noticed that Sonoi is back to normal and they are overjoyed. Sonoi is confused about what they are so excited for, not remembering what happened when he was empowered by Taro's energy.

Taro is encouraged to "say something cool", but this results in another infamous bout of Taro's honesty as he grades the owner's oden as 32 points out of 100. Outraged, the oden cart owner turned back into Tokusouki and he runs off on a rampage. Both parties change and a four way battle ensues. Haruka fights Sonoza, the boys fight Sononi, and Taro and Sonoi have a competition to see who gets to Tokusouki first. Taro changes into his GolDon armor and after a bit of back and forth clashing with Sonoi, defeats Tokusouki using the Festival's End finisher. While Sonoi was contained in the peach construct with Tokusouki, he manages to escape before the Omikoshi Phoenix can strike him. He orders Sonoza and Sononi to withdraw as Tokusouki becomes Tokusouking. Taro decides to test out his new power by having the Omikoshi Phoenix combine with Don Onitaijin to become GolDon Onitaijin.

Tsuyoshi and Shinichi complain that the new armor blocks their view, but Taro doesn't care and wants them to focus on the fight. Tokusouking tries to sneak up and pee on GolDon Onitaijin's leg, but gets smacked away by the new robot's spear. Tokusouking then tries blasting GolDon Onitaijin with its finger guns, but the shiny new robot deploys a shield and Haruka uses a "Super Oni Kick" to knock back the ballistic dog. Taro then executes the new finisher; the DonBros Utopia, to purify Tokusouking. The owner returns to his cart, a bit confused but with a customer waiting to be served.

---

We gasped!

Me: Tokusouki the Dekaranger Hitotsuki! I knew it!

Nico: Uh oh! Déjà-vu!

Tommy Oliver: And me complaining to someone like that the last time set someone off!

Me: And I remember this one! He was pissed because someone complained about his food too!

Nico: Nice going Jack!

Jack Landors: Sorry!

Me: Wait lets take this out in the open. We don't want to damage your stand.

Tokusouki: Good idea.

We went outside.

Me: That's better. Oh wait.

I went back and finished my bowl and cleaned up and left him some money.

Me: There.

KRABBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion went off behind us and we were ready!

Me: Now the fun starts! (ACTIVATES ZAMIGO DELMA'S RIDEWATCH)

I got Zamigo's blasters!

Me: I remember seeing those machine gun blaster hands of yours and those are wicked badass!

Tokusouki: Thank you.

Me: Lets see which is more badass!

Tokusouki use his hands to shoot magnum projectiles

They were like missiles and Nico formed a force field around us and they hit it and massive fiery explosions blasted off all over!

KRABBBBOOOOOMMM! KRABBBBOOOOOOMMMM!
KRABBBBBOOOOOOOOOMMMM! KRABBBOOOOOMMM!
KRABBOOOOOOMMM! KRABBBBOOOOOOOOOOMMMMM!
KRABBBBBBOOOOOOOOOMMMM!
KRABBBBBOOOOOOOOOMMMMM!

The force field protected us.

I fired the blasters at him and blasted him all over with incredible force and power and fiery explosions blasted off all over the place with incredible force!

KRABBBBBBOOOOOOOOOMMMM!
KRABBBBBBBOOOOOOOOOOOMMMMM!
KRABBBBBBBBOOOOOOOOOOOOOOOOMMMM!
KRABBBOOOOOMMM KRABBBBOOOOMMMM
KRABBBBOOOOOOOMMM!

He was blasted all over the place!

Nico: WHOA! Nice shooting!

Eli: YEAH!

Tokusouki: (sees some civilians running) Where do you think you're going?!

Tokusouki used his special license to judge them and then delete them from existence

Me: Nice try!

I snapped my fingers and they came back!

Qin: Not even Hitotsuki's have the power to use powers like those of

the Black Gates.

Me: Nope.

Taro: Take this!

Taro kicked him and sent him flying and he crashed right into a cabbage cart!

CRASH!

Cabbage Man: (SCREAMS) MY CABBAGES!

Tokusouki: (Dazed) Anyone get the number of that ranger that kicked me?

Tokusouki got up.

He shot his magnum projectiles but Jack countered with his Delta Blasters

Massive fiery explosions blasted off all over the place.

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOMMMMMMM

Me: (Imitating Dirty Harry) Now you have to ask yourself one question. Do I feel lucky? Well… (Pulls out mega bazooka) DO YA? PUNK!

It was ready to fire.

Tokusouki: Uh oh.

I fired and it fired a missile and it hit Tokusouki and exploded with incredible power!

KRABBBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOO

Nico: Nice Dirty Harry line use!

Qin: Yeah!

Tokusouki walked up to Poromon… and peed on him

Drillhorn: Ew! Gross!

Me: HEY THE BATHROOM IS OVER THERE JERK!

I fired waves of energy and blasted him all over!

Poromon: NO ONE PEES ON ME AND GETS AWAY WITH IT! (ECHOING) LIGHTNING JAVELIN!

He fied a blast of lightning and electrocuted him!

Sonoi: When you look at it, Tokusouki is similar to a dog.

Me: I know he's a dog. But he should have used a fire hydrant instead of peeing on Poromon. No offense to the fellow dog members of the team.

Hunter: None taken J.D.

?: This guy needs to be taught some manners!

A Trevenent came!

Me: Cool a Trevenent!

Qin: Wow!

Lola: Yeah!

Trevenent: (In a girls voice) I'm going to pound this bad dog!

Nico: Abigail Arborea! Whoa!

Trevenent: Awesome to see you again Nico.

BLAM! SMASH SMASH SMASH SMASH SMASH SMASH SMASH SMASH! KRABLAM!

She punched and smashed Tokusouki all over with incredible force!

Qin: OUCH!

Tsubasa: From one dog to another. Avatar change!

He turned into THE SHADOW RANGER from SPD!

Me: Very fitting!

Qin: YEAH!

Nico: Awesome!

Commander Krueger: That does work perfectly for him.

Lola: YEAH!

Tsubasa blasted him all over.

Tokusouki Fired more magnum projectiles

I used magnetic powers and redirected them back and they hit Tokusouki and exploded!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOMMMMM!

Tokusouki: I'll blast you out of existence!

Me: (Imitating Dirty Harry) Go ahead, make my day.

Qin: Nice!

Eddy fired his blaster at him

He blasted him all over the place.

Qin: Take that!

I fired waves of blades of fire and blasted him all over!

Camie: YEAH!

Himiko: Take this!

Himiko fired waves of fire and blasted her all over.

Nico: Take that!

Me: Shall we finish this buttface guys?

Jack Landors: With pleasure!

Me: First this!

I fired a beam of light and separated Masaharu from him!

Me: Then this! SPD MORPHER! JUDGEMENT MODE!

I activated it and a white light appeared and a timer started. 15 seconds later the Red X lit up.

Me: GUILTY!

Jack Landors: Nice!

Me, Jack, Donbrothers, Nico and Lyra: SPD FRIENDSHIP JUSTICE CONTAINMENT BLAST!

We fired waves of energy and blast hit Tokusouki and exploded!

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOO

I caught the SPD Gear and I went over and saw that he was locked in a containment card.

Tokusouki: WHEN I GET MY HANDS ON YOU I WILL TEAR YOU LIMB FROM FUCKING LIMB!

I went over and picked him up.

Me: Tokusouki you have failed this city!

Donbrothers: DEMON ELIMINATION COMPLETE! ALL'S WELL THAT ENDS WELL!

Jack Landors: SHUTDOWN!

Nico: Yeah!

I went over to Masaharu and he was dizzy from the separation.

Me: You're going to be okay Masaharu. But your food is awesome. Just make sure no one tells you otherwise.

Masaharu: Okay. Thank you.

He then vanished.

Qin: Boy they are still going back to Japan?

Me: I know. Now that the Donbrothers are with us they should be staying here.

Xenia: Yeah.

Abigail Arborea reverted back and she was a girl with green hair, had a tree tattoo on her forehead and she had leaf angel wings and had a beautiful green dress on and she had a flower sword in her hands.

Abigail Arborea: I had some of his Oden myself and it was really tasty. It didn't need any ketchup at all.

Nico: Glad you think so Abigail.

Jack Landors: Sorry about that guys.

Me: No worries Jack.

Nosecone: What's your favorite memory of Nico?

Abigail Arborea: When me and Nico made a whole forest city like this one on an island in the middle of the ocean. It was called the Paradise Forest Resort.

Me: Wait you mean that was built by you two on that island in the Indian Ocean? Whoa!

Xenia: That is so cool!

Nico: Yeah!

Taro: Wow!

Abigail Arborea: Yep. And me and Nico made all kinds of island resorts like that and the best part is that they are strong and withstand hurricanes, typhoons and cyclones.

Qin: That is cool!

Eli: Wow!

Nico and Abigail hugged.

Nico: I've really missed you.

Abigail Arborea: Me too Nico. Me too.

Snaptrap: You okay, Poromon?

Poromon: Just need a bath is all.

Qin: Still an awesome battle though.

Nico: It sure was. Lets get him cleaned up and get ready for our next mission.

Me: Good idea.

We went back home and got Poromon cleaned up.

We got him squeaky clean and more.

Then the previous group came.

Roquefort: Can me, Waffle Woman, Common Cold, Technus, Xaldin, Salami Swami, Steam Smythe, Hydrax and Samon Shakekisutanchin go with you guys?

Nico: Yes you all can come with us.

Lola: We don't know what our mission is but it will be fun.

Xenia: Yeah it sure will.

Camie: Yep.

Transquito: Nico, which Gene Slammers do you think you'll meet next?

Nico: Avalugg, Noivern and Xerneas.

Eli: WHOA! This is gonna be awesome.

Qin: Yeah.

Me: This will be interesting.

Lola: Yep.

Common Cold: I hope this movie is good!

Me: Oh it is!

We got to watching it.

Conrad and Sally Walden live in Anville with their single mother Joan, who works for neat-freak Hank Humberfloob as a real estate agent and is dating their next-door neighbor Larry Quinn. One day, Joan leaves her children at home with babysitter Mrs. Kwan while she goes to the office, forbidding them to enter the living room which is being kept pristine for an office party she is hosting that night.

After Mrs. Kwan falls asleep, a bump came from the closet. Sally and Conrad go upstairs to investigate, and they meet The Cat in the Hat, an anthropomorphic talking cat with a red-and-white striped top hat and a large red bow tie. They scream, run and try to hide, but The Cat quickly comes to them as he introduces himself and wants to teach them how to have fun. In the process, the Cat leaves a trail of destruction throughout the house and releases two troublemakers, named Thing 1 and Thing 2, from a crate which he locks and forbids the children to tamper with, explaining that it is a portal to his world. Despite the Cat's warning, Conrad picks the lock on the crate, which grabs on to the collar of the family dog Nevins, who runs off. The trio drive the Cat's super-powered car to search for Nevins and get the lock back.

Larry is revealed to be an unemployed slob in debt, pretending to be a successful businessman in order to marry Joan for her money. He wants to get Conrad out of the way by sending him to military school. Larry sees Nevins and kidnaps him, but the Cat tricks Larry into returning the dog. Larry goes and tells Joan about the Cat, but they are stalled by the Things' posing as police officers. Larry tells Joan to meet him at the house.

When the kids and the Cat return to the house with the lock, Larry cuts them off and orders them inside the house, where he sneezes uncontrollably due to his allergy to the Cat, who takes the advantage and scares him away, only for them to find out that the house has been transformed into "The Mother of All Messes", with Larry falling into a gooey abyss. The Cat, Sally and Conrad ride on Mrs. Kwan and navigate through the surreal house to find the crate and lock it, whereupon the house returns to its normal proportions but immediately collapses. In a heated argument, the kids discover that the Cat planned the whole day and order him to leave.

Conrad and Sally resign themselves to facing the consequences when Joan comes home. But, when all appears to be lost, the Cat returns with a cleaning invention and fixes the house. Conrad and Sally reconcile with the Cat and thank him for everything, and he departs just as Joan arrives. Larry, covered in goo, comes in, thinking he has busted the kids, but when Joan sees the clean house, she doesn't believe his story and dumps him. After the successful party, Joan spends quality time with her kids by jumping on the couch with them, while the Cat and Things 1 and 2 walk off into the sunset.

When it was done we were laughing hysterically and it was funny!

Qin: (LAUGHS) That was funny!

Xenia: (LAUGHS) Yeah!

Camie: That was so awesome!

Nico: Yep!

Laney: What does it say about Larry?

Me: He is a golddigging shrew. Lets see.

I pulled up his info.

---

Lawrence "Larry" Quinn is the main antagonist of the critically panned 2003 live-action film adaptation of Dr. Seuss' The Cat in the Hat and the 2003 video game based on it.

He's the Waldens' pompous next-door neighbor who is stealing the waldens food.

He was portrayed by Alec Baldwin, who also played Fred Frenger Junior in Miami Blues, Jed Hill in Malice, Dennis in The SpongeBob SquarePants Movie, Makunga in DreamWorks' Madagascar: Escape 2 Africa, Kennebrew Beauregard in BlacKkKlansman, Mark Cordell in The Juror, Nick Kudrow in Mercury Rising, Blake in Glengarry Glen Ross and Donald Trump in Saturday Night Live.

Larry first appears posing as a business man, returning Joan's dog Nevins to her after Conrad gets into trouble for messing up the house. He believes the disobedient boy should be sent to military school to discipline him, though Joan, despite Conrad's misbehavior, is unsure and believes it's not right for him. Conrad overhears his conversation with his mother (along with the attempted manipulation), saying he isn't going to military school. Larry immediately displays his arrogance by verbally abusing and provoking Conrad, before reverting to his jolly façade when sensing Joan coming back into hearing range. He then leaves, claiming to have a meeting, though Conrad spots him exiting his car and returning to his house after Joan has driven away from sight.

Later on, Larry sneaks into the Walden household and sees Conrad and Sally jumping on their couch. He exposes his true colors by calling Sally a "suck-up". He then shows his crude mannerisms by stealing some beer and bread and burping in their faces, much to their disgust. He leaves when his allergy to cat dander surfaces after the Cat in the Hat's fur falls near him.

Larry is later revealed to be a lazy, overweight slob in debt. Carelessly refusing to employ himself, he pretends to be a sales agent to win Joan's favor and hand in marriage from earlier in the film in order to mooch off her. As a trio of repo men arrive to repossess his TV, much to his dismay after he attempts to bribe them with an expired credit card, and leave, he notices Nevins running on the streets again and sees this as an opportunity to frame Conrad as irresponsible. He calls and reports this to Joan and brings up his early suggestion of military school, to which she reluctantly considers (though her later calling Mrs. Kwan the babysitter who says otherwise reignites her faith in her children). Larry instantly hangs up replying he will retrieve Nevins and meet Joan at her office; his indifference leaving his girlfriend suspicious of his intentions.

In a deleted scene, while the Cat, Sally and Conrad pursue Larry with Nevins kidnapped, he encounters the repo truck, as well as the repo men from earlier take his repossessed TV into a TV shop called Safari Sam's. While Larry strikes a deal with the TV salesman about using Joan's money for a new TV, the Cat, Sally and Conrad manage to rescue Nevins, but were almost caught by Larry, so the Cat disguises himself as an animal rug. While Larry starts his deal, the Cat tries to hold in his painful suffering, but when he sees a guy on a pogo stick, the Cat couldn't take it anymore and knocks down the employees and Larry. Larry, angry by this, pursues the Cat, the kids, and Nevins out of the TV store and back into the street.

Larry arrives at Joan's office to deliver Nevins to her. But the Cat (posing himself as a hippie) tricks him into giving Nevins back to the kids. Larry soon realizes the deception after seeing Conrad, Sally and the Cat run off with Nevins as they attempt to hurry home. Larry chases them into a secret place, located in a telephone booth and manages to get him lost. Unable to find them after exiting, Larry goes back over to Joan's office and convinces her to go back to the house with him to prove her kids were up to no good. However, they get pulled over by Thing 1 and Thing 2 (posing themselves as police officers).

Seeing the trio in his car and with Joan's refusal to continue driving, Larry decides to take matters into his own hands by hijacking the

Thing's police motorcycle to drive to Joan's house himself and tells her to meet him there while the two Things continue to distract Joan. There, he catches the kids and plans to have them punished by their mother. Conrad tries to warn him not to go inside the house as it is complete mess, but Larry cuts him off and escorts the two inside and is surprised to see that the house is clean. At that point, the Cat personally appears to startle Larry, who sneezes and staggers into a wall. He screams "JUDAS PRIEST" while falling off a cliff and down in a purple river, revealing a bizarre dimension known as The Mother of all Messes. Although the house eventually returns to its normal proportions, it immediately collapses.

Upset by the turn of events, Conrad and Sally angrily dismiss the Cat, and decide to take full responsibility for what happened and face punishment from their mother. Fortunately, the Cat and the Things return to fix and clean up the house magically to its original state (much to the kids' delight). In the meantime, Larry is revealed to have survived his fall, released from the house through a pipe and covered in purple slime.

After the Cat and the Things have left, Joan returns home and is greeted by her kids and Mrs. Kwan before Larry appears. Seething with anger, Larry enters the house and tries to tell Joan what happened even though he realizes the house is perfectly normal. Subtly mocked by Conrad, Larry tries to convince Joan to agree with him, only for her to admit that, despite Conrad's recklessness, she deems he's a good kid and believes in him.

Resolute in her decision, Joan asks Larry to leave. He whimpers her name as she rips up the military school brochure from earlier and plasters it onto his sticky chest, and breaks down in tears before falling on his knees and soon catches a sneeze in his hands, much to Joan's displeasure. Larry desperately attempts to propose, but Joan silently rejects him as she and Sally finally close the door on him as he's heard sobbing in defeat and failure.

It's unknown what happened to Larry afterwards, though another deleted scene shows him exiting the porch while spotting Nevins licking off a purple goo splotch on the walkway. Angered at having no chance of getting to Joan's fortune, Larry attempts to kick the dog out of spite against his ex-girlfriend and her family. To his surprise, the purple goo transforms Nevins into a larger dog and allows him to fight back by ripping Larry's pants off, much to his shock and embarrassment. Nevins then chases a frightened Larry away while the repo men witnessing nonchalantly tow away his car. It's most likely Larry will eventually be homeless from continued unemployment unless he finds real employment or end up in jail by the authorities for civic disturbances.

We gasped and growled.

Nico: Man what a jerk!

Qin: Yeah! He cares only about money!

Camie: No kidding!

Search Man: Let's get going.

Me: Right.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was none other than Dema, the False Goddess and the primary villainess in Echoes of Mana, and she's here to destroy the world. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is someone coming after us?

Lincoln: You guessed it, Rayman, and this is something you won't like, Nicole: the dark energy signal and the figure we sensed belongs to Dema, the False Goddess and the primary villainess in Echoes of Mana, and she's here to destroy the world.

Nicole: (Gasps) Oh God, not her. That false goddess is a dangerous threat not only to the world, but also, to the entire multiverse. That's it, we need to destroy her once and for all.

Phoebe Vandom: That'll be left to me and Lincoln, Nicole, we'll not let that chaotic destructive witch get away with her crimes.

Nico: So, you guys got an evil goddess to destroy later on, but we've taken down many evil gods and goddesses for years, so she'll be taken down in the same way. Alright, gang, let's go, it's high-time we gave Larry Quinn the nasty beatdown of his life.

Lincoln: And send him on his way to the slammer, and once we get done sending that lazy bum away to jail, you're next, Dema.

Phoebe Vandom: There shall be no mercy for you, Dema, as The Guardian of The Heart, we shall see to it that your crimes against the world and the multiverse are punished, and you shall be destroyed here and now!

Lincoln put up a rainbow energy field around The World Tree Estate and we headed out to take down troublemaker and lazy bum, Larry Quinn, and once we got done taking that lazy bum down, Lincoln and Phoebe Vandom are going to destroy Dema and make that Goddess pay for every last one of her crimes against the world and the multiverse.

* * *

We arrived at the house of Conrad and Sally. It was a huge mansion.

Xaldin: This is the place.

Qin: Wow no kidding.

Lola: Yeah.

Nico: It's a nice house.

We went up to it and we opened the door and went in and saw Conrad and Sally having fun with the Cat In The Hat and Thing 1 and Thing 2.

Qin: There they are.

Magma Man: Hiya!

Conrad Walden: Whoa Team Loud Phoenix Storm!

Sally Walden: Awesome to meet you guys!

Xenia: Same here.

Cat in The Hat: It's awesome to meet you guys.

Me: Same here.

Fish: Great now you guys can kick the cat out.

Me: FISH!

Fish: What it's only…

I glared at him.

Mevya: Hi, fellow fish! (hops into Fish's bowl)

Steam Smythe: You sure you two can fit together?

Meyva: Yeah we fit.

Me: Yep they do.

Qin: See?

Fish: Okay I was getting too concerned.

Lola: Good.

Cat: Besides it's my way of having fun.

Me: We know. And I loved reading your books constantly since I was 3. So awesome and cute.

Sakura Knudson: Good times back then. They were fun.

Lincoln: Yeah they were.

Birdbrain: Your books were written by Dr. Seuss.

Cat: I know and they are fun.

Qin: So awesome and fun memories.

Xenia: Those are good times.

Nico: Yeah.

Conrad Walden: So what brings you all here?

Me: We're here to arrest this man.

I pulled out a wanted poster of Larry Quinn.

Conrad Walden: Yes! I never thought this day would come!

Samon Shakekisutanchin: (laughs) I knew you'd be happy!

Fish: Um… are you some kind of salmon skeleton thing?

Samon Shakekisutanchin: Actually yes. I'm a Salmon Gangler.

Me: Long story on that.

Xenia: Yep.

Sixshot: (walks over to a crate) Maybe something in this crate can help-

Cat, Conrad, Sally, and Fish: NO!

Sixshot: Huh?

Sally: Larry is not worth causing the Mother of All Messes!

Me: Oh I remember that crate. That was funny.

Nico: It sure was.

Tom: And I thought mine and Jerry's messes were big time bad.

Jerry: No kidding.

Xenia: That was funny though.

Charlotte Sullivan: Yeah no kidding. That is awesome though.

Nico: It sure is.

Lola: Yep.

Hydrax: By the way, nice job against Tokusouki

Me: Thanks.

I held up the containment card.

Tokusouki: YOU PSYCHOTIC CURS! I WILL TEAR YOU LIMB FROM LIMB WHEN I GET OUT OF HERE!

Me: Oh put a sock in it fido!

I gave him to Waffle Woman.

Me: New recruit for you guys. But keep him on a Tight Leash.

Poromon: He peed on me!

Pharaoh Man: I honestly didn't expect that.

Haruka: I did!

Nico: Guys lets just focus on the matter at hand.

Sally Walden: But we love all your adventures. They are so cool.

Xenia: Yeah we get that a lot.

Qin: They sure are fun.

Laney: Always are.

Xenia: Yep.

Salami Swami: I can't believe Larry wants to marry your mom for money.

Weiss: I know exactly how that feels.

Sally Walden: Do you really?

Me: Yeah her so-called father was a heartless golddigging monster an he didn't care about anyone but himself. He willing to go to such great lengths to get money. Even betraying his own people as well as killing countless others all for money.

Weiss: Yeah no kidding there.

Nico: But we killed him and banished him to the black gates forever.

Xenia: Yep.

Qin: And he had it coming too.

Ember: Your mom deserves to marry someone better!

Ember (Elemental): I agree there too.

Qin: And there are plenty of other fish in the sea.

Nico: Yep.

Conrad Walden: That is for sure.

Sally Walden: Yeah no kidding!

Cat: Larry deserves to be in prison for his crimes.

Qin: He sure does.

Katnappe: (to Cat) I just want you to know that it's an honor to meet a fellow feline.

Yugito: Same here.

Cat: Thank you. Same here to you.

Qin: Next time Conrad, Sally, your mom needs to get to know them better and see if they have a criminal record or anything like that.

Sally Walden: You're right on that.

Xenia: Yeah.

Cheetah: Where is he right now?

Eli: Lets see.

Eli concentrated.

Eli: He's coming. 2 klicks north.

Me: He's down the street.

Xenia: This will be good.

Nico: We better get your mother to help out too.

Conrad Walden: You can count on that.

Conrad called his mom and then Joan came home.

Joan then came in.

Me: Hello Mrs. Walden. Sorry to have you come in like this.

Joan Walden: No worries Team Loud Phoenix Storm.

Me: We have a lot to talk about.

We told her everything.

Joan Walden: So Larry is back and he was after my money!?

Me: Yep. He was a golddigging shrew.

Technus: By now, you probably realize that your so called husband is no good.

Joan Walden: Oh Larry wasn't my husband. We were just dating. But I appreciate you guys all telling me.

Me: You're welcome.

Qin: But soon he will be in the one place where he will never do anymore harm and that is jail.

Nico: Yep.

Eli: He's close.

Nico: Lets get him.

Livewire: Entrance time!

We went to face him.

Larry Quinn was enraged and he was walking up the street towards the Walden house.

Larry Quinn: Those repulsive kids! I will make them pay!

Then the spirits of the Dr. Seuss's creations came and then they swirled around him and then they converged and then…

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted out and then a phoenix cry was heard and then we came out and landed in front of him.

Qin: Hello Mr. Poop In Flake! Nice weather we're having!

Nico: Yep for your buttkicking!

Me: Laurence Quinn, you're under arrest for Theft, Kidnapping, Fraud and Stalking.

Joan Walden: And consider this rejection! (kicks him in the groin)

DING!

Me: OOH!

Nico: (WINCES) OOH! OUCH!

Jimmy (EENE): Right where the sun don't shine!

Waffle Woman: (laughs) Nice hit!

Me: Nice! And this too!

I pulled out a Boxing Glove bazooka and then a boxing glove fired and it hit him square in the face and bashed him in the center of it!

BLANG!

Nico: Nice one!

Xenia: OUCH!

Then Scorcher, Firepower, Evil Star, Key, Overdrive, El Diablo, Toyman, Villamax, Wolf and Weather Wizard came.

Nico: Scorcher, Firepower, Evil Star, Key, Overdrive, El Diablo, Toyman, Villamax, Wolf and Weather Wizard.

Scorcher: I personally like Cat in the Hat.

Firepower: Me too!

Me: Who doesn't like the Cat in the Hat.

Evil Star: The crab lock gave me the creeps though.

Nico: I see.

Key: (to Nico) We heard you went to the Good Guy doll factory.

Nico: Yep.

Overdrive: Did you do anything there?

Me: Well we looked around and saw nothing out of the ordinary. But we did find her.

Charlotte Sullivan: Hello.

Me: Long story but meet Charlotte Sullivan. We'll tell you a little later.

Mirror Maniac then came.

Me: Mirror Maniac. Boy you sure are a glutton for punishment.

Xenia: Yeah.

Mirror Maniac: I know. I am a feisty one.

Qin: Yeah.

Mirror Maniac: (to Connie Peyton) So you and the shark girls are wanting to go on a date with Nico?

Connie Peyton: (sighs) Yes. Tomorrow's mission.

Nico: Nice!

Qin: Awesome!

We got the battles underway.

Key Was next.

Key: (to TJ) I heard you guys met the Daughter of Aphrodite, The Greek Goddess of Sexual Love and Beauty. But is she a Gene Slammer?

TJ: Nope, she is a true goddess and she is really the daughter of Aphrodite.

Key: WHOA! So Lincoln has the daughters of the Greek Gods and Goddesses of Olympus in his harem and as his Guardian Angels!

Supernova Zap: Yeah he sure does! That is so awesome and amazing that he does.

Shinnosuke: We were really amazed to see that.

Sakura Adachi: Yeah it's really awesome.

Alisandra Lamhing: No kidding and her name is Michelle Aphrodite and she is awesome.

Celica Cetus: She sure is and her story is really awesome too.

Cassie: It sure is.

---

Nico: Yep. So, Michelle, what's the story on that whole incident Lincoln mentioned?

Michelle Aphrodite: I was hoping you'd ask that, and it's something we all remember all too well.

Michelle Aphrodite pulled up a video and it played on the screen, and it shows Lincoln and Michelle setting up their table in the auditorium for the charity, and Michelle got out the treats they were going to sell: chocolate-dipped cookies drizzled with white chocolate and decorated with sprinkles and nuts. Suddenly, the doors burst open, and standing in the doorway was Lola, her face was red with anger, her teeth turned into fangs, and her hair was on fire.

Past Lola: (ROARS WITH ANGER)

Then, Lola charged at Lincoln and Michelle and she viciously attacked them and destroyed their table along with the snacks that they made for the bake sale.

Past Lincoln: Lola, this was for our part in the bake sale for charity!

Past Lola: THIS IS WHAT YOU GET FOR EXISTING AND FOR DEFYING ME, PEASANTS! (LAUGHING MANIACALLY)

Past Michelle Aphrodite: Okay, that's it, I've had it up to hear with your ugly attitude and your big fat mouth, you heartless, rampaging, little pageant demon!

Michelle Aphrodite pounced on Lola, and she really kicked the tar out of that rampaging little pageant demon, and we saw Mary being restrained by Jared and Nicole, but then, she ate a cookie which gave her a power boost and she got Nicole and Jared off and that sent them flying into a wall, and she ran at Lola and viciously beat her up. Then, Lincoln fired red energy blasts from his massive white angel wings and they tied her up in a red energy straitjacket, and he alerted the rest of his family of what Lola did, and Lola got grounded for seventeen weeks and she was forced to clean up the mess that she made during her little rampage while Michelle and Lincoln remade the treats for their bake sale, and Lola was in a prison uniform and she was seething with rage.

Past Lola: YOU WILL PAY FOR THIS, YOU PEASANTS!

Past Lily: Get back to work, you rampaging she-demon!

Lily swung a whip and it cracked and forced Lola to get back to work as the video ended.

Nico: I can't believe Lola did that just because Lincoln was still alive and defying her petty orders!

Me: I know, she was an animal and she was at the worst of her wrath!

Luna: She ruined the hard work Michelle and Lincoln put into making those treats! We were so mad at Lola, we wanted to shred her dresses and break her tiaras, but the parents got her grounded for her stunt, and for the whip, Mary gave her that whip to use instead of using her mallet.

Nicole: Mary was really mad at Lola for what she did, and we had to keep her from trying to kill her.

Me: Which wasn't an easy thing for us.

Brittney: Yeah, it really wasn't.

FLASHBACK ENDS

Key: WHOA! That is awesome! Boy Lola had it coming for that one!

Rainbow Dash: She sure did and that was intensely awesome!

Scootaloo: It sure was and we're glad she got her just desserts in that one back then.

Whirlwind: Yeah it sure was awesome.

Key: Boy no kidding! But that is so cool that Lincoln has the daughters of the Gods and Goddesses of Olympus with him! Lets do it!

May: Oh! Oh man, that's how he's going to send Larry Quinn to jail?!

Qin: This is going to be so hilarious!

Everyone had their video cameras on as Lincoln got ready and brought the mallet back.

Lincoln: FORE!

Lincoln swung his mallet like a golf club and hit Larry Quinn, and he went flying out of here screaming and then, he went through a portal that opened up in prison and Larry Quinn came out of there and he was now in a prison jumpsuit.

Me: Hole in One!

Nico: And the prison's got a new inmate! Nice shot, Lincoln.

Lincoln: Now, there's one last thing to do, and one loose end to tie up: Dema, The False Goddess.

Lincoln: There's no mistaking that malevolent laughter from anywhere, you just don't know when to give up, do you, Dema.

A figure came out, and it was none other than Dema, the False Goddess and the primary villainess in Echoes of Mana.

Dema: You heroes will never stop me, soon, all of you will be dead and the entire world will soon be destroyed along with the entire multiverse! (LAUGHING MANIACALLY)

Phoebe Vandom: Looks like the only thing that's on your mind is just destruction itself, but your vile desire for destruction itself is about to lead to your end.

Suddenly, Phoebe Vandom's pink eyes turned neon pink and she was surrounded by a pink energy aura with stars, quintessence, lightning, life energy, phoenixes, and angels, she unholstered her Guardian of Kandrakar greatsword from her back, and as she approached Dema, she left pink energy, stars, quintessence, lightning, life energy, phoenixes, and angels with every step.

Phoebe Vandom: Dema, I will never forgive you for the crimes you've committed against mankind, the world, and the multiverse itself, you were motivated by your own jealousy, and because of it, Anise took advantage of that, and when you became corrupted by your resentment and stopped at nothing to gain the divinity you feel that you were rightfully owed, along with planning to erase all worlds and their Mana Tree to remake them from a single one of your creation by preserving every past and future sacrifice, you've crossed lines that meant one thing: you don't deserve forgiveness for your crimes, and as The Guardian of The Heart of Kandrakar, I will make you pay for every last one of those crimes with your own blood.

Suddenly, Phoebe Vandom was surrounded by a massive vortex of pink energy with stars, lightning, life energy, and quintessence surrounding the vortex, there are phoenixes and angels flying around the vortex, and in the vortex is a neon pink phoenix with red eyes glaring at Dema: the red eyes of eternal death. Then, as the vortex faded, Phoebe Vandom emerged, but she was changed forever.

Phoebe Vandom grew to 7'5" in height, she has the body of a goddess, she has pink highlights in the bangs of her short neon pink hair, she has neon pink eyes and a pink energy aura with quintessence, life energy, stars, lightning, phoenixes, and angels surrounding her, she has the symbol of The Heart in the hands of an angel emblazoned on her forehead and Third Eye with pink iris, she has on angel earrings with pink gems for eyes and holding the Quintessence, Lightning, and Eternity Kanjis in her hands, she also has an angel with pink gems for eyes and holding the Quintessence, Lightning, and Eternity Kanjis in her hands for the second pendant on the bottom of her pink phoenix-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with pink crystal links from her merged Crystal Necklace of the Buddha and pink gems on the gold lightning bolts, and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Phoebe Vandom has on a sleeveless dark purple open vest, sleeveless blue crop top, necklace with the Heart of Kandrakar, long sea foam green skirt reaching her ankles, purple pants, blue shoes, and long sleeveless white trenchcoat with quintessence, life energy, stars, lightning, phoenixes, and angels on the coattails, and on the back is the Heart of Kandrakar surrounded by quintessence, life energy, stars, lightning, phoenixes, and angels. Suddenly, Phoebe Vandom felt a sharp pain on her back, and then, massive pink angel wings with blue tips on the pink feathers grew and sprouted out from her back, and she also now has eleven massive and long pink wolf tails with blue tips and blue markings, Phoebe Vandom has on her Ring of the Phoenix with large pink gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Phoebe Vandom's Sword of Kandrakar and all the greatswords and swords that she'd gotten began to merge together, and they were surrounded by a kaleidoscope of neon pink energy, quintessence, life energy, stars, lightning, phoenixes, and angels, and when it emerged, it was transformed into Phoebe Vandom's Quintessence Lightning Heart Kandrakar Guardian Greatsword of Earth Kandrakar Quintessence Lightning Heart Justice, it's a brand-new massive greatsword with embedded pink gems and the symbol of The Heart etched on the 7'4" massive, wide, double-edged neon pink blade, large neon pink dragon heads with purple gems for eyes for the crossguard, large white angelic faces built into both sides of the hilt and large neon pink gems embedded in their foreheads, longer midnight black handle, four large neon pink phoenix heads with blue gems for eyes and on the bottom of the large neon pink phoenix heads is a neon pink dragon head with blue gems for eyes and a pink gem in its mouth for the pommel, Phoebe Vandom has on her large gold cuff Bracers of The Champions of The Universe with neon pink gems on her wrists and Dragon Ball Bracelet on her left Bracer, her large gold Belt of Elemental Bravery with a large gold phoenix head with neon pink gems for eyes and large neon pink gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a neon pink kanji below the symbol of The Heart that said, "Phoebe Vandom, Loving Older Sister of Will Vandom, Guardian of Quintessence and The Heart of Kandrakar, Chosen Guardian of Kandrakar, Loving Elder Daughter of Susan and Thomas Vandom, Friend of Hay Lin, Irma Lair, Taranee Cook, Cornelia Hale, Cassidy, Halinor, Kadma, Yan Lin, and Nerissa, Leader of Team Phoebe, Hayley, Emma, Nicole, Xenia, Guardian Angel and Loving Future Wife of Lincoln Loud, Despiser of Royal Woods' Jerks, Archenemy of The Boogie Man, Destroyer of Dema, Destroyer of Dark Nerissa and Phobos, Destroyer and Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Friend to Many, Amazing and Powerful Student of Amazing and Powerful Teachers, Amazing Member of Team Loud Phoenix Storm, and Master of Quintessence, Lightning, Stars, Life Energy, Phoenixes, and Angels"

We were amazed by Phoebe Vandom's Super Angel-Kandrakar Heart Quintessence Guardian-Phoenix-Harmony Universal Eternal Celestial Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when Dema saw it, she fell into a rage and fired blasts of energy to kill her, but Phoebe absorbed the energy blasts and it made her stronger than ever, and she fired a powerful barrage of neon pink energy, quintessence, life energy, stars, lightning, phoenixes, and angels at Dema, and they exploded with such incredible power as the barrage hit her, and this really angered her now.

Will Vandom: (Gasps) Oh wow, Phoebe's transformed!

Nico: She sure has, and that false goddess is so done for now.

Lincoln: After what Dema had tried to do in trying to destroy the multiverse and recreate it in her own image, she deserves to pay for every last one of her crimes with her own immortal blood.

Phoebe Vandom: (Divine Godly Voice of The Divine Cosmic Kandrakar Heart Electric Lightning Quintessence Heavenly Phoenix Angel and Divine Cosmic Kandrakar Heart Electric Lightning Quintessence Heavenly Phoenix Angel Love) You got that right, now let's destroy this false goddess once and for all, Linky.

Lincoln unholstered his massive Lincoln Loud's Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Phoenix-Harmony Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Mythological Hope, and he joined Phoebe Vandom.

Lincoln: (Divine Godly Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Your days of trying to destroy the multiverse and recreate it in your image are over, Dema, and now it's time for you to die once and for all!

Phoebe Vandom and Lincoln went after Dema who continued firing blasts of divine and demonic energy at them, but Lincoln and Phoebe absorbed them and it made them infinite times stronger than ever, and they fired extremely powerful blasts of rainbow energy, neon pink energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Dema and they exploded with incredible power as they hit her.

Then, they flew at and attacked her with their massive greatswords leaving scars on her, and Lincoln left many more with his claws and firing energy slashes from his claws and he and Phoebe Vandom also attacked her with punches, kicks, and karate chops, along with elemental blasts. Then, Lincoln drove his massive greatsword into Dema's stomach, and he began sucking out all of Dema's godly powers and abilities and he made them his own.

Lincoln: (Divine Godly Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Now, it's time for you to die.

Lincoln kicked Dema hard into the air, and the golden blade of his massive greatsword was suddenly covered in flames.

Lincoln: (Divine Godly Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Time to use Kyojuro's powerful technique to get rid of her for good. Ninth Form: Rengoku!

Lincoln used Kyojuro Rengoku's ninth and most powerful form of the Flame Breathing Technique as he assumes a high stance, and then, he performed an extremely high-speed dash towards Dema, and he unleashes a singular, devastating slash and decapitates her, and as her body is incinerated, her soul was sent to The Black Gates for all eternity. We cheered wildly for what Phoebe Vandom and Lincoln did as they holstered their weapons and powered down, and Phoebe Vandom's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long neon pink wolf tails, and massive neon pink angel wings are permanent.

Phoebe Vandom: The suffering you've caused for eons has finally been brought to an end, Dema, may you never return. Thanks for helping me destroy Dema for good, Linky.

Lincoln: (Smiles Warmly) You're welcome, Phoebe.

Suddenly, Phoebe Vandom wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Phoebe Vandom's face, they kissed passionately as she moved her arms and placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, and Angel flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with lightning crashing down behind them, and we cheered wildly. Then, Lincoln and Phoebe Vandom absorbed the lightning and elemental forces and they came back to us as the display vanished.

Nico: Wow, now that was one truly awesome and incredible fight, Lincoln, Phoebe, you two showed that false goddess no mercy, and Lincoln, that was one slick move driving your greatsword into her stomach and then sucking out all her godly powers and abilities and making them your own, and what we just saw, that was…?!

Kyojuro Rengoku: My most powerful technique in the Flame Breathing Style, Ninth Form: Rengoku, you learned it in a quick second, Lincoln, I'm impressed.

Lincoln: Thank you, Master Kyojuro.

Nezuko Kamado: If what we saw was your master of the Flame Breathing Style, I can imagine that you'd also mastered the Thunder Breathing Style along with the other Elemental Breathing Styles from the rest of The Hashira.

Tanjiro Kamado: I think you may be right about that, Nezuko, but we'll have to wait to see what other surprises our future brother-in-law has in store.

Nico: You're right about that, Tanjiro. So, Lincoln, which of the daughters of The Olympian Gods and Goddesses are we meeting tomorrow?

Lincoln: Here's one that'll interest Brittney, the next one that we're meeting tomorrow is Persephone Hades, Daughter of Hades, God of The Underworld and Persephone, Queen of The Underworld, she's my Guardian Angel from Greece mainly the legendary Mount Olympus, and like her mother and father, she's a Goddess of The Dead and The Underworld and has all her mother and father's powers of darkness and the dead and she's immortal and she's also extremely beautiful and sexy.

Me: Hubba Hubba.

Selene Emperyous: When she and Lincoln met, there was indeed quite the attraction that turned into true love and she swore to protect him from those who sought to do him harm, and her targets were none other than Flip, Lewis Travolta, Scoots, Hawk, Hank, Pablo, Anderson, Chandler, Artie, Trent, and Killjoy Huggins, his enemies, and she also swore to protect him from Lori, Lynn, Lola, Lisa, and Luan, she's really good friends with Lucy, and she's also an awesome Goth of Justice. Lincoln and Persephone helped Lucy with her poems and they accompanied her to her meetings with The

Young Morticians' Club, and Persephone also helped in teaching Lincoln and Lucy in everything that she knows ranging from dark magic spells to summoning the souls of the dead and even necromancy. Lincoln made Persephone a beautiful necklace with blood red gem for the pendant, along with a white short-sleeved blouse, black sleeveless top, long ankle-length white dress skirt, and white bridal gloves, and to show thanks, Persephone kissed Lincoln on the lips when they were in the graveyard and the full moon was shining down on them, and she hates Lynn with a blazing passion because Lynn absolutely hated Persephone for always defends Lincoln whenever she along with Lori, Lola, Lisa, Luan, along with the rest of Lincoln's enemies plotted to kill him.

Michelle Emperyous: And Selene Arcangela told Persephone everything of what that animal had done to him, and during a meeting The Young Morticians' Club was having one night in the Royal Woods cemetery, Persephone and Lincoln were there with Lucy, and during the meeting, Lynn ambushed them and she viciously attacked Lucy's friends and Lucy also got brutally injured by that violent animal, and she was about to attack and kill Persephone and Lincoln, until Lincoln snapped and he and Persephone summoned demons and creatures of darkness to attack Lynn and they also pounced on and kicked the tar out of that rampaging rage-crazy, overly aggressive, belching, farting, sore loser animal, and Lincoln tied her up in a red energy straitjacket, and when he alerted the rest of his family of what Lynn did to Lucy and her friends, Lynn got her smelly butt grounded for seventeen weeks and while Lucy and her friends were recovering from their wounds in the hospital, Lynn was tied up in a straitjacket and she was thrown inside a metal container.

Nico: Oh, we're so going to hear this story tomorrow, and Lynn should've known better than to anger one of the daughters of the Olympian Gods and Goddesses, there's always consequences to consider.

Me: Big time.

Lincoln: Unfortunately, when it came to Lynn's stubborn Dark Side and her desire for revenge, she was too hard-headed to listen to reason.

Lynn: I realized that what I was doing to Lincoln was wrong on so many levels, but that jackass was so stubborn and had her head so far up her butt, she refused to listen to reason.

Nico: But, she got her just desserts when Lincoln sent her smelly butt to The Black Gates last year after he gave her the well-deserved butt-kicking of her life.

Michelle Emperyous: Aw man, if we'd known about that, we would've also joined in it, especially all those who hated Lynn so much for her repulsive behavior.

Audrey Sauron: Yeah, like me, I so wanted to kill that repulsive ape, but Lincoln did an awesome job and kicked her butt hard and sent her to her death.

Michelle Aphrodite: You got that right.

El Diablo: Serves that jerk right.

Toyman: Not even prison girls will like him.

Villamax: Especially after that beatdown.

Me: That's for sure!

Wolf: Sorry about the mess.

Joan Waldan: It's okay. How about I cook something good for the victory meal?

Weather Wizard: We'd like that!

Me: Good idea.

Cat: Thank you guys for helping us.

Sally Walden: That was so awesome and fun.

Xenia: It sure was.

Lola: Yep.

Nico: But Great job today everyone. This was fun and cool.

Lola: Yeah it was!

Luan: (To the viewers) And Cats All Folks (LAUGHS) Get it?

We laughed at her joke.

We had an awesome victory meal and then we went back home and enjoyed the rest of the day and went to sleep.

Larry Quinn was found guilty of stalking, fraud, kidnapping and theft and he was sentenced to spend 212 years in federal prison and ordered to pay $239,000,000,000 in restitution to the Walden Family.

Me: Ahh! Nothing like an awesome relaxing time on the beach!

Nico: Boy you said it!

Joan Carcharos was dressed in a blue 2 piece bikini, Colleen had a brown bikini, Bella had an aqua blue bikini and Connie had an orange bikini.

Joan Carcharos: This is so awesome right girls!

Colleen Rovvington: Yeah you said it!

Lola: And you girls look awesome!

We were doing it all. We were surfing, building sandcastles, looking for seashells, digging for buried treasure and playing volleyball and even sunbathing.

Misty Tredwell: Can you rub some sunscreen on my back J.D.?

Me: Sure Misty.

I squirted some in my hands and rubbed some on her back.

Nico: Aww.

May: Can you rub some on my back too Nico?

Nico: Sure May.

Nico squirted some in his hands and rubbed it on her back.

Lincoln: Boy this is so fun.

Qin: It sure is. I love the beach.

Nico: Me too.

Ed Grant: It's so fun.

Nico: Ed, I want to thank you, Spot, and your teams for coming

Ed Grant: No problem Nico. It's so awesome and fun.

Connie Peyton: Boy this is the life right guys?

Eli: You said it Connie.

Xenia: Yeah it's fun.

Kujaku: This is so fun.

Nico: Kujaku, what do you like to do in your free time?

Kujaku: I haven't really given it much thought actually. Being so busy and helping with you guys hasn't given me the chance to think on that. But if I had to pick it would be teach swordmastery to kids in self defense.

Me: That's a good idea Kujaku.

Nico: Perfect for you too as a Swordmaster yourself.

Kujaku: It sure is.

Qin: I agree there.

Nico: Jack probably gets along with you.

Kujaku: Samurai Jack? I agree there. And that is perfect.

Qin: I do too.

Samurai Jack: Yes and I agree there too. Me and Ashi and her sisters all get along great with Kujaku.

Nico: I'm glad you do.

Qin: That was awesome.

Me: Boy Yesterday was fun Nico.

Nico: Boy it sure was. And it was iconic and funny too.

Lola: Yeah.

Varie: I thought it was awesome meeting the Cat in the Hat.

Nico: Such good memories.

Me: Yeah those were good times.

Qin: The stories of Dr. Seuss will be our childhood treasures for years to come.

Nico: Yep. They sure will.

Lincoln: Yeah that is for sure.

Eli: Yep.

Me: And we sent that golddigging dirtbag Larry Quinn to prison where he belongs.

Camie: We sure did.

Nico: I hope Joan gets married to the right man

Me: Me too. There's plenty of other fish in the sea.

Leni: But we're not swimming for fish.

Rarity: No Leni it's just an expression. It means that there are plenty of people to choose from out there for her to find as her soulmate.

Leni: Oh I get it.

Nico: Yeah.

Me: But she is going to have to be very careful from now on. I saw in crime documentaries how people married the wrong person and then they ended up pushing up daisies all because of greed, jealousy, hatred or revenge.

Nico: Yep. That is for sure.

Nico: And Larry threatened to send Conrad to Military School.

Me: What a jerk! I'm glad we stopped that. Larry deserves to spend the rest of his miserable life in federal prison.

Nico: You got that right. The only place he is going to be in when he gets out of there is in a body bag and buried 6 feet under in an unmarked grave.

Lola: That is for sure. Jerk.

Nico: Yep.

Laney: Yeah he had it coming.

Nico: That is for sure.

Connie Peyton: Yeah no kidding there.

Nico: So, when did each of you girls found out that you had feelings for me?

Joan Carcharos: 1 week after you helped us and 2 days before we were slammed.

Nico: Wow.

Qin: That is amazing.

Camie: It sure is.

Connie Peyton: But Paradigm gene-slamming us made us stronger than ever and our love was stronger than ever for him.

Bella Lewis: Yep.

Colleen Rovvington: It's awesome.

Maria: Your parents must be worried about you.

Joan Carcharos: We know they are.

Nico: We'll see them again soon.

Lola: Yeah someday we will.

Nico: Yep.

Camie: Yeah no kidding.

May: Hey, who are those jerks?

We saw big muscular jerks.

Me: Oh Fry told me about those jackasses. Those are Professional Beach Bullies that he knows.

Qin: Oh great.

Nico: If they try anything, blast them.

Boy: Hey, babe? Why don't you hang out with a real man like me?

Connie: (muscles start to grow) I got a better idea!

Boy: Oh yeah? What?

Connie punched him and sent him crashing into a garbage can.

Me: Take that you clod.

I went over to a jerk.

Boy 2: You got something to say to me?

Me: Yeah your mother is a fucking freak and you have a face that is so ugly that it could crack not only a mirror but a sink too.

Everyone: OOOHHH!

Connie's muscles started growing, Joan's teeth sank into her gums, Colleen's eyes started pushing out, and Bella's hands started trembling.

They then went shark and turned into…

Joan, Connie, Colleen and Bella: WE'RE THE SHARKETTES!

Nico: Ooh that is a good group name!

Me: Yep.

Boy: WHY YOU!? LETS GET THESE FREAKS! BEACH BULLIES KILL THEM!

THEN 20 OF THEM CAME AT US!

Unfortunately, their swimsuits snapped off during their transformations.

OOPS!

Nico: Uh oh.

Me: Good thing I have these.

I put on my blind man glasses.

Nico: How are you going to?

Me: Watch.

The bullies came at me and using sound and the vibrations in the wind to feel my surroundings I felt a bully's fist went passed me as I dodged it and then I punched him square in the face and knocked out all of his teeth and then I kicked him in the crotch and then did a somersault and bashed a bully in his face and kicked him down with a nosebleed. Then I jumped and elbowed a bully's head in with my elbow and kicked him in his face.

Connie charged at them and smashed the bullies down like a mad bull!

Connie Peyton: YEAH!

Me: Try this on! (ACTIVATES FRICTOR'S RIDEWATCH)

I rubbed my hands together really fast and fired a heat ray and it hit the bullies pants and set them on fire! BURNING THEM!

Nico: OUCH! Nasty Friction burn!

Joan: Save some for me!

Joan punched the bullies down!

Xenia: Take this!

She fired an arrow and skewered one in their leg!

Bella ran and kicked one in the crotch!

Colleen: My turn!

She headbutted a bully in his stomach and kicked him in his mouth and knocked out his teeth!

Lola: Nice one!

Eli: Take this!

Eli fired a wave of Force Lightning and electrocuted the bullies all over.

Nico: YEAH!

The bullies were really mangled up bad and they were knocked out.

The cops came and arrested them.

Me: Hmph!

Joan Carcharos: Good riddance.

The 4 of them started shrinking in size

Me: Uh oh! They are shrinking guys.

The boys covered their eyes.

Varie: Fashion brigade mobilize.

The 4 girls reverted back but they were naked.

Nico gave them their towels.

Nico: Here are your towels.

Joan Carcharos: Oh thanks Nico.

They put their towels on. Joan's was blue, Colleen's was brown, Bella's was aqua blue and Connie's was orange.

The fashion brigade then gave them new clothes.

Eli: That was awesome putting those jerks in their place.

Qin: It sure was.

Nico: Yep.

Eli: Wait I sense something else. Look!

We saw a figure and it was a MAKO SHARK GENE-SLAMMER GIRL!

Nico: WHOA!

Me: She's half Mako Shark.

Mako Shark: That's right.

Qin: (GASP) Roxanne Talbot!

Roxanne Talbot: Qin!? Whoa! And Nico awesome to see you here!

Bella: Hey, Roxanne!

Roxanne Talbot: Awesome to see you Bella and you too girls.

Connie Peyton: Awesome to see you here.

Me: What were you doing when you first got slammed?

Roxanne Talbot: I was on stage in a concert and then I turned into this.

Nico: Geez!

Qin: What a rotten time to turn into a Mako Shark.

Lola: Yeah no kidding.

Nico: Let's revert you back.

Me: I agree. But we should warn you it's going to hurt really bad.

Roxanne Talbot: I know. Okay. I'm ready.

Me: Okay. Here we go. (SNAPS FINGERS)

I snapped my fingers and she doubled over in excruciating pain as she was reverting back!

Roxanne screamed in bloodcurdling agony!

Me: HOLY FUCK! THAT MUST BE REALLY PAINFUL!

Xenia: NO KIDDING!

Camie: YIKES!

Me: Roxanne it will be over in a few seconds!

She reverted back and was a girl with black hair and had blue eyes and she had black pants and blue underwear and she was crying hard.

Connie and Joan helped her up and the boys covered their eyes and I put on my blind man glasses.

We brought her over to our spot and Varie looked her over. She was wrapped in a towel.

Varie: Boy that transformation REALLY hurt you.

Roxanne Talbot: (CRYING) IT REALLY DID!

Me: I did warn you that it was going to hurt really bad. I didn't think it was going to hurt you THAT MUCH!

Roxanne felt her hands

They were back to normal.

Varie: But you are back to normal.

She formed a mirror and she saw that she was back to normal.

Roxanne Talbot: Oh wow! I am back to normal!

Me: You sure are.

Roxanne Talbot: Awesome! I look great.

Eli: Yep. Also I sensed for Swartz's creations earlier and we have Another Masked Beast Gardius, Lava Golem, Plasma Eel, Viser Des, Byser Shock, Weather Report and Spot.

Nico: Whoa.

Lola: Boy Marik's monsters this time.

Camie: Yeah.

Roxanne: I need clothes!

Rarity: Don't worry darling we got this.

Rarity and the Fashion brigade then gave her awesome clothes. Roxanne was wearing teal and purple clothes and she had her long black hair in a ponytail and she had fingerless gloves.

Roxanne Talbot: Wow! I look amazing.

Nico: You sure do.

Lola: Yep.

Nico: Awesome. Now who do we call in for the Anothers?

Me: Well Leona Felonius, Mandy Floyd, Serenity Sellington, Cassidy Loveenton and Allie Spitfire. They are the archenemies for Masked Beast Gardius, Lava Golem, Plasma Eel, Viser Des and Byser Shock.

Nico: Nice.

Laney: Yep.

Nico: Who's first?

Eli: Another Masked Beast Des Gardius is first.

Nico: Mandy Floyd then.

Maria called her in.

In a vortex of fire came Mandy Floyd!

Nico: Awesome!

Mandy Floyd: I'm here guys. (GASP) Roxanne!

Roxanne Talbot: Mandy!

Mandy and Roxanne hugged.

Mandy Floyd: I thought we would never see you again.

Roxanne Talbot: I know. But I'm back.

Mandy Floyd: So that means you're now?

Roxanne Talbot: I sure am. I'm a Mako Shark gene-slammer.

Mandy Floyd: Oh man! So Paradigm got you too.

Roxanne Talbot: Yeah he did.

Me: Well he's dead and gone for good. Long story.

Nico: There he is!

We saw ANOTHER MASKED BEAST DES GARDIUS! It was a dark version of it.

Me: WHOA!

Nico: Another Masked Beast Des Gardius.

Xenia: Wicked.

Another Des Gardius: (In a girls voice) Sorry you have to see me like this though.

Me: That voice.

She reverted back and it was a girl with silver hair, orange eyes and she had white and black clothes and had Ethereal energy swords. She also had the kanji for darkness in the middle of her forehead and she also had the kanji for The Superior Force of The In Between on her skirt and she had pitch black angel wings.

Me: (GASP) Zhalia Xemnas!

We gasped!

Nico: Wait then you are the gene-slammer for Xemnas!?

Zhalia Xemnas: I sure am. And I'm the strongest out of them all.

Me: Whoa! Xemnas caused us a massive amount of trouble during the 20 Days of Darkness.

Zhalia Xemnas: That's what I was hearing. I'm sorry that happened.

Nico:: It's okay. Like I told Crocker and Burns, we're done letting that haunt us. And that those days strengthened our bonds. Besides, 20 Days is better then an eternity of darkness happening instead.

Me: That's right. And they do say that what doesn't kill you makes you stronger. But those days made our friendships stronger and more powerful than ever. As long as we're together we're invincible and can overcome any obstacle as long as we work together.

Zhalia Xemnas: That is for sure.

Laney: Couldn't have said it better myself.

Nico: Yeah.

Me: Are the other Anothers with you friendly or hostile by the way?

Zhalia Xemnas: Friendly and they all know you J.D.

Me: Wow.

Nico: This will be fun.

Me: Lets get this party started.

Girl Jordan: First lets separate you.

Leeli: Yeah.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background.

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

Fast to sleep

Fast to sleep

Dark holoré in the Deep

Rise again holoré now

Spring abundant holoél

Render green the dying bough

Raise the rock where Yurgen fell

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Spring abundant holoél

Zhalia glowed and she had Another Des Gardius separate from her.

Mandy Floyd: Now this will be fun!

She fired waves of fire and blasted Another Des Gardius and I caught the Wonder Ride Book and it was called The Princess of Nothingness and the Fiendish Overlord of Torture.

Me: Whoa fitting and cool.

Lola: Yeah.

Me: Next.

Eli: Another Lava Golem.

Me: Whoa that one is hot.

Nico: (to the Sharkettes) Any of you girls wanna go next alongside Lava Golem's archenemy?

Joan Carcharos: As long as we don't get burned. I'll go first.

Me: Okay. Leona Felonius is next.

Maria: Here she comes.

Maria called her in.

With fire swirling around in a vortex and a roar of a lion heard out came Leona Felonius.

Leona Felonius: I'm here guys. The fire lion has come.

Qin: Awesome.

Then we felt a massive rise in heat.

Me: WHEW! Man the temperature rose fast.

Nico: Man I'm frying like an egg.

Joan: It's coming from her!

We saw a figure and it was ANOTHER LAVA GOLEM! It was a Lava Golem with a dark aura and man was it BLISTERING HOT!

Xenia: Yeah no kidding!

Lola: That is hot!

Another Lava Golem: (In a girls voice) It came with this form and It is HOT!

Me: That voice.

She reverted back and it was a girl with orange hair and red clothes and had angel wings made of pure fire and they were dripping lava. And she had the symbol of the Volcano Tribe on the Island of Gorm in Gormiti in the middle of her forehead!

Me: (GASP) Ashleigh Volcanian!

Nico: Whoa!

Ashleigh Volcanian: Awesome to see you again J.D. And yes I am also a gene-slammer for The Fiery Angel of the Volcano Tribe of Gormiti.

We gasped!

Qin: Whoa! That one is hot.

Xenia: That makes you a fiery force that is too hot to handle.

Ashleigh Volcanian: Yeah that's true.

Joan: Let's do this!

Leona Felonius: What she said.

Lincoln: First this.

Lincoln fired a beam of light and separated her from Another Lava Golem.

Me: You know Joey got SERIOUSLY hurt because of this monster and because of that Yami Marik nearly killed him.

Eli: (GROWLS) I hate that monster! If I ever face him in a simulator battle I will snap his neck!

Me: Whoa easy Eli.

Eli: Sorry.

Leona and Joan fired waves of energy and blasted it down and I caught the Wonder Ride book and it was called The Volcanic Island Warrior Princess and the Lava Demon.

Me: Fitting.

Nico: Next?

Me: Plasma Eel.

Nico: Whoa.

Me: Electrifying.

Colleen Rovvington: I'll face that one too.

Nico: Who do we call next?

Me: Serenity Sellington.

Maria: All right then.

Maria called her in and in a vortex of flames came Serenity Sellington the Delphox Gene-slammer.

Serenity Sellington: What's up guys?

Nico: Just have another Plasma Eel.

Serenity Sellington: Oh boy. This will be fun.

Colleen Rovvington: Yep.

Maria: There she is!

We saw a figure that had intense lightning coming out and it was ANOTHER PLASMA EEL!

Me: Whoa! This is gonna be shocking!

Qin: Big time.

Another Plasma Eel: (In a girls voice) Sorry about all the lightning works.

She reverted back and it was a girl that had purple hair and had a brown cowboy hat and had purple eyes and had purple clothes and she had badass blasters in holsters on her belt and she had purple angel wings and she had a weasel tail and had purple wolf ears.

Me: (GASP) Nicole Nack Wesselton!

Nico: Whoa!

Nicole Nack: That's right. Hybrid of Nack the Weasel. Also I'm a bounty hunter and mercenary. I'm after this guy.

She pulled out a wanted poster and it was of Drew Lansing!

Me: Drew Lansing! Oh man!

Nico: That's our intended target for Natalia's 3rd mission today.

Lola: Whoa! That is coincidental that you are after him.

Nico: We'll throw him in the local jail. At least until the time comes to destroy Xaviax.

Nicole Nack: Fair enough.

Me: Good.

Serenity Sellington: Sorry we have to fight like this though.

Colleen Rovvington: Yeah.

Lincoln: First this.

He fired a beam of light and separated Another Plasma Eel and then Serenity and Colleen fired a wave of fire and energy and smashed down Another Plasma Eel and I caught the Wonder Ride Book and it was called The Bounty Hunter Princess and the Lightning Eel of Doom.

Me: Awesome title.

Nico: Next?

Bella Lewis: Me and Cassidy Loveenton.

Connie Peyton: And me and Allie Spitfire.

Eli: I sense that the two Another's are coming together.

Me: Hey guys look up there!

On a building we saw a Xerneas and it was looking at us.

Xenia: Whoa a Xerneas!

Lola: Whoa!

Qin: Wow!

Lola: That might be the next gene-slammer.

Nico: Worry about that later. Maria, you know what to do!

Maria: Right.

Maria called in Cassidy Loveenton and Allie Spitfire and in vortexes of fire they came.

Cassidy Loveenton: We're here guys.

Allie Spitfire: Awesome.

Me: And here they come.

We saw 2 figures and they were ANOTHER VISER DES AND ANOTHER BYSER SHOCK!

Qin: Oh boy.

Me: Torture treatment.

Nico: Who are you two?

Another Viser Des: (In a girls voice) I believe that J.D. knows me.

They merged back and then they reverted back and she was a girl with black hair and she had black clothes and had blue eyes and she had black angel wings and had the kanji for Sadistic Torture Queen tattooed on her arm.

Me: Elizabeth Redney!

Nico: Oh man!

Me: Elizabeth Redney is known as the queen of torture. She is a sadistic interrogator and an executioner of death row inmates.

Elizabeth Redney: Yeah! I sure am. And I love disemboweling people and eating their intestines.

Connie Rovvington: TMI!

Camie: TMI?

Me: Too Much Information.

Camie: Oh.

Me: Yep.

Lincoln: Lets separate you.

Me: Out of a portal came Another Spot!

Qin: Whoa!

Xenia: This one is awesome.

Me: Yep.

Another Spot: (In a girls voice) It's awesome to see you again J.D.

Me: Wait that voice.

She reverted back and it was a girl that looked like a female version of Shisui Uchiha.

Me: (GASP) Shisia Uchiha the Teleporter!

Nico: Wait she looks like…

Me: Yep. A Female version of Shisui.

Xenia: Whoa!

Nico: Wow!

Spot: That is cool!

Kaito: (gets out Go Busters gear) Did Swartz promise you anything?

Zocks: (gets out Gokaiger Gear) Because we can grant it instead.

Kaito got a Beast Morphers blaster and Zocks got a Super Megaforce Sword.

Shisia Uchiha: No I teleported away before he could say anything.

Me: Very fast and powerful.

Xenia: Yeah mo kidding.

Lola: That is awesome.

Xenia: Yep.

Me: Sorry we have to do this.

Shisia Uchiha: I know.

Sougo: (gets out Beast Morphers Ridewatch) Are you part of the Uchiha Clan?

Geiz: (gets out Super Megaforce Ridewatch) Because Shisui was too.

Sougo got RedBeastMorpherArmor while Geiz got SuperMegaforceRedArmor

Shisia Uchiha: Yes I sure am part of the Uchiha Clan. I do have the Sharingan and I have all its powers and all that.

Me: Yep and Shisui was a powerful force until that motherfucker Danzo ruined it by TAKING HIS EYES!

Qin: For control of the village.

Me: Yep.

Lola: That dirtback.

Shisia Uchiha: I know.

She turned into Another Spot.

Nico: (gets out Spot's Ridewatch) You're not the only one who can teleport!

Nico activated it and opened a portal and Nico teleported and blasted her down.

Nico: Forecast is a shocking defeat.

Nico activated Weather Report's ridewatch and fired a wave of lightning and smashed her down.

May: Take this! (ACTIVATES MR. COMPRESS'S RIDEWATCH)

May fired waves of light and smashed her down.

May: Take this from Draco! (ACTIVATES DRACO ZODIARTS RIDEWATCH)

The stars of Draco the Dragon appeared behind her and she fired laser blasts and smashed her down.

Qin: Cool!

She reverted back and was a girl with blue hair, blue clothes, blue eyes and had rainbow angel wings and she had the kanji for life in the middle of her forehead and on her skirt was the symbol of a new team and she had a rainbow bow.

Xiomara Sonjohnkoksoong: I got this one guys.

She fired an energy arrow and blasted Another Spot down and I caught the ridewatch and purified it.

I brought over Shisia.

Xiomara Sonjohnkoksoong: That was awesome and cool.

Kujaku: What's your favorite memory of Nico?

Xiomara Sonjohnkoksoong: I have many of them. You see I have over 55 million years of memories with me.

Me: 55 million years!?

Xiomara Sonjohnkoksoong: Yeah I was originally one of the first monkeys that lived back then. Then I got exposed to a meteor that had this mysterious energy and it evolved me and turned me into a modern woman. I lived for over 55 million years.

All of us: WOW!

Laney: That is incredible!

Xiomara Sonjohnkoksoong: It sure is. My favorite is when me and Nico went and pulverized numerous bullies and smashed them into pieces and sent them to prison.

Qin: I remember that. That was so cool. It was an army of mean queen bee girls and they were no match for them.

Nico: Awesome!

Nico and Xiomara Sonjohnkoksoong hugged.

Nico: I've really missed you.

Xiomara Sonjohnkoksoong: Me too Nico. Me too.

Lincoln: For everything you've done to Iruma and his harem, you are one demon who deserve to get sent to The Black Gates. (To Persephone Hades) And it's so good to see you again, Persephone Hades.

Persephone Hades: You too, Linky, it's been such a long time.

Lincoln went up to Persephone Hades and he hugged her, and Persephone Hades is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, fine hair on his massive forearms and short stubble on his jawline, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you nine since you were seventeen, and as you can see, I really grew a lot since then.

Persephone Hades: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 17-year-old 7'9" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, fine hair on your massive forearms and short stubble on your jawline and many accessories, that's really new, sorry that your version of He-Man's chest harness got slashed off by that psychopath.

Lincoln: It's okay, but it also transformed into a new weapon attachment for my massive greatsword.

Suddenly, Lincoln's version of He-Man's chest harness reappeared again fresh and new.

Nico: Whoa!

Me: Well, that was quite a surprise.

Persephone Hades: It sure is. And you've really really grown a lot in height and become a man, but you're still the same kind boy from long ago. Plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and he's become truly immortal.

Me: And Lincoln, you know this sexy Gothic mama?

Lincoln: Indeed I do, J.D., this is Persephone Hades, Daughter of Hades, God of The Underworld and Persephone, Queen of The Underworld, she's my Guardian Angel from Greece mainly the legendary Mount Olympus, and like her mother and father, she's a Goddess of The Dead and The Underworld and has all her mother and father's powers of darkness and the dead and she's immortal and she's also extremely beautiful and sexy. When she and I met, there was indeed quite the attraction that turned into true love and she swore to protect me from those who sought to do me harm, and her targets were none other than Flip, Lewis Travolta, Scoots, Hawk, Hank, Pablo, Anderson, Chandler, Artie, Trent, and Killjoy Huggins, his enemies, and she also swore to protect me from Lori, Lynn, Lola, Lisa, and Luan.

Luna: She's really good friends with Lucy, and she's also an awesome Goth of Justice. Lincoln and Persephone helped Lucy with her poems and they accompanied her to her meetings with The Young Morticians' Club, and Persephone also helped in teaching Lincoln and Lucy in everything that she knows ranging from dark magic spells to summoning the souls of the dead and even necromancy. Lincoln made Persephone a beautiful necklace with blood red gem for the pendant, along with a white short-sleeved blouse, black sleeveless top, long ankle-length white dress skirt, and white bridal gloves, and to show thanks, Persephone kissed Lincoln on the lips when they were in the graveyard and the full moon was shining down on them.

Nico: A spooky romantic night in the graveyard, that was really awesome.

Me: It sure was, and she absolutely hates Lynn with a blazing passion because Lynn absolutely hated Persephone for always defends Lincoln whenever she along with Lori, Lola, Lisa, Luan, along with the rest of Lincoln's enemies plotted to kill him, and Selene Arcangela's told Persephone everything about what that animal had done to him, and during a meeting The Young Morticians' Club was having one night, Persephone and Lincoln were there with Lucy, and during the meeting, Lynn ambushed them and she viciously attacked Lucy's friends and Lucy also got brutally injured by that violent animal, and she was also about to attack and kill Persephone and Lincoln, until Lincoln snapped and he and Persephone then summoned demons and creatures of darkness to attack Lynn and they also pounced on and kicked the tar out of that rampaging rage-crazy, overly aggressive, belching, farting, sore loser animal, and Lincoln tied her up in a red energy straitjacket, and when he alerted the rest of his family of what Lynn did to Lucy and her friends, Lynn got her smelly butt grounded for seventeen weeks and while Lucy and her friends were recovering in the hospital, Lynn was tied up in a straitjacket and she was thrown inside a metal container.

Luna: I remembered that incident all too well.

Lori: Me too. Lynn absolutely crossed it big time, and Lincoln almost got that close to calling the cops on her, along with disowning her and sending her to prison forever, but Persephone Hades had to help him through this, he had to focus on Lucy.

Lincoln: She did, after what happened to Lucy, I didn't want to leave her like this, and Persephone helped me through that ordeal, and now that you're here, Persephone.

Lincoln went up to and hugged Persephone Hades in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Persephone Hades: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Persephone Hades' neck with dark purple gems on the gold lightning bolts and blood red crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck.

Persephone Hades: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Persephone Hades.

Persephone Hades had a smile on her face and tears in her eyes as Lincoln still had his abnormally massive and powerful muscular arms around her, and he leans down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the ten girls, and when Lincoln saw who they were, he immediately recognized them. The ten girls are Ayumi Shimizu, Keiko Takaya, Kiyoka Akiyama, Kumi Kawanaka, Mai Sakura, Makoto Jinnai, Misato Amano, Nanami Itō, Natsuki Asakura, and Yuki Matsuno from Tokimeki Check In!

Lincoln: Oh wow, it's Ayumi Shimizu, Keiko Takaya, Kiyoka

Akiyama, Kumi Kawanaka, Mai Sakura, Makoto Jinnai, Misato Amano, Nanami Itō, Natsuki Asakura, and Yuki Matsuno from Tokimeki Check In!

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Ayumi Shimizu: Yes, we're okay, thanks to you.

Then, when Ayumi Shimizu and the other nine girls saw who it was that saved them from Amy Kirio, their faces turned atomic red upon seeing the 17-year-old 7'9" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head, fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with a gold lightning bolt and Ebonwu Squadron emblem emblazoned on his forehead with Third Eye on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, He-Man's chest harness with colored gems on the orange crisscrossing straps and large circular chest plate with phoenix on it, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between the kanji that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many

Ayumi Shimizu: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made nine clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene.

Ayumi Shimizu: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, ten Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Ayumi Shimizu, Keiko Takaya, Kiyoka Akiyama, Kumi Kawanaka, Mai Sakura, Makoto Jinnai, Misato Amano, Nanami Itō, Natsuki Asakura, and Yuki Matsuno with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to The World Tree Estate, and the rest of the team were shocked to find out the villain we went after was the psychopathic misery-causing demon and archenemy of Iruma Suzuki, Amy Kirio.

But, when Lincoln showed what we did in giving that psychopathic misery-causing demon the beating of his miserable life and Lincoln, Shakky Shax, Mar, Paimon, Levi, and Momonoki Morax finishing him off by firing black energy blades from their massive greatswords which pierce him in his black heart and they obliterate him and send him to The Black Gates forever, everyone cheered and hugged us and Lincoln's harem kissed him all over, and they had steam whistling out their ears. Lincoln and Persephone Hades have a lot of catching up to do, now that she's back in town.

Iruma Suzuki: Damn, I never expected to see that psychopath again!

Lincoln: We were hoping to go after him in the future, but he saved us the trouble of going after him, and we also had our fun giving him the beatdown of his miserable life.

Me: We sure did.

Nico: And you, Shakky Shax, Mar, Paimon, Levi, and Momonoki Morax finished him off by firing black energy blades from your massive greatswords which pierced him in his black heart and the swords obliterated him and sent him to The Black Gates forever.

Eli: With that psychopath gone, hopefully things in the school you and your harem go to will be cool.

Lincoln: We'll have to wait and see, Eli.

---

After finally getting rid of Amy Kirio and this time for good, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Persephone Hades saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her faces, hearts in her eyes, and her nose was bleeding.

Persephone Hades: My God, I was right that Lincoln's really grown into a 17-year-old, 7'9" tall, really big, handsome, and really strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been bodybuilding and working out for many years. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Persephone, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Persephone Hades: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Persephone Hades: Oh man, I knew it was only a matter of time before he told everyone that story.

Nico: Yep. So, Persephone, what's the story on that whole incident Lincoln mentioned?

Persephone Hades: I was hoping you'd ask that, and it's something we all remember all too well.

Persephone Hades pulled up a video and it played on the screen, and it shows Lincoln and Persephone Hades at the cemetery with Lucy and her friends at their meeting for The Young Morticians' Club. But, then, they heard something.

MONSTROUSLY LOUD BELCH!

Past Haiku: Gasp, what was that?

Past Lincoln: Oh no, not her! Lucy, everyone, we need to get out of here, it's Lynn!

But, it was too late, Lynn came out and that violent animal viciously attacked Lucy's friends and Lucy also got brutally injured by that violent animal, and she turned to Persephone Hades and Lincoln with a psychotic grin on her face.

Past Lynn: YOU'RE NEXT, STINKOLN, YOU AND YOUR BITCH! (LAUGHING PSYCHOTICALLY)

But, that was a huge mistake on Lynn's part. Suddenly, Lincoln's heart was pounding and his pupils shrank in pure rage and his deep sapphire blue eyes turned blood red with vampiric rage and fury, and his fangs grew longer and his claws grew sharper, and then, he absolutely lost it.

Past Lincoln: (ROARING WITH PURE RAGE) LLLLLLLLLLYYYYYYYYYYYYYYYYYNNNNNNNNNNNNNN!

Nico and everyone who wasn't around that day gasped in shock at Lincoln's yell.

Eli: OH… !

Nico, Alicia, Mindy, and Connor Chan: Shit!

Me: Yep, Lynn was dead meat on a stick!

Lynn belched and she was about to attack and kill Persephone and Lincoln, but Lincoln ran at Lynn and he viciously attacked Lynn with brutal punches and kicks, he even slashed at her with his claws tearing up her jersey. Then, he and Persephone then summoned demons and creatures of darkness to attack Lynn and they also pounced on and kicked the tar out of that rampaging rage-crazy, overly aggressive, belching, farting, sore loser animal, and Lincoln fired red energy blasts from his massive white angel wings and they tied her up in a red energy straitjacket, and he then alerted the rest of his family of what Lynn did to Lucy and her friends, and while Lucy and her friends were taken to the hospital to recover, Lynn got her smelly butt grounded for seventeen weeks and she was thrown in a metal container by a furious Lincoln.

Past Lynn: (ROARS WITH ANGER AND POUNDS ON THE DOOR TRYING TO ESCAPE)

Past Persephone Hades: If I ever see you try to kill your little brother again, (Demonic Voice) I will personally see to it that I drag you straight to The Underworld myself and subject your miserable evil soul to an eternity of agonizing pain and neverending torment, you bitch!

Persephone Hades gave Lynn the finger, and that caused Lynn to roar again and beat her chest like a gorilla as the video ended.

Nico: Damn! This was indeed the second time that we saw any one of you five make Lincoln so mad, he went absolutely berserk and went vampire on you!

Me: Yeah, and what Lynn did, it was proof of finding out that Dark Lynn had come back and she was even more violent than ever.

Lincoln: Back then, I didn't create my Dark Side Eternal Purification technique to permanently sever Lynn from Dark Lynn for good, so we were stuck with that animal again.

Luna: As much as we wanted to believe it wasn't true, it was. I thought we were rid of her thanks to J.D. on Packing Day, but that animal's hatred refused to die.

Nico: Now, that's really dark, so that explained the periodic attacks from Lynn in the past, it was due to Dark Lynn's return.

Audrey Sauron: That's right, but we were unable to see it.

We got a shower, and then, Lincoln, Aria the Melodious Diva, Bloom Diva the Melodious Choir, Bloom Prima the Melodious Choir, Canon the Melodious Diva, Elegy the Melodious Diva, Mozarta the Melodious Maestra, Opera the Melodious Diva, Schuberta the Melodious Maestra, Score the Melodious Diva, Serenade the Melodious Diva, Shopina the Melodious Maestra, Solo the Melodious Songstress, Sonata the Melodious Diva, Soprano the Melodious Songstress, and Tamtam the Melodious Diva are heading to Aquame Lake.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Aria the Melodious Diva, Bloom Diva the Melodious Choir, Bloom Prima the Melodious Choir, Canon the Melodious Diva, Elegy the Melodious Diva, Mozarta the Melodious Maestra, Opera the Melodious Diva, Schuberta the Melodious Maestra, Score the Melodious Diva, Serenade the Melodious Diva, Shopina the Melodious Maestra, Solo the Melodious Songstress, Sonata the Melodious Diva, Soprano the Melodious Songstress, and Tamtam the Melodious Diva, and they hugged the girls in their abnormally massive and powerful muscular arms, and Aria the Melodious Diva, Bloom Diva the Melodious Choir, Bloom Prima the Melodious Choir, Canon the Melodious Diva, Elegy the Melodious Diva, Mozarta the Melodious Maestra, Opera the Melodious Diva, Schuberta the Melodious Maestra, Score the Melodious Diva, Serenade the Melodious Diva, Shopina the Melodious Maestra, Solo the Melodious Songstress, Sonata the Melodious Diva, Soprano the Melodious Songstress, and Tamtam the Melodious Diva placed their hands on the massive pecs of Lincoln and his clones, and then, they shared a passionate and romantic kiss. Nico: Whoa, looks like someone really had an awesome time at Aquame Park, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, fifteen Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Aria the Melodious Diva, Bloom Diva the Melodious Choir, Bloom Prima the Melodious Choir, Canon the Melodious Diva, Elegy the Melodious Diva, Mozarta the Melodious Maestra, Opera the Melodious Diva, Schuberta the Melodious Maestra, Score the Melodious Diva, Serenade the Melodious Diva, Shopina the Melodious Maestra, Solo the Melodious Songstress, Sonata the Melodious Diva, Soprano the Melodious Songstress, and Tamtam the Melodious Diva with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Lincoln: And we also had a run-in with more of her hulking muscle-bound hired thugs to kill us yet again, but I sucked out their muscle mass and strength and killed them all and sent them to The Black Gates, and she should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Trina Riffins scream with extreme hatred and rage, and now, she's officially lost her mind.

Maria: Yeah, up yours, bitch!

Nico: If that bitch so much as breaks out and we face her on your rescue, Lincoln, I hope you break every last bone in her body.

Lincoln: Are you kidding, if Trina broke out, Courtney would wind up getting to her before any of us did, and she'd really do a lot worse than the beatdown she gave that rage-crazy Spawn of Satan during The 20 Days of Darkness.

Me: Yeah, and she's lucky we're not giving her The Black Gates because she doesn't deserve it.

Lincoln: Death's too kind for her, she deserves to suffer our humiliations, and from what we've been doing by always winning against evil, it's driving her and the other jerks completely nuts!

Nico: (Snickers) In more ways than one, Lincoln.

Brad Barrett: Now.

Brad Barrett: I've been getting visions lately. About me fighting you and several others. I can't explain. But are they really dreams? Or did they come true?

Me: No those are visions into the future. Your memories as a rider were erased after you were saved from the Advent Void. And yes you are going to fight me and Kit and the other riders. It happened 15 years ago. But I remember that day like it was yesterday.

Brad Barrett: What happened to me?

Me: Better yet, I'll have you remember.

I snapped my fingers and restored his memories.

Brad Barrett: I was a Rider?!

Me: Yep. And your memories have been restored too.

Brad Barrett: I remember now! J.D.!? That really is you? What happened to you?

Me: I've had a bit of a grown spurt. Not just in size but in evolutionary terms. Long story. But yeah. You were Kamen Rider Thrust. Xaviax framed you for cheating and that's what got you banned.

We came back.

Brad Barrett: Sorry I was so rude to you guys. I was just at a loss for words.

Me: No worries.

Nico: If you want, you can join the Redemption Squad.

Brad Barrett: Nah. I think I'll join the Masters of Evil.

Nico: That works.

Eli: Yeah.

Kit: Anyway we need your help with something.

Me: What is it?

Michelle Walsh then appeared.

Michelle Walsh: With official No Men business.

Me: Michelle Walsh. Been a long time.

Michelle Walsh: You grew quite a bit.

Me: That's an understatement.

Leeli: What do you need help with?

Michelle Walsh: I'll show you.

We followed her and in a vault we saw a blaster.

Me: Whoa what's that?

Nico: Is that a blaster? It's different then the ones Eddy and both versions of Jack Spicer use.

Michelle Walsh: This is our newest weapon. It's called a subatomic destructo ray. Let me give you guys a demonstration.

Me: All right.

We went in front of an abandoned building that was due to be demolished.

Michelle Walsh: This is a 7th generation energy weapon. It was developed by a combined USA European Asian Alliance and it is to blow up terrorist camps. Watch.

Apple Bloom was video recording it with her phone.

They fired it and it fired a red laser blast and then it hit the building and then…

EXTREMELY MASSIVE AND POWERFUL EXPLOSION!

IT BLEW THE ENTIRE BUILDING INTO DUST IN AN INSTANT!

Me: HOLY FUCKING SHIT!

Nico: THAT WAS POWERFUL!

Eli: WHOA! THAT WAS AMAZING!

Me: I hope that weapon doesn't have enough power to blow up an entire planet.

Kit: No it doesn't. But it can obliterate mountains and buildings like there is no tomorrow.

Me: WHOA! That is incredible!

Nico: That was amazing!

Michelle Walsh: We need your help guarding it.

Nico: Of course we'll do it. Because Xaviax probably won't be the only one wanting this.

Me: Nope. And I have a good feeling I know who will want it.

Eli: I sense that the ones that took Chance and Pryce's Advent decks are close.

Me: Then lets be ready. Boy in the wrong hands, terrorist organizations can use this and blow up entire cities.

Nico: Yeah no shit.

Eli: Yeah.

Natalia: We'll get changed into jumpsuits.

Me: Okay.

They went and did so.

Sydney's was blue, Nanette, Rice and Georgina's were red, Sheila's was green, Kendra and Maxxine's were purple, Irena's was purple, Julie's was red, Kita's was green, Evelyn's was blue and Natalia's was orange.

Kit: Why do they need to change into jumpsuits?

Me: Their gene-slammer forms tear their clothes off. So we need to be ready for that.

Rarity: Indeed we do. It's a crazy story.

John Bolton: Yeah it's true.

Kit: (to Natalia) While we're waiting, can you describe your transformation into your monster form?

Natalia: Well my muscles start to grow and then I get furry and then my clothes start to rip. I grow claws and pointed ears and a muzzle and my teeth turn into fangs and my eyes turn yellow.

Me: Like how you see werewolves on TV under the light of the full moon.

Nico: Yeah.

Then we saw Vic Frazier!

Nico: Vic Frazier? You're working for the No Men?

Vic: After I got my memories back, Michelle offered me the job.

Me: Been a long time Vic.

Vic Frazier: J.D. Knudson!?

Me: Yep. The one that killed Xaviax. After blowing off all of his offers.

Nico: Yep.

Vic Frazier: You grew a lot.

Nico: Make sure to watch the mirrors in case Xaviax's monsters get in.

Me: We could just shatter the mirrors into a million pieces.

Nico: We could. But then we'll get seven years of bad luck.

Me: Oh come on that's just a bunch of superstitious bullshit nonsense.

Eli: Yeah.

Vic: But I'll watch them.

Kit: Let's get our game faces on.

Me: Okay.

I put on a funny game face.

They laughed!

Kit: (LAUGHS) That's funny!

Me: Just a little joke.

I took off the mask.

Vic: Kamen Rider!

Brad: Kamen Rider!

Kit: Kamen Rider!

Kase: Kamen Rider!

They transformed and were ready!

Nico: YEAH!

Me: KIBAL! LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON 🌙!

I howled!

We then heard several Mirror Monsters exit the mirrors.

Me: Time everyone saw the monsters.

I snapped my fingers and then they appeared in front of our eyes!

Nico: WHOA!

Me: Buttugly sons of fucking bitches! RELEASE THE WOLF! (HOWLS)

A vortex of blue fire blasted out and I went and slashed the mirror monsters and destroyed them in fiery explosions!

Apple Bloom: YEAH!

Metalgelas and Goldphoenix appeared by our side

Me: Awesome!

Eli: YEAH!

Nico: This will be fun!

Rainbow Dash: Lets give these monsters a facelift!

We fired waves of energy and blasted them all over the place.

While we were fighting the monsters, a certain Earth doppelgänger of Chance just appeared through the mirror of the room of the blaster.

Drew Lansing: Jackpot!

Me: I knew it! Drew!

Drew: Long time no see, Kit.

Kit: You're after the blaster too?

Drew: Xaviax wants to use this to blow this city away. But I think using this on this building with you guys inside will be enough to make him happy. Might even get me some brownie points.

Me: Like hell he will. Xaviax is soon to be dead and forgotten.

Nico: We're not accepting anything you're offering us.

Drew: Oh, I'm not interested in offering you anything. Except blaster fire with your names on them! Kamen Rider!

He turned into KAMEN RIDER TORQUE!

Me: I don't think so!

I fired waves of blue fire and blasted him all over!

I teleported and kicked him in the face and knocked him down!

Drew: Damn you J.D.! You are still the same annoying freak as you were all those years ago.

Me: Nice to know that I still have it in me.

Natalia: Our turn, girls!

They sweated uncontrollably and their stomachs growled before they doubled over in pain,

Drew: What the Hell?!

They transformed into their Underground Monster forms!

Kit: WHOA! That is awesome!

Len: Whoa so that's what they look like as their monster forms!

Nico: Yep.

Quarry: This will be fun!

Natalia charged at Drew.

Ripster: (gets out Abomination's Advent Card) Leave the Mirror Monsters to the rest of us!

He activated it and bashed them down and bit a monster and ripped him in two!

Ripster: Now you know why I'm called Ripster!

Natalia smashed Drew down.

Drew: Think it's time I show you my own Final Vent!

Final Vent!

Magnugiga appears in front of Drew and he inserts the Magnuvisor into its back. Magnugiga then deploys all of its weapons, which Drew fires all at once by pulling the trigger of the Magnuvisor.

Nico: EVERYONE, HIT THE DECK!

I formed a powerful force field around us and he fired lasers and energy blasts and massive explosions broke out.

But when the smoke cleared all of us were still standing unharmed.

Me: Nice try Drew!

Drew: I HATE YOU J.D.!

My aura flared up with explosive force!

Me: Thanks for the power boost sucker!

Avalugg: (In a girls voice) That was your last Final Vent bub!

She rammed him down!

Nico: Valerie Brigadier! Whoa!

Dr. Nick: (gets out Commander Ryuui's Advent Card) I think it's time for these Mirror Monsters to go!

He activated it and fired waves of energy and blasted them down.

But then..

RRRRRROOOOOOOOOOOOAAAAARRRRRR!

A familiar roar was heard!

Eli: Now he's in for it!

Out came GODZILLA 1998!

Nico: (Imitating Scarface) Say hello to our big friend!

Godzilla 1998 roared.

Nico: Drew we'll give you a choice. Surrender or feel a taste of Godzilla's Emerald Atomic Breath.

Drew: NEVER!

Nico: I just realized something.

Natalia: What's that?

Nico: When Drew uses his Final Vent, he has to stand still. We can use that to our advantage!

Drew: Second time's the charm!

Final Vent!

Magnugiga appears in front of Drew and he inserts the Magnuvisor into its back.

Vic: Not this time!

Final Vent!

Goldphoenix sends Vic into the Drew head first while engulfed in flames. This knocks Drew down but it also transforms Vic back to normal.

Nico: You okay?

Vic: I'm fine. But I think my Final Vent took up a lot of energy.

Nico: It's okay. You just rest now.

I teleported and bashed Drew down.

Godzilla fired an Atomic Green Flame blast!

It hit Drew and blasted him down.

Drew turned back to normal as Kit took the Torque deck from him.

Drew: Hey!

Kit: I'm giving this back to Chance. (Smirks) Meanwhile, you got problems of your own.

Several police officers surrounded Drew.

Police Officer: Drew Lansing, you're under arrest!

Drew: You'll never take me- (gets tasered into unconsciousness)

Kase: What happens to him now?

Kit: Until Xaviax is defeated, we're sending him into the local jail. He'll go into one of the space prisons after we take Xaviax out.

Me: Good idea Kit.

Avalugg: That jerkwad had it coming.

Apple Bloom: He sure does.

She reverted back and Valerie was a girl with aqua blue hair and had blue crystal angel wings and had the kanji for Blizzard in the middle of her forehead and she had aqua blue clothes and a sword made of ice.

Valerie Brigadier: That was a cold victory.

Nico: It sure was.

Apple Bloom: YEAH!

Natalia: Time for us to revert back.

Me: First this.

I gave them back their clothes and put a dome of darkness over them.

Me: We have a very fierce no pervert policy. Anyone that peaks of women while they are naked gets their butts throttled by my daughter Nicole.

Nico: Yep.

Eli: And you do not want to see Nicole mad like that.

Kit: Oh boy.

Then there was a knock on the dome and the girls came out back to normal and clothed.

Natalia: That was fun!

Michelle Walsh: You know what? How about you guys keep the blaster?

Me: We would be honored Michelle.

Nico: And officers make sure there is no mirror or reflective surface for him to escape fhrough.

Officer: You got it.

Me: Don't worry I used my magic on him to strip him of his mirror portal power.

Nico: Nice!

Valerie Brigadier: That will show him.

Kit: What's your favorite memory of Nico?

Valerie Brigadier: When me and Nico were in this ice sculpture making contest and we made this.

She showed a photo of a massive ice castle she and Nico built and it looked like the St. Basil's Cathedral.

Me: Whoa that is cool! That is an ice sculpture of the St. Basil's Cathedral.

Eli: Well made.

Valerie Brigadier: Thanks. It was fun. We won first place in that.

Nico: Yep.

Applejack: That is well made.

Nico: It sure was.

Nico and Valerie hugged.

Nico: I've really missed you.

Valerie Brigadier: Me too Nico. Me too.

---

We went back home.

We got back.

May: Hey guys. How did it go?

Me: Really awesome and amazing.

We revealed everything and it was awesome.

May: WHOA! That is cool!

Xenia: It sure is! Drew is going to prison forever.

May: Next time, Jason Lee Scott and Zayto should go with you guys.

Me: Good idea.

Nico: Yeah!

Xenia: Yep.

---

At the table, Uta saw something crazy.

Uta: (sees something) Oh, what fresh Hell is this?

Me: Oh the Mascots, Sonic, Tails and the Sonic Sisters are having an eating contest.

They were eating and eating and eating plates full of chili dogs.

Nico: They want to prove who has the biggest appetite with chili dogs.

Me: Yep.

They were eating like no tomorrow.

Hibiki: Who's winning right now?

Me: Looks like the Sonic Sisters are.

They had eaten 30 plates full of chili dogs.

The Mascots ate 20 plates and Sonic and Tails ate the same number of plates as the Sonic Sisters.

Qin: Boy they are hungry.

Then they were done.

Then they were done.

Poliwag then groaned.

Poliwag and the mascots fell over.

The Poromon, Sonic Sisters, Sonic and Tails were done.

Lori: And the winners literally are Poromon, Sonic, Tails and the Sonic Sisters!

We cheered!

Qin: WHOA! Not even the mascots can match an appetite like theirs.

Maria Robotnik: That is for sure. They eat chili dogs by the truckload.

Me: Just imagine if they all were on that Chili Dog planet. They would strip the whole surface clean.

Nico: (LAUGHS) Yeah they would.

Poromon: Yay! I won!

Nico: You sure did.

Me: Yep.

Maria started patting Horsea

May patted Manaphy.

Varie patted Tentacool.

Max patted Jirachi.

Me: That was so cool.

Laney: It sure was.

G1 Ironbison: You guys gonna be okay?

But then…

MONSTROUSLY LOUD LONG BELCH!

When it was done that meant they were stuffed.

Me: Whoa!

Sam (Total Drama): That was awesome!

When it was done they were better.

Sonic: Ahh!

Tails: Yeah!

G1 Ironbison: I think that means yes.

Poromon: Come to greet the winners!

Noivern: (In a girls voice) I heard the loud belch from the surface. Well done.

Nico: Gloria Calazarra!? Whoa!

She reverted back and was a girl with purple hair and had brown eyes and had green and purple clothes and had purple angel wings and she had the kanji for Dragon in the middle of her forehead.

Gloria Calazarra: That was awesome guys. Reminds me of the time when me and Nico had a Shrimp Cocktail eating contest.

May: Is that your favorite memory ofo Nico?

Gloria Calazarra: It sure is. Me and Nico ate 50 glasses of it and they were good.

Nico: Yep. Me and Gloria are the king and queen of Shrimp Cocktails.

Lola: Nice!

Camie: Awesome love of seafood.

Xenia: Yep.

Nico and Gloria hugged.

Nico: I've really missed you.

Gloria Calazarra: Me too Nico. Me too.

G1 Lightspeed: I'm not joking around. Are you guys okay?

They nodded.

G1 Lightspeed: Good.

Nico: Awesome.

Qin: Yeah.

Trent: Well, are you guys proud of yourselves for how much you just ate?

They nodded again.

Trent: Wow.

Me: But in the end, No one can match the awesome chili dog eating appetites of Sonic, Tails and the Sonic Sisters.

LOUD FART!

Poromon: Oops! Sorry.

We laughed!

The previous group came.

Evil Star: Can me, Scorcher, Firepower, Key, Overdrive, El Diablo, Toyman, Villamax, Wolf and Weather Wizard go with you guys?

Nico: Yes you all can come with.

Qin: We don't know what our mission is but I have a feeling it will be fun.

Lola: Yep.

Demolishor: Hey boss which gene-slammers are you hoping to meet next?

Me: Yveltal and Zygarde next right?

Nico: Bingo. Like you even have to ask that one.

Varie: That will be a good one.

Me: Yep.

Lincoln was watching the 2022 anime film, Bubbles, and we were also watching it and it was really awesome.

Me: Wow, this is so awesome!

Lincoln: It sure is, and I think I've got an idea for a mission: heading into the world of the 2022 film, Bubbles, and meeting Hibiki and Uta.

Nico: That's a good idea, Lincoln, plus, this is going to put our parkour skills to the test!

Me: You got that right, I can't wait.

Scorcher: So, any suggestions?

Lincoln: Hey guys! Come here!

We went to Lincoln.

Lincoln was watching the 2022 anime film, Bubbles, and we were also watching it and it was really awesome.

Me: Wow, this is so awesome!

Uta: That is like our world and it's amazing.

Lincoln: It sure is, and I think I've got an idea for a mission: heading into the world of the 2022 film, Bubbles, and helping Hibiki and Uta.

Uta: Awesome idea Lincoln.

Nico: That's a good idea, Lincoln, plus, this is going to put our parkour skills to the test!

Me: You got that right, I can't wait.

Lynn: Whoa! I would like this one!

Camie: Yeah this will be cool.

We continued to watch it.

***SPOILER ALERT***

In the near future, the world is overcome by bubbles that break the laws of reality. An explosion at Tokyo Tower concentrates all the bubbles in Tokyo, but makes the city uninhabitable. Various young folk defy the restrictions, and live there anyway, using parkour tournaments as a means to barter and trade supplies. In one parkour team, the Blue Blazes, 18 year old Hibiki is an exceptional parkour talent, but he avoids others due to a hearing ultrasensitivity. Tokyo Tower continues to be an impossible location to get to because of gravity anomalies.

One day, Hibiki attempts to climb the tower because he hears a woman's song, and believes he sees a boy there. He almost makes it, but ends up falling into the ocean, where his final exhale combines with some of the bubbles to make a young girl. She is clearly new to being a human, but learns quickly from others. Hibiki names her "Uta" ("Song") because she knows the song he hears in his head. Uta and Hibiki train parkour together, beating a team called the Morticians/Undertakers, however, in one final catch, when Uta touches Hibiki, her arm fades away into bubbles. Bubble activity starts up again, so the Tokyo residents need to flee. Uta goes to Tokyo Tower to stop it. Hibiki goes to save her.

In the final scene they save each other, but Uta fades into bubbles as in the original fairy tale from Hans Christian Andersen: "The Little Mermaid." In her final breath, she tells Hibiki that he made it worth it for her to be human. With the bubbles gone, the citizens of Tokyo return and start to rebuild. The parkour teams continue their lives too. Whether real or imagined, in the end credits Hibiki is still continuing to do parkour and there is a bubble following him which could imply it is Uta.

---

When it was done we were amazed with it. It was awesome.

Nico: That was a great movie!

Qin: Yeah!

Uta: Boy that is just like everything that happened to me.

Hibiki: And to me too.

Me: Yeah.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was none other than King Stroud of Lorimar, the central villain of the video-game Dawn of Mana and the despotic monarch who invaded the sacred island of Illusia and he'd released the Goddess of Evil, Medusa, to steal her throne, intending the Demon World of Mavolia and the world of Fa'Diel and rule over both, and he's here to try and conquer our world. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is someone coming after us?

Lincoln: You guessed it, Rayman, and this is something you won't like, Nicole: the dark energy signal and the figure we sensed belongs to the central villain of the video-game Dawn of Mana and the despotic monarch who invaded the sacred island of Illusia and released the Goddess of Evil, Medusa, to steal her throne, intending to take the Demon World of Mavolia and the world of Fa'Diel and rule over both, King Stroud of Lorimar, and he's here to try and conquer our world.

Nicole: (Gasps) Oh God, not him.

Hayley Lair: Leave him to me and Lincoln, Nicole, we're not going to let Stroud get away with this.

Lincoln: He'll meet the same fate as Anise and Dema: drained of his powers and obliterated, but for this one, we'll be using a combo on him.

Nico: It's been a long while since you've used some combos in one of your fights against uninvited guests, Lincoln. Alright, gang, let's go, we're off to meet Hibiki and Uta.

Lincoln: This is going to be one awesome parkour adventure no one will ever forget, and once we get done with our mission there, you're next, King Stroud of Lorimar.

Hayley Lair: There shall be no mercy for you, you despotic tyrant, as The Guardian of Water, we shall see to it that your crimes against the world and the multiverse are punished, and you'll be destroyed here and now!

Me: Lets get moving.

Nico: You heard him! Lets go!

Lincoln put up a rainbow energy field around The World Tree Estate and we headed out to help everyone in Hibiki and Uta's world, and once we got done with our mission there, Lincoln and Hayley Lair are going to destroy King Stroud of Lorimar and make that despotic tyrant pay for every last one of his crimes against the world and the multiverse.

We were off.

---

We went through a portal and arrived in the world of Uta and Hibiki.

Me: Wow! Looks like home.

Xenia: It sure does.

Nico: Yeah.

Icepick: Is this it?

Me: Yeah this is the right world.

Xenia: Yep.

We then saw Japan and over Tokyo we saw a massive ginormous mountain sized bubble covering the city! It was a huge bubble that was over 20,000 feet tall and 25 miles in diameter!

Nico: WHOA!

Eli: Look at the size of that bubble!

Xenia: It's huge!

Lola: Incredible!

Uta: Wow! There it is guys. That is our world.

Hibiki: Yep.

Overdrive: See any vehicles I can use?

Me: Just cars outside the bubble.

We went to the outside of the bubble and it was as big as a massive mountain.

Me: WHOA! This bubble is massive!

Qin: Wow! From out here it looks like an ordinary soap bubble.

Nico: Not even the largest bubble wand ever can blow a bubble like this.

Lily: SpongeBob can you blow a bubble this size?

SpongeBob: I don't think I have the lung power to do that.

Xenia: That would be cool though.

Troy Burrows: Boy this beats the dome in Under the Dome by a longshot.

Me: Except that dome was made of pure energy. This looks like an ordinary soap bubble.

Skullgrin: Anything we can visit here?

Me: Lets find out.

Nico: Yeah.

I went and touched the bubble and it had an amazing non-soapy water feeling.

Me: Very unusual feeling. Maybe we can just walk through it.

Nico: Wait we can go under it.

We did so and then under the bubble we saw an apocalyptic world and it had buildings covered in grass and flowers and more. But there were floating pieces of land and the gravity felt lighter and we saw kids and people running and jumping faster than everything.

Qin: Whoa!

Xenia: Whoa! This is amazing!

Toyman: Look at all this!

I scanned the area.

Me: Whoa! This bubble warped the gravity around the area. The scans show that it reduced the gravitational force by 25 - 50%.

Lynn: This is amazing!

Nico: That explains why everything is so light and all the people and kids are moving so fast.

Shanan: Wait! I knew this was the work of them! This is the work of an extinct alien race called the Babarunians of the planet Babarus. They are aliens that have the power to make people faster, stronger and lighter by altering the gravity of an area with their bubbles. But they went extinct eons ago.

Nico: So that's what this bubble is!

Qin: Wow!

Uta: That is amazing. I never knew that it was all because of them.

Lola: Yeah!

Fangry: Now, we know.

Nico: Yep.

The kids and people were jumping off buildings and floating islands and moving like ricochetting bullets.

Lynn: Boy this whole place is a giant parkour obstacle course!

Xenia: It sure is!

Kai and Shin came.

Kai (Bubble): Hey Hibiki! Uta!

Uta: Kai! Shin!

They hugged them.

Shin (Bubble): It's awesome to see you guys! We all thought we would never see you again.

Hibiki: We were teleported to a new world.

Uta: Yeah.

Me: These your friends?

Shin (Bubble): Whoa! Team Loud Phoenix Storm it's such an honor!

Hibiki: Guys these are my friends and teammates the Blue Blazes. We are a parkour team here.

Kai (Bubble): Awesome to meet you guys! I'm Kai.

Shin (Bubble): And I'm Shin.

Me: Awesome to meet you both.

Wolf: Uta's really missed you

Me: Same with Hibiki.

Kai (Bubble): Boy we missed them both too.

Shin (Bubble): We saw this mysterious vortex open up and then it sucked in Uta and Hibiki.

Me: A dimensional vortex! So that's how Uta and Hibiki came to our world.

Applejack: They came to our world on one of my ambassadors missions last years.

Xenia: Yeah that is so bizarre.

Me: We met them in our camping trip over in Montana.

Uta: First we beat up a bunch of bullies that were hurting Andy and Rodney.

Andy Johnson: Yeah it was awesome.

Lola: Yeah.

Bomb Burst: Those were good times

Applejack: Yeah they sure were.

Kai (Bubble): But it is good that Uta and Hibiki were in good hands with you guys.

Shin (Bubble): Yeah the Blue Blazes weren't the same without them.

Xenia: Boy I can tell.

Lola: Look at Lynn guys.

She was really going at the Parkour challenge and she was really jumping all over the place and running fast and jumping really fast.

Nico: Whoa look at Lynn go!

Xenia: Wow!

Kai (Bubble): Boy she is a natural at Parkour.

Me: She sure is.

Weather Wizard: She excels at all sports

Me: That's right.

Shin (Bubble): Yeah she sure does!

She won no problem!

Lynn: Aw yeah!

Me: Lynn is really fitting in here.

Nico: Yep.

Lincoln: Are there anyone that can use elemental bubbles here?

Uta: I think the only one that can do that is me.

Uta formed bubbles of fire, water, earth, wind, lightning, light and darkness and they orbited around her.

Kai (Bubble): Whoa! Uta you can do that now?!

Uta: I sure can and it's so cool.

Slog: Any bad guys here?

Kai (Bubble): As a matter of fact yes there is! Look!

He pointed to the down Tokyo tower and we saw A HUGE BLUISH-PURPLE GORILLA POUNDING HIS CHEST AND ROARING FEROCIOUSLY!

We gasped!

Me: That's Gorizilla!

Adrien: The Akuma from one of my Bodyguards!

Xenia: What the hell is he doing here!?

Nico: No idea!

Weather Wizard: Let me see. (Calls Vypra) Hey boss, is Gorizilla still with you? He's not here is he?

Vypra: Lets see. (She checks) Nope Gorizilla still is with us in HQ.

Weather Wizard: This must be a clone then. Thanks for confirming that boss.

Vypra: Anytime.

He hung up.

Kai (Bubble): What is that thing?!

Villamax: Want the short version or the long one?

Kai (Bubble): Long one.

Me: Well it's a monster we met on one of our adventures.

I went over what happened in chapter 901 and how it was Adrien's bodyguard and was turned into a King Kong-like villain named Gorizilla.

When it was done they were shocked!

Shin (Bubble): Oh man! So this guy is a clone of him!?

Hibiki: Yep.

Me: We have had lots of encounters with many Akuma over the years.

Nico: Yep.

Kai (Bubble): What is that thing?!

Villamax: Want the short version or the long one?

Kai (Bubble): Long one.

Me: Well it's a monster we met on one of our adventures.

I went over what happened in chapter 901 and how it was Adrien's bodyguard and was turned into a King Kong-like villain named Gorizilla.

When it was done they were shocked!

Shin (Bubble): Oh man! So this guy is a clone of him!?

Hibiki: Yep.

Me: We have had lots of encounters with many Akuma over the years.

Nico: Yep.

Sea Clamp: It's one of the largest ones.

Nico: Yep.

Cicadacon: Nothing Tripredacus can't handle.

Ram Horn: That is for sure.

Xenia: Yep.

Qin: That is for sure.

Woody Woodpecker: I can peck that gorilla into submission.

Amy Woody: We both can.

Poromon: By the way, Amy, you can feel free to peck me.

El Diablo: That's right. Nico and the others were discussing that.

Amy Woody: Aww okay. But only when you would like me to do that.

Nico: But right now we have a job to do,

Qin: Yeah.

Nico: Kai, Shin, you guys are going to love seeing what we can do.

Me: Yep. Time to get to work.

We saw him break into a grocery store and is eating all the bananas.

Solar Man: Oh man! He just broke into a grocery store and he's eating the bananas there!

Me: Well he's a gorilla Akuma what did you expect?

Donkey Kong: He likes just as many bananas as I do.

Qin: That is true.

Lola: Yeah.

Me: We got to stop him though.

Xenia: Yeah.

Nico: Lets get him guys!

Key: At least he's not grabbing defenseless girls.

Eli: Like how King Kong did.

We heard a scream! We saw that he had a girl that had Aqua Blue hair and she had the kanji for Ice in the middle of her forehead and she had aqua blue angel wings and had aqua blue clothes and she had on her back Vexen's shield and she had on her skirt the kanji for The Smarts of the 4 Cold Chilly Academics.

Me: (GASP) Vina Vexen!

Lola: WHOA!

Lana: She must be the gene-slammer of Vexen!

Nico: And she is not even on one of my rescues!

Eli: Lets go guys!

Nico: Right! ENTRANCE TIME!

Woody Woodpecker: Time to give that overgrown bully what for!

Lady Deathstrike: Like you even have to ask!

We went at him!

Gorizilla roared.

Vina Vexen: I will freeze you solid for this gorilla boy!

Then the spirits of the bubbles of the elements appeared and swirled around him and then they converged and then…

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion went off above him and then a phoenix cry was heard and we came out.

Woody Woodpecker: Let her go you overstuffed sack of bananas!

Amy Woody: Yeah what he said!

They pecked on his head and he grunted in pain and she let her go and I caught her.

Vina Vexen: J.D.! Thank goodness.

Beast Boy turned into a gorilla and roared ferociously!

Gorizilla roared ferociously too! They both raspberried at each other and Beast Boy smashed him all over!

Nico: It was really fun.

?: Boy that is cool!

A figure came out and it was DOROTABOU from episodes 3, 4 and 9 of Kakurangers.

---

In the guise of the dead beat slob Mr. Dorota, Dorotabou became obsessed with TV. Using a news program to get 15 minutes of fame, Dorotabou ends up picking a fight with Jiraiya and Saizou before falling back. Upon learning that Jiraiya is on Super Battle Quiz, Dorotabo crashes the program and is challenge to a cage match to the death. After losing to Jiraiya in judo, swordmanship, and boxing, an enraged Dorotabou enlarges. After being pummeled by Black Gammer, Dorotabou is destroyed by Muteki Shogun's Blazing Shogun Sword.

Though unseen, Dorotabou's spirit presumably emerged within the Seal Door along with all the other defeated Yokai, after their master Daimaou was finally contained there by the Kakurangers. Reeling that they were now powerless in captivity, the Yokai all vowed that they would one day be reborn and regain their power, cursing humanity.

---

Eli: Dorotabou! I remember you! You were a deadbeat slob and loved TV and then you challenged Jiraiya to a cage match to the death!

Dorotabou: That's right. Good memory.

Eli: Yep.

Dorotabou: Too bad I wasn't adapted in America.

William: I know! They could've used that cage match thing.

Me: Yeah that would have been fun to see! What a ripoff!

Dorotabou: I know!

Qin: Yeah!

We got the battles underway.

Rhonda LaBouche: Her story is really amazing and powerful too.

Tephra, The Firestorm and Lord Moltus agreed.

Rose Ortin: You wouldn't believe what happened.

---

Nico: Yep. So, Persephone, what's the story on that whole incident Lincoln mentioned?

Persephone Hades: I was hoping you'd ask that, and it's something we all remember all too well.

Persephone Hades pulled up a video and it played on the screen, and it shows Lincoln and Persephone Hades at the cemetery with Lucy and her friends at their meeting for The Young Morticians' Club. But, then, they heard something.

MONSTROUSLY LOUD BELCH!

Past Haiku: Gasp, what was that?

Past Lincoln: Oh no, not her! Lucy, everyone, we need to get out of here, it's Lynn!

But, it was too late, Lynn came out and that violent animal viciously attacked Lucy's friends and Lucy also got brutally injured by that violent animal, and she turned to Persephone Hades and Lincoln with a psychotic grin on her face.

Past Lynn: YOU'RE NEXT, STINKOLN, YOU AND YOUR BITCH! (LAUGHING PSYCHOTICALLY)

But, that was a huge mistake on Lynn's part. Suddenly, Lincoln's heart was pounding and his pupils shrank in pure rage and his deep sapphire blue eyes turned blood red with vampiric rage and fury, and his fangs grew longer and his claws grew sharper, and then, he absolutely lost it.

Past Lincoln: (ROARING WITH PURE RAGE) LLLLLLLLLLYYYYYYYYYYYYYYYYYYYNNNNNNNNNNNNNN!

Nico and everyone who wasn't around that day gasped in shock at Lincoln's yell.

Eli: OH… !

Nico, Alicia, Mindy, and Connor Chan: Shit!

Me: Yep, Lynn was dead meat on a stick!

Lynn belched and she was about to attack and kill Persephone and Lincoln, but Lincoln ran at Lynn and he viciously attacked Lynn with brutal punches and kicks, he even slashed at her with his claws tearing up her jersey. Then, he and Persephone then summoned demons and creatures of darkness to attack Lynn and they also pounced on and kicked the tar out of that rampaging rage-crazy, overly aggressive, belching, farting, sore loser animal, and Lincoln fired red energy blasts from his massive white angel wings and they tied her up in a red energy straitjacket, and he then alerted the rest of his family of what Lynn did to Lucy and her friends, and while Lucy and her friends were taken to the hospital to recover, Lynn got her smelly butt grounded for seventeen weeks and she was thrown in a metal container by a furious Lincoln.

Past Lynn: (ROARS WITH ANGER AND POUNDS ON THE DOOR TRYING TO ESCAPE)

Past Persephone Hades: If I ever see you try to kill your little brother again, (Demonic Voice) I will personally see to it that I drag you straight to The Underworld myself and subject your miserable evil soul to an eternity of agonizing pain and neverending torment, you bitch!

Persephone Hades gave Lynn the finger, and that caused Lynn to roar again and beat her chest like a gorilla as the video ended.

Nico: Damn! This was indeed the second time that we saw any one of you five make Lincoln so mad, he went absolutely berserk and went vampire on you!

Me: Yeah, and what Lynn did, it was proof of finding out that Dark Lynn had come back and she was even more violent than ever.

Lincoln: Back then, I didn't create my Dark Side Eternal Purification technique to permanently sever Lynn from Dark Lynn for good, so we were stuck with that animal again.

Luna: As much as we wanted to believe it wasn't true, it was. I thought we were rid of her thanks to J.D. on Packing Day, but that animal's hatred refused to die.

Nico: Now, that's really dark, so that explained the periodic attacks from Lynn in the past, it was due to Dark Lynn's return.

Audrey Sauron: That's right, but we were unable to see it.

FLASHBACK ENDS

Titanium Man: That was crazy! Boy Dark Lynn got more and more violent every day!

Rainbow Dash: Boy you're not kidding! But that was awesome seeing Lincoln beat her to a pulp!

Scootaloo: Yeah no kidding! She really had it coming!

?: (LAUGHING MALEVOLENTLY) And now, I shall destroy you all and I will rule this world!

Lincoln: There's no mistaking that malevolent laughter from anywhere, you just don't know when to give up, do you, King Stroud.

A figure came out, and it was none other than King Stroud of Lorimar.

King Stroud: You heroes will never stop me, soon, all of you will be dead and the entire world will soon bow before me! (LAUGHING MANIACALLY)

Hayley Lair: You're just as bad as Phobos, and you know what happens to despotic tyrants like you!

Suddenly, Hayley Lair's dark blue eyes turned neon dark blue and she was surrounded by a pink and aqua blue energy aura with stars, quintessence, water, ocean waves, life energy, phoenixes, and angels, she unholstered her Guardian of Kandrakar greatsword from her back, and as she approached King Stroud, she left pink and aqua blue energy, stars, quintessence, water, ocean waves, life energy, phoenixes, and angels with every step.

Hayley Lair: King Stroud of Lorimar, I will never forgive you for the crimes you've committed against mankind, the world, and the multiverse itself, you were motivated by your own desire for power and because of your never-ending desire to conquer and rule over everything, you'd freed a dangerous and terrible evil that was killed not that long ago by Okalani Xayavong and Lincoln. You've crossed lines that meant one thing: you don't deserve forgiveness for your crimes, and as The Guardian of Water, I will make you pay for every last one of those crimes with your own blood.

Suddenly, Hayley Lair was surrounded by a massive vortex of pink and aqua blue energy with stars, water, ocean waves, life energy, and quintessence surrounding the vortex, there are phoenixes and angels flying around the vortex, and in the vortex is a neon pink phoenix with red eyes glaring at King Stroud of Lorimar: the red eyes of eternal death. Then, as the vortex faded, Hayley Lair emerged, but she was changed forever

Hayley Lair grew to 7'5" in height, she has the body of a goddess, she has light blue highlights in the bangs of her long aqua blue hair, she has neon aqua blue eyes and a pink and aqua blue energy aura with quintessence, life energy, stars, water, ocean waves, phoenixes, and angels surrounding her, she has the symbol of Water in the hands of an angel emblazoned on her forehead and Third Eye with aqua blue iris, she has on angel earrings with aqua blue gems for eyes and holding the Quintessence, Water, and Eternity Kanjis in her hands, she also has an angel with aqua blue gems for eyes and holding the Quintessence, Water, and Eternity Kanjis in her hands for the second pendant on the bottom of her aqua blue phoenix-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with aqua blue crystal links from her merged Crystal Necklace of the Buddha and aqua blue gems on the gold lightning bolts, and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Hayley Lair has on a sleeveless pink open vest, sleeveless blue crop top, long sea foam green skirt reaching her ankles, purple pants, blue shoes, and long sleeveless white trenchcoat with quintessence, life energy, stars, water, ocean waves, phoenixes, and angels on the coattails, and on the back is the symbol of Water surrounded by quintessence, life energy, stars, water, ocean waves, phoenixes, and angels. Suddenly, Hayley Lair felt a sharp pain on her back, and then, massive aqua blue angel wings with blue tips on the aqua blue feathers grew and sprouted out from her back, and she also now has eleven massive and long aqua blue wolf tails with blue tips and blue markings, Hayley Lair has on her Ring of the Phoenix with large aqua blue gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Hayley Lair's Sword of Kandrakar and all the greatswords and swords that she'd gotten began to merge together, and they were surrounded by a kaleidoscope of aqua blue energy, quintessence, life energy, stars, water, ocean waves, phoenixes, and angels, and when it emerged, it was transformed into Hayley Lair's Quintessence Maelstrom Water Kandrakar Guardian Greatsword of Earth Kandrakar Quintessence Maelstrom Water Justice, it's a brand-new massive greatsword with embedded pink gems and the symbol of Water etched on the 7'4" massive, wide, double-edged aqua blue blade, large aqua blue dragon heads with pink gems for eyes for the crossguard, large white angelic faces built into both sides of the hilt and large aqua blue gems embedded in their foreheads, longer midnight black handle, four large aqua blue phoenix heads with pink gems for eyes and on the bottom of the large aqua blue phoenix heads is an aqua blue dragon head with pink gems for eyes and a pink gem in its mouth for the pommel, Hayley Lair has on her large gold cuff Bracers of The Champions of The Universe with neon aqua blue gems on her wrists and Dragon Ball Bracelet on her left Bracer, her large gold Belt of Elemental Bravery with a large gold phoenix head with aqua blue gems for eyes and large aqua blue gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's an aqua blue kanji below the symbol of Water that said, "Hayley Lair, Loving Older Sister of Irma Lair, Guardian of Water, Chosen Guardian of Kandrakar, Loving Elder Daughter of Tom and Anna Lair, Friend of Hay Lin, Irma Lair, Taranee Cook, Cornelia Hale, Cassidy, Halinor, Kadma, Yan Lin, and Nerissa, Leader of Team Phoebe, Hayley, Emma, Nicole, Xenia, Guardian Angel and Loving Future Wife of Lincoln Loud, Despiser of Royal Woods' Jerks, Archenemy of Raja Jaja, Destroyer of King Stroud of Lorimar, Destroyer of Dark Nerissa and Phobos, Destroyer and Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Friend to Many, Amazing and Powerful Student of Amazing and Powerful Teachers, Amazing Member of Team Loud Phoenix Storm, and Master of Quintessence, Water, Stars, Life Energy, Phoenixes, and Angels"

Hayley Lair has transformed into SUPER ANGEL-KANDRAKAR WATER QUINTESSENCE GUARDIAN-PHOENIX-HARMONY UNIVERSAL ETERNAL CELESTIAL XELNAGA DIVINE COSMIC KANDRAKAR WATER MAELSTROM QUINTESSENCE HEAVENLY PHOENIX ANGEL OF DIVINE COSMIC KANDRAKAR WATER MAELSTROM QUINTESSENCE HEAVENLY PHOENIX ANGEL JUSTICE AND DIVINE COSMIC KANDRAKAR WATER MAELSTROM QUINTESSENCE HEAVENLY PHOENIX ANGEL LOVE!

We were amazed by Hayley Lair's Super Angel-Kandrakar Water Guardian-Phoenix-Harmony Universal Eternal Celestial Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when King Stroud saw it, he fell into a rage and fired blasts of ice at her to kill her, but Hayley fired water blasts at the ice blasts and absorbed the liquid and it made her stronger than ever, and she fired a powerful barrage of pink and aqua blue energy, quintessence, life energy, stars, water, ocean waves, phoenixes, and angels at King Stroud, and they exploded with such incredible power as the barrage hit him, and this really angered him now.

Irma Lair: (Gasps) Oh wow, Haley's transformed!

Nico: She sure has, and that despotic tyrant is so done for now.

Lincoln: After what King Stroud had tried to do in his quest for power and domination, he deserves to pay for every last one of his crimes with his own blood.

Hayley Lair: (Divine Godly Voice of The Divine Cosmic Kandrakar

Water Guardian Quintessence Heavenly Phoenix Angel and Divine Cosmic Kandrakar Water Guardian Quintessence Heavenly Phoenix Angel Love) You got that right, now let's destroy this despotic tyrant once and for all, Linky.

Lincoln unholstered his massive Lincoln Loud's Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Phoenix-Harmony Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Mythological Hope, and he joined Hayley Lair.

Lincoln: (Divine Godly Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Your days of trying to conquer everything in your path is over, King Stroud, and now it's time for you to die once and for all!

Hayley Lair and Lincoln went after King Stroud of Lorimar who continued firing blasts of ice at them, but Lincoln and Hayley absorbed them and it made them infinite times stronger than ever, and they fired extremely powerful blasts of rainbow energy, pink and aqua blue energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at King Stroud and they exploded with incredible power as they hit her.

Then, they attacked him with their massive greatswords leaving scars on him, and Lincoln left many more with his claws and firing energy slashes from his claws and he and Hayley Lair also attacked her with punches, kicks, and karate chops, along with elemental blasts. Then, Lincoln drove his massive greatsword into King Stroud's stomach, and he began sucking out all of King Stroud's ice magic and enormous demonic powers and he made them his own.

Lincoln: (Divine Godly Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Now, it's time for you to die.

Lincoln kicked King Stroud hard into the air, and the 7'5" massive, wide, double-edged golden blade of his massive greatsword was suddenly covered in water.

Lincoln: (Divine Godly Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Time to use one of Tanjiro's techniques to get rid of this despot for good. WATER BREATHING, TENTH FORM: CONSTANT FLUX!

Lincoln used Tanjiro Kamado's tenth form of the Water Breathing Technique as he charges towards King Stroud of Lorimar, and he begins performing a continuous flowing attack with his blade which increases in strength and speed over time using momentum and also attacking him with waves of water, and then, with one final downward slash to King Stroud's neck, he was decapitated and he was sent to The Black Gates for all eternity. We cheered wildly for what Hayley Lair and Lincoln did as they holstered their weapons and powered down, and Hayley Lair's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long aqua blue wolf tails, and massive aqua blue angel wings are permanent.

Hayley Lair: The suffering you've caused for years has finally been brought to an end, King Stroud of Lorimar, may you never return. Thanks for helping me destroy King Stroud for good, Linky.

Lincoln: (Smiles Warmly) You're welcome, Hayley.

Suddenly, Hayley Lair wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Hayley Lair's face, they kissed passionately as she moved her arms and placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, and Angel flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with ocean waves crashing behind them, and we cheered wildly. Then, Lincoln and Hayley Lair absorbed the ocean waves and elemental forces and they came back to us as the display vanished.

Nico: Wow, now that was one truly awesome and incredible fight of Water VS. Ice, Lincoln, Hayley, you two showed that despotic tyrant no mercy, and Lincoln, that was one slick move driving your greatsword into his stomach and then sucking out all his magic and enormous demonic powers and abilities and making them your own, and what we just saw, that was…?!

Tanjiro Kamado: One of my techniques in the Water Breathing Style: Tenth Form: Constant Flux.

Nezuko Kamado: First, Fire, and now, Water. Though, you should've used Thunder when you and Phoebe fought against Dema, that would've really sent sparks flying like crazy.

Lincoln: Oops.

Me: That's alright, but what's done is done, we got rid of King Stroud of Lorimar.

Lincoln: That's right.

Nico: Yep. So, Lincoln, which of the daughters of The Olympian Gods and Goddesses are we meeting tomorrow?

Lincoln: Here's one that'll interest The Neptune Crusaders, the next one that we're meeting tomorrow is Aurora Poseidon, Daughter of Poseidon, Greek God of The Seas, she's my Guardian Angel from Greece mainly the legendary Mount Olympus, and like her father, she's a Goddess of The Sea and has all her father's powers of water and the seas, and she's immortal, and she's also extremely beautiful and sexy.

Me: Hubba Hubba.

Selene Emperyous: When she and Lincoln met, there was indeed quite the attraction that turned into true love and she swore to protect him from those who sought to do him harm, and her targets were none other than Flip, Lewis Travolta, Scoots, Hawk, Hank, Pablo, Anderson, Chandler, Artie, Trent, and Killjoy Huggins, his enemies, and she also swore to protect him from Lori, Lynn, Lola, Lisa, and Luan, she's really good friends with Luna, and she's also an awesome swimmer. Lincoln and Aurora helped Luna with her gigs and they accompanied her, Sam, Sully, and Mazzy during their concerts and gigs, and Aurora also helped in teaching Lincoln and Luna in everything that she knows when it comes to water. Lincoln made Aurora a beautiful necklace with blue gem for the pendant, along with a white short-sleeved blouse, dark blue sleeveless top, long ankle-length white dress skirt, and white bridal gloves, and to show thanks, Aurora kissed Lincoln on the lips underwater when they were swimming in Lake Huron, and she hates Luan with a blazing passion because Luan absolutely hated Aurora for always defending Lincoln whenever she along with Lori, Lola, Lisa, Lynn, along with the rest of Lincoln's enemies plotted to kill him.

Michelle Emperyous: ASelene Arcangela told Aurora everything about what that evil prankster has done to him especially on April Fools Day, and during a gig Luna, Sam, Sully, and Mazzy were having at Lynn's Table, Aurora and Lincoln were there with Luna, and during the concert, Luan triggered her pranks, and Luna, Sam, Mazzy, and Sully's instruments and amps exploded and she also triggered cannons that fired tomato paste at the Moon Goats and at the audience, and they saw Luan come out of there laughing like an out-of-control homicidal lunatic, and she was about to unleash one of her lethal pranks and kill Luna, Aurora, and Lincoln, until Lincoln and Luna snapped, and he and Luna attacked her with a dangerous ferocity, and they and Aurora blasted her with waves of water, and they also pounced on and kicked the tar out of that lunatic, and Lincoln fired red energy waves from his massive white angel wings and tied her up in a red energy straitjacket, and when he alerted the rest of his family of what Luan did, Luan got herself grounded for seventeen weeks, and Luan was tied up in a straitjacket and she was then thrown inside a padded cell container by Luna herself and Luan was laughing like a psychotic nut job.

Those who weren't there when that happened gasped in shock.

Nico: Oh man! Luan really went way too far that day!

Luna: She sure did, dude, and you're going to see the video of that incident when we meet her tomorrow.

Lincoln: Yeah, but I think it's not just going to be Aurora that we'll be meeting tomorrow on my rescue, Luna.

Me: You think there are more of your Guardian Angels out there?

Lincoln: Yes, but we'll not just be meeting them, but I'll also be rescuing them as well, and if the next person that we're going after is who I think it is, then, Trina Riffins is going to get the beating of her miserable life.

Nico: We'll definitely be ready for that rage-crazy Spawn of Satan, and we'll give her the beating of her miserable life.

Me: And kick her ass back to Lynn's Table and chain her back to her post in Neutronium Chains lined with rainbow energy.

Uta: Boy that takes care of him.

Hibiki: It sure does.

Nico: Yep.

Multiple Man: Too bad this didn't end with Gorizilla falling off a building to his death.

Silver Samurai: I would've liked to see that.

Whiplash: Me too.

Me: Yeah

Major Disaster: Either way, we defeated him.

Poromon: (to Amy) You can peck me now.

Taskmaster: You still haven't forgotten about that?!

Amy Woody: Relax. HEHEHEHEHE HEHEHEHEHE HEHEHEHEHE! (PECKS POROMON)

We laughed and it was funny.

Qin: (LAUGHS) That's funny.

Uta: But it was great to be home.

Kai (Bubble): It sure was. Thanks for helping us guys.

Nico: No problem Kai. But great job today guys.

Uta: Thanks Nico. (To the viewers) Bubbles are fun but Parkour is dangerous. Be careful when doing it.

Me: Yep.

Xenia: This was still fun though.

We went back home and the world of Japan in the world Japan from the movie Bubble was beamed to our world and put into the ocean as an awesome island and parkour stadium. We later enjoyed the rest of the day and went to sleep.

Also we're going to battle Another Buzz Buzzard, Ms. Meany, Wally Walrus and Dooley as well as Another Copper Cranium and Pinky & The Brain. We're also going to meet a gene-slammer for a Killer Whale named Jonah Thule and she is a muscle bodybuilder. Also we're going to meet a gene-slammer for Yveltal and her name is Yvette Edmunton and she is a powerful destroyer of evil and she can turn anything evil into stone with her powers.

The match-up scene is for Emma Cook, Guardian of Fire and Older Sister of Taranee Cook, and she and Lincoln are going to destroy the treacherous former concubine of Pharaoh Seti I and lover of Imhotep, Anck-Su-Namun

For Lincoln's rescue tomorrow, Lincoln and his group are heading to Nevada, and Lincoln's not only going to be rescuing the girls that were brought here, but he's also going to rescue four of his Guardian Angels here, they are The Heroes of The East and West, a club that protected the world from dangerous villains such as Team Rocket and many others, and Lincoln is also a member of The Heroes of East and West club, and they even worked with many other hero teams against the other villains and protecting the world. Lincoln made each member beautiful necklaces with their favorite colors, and to show thanks, they each kissed Lincoln on the lips. They hate the jerks, along with Lori, Luan, Lynn, Lola, and Lisa with a passion. Their members are

Lucky Lily Fruitshine, Gene-Slammer of Sky Striker Ace - Camellia, she's Lincoln's Guardian Angel from Nevada and classmate in History. Lucky Lily Fruitshine's also one of the fastest gunners among Lincoln's Guardian Angels, and she taught Lincoln on how to shoot with incredible speed and precision, and she also has an American Quarterhorse Jolly Jumper III. Lincoln made Lucky Lily a very beautiful necklace, and to show thanks, she kissed Lincoln on the lips. She's also the great great great great great granddaughter of Lucky Luke, and shockingly, she's also Applejack's cousin and she hates Lori with a passion.

Phoenix Allura, Gene-Slammer of Thestalos the Shadow Firestorm Monarch, she's Lincoln's Guardian Angel from Arizona and classmate in Gym. She protects Lincoln from Lori, Luan, Lynn, Lola, and Lisa at their worst single-handedly. Heck, when they insulted Lincoln to such a degree, she just went and beat the crap out of them and left them thrown straight into massive pile of dirty jockstraps thus leaving with a dire warning: DO NOT PISS HER OFF! To show thanks for protecting him, Lincoln kissed Phoenix Allura on the lips and even made her a necklace with her favorite colors. She's also the granddaughter of Yosemite Sam, and she hates Luan and Lynn with a passion.

Jenna Li, Gene-Slammer of Dogmatika Alba Zoa, she's Lincoln's Guardian Angel from China and classmate in Math. Jenna's an incredible martial artist and has protected Lincoln from bullies, and Jenna has even protected him from Lori, Luan, Lynn, Lola, and Lisa as well. Lincoln made Jenna a pink necklace, and to show thanks, she kissed Lincoln on the lips. She's the granddaughter of Jet Li, and she hates Lola and Lisa with a passion.

And Mana Oyama, Gene-Slammer of Supreme Celestial King Odd-Eyes Arc-Ray Dragon, she's Lincoln's Guardian Angel from Japan and classmate in Math. She would protect Lincoln from those would try to harm him, especially Pablo, Anderson, Hawk and Hank. She even taught Lincoln her great grandfather's Martial Art. To show thanks for protecting him and teaching him, Lincoln made Mana a beautiful necklace and kissed her on the lips with a passion. She's the great granddaughter of Mas Oyama, and she hates the jerks especially Pablo, Anderson, Hawk, and Hank with a passion.

And even worse, they've been kidnapped by Trina Riffins, who's broken out of her post and is literally on the warpath causing destruction and havoc in Nevada, and she's literally out for blood, and she wants to kill them and the next set of girls there to slake her thirst for blood. But, we're going to take that rage-crazy, demonic Spawn of Satan down and send her back to Lynn's Table chained to her post with Neutronium Chains lined with rainbow energy.

And we're going to meet the next daughter of The Olympian Gods and Goddesses, her name is Aurora Poseidon, Daughter of Poseidon, Greek God of The Seas, she's Lincoln's Guardian Angel from Greece mainly the legendary Mount Olympus, and like her father, she's a Goddess of The Sea and has all her father's powers of water and the seas, and she's immortal, and she's also extremely beautiful and sexy. When she and Lincoln met, there was indeed quite the attraction that turned into true love and she swore to protect him from those who sought to do him harm, and her targets were none other than Flip, Lewis Travolta, Scoots, Hawk, Hank, Pablo, Anderson, Chandler, Artie, Trent, and Killjoy Huggins, his enemies, and she also swore to protect him from Lori, Lynn, Lola, Lisa, and Luan, she's really good friends with Luna, and she's also an awesome swimmer. Lincoln and Aurora helped Luna with her gigs and they accompanied her, Sam, Sully, and Mazzy during their concerts and gigs, and Aurora also helped in teaching Lincoln and Luna in everything that she knows when it comes to water. Lincoln made Aurora a beautiful necklace with blue gem for the pendant, along with a white short-sleeved blouse, dark blue sleeveless top, long ankle-length white dress skirt, and white bridal gloves, and to show thanks, Aurora kissed Lincoln on the lips underwater when they were swimming in Lake Huron, and she hates Luan with a blazing passion because Luan absolutely hated Aurora for always defending Lincoln whenever she along with Lori, Lola, Lisa, Lynn, along with the rest of Lincoln's enemies plotted to kill him, and Selene Arcangela told Aurora everything about what that evil prankster has done to him especially on April Fools Day, and during a gig Luna, Sam, Sully, and Mazzy were having at Lynn's Table, Aurora and Lincoln were there with Luna, and during the concert, Luan triggered her pranks, and Luna, Sam, Mazzy, and Sully's instruments and amps exploded and she also triggered cannons that fired tomato paste at the Moon Goats and at the audience, and they saw Luan come out of there laughing like an out-of-control homicidal lunatic, and she was about to unleash one of her lethal pranks and kill Luna, Aurora, and Lincoln, until Lincoln and Luna snapped, and he and Luna attacked her with a dangerous ferocity, and they and Aurora blasted her with waves of water, and they also pounced on and kicked the tar out of that lunatic, and Lincoln fired red energy waves from his massive white angel wings and tied her up in a red energy straitjacket, and when he alerted the rest of his family of what Luan did, Luan got herself grounded for seventeen weeks, and Luan was tied up in a straitjacket and she was then thrown inside a padded cell container by Luna herself and Luan was laughing like a psychotic nut job.

Get ready for a battle with an evil monster as we go back to Miracle City and battle El Mal Verde and we're going to destroy that monster and make him pay.

See you next time.

Girl Jordan screamed and then..

WHAM!

She got hit in the face with a dodgeball.

OUCH!

I was doing flips and cartwheels and more.

Sakura Knudson: WHOA! J.D. is amazingly acrobatic and he is dominating the competition.

Laney: He sure is! J.D. is one of the best Dodgeball stars ever.

But then a girl threw a ball and it smashed Lincoln in his face and sent him CRASHING INTO THE BASKETBALL HOOP!

SMASH!

Qin: OOH! THAT'S GOING TO LEAVE A MARK!

Girl: (LAUGHS EVILLY) Take that Stinkoln the Freakazoid!

Anna Anyanova: WHY YOU LITTLE!?

Girl Jordan then got extremely pissed!

Nico: UH OH! Now that girl has done it!

Clyde then exploded in rage and then He and Girl Jordan fired a massive flurry of balls with the massive force of a bullet fired from a gun and they smashed the entire team of Hazeltucky down and they were all a bleeding and mangled up mess!

Me: HOLY SHIT!

Nico: OH!

Eli: MY!

Varie: GOD!

Xenia: Those kids are dead meat on a stick!

Superman: Boy no kidding!

Anna Anyanova: Boy that was epic!

Nico: Superman, I want to thank you, Pinky, Brain, and your teams for coming.

Superman: No problem Nico. This is always fun.

Brain: It sure is.

Me: Glad you could come with us Kal.

Kal: No problem.

We got Lincoln down and he was shocked to see that Girl Jordan and Clyde did all that!

Lincoln: WHOA! Awesome job guys!

Nico: Whoa I'll say!

Me: MEDIC!

The Lemings, Varie, Robo Lori and Maria Santiago came and got the kids that were hurt to the infirmary.

Coach Jen: Well done J.D.!

Me: Thanks Coach Jen. Boy I love a good dodgeball game. (CRACKS NECK) It always is fun.

Coach Jen: Yeah it sure is. Girl Jordan, Clyde, you guys are great players.

Me: They are the berserkers of the team.

We laughed!

Shizuka: (LAUGHS) That is true!

Leeli: But Girl Jordan is awesome at dodgeball as she is beating up and killing Carnage.

Me: She sure is. Girl Jordan is amazing at what she does at dodgeball.

Lola: Yeah she sure is.

Nico: Shizuka, what do you like to do in your free time?

Shizuka: Haven't really given it much thought really. I like spending time with Naruto and training with him. I also like to train girl clubs in the Leaf Ninja Academy to be the best Kunoichi they can be.

Me: That is perfect for you Shizuka.

Laney: It sure is.

Nico: I agree.

Maria: What is the Nadeshiko Village like?

Shizuka: Well it's an amazon village.

Me: It's a village home only to women. Like the Amazons of Themiscyra and they are very strong and powerful women there.

Shizuka: That's right and J.D. and his friends all have been there.

Me: Yep. Long story from 150,000 years hence.

Nico: Wow! But that is awesome for you Shizuka.

Shizuka: Thanks.

Nico: I bet you get along great with Wonder Woman.

Shizuka: I sure do. Diana has taught me all kinds of new fighting styles I never knew existed. She is an awesome teacher.

Me: From one Amazon to another that is a great compliment for her.

Qin: It sure is.

Eli: I'll say.

Nico: But those moves that you did J.D. are awesome. Just like in yesterday's mission.

Lola: Yeah that was so fun.

Me: Yesterday's mission is what gave me the idea for today's rescue for you Nico.

Nico: I'm truly honored J.D. And yes it was a great mission. Uta and Hibiki were happy to be home.

Me: They sure were.

Nico: It really has been a while since they've been there.

Me: Yeah no kidding.

Qin: Ever since Uta and Hibiki joined up with us on our camping trip up in Montana.

Applejack: And that was after my third mission with Andy and Rodney.

Nico: Yep that's right.

Qin: Good times. And fun ones.

Applejack: They sure were.

Me: Yeah that as a good one. Also Nico lets go on a camping trip next week for one of our missions.

Nico: Good idea. We'll have to decide on that later.

Eli: Yeah.

Xenia: Yeah.

Me: But that was a great camping trip and we met Uta and Hibiki as well as Sailcat.

Nico: Yep.

Camie: That was fun.

Me: But that was amazing seeing Uta and Hibiki's world.

Shanan: No kidding! That bubble Tokyo was in was massive.

Eli: It sure was!

Nico: And we fought Gorizilla.

Chloe Bourgeois: Even though that was a clone it still was awesome.

Girl Jordan: It sure was.

Lincoln: No kidding.

Leeli: Yeah that was awesome.

Me: And the neat part is that Lynn felt right at home under that huge bubble. She loves Parkour.

Xenia: Boy she had a lot of fun there.

We laughed.

Me: Yeah that was awesome to see.

Lana: I'll say!

Nico: Yeah. But awesome dodgeball game guys.

Me: Thanks.

Nico: What do you guys wanna do now?

Me: Hmm. Want to go to Phoenix Land?

Nico: Good idea.

Sakura Knudson: I've never been to the awesome amusement park you guys built.

Me: You will love it sis. It's so fun.

Lincoln: It sure is.

Nico: Great idea! Lets go.

We were off to Phoenix Land.

We arrived at Phoenix Land.

Nico: Here we are!

Sakura Knudson: Wow!

Me: Welcome to Phoenix Land sis.

Qin: We always have fun at Phoenix Land.

We went in.

Camie: Always love coming to Phoenix Land.

Wallflower Blush: Me too.

Alice Kingsleigh: (British Accent) Boy this is an amazing park.

Me: It sure is Alice.

Pinky: What is?

BLANG!

Brain bashed him on his head with a pencil.

Brain: Shut up stupid.

Pinky: (LAUGHS STUPIDLY) NARF!

WHAT AN IDIOT!

Nico: Where should we go first?

Lincoln: Roller Coaster.

Nico: Good idea.

Rainbow Dash: I'll go with Linky on that one.

Me: Go for it R.D.

Lincoln: Okay.

They went onto the roller coaster and it was called THE FLAMING PHOENIX OF FURY! It was a brand new roller coaster that we built.

Nico and me gulped.

They got into the car.

Employee #3: Have fun. [presses the 'GO' button again. They all take off but their wrapping and helmets have come off]

Lincoln: [when they get to the top, it stops for a moment] Goodbye, Rainbow Dash.

Rainbow Dash: Goodbye, Linky!

[Coaster starts again, dropping and going around many loops and tunnels and they had a lot of fire in them and they through a saw, a flaming fist, a log ram, a wrecking ball, flamethrower blasts, jumping sharks, lightning blasts and a laser. When the coaster drops at a 90 degree angle, Lincoln and Rainbow Dash's skeletons fly through the air while their bodies go down with the coaster. Their skeletons fly into them as they go up, out of the sky and into space, but when they sit up, they have the other one's skeleton. The coaster drops into the ground, causing an explosion.]

KRABBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

They came back and it stopped.

They got out.

Superman: You okay?

Rainbow Dash: THAT WAS AWESOME!

Lincoln: YEAH!

Employee #3: Hey, hold it right there! You forgot these.

Lincoln and Rainbow Dash: Our spines! [grab their spines]

Sakura Knudson: GEEZ! That ride causes spine loss!?

Nico: Yeah it sure does.

Earth: Me, Lincoln, Clyde and Syd went on this ride once and our spines fell out.

Eli: OUCH!

Lincoln: Yeah! [when they grab them, they start to wiggle their bodies and then bend them backwards. They laugh]

Me: We better fix you two up before we get to work on facing the Anothers.

We had them laying on the table.

Me: At least R.D.'s spine is easy to identify.

It had a rainbow glow around it.

Nico: Hold still.

We put them back in.

Lincoln: (WINCES) So how did you like the roller coaster Rainbow Dash?

Rainbow Dash: It was really awesome!

Me: Glad you two had a lot of fun.

Sakura Knudson: Boy that roller coaster did a number on them.

Lily: It was really very much like what happened with SpongeBob and Patrick when they first went on the Fiery Fist Of Pain. They were scared to go on it because they didn't want to disappoint each other.

Nico: Yep. But they conquered their fears in the end.

Laney: They sure did.

We got them healed up.

Me: There. Careful guys. You're going to be sore for a while.

Rainbow Dash: But that was so fun.

Lisa Loud: Indeed. Glad you guys had an enjoyable time.

Camie: That was so awesome seeing that though.

Superman: It sure was.

Copper Cranium: Glad you guys are okay?

Lincoln: Thanks Copper Cranium.

They got up and we got them adjusted to walking.

Lana put ice bag belts on them.

Nico: Wait. Someone besides the Another MOE members is here.

Eli: He's right. I sense it.

Me: Wait look!

We saw a girl that half man and half killer whale!

Me: Whoa a female Orca Gene-slammer!

Nico: Whoa!

Camie: That is cool!

Xenia: Yeah.

Me: Lets go see.

We went over.

Nico: Hiya!

Killer Whale: (GASP) (Norwegian Accent) Nico!

Nico: That voice. Jonah Thule!?

Qin: Oh my god! This is crazy that our favorite muscle bodybuilder would turn into this.

Nico: Yeah! I loved Jonah. She's a great bodybuilder. She has the strength of 40 men in her.

Me: Wow! That's awesome.

Jonah Thule: I know. I hate this form.

Me: Paradigm did this to you.

Nico: Yeah he sure did.

Lola: Yeah Jet and Jetta were turned into this too.

Nico: Yep.

Maria: Are you strong as the Hulk?

Jonah Thule: Not that strong but I can lift up 1,000 pounds.

Me: Whoa that is strong! Impressive.

Xenia: Yeah.

Lincoln: It sure is.

Me: What do you say we revert you back now?

Jonah Thule: I would like that.

Me: Okay but I have to warn you though. It's going to hurt really bad.

I put on my blind man glasses.

Jonah Thule: I'll try and handle it.

Me: Okay.

The boys covered their eyes.

Me: Okay ready?

Jonah Thule: I'm ready.

Me: Here we go. (SNAPS FINGERS)

I snapped my fingers and she doubled over in excruciating pain!

Jonah's muscles were shrinking

Jonah Thule: IT HURTS SO MUCH!

Me: It'll be over in a few seconds!

Qin: Yeah!

Then she reverted back and she was a girl that had black hair and blue eyes and had a strong physique and she was back to normal.

Nicole went over and put a blanket on her.

Jonah Thule: (GROAN) That really hurt.

We got her to a table.

Jonah saw her hands.

Varie: You're back to normal.

She saw her face and she gasped.

Jonah Thule: I'm back to normal!

Jonah saw that she was naked.

Jonah Thule: Oh man! I ripped out of my clothes.

Rarity: Don't worry darling. We can fix this.

They gave her an awesome new set of clothes. She had blue gym clothes on.

Jonah Thule: Oh wow! That's better. (Stomach growls) Boy I'm starving. Got any steaks?

Me: Sure. (Spins Magisword Bracelet)

STEAK BUFFET MAGISWORD!

I gave her a steak buffet.

Jonah Thule: Oh boy!

She got to eating.

May: What were you doing before being Gene Slammed?

Jonah Thule: I was working out at the gym and lifting weights and then this dart hit me. I went to the bathroom and came out looking like that.

Nico: Ouch.

Xenia: Yeah.

Lola: But at least you're back to normal.

Jonah Thule: I sure am.

Jonah ate 15 steaks and licked the bones clean.

Jonah Thule: Ahh. (BURPS) Oh excuse me. Thanks for the grub.

Me: You're welcome.

Qin: She always loved piling on the protein.

Crag: Anyone that loves that much steak is great in our books.

Rip: You got that right Crag.

Nico: You know you can transform at will now, right?

Jonah Thule: I can?

Me: Yep. All the gene-slammers we know have that power. You do too.

Jonah Thule: Awesome!

Qin: Yep.

Xenia: Awesome.

Eli: And guys, I found Swartz's Creations. We have Another Buzz Buzzard, Ms. Meany, Wally Walrus and Dooley as well as Another Copper Cranium and Pinky & The Brain.

We gasped!

Qin: Whoa!

Me: Looks like Amy Woody Woodpecker is going to get her shot at all 4 of them. Dooley can be her MAIN archenemy and the other 3 will be for part of a group.

Nico: Good idea! And she can have Splash Woman, Woody Woodpecker and Nene Amano help her too.

Qin: Perfect!

Nico: Let's call them in then.

Maria did so.

Then flying in came Splash Woman, Woody Woodpecker and Nene and Amy Woody Woodpecker.

Amy Woody: Here we are guys!

Splash Woman: Ready for some buttkicking!

Woody Woodpecker: And we're ready for some action and grub.

Nico: Here they come!

We saw 4 figures and they were Another Buzz Buzzard, Ms. Meany, Wally Walrus and Dooley!

Nico: Another Buzz Buzzard, Ms. Meany, Wally Walrus and Dooley!

Me: This will be good.

Amy Woody: And who are the 4 Anothers for us?

Another Buzz: (In a girls voice) (Seductive voice) I believe that J.D. Knows me.

They merged back together and reverted back and she was a sexy maid girl with black hair and was in an awesome maid outfit and she was hot!

Me: (GASP) Salena Roselina! Hello beautiful.

Salena Roselina: Fancy meeting you guys here.

Nico: Who's the smoking hot maid?

Me: She's more than just a maid, she is a really hot member of the family and is a really friendly maid and makes great food too.

Nico: Wow! That is cool!

Me: Oh yeah.

Nico: We treat maids with respect.

Me: And we love them all like our family.

Salena Roselina: I'm glad you think that.

Amy Woody: Sorry we have to fight like this.

Salena Roselina: No worries. The rest of the Anothers are friendly too.

Me: We were just about to ask that.

Nico: Yeah.

Girl Jordan: First lets separate you from all those Anothers.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background.

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

She glowed and was separated from all 4 of the Anothers and I brought Salena over.

Amy Woody: Time to kick some bad guy butt!

Woody Woodpecker: Oh boy! This will be fun!

Splash Woman: It sure will!

Nene Ameno: You got that right!

They fired waves of energy, fire, water, darkness and lasers and blasted them down and then…

KRABBBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

They all exploded!

I caught the Wonder Ride Books.

Nico: Nice!

Me: Awesome job guys!

Amy and Woody: HEHEHEHEHE! HEHEHEHEHE! HEHEHEHEHE! EHEEHEHEHEHEHEHEHEHE!

Nico: Two left already!?

Me: Yep.

Shizuka: Another Copper Cranium next.

Qin: Yep.

Shizuka: And it's my turn.

But then…

BLANG!

A giant copper skull smashed Nico on his head!

Nico was knocked down and he had a nasty Lump on his head!

Me: GEEZ!

Nico: I'm okay!

Varie put an ice block on his head.

Nico: Thanks Varie. OKAY WHO IS THE WISEASS!?

Me: Look!

We saw a dark version of Copper Cranium. It was ANOTHER COPPER CRANIUM!

Me: Another Copper Cranium!

Xenia: Boy this one has a really nasty headbutt.

Lola: Yeah!

Another Copper Cranium: (In a girls voice) Sorry. Couldn't help it. It comes with the form.

Me: Colleen Copper!? Whoa!

She reverted back and was a girl with orange hair, orange eyes and orange clothes.

Nico: Wait the famous solar powered battery charger inventor?! Whoa!

Colleen Copper: That's right. Awesome to meet you guys.

Nico: Same here.

Shizuka: Awesome. Sorry we have to fight like this.

Lincoln: I got this.

He fired a wave of light and separated her from Another Copper Cranium.

Shizuka: Now for this.

She jumped and slashed him and he exploded!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMM

I caught the Wonder Ride Book and it was called The Copper Princess and the Skull Smashing Buttface.

Me: Fitting.

Copper Cranium: HEY! I'm no buttface!

Maria: Time for some Backup! (Turns Dial) WYKKYD FORCE 6!

She summoned Kyd Wykkyd, Black Baron, Hades Beast Manticore, Scarlet, Big Top Werewolf and Ice Kate & Kid Kold.

Nico: Awesome!

Kyd Wykkyd: Lets get ready for some fun.

Nico: There they are!

We saw ANOTHER PINKY AND THE BRAIN!

Pinky: EGAD BRAIN! They look like us.

Brain: Pinky are you pondering what I'm pondering?

Pinky: I think so Brain. That we should run away?

BLANG!

Brain bashed him on the head with a tire iron.

Pinky: (LAUGHS STUPIDLY) NARF!

WHAT A BRAINLESS DOPE!

Brain: No you stupid moron! We fight this one.

Another Brain: (In a girls voice) I hate being mice.

Me: (GASP) Anita Vallance!

She reverted back and was a girl that had blond hair and blue clothes and had a white lab coat.

Anita Vallance: Awesome to see you J.D.

Me: You too. Anita is a scientist and she is always trying to invent new things to help further bring world peace.

Brain: Wow! That is amazing.

Kaito: (gets out Zi O gear) Did Swartz promise you anything?

Zocks: (gets out Zero One gear) Because we can grant it instead.

Kaito got a Zi-O Sword and Zocks got a Zero One Sword.

Anita Vallance: I want to bring world peace.

Me: Well that is going to be a challenge. Evil always tries to find a way and as long as evil exists in this universe there will NEVER be such a thing as true peace. It's why it's always a constant and eternal battle.

Anita Vallance: I know. But I'm trying to find a way to make that happen.

Xenia: I know you can do it.

Anita Vallance: Thank you.

Me: Sorry we have to fight like this though.

Anita Vallance: I know.

She turned into Another Pinky & The Brain!

Sougo: (gets out Zi O II Ridewatch) How does it feel being split into 2 like that?

Rider Time! (Synthesizer tone) Kamen Rider~! (Rider~!) Zi-O! (Zi-O!) Zi-O~! II!

Geiz: (gets out Vulcan Ridewatch) Does it divide your mind?

Sougo became Zi O II while Geiz got VulcanArmor.

Another Brain: Nope. It feels strange but it's twice the smarts.

Me: Wow.

Xenia: Yeah.

Nico: This is going to be like trying to take over the world. (LAUGHS) Funny. (ACTIVATES PINKY & THE BRAIN'S RIDEWATCH)

He fired laser blasts and smashed her down.

Nico: Time to bash some skulls! (ACTIVATES COPPER CRANIUM'S RIDEWATCH)

He got a huge copper skull on a spring and then he launched it and bashed her down!

May: Nice! Now here is this! (ACTIVATES UNIVERSE 666 ARC'S RIDEWATCH)

She fired red lasers and blasted her down.

May: Time to burn! (ACTIVATES UNIVERSE 666 AZULA'S RIDEWATCH)

She did powerful Firebending moves and fired blasts of blue fire and blasted her down!

Maria: Taste the power of the most notorious traitor of Cybertron! (ACTIVATES UNIVERSE 666 LIVE ACTION STARSCREAM'S RIDEWATCH)

She turned into an F35 Jet with her water powers and blasted her down.

Maria: And this! (ACTIVATES UNIVERSE 666 LOTSO'S RIDEWATCH) (Sniffs) Mmm! I smell like strawberries. Fragrant.

Me: That one only makes you smell sweet like Strawberries.

Shizuka: My turn! (ACTVATES COPPER CRANIUM'S RIDEWATCH)

She got a skull helmet and fired a copper skull and bashed her down!

Anti-Wanda and her team with Cajun Fox, Sharpclaw, Joe the Fish, Willy Weasel and Noodleman came.

Nico: Nice team Anti-Wanda.

Anti-Wanda: Thanks y'all. It's great for this.

Cajun Fox: Ooowee! This will be good!

Nico: Yeah it will!

Maria: Where's the next Gene Slammer?

Me: Wait look!

We saw a figure and it was an Yveltal!

Nico: WHOA!

Me: Yveltal the Pokemon of Destruction!

Xenia: Oh boy.

It landed.

Yveltal: (In a girls voice) Boy these two will be easy to beat.

Nico: Yvette Edmunton!?

Me: The destroyer and executioner of evil!?

Yveltal: Yep.

She reverted back and was a girl that had red hair and red and black clothes and had Yveltal's wings and had the kanji for Destruction in the middle of her forehead and she had a team symbol called Team Destruction on her skirt and she had a sword of Yveltal in her hands.

Yvette Edmunton: I got this!

Lincoln fired a beam of light and separated Another Pinky and the Brain from Anita and Yvette fired a beam of red energy and turned the Another Pinky and The Brain to stone. The Ridewatch appeared in my hands and I purified it.

Anita Vallance: Whoa! That was amazing!

Yvette Edmunton: Yeah it sure was!

Shizuka: What's your favorite memory of Nico?

Yvette Edmunton: When me and Nico found thousands of Mafia members from all over the world gathered in one powerful syndicate and then we destroyed them all in one fell swoop.

Me: Wait you 2 did that? That was an event called the Great Mafia Purge. Over 20,323 mafia men from all over the world were caught in one day, easily shattering the record for the largest ever mass arrest.

Nico: Yep.

Qin: HOLY CRAP! I remember that.

Xenia: That is cool!

Nico: Yep.

Nico and Yvette hugged.

Nico: I've really missed you.

Yvette Edmunton: Me too Nico. Me too.

Brain: (sees the statue of Another Brain) Now, there's a handsome devil.

Me: Yeah it sure is. We can add these two to our garden.

Nico: We sure can.

Lola: Yeah!

Nico: Yep.

We went and did so and went back home. We told everyone everything and it was awesome.

Lincoln made each member beautiful necklaces with their favorite colors, and to show thanks, they each kissed Lincoln on the lips. They hate the jerks, along with Lori, Luan, Lynn, Lola, and Lisa with a passion. Their members are

Lucky Lily Fruitshine, Gene-Slammer of Sky Striker Ace - Camellia, she's Lincoln's Guardian Angel from Nevada and classmate in History. Lucky Lily Fruitshine's also one of the fastest gunners among Lincoln's Guardian Angels, and she taught Lincoln on how to shoot with incredible speed and precision, and she also has an American Quarterhorse Jolly Jumper III. Lincoln made Lucky Lily a very beautiful necklace, and to show thanks, she kissed Lincoln on the lips. She's also the great great great great great granddaughter of Lucky Luke, and shockingly, she's also Applejack's cousin and she hates Lori with a passion.

Phoenix Allura, Gene-Slammer of Thestalos the Shadow Firestorm Monarch, she's Lincoln's Guardian Angel from Arizona and classmate in Gym. She protects Lincoln from Lori, Luan, Lynn, Lola, and Lisa at their worst single-handedly. Heck, when they insulted Lincoln to such a degree, she just went and beat the crap out of them and left them thrown straight into massive pile of dirty jockstraps thus leaving with a dire warning: DO NOT PISS HER OFF! To show thanks for protecting him, Lincoln kissed Phoenix Allura on the lips and even made her a necklace with her favorite colors. She's also the granddaughter of Yosemite Sam, and she hates Luan and Lynn with a passion.

Jenna Li, Gene-Slammer of Dogmatika Alba Zoa, she's Lincoln's Guardian Angel from China and classmate in Math. And Mana Oyama, Gene-Slammer of Supreme Celestial King Odd-Eyes Arc-Ray Dragon, she's Lincoln's Guardian Angel from Japan and classmate in Math. She would protect Lincoln from those would try to harm him, especially Pablo, Anderson, Hawk and Hank. She even taught Lincoln her great grandfather's Martial Art. To show thanks for protecting him and teaching him, Lincoln made Mana a beautiful necklace and kissed her on the lips with a passion. She's the great granddaughter of Mas Oyama, and she hates the jerks especially Pablo, Anderson, Hawk, and Hank with a passion.

And even worse, they've been kidnapped by Trina Riffins, who's broken out of her post and is literally on the warpath causing destruction and havoc in Nevada, and she's literally out for blood, and she wants to kill them and the next set of girls there to slake her thirst for blood. But, we're going to take that rage-crazy, demonic Spawn of Satan down and send her back to Lynn's Table chained to her post with Neutronium Chains lined with rainbow energy.

Lincoln: Whoa, we're here in Nevada, and I know what we're going to do here, not only am I going to the six girls here, but I'm also going to rescue four of my Guardian Angels here, they are known as The Heroes of The East and West, a club that protected the world from dangerous villains such as Team Rocket and many others, and I'm also a member of The Heroes of East and West club, and we even worked with many other hero teams against the other villains and protecting the world. I made each member beautiful necklaces with their favorite colors, and to show thanks, they each kissed me on the lips, and they hate the jerks, along with Lori, Luan, Lynn, Lola, and Lisa with a passion.

Me: Ooh, now these girls sound like true heroes of the Old West

Nico: And the Far East.

Selene Arcangela took out their photos: two of them are girls with cowboy hats and clothes on: those are The Heroes of The West, and the other two girls are dressed in clothes from China: The Heroes of The East

Selene Arcangela: That's right. The first of the four other members is Lucky Lily Fruitshine, Gene-Slammer of Sky Striker Ace - Camellia, she's Lincoln's Guardian Angel from Nevada and classmate in History. Lucky Lily Fruitshine's also one of the fastest gunners among Lincoln's Guardian Angels, and she taught Lincoln on how to shoot with incredible speed and precision, and she also has an American Quarterhorse Jolly Jumper III. Lincoln made Lucky Lily a very beautiful necklace, and to show thanks, she kissed Lincoln on the lips. She's also the great great great great great granddaughter of Lucky Luke, and shockingly, she's also Applejack's cousin and she hates Lori with a passion.

Me: No way, Lucky Luke is one of my many heroes of the Old West, and Dad's too.

Applejack: Why, I haven't seen Cousin Lucky Lily in a long time, and she's Lincoln's Guardian Angel?! Oh man, are the rest of the family going to be in for the surprise of a lifetime!

Lincoln: They sure are, Applejack.

Selene Emperyous: The second member is Phoenix Allura, Gene-Slammer of Thestalos the Shadow Firestorm Monarch, she's Lincoln's Guardian Angel from Arizona and classmate in Gym. She protects Lincoln from Lori, Luan, Lynn, Lola, and Lisa at their worst single-handedly. Heck, when they insulted Lincoln to such a degree, she just went and beat the crap out of them and left them thrown straight into massive pile of dirty jockstraps thus leaving with a dire warning: DO NOT PISS HER OFF! To show thanks for protecting him, Lincoln kissed Phoenix Allura on the lips and even made her a necklace with her favorite colors. She's also the granddaughter of Yosemite Sam, and she hates Luan and Lynn with a passion.

Nico: (GASPS) She's Yosemite Sam's granddaughter?! Whoa!

Me: I've heard her cursing when she was thrashing Lori, Lynn, Lola, Lisa, and Luan, she definitely has her grandfather's swearing habit.

Michelle Emperyous: She sure does. The third member is Jenna Li, Gene-Slammer of Dogmatika Alba Zoa, she's Lincoln's Guardian Angel from China and classmate in Math. Jenna's an incredible martial artist and has protected Lincoln from bullies, and Jenna has even protected him from Lori, Luan, Lynn, Lola, and Lisa as well. Lincoln made Jenna a pink necklace, and to show thanks, she kissed Lincoln on the lips. She's the granddaughter of Jet Li, and she hates Lola and Lisa with a passion.

Nico: That's so awesome! Her grandfather is one of the most incredible martial artists, and I've seen all his films, and Lincoln, you have no idea how lucky you are to have a member of Jet Li's family as one of your Guardian Angels.

Me: He's going to be related to Jet Li soon in the future.

Laney Emperyous: We'll have to find a way to get in touch with him. And the last member is Mana Oyama, Gene-Slammer of Supreme Celestial King Odd-Eyes Arc-Ray Dragon, she's Lincoln's Guardian Angel from Japan and classmate in Math. She would protect Lincoln from those would try to harm him, especially Pablo, Anderson, Hawk and Hank. She even taught Lincoln her great grandfather's Martial Art. To show thanks for protecting him and teaching him, Lincoln made Mana a beautiful necklace and kissed her on the lips with a passion. She's the great granddaughter of Mas Oyama, and she hates the jerks especially Pablo, Anderson, Hawk, and Hank with a passion.

Nico: Mas Oyama, the founder of Kyokushin Karate which is considered the first and most influential style of full contact karate?! Whoa!

Lincoln: She taught me all about Kyokushin Karate, and I mastered it well.

Eli: And I can't believe it, they've been kidnapped by Trina Riffins, who's broken out of her post and is literally on the warpath causing destruction and havoc in Nevada, and she's literally out for blood, and she wants to kill them and the next set of girls there to slake her thirst for blood.

Lincoln: I knew that bitch would one day break out. But, we're going to take that rage-crazy, demonic Spawn of Satan down and send her back to Lynn's Table chained to her post with Neutronium Chains lined with rainbow energy.

Me: But, not before we give her the beating of her miserable life.

Batman: First, we should rescue The Heroes of The East and West before Trina gets her chance to kill them.

Lincoln: Right, Bruce.

Lincoln sensed for their signals, and he found them in a nearby barn, but Trina had them tied up, and she's going to fire machine guns at them, and she's laughing malevolently. We flew over to the barn and Lincoln kicked the doors down.

Lincoln: GET YOUR UGLY CLAWS AWAY FROM MY GUARDIAN ANGELS, YOU RAGE-CRAZY SPAWN OF SATAN!

Trina Riffins: (LAUGHING MALEVOLENTLY) DIE, DIE, DIEEEEEEEEEEEEEEEE!

Trina Riffins triggered the machine guns to fire and she was laughing like a malevolent deranged and out-of-control bitch, but Lincoln used his superhuman speed and reflexes to catch all the bullets, and Trina's deranged laughter died down, and Lincoln growled in anger. Then, he flew right at Trina and punched her so hard, he sent her flying out of the barn and she crashed through the wall. Then, he untied Lucky Lily Fruitshine, Phoenix Allura, Jenna Li, and Mana Oyama, as they reverted back and they indeed look like the girls in the picture, but they also have on long white sleeveless trenchcoats.

Lucky Lily Fruitshine: Hoowee, Lincoln, is that you?!

Lincoln: Yep, it's me, Lucky Lily.

Phoenix Allura: Sweet cactus juice, you sure have had quite a massive growth spurt, and you grew into quite the man that you've become.

Jenna Li: Indeed, and we must thank you for saving us from that malevolent monster.

Mana Oyama: Yeah, she was absolutely crazy and out of control!

Lincoln: But, she's not done yet, Mana, Trina's bound to come right back for more!

Me: But, we're ready for that bitch!

Suddenly, we saw a very beautiful and super sexy girl with long aqua blue hair and aqua blue headband, aqua blue eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful aqua blue angel wings, she's dressed in a white short-sleeved blouse, sleeveless aqua blue top, necklace with pearls and aqua blue gem for the pendant, long ankle-length white skirt, white bridal gloves, black knee-high high-heeled boots with butterfly buckles, and long white sleeveless trenchcoat with water, ocean waves, sea creatures, and angels on the coattails and on the back is Poseidon, and holstered on her back is a massive Poseidon-themed greatsword with embedded blue gems and Poseidon etched on the 7'0" massive, wide, double-edged midnight black blade, large aqua blue dolphin heads for the crossguard, large white angelic faces embedded on both sides of the hilt with blue gems embedded in their foreheads, longer midnight black handle, four large white angel heads and large blue gem on the bottom of the large white angel heads for the pommel, and with her are the six girls.

Selene Arcangela: (Gasps) The water and sea creature motif on the sleeveless trenchcoat, you're one of the daughters of the Olympian Gods and Goddesses.

Blue-Haired Girl: That's right, and I got the girls away from that malevolent Spawn of Satan who was about to kill them, she's lucky she doesn't suffer the wrath of my father, Poseidon.

Lincoln: (Gasps) That voice, Aurora Poseidon, I knew it was you!

?: (ENRAGED DEMONIC SCREAMING) I WILL KILL EVERY LAST ONE OF YOU FOR HUMILIATING ME!

We then saw Trina Riffins coming right back at us for more, and now, she was out of control and out of her mind!

Sylvester: Alright, I've just about had it up to hear with your out-of-control temper!

Sylvester unholstered his Sylvester's Blood-Soaked Vampiric Demon Darkness Greatsword of The Dracul and transformed into Super Angel-Cat-Vampire-Acme Dark Knight-Harmony Universal Eternal Celestial Xelnaga Darkness Looney Tune Feline Demonic Darkness Vampire Cat Angel of Divine Darkness Looney Tune Feline Demonic Darkness Vampire Cat Justice and Divine Darkness Looney Tune Feline Demonic Darkness Vampire Cat Death.

And due to the curse still on Trina, tons of gold coins, jewels, gems, and other currencies exploded out of her, and Lincoln thrashed her with his eleven massive and long white wolf tails. Then, Lincoln slashed open a portal to Lynn's Table and he fired a rainbow energy blast which hit Trina Riffins and she went through the portal and was tied back to her post with Neutronium Chains lined with rainbow energy as she screamed with extreme rage and out-of-control anger as the portal closed. We cheered as we holstered our weapons and powered down.

Lincoln: That'll teach you to never come after my Guardian Angels, my harem, my friends, family, and my kids, you rage-crazy, psychopathic bitch!

Nico: You tell her, Lincoln!

Me: She tried to kill your Guardian Angels, she's just lucky Nico didn't ask you to take the curse off her and kill her!

Lincoln: Like I said, death's too kind for Trina, she deserves to suffer for everything she's ever done.

Suddenly, Lincoln was then pounced on by Lucky Lily Fruitshine, Phoenix Allura, Jenna Li, and Mana Oyama, and they kissed him all over the place, and when they got off, Lincoln had kissy marks on his face, massive and muscular body, and eight-pack abs, and he had an atomic red blush on his face, hearts in his eyes, and steam whistling out of his ears.

Applejack: Hoowee, Cousin Lily, you and the others sure were planning on giving our man a reward for saving y'all from Trina!

Lucky Lily Fruitshine: We sure were, Cousin Applejack. (Giggles)

And we can see how much he liked that reward.

Lincoln got back up.

Lincoln: I was expecting that move all too well, Lucky Lily, next time though, I'll be ready. (To Aurora Poseidon) And it's so good to see you and The Heroes of The East and West again, Aurora Poseidon.

Aurora Poseidon: You too, Linky, it's been such a long time.

Lincoln went up to Aurora Poseidon and he hugged her, and Aurora Poseidon is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, fine hair on his massive forearms and short stubble on his jawline, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you nine since you were seventeen, and as you can see, I really grew a lot since then.

Aurora Poseidon: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 17-year-old 7'9" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, fine hair on your massive forearms and short stubble on your jawline and many accessories, that's really new, along with getting He-Man's chest harness. You've really really grown a lot in height and become a man, but you're still the same kind boy from long ago. Plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and he's become truly immortal.

Me: And Lincoln, you know this sexy mama?

Lincoln: Indeed I do, J.D., this is Aurora Poseidon, Daughter of Poseidon, Greek God of The Seas, she's my Guardian Angel from Greece mainly the legendary Mount Olympus, and like her father, she's a Goddess of The Sea and has all her father's powers of water and the seas, and she's immortal, and she's also extremely beautiful and sexy. When she and I met, there was indeed quite the attraction that turned into true love and she swore to protect me from those who sought to do me harm, and her targets were none other than Flip, Lewis Travolta, Scoots, Hawk, Hank, Pablo, Anderson, Chandler, Artie, Trent, and Killjoy Huggins, his enemies, and she also swore to protect me from Lori, Lynn, Lola, Lisa, and Luan.

Selene Emperyous: And she's really good friends with Luna, and she's also an awesome swimmer. Lincoln and Aurora helped Luna with her gigs and they accompanied her, Sam, Sully, and Mazzy during their concerts and gigs, and Aurora also helped in teaching Lincoln and Luna in everything that she knows when it comes to water. Lincoln made Aurora a beautiful necklace with blue gem for the pendant, along with a white short-sleeved blouse, dark blue sleeveless top, long ankle-length white dress skirt, and white bridal gloves, and to show thanks, Aurora kissed Lincoln on the lips underwater when they were swimming in Lake Huron.

Nico: Ooh, a romantic swim at Lake Huron with the daughter of Poseidon, that's quite a date.

Me: It sure was, and she hates Luan with a blazing passion because Luan absolutely hated Aurora for always defending Lincoln whenever she along with Lori, Lola, Lisa, Lynn, along with the rest of Lincoln's enemies plotted to kill him, and Selene Arcangela told Aurora everything about what that evil prankster has done to him especially on April Fools Day, and during a gig Luna, Sam, Sully, and Mazzy were having at Lynn's Table, Aurora and Lincoln were there with Luna, and during the concert, Luan triggered her pranks, and Luna, Sam, Mazzy, and Sully's instruments and amps exploded and she also triggered cannons that fired tomato paste at the Moon Goats and at the audience, and they saw Luan come out of there laughing like an out-of-control homicidal lunatic, and she was about to unleash one of her lethal pranks and kill Luna, Aurora, and Lincoln, until Lincoln and Luna snapped, and he and Luna attacked her with a dangerous ferocity, and they and Aurora blasted her with waves of water, and they also pounced on and kicked the tar out of that lunatic, and Lincoln fired red energy waves from his massive white angel wings and tied her up in a red energy straitjacket, and when he alerted the rest of his family of what Luan did, Luan got herself grounded for seventeen weeks, and Luan was tied up in a straitjacket and she was then thrown inside a padded cell container by Luna herself and Luan was laughing like a psychotic nut job.

Laney: And boy, did I remember that incident all too well, Luan went way too far that day!

Nico: (Gulps) Thank God Connor never went out of control with his pranks, despite he had his Dark Side in him.

Lincoln: Trust me, what Luan did that day literally pales in comparison to whatever kind of horrible prank Connor pulled on you, Alicia, and Mindy, Nico. And now that you, Lucky Lily, Phoenix, Jenna, and Mana are here, Aurora.

Lincoln first went up to and hugged Lucky Lily Fruitshine in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with

elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Then, Lincoln went up to and hugged Phoenix Allura in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Then, Lincoln went up to and hugged Jenna Li in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Then, Lincoln went up to and hugged Mana Oyama in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with

aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

And finally, Lincoln went up to and hugged Aurora Poseidon in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Aurora Poseidon: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, four Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Lucky Lily Fruitshine, Phoenix Allura, Jenna Li, Mana Oyama, and Aurora Poseidon with colored gems on the gold lightning bolts and colored crystal links from her merged Crystal Necklace of The Buddha along with four Elemental Thunderbird Chokers of Eternal Love on their necks.

Lucky Lily Fruitshine, Phoenix Allura, Jenna Li, Mana Oyama, and Aurora Poseidon: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Lucky Lily Fruitshine, Phoenix Allura, Jenna Li, Mana Oyama, and Aurora Poseidon.

Lucky Lily Fruitshine, Phoenix Allura, Jenna Li, Mana Oyama, and Aurora Poseidon had a smile on their faces and tears in their eyes as Lincoln still had his abnormally massive and powerful muscular arms around them, and he leans down to each of their faces and he kissed each of them passionately on the lips, and they also returned it, and we cheered for them. Then, we went up to the six girls, and when Lincoln saw who they were, he immediately recognized them. The six girls are Aoi Wakakusa, Hiyori Aisawa, and Karen Amamiya from After School Secret and Ai Ichinose, Miki Shiina, and Yuuna Tomioka from After School Secret 2.

Lincoln: Oh wow, it's Aoi Wakakusa, Hiyori Aisawa, and Karen Amamiya from After School Secret and Ai Ichinose, Miki Shiina, and Yuuna Tomioka from After School Secret 2.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Aoi Wakakusa: Yes, we're okay, thanks to you.

Aoi Wakakusa: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made five clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene.

Aoi Wakakusa: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, six Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Aoi Wakakusa, Hiyori Aisawa, Karen Amamiya, Ai Ichinose, Miki Shiina, and Yuuna Tomioka with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to The World Tree Estate, and the rest of the team were shocked to find out the villain we went after was our old enemy, Trina Riffins, who broke out of her post and was literally on the warpath causing destruction and havoc in Nevada, and she's literally out for blood, and she wanted to kill the girls and four of Lincoln's Guardian Angels, Lucky Lily Fruitshine, Phoenix Allura, Jenna Li, Mana Oyama, and Aurora Poseidon, and the next set of girls there to slake her thirst for blood.

But, when Lincoln showed what we did in giving that psychopathic rage-crazy Spawn of Satan the beating of her miserable life and Lincoln opening a portal to Lynn's Table and blasting her with a rainbow energy blast that sent her back to her post at the restaurant and chained with Neutronium Chains lined with rainbow energy, everyone cheered and hugged us and Lincoln's harem kissed him all over, and they had steam whistling out their ears. Lincoln, Lucky Lily Fruitshine, Phoenix Allura, Jenna Li, Mana Oyama, and Aurora Poseidon have a lot of catching up to do, now that they're back in town.

Maria: I can't believe that rage-crazy bitch got loose and caused all that destruction in Nevada, and when she tried to kill four of your Guardian Angels that were there?! Oh, that Trina Riffins makes me so mad!

Lincoln: I know, and after she ran out of ammo, I sent her flying with one punch. But, of course, she came back for more.

Nico: But, instead of getting her revenge, we sent her flying back to Lynn's Table, this time, tied back to her post with Neutronium Chains lined with rainbow energy. That'll teach her never to break out of her leash and go on another rampage.

Me: That's for sure, she's a mad dog who needs strict discipline.

---

After taking down Trina Riffins and sending her back to Lynn's Table, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Lucky Lily Fruitshine, Phoenix Allura, Jenna Li, Mana Oyama, and Aurora Poseidon saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her faces, hearts in her eyes, and her nose was bleeding.

Lucky Lily Fruitshine: Hoowee, I was right that Lincoln's really grown into a 17-year-old, 7'9" tall, really big, handsome, and really strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever.

Aurora Poseidon: He's definitely been bodybuilding and working out for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the body that all bodybuilders could only dream of.

Jenna Li: If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Phoenix Allura: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Aurora Poseidon: Oh man, I knew it was only a matter of time before he told everyone that story.

Nico: Yep. So, Aurora, what's the story on that whole incident Lincoln mentioned, and of how you, Luna, and Lincoln took down Luan after she triggered her pranks on The Moon Goats?

Aurora Poseidon: I was hoping you'd ask that, and it's something we all remember all too well.

Aurora Poseidon pulled up a video and it played on the screen, and it shows Lincoln and Aurora Poseidon with Luna and her friends at a gig at Lynn's Table. But, they were unaware that earlier before the gig, Luan had booby-trapped all of their equipment and installed cannons of tomato paste.

Then, as The Moon Goats began to play their concert, Luan peeked her head out and she was really insane.

Past Luan: Time for your performance to go out with a BANG! (LAUGHING LIKE AN INSANE MADMAN)

Luan pressed a button, and then, Luna, Sam, Mazzy, and Sully's instruments and amps exploded and she also triggered cannons that fired tomato paste at the Moon Goats and at the audience, and they saw Luan come out of there laughing like an out-of-control homicidal lunatic.

Nico, Alicia, and Mindy: WHAT THE?!

Lincoln: I told ya, whatever pranks Connor did on you guys paled in comparison to what Luan did that day.

Past Luna: DUDE, WHAT THE HECK!? YOU JUST TRASHED OUR CONCERT!

Past Luan: And now, I'm going to kill you and Aurora for always protecting Lincoln! (LAUGHING LIKE A FUCKED UP MADMAN)

Suddenly, Luan got out two cannons that she loaded with sharp knives and was about to light the fuse and fire the cannons, but, that would be a huge mistake on Luan's part. Suddenly, Lincoln's heart was pounding and his pupils shrank in pure rage and his deep sapphire blue eyes turned blood red with vampiric rage and fury, and his fangs grew longer and his claws grew sharper, and then, he absolutely lost it, and Luna's heart was pounding and her pupils shrank in pure rage, and she lost it.

Past Lincoln and Luna: (ROARING) LLLLLLLLLUUUUUUUAAAAAAAAAANNNNNNNNN!

Eli: OH… !

Nico, Alicia, Mindy, and Connor Chan: Shit!

Me: Yep, Luan was dead meat on a stick!

Luan tried to fire the cannons, but it was too late as Lincoln and Luna attacked her with a dangerous ferocity, and they and Aurora blasted her with waves of water, and they also pounced on and kicked the tar out of that lunatic, and Lincoln fired red energy waves from his massive white angel wings and tied her up in a red energy straitjacket, and when he alerted the rest of his family of what Luan did, Luan got herself grounded for seventeen weeks, and Luan was tied up in a straitjacket and she was then thrown inside a padded cell container by Luna herself and Luan was laughing like a psychotic nut job.

Past Luan: (LAUGHING LIKE A PSYCHOPATHIC NUT JOB)

Past Luna: You mess with my bro and my friends again, you whack-job, and you'll be heading for the real thing in The Lansing Maximum Security Nut House!

Aurora Poseidon and Lincoln growled in anger while Luan was still laughing like a psychopathic nut job as the video ends.

Nico: Oh man, oh God, I can't believe Luan would do something as sick and twisted as that: wreck one of The Moon Goats' concerts to kill you, Luna, and Lincoln, Aurora.

Luna: It was absolutely disgusting. Luckily, J.D. snapped his fingers and the whole place was instantly cleaned up.

Me: Yeah, but we had to keep an eye on Luan in case Dark Luan tried again.

Laney: That clown was kept on a tight leash because of that incident, and if she slipped up again, it's off to the nuthouse for good, that or we'd let the Guardian Angels who hated Luan get after her.

Lincoln: If you did that, they'd kill her because their hatred of her was so powerful, if they saw her try to kill me again, they'd kill her.

We got a shower, and then, Lincoln, Aussa the Earth Charmer, Eria the Water Charmer, Hiita the Fire Charmer, Lyna the Light Charmer, Wynn the Wind Charmer, Elemental Mistress Doriado, Windwitch - Blizzard Bell, Windwitch - Crystal Bell, Windwitch - Diamond Bell, Windwitch - Freeze Bell, Windwitch - Glass Bell, and Windwitch - Ice Bell are heading to Aquarium Park.

Hiita the Fire Charmer: Wow, so this is Aquarium Park, it sure is beautiful.

Lincoln: It sure is, Hiita, and it's perfect for our first date. Shall we?

Lincoln, Aussa the Earth Charmer, Eria the Water Charmer, Hiita the Fire Charmer, Lyna the Light Charmer, Wynn the Wind Charmer, Elemental Mistress Doriado, Windwitch - Blizzard Bell, Windwitch -

Crystal Bell, Windwitch - Diamond Bell, Windwitch - Freeze Bell, Windwitch - Glass Bell, and Windwitch - Ice Bell dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, then they went back to the beach and they also had a game of volleyball, and Aussa the Earth Charmer, Eria the Water Charmer, Hiita the Fire Charmer, Lyna the Light Charmer, Wynn the Wind Charmer, Elemental Mistress Doriado, Windwitch - Blizzard Bell, Windwitch - Crystal Bell, Windwitch - Diamond Bell, Windwitch - Freeze Bell, Windwitch - Glass Bell, and Windwitch - Ice Bell got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, but then, they saw hulking muscle-bound thugs hired by Trina Riffins coming after them, but Lincoln grabbed each of them one by one and he'd sucked out their muscle mass and strength and made them thin as rakes and completely weak and he sent them to The Black Gates forever.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Aussa the Earth Charmer, Eria the Water Charmer, Hiita the Fire Charmer, Lyna the Light Charmer, Wynn the Wind Charmer, Elemental Mistress Doriado, Windwitch - Blizzard Bell, Windwitch - Crystal Bell, Windwitch - Diamond Bell, Windwitch - Freeze Bell, Windwitch - Glass Bell, and Windwitch - Ice Bell, and they hugged the girls in their abnormally massive and powerful muscular arms, and Aussa the Earth Charmer, Eria the Water Charmer, Hiita the Fire Charmer, Lyna the Light Charmer, Wynn the Wind Charmer, Elemental Mistress Doriado, Windwitch - Blizzard Bell, Windwitch - Crystal Bell, Windwitch - Diamond Bell, Windwitch - Freeze Bell, Windwitch - Glass Bell, and Windwitch - Ice Bell placed their hands on the massive pecs of Lincoln and his clones, and then, they shared a passionate and romantic kiss. Then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face, massive muscular body, and eight-pack abs.

Nico: Whoa, looks like someone really had an awesome time at Aquarium Park, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, twelve Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Aussa the Earth Charmer, Eria the Water Charmer, Hiita the Fire Charmer, Lyna the Light Charmer, Wynn the Wind Charmer, Elemental Mistress Doriado, Windwitch - Blizzard Bell, Windwitch - Crystal Bell, Windwitch - Diamond Bell, Windwitch - Freeze Bell, Windwitch - Glass Bell, and Windwitch - Ice Bell with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Noir Wendoma: Whoa, that's so awesome!

Dharc the Dark Charmer: I knew Aussa, Eria, Hiita, Lyna, Wynn, and Elemental Mistress Doriado had feelings for Lincoln, and the Gene-Slammers for the Charmers also sensed it.

Honika Honouka: We sure did, and we're so glad to have them as part of Lincoln's harem.

Jenna: And Trina Riffins had some nerve trying to kill them, that heartless murderous bitch's just making things much worse for herself.

Serena Logan: Trina really is a murderous rage-crazy bitch to try those sorts of stunts, but just like Flip, she's just making things worse for herself.

Rarity: And trying to kill Aussa the Earth Charmer, Eria the Water Charmer, Hiita the Fire Charmer, Lyna the Light Charmer, Wynn the Wind Charmer, Elemental Mistress Doriado, Windwitch - Blizzard Bell, Windwitch - Crystal Bell, Windwitch - Diamond Bell, Windwitch - Freeze Bell, Windwitch - Glass Bell, and Windwitch - Ice Bell, now she's really going to get it.

Lincoln: And we also had a run-in with more of her hulking muscle-bound hired thugs to kill us yet again, but I sucked out their muscle mass and strength and killed them all and sent them to The Black Gates, and she should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Trina Riffins scream with extreme hatred and rage, and now, she's officially lost her mind.

Maria: Yeah, up yours, bitch!

Nico: Even after Lincoln kicked that bitch's hide, she still refuses to quit!

Lincoln: Same with Flip, Lewis Travolta, Icky Vicky, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Me: It sure is, and it's so much more fun seeing them blow their stacks!

---

Later we were watching TV and Yusuke Amamiya came in.

Yusuke Amamiya: Do you guys want to go on patrol with me?

Hitoshi: Of course we would.

Me: Sure Yusuke.

Eli: Lets go.

Qin: Yeah!

We went down to the planet surface and into the city.

Zayto: It really is a nice day today.

Me: It sure is awesome.

Qin: Yeah.

Xenia: I'll say.

Yusuke: I think it's so beautiful.

But little did we know that there was a figure stalking Yusuke.

Thrust: Yusuke, don't look now. But I think someone's following you.

Yusuke: Where?

He saw the figure stalking him.

Yusuke: All right come out now!

Me: Yeah! Don't you know that Stalking someone is illegal here!?

Nico: Come on out or we'll have Keiichiro and the PatRangers take you down by force!

Me: And kick your big ugly fucking ass!

?: Okay okay!

He came out and it was Daisuke Tsukiko!

Me: (In my head) Wait a second I remember him! That's Daisuke Tsukiko. He was another man that was essentially lost on the road of life. Oh great now I'm starting to sound like Kakashi-sensei!

Yusuke: Can we help you?

Daisuke Tsukiko: Sorry if this is sudden. I'm just trying to find what life means.

Me: Boy déjà-vu. Did you get into a falling out with one of your family members or something?

Daisuke Tsukiko: You could say that.

Taro: Wait. Weren't you following me in my delivery truck that one time?

Daisuke Tsukiko: Yes I was. Sorry about that Taro.

Taro: It's all right.

Me: Daisuke whatever happened with you we can fix it. You just got to tell us what's wrong and we can gladly help you out.

Nico: Yeah.

Yusuke: I'll gladly teach you about the meaning of life. But honestly, following me is pretty much creepy.

Daisuke Tsukiko: And for that, I'm sorry. But I need to learn about life! What is life! What is life supposed to be?!

Me: Uh oh!

With that, he was surrounded by an energy circle with the Liveman logo and turned into Choujuuki from episode 35 of Donbrothers!

---

At the amusement park, he is researching youth culture and becomes obsessed and laments he wasted his youth constantly studying to get good grades, he begins to question what youth even is and what makes it special. This burning desire and failure to get answers from other people transforms him into the Liveman Hitotsuki, Choujuuki.

The next day at Shirokuma Express, he was sitting in the cargo area asking Taro what youth is. Taro removes him from the van and insists that he stop bothering him as he is working. The young student persists on asking what youth is and Taro unleashes his brutal honesty again, saying that the student is unfocused and wasting time on nonsense. Unhappy he didn't get the answers he sought, the student becomes Choujuuki again and Taro reluctantly has to abandon his work to chase after him.

Choujuuki deletes a building with a laser as the Donbrothers arrive, with Tsuyoshi still in an angry and irritated mood having been teleported from his cell and Tsubasa in a hurry to get the fight over with to find Natsumi. Taro orders his companions to remain focused and they all charge at the enemy, only to be hit by the Youthful Slow-Mo attack and blasted back by exploding sparkles. Taro decides to experiment further with the power of the GolDon armor by equipping an Avatar on top of it, using the ToQger Avataro Gear to become GolDon ToQ 1gou.

Choujuuki tries to use the Youthful Slow-Mo again, but it doesn't affect Taro as the GolDon armor is negating the effects of the attack while the others are blasted again. Taro summons the ToQ Blaster in sword mode to dual wield with the ZanglaSword to weaken Choujuuki and then finishes him with the Laughing Peach: Festival End attack.

Choujuuki becomes Choujuuking and the team becomes GolDon Onitaijin, with the former using hand and elbow guns to try and blast the heroes. GolDon Onitaijin absorbs the shots with the GolDon Shield and sends them right back at Choujuuking. GolDon Onitaijin then ends the fight with the DonBros Utopia and purifies Choujuuking. The now purified man is energized, seemingly understanding youth and running towards the setting sun.

---

We gasped!

Me: Choujuuki the Liveman Hitotsuki!

Nico: Oh man!

Me: And I remember this guy too! He was a student that wanted to know what makes youth so special!

Nico: Whoa!

Me: Also that Youthful Slow-Mo power of his is very similar to the Slow Motion Field that the Roidmudes use. Ring any bells Shinnosuke?

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off behind us and we were ready for action!

Nico: This will be good!

Eli: YEAH! Lets get him!

Yusuke tried punching him but he used his Youthful Slow-Mo to slow him down. He then turned Yusuke around.

But just as he was about to hit him I used the Roidmude's slow motion field and slowed him to a snails pace and I teleported and kicked and pulverized him all over the place with a massive and powerful furious flurry of punches and kicks at a rapid pace and smashed him all over the place!

Nico: YEAH GET HIM!

Lola: YEAH TEAR HIM APART!

Camie: Get him!

I punched him right into a Cabbage Cart!

CRASH!

Man: (SCREAMS) MY CABBAGES!

Choujuuki: (Dazed) Mommy read me the story about the bunny and the turtle.

Then the man bashed Choujuuki all over with a baseball bat!

Choujuuki: Ow! Just who is that guy?

Aang: Someone from my world who we keep running into. Don't ask.

Choujuuki: Sounds good to me! (emits explosive lights at Aang)

I formed a force field and protected us as the lights hit it and they exploded!

KRABBBBBBBBBBOOOOOOOOOOOMMMMMM!
KRABBBBBBBBBOOOOOOOOOMMMMM!
KRABBBBBBBOOOOOOOOOOOMMMMMMMM!
KRABBBBBBBBBOOOOOOOOOOOOOOOMMMMMMMMM!
KRABBBBBBBOOOOOOOOOOOOOMMMMMMM!

When the smoke cleared we were safe.

Me: Nice try! You aren't the only one with explosive lights. DEMON DRAGON FIRESTORM!

I fired a massive barrage of fireballs from my fingertips with Omega Shenron's powers and they hit Choujuuki all over and blasted him with incredible force and fury and in fiery powerful explosions!

Nico: WHOA!

Xenia: YEAH! GET HIM!

Choujuuki shot lasers to make nearby civilians disappear.

But Eli used the Force and sent those lasers back at him and they hit him and exploded all over.

KRABBBBOOOOOOMMM! KRABBBOOOOOOMMMM! KRABBBBBOOOOOOOOOMMMMM! KRABBBBBOOOOMMMM! KRABBBBBBOOOOOMMMMM!

He was blasted all over with his own attacks!

Choujuuki: OW!

Nico: Nothing hurts worse than getting hit with your own attack.

Camie: That is for sure!

Lola: Yeah!

Choujuuki attacked Yusuke by shooting projectiles from his hands and elbows.

Yusuke dodged them and massive fiery explosions blasted out around him from each blast and Eli deflected the laser blasts with his lightsaber and they hit Choujuuki all over and exploded!

KRABBBBOOOOOOMMM! KRABBBOOOOOOMMMM! KRABBBBBOOOOOOOOOMMMM! KRABBBBBOOOOMMMM! KRABBBBBBOOOOOMMMMM! KRABBBBOOOOOOMMM! KRABBBOOOOOOMMMM! KRABBBBBOOOOOOOOOMMMM! KRABBBBBOOOOMMMM! KRABBBBBBOOOOOMMMMM!

Nico: YEAH!

Yusuke then jumped and slashed Choujuuki with his sword and cut him all over.

Tsubasa: Avatar Change!

He turned into the Yami ToQger!

Nico: WHOA!

Me: Nice!

He fired waves of energy and blasted Choujuuki all over.

Lola: Yeah!

But then a Zygarde came!

Me: WHOA! A Zygarde!

Nico: Nice! The Order Pokemon!

Lola: Yeah!

Zygarde: (In a girls voice) You are never going to mess with order!

She fired energy blasts and blasted Choujuuki all over.

Nico: Zinnia Ilena!

Qin: Cool!

Yusuke and Choujuuki charged at each other

Yusuke smashed him down with an incredible ram attack!

Nico: TAKE THAT!

Xenia: YEAH!

Xenia fired an arrow and blasted him down.

Me: Lets finish him!

Yusuke: With pleasure.

We stood ready!

Yusuke: Let's do it!

We charged up a powerful Friendship Solar System blast and fired it and it hit Choujuuki and he exploded!

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

I caught the Liveman Gear.

Me: YEAH! Choujuuki you have failed this city!

Donbrothers: DEMON ELIMINATION COMPLETE! ALL'S WELL THAT ENDS WELL!

We went over to Daisuke.

Me: Daisuke you don't need to know how youth works in its entirety. All you need to do is live your life to the fullest. Live your life the way you want it to go and not focus on youth.

Daisuke: I will. Thank you.

Daisuke vanished.

Me: Back to Japan he goes.

Qin: Yep.

Zinnia Ilena reverted back and she was a girl with neon green hair and had black and green clothes and had the kanji for Order in the middle of her forehead and she had a symbol for Team Order on her Skirt. And she had green angel wings and she had a green energy sword in her hands.

Zinnia Ilena: That was so awesome!

Sonic: That guy was a total slow-mo.

Lola: Yeah he sure was.

Strafe: What's your favorite memory of Nico?

Zinnia Ilena: My favorite is when me and Nico found a cult of insane madmen and they were going to try and destroy every major city in the world and we killed them all.

Xenia: WHOA!

Me: Wow!

Camie: That is amazing!

Lola: Yeah!

Nico: That was awesome.

Nico and Zinnia hugged.

Nico: I've really missed you.

Zinnia Ilena: Me too Nico. Me too.

Nico: Lets head back home and get ready for our next mission.

Qin: Right.

We did so and went back to the estate.

Top Man: I tried calling Blu and his friends but they're busy right now

Me: They must be having a party.

And sure enough in Rio they were at a party and having lots of awesome fun.

Top Man: Yeah they don't call Rio the Party Capital of the world for nothing.

Xenia: That's for sure.

Lola: Yep.

Me: There's always next time.

Camie: But whatever our mission is it will be fun.

Then the previous group came.

Boomerang: (Australian Accent) Can me, Beetle, Cad Bane, Titanium Man, Cheshire, Multiple Man, Silver Samurai, Blizzard, Whiplash, Major Disaster and Taskmaster go with you guys?

Nico: You all sure can.

Qin: Awesome.

Xenia: Yeah!

Lola: And I have a good feeling about the next Pokemon Geneslammers too.

Rarity: Indeed. Me too. Diancie, Hoopa and Volcanian am I right darlings?

Nico: You sure are Rarity.

Me: Ooh! The Diancie is going to be a dazzling one.

Xenia: Yeah it sure will.

Yvette: Boy it sure will be.

Misfire: Aw. I was gonna ask that!

Lola: Sorry Misfire! (LAUGHS)

We laughed too.

Nico: (LAUGHS) That's okay guys. Besides everyone was practically figuring it out by now.

Xenia: Yeah we sure were.

Me: It's fun.

Nico: It sure is.

Suddenly, Lincoln's deep sapphire eyes and rainbow iris of his Third Eye glowed, and he had a vision and he saw who it was that we were going to confront: it was El Mal Verde, one of Miracle City's most dangerous supervillains, and he's on the rampage. When we saw it, we knew it meant trouble.

Nico: Lincoln, what's wrong?

Lincoln: Nico, everyone, we've got trouble, I had a vision and I saw who it was that we're going to face today: it's none other than El Mal Verde, one of Miracle City's most dangerous supervillains, and he's on the rampage.

The Fabled Gene-Slammers, along with Manny and his family gasped.

Maria Garcia: (Spanish Accent) El Mal Verde?! Oh God, I was hoping that Miracle City would never have to see him again. Next to Sartana of the Dead, El Mal Verde is the most feared supervillain in Miracle City, and he's the most dangerous bandito. Every superhero, except White Pantera he has encountered, has been devoured by him.

We gasped.

Bart: Ay Caramba!

Manny: I was going to say the same thing!

Nico: Oh God, that's really horrible!

Me: It sure is.

Isabella Andwraith: (Spanish Accent) He's virtually undefeatable, but not entirely, he does have one weakness: he has a cavity in his front tooth. So, we need to do a deep cleaning of his teeth and get rid of that cavity-infested front tooth and take him down.

Nico: So, we got a supervillain in need of a well-deserved dental check-up, we better pack tons of toothpaste and floss for this!

Me: Yeah, this is going to be one messy job. What can you tell us about him Manny?

Manny: Well he is the largest and most dangerous. But he never even once brushed his teeth.

He told us about him.

---

El Mal Verde is a recurring antagonist in the Nickelodeon animated series El Tigre, being the main antagonist of the episode "Yellow Panthera".

He was voiced by Danny Trejo in "Yellow Panthera" and John DiMaggio in "The Good, The Bad and El Tigre".

El Mal Verde is the largest and most dangerous supervillain of Miracle City. Every superhero (except White Panthera) has been devoured by him. White Panthera fled from battle from him so his family would not he alone. Years later, El Tigre thinks his father ran away from a fight with Mal Verde. So El Tigre had to face Mal Verde alone to preserve the Rivera family name, but he is no match for him. White Panthera managed to help El Tigre defeat Mal Verde.

In the special episode "The Good, The Bad and El Tigre", El Mal Verde is easily defeated this time due to a cavity in his front tooth. In the Series Finale, he is defeated (except El Tarantula and some other villains who redeemed themselves) along with Dr. Chipotle Sr., Dr. Chipotle Jr., Guacamole Monster, Senor Siniestro, Black Cuervo, Voltura, Lady Gobbler, El Oso, Sartana of the Dead, Django of the Dead, Titanium Titan, General Chapuza Calevera Zombies, the octopuses, the villains of Calavera, & (presumably other villains in the world) ended up defeated by getting burned by a Volcanic fire and later is piled along with all the villains.

---

When it was done we were shocked and disgusted!

Xenia: GROSS!

Rita: Oh I am going to give that guy a really much needed dental cleaning like no other!

Me: Go get him Ms. Rita!

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was none other than the treacherous former concubine of Pharaoh Seti I and lover of Imhotep, Anck-Su-Namun, and she's here for revenge for her murdered lover. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is someone coming after us?

Lincoln: You guessed it, Rayman, and this is something you won't like, J.D.: the dark energy signal and the figure we sensed belongs to the treacherous former concubine of Pharaoh Seti I and lover of Imhotep, Anck-Su-Namun, and she's here for revenge for her murdered lover.

I gasped in shock.

Me: So, my past life's former mistress has come back to get revenge for her murdered lover?! I will see to it that she joins her lover in The Black Gates forever!

Emma Cook: Leave that to me and Lincoln, J.D.

Nicole: We get rid of Imhotep last year, and now, his lover, Anck-Su-Namun, has come back to get her revenge for her lover's murder?! Sheesh, even after 5,000 years, she sure knows how to hold a grudge.

Me: That grudge will end with her death, and the death of my past life will be avenged! But, first, we need to deal with El Mal Verde.

Nico: Right you are, J.D. Alright, gang, let's go, we're off to Miracle City to give El Mal Verde a really well-deserved dental check-up.

Lincoln: And we cannot forgive him for what he'd done devouring so many heroes, he's one villain we intend to make sure never does this to anyone else ever again, and once we get done with El Mal Verde, you're next, Anck-Su-Namun.

Emma Cook: There shall be no mercy for you, Anck-Su-Namun, as The Guardian of Fire, we shall put an end to you here and now, and avenge the death of Pharaoh Seti I.

Lincoln put up a rainbow energy field around The World Tree Estate and we headed out to Miracle City to take down El Mal Verde, and once we got done with El Mal Verde, Lincoln and Emma Cook are going to destroy Anck-Su-Namun and see to it that she joins her lover, Imhotep, in The Black Gates forever! 5,000 YEARS OF PAYBACK ARE COMING FOR YOU, ANCK-SU-NAMUN, AND YOU SHALL PAY FOR THE TREACHERY THAT YOU'VE DONE UNTO PHARAOH SETI I!

We were off to Miracle City!

---

We arrived.

Me: Here we are.

Nico: Miracle City, Mexico.

Speedy Gonzales: (Spanish Accent) Good to be home in Mexico.

Beetle: Should we call Knightbrace about this?

Zarya: Good idea.

Maria did so.

Knightbrace then came.

Knightbrace: I'm here guys.

Me: Perfect.

Qin: We'll explain everything along the way.

We went to the Ramirez house and told him everything.

We then saw Puma Loco.

Armada Starscream: Hello, Puma Loco!

Puma Loco: Hola Team Loud Phoenix Storm.

Manny: Hola Abuelo.

Nico: Awesome to see you amigo.

Xenia: I take it you heard that…

Puma Loco: Si that El Mal Verde is back.

Me: That's right.

Nico: We're going to defeat him and have him put into the M.O.E.

Xenia: Yep.

Me: I was hoping we would be able to give him the Black Gates but that works.

Cheshire: How was your Cinco De Mayo earlier?

Puma Loco: It was good gracias.

Me: Denada. I know this is gonna be a long stretch but we could use your help in defeating El Mal Verde.

Puma Loco: I had a feeling you would going to ask me that.

Me: We'll have to call in El Oso, Zoe Aves and the other villains that Manny faced too.

Frida: UH UH! NO WAY! ZOE IS NOT HELPING US!

Me: Geez Frida you're still pissed at her for what she did to you?

Frida: Duh.

Me: Frida that was before you joined us. You got to let that go.

Gyro Man: Look, Frida, I admit Zoe was a little rough around the edges. But she's not so bad once you get to know her. And we really could use the help.

Me: Yeah.

Frida: (Growls) Fine.

Me: Good.

Silver Samurai: I guarantee that Titanium Titan won't be able to come help us.

Manny: Why?

Silver Samurai: It's his turn for the usual battles today.

Nuju: Nice!

Me: Way to spoil the plot there.

Silver Samurai: Sorry.

Me: Deadpool would have done that.

Deadpool: You're right on that! (To the viewers) Did you hear that folks? It's Nuju's turn next for the usual battles!

Manny: Let's have lunch first.

Clown Man: (shrugs) Why not?

Me: We could use a little grub.

We made a Mexican feast for us.

It had burritos, chalupas, nachos, guacamole, tamales and more.

We were eating all over.

Me: (Eating Chalupa) Mmm. Delicioso.

Lola: (Eating Nachos and Hot Sauce) (TOOT!) Caliente!

Major Disaster: Also, Titanium Titan told us in advance

Me: Oh.

Qin: That makes sense.

Xenia: Yeah.

Frida was not happy that of all the people in the world she hated it had to be Zoe Aves A.K.A. The Black Cuervo who was going to be helping us of all people. And she hated Zoe with a vengeance! Especially after how she was so mean to her over the years.

Frida sighed.

Me: Frida? I know you're still mad at Zoe but you got to at least give her a chance.

Nico: Yeah Frida you got to at least let her try.

Frida: I know but you know how much pain she caused me.

Camie: Why does Frida hate Zoe so much?

Me: Zoe always picked on Frida back when they were younger and Frida bored a really nasty hatred towards Zoe ever since. She hates her to the point where she wants to kill her.

Camie: Jeez! That is brutal.

Tsuyu: Poor Frida. But I don't blame her for not wanting someone like Zoe to help us.

Nico: Yeah. But she is in our frenemies. So she is being well behaved.

Poliwag was eating so much.

Manny: Someone's hungry.

Poliwag: I lost an eating contest to Poromon, Sonic, Tails, and the Sonic sisters. This is me making up for it.

Tengu Man: It's true.

Me: Boy no kidding.

Xenia: Yeah!

Puma Loco: (LAUGHS) He sure is hungry.

Horsea and Manaphy were eating so much as well.

Manny: Horsea and Manaphy lost as well?!

Taskmaster: They sure did.

Me: Boy they sure have a lot to make up for.

Qin: Yeah.

Manny was consoling Frida.

Xenia: Poor Frida. I understand why she doesn't want Zoe to help us because of what she did but desperate times call for desperate measures.

Nico: You're right on that Xenia.

Kaina: Yeah no kidding.

Puma Loco: Have the mascots ever tried going on a solo mission by themselves?

Manterror: Not that I know of, no.

Nico: No they haven't. But It'll be a good idea. We'll have them do one later on.

Me: Yep.

Xenia: That will be cool to see in action.

Nico: Yep.

Me: They are more than ready for it.

Poromon ate a pepper.

Whiplash: Oh crap.

Poromon: (BELCHES FIRE)

He belched fire right into Nico's face.

Nico: (SCREAM) HOT HOT HOT HOT HOT HOT! OUCH OUCH OUCH!

Poromon: Oops sorry Nico.

Maria splashed Nico's face and cooled him down.

Xenia: YIKES!

Marie Kanker Loud: You okay?

Nico: Yeah. I'll be all right.

Marie K.L.: Good.

Frida: Okay I'll do it. I got to at least forgive Zoe.

Nico: Good Frida.

Qin: Yeah.

Multiple Man: Better make an army for preparation

He made LOTS of clones.

Nico: Awesome.

Eli: This will be fun.

Camie: It sure will.

Maria: I'll call in El Oso, Zoe and the villains that Manny faced.

Ruckus: Except Titanium Titan.

Maria: I know.

Maria did so and in came El Oso, Zoe Aves, Guacamole monster and many more.

El Oso: (Spanish Accent) We're here amigos.

Sunset Shimmer: Perfect timing guys.

Zoe Aves: (Spanish Accent) We got word that El Mal Verde is back and we came.

Me: Good. Now Frida, you and Zoe need to talk this over.

Zoe went over to her with a look of guilt and sadness on her face.

Zoe Aves: Oh Frida I'm… I'm so sorry for everything I did to you in the past. The reason I did all that to you is because I was jealous of you because of your beauty and looks and you had an amazing friend like Manny. I'm so sorry Frida. Can you ever forgive me?

Me: What do you think Frida? That was pretty heartfelt.

Frida: Oh of course I forgive you!

She and Zoe hugged.

Me: Aww.

Maria: I think Zoe earned herself a spot in the redemption squad too.

Nico: Yep.

Titanium Man: Let's head to where he is

Eli: 10 kilometers due southwest.

Nico: Just on the outskirts of the city.

Xenia: Yep.

Nico: Lets roll!

Zoe: And I honestly moved on from that grudge anyway

Frida: I'm glad.

Manny: Lets do it!

He spun his belt and turned into EL TIGRE!

(COUGAR ROAR)

Zoe turned into BLACK CUERVO!

CROW CAW!

We were off.

We were flying fast.

Nico: He can't be hard to miss.

Me: There!

We saw a huge figure and it was EL MAL VERDE!

Me: There he is!

Nico: Yep! Lets get him! Entrance time!

We went at him!

El Mal Verde was really huge and he was coming. Then the spirits of

Mexico came and then swirled around him and then they converged and then…

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off above him and then a phoenix cry was heard and we came out and I grew to his size.

Me: Time for you to brush your teeth you malodorous cesspool!

El Mal Verde: It's about time you guys fought me!

Android 17: We truly are sorry. We've just been busy.

Me: You don't know what stinky is.

I ate a huge onion.

CHOMP!

I took a huge bite out of it.

Me: (With my mouth full) Now this will be stinky! (LOUD FOGHORN BELCH)

I belched in El Mal Verde's face and his eyes, face and nose and ears MELTED OFF!

Nico: WHEW! He is going to be smelling that!

Cad Bane: Anyone got a toothbrush?

Rita: Right here!

She pulled out a giant toothbrush and grew to my size!

MEXICAN FIESTA LUCHADOR MUSIC!

Rita: Say hello to La Dentista Gigante de la Justicia!

Nico: OH YEAH!

Eli: Get him!

Rita brushed his teeth all over with incredible force!

Lincoln: GO MOM!

Then Pyro, Dirty Bubble, Chemistro, KGBeast, Goliath, Titanium Titan, Spymaster, Sportsmaster, Count Vertigo and Roxy Rocket then appeared.

Nico: Pyro, Dirty Bubble, Chemistro, KGBeast, Goliath, Titanium Titan, Spymaster, Sportsmaster, Count Vertigo and Roxy Rocket.

Pyro: It"s good that Zoe and Frida patched things up.

Dirty Bubble: That kind of grudge isn't healthy.

KGBeast: (Russian Accent) Of course it isn't.

Me: You're telling me.

Goliath: (to Nico) We heard you were in a dodgeball game.

Nico: We sure did.

Chemistro: Did you win?

Me: (Sarcastically) No we lost and got thrown in a garbage pit. Of course we won silly.

Chemistro: Oh.

Nico: That is funny.

?: That is awesome.

A figure came out and it was DEFOLIATOR From episodes 15, 16 and 17 of Zeo!

---

Defoliator was part of a two part attack strategy conceived by Queen Machina to take over Angel Grove whilst the Zeo Rangers were skiing in the mountains. After the destruction of Robocupid, Klank and Orbus sent him to Earth and made Defoliator grow. Once giant, Defoliator made the weather scorching hot in Angel Grove by destroying plants to produce a greenhouse effect.

The Rangers were sent in to fight him using their Zeo Megazord but he proved too much for it, defeating it by stabbing and electrocuting it using his horns. However, Tanya summoned the Zeo II Battle Helmet which stopped his energy blasts and then stunned him with a hit to the face before flying up and kicking him back. Kat activated the Zeo I Battle Helmet which knocked him over with a tornado and blasted him before Tommy summoned the Zeo V Battle Helmet. Defoliator charged but was cripplingly wounded by a strike across the front from the Zeo Megazord Saber and seemingly destroyed by the Zeo Megazord finisher.

However, he survived although the weather did cool down after the victory. Defoliator later started a new attack on Angel Grove and the Rangers. Kat and Tanya were the only ones available to respond at the time, since the boys were helping Tommy Oliver with his date, and fought him but were easily overpowered. Eventually, the boys were forced to intervene and they fought the monster to a stalemate. Zordon pointed out that the Rangers couldn't risk Defoliator growing, due to it possibly dooming the city if not the planet, so Billy powered up the Zeo Blaster using the Power Chamber's power cells and Defoliator's days of global warming were over for good.

---

Tommy Oliver: Defoliator!

Defoliator: Been a while rangers.

Me: I remember you! You were deployed as part of a 2 part strategy to take over Angel Grove while the rangers were skiing.

Defoliator: That's right. Good memory.

Me: Yep.

Defoliator: You rangers never did say how that skiing trip was.

Tommy Oliver: It was fun and awesome.

Billy Cranston: Yeah it sure was.

Adam Park: Yep.

Me: That was a cool one.

Xenia: It sure was.

We got the battles underway.

Vakama, Beast Wars Inferno, Kaito, Jenelle Torres, Malefic Cyber End Dragon, Malefic Stardust Dragon, Tahu Nuva, DinoSquad, Sunset Shimmer, Pipsqueak, Fire Skylanders, Top Man and Shadow Man VS Pyro, Quillfire, Melone, Ice World, Malefic Cyber End Dragon, and Cosma - Nico's Rescue was a dodgeball game

Pyro was first.

Pyro: (to Vakama) Nico's rescue was a Dodgeball Game. Who won?

Vakama: J.D. and everyone did. Girl Jordan and Clyde bashed the other team all over with Dodgeballs and really let them have it.

Beast Wars Inferno: It was a battle fit for the absolute of the royalty!

Kaito: Boy it sure was and it was awesome.

Jenelle Torres: It sure was!

Malefic Cyber End and Malefic Stardust Dragons agreed.

Tahu Nuva: It was a fun game brothers.

Max (DinoSquad): That sure was awesome and cool.

Sunset Shimmer: I agree there! That was so fun!

Pipsqueak: (British Accent) Yeah it sure was.

Sunburn: I'll say.

Pyro: Boy no kidding. Lets do it!

Vakama: LIGHTSPEED RESCUE!

He turned into a new ranger and it was called LIGHTSPEED CRIMSON!

Pyro: Awesome!

Vakama: Thanks. Lightspeed Crimson!

Vakama summoned his keyblade and it was for Ta Metru of Metru-Nui. It was called THE FIRES OF METRU NUI!

Pyro: Nice Keyblade!

Vakama: Thanks!

They fired waves of fire and smashed them down.

Onua: Boy I'll say.

Gentaro: Yeah it sure is.

---

Nico: Yep. So, Aurora, what's the story on that whole incident Lincoln mentioned, and of how you, Luna, and Lincoln took down Luan after she triggered her pranks on The Moon Goats?

Aurora Poseidon: I was hoping you'd ask that, and it's something we all remember all too well.

Aurora Poseidon pulled up a video and it played on the screen, and it shows Lincoln and Aurora Poseidon with Luna and her friends at a gig at Lynn's Table. But, they were unaware that earlier before the gig, Luan had booby-trapped all of their equipment and installed cannons of tomato paste.

Then, as The Moon Goats began to play their concert, Luan peeked her head out and she was really insane.

Past Luan: Time for your performance to go out with a BANG! (LAUGHING LIKE AN INSANE MADMAN)

Luan pressed a button, and then, Luna, Sam, Mazzy, and Sully's instruments and amps exploded and she also triggered cannons that fired tomato paste at the Moon Goats and at the audience, and they saw Luan come out of there laughing like an out-of-control homicidal lunatic.

Nico, Alicia, and Mindy: WHAT THE?!

Lincoln: I told ya, whatever pranks Connor did on you guys paled in comparison to what Luan did that day.

Past Luna: DUDE, WHAT THE HECK!? YOU JUST TRASHED OUR CONCERT!

Past Luan: And now, I'm going to kill you and Aurora for always protecting Lincoln! (LAUGHING LIKE A FUCKED UP MADMAN)

Suddenly, Luan got out two cannons that she loaded with sharp knives and was about to light the fuse and fire the cannons, but, that would be a huge mistake on Luan's part. Suddenly, Lincoln's heart was pounding and his pupils shrank in pure rage and his deep sapphire blue eyes turned blood red with vampiric rage and fury, and his fangs grew longer and his claws grew sharper, and then, he absolutely lost it, and Luna's heart was pounding and her pupils shrank in pure rage, and she lost it.

Past Lincoln and Luna: (ROARING) LLLLLLLLLUUUUUUUAAAAAAAAAANNNNNNNNNN!

Eli: OH… !

Nico, Alicia, Mindy, and Connor Chan: Shit!

Me: Yep, Luan was dead meat on a stick!

Luan tried to fire the cannons, but it was too late as Lincoln and

Luna attacked her with a dangerous ferocity, and they and Aurora blasted her with waves of water, and they also pounced on and kicked the tar out of that lunatic, and Lincoln fired red energy waves from his massive white angel wings and tied her up in a red energy straitjacket, and when he alerted the rest of his family of what Luan did, Luan got herself grounded for seventeen weeks, and Luan was tied up in a straitjacket and she was then thrown inside a padded cell container by Luna herself and Luan was laughing like a psychotic nut job.

Past Luan: (LAUGHING LIKE A PSYCHOPATHIC NUT JOB)

Past Luna: You mess with my bro and my friends again, you whack-job, and you'll be heading for the real thing in The Lansing Maximum Security Nut House!

Aurora Poseidon and Lincoln growled in anger while Luan was still laughing like a psychopathic nut job as the video ends.

Nico: Oh man, oh God, I can't believe Luan would do something as sick and twisted as that: wreck one of The Moon Goats' concerts to kill you, Luna, and Lincoln, Aurora.

Luna: It was absolutely disgusting. Luckily, J.D. snapped his fingers and the whole place was instantly cleaned up.

Me: Yeah, but we had to keep an eye on Luan in case Dark Luan tried again.

Laney: That clown was kept on a tight leash because of that incident, and if she slipped up again, it's off to the nuthouse for good, that or we'd let the Guardian Angels who hated Luan get after her.

Lincoln: If you did that, they'd kill her because their hatred of her was so powerful, if they saw her try to kill me again, they'd kill her.

FLASHBACK ENDS

Goliath: GEEZ! Luan went way too far didn't she!?

Pinkie Pie: Boy no kidding there!

Maud Pie: (monotonously) That dark side of hers turned her into a psychotic monster.

Featherweight: Yeah it sure did.

Sprocket: That is evil.

Me: (Growls) I knew there was no mistaking that voice from anywhere, you just don't know when to stop causing trouble, do you, Anck-Su-Namun.

A figure came out, and it was none other than Anck-Su-Namun, the treacherous former concubine of Pharaoh Seti I and lover of Imhotep.

Nico: So, that's Anck-Su-Namun.

Me: Yep, the treacherous former concubine of Pharaoh Seti I and lover of Imhotep, and the one who also had a part to play in my past life's murder.

Eli: She caused enough trouble for the last time, and she's had this coming for over 3,000 years.

Emma Cook: She sure has.

Suddenly, Emma Cook's red eyes turned neon red and she was surrounded by a pink and orange energy aura with stars, quintessence, water, flames, fire, life energy, phoenixes, and angels, she unholstered her Guardian of Kandrakar greatsword from her back, and as she approached Anck-Su-Namun, she left pink and orange energy, stars, quintessence, water, flames, fire, life energy, phoenixes, and angels with every step.

Emma Cook: Anck-Su-Namun, I will never forgive you for the crimes that you've committed against Pharaoh Seti I and all of Egypt, you were motivated by your own desire for power and your love for Imhotep, and what you did in playing your part in Pharaoh Seti I's death. You've crossed lines that meant one thing: you don't deserve forgiveness for your crimes, and as The Guardian of Fire, I will make you pay for every last one of the crimes you've committed over

5,000 years ago with your own blood.

Suddenly, Emma Cook was surrounded by a massive vortex of pink and orange energy with stars, fire, flames, life energy, and quintessence surrounding the vortex, there are phoenixes and angels flying around the vortex, and in the vortex is a red phoenix with red eyes glaring at Anck-Su-Namun: the red eyes of eternal death. Then, as the vortex faded, Emma Cook emerged, but she was changed forever.

Emma Cook grew to 7'5" in height, she has the body of a goddess, she has orange highlights in the bangs of her long red hair, she has neon red eyes and a pink and orange and red energy aura with quintessence, life energy, stars, fire, flames, phoenixes, and angels surrounding her, she has the symbol of Fire in the hands of an angel emblazoned on her forehead and Third Eye with red iris, she has on angel earrings with aqua red gems for eyes and holding the Quintessence, Fire, and Eternity Kanjis in her hands, she also has an angel with red gems for eyes and holding the Quintessence, Fire, and Eternity Kanjis in her hands for the second pendant on the bottom of her red-orange phoenix-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with red crystal links from her merged Crystal Necklace of the Buddha and red gems on the gold lightning bolts, and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Suddenly, Emma Cook felt a sharp pain on her back, and then, massive orange angel wings with red tips on the orange feathers grew and sprouted out from her back, and she also now has eleven massive and long red wolf tails with orange tips and orange markings, Emma Cook has on her Ring of the Phoenix with large red gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Emma Cook's Sword of Kandrakar and all the greatswords and swords that she'd gotten began to merge together, and they were surrounded by a kaleidoscope of pink and orange energy, quintessence, life energy, stars, fire, flames, phoenixes, and angels, and when it emerged, it was transformed into Emma Cook's Quintessence Inferno Firestorm Kandrakar Guardian Greatsword of Earth Kandrakar Quintessence Inferno Firestorm Justice, it's a brand-new massive greatsword with embedded orange gems and the symbol of Fire etched on the 7'4" massive, wide, double-edged red blade, large red dragon heads with orange gems for eyes for the crossguard, large white angelic faces built into both sides of the hilt and large red gems embedded in their foreheads, longer midnight black handle, four large orange phoenix heads with red gems for eyes and on the bottom of the large aqua blue phoenix heads is a red dragon head with orange gems for eyes and a pink gem in its mouth for the pommel, Emma Cook has on her large gold cuff Bracers of The Champions of The Universe with red gems on her wrists and Dragon Ball Bracelet on her left Bracer, her large gold Belt of Elemental Bravery with a large gold phoenix head with red gems for eyes and large red gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. Emma Cook has transformed into SUPER ANGEL-KANDRAKAR FIRE QUINTESSENCE GUARDIAN-PHOENIX-HARMONY UNIVERSAL ETERNAL CELESTIAL XELNAGA DIVINE COSMIC KANDRAKAR FIRE INFERNO QUINTESSENCE HEAVENLY PHOENIX ANGEL OF DIVINE COSMIC KANDRAKAR FIRE INFERNO QUINTESSENCE HEAVENLY PHOENIX ANGEL JUSTICE AND DIVINE COSMIC KANDRAKAR FIRE INFERNO QUINTESSENCE HEAVENLY PHOENIX ANGEL LOVE!

We were amazed by Emma Cook's Super Angel-Kandrakar Fire Guardian-Phoenix-Harmony Universal Eternal Celestial Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when Anck-Su-Namun saw it, she fell into a rage and charged at Emma to kill her with a sword she unholstered, but Emma dodged her attack, and she fired a powerful barrage of pink and red and orange energy, quintessence, life energy, stars, fire, flames, phoenixes, and angels at Anck-Su-Namun, and they exploded with such incredible power as the barrage hit her, and this really angered her now.

Taranee Cook: (Gasps) Oh wow, Emma's transformed!

Nico: She sure has, and that bitch is so done for now.

Lincoln: Anck-Su-Namun's treachery and her lust for Imhotep caused the death of Pharaoh Seti I and they committed too many numerous crimes against Egypt, only one thing awaits her: death.

Emma Cook: (Divine Godly Voice of The Divine Cosmic Kandrakar Fire Inferno Guardian Quintessence Heavenly Phoenix Angel and Divine Cosmic Kandrakar Fire Guardian Quintessence Heavenly Phoenix Angel Love) You got that right, now let's destroy that treacherous concubine once and for all, Linky.

Me: Tear her to shreds, Lincoln and Emma, leave nothing of Anck-Su-Namun standing!

Lincoln unholstered his massive Lincoln Loud's Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Phoenix-Harmony Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Mythological Hope, and he joined Emma Cook.

Lincoln: (Divine Godly Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You heard what J.D. said, you're done, Anck-Su-Namun, and now it's time for you to die once again and join your dead lover in The Underworld forever!

Emma Cook and Lincoln went after Anck-Su-Namun who trying to attack them with her swords, but Lincoln and Emma blocked her swords with their massive greatswords and they pushed her back, and they fired extremely powerful blasts of rainbow energy, pink and red-orange energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Anck-Su-Namun and they exploded with incredible power as they hit her.

Then, they attacked him with their massive greatswords leaving scars on her, and Lincoln left many more with his claws and firing energy slashes from his claws and he and Emma Cook also attacked her with punches, kicks, and karate chops, along with elemental blasts. Then, Lincoln drove his massive greatsword in Anck-Su-Namun's stomach and with one quick slash, he slashed open her stomach causing her guts to spill out.

Lincoln: (Divine Godly Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) This is where you die once and for all, Anck-Su-Namun.

Lincoln kicked King Stroud hard into the air, and the 7'5" massive, wide, double-edged golden blade of his Lincoln Loud's Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds was suddenly covered in rainbow fire.

Lincoln: (Divine Godly Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) This is for the death of Pharaoh Seti I! ANCIENT EGYPTIAN INFERNO

FIRESTORM RETRIBUTION!

Lincoln fired powerful waves of rainbow fire with every swing of his massive greatsword, and the waves of rainbow fire had hieroglyphs and the events of Egypt's 5,000-year-old history, and the powerful waves of rainbow fire hit Anck-Su-Namun and she was being burned badly as the crimes that she committed 5,000 years ago for her adultery came back to kill her, and the final rainbow fire wave hit Anck-Su-Namun and she was incinerated completely and she was sent to The Black Gates forever. We cheered wildly for what Emma Cook and Lincoln did as they holstered their weapons and powered down, and Emma Cook's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long red wolf tails, and massive orange angel wings are permanent.

Emma Cook: The pain and suffering you and your lover caused to Pharaoh Seti I when you murdered him 5,000 years ago has finally been brought to an end, may you and Imhotep never return, Anck-Su-Namun. Thanks for helping me destroy Anck-Su-Namun for good, Linky.

Lincoln: (Smiles Warmly) You're welcome, Emma.

Suddenly, Emma Cook wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Emma Cook's face, they kissed passionately as she moved her arms and placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, and Angel flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with flames raging behind them, and we cheered wildly. Then, Lincoln and Emma Cook absorbed the flames and elemental forces and they came back to us as the display vanished.

Nico: Wow, now that was one truly awesome fight and 5,000 years of justice have been dealt unto Anck-Su-Namun, Lincoln, Emma, you two showed that treacherous concubine no mercy whatsoever.

Me: She had it coming, along with her lover. But, now Pharaoh Seti I's soul can finally rest in peace knowing Imhotep and Anck-Su-Namun are finally dead and gone forever.

Lincoln: That's right, J.D., Anck-Su-Namun and Imhotep were among those who had committed the darkest of crimes against Egypt 5,000 years ago which began when they murdered Pharaoh Seti I and Imhotep dared the Gods' anger by going into Hamunaptra to use The Black Book of The Dead to bring Anck-Su-Namun back from the dead, and those very crimes had made them the most hated among Egypt and the Egyptian Gods.

Nico: And they needed to pay for their crimes, and we were the ones to deliver justice to those two. So, Lincoln, which of the daughters of The Olympian Gods and Goddesses are we meeting tomorrow?

Lincoln: I've already got a good one for tomorrow, the next one we're meeting tomorrow is Maria Zeus, Daughter of Zeus, King of The Greek Gods and Greek God of Thunder and Leader of The Daughters of Olympus, she's my Guardian Angel from from Greece mainly the legendary Mount Olympus, and like her father, she's a Goddess of Thunder and has all her father's powers of thunder and lightning, she's immortal, and she's also extremely beautiful and sexy.

Me: Hubba Hubba.

Selene Emperyous: When she and Lincoln met, there was indeed quite the attraction that turned into true love and she swore to protect him from those who sought to do him harm, and her targets were none other than Flip, Lewis Travolta, Scoots, Hawk, Hank, Pablo, Anderson, Chandler, Artie, Trent, and Killjoy Huggins, his enemies, and she also swore to protect him from Lori, Lynn, Lola, Lisa, and Luan, she's really good friends with Lynn Sr. and Rita, and she and Lincoln helped Lynn Sr. with making some delicious dishes for his restaurant and helping Rita in the dentist's office, and Maria also helped in teaching Lincoln and Luna in everything that she knows when it comes to lightning and storms. Lincoln made Maria a beautiful necklace with blue gem for the pendant, along with a white short-sleeved blouse, yellow sleeveless top, long ankle-length white dress skirt, and white bridal gloves, and to show thanks, Maria kissed Lincoln on the lips while underneath a thunderstorm as lightning crashed behind them and it was truly beautiful, and she hates Lori with a blazing passion because Lori absolutely hated Mara for always defending Lincoln whenever she along with Lola, Lisa, Lynn, Luan, along with the rest of Lincoln's enemies plotted to kill him.

Michelle Emperyous: And Selene Arcangela told Maria everything about what that control freak has done to him constantly and forcing him to do her bidding, and one time at Lynn's Table, Maria and Lincoln were there with Lynn Sr. helping the customers, but their day of helping Lynn Sr. was ruined when Lori showed up and started causing havoc by trashing the place and that caused the customers to run out of there screaming for their lives, and Lori was laughing like a monster bitch out of Hell, and she was about to kill Maria, Lincoln, and her own dad to slake her thirst for blood, that was until Lincoln snapped, and he attacked her with a dangerous ferocity, and they and Maria blasted her with bolts of lightning and electrocuted her, and they also pounced on and kicked the tar out of that violent control freak bitch, and Lincoln fired red energy waves from his massive white angel wings and tied her up in a red energy straitjacket, and when he alerted the rest of his family of what Lori did, Lori got herself grounded for seventeen weeks, and she was forced to clean up the restaurant and repair everything that she broke on her violent rampage, and Lincoln and Maria were watching her, because if she dared to back out or try to get revenge, she was so going to get electrocuted big time!

Those who weren't there when that happened gasped in shock.

Nico: Oh man! Lori really went way too far that day!

Me: Yeah, I still remembered that incident all too well, and on that day, Lori was now on thin ice with practically her entire family including me and Varie.

Luna: She sure did, dude, and you're also going to see the video of that incident when we meet her tomorrow.

Lincoln: You got that right, Luna.

Titanium Titan: It was good to see good old Miracle City again.

Spymaster: It was, wasn't it?

Sportsmadter: And El Mal Verde is now one of us.

Roxy Rocket: He sure is.

Me: Yep.

Count Vertigo: As the people here say, this calls for a fiesta!

Nico: Good idea guys. Great job today everyone. This was fun.

Manny: Yeah it sure was. (To the viewers) Never be like El Mal Verde and brush your teeth after every meal.

Nico: Good idea.

We went to enjoy a good meal and later enjoyed the rest of the day and went to sleep.

THE END

Me: Boy this cave is amazing.

Camie: It sure is.

Lola: Yeah this cave must've been here for millions of years untouched.

Laney: No kidding but this is amazing.

Zuria: It sure is awesome that this is here.

Lana: I'll say.

Eli: Yeah.

Loni: I'm really amazed that this is here.

Varie: Same here.

Nico: Loni, I want to thank you, Anti Wanda, and your teams for coming.

Loni: It's like no problem Nico. This is gonna be so fun.

Pepperdance: (Cajun Accent) Ooowee. It sure is.

Nico: Yeah no kidding there.

Miku Yuuki: I'm really excited for this too.

Nico: Pepperdance, what's your favorite spicy food?

Pepperdance: Ooowee! I love all kinds of spicy foods. I eat all kinds of peppers and I love making my own hot sauces by the jug.

She pulled out her latest hot sauce jug. It was called The Tears of Satan.

Me: The Tears of Satan?

Pepperdance: Try some J.D.

She gave me the jug and I drank it and then…

KRABBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

I had a massive explosive jet of fire explode out of my mouth and it hit a wall and melted a cave wall partially.

Me: Whoa! That is awesome Pepperdance.

Nico: That is awesome!

Pepperdance: Ooowee! You are one spicy guy J.D.

Cajun Fox: (Cajun Accent) Ooowee! He sure is.

Nico: Yep.

Qin: Nice!

Laney: Whoa what is that one made with?

Pepperdance: Moonscar Island Peppers, Carolina Reaper Peppers, Dragons Breath Peppers and Capsaicin Extract.

Me: Awesome!

Nico: But you also love hot wings, right?

Pepperdance: I sure do. I make the spiciest wings ever and I make all my foods spicy.

Applejack: That is amazing.

Nico: Boy no kidding.

Pepperdance: I love all my foods spicy.

Eli: That is awesome.

Nico: You got that right.

Varie: Yeah. But yesterday's mission was fun and awesome.

Xenia: It sure was.

Rita: I had an awesome battle in that one battling El Mal Verde.

Lincoln: You sure did mom.

Laney: That was so awesome to see you take him on like that.

Nico: Because we brushed his teeth, right?

Rita: That's right. We made his foul mouth smell better.

Eli: We sure did.

Lola: Yeah that was awesome.

Nico: Yeah. J.D. that was so funny that you ate that whole onion and belched in his face. Well done.

Me: Aww it as nothing.

Nico: Where did you even get that onion anyway?

Me: Oh Ed gave it to me.

Eddy: (LAUGHS) That is so like Lumpy.

Nico: Yeah no kidding.

Me: He gave it to me before we left.

Nico: Oh.

Maria: And the best part is that Frida and Zoe patched things up.

Qin: They sure did.

Xenia: Yeah they sure did and I'm proud of them.

Maria: And now Zoe is a potential candidate to be in the redemption squad.

Camie: You got that right.

Eddy: Of course. Zoe abandoned that grudge long after we first fought her.

Nico: That's true.

Camie: And I'm glad she did. Carrying grudges like that are really unhealthy.

Saya Takagi: That is absolutely true.

Nico: Yep. Just like how I have held a grudge against Shido.

Me: Yeah no kidding. Me too.

Rei Miyamoto: But that grudge is over now.

Lola: Thank goodness.

Nico: Yeah.

Girl Jordan: And my grudge against Carnage. But that's another story.

Nicole: Yeah.

Nico: Anyway what is it we're looking for Nicole?

Nicole: We'll I've been monitoring the mountains with our X-Ray Cameras and found out that many of them have hidden caves buried underneath them. This one is said to lead into a huge crystal cavern that has a massive treasure trove of crystal formations in it.

Rarity: I like this already!

Nicole: (LAUGHS) I had a feeling you would Rarity.

Xenia: Yeah.

Nicole: According to the scanners this is a crystal cave that formed because of amazing geothermal activity and for millions of years the crystals are still forming to this day.

Nico: Wow.

We then felt it get hotter and hotter.

Nico: WHEW! It's getting hot.

Me: We must be getting close.

I looked at the temperature.

Me: 115˚Fahrenheit. Whoa.

Nico: Whew. Toasty.

Eli: Good thing we're immune to extreme heat.

Varie: Yep.

Nico: Doesn't mean we can't feel it!

Me: I know.

We then got to a room and then we saw a MAGNIFICENT CRYSTAL CAVE! It was filled with a rainbow plethora of beautiful crystal!

Me: Whoa!

Qin: Wow!

Lola: Magnificent!

Lisa Loud: What a magnificent and beautiful crystal cavern.

Nicole: Incredible!

Rarity: Oh my goodness! So beautiful darlings!

Nico: Where's the treasure?

Nicole: This IS the treasure Nico. This whole cave IS the treasure.

Nico: Wow!

Zuria: Boy these crystals forming like this are awesome.

Fluttershy: It's a magical crystal cave.

May: I wonder how these crystals formed like this.

Lana: I think this is how! This pool of hot lava.

We went over.

Me: Whew! That is hot!

We saw the heat from the lava melting the cave around it and the melted rock was forming into new crystal columns and formations at a fast rate.

Nicole: Wow! The geothermal heat from this lava is melting this cave around it and it's forming into new crystal.

Applejack: That is really amazing.

Nico: Let's bring some home.

Me: Good idea.

Qin: Yeah.

Me: Lets get to digging.

We got a scroll out and got mining tools and then got to digging and we got huge loads of crystal and jewels and more.

Me: Wow! So many amazing crystals here.

Lola: Boy they sure are pretty.

I looked at a jewel with a scope on my eye.

Me: (Whistles) These jewels are flawlessly well formed by the Earth.

Earth: They sure are.

Varie: Yeah.

Venus: Yeah this is amazing that all this formed here.

Nico: Wait. Did you guys hear that?

Me: What is it?

Eli: Wait I sense something here.

Eli concentrated.

Me: Is it the Anothers?

Eli: No they are far from here. It's behind that crystal.

He pointed to a big red crystal.

Me: You can come out now.

We saw a girl that was HALF MANTA RAY!

Qin: Whoa! You're half Manta Ray.

Maria: Like Mantaman.

Manta Ray Girl: Sorry about the surprise guys.

Nico: (GASP) Simone Terrance?

Me: Wait the astronaut that went onto the I.S.S.? Whoa!

Camie: Wow!

Nico: Oh my god. Been a while.

Simone Terrance: Yeah it has been a while Nico.

May: You look pretty short

Simone Terrance: I know. I shrank because of it. I wanted to stop Dr. Paradigm from gene-slamming more people. So like Mantaman I gene-slammed myself on purpose with Manta Ray DNA and turned into this to help the Street Sharks and many gene-slammers stop him.

Me: Well you're a bit too late on that one. Paradigm and his brothers are dead and they were given the black gates.

Misty Brightdawn: Paradigm was recruited by Opaline and we destroyed him forever.

Nico: Yeah it's true. We made that fucked up monster pay for his crimes during the Kamchatka Peninsula War with Opaline last year in November.

Starlight Glimmer: We sure did. That was so awesome.

Lola: Yeah.

Nico: Where did you transform?

Simone Terrance: Believe it or not out in space. It was 5 years ago. I was collecting Asteroid Samples when Paradigm hijacked my shuttle and left me out there. I turned into Mantawoman 2 and I can breathe in space and fly. I flew back to Earth and I went to find you Nico. But I couldn't. I heard that Paradigm bit the dust.

Me: That was right around the time we met the Bolton Siblings and started to find NUMEROUS Gene-slammers of the animals of Land, sea and Air. Long story.

Anna Anyanova: Yeah.

Nico: Sorry that you have to be so short.

Simone Terrance: I know.

Me: Lets revert you back. But not in here. It's too hot and you'll die from dehydration.

Maria: I got plenty of water for us.

Simone Terrance: Good idea. Lets go outside.

Me: Good idea. We finished collecting enough crystal in here anyway.

Nico: Yep.

We went back outside.

We got outside and Maria gave us some water.

Nico: I think you're shorter than all of us.

Simone Terrance: Yeah the serum I took that turned me into this shortened me.

Me: That will change when we revert you back.

Maria: Yeah.

Me: Ready to revert back?

Simone Terrance: I'm ready.

Me: Okay.

I put on my blind man glasses.

Me: Just a forewarning this is going to hurt really bad.

Simone Terrance: I'm ready.

Me: Okay. Here we go. (SNAPS FINGERS)

I snapped my fingers and SHE DOUBLED OVER IN EXCRUCIATING PAIN!

Her teeth sank into her gums

Her skin reverted back and the boys covered their eyes. Then she grew blonde hair and her eyes turned back to brown and then she fell to the ground and was back to normal.

She got up and was dizzy.

Simone Terrance: What hit me?

She saw her skin back to normal but she was naked.

Simone Terrance: GAH! Someone get me some clothes!

Rarity: Done worry darling we can fix this!

The fashion brigade moved in and gave her awesome new clothes. She got a blue shirt and blue skirt and blue pants and had blue shoes and she had her blonde hair in a ponytail.

Simone Terrance: Oh wow! I look amazing.

Varie formed a mirror and she saw that she was back to normal.

Simone Terrance: Oh wow! I look awesome.

Varie: You sure do.

Simone Terrance: (Smacks Lips) Man I'm really thirsty.

Maria: Here you go.

She gave her some water and was gulping it down.

Simone finished drinking water.

Simone Terrance: Ahh! I needed that.

Nico: And now you're the same height as us

Simone Terrance: I sure am. Much better.

Eli: Yep.

Nico: Now that that's taken care of, who are the Anothers we have to face?

Eli: Rarity will like the first 8 of them. We have Advanced Crystal Beast Ruby Carbuncle, Amber Mammoth, Topaz Tiger, Emerald

Tortoise, Sapphire Pegasus, Cobalt Eagle, Amethyst Cat, Rainbow Dark Dragon, Cajun Fox and Anti-Wanda.

Me: Whoa! The dark versions of the Crystal Beasts and Rainbow Dragon.

Pepperdance: Ooowee! I have a feeling the Cajun Fox will like Cajun food like me.

Loni: This will be totes fun.

Lola: It sure will.

Nico: Yeah.

Me: Yeah this will be interesting.

Nico: Who's first?

Me: First up is Advanced Crystal Beast Ruby Carbuncle and that one is Mariposa Santiago the gene-slammer of Camo's archenemy.

Nico: Nice. Exploding Fruit Dragon VS Red of Darkness.

Me: Fitting.

Lola: Yep.

Maria: I'll call her in.

Maria did so and then a bunch of fruits grew and then…

KRASPLAT!

They exploded and out came Mariposa Santiago!

Mariposa Santiago: (Spanish Accent) Hey, guys!

Me: Nice entrance.

Xenia: Yeah.

Mariposa Santiago: I always did like making an explosive and fruity entrance.

Nico: Nice.

Me: Yep. And here it comes.

We saw Another ADVANCED CRYSTAL BEAST RUBY CARBUNCLE!

Qin: Whoa! This one is gonna be a tough one for the Birthstone of July.

Nico: Yep.

Eli: No kidding.

Nico: And you are?

Another Advanced Ruby Carbuncle: (In a girls voice) I believe that J.D. knows me.

Me: (GASP) That voice.

She reverted back and it was a girl with silver hair and she had blue eyes and had the kanji for Illusion in the middle of her forehead and she had grey and purple clothes and had purple angel wings and had Zexion's book on her left hip and on her skirt was the kanji for The Illusions of the 6 Cloaked Schemers and she had a keyblade for the world of Aladdin.

Me: (GASP) Ilana Zexion!

Nico: Whoa! The gene-slammer of Zexion!

Ilana Zexion: That's right and yes I am the last member of the Organization XIII Gene-slammers you have to meet.

Nico: It's awesome to meet you Ilana.

Me: Yeah.

Nico: This will be interesting,

Ilana Zexion: (Reads verse) "The Multiverse showed a powerful display as the area turned into an amazing crystal universe with beautiful crystals that dazzled with amazing beauty in the light of the sun and turned the arena into a magnificent and beautiful jeweled land that will be a battle of crystal."

And just like the wonder ride books that is exactly what happened! We were in a crystal arena and it was beautiful!

Me: WOW! Now here is my turn. (Reads Verse) "The Eternal Phoenix sensing the force of a great and dangerous opponent swooped in and with a mighty blast of fire from its immortal wings, rained down fireballs and blasted the opponent all over and out of the ashes of the flames came new life in the forms of amazing trees bearing fruit and life."

A phoenix flew in and blasted Ilana all over the place and new trees grew like it said!

Ilana Zexion: WHOA! That was so cool!

Me: Zexion's book is in every way like a Wonder Ride Book. That is awesome.

Mariposa Santiago: Si.

Ilana Zexion: Let's do this!

Girl Jordan: First lets separate you.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background.

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

Fast to sleep

Fast to sleep

Dark holoré in the Deep

Rise again holoré now

Spring abundant holoél

Render green the dying bough

Raise the rock where Yurgen fell

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Spring abundant holoél

Ilana glowed and Another Advanced Crystal Beast Ruby Carbuncle separated.

Mariposa Santiago: Now this will be good.

Yvette Edmunton flew in too.

Yvette Edmunton: Let me help out as well. I've always wanted to bring in stone statues of many of our great archenemies.

Nico: Good idea! We'll build an awesome museum of them in our garden.

Mariposa Santiago: Probably should've thought of that earlier.

Yvette Edmundton: No worries. But this will be good.

Mariposa fired waves of fruit and blasted Another Advanced Ruby Carbuncle and Yvette fired a red energy wave and it hit it and turned it to stone. I got the Wonder Ride Book and it was called The Illusion Princess and the Dark Demonic Ruby Carbuncle.

Qin: Whoa fitting and cool.

Xenia: Yep.

Me: One Down and 9 to go. Amber Mammoth next.

Nico: Whoa!

Maria: Annabelle Melchior is for that one.

She called her in.

In a rain of skulls and lightning came Annabelle Melchior!

Annabelle Melchior: Wassup?

Nico: More Anothers are up. You got Another Advanced Crystal Beast Amber Mammoth to face.

Annabelle Melchior: This will be fun!

Then we heard an elephant trumpet!

Me: Here it comes!

We felt rumbling and we saw it! We saw ANOTHER ADVANCED CRYSTAL BEAST AMBER MAMMOTH!

Qin: WHOA!

It stopped in front of us.

Lola: WHOA!

Nico: And you are?

Another Amber Mammoth: (In a girls voice) I believe that J.D. knows me through my grandfather.

She reverted back and it was a girl with orange hair and had a Jurassic Park vest on and she had orange angel wings and she had a red shirt and had a red skirt and brown shorts and boots and she had a necklace that had an amber sphere and in it was an all too familiar mosquito.

Me: Hailey Hammond!? Whoa!

Nico: Wait aren't you Dr. John Hammond's…

Hailey Hammond: Daughter. Yes. He is my father and dad invented Jurassic Park.

Me: Yeah he sure did.

Eli: That was so awesome to see.

Aylene C.: It sure was. Your father is a genius when it came to making that park.

Me: Too bad Isla Nublar exploded with Mount Tambora power and sunk into the ocean. But we got the dinosaurs out of there and made Paleozoic World.

Hailey Hammond: And thank goodness you all did. My father is forever grateful for that.

Camie: What's that bug in that rock?

Me: Oh that's a mosquito. Dr. John Hammond started Jurassic Park after finding perfectly preserved dinosaur blood in a mosquito perfectly fossilized in Amber or Fossilized tree sap.

Camie: Whoa!

Eli: That was amazing.

Nicole: According to paleontologists not even Amber can keep dinosaur blood perfectly preserved for that long for millions of years. It degrades after about 1,000 years.

Nico: But somehow this defied all expectations.

Nicole: Yeah it sure did.

Annabelle Melchior: Sorry we have to do this

Lincoln: But first this.

Lincoln fired a wave of light and separated her.

Annabelle fired a wave of lightning and immobilized it and Yvette fired a wave of red energy and turned the Another into stone and I got the Wonder Ride Book and it was called The Dinosaur Park Princess and the Amber Mammoth of Terror.

Nico: Nice.

Xenia: I'll say.

Nico: 3 more are coming!

Me: Topaz Tiger, Emerald Tortoise and Sapphire Pegasus.

Nico: Yep.

Maria called in Cassandra Kaos, Jenelle Goldie Kirby and Penelope

Aquarius.

In flashes of the 11 elements, a crystal of gold and a burst of water and lightning came Cassandra Kaos, Jenelle Goldie Kirby and Penelope Aquarius.

Penelope Aquarius: What's happening everyone?

Jenelle Goldie Kirby: We're ready for action.

Cassandra Kaos: This will be awesome.

Me: It sure will.

Eli: Here they come!

We saw ANOTHER ADVANCED CRYSTAL BEAST TOPAZ TIGER, EMERALD TORTOISE AND SAPPHIRE PEGASUS!

Me: Whoa! November, May and September's Birthstones.

Lola: Oh boy.

Maria: Who are you guys?

Another Advanced Topaz Tiger: (In a girls voice) I believe that J.D. knows me.

Me: That voice!

Jesse Anderson: Wait it couldn't be!

They merged and reverted back and then we saw a girl that looked like a female version of Jesse Anderson! It was a girl with teal green hair and green eyes and had on a Duel Academy Uniform for Obelisk Blue and she had rainbow crystal wings and had a sword of rainbow crystal in her hands and she had a Rainbow Duel Academy Duel Disk on her hip.

Me: (GASP) Jessebelle Anderson!

Jesse Anderson: Sis!?

Jessebelle Anderson: Bro!

They went and hugged each other.

Jaden: Wow your sister?

Jesse Anderson: That's right partner.

Me: Jessebelle is also a girl I know and she also has a Crystal Beast Deck.

Jessebelle Anderson: That's right. Also I am also the gene-slammer of all the Crystal Beast Cards, Advanced Crystal Beast Cards and both Rainbow Dragon and Rainbow Dark Dragon.

Eli: Whoa!

Alexis Rhodes: That's incredible!

Me: It sure is.

Lincoln: Boy and I thought Catherine Lancaster was the only Crystal Beast Gene-slammer we know.

Qin: That is awesome!

Nico: Your brother's accomplished a lot.

Me: He sure has. He and Jaden have done a lot of amazing deeds.

Jessebelle Anderson: I know and I'm so proud of him. Jaden you are the best partner ever for my brother.

Jaden: I'm truly honored.

Cassandra Kaos: That is for sure.

Me: Yeah.

Jesse Anderson: Sorry sis but we got to save you.

Jessebelle Anderson: I know bro.

Jesse jumped back.

Lincoln fired a beam of light and separated the anothers and she came back to us.

Cassandra, Jenelle and Penelope fired waves of elements and energy and blasted the Anothers and Yvette fired red energy and turned them to stone and I caught the Wonder Ride Books.

Nico: 3 More Anothers for us.

Lola: Yep.

Rarity: Boy our statue collection is really coming along darlings.

Nico: It sure is.

Me: Now for Cobalt Eagle and Amethyst Cat.

Nico: Better call in Renee Azmuth and Amelia O Connell.

Maria: Right.

Maria did so and Renee came in a bunch of gears and Amelia came in a swirl of stars.

Amelia O Connell: Ready for a stellar battle.

Renee Azmuth: I'm ready for action.

Eli: Rainbow Dark Dragon is coming too!

We gasped!

Qin: Whoa! A dark version of Rainbow Dragon.

Lola: I remember that one.

Maria: Better call in Alicia Vegavonda too.

Lola: Yeah.

She did so and in a flash of light came Alicia Vegavonda.

Alicia Vegavonda: I'm ready guys.

Qin: Awesome.

We then heard a roar!

Nico: There they are!

Then we saw 3 figures and they were ANOTHER ADVANCED COBALT EAGLE, AMETHYST CAT AND RAINBOW DARK DRAGON!

Me: Whoa!

Qin: This is gonna be brutal!

Nico: And you guys are?

Another Rainbow Dark Dragon: (In a girls voice) I believe that Lincoln knows me.

Another Advanced Amethyst Cat: (In a girls voice) And J.D. knows me.

They reverted back and Another Rainbow Dark Dragon was a girl with rainbow hair and blue eyes and she had pitch black angel wings and had the kanji for Rainbow in the middle of her forehead and she had black clothes and she had a rainbow sword and she had 7 jewels imbedded in her right arm for each color of the rainbow. Me: (GASP) Jewel Fire Opal!

Lincoln: And Colleen Niji Draconia!

Jewel Fire Opal: Awesome to see you again J.D.

Colleen Niji: And you Lincoln. Wow! You have grown!

Lincoln: I haven't seen you since you were 17.

Me: Another one of your awesome Guardian Angels no doubt.

Lincoln: Yep. And she is the gene-slammer of The Advanced Crystal Beasts and the Rainbow Dark Dragon.

Me: Whoa!

Lola: Wow!

Nico: That is amazing!

Colleen Niji: Where is that superstitious freak Lynn?

Me: Uh oh. Do you have an incredible amount of hatred towards Lynn?

Colleen Niji: You bet I do!

Me: Uh oh! What did Lynn do to Lincoln that would make you hate her so much this time?

Colleen Niji: You do not want to know.

Me: (GULPS) I have a feeling this one is going to make all the other revelations we heard about Lynn look like child's play in comparison.

Nico: Yeah.

Colleen Niji: Yeah it sure will.

Me: Uh oh.

Jewel Fire Opal: And yes I am a Crystal Gem Gene-slammer. I'm for Dragons Breath Fire Opal.

Qin: Ooh that is a beautiful stone.

Qin showed that she was wearing a ring for that stone.

Qin: Chris gave this ring to me and it was perfect for me.

Nico: (WHISTLE) That is awesome Qin.

Lola: It sure is.

Jewel Fire Opal: That is awesome.

Alicia Vegavonda: Shall we?

Jewel Fire Opal: Lets shall.

Lincoln: After this.

Lincoln fired waves of light and separated them and then Alicia, Amelia and Renee fired waves of light and energy and blasted the Anothers and then Yvette fired a wave of red energy and turned them to stone!

Nico: NICE!

I caught the Wonder Ride Books they had.

Me: Whoa! The Rainbow Dark Dragon is gonna be a heavy one to move.

Nico: I got this. (ACTIVATES SPOT'S RIDEWATCH)

He teleported the stone statues back to the estate through a portal and they were put into our garden.

Nico: We'll have to move them around later.

Pepperdance: Ooowee! Now it's my turn!

Nico: There's Another Cajun Fox!

Me: Smell that spicy cajun goodness!

Qin: YEAH!

We saw it come up to us.

Me: Here we go.

Another Cajun Fox: (In a girls voice) (Cajun Accent) Ooowee! This will be so fun!

Me: I knew it was you Jolokia Cayenne!

She reverted back and it was a girl with red hair and had red eyes and had a flaming chili pepper tattoo in the middle of her forehead and she had orange clothes and neon red angel wings and she had a sash made of chili peppers around her.

Jolokia Cayenne: Ooowee! Awesome to see you again J.D.

Nico: Wait a sec, you're the Ultimate Cajun Chef of Fire!

Jolokia Cayenne: That's right.

Me: Jolokia is the ultimate Cajun Chef and she makes the best New Orleans Cajun food in the world and comes in levels of spice too. The hottest is her hottest food ever.

Jolokia Cayenne: Reaper Dragon Jambalaya. J.D. is the only one that survived it. Ooowee! The rest are pushing up daisies.

Wanda Logan: Awesome to see you again J.D.

Me: Same here. Wanda was a girl that was born here on Earth but she wound up in Fairy World by accident and was adopted by a family of Fairy Godparents.

Lincoln: Wow, we're here in Hogwarts, and I know what we're going to do here, not only am I going to rescue the ten girls here and Ets is going to rescue the five girls here, but we're going to destroy Aya Tokoyogi, the omnicidal witch and main antagonist in the Fiesta For the Observers Arc on the anime and light novel series Strike the Blood.

Nicole: Oh, I've heard of her all too well, Aya Tokoyogi is an extremely sadistic, power-mad, deluded and cruel individual who takes sadistic pleasure in causing the death of innocents only for her self-satisfaction, and she's practically an evil version of her own daughter, Yuuma Tokoyogi.

Me: In other words: a bitch who needs to be put down forever.

Nicole: Exactly, Dad, and she has complete disregard to the people close to her when she tried to kill her own daughter who spent decades trying to figure out a way to release her from the prison of the Monster District.

Nico: What a Class-A bitch. So, what was her goal?

Lincoln: Her goal is mainly this: take over the Monster World, destroy the Itogami Island, kill Kojou Akatsuki, exterminate all the monsters and humans in the world, kill all life in the world and rewrite the world according to her twisted desire, and drain all magic of the planet to rule the new world as a Goddess. She needs to die here and now, Yuuma was desperately searching for a purpose in her existence, and by accident, she released Aya Tokoyogi, who used her own daughter for own selfish purposes, someone like that taking advantage of their own flesh and blood deserves nothing short than the cruelest and bloodiest death for everything she's done.

Suddenly, we saw a very beautiful and super sexy girl with long white hair and yellow headband blue eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful white angel wings, she's dressed in a white short-sleeved blouse, sleeveless yellow top, necklace with pearls and blue gem for the pendant, long ankle-length white skirt, white bridal gloves, white knee-high high-heeled boots with butterfly buckles, and long white sleeveless trenchcoat with lightning bolts, eagles, and angels on the coattails and on the back is Zeus, and holstered on her back is a massive Zeus-themed greatsword with embedded blue gems and Poseidon etched on the 7'0" massive, wide, double-edged white blade, large white eagle heads for the crossguard, large white angelic faces embedded on both sides of the hilt with blue gems embedded in their foreheads, longer midnight black handle, four large white angel heads and large blue gem on the bottom of the large white angel heads for the pommel, and with her are the ten girls Lincoln set out to rescue and the five girls Ets set out to rescue.

Selene Arcangela: (Gasps) The lightning and eagle motif on the sleeveless trenchcoat, you're one of the daughters of the Olympian Gods and Goddesses.

White-Haired Girl: That's right, and I got the girls away from that malevolent witch who was about to kill them for her sick twisted pleasure.

Lincoln: (Gasps) That voice, Maria Zeus, I knew it was you. But, we'll talk later, we still got to deal with that witch, Aya Tokoyogi.

?: (LAUGHING SADISTICALLY) How I will delight watching all of you die by my hands!

We then saw our target, Aya Tokoyogi, and she was indeed out to kill anyone she saw in her path.

Sylvester: So, the witch has shown herself at last.

Sylvester unholstered his Sylvester's Blood-Soaked Vampiric Demon Darkness Greatsword of The Dracul and transformed into Super Angel-Cat-Vampire-Acme Dark Knight-Harmony Universal

Eternal Celestial Xelnaga Darkness Looney Tune Feline Demonic Darkness Vampire Cat Angel of Divine Darkness Looney Tune Feline Demonic Darkness Vampire Cat Justice and Divine Darkness Looney Tune Feline Demonic Darkness Vampire Cat Death.

Lincoln: Aya Tokoyogi, you will never leave this place alive, you've committed too many atrocities to count, and for that, your sentence has been upgraded to death! Prepare to die!

Then, Lincoln drove his massive greatsword into Aya Tokoyogi's stomach, and he began sucking out and absorbing all of Aya Tokoyogi's supernatural dark magic abilities and advanced magical powers and he made them his own, along with draining her of her life energy, and when he was done and he removed his massive greatsword from her stomach, Aya Tokoyogi was now a desiccated corpse and he banished her evil soul to The Black Gates forever. We cheered as we holstered our weapons and powered down.

Lincoln: Your days of causing death and destruction are finally over, Aya Tokoyogi. (To Maria Zeus) And it's so good to see you again, Maria Zeus.

Maria Zeus: You too, Linky, it's been such a long time.

Lincoln went up to Maria Zeus and he hugged her, and Maria Zeus is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, fine hair on his massive forearms and short stubble on his jawline, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you nine since you were seventeen, and as you can see, I really grew a lot since then.

Maria Zeus: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 17-year-old 7'9" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, fine hair on your massive forearms and short stubble on your jawline and many accessories, that's really new, along with getting He-Man's chest harness. You've really really grown a lot in height and become a man, but you're still the same kind boy from long ago. Plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and he's become truly immortal.

Me: And Lincoln, you know this sexy mama?

Lincoln: Indeed I do, J.D., this is Maria Zeus, Daughter of Zeus, King of The Greek Gods and Greek God of Thunder and Leader of The Daughters of Olympus, she's my Guardian Angel from from Greece mainly the legendary Mount Olympus, and like her father, she's a Goddess of Thunder and has all her father's powers of thunder and lightning, she's immortal, and she's also extremely beautiful and sexy. When she and I met, there was indeed quite the attraction that turned into true love and she swore to protect me from those who sought to do me harm, and her targets were none other than Flip, Lewis Travolta, Scoots, Hawk, Hank, Pablo, Anderson, Chandler, Artie, Trent, and Killjoy Huggins, his enemies, and she also swore to protect me from Lori, Lynn, Lola, Lisa, and Luan.

Selene Emperyous: And she's really good friends with Lynn Sr. and Rita, and she and Lincoln helped Lynn Sr. with making some delicious dishes for his restaurant and helping Rita in the dentist's office, and Maria also helped in teaching Lincoln and Luna in everything that she knows when it comes to lightning and storms. Lincoln made Maria a beautiful necklace with blue gem for the pendant, along with a white short-sleeved blouse, yellow sleeveless top, long ankle-length white dress skirt, and white bridal gloves, and to show thanks, Maria kissed Lincoln on the lips while underneath a thunderstorm as lightning crashed behind them and it was truly beautiful.

Nico: The Daughter of Zeus and The Emissary and Champion of Hinon: that's quite an electrifying match made in Heaven.

Me: You got that right.

Lynn Sr.: She and Lincoln helped me greatly with cooking a lot of amazing meals in the restaurant, and it really drew in a lot of customers.

Rita: And they also helped me out with the patients in Dr. Feinstein's office, and they also kept out Flip.

Nico: Really?

Lincoln: Flip's backed out on many of his dentist's appointments for the last ten years, and I don't blame Mom for banning Flip for life.

Me: Filthy cheapskate, and she hates Lori with a blazing passion because Lori absolutely hated Maria for always defending Lincoln whenever she along with Lola, Lisa, Lynn, Luan, along with the rest of Lincoln's enemies plotted to kill him, and Selene Arcangela told Maria everything about what that control freak has done to him constantly and forcing him to do her bidding, and one time at Lynn's Table, Maria and Lincoln were there with Lynn Sr. helping the customers, but their day of helping Lynn Sr. was ruined when Lori showed up and started causing havoc by trashing the place and that caused the customers to run out of there screaming for their lives, and Lori was laughing like a monster bitch out of Hell, and she was about to kill Maria, Lincoln, and her own dad to slake her thirst for blood, that was until Lincoln snapped, and he attacked her with a dangerous ferocity, and they and Maria blasted her with bolts of lightning and electrocuted her, and they also pounced on and kicked the tar out of that violent control freak bitch, and Lincoln fired red energy waves from his massive white angel wings and tied her up in a red energy straitjacket, and when he alerted the rest of his family of what Lori did, Lori got herself grounded for seventeen weeks, and she was forced to clean up the restaurant and repair everything that she broke on her violent rampage, and Lincoln and Maria were watching her, because if she dared to back out or try to get revenge, she was so going to get electrocuted big time!

Nico: Ugh, Lori, your Dark Side, I hate to say it, is a total Alpha Bitch to the infinite core!

Lynn: If Lori still had her Dark Side in her, she'd kill you for even saying that, Nico, but yeah, what you said was true.

Luan: Yeah, and we remembered that incident all too well, it was such a total mess at the restaurant, and Lori went way too far that day!

Leni: We were almost that close to disowning her and throwing her out of the house, and we were also going to do the one thing that was really bound to hurt her: tell Bobby everything that Lori had done to Lincoln in the past.

Luna: And when that happened, it would lead to Bobby breaking up with Lori, but of course, that'll also lead to her seeking revenge, and we know just how vengeful she can be. But, we didn't do that.

Nico: Oh man, that'd be enough to devastate her big time!

Lincoln: Thank goodness Mom and Dad stopped you all from doing so, and just grounded her for her stunt and Dad made her clean up the mess she made with me and Maria watching her every move and if she slipped up, we'd give her a really nasty electrocution if she tries to escape or try to get her revenge. And now that you're here, Maria.

Lincoln went up to and hugged Maria Zeus in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Maria Zeus: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Maria Zeus' neck of with blue gems on the gold lightning bolts and blue crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck.

Maria Zeus: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Maria Zeus.

Maria Zeus had a smile on her face and tears in her eyes as Lincoln still had his abnormally massive and powerful muscular arms around her, and he leaned down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the fifteen girls, and when Lincoln saw who they were, he immediately recognized them. The ten girls Lincoln is to rescue are Amelia Smith, Chidori, Irene Yoneda, and Kanoko Yotsuba from Assault Spy and Darya, Charlotte, Sawyer, Vellatrix, Pepper, and Nova from Crush Crush and the five girls Ets is to rescue are Aoi and Odango, Ruri, Sirina, and Explora from Crush Crush.

Lincoln: Oh wow, it's Amelia Smith, Chidori, Irene Yoneda, and Kanoko Yotsuba from Assault Spy and Darya, Charlotte, Sawyer, Vellatrix, Pepper, and Nova from Crush Crush.

Ets: And Aoi and Odango, Ruri, Sirina, and Explora from Crush Crush.

Nicole: Whoa, you two have rescued some awesome and sexy girls.

Suddenly, Aoi and Odango, Ruri, Sirina, and Explora from Crush Crush pounced on and kissed Ets all over his face, massive muscular body, and eight-pack abs as thanks for saving us from Aya Tokoyogi.

Lincoln: I knew that was going to happen. Are you girls okay.

Amelia Smith: Yes, we're okay, thanks to you.

Then, when Amelia Smith and the other nine girls saw who it was that saved them from Aya Tokoyogi, their faces turned atomic red upon seeing the 17-year-old 7'9" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head, fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with a gold lightning bolt and Ebonwu Squadron emblem emblazoned on his forehead with Third Eye on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, He-Man's chest harness with colored gems on the orange crisscrossing straps and large circular chest plate with phoenix on it, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between the kanji that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer of Extremely Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic, Irredeemable Bastards and Tyrants, Talented Comic Book Writer and Video Gamer, Jack-Of-All-Trades, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of Many of Team Loud Phoenix Storm's Branch Teams, Spice Demon of The Loud Family, Surfer of The Legendary Wave Humungadunga, Third-In-Command And Founder of Team Loud Phoenix Storm, Emissary of The Cosmos and The Heavens, Ambassador of Harmony, Friendship, Purity, Hope, Courage, and Love, and God of Friendship, Hope, Love, Courage, and Justice Dodgeball Angel King of Gotham Royal York, The Unifier of The Three Kingdoms and Warriors of Japan, Fearsome Defender of His Many Guardian Angels, and Destroyer of The House of Damaskinos", he has deep sapphire blue eyes, tattoo of a pepper with fire surrounding it on his broad left shoulder, and Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm, and he had his Rabbit Miraculous, Eini, with him, his male white Rabbit Familiar, Alistair, his white Vampire Bat Familiar, Artemis, and his white Wolf Familiar, Seiko, along with Darkus Battle Ax Vladitor, Darkus Omega Leonidas, Pyrus Omega Leonidas, Haos Omega Leonidas, Subterra Omega Leonidas, Ventus Omega Leonidas, and Ventus Omega Leonidas.

Amelia Smith: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made nine clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene.

Amelia Smith: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, ten Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Amelia Smith, Chidori, Irene Yoneda, Kanoko Yotsuba, Darya, Charlotte, Sawyer, Vellatrix, Pepper, and Nova with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to The World Tree Estate, and the rest of the team were shocked to find out the villain we went after was Aya Tokoyogi, the omnicidal witch and main antagonist in the Fiesta For the Observers Arc on the anime and light novel series Strike the Blood.

But, when Lincoln showed what happened such as all of us brutally beating that omnicidal witch down and then, Lincoln finishing her off by stabbing her in the stomach with his massive greatsword and it lead to him sucking out all of Aya Tokoyogi's advanced magical powers and supernatural dark magic abilities and making them his own and sucking out and absorbing her life energy which turned her into a desiccated corpse and finally banishing her to The Black Gates forever, everyone cheered and hugged us and Lincoln's harem kissed him all over, and they had steam whistling out their ears. Lincoln and Maria Zeus have a lot of catching up to do, now that she's back in town.

Maria: Oh man, I can't believe that omnicidal witch was in Hogwarts, but you guys showed her what for.

Rarity: And Linky really finished her off by stabbing her in the stomach with his massive greatsword and it lead to him sucking out all of Aya Tokoyogi's advanced magical powers and supernatural dark magic abilities and making them his own and sucking out and absorbing her life energy which turned her into a desiccated corpse and finally banishing her to The Black Gates forever.

Lincoln: That's right, I wasn't going to let that witch get away with this.

Me: If we run into Yuuma Tokoyogi, there's no doubt she's going to wind up in your harem soon.

Nico: I have a feeling you're going to be right, J.D.

---

After destroying Aya Tokoyogi, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Maria Zeus saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Maria Zeus: My God, I was right that Lincoln's really grown into a

17-year-old, 7'9" tall, really big, handsome, and really strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been bodybuilding and working out for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Maria, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Maria Zeus: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Maria Zeus: Oh man, I knew it was only a matter of time before he told everyone that story.

Nico: Yep. So, Maria, what's the story on that whole incident Lincoln mentioned, and of how you and Lincoln took her down after Lincoln snapped and brutally thrashed her?

Maria Zeus: I was hoping you'd ask that, and it's something we all remember all too well.

Maria Zeus pulled up a video and it played on the screen, and it shows Lincoln and Maria helping Lynn Sr. at Lynn's Table in making some awesome dishes in the kitchen. Suddenly, they heard the sound of stampeding footsteps heading right for them. Then, through the window, they saw the doors burst open, and it was none other than Lori, but her eyes were blood red and her teeth were sharp fangs and she was foaming at the mouth.

Nico: Jeez!

Lincoln: But, here comes the worst of her wrath.

Then, we watched the video and it showed that Lori started causing havoc by trashing the place and that caused the customers to run out of there screaming for their lives, and Lori was laughing like a monster bitch out of Hell, and she was about to kill Maria, Lincoln, and her own dad to slake her thirst for blood.

Past Lori: YOU'RE NEXT, TWERP, ALONG WITH YOUR BITCH AND THE BALDING COWARD! THIS IS WHAT YOU GET FOR DEFYING ME AND FOR EVEN EXISTING! (LAUGHING LIKE A MONSTER BITCH OUT OF HELL)

Suddenly, Lincoln's heart was pounding and his pupils shrank in pure rage and his deep sapphire blue eyes turned blood red with vampiric rage and fury, and his fangs grew longer and his claws grew sharper, and then, he absolutely lost it.

Past Lincoln: (ROARING WITH VAMPIRIC RAGE) LLLLLLLLLLLOOOOOOOOOOOORRRRRRIIIIIIIII!

Eli: OH… !

Nico, Alicia, Mindy, and Connor Chan: Triple Shit!

Me: Yep, Lori was dead meat on a stick!

Lori tried to run at Lincoln and kill him with a knife, but Maria Zeus blasted her with a bolt of lightning and it disarmed her, and then, Lincoln attacked her with a dangerous ferocity, and he even left claw marks on her tank top as he slashed at her with his claws.

Then, Lincoln and Maria blasted her with bolts of lightning and they electrocuted her, and they also pounced on and they kick the tar out of that violent control freak bitch, and Lincoln fired red energy waves from his massive white angel wings and tied her up in a red energy straitjacket, and when he alerted the rest of his family of what Lori did, Lori got herself grounded for seventeen weeks, and she was forced to clean up the restaurant and repair everything that she broke on her violent rampage, and Lincoln and Maria were watching her, and Lori was seething with rage.

Past Lori: (GROWLING) JUST YOU WAIT, TWERP, I'LL HAVE MY REVENGE ON YOU AND YOUR BITCH!

Past Lincoln: If you so much as lay one hand on my Guardian Angel, I will drain you dry of every last drop of blood in your body! (Deep sapphire eyes turn blood red and fangs lengthened)

Lori went back to work for fear of Lincoln's vampiric rage as the video ended.

Nico: Oh man, oh God, I can't believe Lori would do something as sick and twisted as that: destroy the restaurant in a twisted and insane rage, and kill you, Mr. Lynn, and Lincoln, Maria.

Luna: It was absolutely disgusting.

Luan: It was, and we were talking in a meeting in Luna's room, and we voiced our anger at Lori, we even said, "Who the heck does Lori think she is?!"

Laney: And, "If that control freak so much as does this again, she's getting a forty-foot stick shoved up her butt!"

Nico: (Whistles) Man, you really hated Lori's guts for what she did.

Lana: Big time.

We got a shower, and then, Lincoln, Aromage Jasmine, Aromage Laurel, Aromage Marjoram, and Aromage Rosemary are heading for Lake Lamode.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'9", handsome and extremely muscular man was dressed in his new large orange speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Aromage Jasmine, Aromage Laurel, Aromage Marjoram, and Aromage Rosemary are dressed in the two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Aromage Jasmine, Aromage Laurel, Aromage Marjoram, and Aromage Rosemary had feelings for Lincoln and he also had feelings for them, and he also saved them all from an ambush by a group of thugs Trina Riffins hired to kill them, Lincoln killed them all and sucked out their blood and life energy, which made Trina Riffins go insane with anger, until Lincoln fired energy blasts at him and more gold and jewels and treasures came out of that bitch, but they also got to keep their heads up, they got word that bitch, Trina Riffins, has sent more muscle-bound thugs to kill them.

Aromage Jasmine: Wow, so this is Lake Lamode, it sure is beautiful.

Lincoln: It sure is, Aromage Jasmine, and it's perfect for our first date. Shall we?

Lincoln, Aromage Jasmine, Aromage Laurel, Aromage Marjoram, and Aromage Rosemary dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, then they went into an indestructible dome and they also had a game of volleyball, and Aromage Jasmine, Aromage Laurel, Aromage Marjoram, and Aromage Rosemary got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, but then, they saw hulking muscle-bound thugs hired by Trina Riffins coming after them, but Lincoln grabbed each of them one by one and he'd sucked out their muscle mass and strength and made them thin as rakes and completely weak and he sent them to The Black Gates forever.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Aromage Jasmine, Aromage Laurel, Aromage Marjoram, and Aromage Rosemary, and they hugged the girls in their abnormally massive and powerful muscular arms, and Aromage Jasmine, Aromage Laurel, Aromage Marjoram, and Aromage Rosemary placed their hands on the massive pecs of Lincoln and his clones, and then, they shared a passionate and romantic kiss. Then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face, massive muscular body, and eight-pack abs.

Nico: Whoa, looks like someone really had an awesome time at Lake Lamode, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, four Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Aromage Jasmine, Aromage Laurel, Aromage Marjoram, and Aromage Rosemary with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Aromage Jasmine, Aromage Laurel, Aromage Marjoram, and Aromage Rosemary are now in your harem.

?: Um, excuse me, are you Lincoln Loud of Team Loud Phoenix Storm?

Lincoln turned around, and he saw who it was that spoke to him: Yuuma Tokoyogi, the daughter and complete opposite of Ava Tokoyogi.

Lincoln: (Gasps) You're Yuuma Tokoyogi.

Yuuma Tokoyogi: Yes, and I'd heard that earlier today, you killed my "mother", the very monster who used me for her own selfish purposes and who delighted in killing thousands of innocent people for her sadistic pleasure.

Lincoln: I might've guessed you heard about that, and…

Suddenly, Yuuma Tokoyogi ran up to Lincoln and wrapped her arms around his back and hugged him as she cried onto his chest, and he then instinctively wrapped his abnormally massive and powerful muscular arms around her.

Yuuma Tokoyogi: Thank you, thank you, thank you.

Lincoln: You're welcome, Yuuma, it's okay.

Nico: Your mom manipulated you for her own selfish desires and took advantage of your good nature, and we'd found out about the crimes she'd committed and they warranted her getting sent to The Black Gates, Yuuma.

Me: Yeah, she was a monster.

Suddenly, Lincoln leaned down to Yuuma Tokoyogi's face and he kissed her on the lips and she also returned it as she then moved her arms and placed her hands on his massive pecs. Then, she leans her head to her left side, and Lincoln knew what it meant: he leans his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Yuuma Tokoyogi's neck of with purple gems on the gold lightning bolts and purple crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird

Choker of Eternal Love on her neck.

Yuuma Tokoyogi: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Yuuma Tokoyogi.

Yuuma Tokoyogi had a smile on her face and tears in her eyes as Lincoln still had his abnormally massive and powerful muscular arms around her, and he leaned down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them.

Me: Wow, you really are the brave knight and angel that saves those who fell into despair, Lincoln.

Nico: He sure is, and he saved Yuuma from her omnicidal mother, and now, she's become a member of his harem.

May: She deserves a new life after what her mother had done to her, and Lincoln gave her that new life, and she came here to meet the man who'd slain her evil mother and freed her from that pain and torment.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was none other than the Aaravos, the overarching antagonist of The Dragon Prince, and he was there to cause havoc.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is someone coming after us?

Lincoln: You guessed it, Rayman, and this is something no one's going to like: the dark energy signal and the figure we sensed belongs to Aaravos, the overarching antagonist of The Dragon

Prince, and he's here to cause havoc.

We gasped.

Nicole: Oh man, I've heard of him: he's an ancient and powerful Startouch Elf, and he's arguably the most powerful being in the series canon, having mastered the six Primal Magics, seven if one were to count Dark Magic, and like other Startouch elves, he is extremely long lived, as he is roughly 5,000 years old.

Me: Whoa.

Callum: And he's one of my most dangerous enemies, we got to head down there to deal with him once and for all.

Nicole Hale: That'll be left to me and Lincoln, Callum.

Lincoln: And he'll suffer the same way I'd done to many powerful magic users: drained of his powers and life energy.

Nico: You got that right, Lincoln. Okay, gang, let's go, we may not have a mission today, but we still got to get rid of Aaravos.

Lincoln: Yeah, we can't let that monster get away with what he's done, he must pay for his crimes in full.

Nicole Hale: There shall be no mercy for you, Aaravos, as The Guardian of Earth, we shall put an end to you here and now, along with your dark ambitions.

Lincoln put up a rainbow energy field around The World Tree Estate and we headed out to the park to kill Aaravos.

We arrived at the park to hunt down the powerhungry vengeful ancient Startouch Elf, Aaravos.

Lincoln: Alright, we've made it the park, and I can sense Aaravos' energy, and there's no doubt about it: he's here.

?: Too bad for all of you, it shall be your last day alive.

Janai the Sunfire Elf Princess: I always knew there was no mistaking that voice from anywhere, come out now, Aaravos.

A figure came out, and it was none other than Aaravos, the ancient and vengeful Startouch Elf and archenemy of Callum and his allies.

Aanya: Aaravos, I should've known that you'd show up here one day, and it hadn't been that long since we got rid of Viren, and now, we just need to get rid of you.

Aaravos: Even if you could, it won't stop Viren, he will return and he will have his revenge on you all.

Nicole Hale: That's a risk we're taking, but we'll be rid of him if he dares to come back. But, you, we'll soon rid the entire world of you.

Suddenly, Nicole Hale's green eyes turned neon green and she was surrounded by a pink and green energy aura with stars, quintessence, plants, leaves, earth, life energy, phoenixes, and angels, she unholstered her Guardian of Kandrakar greatsword from her back, and as she approached Anck-Su-Namun, she left pink and green energy, stars, quintessence, plants, leaves, earth, life energy, phoenixes, and angels with every step.

Nicole Hale: Aaravos, I will never forgive you for the crimes that you've committed against the entire realm for over a thousand years, you've orchestrated massive conflicts and discords for a thousand years, but even during your imprisonment, you still continued your manipulation of the leaders of The Human Kingdoms and caused even more conflict and discord. You've crossed lines that meant one thing: you don't deserve forgiveness for your crimes, and as The Guardian of Earth, I will make you pay for every last one of the crimes you've committed over a thousand years ago with your own blood.

Suddenly, Nicole Hale was surrounded by a massive vortex of pink and green energy with stars, plants, leaves, life energy, and quintessence surrounding the vortex, there are phoenixes and angels flying around the vortex, and in the vortex is an emerald green phoenix with red eyes glaring at Aaravos: the red eyes of eternal death. Then, as the vortex faded, Nicole Hale emerged, but she was changed forever.

Nicole Hale grew to 7'5" in height, she has the body of a goddess, she has pink highlights in the bangs of her long emerald green hair, she has neon green eyes and a pink and green energy aura with quintessence, life energy, stars, leaves, plants, phoenixes, and angels surrounding her, she has the symbol of Earth in the hands of an angel emblazoned on her forehead and Third Eye with green iris, she has on angel earrings with green gems for eyes and holding the Quintessence, Earth, and Eternity Kanjis in her hands, she also has an angel with green gems for eyes and holding the Earth, Quintessence, and Eternity Kanjis in her hands for the second pendant on the bottom of her green phoenix-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with emerald green crystal links from her merged Crystal Necklace of the Buddha and emerald green gems on the gold lightning bolts, and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Nicole Hale has on a sleeveless open purple vest, sleeveless blue crop top, long sea foam green skirt reaching her ankles, purple pants, blue shoes, and long sleeveless white trenchcoat with quintessence, life energy, stars, leaves, plants, phoenixes, and angels on the coattails, and on the back is the symbol of Earth surrounded by quintessence, life energy, stars, earth, plants, leaves, phoenixes, and angels. Suddenly, Nicole Hale felt a sharp pain on her back, and then, massive emerald green angel wings with green tips on the emerald green feathers grew and sprouted out from her back, and she also now has eleven massive and long emerald green wolf tails with pink tips and pink markings, Nicole Hale has on her Ring of the Phoenix with large green gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Nicole Hale's Sword of Kandrakar and all the greatswords and swords that she'd gotten began to merge together, and they were surrounded by a kaleidoscope of pink and green energy, quintessence, life energy, stars, leaves, plants, earth, phoenixes, and angels, and when it emerged, it was transformed into Nicole Hale's Quintessence Nature Earth Fury Kandrakar Guardian Greatsword of Earth Kandrakar Quintessence Earth Nature Justice, it's a brand-new massive greatsword with embedded green gems and the symbol of Earth etched on the 7'4" massive, wide, double-edged emerald green blade, large emerald green dragon heads with green gems for eyes for the crossguard, large white angelic faces built into both sides of the hilt and large emerald green gems embedded in their foreheads, longer midnight black handle, four large green phoenix heads with emerald green gems for eyes and on the bottom of the large green phoenix heads is an emerald green dragon head with green gems for eyes and a pink gem in its mouth for the pommel, Nicole Hale has on her large gold cuff Bracers of The Champions of The Universe with emerald green gems on her wrists and Dragon Ball Bracelet on her left Bracer, her large gold Belt of Elemental Bravery with a large gold phoenix head with emerald green gems for eyes and large green gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. Nicole Hale has transformed into SUPER ANGEL-KANDRAKAR EARTH QUINTESSENCE GUARDIAN-PHOENIX-HARMONY UNIVERSAL ETERNAL CELESTIAL XELNAGA DIVINE COSMIC KANDRAKAR EARTH NATURE FURY QUINTESSENCE HEAVENLY PHOENIX ANGEL OF DIVINE COSMIC KANDRAKAR EARTH NATURE FURY QUINTESSENCE HEAVENLY PHOENIX ANGEL JUSTICE AND DIVINE COSMIC KANDRAKAR EARTH NATURE FURY QUINTESSENCE HEAVENLY PHOENIX ANGEL LOVE!

We were amazed by Nicole Hale's Super Angel-Kandrakar Earth Guardian-Phoenix-Harmony Universal Eternal Celestial Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when Aaravos saw it, he fired a blast of dark magic at Nicole to kill her, but Nicole deflected the attack, and she fired a powerful barrage of pink and green energy, quintessence, life energy, stars, leaves, plants, earth, phoenixes, and angels at Aaravos, and they exploded with such incredible power as the barrage hit him, now the battle was on.

Cornelia Hale: (Gasps) Oh wow, Nicole's transformed!

Nico: She sure has, and that evil ancient Startouch Elf is so done for now.

Lincoln: Aaravos' treachery and orchestration of massive conflicts and discord for over a thousand years had brought nothing but chaos even before he was imprisoned, and even after he was put in prison, he still orchestrated massive conflicts and discord in the Human Kingdom, now only one thing awaits him: death.

Nicole Hale: (Divine Godly Voice of The Divine Cosmic Kandrakar Earth Nature Guardian Quintessence Heavenly Phoenix Angel and Divine Cosmic Kandrakar Earth Guardian Quintessence Heavenly Phoenix Angel Love) You got that right, now let's destroy this treacherous elf once and for all, Linky.

Lincoln unholstered his massive Lincoln Loud's Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Phoenix-Harmony Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Mythological Hope, and he joined Nicole Hale.

Lincoln: (Divine Godly Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Your days of causing discord and sparking massive conflicts around The Human Kingdoms are over, Aaravos, now you shall pay for your transgressions!

Nicole Hale and Lincoln went after Aaravos who tried to attack them with more blasts of dark magic, but Lincoln and Emma weren't affected as soon as he sees that we're now immune to all forms of magic, and they fired extremely powerful blasts of rainbow energy, pink and green energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Aaravos and they exploded with incredible power as they hit him.

Then, they attacked him with their massive greatswords leaving scars on him, and Lincoln left many more with his claws and firing energy slashes from his claws and he and Nicole Hale also attacked him with punches, kicks, and karate chops, along with elemental blasts. Then, Lincoln drove his massive greatsword in Aaravos' stomach, and he began sucking out and absorbing all of Aaravos' supernatural dark magic abilities and advanced dark magical powers and he made them his own.

Lincoln: (Divine Godly Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Now, to make sure you stay dead and gone for good, Aaravos. VAMPIRIC LIFE ENERGY DRAIN!

Suddenly, all of the many gems embedded in the 7'5" massive, wide, double-edged golden blade of his Lincoln Loud's Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds began glowing blood red, and then, Lincoln began draining Aaravos of all his life energy and blood, and when he was done and he removed his massive greatsword from his stomach, Aaravos was now a desiccated corpse drained of magic, life energy, and blood, and as soon as his soul appeared, Lincoln banished his evil soul to The Black Gates forever and he fired a blast of rainbow fire and incinerated Aaravos' body. We cheered wildly for what Nicole Hale and Lincoln did as they holstered their weapons and powered down, and Nicole Hale's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long emerald green tails, and massive emerald green angel wings are permanent.

Nicole Hale: The pain and suffering you caused a thousand years ago due to your orchestration of the massive conflicts and discord throughout The Human Kingdoms and even now ends here, Aaravos, may you never return. Thanks for helping me destroy Aaravos for good, Linky.

Lincoln: (Smiles Warmly) You're welcome, Nicole.

Suddenly, Nicole Hale wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Nicole Hale's face, they kissed passionately as she moved her arms and placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, and Angel flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with a beautiful lush green jungle with lush plants forming around them, and we cheered wildly. Then, Lincoln and Nicole Hale absorbed the jungle and elemental forces and they came back to us as the display vanished.

Nico: Wow, now that was one truly awesome fight and 1,000 years of justice have been dealt unto Aaravos, Lincoln, Nicole, you two showed that dark Startouch Elf absolutely no mercy whatsoever.

Lincoln: Janai and Aanya told me everything that Aaravos had done, and I wanted to make sure that he pays the price for all his crimes, and when he showed up today, I knew the chance had arrived to put an end to Aaravos.

Janai the Sunfire Elf Princess: Indeed, Lincoln. Now, Aaravos is gone for good, but if what he said is true, then, tomorrow on your rescue, we're bound to face off against Lord Viren who's bound to come back from the dead to get revenge for our last conflict years ago.

Lincoln: I know, Janai, but we'll be ready for that madman, and this time, he'll get The Black Gates.

Nico: Yeah, that black magic-using High Mage of Katolis and terrorist will pay big time if he dares to come back from the dead. So, Lincoln, which of the daughters of The Olympian Gods and Goddesses are we meeting tomorrow?

Lincoln: I've already got a good one for tomorrow, the next one we're meeting tomorrow is Melanie Nyx, Daughter of Nyx, The Primordial Greek Goddess of The Night, she's my Guardian Angel from from Greece mainly the legendary Mount Olympus, and like her mother, she's a Goddess of Darkness and has all her mother's powers of darkness, she's immortal, and she's also extremely beautiful and sexy.

Me: Hubba Hubba.

Selene Emperyous: When she and Lincoln met, there was indeed quite the attraction that turned into true love and she swore to protect him from those who sought to do him harm, and her targets were none other than Flip, Lewis Travolta, Scoots, Hawk, Hank, Pablo, Anderson, Chandler, Artie, Trent, and Killjoy Huggins, his enemies, and she also swore to protect him from Lori, Lynn, Lola, Lisa, and Luan, she's really good friends with Lily, and Melanie and Lincoln helped Lily in photographing many landscapes at night, and because of it, Lily was introduced to the hidden beauty in the darkness, and Melanie also helped in teaching Lincoln everything she knows about the primordial darkness. Lincoln made Melanie a beautiful necklace with purple gem for the pendant, along with a black short-sleeved blouse, black sleeveless top, long ankle-length white dress skirt, and white bridal gloves, and to show thanks, Melanie kissed Lincoln on the lips as the stars shined underneath the night sky, and it was truly beautiful, and she hates Chandler with a bloody passion, because Chandler absolutely hated Melanie for always defending Lincoln whenever he, along with Lori, Lola, Lisa, Lynn, Luan, along with the rest of Lincoln's enemies plotted to kill him.

Michelle Emperyous: And Selene Arcangela told Melanie everything about what that sewage rat has done to him constantly and trying to kill him, and one time when Maria and Lincoln were coming home from their day at Gus' Games and Grub, Chandler showed up and he was out to kill them yet again, that was until Lincoln let loose the beast inside him and he viciously attacked Chandler with a dangerous ferocity, and he and Melanie blasted him with blasts of darkness and disarmed and blinded him, and they also pounced on and kicked the tar out of that bastard, and Lincoln fired red energy waves from his massive white angel wings and tied him up in a red energy straitjacket, and when he alerted his family of what Chandler tried to do to him and Melanie, they were really furious, and then, Lincoln called the cops and they took Chandler away, and he got put in jail, but he swore revenge on them big time.

Those who weren't there when that happened gasped in shock.

Nico: Oh man! Chandler really was out for blood yet again, that bloodthirsty Dark Side of his was a royal pain in the ass!

Me: That's putting it mildly, Nico. But, you were right about that remark, Chandler's dark side was a massive pain in the ass, and I still remembered that incident all too well, and on that day, Chandler was now on thin ice with everyone.

Luna: He sure was, dude, and you're also going to see the video of that incident when we meet her tomorrow.

Lincoln: You got that right, Luna.

---

Later it was time for Natalia's final mission.

Maria: This is it. The last ambassador mission for a while.

William: Anyone else want to go with Natalia? Besides Jason Lee Scott and Zayto?

Me: Well I have an awesome mission planned for this one. We'll have the Kamen Riders and their ambassadors come ith.

Me: Yeah Nico don't let this get you down. We're just waiting to finish up the first half and we'll think of something later.

Nico: You're right. I shouldn't let this get me down.

Eli: That's the spirit.

Nico: Besides, next, I have simulator missions involving Mario bosses.

Me: Those are great ideas.

Nico: Yep.

Kit: Lets go talk about some of the riders missions.

We went into Kit's house.

When we arrived we saw Kit's father Frank Taylor.

Frank Taylor: J.D. its been a long time.

Me: Frank it's been a while.

Frank Taylor: My god look at you. You grew so big.

Me: I know. 15 years did all that for me.

Adam then appeared.

Me: Adam.

Nico: Hey, Adam.

Adam: Been a long time J.D.

Me: It has been a while.

Adam: You grew a lot J.D.

Me: Tell me something I don't already know.

Eli: Yeah.

Will Vandom: Yeah that is for sure.

Eiji: Yeah.

Me: We really are sorry that Xaviax made you his puppet by threatening Sara.

Adam: It's fine. Just promise me Xaviax will get what he deserves.

Nico: He will. I promose you that.

Me: That you can guarantee. I've gotten infinitely more powerful over the last 15 years. I've gotten stronger and faster and more skilled. Xaviax is in for one helluva nasty surprise when we face him on the big day.

Kit: When is that again?

Me: We're projecting June 28th.

Nico: Yep.

Touma: We're not going to let Xaviax get away with this.

Nico: Hibiki was the first Kamen Rider mission we've had.

Hitoshi: That's right and it was so fun.

Me: Yep. From July 7th to August 14th, 2022 we met and helped the Kamen Riders from Japan and helped them battle their major enemies.

Gali: That's right. We battled Kaendaishou in that one.

Len: Wow!

Me: Yep. Kabuto was next.

Souji: That's right.

Nokama: That was a crazy one.

Souji: Issei Kurosaki was battled in that one.

Me: Then came Den-O.

Takanuva: That one was awesome and great.

Nico: After that was Kiva.

Me: That one was a true test of our vampire hunting skills.

Stella (Winx Club): It sure was awesome.

Maxxine: Then came Decade and that was a cool one.

Tsukasa: That was awesome. We faced Apollo Geist in that one.

Kit: Cool!

Me: Yep.

Nuju: Then came W.

Philip: Yep and we took down NEVER in that one.

Me: They were 6 people that were brought back from the dead as supersoldiers.

Len: That's insane!

Nico: I know.

Me: They are now in the M.O.E. and they are the archenemies of some of Lincoln's guardian angels.

Nico: Yep.

Kit: That is cool!

Me: Yep.

Will: Then came OOO next.

Eiji: We took down Maki in that one.

Me: He and I had a really nasty history together. I blasted his arm off after he was defeated.

Nico: Yep.

Whenua: My mission was next and that was a cool one.

Me: We battled the Sagittarius Zodiarts in that one.

Nico: That one J.D. liked because of astronomy.

Len: Wow!

Elyon: My missions were for Wizard.

Haruto: Yeah they were magical.

Me: Yep and we battled the Wiseman in that one.

Nico: Yep.

Lillian: For my missions we went to another planet and battled the Vengeful 6.

Kouta: It was located at the very distant edge of the universe and it was crazy.

Kit: That is amazing.

Me: Yep.

Onewa: My missions were an adrenaline rush with the Drive team.

Shinnosuke: Yeah that one was awesome. Everyone used our cars for that one.

Me: Banno was our target for that one.

Nico: Yep. And May ripped apart the monster that killed Shinnosuke's father.

Shinnosuke: It's true and she ate his heart.

Kit: YUCK!

Me: I know.

Onua: Ghost was an educational one. The Eyecons we used taught us all about figures from history we never knew anything about.

Takeru: It's true and that was awesome.

Kit: Wow! That is awesome.

Me: Yep. Then came Ex-Aid.

Kopaka: Yeah that one was Nicole's favorite too.

Me: My daughter Nicole is the Goddess of Video Gaming and she loves video games.

Emu: It's true and she is amazing.

Kit: That is awesome.

Pohatu: Then came the Build team.

Sento: My version of Japan was an Apocalyptic one.

Eli: Yeah no kidding. Japan was divided into 3 factions by a ginormous wall caused by an interstellar entity named Evolt.

Me: I let all hell loose on him.

Kit: WHOA!

Roxy: And when J.D. and the others had my mission, we learned that Swartz united the available Kamen Rider villains into Dai Shocker under his leadership.

Me: Yeah we sure did.

Kit: Whoa!

Maxxine: Then came my missions and that was where we battled Swartz.

Me: I unleashed my second most powerful transformation ever on Swartz and Nico and May, they tore that motherfucker to shreds.

Nico: I made him eat his own heart after I ripped it out of his chest.

Flora: My missions were after that.

Me: That one was one of our most technologically advanced missions and it was cool. We battled a malevolent artificial intelligence that was very similar to SKYNET and that was called ARC.

Kit: WHOA!

Aruto: I know and it was amazing.

Me: Yep and Aruto's jokes are really funny too. Luan likes them.

Nico: She sure does. Then came Megan's missions.

Me: That was for the Saber team.

Touma: That was where we fought Storious.

Me: That guy was one seriously fucked up douchebag. He was going to kill us all with the power of literature.

I showed my Wonder Ride Book.

Me: The power of the Wonder Ride Books is limitless.

Nico: Yep.

Kit: Wow! That is amazing.

Megan McCallister: Yep. Those 13 days were awesome.

Me: They sure were.

Cassidy: Then came Kamen Rider Blade and that one had a bittersweet story to it.

Kit: Really?

Me: Yep. Long and terrible story on that one.

I went over what happened and it was crazy.

Evelyn: Those were my missions and they were rough.

Nico: Yeah.

Kazuma: The team found me on a planet made of Sweet Potatoes.

Me: And I vowed to get terrible vengeance on Hitoshi and make him pay for what he did to the Blade team.

Eli: It's true.

Nico: Yeah.

Cassidy: And just recently we did the 555 mission. My missions.

Takumi: Yeah that was awesome.

Kita: Don't forget my missions.

Me: Right sorry. Before 555 we helped the Revice team. They are 2022's riders.

Nico: Yep.

Kit: Wow!

Ikki Igurashi: That was so fun.

Me: Yep. We killed Giff in that one.

Nico: We sure did.

Me: Now we finish up the Japanese Rider missions with Kadma's mission tomorrow.

Eli: Yep.

Kit: Wow! That is so cool!

Me: Yep. And the Kamen Riders did a lot for us even before they joined the team. Most of them helped us out during the 20 Days of Darkness.

Len: Oh wow! That is an awesome debt that you owe them for helping you guys out back then.

Eli: Yeah it sure was.

Applejack: It was a big debt that we owe them.

Maya: Wow you guys did it all with the Kamen Riders.

Me: Yep. They helped us first and we helped them to make it even.

Eli: Yep.

Me: Now we just have the Agito team tomorrow and then next month we help you guys with destroying Xaviax. Then we'll have officially completed the riders for both America and Japan.

Eli: That's right.

Eubulon: The best way to destroy Xaviax once and for all is with the Link Vent like before.

Kit: Maybe even channel Black Gate energy through that.

Me: We have the power to do that.

Eubulon: That works perfectly.

Me: Awesome.

Pryce: Unfortunately, my Strike Deck is with JTC.

Emu: Ouja's American counterpart. He might not be a serial killer like Ouja but he's still strong like he is.

Me: Yeah but JTC is going to be in for one helluva shock seeing me and how much I grew. Not to toot my own horn.

Kit: Yeah.

Nico: This will be good.

Twilight Sparkle: JTC?

Me: His name is James Trademore. But he likes to be called JTC.

Nico: Yep.

Me: Yep.

Nico: Better call Sheila and Tom so they know where to find us. That way, they can throw JTC in the local jail until Xaviax is defeated.

Me: Right.

Nico did so.

Sheila: We're on our way Nico.

Nico: Great.

Nico hung up.

Eli: I sense him. He's right on top of there.

He pointed to the U.S. Bank Tower.

Me: that's the U.S. Bank Tower. That's the tallest building in Los Angeles.

Nico: Yep.

Kit: Better use our Survive Modes for this one.

Me: I remember those. They were cool.

Nico: Yep. Lets do it.

We were off.

---

We flew up to the building and we saw him.

Nico: There he is!

Me: Yep.

We landed.

Me: JTC!

He turned and saw me. My rainbow hair waving in the wind.

JTC: Been a long time J.D. You've grown quite a bit.

Me: I knew it was your doing when we were here 3 days ago

Sougo: You don't look so tough unlike your Japanese counterpart.

JTC: Looks can be decieving. Emphasis on "looks".

Me: Well same with me. I'm not the same as I was when we fought the last time. In case you haven't noticed, I've gotten infinitely more powerful ever since then. 15 years has done wonders for me.

JTC: Then come prove it.

Me: Your overconfidence will be your undoing. Just remember, you brought this on yourself.

I then transformed into my most powerful transformation! I went SUPER ANGEL EBONWU UNITED FRIENDSHIP UNIVERSAL ETERNAL CELESTIAL XELNAGA COSMIC ELEMENTAL WOLF MOON PHOENIX!

JTC: WHAT!?

Kit: WHOA! J.D. is that really you!?

Me: (Divine Echoing Godly voice) It still is me Kit. But I've transformed into my most powerful transformation ever. It's a long story.

Nico: Yep.

JTC: Why even bother continuing to fight for the people? Especially after all the times they've turned on you?

Nico: Why? Because it's the right thing to do.

JTC: You know it's not too late for you guys to join up with Xaviax. If you do, no one will ever say no to you guys again. Oh, don't worry, you can still fight crime like good little heroes. You'll even get paid. All we ask is that you turn the other way… on any occasion we choose!

Kit: Seriously? Was that your best offer?

Me: Yeah you can do better than that. Besides, take your offer and shove it up your butt.

Girl Jordan: Yeah! What J.D. said!

JTC (Annoyed): Well, it was the only I could think of since that idiot Albert used up the offer to go back in time and kill Carnage too early! And just in case anyone tries to attack me after making a decision… Kamen Rider!

He turned into KAMEN RIDER STRIKE!

Nico: This will be good!

Dragon Rider team: KAMEN RIDER!

They transformed!

Me: It's not just America that we have too, we have the Japanese Riders!

Japanese Riders: HENSHIN!

They transformed!

They saw the riders from 2000 to 2022!

JTC: WHAT THE!?

Me: Kamen Rider has been on for over 50 years in Japan and America only had it on for a fraction of that time. Now you get to see the number of riders from Japan.

Eli: Lets dance!

Kit: But first, time to bring out the big guns.

Survive Mode!

They turned into their awesome Dragon Knight Battlizers! SURVIVE MODE!

Nico: Awesome!

Me: Cool! This is gonna be good!

JTC: Big deal! I'm not afraid of you!

Me: You should be!

I teleported and punched him in the stomach with devastating force and kneed him in the face and flipped him and smashed him into the floor!

Jason: It's Morphin time!

Zayto: Link to Morphin Grid!

THUNDERCLAP!

Jason: TYRANNOSAURUS!

He turned into the Red Mighty Morphin Ranger!

Zayto transformed!

Zayto: TYRANNO FURY! DINO FURY RED!

Nico: YEAH!

I kicked JTC into an air conditioner unit and it exploded!

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was down. But he got up.

JTC: WHY YOU! Is that all you got!?

Me: I'm just getting warmed up.

JTC: So am I!

JTC summoned Venosnaker, Evildiver, and his own version of Metalgelas.

Jason: (gets out Scorcher's Advent Card) Those aren't a lot!

He activated it and fired waves of fire and blasted him all over.

Me: You aren't the only one that knows how to use a cobra! FIRE STYLE NINJA ART: HELLFIRE CASCADE!

I formed a cobra made of the black flames of Amaterasu and it fired a wave of fire and it hit Venosnaker, Evildiver and Metalgelas and burned them all over!

Kit: That was awesome!

Eli: Yeah it was!

Nico: Kit, I almost forgot! Here's your Legend Items!

Kit: Cool!

Me: We made legend items for all the Dragon Rider team!

Kit: Nice!

Kase: Lets see what they can do. (ACTIVATES ROSE WOMAN'S ADVENT CARD)

She fired waves of powerful Rose Petals and blasted down JTC!

Nico: COOL!

Kase: That was awesome!

Me: Yep.

Kit: Here we go! (ACTIVATES PROPELLER WOMAN'S ADVENT CARD)

He fired a wave of wind and blew him into a roof door wall!

Nico: WHOA!

Zayto: (gets out Toon Patrol's Advent Card) Dino Fury Power!

Zayto activated it and fired bullets at JTC and blasted him all over!

Eli: YEAH!

Me: And Kit you'll like this one. Here's one of the Ryuki riders to help out.

I whistled and then…

KRASPLASH!

Out of a huge splash of water that appeared in the center of the building came an Aqua Blue Ryuki Kamen Rider for the Shark! It was KAMEN RIDER ABYSS!

Nico: WHOA! Kamen Rider Abyss!

Kamen Rider Abyss: Awesome to meet the Dragon Knight team. It'll be an honor to help you guys out.

Me: I met him while I was out on patrol.

Nico: Nice!

Kit: Who are you by the way?

Kamen Rider Abyss: Itachi. Itachi Kusakabe. Awesome to meet you.

Kit: Same here.

Nico: (gets out Anti Wanda and Pinky and the Brain's Ridewatches) Let's see how you like this!

He activated them and fired waves of magic and energy and blasted them down.

Me: Here's your legend items Itachi.

I gave them to him.

Itachi Kusakabe: Thanks. Lets see what they can do. (ACTIVATES SIRENA THE EVIL MERMAID'S ADVENT CARD!

He fired waves of water and blasted down JTC!

Nico: Nice one!

Chris Ramirez: This one's for Venting me!

Final Vent!

Chris rides on his version of Evildiver's back and rams into JTC.

KRASMASH!

He smashed him down with incredible force!

Eli: And this too!

He fired a wave of Force Lightning and electrocuted him!

JTC got up and he was really steamed!

JTC: Why you little!

SQUISH! SLIP!

He stepped on a banana peel that was put there somehow and slipped and crashed onto his back!

Nico: What the!

Me: Man that gag is old.

JTC: You wanna go on using Final Vents? Fine by me!

Final Vent!

JTC runs toward Itachi with Venosnaker slithering behind him before jumping into the air. Venosnaker then spits a stream of venom at JTC, propelling him into a flying bicycle kick that strikes Itachi.

But instead of striking Itachi he hit a wooden log and shattered it into a million pieces!

Itachi Kusakabe: WHOA!

Me: Praise the log!

Back in the Leaf, Iruka was giving a lesson.

Iruka: AMEN! Wait why did I say that? The kids laughed.

Itachi Kusakabe: Thanks J.D.

Me: Anytime. What I want to know is who put that banana peel there.

Unite Vent!

Venosnaker, Evildiver, and Metalgelas were merged into Cerebeast.

Me: WHOA!

JTC: With Cerebeast, there's no way you guys can stop me. It's a shame, really. We could've made a good team together.

Kit: Don't make this harder on yourself. Stand down.

Me: What he said!

JTC: Are those really gonna be your last words? Nothing to say to Maya?

Kit: Go to Hell!

Just then, we heard Tom's voice.

Tom Lair: JTC!

We then saw below several cops as well as Tom and Sheila.

Me: Perfect timing guys!

Tom Lair: This is Officer Lair and Officer Castille Loud of Gotham Royal York! You're under arrest! Throw down your weapons and come down with your hands up!

Sheila: We know you're working for Xaviax. We know you helped him the first time! And we know you're still helping him! You can't kill all of us! Now, we don't want any bloodshed. It's up to you!

JTC: No! You guys must've called them before you got here. Well, I'm not going down without a fight!

Me: We'll make you bloody, battered and broken if we have to then!

Kase: Now's my chance!

Final Vent!

Kase got the the Wing Slasher. Blancwing then flies behind JTC and creates a gust by flapping its wings, sending JTC flying towards Kase, who slashes him with the Wing Slasher!

SLASH!

He was knocked down.

Me: Come on JTC, you can do better than that.

JTC: You want it! YOU GOT IT!

Final Vent!

A hole leading to a void opens on Cerebeast's chest, creating a vortex that begins sucking surrounding objects into it. JTC then delivers a corkscrew kick to Kit.

But I used a Force Field and stopped the corkscrew kick!

Nico: Nice try.

I fired a wave of fire and blasted him all over!

ZOOOM!

I ran fast and smashed him down with a deadly kick.

ZOOM ZOOOM ZOOM!

I was running fast and leaving a rainbow trail behind.

Adam: My turn!

Final Vent!

Adam jumped into the air to emit dark energy and then deliver a flying side kick to JTC with Dragblacker flying behind to boost the attack's power with its dark flame.

It hit him and exploded.

KRABBBBBBBOOOOOOOOOOOOOOOOOOOOOOOMMMMMMM!

Eli: Take that!

Then a Hoopa came in!

Me: Whoa a Hoopa!

Nico: Cool!

Hoopa: (In a girls voice) Take this!

She smashed him on his head with a mallet!

Me: OOH! OUCH!

Nico: (LAUGHS) Melanie Loki! I knew it was you!

Me: Nice!

JTC fell to the ground powered down.

Nico: It's over, JTC. Stand down.

JTC: (Gets out gun) I still got one more trick up my sleeve!

Nico: (gets out Deadshot's guns) So do I.

They both fired at each other.

BANG BANG BANG BANG BANG!

The scene then cuts back to Sheila, Tom, and their fellow officers running to the rooftop. They saw JTC clutching his shoulder in pain while Sabretooth's healing factor was healing Nico own wound.

I then slapped the cuffs on JTC.

Me: Book him guys!

Nico took the Strike Advent Deck.

Nico: I believe this is yours.

Pryce: Thanks Nico.

Nico: Anytime.

Melanie Loki reverted back and she was a girl with neon pink hair and had neon pink and yellow clothes and had the kanji for Mischief in the middle of her forehead and she had a ring blade.

Nico: Awesome to see you Melanie.

Melanie Loki: Same here Nico.

Nico: Did you leave that peel there?

Melanie Loki: Yeah sorry about that. That was from my breakfast. I knew he was going to slip on it.

Me: You sneaky mischief maker. But then again Hoopa is the Mischief Pokemon.

Zayto: What's your favorite memory of Nico?

Melanie Loki: When me and Nico pranked the entire mean girl queen bee cheerleading squad by putting itching powder in their clothes and then we covered them in raw sewage and then drenched them with sprayed them with skunks.

WE LAUGHED!

Me: (LAUGHS) That is so funny!

Eli: Yeah! They had it coming!

Zayto: That was funny.

Melanie and Nico hugged.

Nico: I've really missed you.

Melanie Loki: Me too Nico. Me too.

KROW!

Nico: OUCH! (To me) WHY YOU LITTLE!?

Me: Sorry Nico you had this on you.

I pulled off a sign on his back.

Nico: (Reading) "Kick me, I am a stupid chum farting buttface?" Melanie!

Melanie Loki: Sorry!

Kit: Natalia, ever since I met you, I've seen you as a big sister.

Natalia: Really!? Oh Kit!

They then hugged!

Nico: Aww.

Sougo: So awesome.

Natalia: That was so awesome and cool.

May: Don't worry, Nico. The Ambassador missions won't be on hold forever. After all, there's still Geats and King Ohger

We later came home.

May: Hey guys. How did it go?

Me: It was really awesome!

We told everyone everything and it was fun and cool.

May: Boy that is awesome!

Eli: Yeah it sure was.

Laney: Sorry we didn't come along.

Me: No worries.

May: Don't worry, Nico. The Ambassador missions won't be on hold forever. After all, there's still Geats and King Ohger

Nico: I know. But for now, they're on a well deserved break.

Me: WHEW! Yeah no kidding. This was still fun though.

Lola: Yeah it was.

I went down to the surface and got to the mailbox.

Me: Lets see what we got.

I opened the mailbox and in it was a lot of letters and magazines.

I got them all out and went back up.

Me: Mail's here!

Nico: What did we get?

Me: Lets see. Bills, fashion magazines, ooh comics. Crack Ups?

Sonic: Oh That's for us. We ordered a subscription.

Tails: You will like this guys

They showed us.

Tails: It's a talking comic. Watch.

Tails pushed a button and we saw that it was Dr. Robotnik sitting on a brick wall.

Narrator: Humpty Dumbty sat on a wall, Humpty Dumbty had a great fall.

Robotnik was a big egg guy and he fell off the wall and crashed into the ground and broke in half.

Narrator: But the people of Mobius just stood round and giggled while that rotten egg just laid their and wiggled!

Dr. Robotnik laid their and wiggled and the people of Mobius laughed hysterically!

Robotnik: Help! I've fallen and I can't get up!

We laughed hysterically!

Nico: (LAUGHS) That is so funny!

Xenia: YEAH! (LAUGHS) That is funny!

Eli: (LAUGHS) So funny!

Sonia Sonic: (LAUGHS) THAT IS SO FUNNY!

Me: (LAUGHS) That is funny!

Later the mascots were upp to something in the kitchen.

Lori: (sighs) And now literally begins another exciting episode of "Cooking With the Mascots" also known as, "How to Destroy Your Kitchen In 10 Easy Steps." Step 1: Choose food based on difficulty level.

Poromon: Lets see.

They chose a feast like the one that Goku and Gohan ate when they came out of the Time Chamber.

Lynn: Step 2: Begin prep; cut yourself and let loose a barrage of curse words.

Poromon: Really? Okay. HERE WE FUCKING GO TO COOK A BULLSHIT MEAL!

Manaphy: YEAH THERE IS NO FUCKING TURNING BACK NOW!

Horsea: AND THIS WILL FUCKING HER!

SLASH!

Horsea: OUCH! THAT FUCKING HURT!

Lola: Step 3: Refuse to leave until Ratchet gives you the glow-in-the-dark kind of Band-Aid.

Ratchet: You called?

Horsea: Thanks.

He put it on Horsea.

Lori: Step 4: Screw up a major step in the food prep really badly.

They added too much gravy to the chicken.

Poromon: Oops!

Lynn: Step 5: Denial.

Poromon: Maybe no one will notice.

They continued.

It was a funny too.

Lola: Step 6: Set something on fire.

WHOOSH!

The oven had flames in it!

Manaphy put it out with water!

Lori: Step 7: Decide it's still edible.

They saw that the meal was still good and tasted it and it was good.

Manaphy: MM-HMM!

Tentacool: Nice!

Jirachi: Yeah.

Lynn: Step 8: Do something stupid.

BONK!

Poromon slipped and crashed into the wall.

Poromon: I'm okay!

Lola: Step 9: Turn your kitchen into a nuclear war zone.

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMM!

There was an explosion and the kitchen was burned all over.

Poromon: Ouch.

Lori: Step 10: Initiate back-up plan.

The mascots decided to do it right and they made an awesome feast and it was a good one.

That was a crazy kitchen escapade.

We saw the feast and chowed down and MAN IT WAS AWESOME!

Lynn: Damn, this ended up delicious!

We were eating everything and it was great!

Goku: Ah this is good stuff!

Nico: You said it Kakarot!

Me: (Eating chicken and it was good) Mmm! Delicious!

Xenia: (Eating dumplings) Mmm!

Eli: (Eating meat on a bone) MMM!

Maria: Are you okay, Horsea?

Horsea: I'll be fine.

Qin: Good.

We had a great meal and we licked the plates all clean.

We were stuffed.

Me: Ahh!

Goku: Boy that was excellent!

Nico: You got that right Kakarot.

Vegeta: It was a good meal.

Lola: It sure was.

Nico: You guys made these by yourselves?

Poromon: We sure did.

Manaphy: Glad you guys liked it.

Me: We loved it guys.

Nico: Yeah we sure do.

Lola: That was so fun.

Poliwag: But there were a few… complications

Me: Like what?

Poliwag: The chicken was filled with too much gravy.

Me: That's no big deal. I liked it.

Qin: Yeah it was good.

Lola: It sure was.

Horsea: I cut myself

Maria: Yeah we saw that.

Eli: And we saw the explosion.

Nico: And the little fire.

Me: Oops.

Qin: Yeah you guys did good though.

Nico: Should we fix up the kitchen?

Lisa Loud: That won't be necessary.

Lisa pushed a button and the kitchen cleaned up in seconds and it was fixed.

Me: Whoa nice job Lisa!

Lincoln: I'll say. Thanks.

Lisa Loud: You're welcome.

We heard the doorbell ring

Me: Come in!

In came a Volcanion!

Me: Whoa a Volcanion!

Nico: Whoa a hot one.

Qin: Yeah.

Volcanion: (In a girls voice) Boy that meal looked awesome for you guys.

Nico: Yesenia Yellowstone! Whoa!

She reverted back and she was a girl with red hair and red eyes and she had the kanji for Boil in the middle of her forehead and she had fire angel wings and had orange clothes and a volcano sword.

Yesenia Yellowstone: Awesome to see you Nico.

Nico: Same here.

Poromon: We cooked it!

Yesenia Yellowstone: I can see that guys wow! Well done guys.

Xenia: They did a great job.

Lola: They sure did.

May: What's your favorite memory of Nico?

Yesenia Yellowstone: When me and Nico were in Yellowstone and we found a crystal there that was made by the geysers.

Nicole: Whoa that's the Yellowstone Ruby. That was you guys?

Yesenia Yellowstone: It sure was.

Me: That is cool.

Nico: Yep.

Nico and Yesenia hugged.

Nico: I've really missed you.

Yesenia Yellowstone: Me too Nico. Me too.

Maria: Nico, which Gene Slammers do you think you'll meet next?

Nico: Now we start the Alola Pokemon. Decidueye, Incineroar and Primarina next.

Eli: Cool!

Qin: Awesome!

Me: We'll probably meet Decidueye on Nico's rescue and the other two during the Hitotsuki battle.

Nico: Yep.

Qin: Awesome.

Xenia: Yep.

Tom Lair came in.

Tom Lair: Pardon me. But can we borrow the mascots?

Me: What's going on?

Tom Lair: Just need their help with something.

Poromon: Sure. Lets go guys.

They followed Tom and Sheila.

In Sheila's Police car, the mascots told them what they did.

Sheila: So, you cooked something, huh?

Manaphy: We sure did. We cooked an amazing meal.

Tom Lair: Well that's really awesome.

Sheila: What did you guys cook?

They told them what they cooked.

Sheila: Oh boy that sounds tasty.

Tom Lair: It sure does. Good job guys.

Manaphy: Thanks.

Poliwag: But there were complications

They told them what happened.

Sheila: Oh boy. That is crazy. But at least you did a good job in the end.

Tom Lair: Yeah everyone liked your meal.

Manaphy: Yeah. So what's the sitch?

Tom Lair: Okay. Lately, there's been sightings of a drug ring

Manaphy: Where at?

Tom Lair: Gotham Royal York Pier Warehouse. They are believed to be making 90,000 pounds of illegal drugs per day. We need your help to go undercover and gather a confession to get a slam dunk for us to raid the warehouse and arrest them. Frankie the Squealer told us about what they were doing but we need undercover proof from the inside and that's where you come in.

Poromon: Boy it's like something out of a spy movie.

Tom Lair: (LAUGHS) It feels like it doesn't it.

Poromon: You can count on us!

Poliwag: (Salutes with his tail) You got it!

Tom Lair: Good luck guys. We'll have the team on standby in case things get rough.

Manaphy: Okay.

Poromon: Lets get to work guys!

They went to the pier.

---

At Gotham Royal York Pier they arrived at the warehouse.

Horsea: Is this the place?

Manaphy: Yep.

Poromon: Here we go guys.

They went up to the warehouse.

They walked up to the door and knocked on it and a thug answered.

Manaphy: Hello there!

Thug: What do you's four pipsqueaks want?

Poromon: To help yous in the operation. I'm Carnage Storm.

Poliwag: Bonebreaker

Manaphy: Stabbing Pain.

Horsea: Dirtchewer.

Thug: Like those names. We'll give ya's a shot. Come on in.

They went in.

Thug: So, you want to make cocaine and all that shot, huh? Get ready for a crash course!

Poliwag: Bring it on!

Thug: Love that spirit.

They went to a lab.

Thug: Here are the instructions on the table.

Poliwag: Lets do it!

They got to work and read it and learned out it works and all that.

Poromon had a tiny camera and radio transmitter in his feathers. It was no bigger than the point of a pin.

It was showing everything. And then they heard the conversation from the boss. The boss was Joe Swanson's enemy Bobby "The Shirt" Briggs.

Poromon made 1 drug and while doing so he was recording the whole thing and Bobby Briggs was singing like a bird.

Bobby Briggs: No one is going to suspect that I'm here. Even if they do I'm going to be long gone by the time they catch me. I will be rich beyond my wildest dreams with all the dough I'll make here. And Swanson will never be able to find me. Not even Team Loud Phoenix Storm will find me.

Manaphy: Can we bring this drug home with us?

Poromon: (Whispering) No we can't.

Manaphy: (Whispering) Aw man.

Poliwag: (Whispering) Darn.

Thug: Alright. Lemme see the drugs you guys made.

They showed them to them.

Thug: Not bad yous guys.

Poromon: Thanks!

Thug: Man, you guys made me proud! Heck, I don't even care why you volunteered for this class. I'm just happy to have students!

Poliwag: Aw no problem.

They got to work some more.

Meanwhile with the team we were on the phone with Sheila and Tom.

Nico: So, what did you guys need the mascots for?

Tom Lair: We have them going undercover in a drug making operation.

Me: Tom and Sheila told me everything Nico.

Nico: Wow. Can they do it?

Me: Have faith in them.

Maria: Maybe we should head over there just in case.

Me: Good idea.

Nico: I agree there.

Eli: Right.

Nico: Lets go.

We left.

Manaphy: I made 2 drugs.

Poliwag: I made 3.

Horsea: I made 4.

It was a productive day for them.

Nico knocked on the door.

Thug: I'll get it!

He went to the door and opened it and saw NICO!

Nico: Hiya.

POW!

The thug got punched in the face and sent crashing into the wall.

Thug: The fuck is this?!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOMMMMM!

A massive fiery explosion blasted through the roof and a phoenix cry was heard and we flew in!

Poromon: BUSTED BAD GUYS!

Bobby Briggs: Team Loud Phoenix Storm!?

Me: That's right.

Nico: You all are under arrest!

Teacher Thug: (laughs and surrenders) I don't even care anymore!

Eli tied him up.

Eli: Boy he was touched.

We blasted the thugs and henchmen with lightning and electrocuted them and we tied them up. Then a gunfight broke out!

Poromon Got a gun And fired and blasted thugs left and right.

BANG BANG BANG BANG BANG BANG BANG BANG BANG!

He was blasting them all over and the kill count was rising fast.

We tied up many thugs alive and then we faced Bobby Briggs.

Lola: You're going back to prison Briggs! Payback for crippling Officer Swanson!

Poliwag slapped him with his tail

SLAP SLAP SLAP SLAP SLAP SLAP SLAP SLAP SLAP SLAP!

Poliwag: Take this!

He fired a Bubblebeam blast and blasted him down.

Horsea squirted sludge into his eyes and blinded him.

Manaphy blasted him all over too.

Bobby Briggs: You'll never take me alive!

ZOOM!

I was in front of him.

Me: You're not going anywhere except a nice dark prison cell.

He fired his machine gun and I used lightning fast speed and caught all the bullets and he ran out of ammo.

I dropped them.

Me: I believe these are yours.

I leg swept him and kicked him in the back and smashed him down with a spinning axe kick and it snapped his back and he was permanently paralyzed!

Bobby Briggs: I can't feel my legs!

Manaphy: Thank you, Mr. Teacher!

He smiled as he was taken away.

Tom Lair: Nice job guys!

Manaphy: Thanks Tom!

Lola: That was so awesome.

Joe Swanson: Thank you so much guys. Bobby Briggs is now in prison forever.

Then Joe broke down crying hard.

Me: Joe what's wrong?

Joe Swanson: (Crying) We got him! We got him!

Cleveland: Bobby Briggs is the one who Crippled Joe and got him confined to that wheelchair forever.

Horsea: May we ask your name?

Thug: Oh sure. Sammy Crane the Teach. You guys made me happy. I never wanted to become a thug in the first place. I wanted to be a great teacher and give kids a good education. Because I love to work with kids and help them.

Horsea: That's a great job.

Eli: I think we can work something out for you.

Poliwag: Now, we're gonna show you guys the chemistry skills we learned!

Nico: (GULPS) Oh boy.

Me: I wonder what it is they learned.

Varie: Lets go see.

We later went to Lisa's lab and they showed us what they learned.

We saw them make a blue liquid.

May: What did you guys just make?

Poromon: We call it the Anti-Criminal, Anti-Psychopathy and Anti-

Sociopathy Serum.

Me: This I got to see. And I have the appropriate test subject.

I clapped my hands and then in came Wacko.

Johnny Test: Wacko!? Oh this will be interesting.

Nico: For a minute, I thought you guys were gonna make cocaine.

Poromon: No way!

Manaphy: Yeah we didn't want to do that!

Me: Lets see if this stuff works.

I went over to Wacko.

Me: How about a drink Wacko?

Wacko: (INSANE LAUGHTER) The only thing I'm thirsty for is revenge!

I then held his nose and made him drink it.

Then…

ANGEL HARP PLAYS!

He was good and happy and permanent free of his evil urges and more!

Wacko: Oh my! I can't believe I was making evil toys to kill people! What kind of monster had I turn into!?

Me: WHOA It really works!

Xenia: WHOA!

Nico: That is amazing!

Qin: Yeah!

Lisa Loud: That is really genius guys!

Eli: It really did the trick!

Maria: You guys DID learn something.

Nico: You sure did!

Qin: Yeah!

Poromon: Yeah that is amazing!

Me: We'll have to make sure there are no side effects to this though.

Nico: Eli, can you check for any?

Eli: I'll try.

He used the Force and it analyzed the chemical formula and saw that it was perfectly safe, no side effects or anything.

Eli: No side effects to it at all. It's perfectly safe!

Me: Whoa! Poromon, you and the mascots have done an amazing contribution! You may have given the world of Criminology and the Justice System the perfect medicine to help people get cured of their psychotic, homicidal and evil psychopathic and sociopathic natures.

Nico: No kidding!

Xenia: Yeah!

May: You guys deserve a reward,

Me: More than that May! This is definitely worthy of getting the Mascots all nominated for the Nobel Peace Prize.

Allenby: I was just about to say that J.D.

Nico: Yeah! Lets make them a feast like they did us. Without the complications.

Me: Good idea.

Eli: Wait look!

We saw a black smoke come out of Wacko and it was dissolving.

Dark Wacko: YOU WILL PAY FOR THIS TEAM LOUD PHOENIX STORM! I WILL KILL YOU ALL IF IT'S THE LAST THING I EVER… (FADES)

Me: WHOA! This serum expelled his evil that poisoned his body and banished it to the Black Gates!

Nico: Wow! That is amazing! Mascots you did a great job!

Poromon: Thanks Nico.

Me: After the feast is done we got to get ready.

Nico: Right Kadma's big day is Tomorrow.

Eli: Yep.

We got the feast done and the mascots did an amazing and awesome deed.

We later went and enjoyed the rest of the day and went to sleep.

---

Meanwhile over in Japan the Agito team was getting ready for our arrival and it was going to be an awesome battle to destroy the Lords for good.

Shouichi: I'm really excited for this everyone.

Ryo Ashihara: Me too. It'll be awesome to have everyone help us. Especially Kadma.

Mana: It sure will be awesome.

Shouichi: Lets get ready.

They got ready.

Shouichi and Ryo: HENSHIN!

They transformed and Makoto donned his armor and they went at the screen and it froze…

For Lincoln's rescue tomorrow, Lincoln and his group are heading to Maretime Bay, and we got bad news: our old enemy, Lord Viren, has come back from the dead wanting revenge on us for destroying him years ago just as Aaravos foretold yesterday, but we're more than ready for him, and this time, we are going to destroy Lord Viren once and for all and send him to The Black Gates forever. And we're going to meet the next Daughter of The Olympian Gods and Goddesses, her name is Melanie Nyx, Daughter of Nyx, Primordial

Greek Goddess of The Night, she's Lincoln's Guardian Angel from from Greece mainly the legendary Mount Olympus, and like her mother, she's a Goddess of The Night and has all her mother's powers of darkness and the night, she's immortal, and she's also extremely beautiful and sexy. When she and Lincoln met, there was indeed quite the attraction that turned into true love and she swore to protect him from those who sought to do him harm, and her targets were none other than Flip, Lewis Travolta, Scoots, Hawk, Hank, Pablo, Anderson, Chandler, Artie, Trent, and Killjoy Huggins, his enemies, and she also swore to protect him from Lori, Lynn, Lola, Lisa, and Luan, she's really good friends with Lily, and Melanie and Lincoln helped Lily with her photography projects by taking pictures of Royal Woods at night, and they introduced Lily to the hidden beauty of the darkness and the night, and Melanie also helped in teaching Lincoln in everything that she knows about the darkness and the night. Lincoln made Melanie a beautiful necklace with purple gem for the pendant, along with a midnight black short-sleeved blouse, midnight black sleeveless top, long ankle-length white dress skirt, and white bridal gloves, and to show thanks, Melanie kissed Lincoln on the lips as the stars and full moon shined in the night sky and it was truly beautiful, and she absolutely hates Chandler with a bloody passion because Chandler absolutely hated Melanie for always defending Lincoln whenever he along with Lori, Lola, Lisa, Lynn, Luan, along with the rest of Lincoln's enemies plotted to kill him, and Selene Arcangela told Melanie everything about what that sewage rat has done to him constantly and also trying to kill him, and one time when Melanie and Lincoln were heading home from Gus' Games and Grub, Chandler showed up and tried to kill Melanie and Lincoln to slake his thirst for blood, that was until Lincoln let the beast out in him and he attacked him with a dangerous ferocity, and he and Melanie blasted him with blasts of primordial darkness and disarmed and blinded him, and they also pounced on and kicked the tar out of that prick and Lincoln fired red energy waves from his massive white angel wings and tied Chandler up in a red energy straitjacket, and when he alerted his family of what Chandler tried to do to him and Melanie, they were furious at Chandler, and then, Lincoln called the cops who then took Chandler away to jail, and in his seething rage, he swore revenge on them, but Lincoln swore if Chandler dares to come after him, his family, loved ones, friends, and Guardian Angels, he swore he would kill him in the cruelest and bloodiest way imaginable.

Get ready for an awesome battle as we go meet the Agito Riders and help them battle El of Water and we're going to seal that monster into the Book of Vile Darkness and have her be put into the M.O.E.

See you next time.

Me: Boy I remember this level.

Nicole: Me too. It was a hard but fun one.

Eli: And the music in this level is great.

Nico: I know.

Lola: It sure is.

Camie: Yeah.

Venus: Boy these bramble vines are sharp and they hurt.

Vinyl Scratch: No kidding.

Nico: Lola, I want to thank you, Firefly, and your teams for coming.

Lola: No problem Nico and this is gonna be so fun.

Chunk: Even though I'm always with you guys this is always so fun.

Lola: Yeah it sure is.

Nico: Chunk, do you have a specific role in the Ripping Friends?

Chunk: Not really. We do everything equally in the Ripping Friends.

Rip: He's right on that. Even though we are known as the World's most manly men we all do stuff equally.

Lola: They work together as a team in all things.

Chunk: It's true. But also Nico I love comic books as much as Lincoln does.

Lincoln: He and I sure do have something in common.

Rip grabbed Chunk's nose and pulled it.

SNAP!

He let go and it hit his face.

Chunk: OUCH!

Crag: Break it up guys!

Nico: They fight like the Three Stooges.

Me: Or in this case the FOUR Stooges. But it's fun and awesome.

Nico: But thank you for sharing that, Chunk.

Chunk: You're welcome.

Nico: Good.

Eli: Yep.

Me: Boy the Mascots did an awesome job yesterday.

Sakura Knudson: Yeah they sure did bro.

Lola: Yeah that was awesome how they busted that enormous drug operation.

Nico: I'm surprised no one found them out

Me: Me too! They never suspected a thing.

Lola: Very awesome.

May: That was so awesome that they invented that formula too.

Lana: I'll say!

Camie: Boy that was really cool how they invented that.

Varie: Yeah.

Chunk: Boy now everyone in jail is going to be cured of their evil.

Eli: They sure are.

Juran: I'm surprised they're not making other drugs.

Me: That's a good thing.

Nico: Yeah no kidding.

Qin: It sure is.

Lola: Roger Smith would have loved to get his hands on some cocaine.

We laughed!

Chunk: Yeah he sure would!

Varie: No kidding.

Nico: I'm just glad they didn't get killed.

Qin: Me too! The mascots did an amazing job yesterday.

Nico: They sure did and we're proud of them.

Maria: They sure did.

Varie: Yeah they did great.

Lola: We're really proud of them. Oh and Nico I have a confession.

Nico: What is it?

Lola formed a ball of fire and out came her mascot! It was A Flareon!

Me: WHOA! You have your own mascot Lola?

Lola: Yep.

Flareon: Awesome to meet you guys! Yes I'm a Flareon.

Nico: Awesome! Looks like William's Eevee has an awesome playmate.

Me: Yep.

Nico: Nice! Any other Loud Kid wanna show their own mascot?

Laney: I have one.

In a swirl of Leaves Laney showed that she had a Leafeon.

In strikes of lightning came Lincoln's Mascot and it was a Jolteon.

In a swirl of ice Lana showed her mascot and it was a Glaceon.

In a swirl of water came Lily's mascot and it was a Vaporeon.

In a swirl of darkness came Lucy's mascot and it was an Umbreon.

In a swirl of butterflies of energy came Leni's mascot and it was a Sylveon.

Nico: Cool!

Me: That is so cool that you guys have some of the Eevee Evolutions.

Lily: It sure is.

Nico: What about Lisa, Lynn, Lori, Luna, and Luan?

Lincoln: Luan has Espeon, Lori has Altaria, Luna has Seaking and Lynn has Primeape.

Lisa: And here is my mascot.

In a swirl of gears came a Klinklang.

Nico: Awesome!

Lucille: (Scottish Accent) And for me lads I have this one.

In a swirl of darkness came DARKRAI!

Nico: WHOA!

Me: Darkrai is perfect for you Lucille.

Nico: Wait. Do you guys hear that?

Me: Look!

We saw a girl that was half Greenland Shark!

Me: Whoa! A Greenland Shark Gene-slammer!

Nico: And she is caught in some bramble vines.

She was howling in pain from the thorns.

We went over and I put on work gloves and I untied her.

Greenland Shark: OUCH! That really hurt. But thanks guys.

Me: No problem.

Nico: Wait Elena Greenland!

Me: No way! The famous tennis star!? Whoa!

Elena Greenland: Nico! Awesome to see you again.

Nico: You okay?

Elena Greenland: Just in pain from all these thorns.

Me: Boy these vines really hurt like the dickens.

Laney: Ouch.

Me: How do you know Elena, Nico?

Nico: She was my awesome tennis partner and opponent.

Me: That is cool. I remember seeing her on TV and she won the Wimbledon and the US Open.

Nico: Yep.

Elena Greenland: Those are fun.

Nicole: WHat were you doing when you got slammed like this?

Elena Greenland: Training for my next tennis match and then I got hit by a dart and turned into this.

Laney: You were turned into a Greenland Shark.

Elena Greenland: That is coincidental. My last name is Greenland.

Me: Neat. Also you would love our teammates Julie Yamamoto, Sora Takenouchi and Katie Sandler. They are great tennis stars too.

Elena Greenland: I would love to challenge them.

Nico: Let's revert you back.

Elena Greenland: Good idea.

I put on my blind man glasses.

Me: Just so you know this is going to hurt really bad.

Elena Greenland: I understand. I'm ready.

Me: Okay.

The boys covered their eyes.

Me: Here we go. (SNAPS FINGERS)

I snapped my fingers and she doubled over in excruciating pain!

Elena screamed in pain.

Me: It'll be over in a few seconds!

She regrew her black hair and her green eyes turned back and she regained her skin.

She was back to normal and she got up.

Elena Greenland: OUCH! That really hurt.

She saw her hands and felt her face and she saw that she was naked.

Elena Greenland: GAH! I need some clothes!

Rarity: Don't worry darling we can fix this.

The Fashion brigade gave her new clothes and she had a green shirt, a green skirt and and green pants and had green shoes and green gloves.

Varie: There.

She showed a mirror and she saw herself.

Elena Greenland: Oh wow! I look awesome!

Laney: You sure do.

Nico: Eli, sense for Swartz's creations.

Eli: I already did and we have Another Kleaver, Neek, Spiny, Kloak, Kutlass, Krook, Evil Fire Man and Firefly.

Nicole: Whoa! 6 Donkey Kong Enemies too? That is awesome.

Me: And I know just the monsters for them too. I SUMMON KIWI MAGICIAN GIRL and CRYSTAL BEASTS RUBY CARBUNCLE, AMBER MAMMOTH, TOPAZ TIGER, EMERALD TORTOISE AND SAPPHIRE PEGASUS!

I summoned said monsters!

Kiwi Magician Girl: I had a feeling it was our turn next.

Sapphire Pegasus: And this will be so fun to battle it out against Anothers.

Emerald Tortoise: It sure will be.

Me: Cool!

Nico: Who's first?

Eli: Uh how about ALL SIX of them?

We saw Another Kleaver, Neek, Spiny, Kloak, Kutlass and Krook!

Nico: WHOA!

Eli: Wait I also sense that they are 2 girls and they were split into 3 each.

Nico: What!?

Kiwi Magician Girl: And who are they?

Another Kleaver: (In a girls Voice) We are 2 people that Lincoln knows.

Another Kutlass: (In another girls voice) Yeah we sure are.

They merged and 2 people came. One was a girl with purple hair and blue eyes and had the kanji for Eclipse in the middle of her forehead and she had 1 angel wing with the sun on it and a bat wing with the moon on it and she had purple and orange clothes and she had a scythe in her hands. And the other was a girl with purple hair and she had blue eyes and had rainbow angel wings and she had purple clothes and an image of Earth in the Carboniferous Period on her Skirt.

Lincoln: (GASP) Eclipsa Tyburn and Ronalda Paleozoa!

Nico: Two more of your Guardian Angels?

Lincoln: Yep.

Me: Cool!

Eclipsa Tyburn: That's right.

Lincoln: Awesome to see you girls again. I haven't seen you since you both were 17.

Ronalda Paleozoa: I know and my god Lincoln you grew into an amazing young man.

Eclipsa Tyburn: Also we are gene-slammers. I'm for Eclipse Wyvern.

Ronalda Paleozoa: And I'm for the Paleozoic Monsters.

Nicole: Whoa that is cool!

Eli: It sure is!

Nico: Yeah!

Eclipsa Tyburn: That's right.

Lincoln: Awesome to see you girls again. I haven't seen you since you both were 17.

Ronalda Paleozoa: I know and my god Lincoln you grew into an amazing young man.

Eclipsa Tyburn: Also we are gene-slammers. I'm for Eclipse Wyvern.

Ronalda Paleozoa: And I'm for the Paleozoic Monsters.

Nicole: Whoa that is cool!

Eli: It sure is!

Nico: Yeah!

Eclipsa Tyburn: Is Lori with you guys?

Me: No she's back at home. Why do you have a grudge with her?

Eclipsa Tyburn: I sure do. I hate Lori with every fiber of my being and she did something so horrible to Lincoln that I want nothing more than to slash her head off and mount it on a pike and give it to her boyfriend!

We gasped.

Me: (GULP!) She must've done something really horrible to warrant such hatred against her.

Laney: Oh it was really bad J.D.! I remember that day like it was yesterday!

Lana: Me too! It was horrible!

Lola: It made us Hate Lori for over a year for it!

Nico: Oh man! That must've been really bad!

Me: Oh boy. And what about you Ronalda? Who do you have a grudge against?

Ronalda Paleozoa: I hate Flip. But not for what he did to Lincoln but to everyone in Lincoln's class.

Me: (GULPS) I have a feeling it's terrible.

Laney: It was! He tried to poison the entire school with nerve gas!

We gasp!

Me: THAT MOTHERFUCKING CHEAPSKATE MUTANT!

Nico: I would give him the Black Gates for using Chemical weapons like that! But being humiliation Fodder is the next best thing.

Eclipsa Tyburn: The rest of the Anothers are friendly just so you know.

Me: Great.

Ruby Carbuncle: Sorry we have to do this.

Girl Jordan: First lets separate you.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background.

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

They glowed and the 6 Anothers they had separated from them.

Nico: Nice!

They came over to us.

Ruby Carbuncle: Let's do this!

They fired waves of energy and rainbow rays and blasted the Anothers and then…

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

They exploded!

I caught the Wonder Ride Books they had.

Nico: That was awesome!

Qin: Yeah!

Me: Now for Another Evil Fire Man.

Chunk: Wow! That means it's my turn.

Nico: There he is!

We saw a figure and it was ANOTHER EVIL FIRE MAN!

Me: Another Evil Fire Man.

Nico: This one is hot!

Xenia: Yeah!

Another Evil Fire Man: (In a girls voice) Yeah and I like it.

Me: That voice!

She reverted back and it was a girl with orange hair and red eyes and had yellow clothes and she had the kanji for Phoenix in the middle of her forehead and had fire angel wings.

Me: (GASP) Hailey Houous.

Hailey Houous: Awesome to see you again J.D.

Me: Same here. Hailey is a gene-slammer of the Phoenix Cards of Magic The Gathering.

Nico: WHOA!

Qin: That is awesome.

Lola: Yeah!

Chunk: That is awesome! Sorry we have to fight.

Lincoln: First this.

He fired a beam of light and separated the Another from her.

Chunk: Wow! Thanks Lincoln! IT'S RIPPING TIME!

He went at the Another and bashed and pulverized it and then…

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

It exploded! He came over to us all burned and he was wobbling around and I caught the Wonder Ride Book.

Me: Nice!

Maria: Time for some backup!

She pulled out the M.O.E. Cannon.

Maria: (TURNS DIAL) ANTI-FAIRY MAGIC 6!

She summoned Anti-Wanda, Cajun Fox, Sharpclaw, Joe the Fish, Willy Weasel and Noodleman.

Me: Nice!

Qin: Yeah!

Nico: I see Another Firefly!

Me: This one is hot!

It came over to us.

Me: Here we go.

Another Firefly: (In a girls voice) I believe that Garfield knows me.

Firefly: Wait that voice!

Me: Wait a second! I remember in the comics that there is a girl version of Firefly! Bridget Pike!

Another Firefly: That's right!

She reverted back and it was Bridget Pike A.K.A. FIREFLY!

Nico: WHOA!

Bridget Pike: I was turned into an Another by Swartz.

Firefly: That is crazy that Swartz could do that to you!

Eli: Yeah!

Nico: I did not see this coming!

Kaito: (Gets out Dragon Knight gear) Did Swartz promise you anything?

Zocks: (Gets out Agito gear) Because we can grant it instead.

Kaito got a Dragon Knight Sword and Zocks got an Agito Sword.

Bridget Pike: Just to destroy all evil and get revenge on my evil parents.

Me: Good luck with that first part. We were offered the same thing many times with Time Travel and we swore we would never take the easy way out.

Lincoln: No kidding there.

Me: The second part we can do and throw your abusive parents in jail.

Nico: Yeah.

Me: But you are definitely Masters of Evil Material.

Nico: Yeah.

Me: Sorry we have to fight like this though.

Bridget Pike: I know. Garfield do what you got to do to help me.

Firefly: I know Bridget.

She turned into ANOTHER FIREFLY!

Sougo: (gets out Dragon Knight Ridewatch) Who exactly are your parents anyway?

(Right-hand Ridewatch's announcement)! Armor Time! (Keyboard music) Advent! Ryuki!

Geiz (gets out G3 X Ridewatch): We can arrest them if we have info about them.

(Right-hand Ridewatch's announcement)! Armor Time! (Hard rock music, followed by police sirens) G3-X!

Sougo got DragonKnightArmor while Geiz got G3-XArmor

Another Firefly: That I can tell you.

She went over what happened and it was BRUTAL!

---

Bridget is the step-sister of Joe Pike, who is the leader of a gang of arsonists named "The Pike Brothers", Cale Pike and Evan Pike, and she is also the old friend of Selina Kyle. She is forced to join the family business and take part in a heist of an old knife (which turned out to be the knife that the Wayne family used to cut off part of Caleb Dumas' right arm for making out with Celestine Wayne), in which she ends up getting her leg burned. After taking part in five heists she makes her own fireproof costume. In the next heist she ends up fighting James Gordon and Harvey Bullock which ends with officer Luke Garrett being burned to death. Bridgit escapes with the help of Selina.

Realizing she is now wanted for murder, Bridget plans to escape from Gotham with help from Selina. They decide to rob a club where sex slaves are being sold, something Bridget is deeply upset by. After they succeed, her brothers find out and abduct Bridgit. She is cruelly threatened for attempting to leave them, and warned never to try again. At last, Bridgit snaps and burns both her brothers alive. Selina tells Bridgit that she needs to leave town, but she refuses and revels in what she did to her brothers, swearing she'll go after more criminals in Gotham next. Disturbed, Selina leaves her, telling Gordan where she thinks Bridgit is going: the club they robbed. Inside, Bridgit burns to death the owners who sold women as slaves. When the police arrive outside, Gordon tries to get Bridgit to peacefully surrender, swearing they can help her. She refuses, and attempts to burn Gordon. One of the cops fires and hits her fire suit, causing her accelerant to begin leaking. When she sets a police car on fire, it ignites the accelerant, setting Bridgit on fire. Afterward, Gordon tells Selina she isn't going to survive her injuries. However, it turns out that she is still alive, with her fire suit having melted onto her body, and Bridgit is taken into the secret laboratory Indian Hills for "testing".

---

When she was done we were SHOCKED!

Me: Oh man! That is horrible!

Nico: Yeah!

Eli: No kidding!

Nico: Lets burn!

Nico activated Firefly, Evil Fire Man and Fire Leo's ridewatches and fired a massive blast of fire and blasted her down.

May: And Burn!

May activated Fire Bro, Gaspard and the Volcano Men's ridewatches and fired waves of lava and fire and blasted her down.

Maria: And BURN!

Maria activated Loyax, Joe & Bob the Arguing 2-Headed Dragon, Firehead Ned and Fire Lion's ridewatches and fired waves of fire and blasted her down.

Chunk: My turn!

He activated Evil Fire Man's Ridewatch and fired waves of fire and blasted her down.

Then Scorcher, China White, Sea Dragon, Anguis Masculus, Gazimon and Demon Beatrice came.

Nico: Nice team Scorcher!

Scorcher: Thanks Nico!

Anguis Masculus: Awesome seeing that you guys are going to meet the Agito team today.

Me: We're looking forward to it.

Eli: Yep.

Scorcher: After this, might want to contact Sheila and Tom about Bridget's so called Mommy and Daddy.

Nico: Agreed.

Maria: Where's the next gene-slammer?

?: Right here!

We saw a Decidueye!

Me: Cool a Decidueye!

Nico: Neat!

Decidueye: (In a girls voice) I'm ready for this girl.

Nico: Robin Lalandra!? Whoa!

Me: Wait the modern day Robin Hood of Seattle!? Awesome!

She reverted back and she was a girl with green hair and green eyes and had green clothes and green angel wings and she had a bow and arrow in her hands.

Robin Lalandra: That's right. I got this.

She fired an energy arrow and it hit Another Firefly and she exploded!

KRABBBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOO

I caught the ridewatch and purified it.

Firefly picked up his protege.

Firefly: I'll take her to the M.O.E. Infirmary.

Me: Okay.

Eli: That was an awesome shot.

Me: Yeah!

Lola: Sounds a little redundant that Swartz would turn a girl that turned into Firefly into Another Firefly.

Me: I was just about to point that out.

Firefly: Don't worry, kid. You're gonna be okay.

Bridget Pike: Thank you Garfield.

He teleported back with her.

Robin Lalandra: That was awesome though.

Chunk: What's your favorite memory of Nico?

Robin Lalandra: When me and Nico stripped all of the gold of the corrupt bank owners of Seattle. We beat them up, delivered them to the cops and gave the gold to the poor.

Nico: Yep.

Me: Whoa that is cool!

Nico: That was fun.

Nico and Robin hugged.

Nico: I've really missed you.

Robin Lalandra: Me too Nico. Me too.

Black-Haired Girl: That's right, and I got the girls away from that dark magic-using scoundrel before he could kill them, and I saw what happened and you've really grown even more, Lincoln.

?: Team Loud Phoenix Storm, you will all pay for ruining my plans to take over the realm!

We then saw our target, Lord Viren, heading right for us, but now, he was very furious at us.

Let me get after him first!

Lincoln went after Lord Viren, and he fired extremely powerful blasts of rainbow energy, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Lord Viren and they exploded with incredible power as they hit him, and he attacked him with his massive greatsword leaving scars on him, and Lincoln left many more with his claws, and he was really, really, really pissing off him off now and driving him even more ballistic.

He also demonstrated the powers of Rainbow Dash by charging at Lord Viren at superfast speed and punched him really hard in the gut with immense superhuman strength demonstrating the powers of Applejack, then, he fired gems and jewels at Lord Viren demonstrating the powers of Rarity, then, he made various bear roars and bears came and mauled Lord Viren demonstrating the powers of Fluttershy, then, he fired confetti bombs and balloon bombs at Lord Viren which exploded as they hit him demonstrating the powers of Pinkie Pie, then, he fired blasts of purifying magic which nullified the dark magic energy blasts Lord Viren fired demonstrating the powers of Twilight Sparkle, Trixie Lulamoon, and Starlight Glimmer, then, he saw all of Lord Viren's crimes as he grabbed him and fired superhot fire blasts demonstrating the powers of Sunset Shimmer, then, he demonstrated the powers of Princess Celestia, Princess Luna, and Princess Cadence by forming the cutie marks of the Three Princesses and they fired blasts of sunlight, moonlight, and magic crystals at Lord Viren, and he was really beaten down badly.

Nico: SO INCREDIBLE!

Suddenly, my phone rang and I got a phone call from Maria.

Maria: J.D., it's Maria, we just felt this massive power increase. Are you okay?

Me: I'm fine, Maria, it's Lincoln, he underwent the same transformation as me. We'll explain it to you all later and during the closing of Kadma's main mission.

Maria: Oh man, this we got to see. See you guys at home!

Me: See ya, Maria. Bye.

We hung up.

Me: We can't let Lincoln have all the fun. Come on, gang, let's join in on the fight and send that evil mage to Oblivion forever!

Nico: Yeah!

Then, Lincoln drove his massive greatsword into Lord Viren's stomach, and he began sucking out and absorbing all of Lord Viren's supernatural dark magic abilities and advanced magical powers and he made them his own, along with draining him of his life energy, and when Lincoln was done and he removed his massive greatsword from her stomach, Lord Viren was now a desiccated corpse and he banished his evil soul to The Black Gates forever. We cheered as we holstered our weapons and powered down, and Lincoln's new body, clothes, weapons, jewelry, Third Eye, larger wolf ears, eleven massive and longer white wolf tails, and massive white angel wings are permanent.

Lincoln felt wobbly and almost fainted, but Nico and I caught him.

Nico: You okay, Lincoln?

Lincoln: Yeah, I'm alright, but whoa, that was quite a rush!

Me: Now, you know how I felt when I went through that, but that was so awesome!

Twilight Sparkle: You said it, and you really demonstrated all of our powers, Lincoln, that was really amazing.

Suddenly, Lincoln was pounced on by his harem and they kissed him all over the place, and when his harem got up and off, Lincoln had an atomic red blush on his face, massive and muscular body, and eight-pack abs, he had steam whistling out of his ears, and his pupils turned into hearts.

Lincoln: (In Heaven) That… was… so… awesome!

Then, Lincoln got back up.

Nico: Man, Lincoln, you really thrashed Lord Viren badly, and demonstrated all of the powers of your future wives, Twilight Sparkle, Rainbow Dash, Pinkie, Fluttershy, Rarity, Applejack, Sunset Shimmer, Starlight Glimmer, and Trixie Lulamoon, and you even demonstrated the powers of Princess Celestia, Princess Luna, and Princess Cadence.

Lincoln: I did say that I also had those powers because of those very strong bonds, but now, thanks to what happened, I've ascended even more and those powers became enhanced infinite-fold. I can't wait to really try this out on any more villains from my past out to kill me, they're in for the nastiest and biggest shock of their lives. (To

Melanie Nyx) And it's so good to see you again, Melanie Nyx.

Melanie Nyx: You too, Linky, it's really been such a long time.

Lincoln went up to Melanie Nyx and he hugged her, and Melanie Nyx is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, fine hair on his massive forearms and short stubble on his jawline, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you nine since you were seventeen, and as you can see, I really grew a lot since then.

Maria Zeus: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 17-year-old 8'3" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, fine hair on your massive forearms and short stubble on your jawline and many accessories, that's really new, along with getting He-Man's chest harness. You've really really grown a lot in height and become a man, but you're still the same kind boy from long ago. Plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and he's become truly immortal.

Me: And Lincoln, you know this sexy mama?

Lincoln: Indeed I do, J.D., this is Melanie Nyx, Daughter of Nyx, Primordial Greek Goddess of The Night, she's my Guardian Angel from from Greece mainly the legendary Mount Olympus, and like her mother, she's a Goddess of The Night and has all her mother's powers of darkness and the night, she's immortal, and she's also extremely beautiful and sexy. When she and I met, there was indeed quite the attraction that turned into true love and she swore to protect me from those who sought to do him harm, and her targets were none other than Flip, Lewis Travolta, Scoots, Hawk, Hank, Pablo, Anderson, Chandler, Artie, Trent, and Killjoy Huggins, my enemies, and she also swore to protect me from Lori, Lynn, Lola, Lisa, and Luan.

Selene Emperyous: And she's really good friends with Lily, and Melanie and Lincoln helped Lily with her photography projects by taking pictures of Royal Woods at night, and they introduced Lily to the hidden beauty of the darkness and the night, and Melanie also helped in teaching Lincoln in everything that she knows about the darkness and the night. Lincoln made Melanie a beautiful necklace with purple gem for the pendant, along with a midnight black short-sleeved blouse, midnight black sleeveless top, long ankle-length white dress skirt, and white bridal gloves, and to show thanks, Melanie kissed Lincoln on the lips as the stars and full moon shined in the night sky and it was truly beautiful.

Nico: That's really awesome.

Me: And she absolutely hates Chandler with a bloody passion because Chandler absolutely hated Melanie for always defending

Lincoln whenever he along with Lori, Lola, Lisa, Lynn, Luan, along with the rest of Lincoln's enemies plotted to kill him, and Selene Arcangela told Melanie everything about what that sewage rat has done to him constantly and also trying to kill him, and one time when Melanie and Lincoln were heading home from Gus' Games and Grub, Chandler showed up and tried to kill Melanie and Lincoln to slake his thirst for blood, that was until Lincoln let the beast out in him and he attacked him with a dangerous ferocity, and he and Melanie blasted him with blasts of primordial darkness and disarmed and blinded him, and they also pounced on and kicked the tar out of that prick and Lincoln fired red energy waves from his massive white angel wings and tied Chandler up in a red energy straitjacket, and when he alerted his family of what Chandler tried to do to him and Melanie, they were furious at Chandler, and then, Lincoln called the cops who then took Chandler away to jail, and in his seething rage, he swore revenge on them, but Lincoln swore if Chandler dares to come after him, his family, loved ones, friends, and Guardian Angels, he swore he would kill him in the cruelest and bloodiest way imaginable.

Nico: That rotten Dark Side of his is nothing more than a bloodthirsty prick who smells like a sewer!

Lincoln: And we know why Chandler became like that: his misogynistic, powerhungry, bloodthirsty low-life of a father, Anthony McCann.

Colleen Niji Draconia: Anthony McCann was nothing more than pond scum, and we've seen many of his ruthless and heartless acts all over Royal Woods, and he passed that down to Chandler, and he became that absolute nightmare from Hell, thanks to the Dark Side being born.

Lincoln: But, we banished Dark Chandler to The Black Gates and sent Anthony McCann to the Oberon Prison for Narcissistic Assholes and put into a separate doorless cell in the Super-Maximum Security Solitary Confinement, and he was chained to the wall with rainbow energy chains and Neutronium Chains lined with rainbow energy.

Colleen Niji Draconia: Aw, I was hoping you guys would kill him.

Lincoln: Did you really think I didn't think of that? I also put a curse on him, and if Anthony McCann dared to break out of his cell to try and get revenge on us again, the curse will take his life and he'll be sent to The Black Gates forever.

Me: That's exactly why Lincoln's known as The Man With A Plan.

Nico: (Snickers) And that prick didn't even see it coming, the bastard.

Lincoln: He sure didn't see it coming. And now, that you're here, Melanie.

Lincoln went up to and hugged Melanie Nyx in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Melanie Nyx: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Melanie Nyx's neck with purple gems on the gold lightning bolts and midnight blue crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck.

Melanie Nyx: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Melanie Nyx.

Melanie Nyx had a smile on her face and tears in her eyes as Lincoln still had his abnormally massive and powerful muscular arms around her, and he leaned down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the six girls, and when Lincoln saw who they were, he immediately recognized them. The six girls are Hinata Kubo, Maaya Shiraito, Mizuki Minamiru, Suzuno Fukami, Tsumugi Isurugi, and Yuna Kuratsuki from Afterschool Kitchen.

Lincoln: Oh wow, it's Hinata Kubo, Maaya Shiraito, Mizuki Minamiru, Suzuno Fukami, Tsumugi Isurugi, and Yuna Kuratsuki from Afterschool Kitchen.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Hinata Kubo: Yes, we're okay, thanks to you.

Then, when Hinata Kubo and the other five girls saw who it was that saved them from Lord Viren, their faces turned atomic red upon seeing the 17-year-old 8'3" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head, fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with a gold lightning bolt and Ebonwu Squadron emblem emblazoned on his forehead with Third Eye on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, He-Man's chest harness with colored gems on the orange crisscrossing straps and large gold circular chest plate with phoenix on it, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer and Slayer of Extremely Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic, Irredeemable Bastards and Tyrants, Talented Comic Book Writer and Video Gamer, Jack-Of-All-Trades, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of Many of Team Loud Phoenix Storm's Branch Teams, Spice Demon of The Loud Family, Surfer of The Legendary Wave Humungadunga, Third-In-Command And Founder of Team Loud Phoenix Storm, Emissary of The Cosmos and The Heavens, Ambassador of Harmony, Friendship, Purity, Hope, Courage, and Love, and God of Friendship, Hope, Love, Courage, and Justice Dodgeball Angel King of Gotham Royal York, The Unifier of The Three Kingdoms and Warriors of Japan, Fearsome Defender of His Many Guardian Angels, and Destroyer of The House of Damaskinos", he has deep sapphire blue eyes, tattoo of a pepper with fire surrounding it on his broad left shoulder, and Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm, and he had his Rabbit Miraculous, Eini, with him, his male white Rabbit Familiar, Alistair, his white Vampire Bat Familiar, Artemis, and his white Wolf Familiar, Seiko, along with Darkus Battle Ax Vladitor, Darkus Omega Leonidas, Pyrus Omega Leonidas, Haos Omega Leonidas, Subterra Omega Leonidas, Ventus Omega Leonidas, and Ventus Omega Leonidas.

Hinata Kubo: Oh wow, you're Lincoln Loud of Team Loud Phoenix

Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made five clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene.

Hinata Kubo: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, six Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Hinata Kubo, Maaya Shiraito, Mizuki Minamiru, Suzuno Fukami, Tsumugi Isurugi, and Yuna Kuratsuki with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to The World Tree Estate, and the rest of the team were shocked to find out the villain we went after was Lord Viren, our old enemy who came back from the dead wanting revenge.

But, when Lincoln showed what happened such as him undergoing the same transformation as me on Nico's rescue in Maretime Bay and him really giving Lord Viren quite the thrashing of his life and also demonstrating the powers of Twilight Sparkle, Rainbow Dash, Applejack, Rarity, Fluttershy, Pinkie Pie, Sunset Shimmer, Starlight Glimmer, and Trixie Lulamoon, his future wives, and his sisters, Princess Celestia, Princess Luna, and Princess Cadence, and all of us giving that dark mage the beating of his life, and then, Lincoln finishing him off by stabbing him in the stomach with his massive greatsword and it lead to him sucking out all of Lord Viren's advanced magical powers and supernatural dark magic abilities and making them his own and sucking out and absorbing him life energy which turned him into a desiccated corpse and finally banishing her to The Black Gates forever, everyone cheered and hugged us and Lincoln's harem kissed him all over, and they had steam whistling out their ears. Lincoln and Melanie Nyx have a lot of catching up to do, now that she's back in town.

Maria: Whoa, J.D. was right about what happened to you, Lincoln!

Nico: And that got his harem extremely turned on when he emerged, and he really thrashed Lord Viren brutally.

Lola: And he really finished him off by stabbing him in the stomach with his massive greatsword and it lead to him sucking out all of his advanced magical powers and supernatural dark magic abilities and making them his own and sucking out and absorbing his life energy which turned his into a desiccated corpse and finally banishing him to The Black Gates forever.

Lincoln: Now, The Human Kingdoms are free from him and Aaravos for good, and peace has returned.

Sanai: It sure has, Lincoln.

---

After finally destroying Lord Viren and this time for good, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Melanie Nyx saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Melanie Nyx: My God, I was right that Lincoln's really grown into a 17-year-old, 8'3" tall, really big, handsome, and really strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been bodybuilding and working out for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Melanie, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Melanie Nyx: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Melanie Nyx: Oh man, I knew it was only a matter of time before he told everyone that story.

Nico: Yep. So, Colleen, I hate to say this, but what's this nasty revelation on what Lynn did to Lincoln that made you harbor quite an incredible amount of hatred for her?

Colleen Niji Draconia: Even though I did say you don't want to know yesterday, I think you guys definitely have the right to find out for yourself, but I should warn you: it's not for the faint of heart.

Colleen Niji Draconia pulled up a video and it appeared on the screen, and we saw Colleen and Lincoln, and the two of them were walking out the door of the school.

Past Coleen Niji: That was an awesome day we had today.

Past Lincoln: It sure was, now to head home and do the assignments Mrs. Johnson gave us.

But, then, out of nowhere, Lincoln was suddenly ambushed by Lynn who came charging in on all fours, and then, she pounced on and started beating her little brother up badly. Colleen tried to yank Lynn off Lincoln, but she wound up getting stabbed in the stomach by her, and it was revealed that Lynn had a knife with her. Then, she stabbed Lincoln on the arms, stomach, and legs as he screamed in agonizing pain, and then, Lynn dragged Lincoln up to the rooftops of the school and lifted him up into the air and she had a psychotic crazed grin on her face, and we saw what she was going to do to him: SHE WAS GOING TO THROW HIM OFF THE ROOF AND KILL HIM!

Everyone who wasn't there gasped in horror!

Nico: OH GOD!

Eli: SHE WOULDN'T!

Past Lynn: THIS IS THE END FOR YOU, STINKOLN! TIME TO DIE, YOU LITTLE WEAKLING! (LAUGHING LIKE A FUCKED-UP MADMAN)

Suddenly, Colleen Niji Draconia burst through the door to the roof, and she was now absolutely angry and pissed off at Lynn.

Past Colleen Niji: LYNN! PUT YOUR BROTHER DOWN NOW, OR I SWEAR, I'M GONNA!

Then, Lynn threw Lincoln off the roof, and Lincoln screamed as he was plummeting to his doom, and Lynn was laughing like the jerk she was, and that made Colleen Niji Draconia super pissed off at Lynn, and then, she charged out and she jumped off the roof, but then, we saw her black angel wings spread out and she swooped down and caught Lincoln and just in time as he almost hit the ground. He held onto Colleen and he literally broke down and cried. Suddenly, Lori came in Vanzilla.

Past Lori: Colleen, what happened?!

Past Colleen Niji: Lori, get your cellphone out and get Becky Long, your bro's literally bleeding to death!

Lori called Becky Long, and she and the other Guardian Angels got here, and when they saw Lincoln really bleeding, they were horrified.

Past Becky Long: Colleen, what happened?

Past Colleen Niji: Lynn happened, she ambushed Lincoln as we were coming home from school, she came charging in on all fours, and then, she pounced on and started beating her little brother up badly. I tried to yank Lynn off Lincoln, but she stabbed me in the stomach, and I saw that Lynn had a knife with her. Then, she stabbed Lincoln on the arms, stomach, and legs and he screamed in agonizing pain. Then, Lynn dragged Lincoln up to the rooftops of the school and lifted him up into the air and she had a psychotic crazed grin on her face, and she was going to throw him off the roof of the school and kill him!

Past Laney Emperyous: WHAT?! OH, THAT IS IT, I'M GONNA… !

Past Colleen Niji: No, Laney, you stay here with Lincoln and Lori. Adriana, you have a blood bag for Lincoln to feed on?

Adriana took out the blood bag, and Lincoln bit into it, and he sucked the contents dry, and that caused his wounds to heal and he recovered.

Past Becky Long: Thank God, but Lynn's still there on the roof, and she knows you just foiled her attempt to kill her brother and we all saved him from death again.

Past Colleen Niji: I know. All of you stay here with Lincoln, I'm heading back to roof and I'm gonna kill that superstitious freak!

Past Lori: I'll call the cops!

Lori called the cops who were on their way, and Colleen Niji flew back to the roof to deal with Lynn who was now acting like a rampaging bull after what Colleen did to save him and what they all did.

Past Colleen Niji Draconia: I've had it up to hear with all of your stupid attempts to kill Lincoln, you superstitious freak! Now, you leave me with no fucking choice!

Past Lynn: I'LL FUCKING KILL YOU AND THAT STUPID BAD LUCK JINX!

Past Colleen Niji Draconia: Bring it on, you stupid rampaging bull!

Lynn charged at Colleen Niji Draconia running on all fours and roaring like an animal, but Colleen Niji Draconia punched Lynn hard in the stomach knocking the wind out of her, but Lynn got back up, and she roared again in rage and beat her chest like a gorilla, and she charged at Colleen Niji and she still had her bloodstained knife on her, but Colleen fired ruby gems which knocked the bloody knife out of Lynn's hand, and then, she pounced on and attacked Lynn and she started beating her up in a really brutal manner, and Colleen broke Lynn's arms and legs as she screamed and roared with rage.

Past Colleen Niji Draconia: That's for stabbing your brother and trying to throw him off the roof to kill him, you superstitious rage-crazy rampaging freak!

Then, the cops came and Colleen Niji Draconia explained everything to the cops, and Lynn got put in handcuffs, then, Colleen Niji Draconia imprisoned Lynn inside a ruby prison, and they hauled her back to The Loud House.

Cop: Colleen explained everything to us, now we're not going to arrest Lynn, but we already know that the Guardian Angels are going to deal with her.

Past Rita: We know, Officer, along with all of us. Thank you for bringing our son home.

Cop: You should actually thank Colleen, the other Guardian Angels, and Lori.

Past Lori: Mom, Dad, whatever you give Lynn, make sure she never does this again!

Past Lynn Sr.: Don't worry, honey, we'll make sure of that.

Then, Colleen made the ruby prison disappear, and Lynn growled in anger again, but then, when she saw her angry parents and the rest of her angry sisters and Lincoln, Varie, and I all glaring at her with pure anger, she was in deep shit now.

Past Luna: You've done some majorly horrible things to our bro in the past, Jock Strap, but this, what you tried to do to Lincoln this time, crossed it big time!

Past Laney: You're lucky the cops didn't haul your butt to prison, because now, you're going to face the full extent of our wrath, Belchy McFarty!

Past Rita: Lynn Loud Jr., you are grounded for twenty-five weeks for what you tried to do to Lincoln, and you're going to be subjected to tons of horrible punishment from your brother's Guardian Angels.

Past Lynn Sr.: And don't think you can get any mercy from us, we warned you numerous times, but as always, you refuse to listen! Girls, show her no mercy!

Past Selene Emperyous: Understood, Mr. Lynn.

The Guardian Angels grabbed Lynn, and she was dragged to the backyard to face her doom, and her doom was this: she was being beaten up brutally, and this was going to go on for the weeks that she was grounded as the video ends.

Nico: Lynn, of all the stupid, bone-headed, bullheaded, idiotic, murderous things you can ever do to your little brother, this is one thing that really crossed it big time! If I was there, I would give you the ultimate thrashing of your miserable life!

Eli: If I was also there that day, I'd beat you to an inch of your miserable life!

Lincoln: Easy, guys, the Guardian Angels took care of that. They eventually subjected Lynn to a brutal punishment they came up with: it was called The Twenty-Six Week Humiliation, every day, during her punishment, Lynn would be subjected to many humiliating tactics that we'd use for our humiliations on the jerks and they also pummel her badly, and Lynn would be chained to a post with Neutronium Chains lined with rainbow energy, so that she couldn't escape.

Nico: Damn!

Me: Yep, it was something we'd eventually use on the jerks, and it was so brutal.

Melanie Nyx: I remembered that all too well. Now, it's my turn to show you guys why I hate Chandler with a bloody passion.

Melanie Nyx pulled up a video and it played on the screen, and it shows Lincoln and Melanie heading home from Gus' Games and Grub, but then, Chandler showed up and tried to kill Melanie and Lincoln to slake his thirst for blood.

Past Chandler: YOU! I'LL KILL YOU BOTH AND DRINK YOUR BLOOD! (BRANDISHING A KNIFE)

Past Lincoln: As if, Sewage Rat, I'm not letting you get away with trying to kill us.

Suddenly, Lincoln's heart was pounding and his deep sapphire blue eyes turned blood red, and his fangs grew longer and his claws grew sharper.

Past Lincoln: Now, you're going to get another beating, you prick!

Lincoln let the beast out in him and he then attacked Chandler with a dangerous ferocity, and he and Melanie blasted him with blasts of primordial darkness and disarmed and blinded him, and they also pounced on and kicked the tar out of that prick and Lincoln fired red energy waves from his massive white angel wings and tied Chandler up in a red energy straitjacket, and when he alerted his family of what Chandler tried to do to him and Melanie, they were furious at Chandler, and then, Lincoln called the cops who then took Chandler away to jail, and Chandler was seething with rage.

Past Chandler: YOU HAVEN'T SEEN THE LAST OF ME, I'LL GET OUT OF THIS, AND I WILL KILL YOU ALL!

Past Lincoln: If you ever come after me, my family, loved ones, friends, and Guardian Angels, I swear I will kill you in the cruelest and bloodiest way imaginable.

The police car drove off with Chandler screaming with pure rage as Melanie and Lincoln kissed as the video ended.

Nico: Damn, Chandler really got what he deserved that day.

Me: He sure did, and he should've known better, but the prick refused to listen.

Laney: That Dark Side of his, it was all due to Chandler's dumbass dad.

Chandler: Former dumbass dad, remember I disowned him after knowing the whole truth of him after my Dark Side was finally gone.

Melanie Nyx: You've pretty much gotten yourself on the road to redemption three years ago, and that dumbass deserved his punishment, thanks to Maggie Albumen and Lincoln getting after him.

Nico: You said it.

We got a shower, and then, Lincoln, Photon Papilloperative, Rose Princess, and Witchcrafter Golem Aruru are heading to Seaside Hill.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 8'3", handsome and extremely muscular man was dressed in his new

large orange speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Photon Papilloperative, Rose Princess, and Witchcrafter Golem Aruru are dressed in the two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Photon Papilloperative, Rose Princess, and Witchcrafter Golem Aruru had feelings for Lincoln and he also had feelings for them, and he also saved them all from an ambush by a group of thugs Pablo and Anderson hired to kill them, Lincoln killed them all and sucked out their blood and life energy, which made Pablo and Anderson go insane with anger, until Lincoln fired energy blasts at them and more gold and jewels and treasures came out of those buttfaces, but they also got to keep their heads up, they got word those buttfaces have sent more muscle-bound thugs to kill them.

Rose Princess: Wow, so this is Seaside Hill, it sure is beautiful.

Lincoln: It sure is, Rose Princess, and it's perfect for our first date before Kadma's big mission today. Shall we?

Lincoln, Photon Papilloperative, Rose Princess, and Witchcrafter Golem Aruru dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, then they went back to the beach and they also had a game of volleyball, and Photon Papilloperative, Rose Princess, and Witchcrafter Golem Aruru got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, but then, they saw hulking muscle-bound thugs hired by Pablo and Anderson coming after them, but Lincoln grabbed each of them one by one and he'd sucked out their muscle mass and strength and made them thin as rakes and completely weak and he sent them to The Black Gates forever.

Then, they had some lunch, and then, as the sun was about to set,

Lincoln made clones of himself and he and his clones went up to Photon Papilloperative, Rose Princess, and Witchcrafter Golem Aruru, and they hugged the girls in their abnormally massive and powerful muscular arms, and Photon Papilloperative, Rose Princess, and Witchcrafter Golem Aruru placed their hands on the massive pecs of Lincoln and his clones, and then, they shared a passionate and romantic kiss. Then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face, massive muscular body, and eight-pack abs.

Nico: Whoa, looks like someone really had an awesome time at Seaside Hill, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, four Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Photon Papilloperative, Rose Princess, and Witchcrafter Golem Aruru with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Photon Papilloperative, Rose Princess, and Witchcrafter Golem Aruru are now in your harem.

Jenna: And Pablo and Anderson have some nerve trying to kill them, those heartless buttface psychopaths are just making things much worse for themselves.

Serena Logan: I always knew those two buttfaces were nothing but fucking trouble, but just like Flip and the other jerks, those two dumbasses are just making things worse for themselves.

Rarity: And trying to kill Photon Papilloperative, Rose Princess, and Witchcrafter Golem Aruru, now those repulsive apes are really going to get it.

Lincoln: And we also had a run-in with more of their hulking muscle-bound hired thugs to kill us yet again, but I sucked out their muscle mass and strength and killed them all and sent them to The Black

Gates, and they should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Pablo and Anderson scream with extreme hatred and rage, and now, the buttfaces have officially lost their minds.

Maria: Yeah, up yours, buttface psychos!

Nico: Even after we've kicked their miserable hides, those two buttfaces still refuse to quit!

Lincoln: Same with Flip, Lewis Travolta, Icky Vicky, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Me: It sure is, and it's so much more fun seeing them blow their stacks!

* * *

In the middle of the city we were rescuing people from a huge building that was on fire!

Me: I got ya.

I got a woman and her baby out of the building and got them down onto the street.

Nico got an old man out and onto the ground.

Nico: There we go.

Eli: Hold on.

Eli got 2 kids out and put them on the street.

Carter Greyson had his Red Rescue Zord getting people down from the building.

Carter: Don't worry guys we got you.

Lola and Lana got some kids out.

Luna and Girl Jordan were drenching the fire and putting it out.

Eli: Okay everyone is out of the building!

Then Luna and Girl Jordan drenched the building and the fire was out and then everyone cheered wildly!

Qin: WHEW! That was close!

Me: Faulty wiring caused that fire.

Lola: That was a great rescue though.

Carter: It sure was.

Xenia: They must've had some crumby electrical workers on this building.

Fu: I was going to say that.

Man: TEAM LOUD PHOENIX STORM! HEEEEELLLLPPP!

We responded to a bank robbery and then we busted in and bashed the robbers!

We tied them up and threw them into the paddy wagon.

Me: You need to learn a lesson buttfaces! Crime Doesn't Pay.

Tom Lair: You tell them!

Then we saw a plane about to crash with flaming engines!

We flew up to it and grabbed on to it and then landed it onto the ground and saved them.

Me: WHEW!

Xenia: That was a close one.

Camie: Boy rescues are popping up like weeds!

Nico: No kidding!

Acerola: I see one more guy in need of help!

Carter: Wanna help me with this one?

Me: You bet Carter.

Qin: Boy what a spree of rescues.

Xenia: Yeah.

Sophocles: Where do you see this guy?

Acerola: Up there.

We saw a man on the edge of a building.

Me: OH MAN! Is he going to jump!?

Nico: Oh man!

We flew up to him!

Leozack: What do you think you're doing?!

Me: (In my head) Wait a second. I know him! That's Kuga. He wanted to be rescued for some reason.

Kuga: I want to be rescued!

Haruka: I can do that!

Kuga then jumped and Haruka flew after him!

She did a divebomb move and grabbed him and spread her wings and flew up to us!

Nico: WHOA!

Xenia: AWESOME!

She flew over to us with him.

Laney: AWESOME!

Taro: Way to go Haruka!

Xenia: YEAH!

Lyra: That was awesome!

Carter: Okay, I know you want to be rescued but going so far as to jump off a fucking building?!

Me: YEAH! What the fuck is wrong with you!?

Kuga: You don't understand. There are so many diastrous situations going on in the world. I want to be rescued from all of them!

Me: What the fuck are you… OH NO!

He was surrounded by an energy circle with the GoGoV logo and turned into Kyukyuki from episode 36 of Donbrothers!

---

At a restaurant, Kuga was attacked by the fake Tsubasa and in particular considers the strange and tense situation an "emergency". Later on, Kuga witnesses the fight between Sononi and "Natsumi" and begins to panic.

Later near a warehouse area, Kuga once again stresses out upon seeing the fight between monsters and a Ranger and declares that it is an emergency, changing into the GoGoV Hitotsuki, Kyukyuki, after the Juto retreat. As he runs, he absorbs people to "rescue" them from danger and bumps into Haruka just as she teleports in, knocking her over. The other Donbrothers teleport in, including the fake Tsubasa who is transformed into Inu Brother. They all do a roll call and then struggle to deal with Kyukyuki while also dealing with the Ranger empowered Juto rampaging after Jiro comes back fully recovered to help. Kyukyuki traps the Rangers in a ring of fire, almost burning Shinichi in the process. Taro summons the Omikoshi Phoenix and equips his GolDon armor, then Avatar Changes into GolDon Zyuoh Eagle, using an enhanced Instincts Awakened mode to blow the flames out with his wings. After a few laser blasts, Taro reverts back to GolDon Momotaro and defeats Kyukyuki with the Festival End attack.

Kyukyuki becomes Kyukyuking, a monster that transforms into a corrupted version of GoLiner. The team combines into Toradora Onitaijin with the Juto Inu Brother trying to resist but unable to do anything. Toradora Onitaijin cleaves the train cars off Kyukyuking with the Pheasant Spear and then as Kyukyuking charges at them, Taro calls the Omikoshi Phoenix and forms the ultimate combination of the Donbrothers: Toradora Onitaijin Kiwami, though Jiro briefly complains about being relegated to an arm. Kyukyuking tries to attack the new robo with a Beetle Mars-like form but swiftly gets pushed aside, slashed with the spear and blasted by the team's ultimate attack: Galactic Peach: DonBros Fantasia Supreme. Kuga is purified and heads off for home.

---

We gasped!

Me: Kyukyuki the GoGoV Hitotsuki! I knew it!

Xenia: Oh man!

Me: And I remember this one too! He was pissed that other people but him were being rescued!

Nico: Sheesh buddy get a life!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off behind us and we were ready.

Nico: Time to kick your butt!

Kyukyuki: (to Martian Manhunter) I remember your weakness, Manhunter!

Martian Manhunter: And what would that be?

Kyukyuki: Fire!

He created a circle of fire around Martian Manhunter.

Martian Manhunter went intangible and faded into the building and came out behind him and punched him down.

Me: Nice one J'onn!

I fired waves of energy and blasted Kyukyuki.

Kyukyuki sucked up nearby civilians from his visor.

I snapped my fingers and teleported them back out.

Me: Nice try.

I fired waves of energy and blasted him all over.

Kyukyuki shot laser beams from his eyes and mouth at Carter.

Carter dodged them and he fired his Thermo blaster and blasted him all over.

Nico: Take that!

Then an Incineroar appeared and blasted him down with fire blasts!

Me: Whoa an Incineroar!

Nico: Nice!

Incineroar: (In a girls voice) Take that you Lightspeed Rescue fraud!

Nico: Alandra Victor!? Whoa!

Qin: Awesome!

Incineroar: Yep and Primarina is coming.

Kyukyuki then changed into a four-legged Victory-based form.

Nico: What the fuck?!

Me: Okay that is freaky!

I fired waves of energy and blasted him all over the place.

Qin: Take that!

Eli fired waves of Force Lightning and electrocuted him!

Xenia fired arrows and blasted him all over.

Tsuyoshi: Avatar Change!

He turned into the Pink Lightspeed Rescue Ranger!

Tsuyoshi: AW MAN! ARE THERE ANY OTHER PINK RANGERS THAT ARE BOYS!?

Nico: Funny.

Qin: Yeah.

I fired waves of energy and blasted Kyukyuki all over.

Xenia: Take that.

Tsuyoshi: Well, no point in compaining about it right now!

Tsuyoshi fired waves of energy and blasted Kyukyuki all over.

Qin: Take that!

Then a Primarina appeared and blasted him all over with water!

Me: Cool a Primarina!

Xenia: Awesome!

Lana: Yeah!

Primarina: (In a girls voice) Take that you rescue-crazed buttsniffer!

Kyukyuki: WHY YOU LITTLE!

Nico: Celeste Aquarius!? Whoa!

Primarina: Awesome to see you Nico.

Nico: Same here.

Sonoi: Two Gene Slammers at once? That's… not completely unexpected.

Nico: Well it's the starter 3 for the Alola Region. But yeah. Lets finish this clod shall we?

Taro: With pleasure.

Me: Allow me.

I teleported up to him.

Me: Package of Kyukyuki.

I gave him a present.

Kyukyuki: Aw how sweet.

Then he heard a ticking sound.

Kyukyuki: Huh?

But then…

KRABBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOM

The package exploded in his face and he exploded!

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

I caught the GoGoV gear.

Me: YEAH! Kyukyuki you have failed this city!

Donbrothers: DEMON ELIMINATION COMPLETE! ALL'S WELL THAT ENDS WELL!

Nico: (LAUGHS) The old exploding bomb in the package trick. Always a classic.

Laney: That was clever.

We went over to Kuga.

Me: Kuga you don't need to wait for your Knightess in Shining Armor to appear to save you. Instead you can do the opposite and save people who are in trouble and help them there.

Kuga: You're right. Thank yoy.

Kuga vanished.

Me: Back to Japan for him.

Nico: Yep.

Alandra Victor reverted back and she was a girl with orange hair and red gym clothes and had orange angel wings. Celeste reverted back and she a girl with aqua blue hair and had a blue summer shirt and a blue beach skirt.

Nico: Awesome to see you girls again.

Celeste Aquarius: Same here.

G1 Scattershot: What's your favorite memory of Nico?

Alandra Victor: When me and Nico won the El Gorgo Chili Dog Eating Contest.

Me: Whoa! That is a Restaurant home to the largest ever chili dog ever. It's a 20 pound Chili Dog smothered in their hottest chili ever and it's covered in cheese, onions, beans, beans and beans and more beans.

Alandra Victor: Oh yeah and ever since then no one has ever even come close to us.

Me: Boy that is awesome!

Sonic: Boy that sounds like my kind of chili dog!

Tails: Mine too.

Sonia Sonic: Same here.

The Sonic Sisters agreed too.

Celeste Aquarius: My favorite is when me and Nico went down 5,000 feet and we found a shipwreck and brought up a treasure that was all diamonds. Blue Diamonds.

Me: That is cool!

Qin: Yep. I remember those.

Nico: That was fun.

Lola: Yeah!

Nico hugged them.

Nico: I've missed you girls.

Alandra Victor: We did too Nico.

Blu and Jewel came.

Needle Man: Blu. Jewel. Thanks for coming.

Blu: Anytime.

Qin: This will be a fun party.

Xenia: Yep.

Me: Now it's time to get ready for Kadma's big day mission.

Qin: Yep.

We went back to the estate and got ready and got our weapons ready.

The previous group came.

Sportsmaster: Can me, Pyro, Dirty Bubble, Chemistro, KGBeast, Goliath, Titanium Titan, Spymaster, Count Vertigo and Roxy Rocket go with you guys?

Nico: You guys sure can.

Xenia: Yep.

Qin: This will be fun.

Lola: It sure will.

Pyro: I'm ready to kick some butt. Heckyl: Nico, which Gene Slammers do you think you'll meet next?

Nico: Toucannon, Gumshoos and Vikavolt next.

Qin: Awesome! This will be fun.

Nico: Lets go.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was none other than The Flame King, Flame Princess' evil father, and he's here to get revenge on us for turning his daughter to the side of good. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is someone coming after us?

Lincoln: You guessed it, Rayman, and this is something no one's going to like: the dark energy signal and the figure we sensed belongs to The Flame King, Flame Princess' evil father, and he's here to get revenge on us for turning his daughter to the side of good.

We gasped.

Finn: The Flame King's back, that guy's just asking for trouble.

Flame Princess: He sure is, and I'm so glad I turned my back on evil thanks to all of you, but he just refuses to quit. That's it, I'm so going to make that… !

Kadma: No, Flame Princess, leave this to me, I'll make him pay for his crimes. But, I'll be needing help for this task. Lincoln, would you like to help?

Lincoln: Of course.

Nico: That hothead's going to get it big time, after everything he's done to The Fire Kingdom, there's only one thing awaiting him.

Me: The same fate that befell Pyron last year, getting absorbed by Lincoln.

Nico: Yep. Alright, gang, let's go, we're off to meet the Agito Kamen Riders and take down El of The Water.

Lincoln: But, instead of The Black Gates, he's getting sent to The Book of Vile Darkness where he'll behave until he can be sent to The M.O.E., and once we get done taking down El of The Water, you're next, Flame King.

Kadma: Hang in there, Shoichi, we're coming, El of The Water, you shall be taken down for every one of your crimes, and as for you, Flame King, a worst fate awaits you for your crimes.

Lincoln put up a rainbow energy field around The World Tree Estate and we headed out to Japan to meet up with the Agito Kamen Riders and take down El of The Water, and once we get done taking down El of The Water, Kadma is going to kill The Flame King and make him pay for his crimes against his daughter, Flame Princess, The Fire Kingdom, and The Kingdom of Ooo.

We were off to Japan.

---

We arrived and saw several people in pain.

Dirty Bubble: Wait. Why are their several civilians on the ground in pain?!

Eli: Oh man! I sense Agito seeds in them!

Nico: El of Water is trying to slow us down!

Eli: It's not going to work!

Me: I got this! (ECHOING) MAGNA ANTIDOTE!

I fired a rainbow blast of light and it healed them up and the seeds were destroyed.

Apeface: Where's Shoichi and the others?

Me: Wait look!

We saw the Agito riders fighting Agito Monsters.

Me: Those are ugly monsters!

Nico: But lets get them!

We went at them!

The Agito Team was surrounded.

But then…

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off above them and a phoenix cry was heard.

Zocks: (Singing) Yo-ho-hoy- yo-ho-hoy- yo-ho-hoy-hoy! Hey! I am a World Pirate. In pursuit of treasure, I go from sea to sea! I am a pirate. In pursuit of freedom, I travel from world to world! I'll get my hands on it no matter what! And then I'll get a feeling that's two good! Yo-ho-hoy!

Shoichi: That's Zocks!

We flew out and blasted the Agito spawn all over and blew them to smithereens!

Me: Are we too late to join the party?

Shoichi: You made it just in time!

Ryo: You sure did.

We destroyed all the Agito Spawn.

Weirdwolf: We never got to thank you guys for helping out against Sonoya and Sonona.

Me: Yeah we owe you big time for that.

Shoichi: That was so awesome and fun.

Lola: It sure was.

Sonoi: Thank goodness you guys are coming to help us.

Nico: We always answer the call.

Shoichi: Lets head to the restaurant and talk.

We went to the Agito Restaurant.

We arrived.

Shoichi: Here we are.

We sat down.

Titanium Titan: Shoichi, is Ground Form really your default one for Agito?

Shoichi: Yes I think so.

Qin: Wow.

Lola: Awesome.

(DANCE OF THE SUGAR PLUM FAIRY PLAYS)

Poromon came out in a fairy costume carrying two bottles of beer.

Poromon: (to the Agito team) Hello there! I'm the beer fairy! Come to give you guys two bottles of beer!

Rumble: If you've been good, he'll put them under your pillow!

Nico: Yep.

Shouichi: Thanks but I don't drink beer.

They shook their heads.

Lola: But Poromon is so cute doing that.

Xenia: Yep.

Roxy Rocket: That's not the only skill the mascots have now.

Shoichi: Really?

Me: Yep.

Nico: It's true.

Shoichi: What is it like in Gotham Royal York?

Me: Awesome city and loaded with all kinds of fun things to do.

Nico: And to answer your question, the mascots learned how to make drugs yesterday.

Me: Not the illegal stuff. It's a serum that will help the criminal reform system big time.

Lola: Yep.

Xenia: It's true.

Shoichi: That is cool!

Qin: Yep. It sure is.

Junk Man: Back to the matter at hand, Gotham Royal York has a lot of good stuff.

Manaphy: And a lot of not so good stuff. LIKE THE BLOOD AND HONEY MOVIE! (shows trailer close to Shoichi's face) LOOK AT IT!

Shoichi: WHAT THE HELL IS THAT!?

Me: Oh for fucks sake!

UCH! ROUNDY SPINNY THING MAGISWORD!

I calmed down Manaphy with it.

Me: It's a dark version of Winnie the Pooh and it shows him and Piglet becoming psychotic feral serial killers that go on a killing spree.

Shoichi: Wait. What about the other Hundred Acre Woods Animals?

Count Vertigo: Well, we know Pooh and Piglet ate Eeyore alive. But other then that, we don't know the fates of the rest. Owl and Rabbit were only shown in the beginning. And even then, we don't know the fates of them Gopher, Kanga, Roo, and Tigger.

Ellie and Princess Luna hurled their guts out.

Nico: That happened last time during Missy's mission.

Eli: Yeah.

Xenia: Yuck.

Nico: Cleanup on aisle 12!

Shoichi: But back to why you guys are here, we know the Overlord of Darkness isn't the main target since we took care of them.

Dreadbane: No. El of Water is.

Me: And we're going to destroy that one and seal it into the Book of Vile Darkness and have him put into the M.O.E.

Lola: Yeah we sure are.

Xenia: After we destroy him that is.

Azula: Me bending lightning could harm him

Me: Same with me with lightning.

Lincoln: And me with my lightning.

Nico: Many of our lightning powers would work.

Xenia: Yep.

Lola: That's for sure.

Goliath: And anyone with plant powers can hurt him too.

Laney: My department.

Fluttershy: Um mine too.

Syd Change: Same here.

Becky: Me too guys.

Lillyvoir: Mine too.

Shoichi: By the way, nice job destroying Burns and Crocker.

Me: Thanks guys. Those assholes deserved it.

Qin: Yep.

Laney: The Dark Saga that those 2 put on us is now finally over.

Xenia: They are gone from everyone's lives for good.

Me: You should have seen what happened after that. Everyone in Gotham Royal York and all over Cincinnati, Ohio was partying like there was no tomorrow.

Lola: Yeah they sure were.

Nico: Yep.

Eddy: And you won't have to worry about Dark Eddy anymore

Shoichi: Nico's curse and the Black Gates took him!?

Me: Yep. About damn time too.

Qin: Good riddance.

Ryo: No kidding.

Lola: Yeah.

Jewel Man: How about we have the usual battles now?

Me: Good idea.

Shoichi: I would like to see them in action.

Qin: All right then.

Lola: Cool.

Chemistro: Actually, you're gonna be in them.

Shoichi: Cool!

Qin: You'll meet your archenemy.

Xenia: And test your power.

Sonnya Blade: Test your Might.

We went outside and then Maria called them in.

Then P'andor, Man Ray, Kitty, Avalanche, Tar Pit, Moonstone, Kyd Wykkyd, Larxene, Dark Laser and Whiteout came.

Nico: P'andor, Man Ray, Kitty, Avalanche, Tar Pit, Moonstone, Kyd Wykkyd, Larxene, Dark Laser and Whiteout.

P'andor: So, El of Water is going into our ranks, eh?

Man Ray: I'm fine with that.

Kitty: So am I.

Me: Yeah.

Tar Pit: (to Nico) We heard you went to somewhere Donkey Kong knows.

Avalanche: What was it?

Nico: The Bramble Scramble Level on Crocodile Isle.

? That is cool!

A figure came in and it was VISCERON from episode 5 of Turbo!

---

Visceron is an alien warrior and a friend of Dimitria from the planet Inquiris. He was sent to Earth to tell Dimitria an important news but he got captured by Divatox, who had him brainwashed and turned into a monster. Visceron serves as a major character and a temporary antagonist of the episode "Transmission Impossible".

Visceron was an alien warrior and a friend of Dimitria from the planet Inquiris. He was sent on Earth to tell Dimitria an important news. He called the Power Rangers via the music columns and asked to allow him talk to Dimitria. However, Porto caught the signal and told Divatox about it. Divatox ordered Porto to find the source of the signal. Then she ordered Rygog to prepare the Destruction Beam. Porto told Divatox that Visceron's ship used the frequency of the KAGV Radio Studio, so Divatox ordered Elgar to use a detonator and destroy the studio.

Visceron contacted Dimitria in the Command Center via the computer console, and told her that he has an important news and needed to talk to her and their talk could be overheard. Then he stopped the connection. Divatox overheard their talk and ordered Rygog to capture Visceron and bring him to her to tell her the information. Rygog ordered Porto to aim the Capture Beam at the sector 197. Porto used the ray, which hit Visceron's ship, crushing it and then Divatox's soldiers captured Visceron and brought him to her submarine. Divatox told Visceron to tell her an information for Dimitria and offered him to join her, saying that she is disappointed by her henchmen. Visceron, due to his noble nature, refused. So Divatox had him thrown into the sea cave.

Then Divatox sent Porto and Elgar to him and Porto used his special transformation spray to turn Visceron ino a strange red eyed creature wearing a green cloak. Elgar told Visceron to wash tableware for Divatox. Visceron's intelligence was heavily reduced, making him dumb and goofy. Visceron was happy and said that he would start cleaning without dishes. He then went to the Submarine and cleaned the tableware, washed the lingerie, vacuumed the dust, and dusted the furniture. When the Rangers found a detonator on the studio, Divatox sent Visceron to protect it. Visceron arrived with Porto, who told him to protect the detonator at all cost. Visceron, with his limited intellect, again didn't understand Porto and told him, calling him Portic and that he had to protect the detonator by the cost of his wife. Visceron said that he wasn't married. Porto hardly explained that it's life, not wife, and Visceron had to protect the detonator at all cost. Porto was annoyed by Visceron's ignorance, even declaring that even Elgar is Einstein beside the brainwashed Visceron. Porto left and Visceron was thrilled, seeking for the danger.

The Rangers caught the signal and arrived at the station, where they fought Visceron. They didn't recognize him in his mutated form. Visceron was a strong fighter and could fire energy blasts from his larger eye. However the detonator was on with far too little time, so it blew up in his hand and returned him to his normal form. He was heavily injured by the blast so the Rangers took him to the Command Center, where he nearly died. The Rangers thought he perished, but Dimitria proved the power of friendship and used her power to heal Visceron, who was happy and revealed that the register of birth in Dimitria's family was fake. He revealed that she had a twin sister. Dimitria was surprised, but still thanked her friend. Then Visceron left and returned to Inquiris. It is uncertain who was the twin sister of Dimitria, but it is likely Divatox.

---

T.J.: Visceron!

Visceron: Been a while rangers.

Me: I remember you! You were captured by Divatox and brainwashed to destroy the rangers!

Visceron: That's right. I was on my way to deliver some news and then I got captured by her.

Me: I remember.

William: That means you're a good monster

Visceron: I've yet to decide if I should join the Redemption Squad.

Maria: Well the choice is up to you.

Visceron: All right then I'll be in both the M.O.E. And the Redemption Squad.

Nico: Awesome!

Lola: Good choice.

We got the battles underway.

Tar Pit was next.

Tar Pit: (to Onua) I heard you guys met the Daughter of Nyx and the gene-slammer of the Advanced Crystal Beasts. What's are their names?

Onua: Their names are Melanie Nyx and Colleen Niji Draconia.

Smolder: They are really awesome and strong masters of the Night and jewels and are amazing Guardian Angels for Lincoln.

Draco: They sure are and they are amazingly powerful too.

Spotlight: Yeah they sure are.

Blackout: But their revelations and stories are amazing too.

Bash: Yeah no kidding!

Whenua: You should have seen what happened with Colleen's story. She went totally Apeshit all over Lynn when she stabbed

Lincoln all over and threw him off the roof!

Tar Pit: WHAT!?

Whenua: Yeah it was brutal!

Takeru: We're shitting you not! Both their stories are crazy!

---

Nico: So, Colleen, what's this nasty revelation on what Lynn did to Lincoln that made you harbor quite an incredible amount of hatred for her?

Colleen Niji Draconia: Even though I did say you don't want to know yesterday, I think you guys definitely have the right to find out for yourself, but I should warn you: it's not for the faint of heart.

Colleen Niji Draconia pulled up a video and it appeared on the screen, and we saw Colleen and Lincoln, and the two of them were walking out the door of the school.

Past Coleen Niji: That was an awesome day we had today.

Past Lincoln: It sure was, now to head home and do the assignments Mrs. Johnson gave us.

But, then, out of nowhere, Lincoln was suddenly ambushed by Lynn who came charging in on all fours, and then, she pounced on and started beating her little brother up badly. Colleen tried to yank Lynn off Lincoln, but she wound up getting stabbed in the stomach by her, and it was revealed that Lynn had a knife with her. Then, she stabbed Lincoln on the arms, stomach, and legs as he screamed in agonizing pain, and then, Lynn dragged Lincoln up to the rooftops of the school and lifted him up into the air and she had a psychotic crazed grin on her face, and we saw what she was going to do to him: SHE WAS GOING TO THROW HIM OFF THE ROOF AND KILL HIM!

Everyone who wasn't there gasped in horror!

Nico: OH GOD!

Eli: SHE WOULDN'T!

Past Lynn: THIS IS THE END FOR YOU, STINKOLN! TIME TO DIE, YOU LITTLE WEAKLING! (LAUGHING LIKE A FUCKED-UP MADMAN)

Suddenly, Colleen Niji Draconia burst through the door to the roof, and she was now absolutely angry and pissed off at Lynn.

Past Colleen Niji: LYNN! PUT YOUR BROTHER DOWN NOW, OR I SWEAR, I'M GONNA!

Then, Lynn threw Lincoln off the roof, and Lincoln screamed as he was plummeting to his doom, and Lynn was laughing like the jerk she was, and that made Colleen Niji Draconia super pissed off at Lynn, and then, she charged out and she jumped off the roof, but then, we saw her black angel wings spread out and she swooped down and caught Lincoln and just in time as he almost hit the ground. He held onto Colleen and he literally broke down and cried. Suddenly, Lori came in Vanzilla.

Past Lori: Colleen, what happened?!

Past Colleen Niji: Lori, get your cellphone out and get Becky Long, your bro's literally bleeding to death!

Lori called Becky Long, and she and the other Guardian Angels got here, and when they saw Lincoln really bleeding, they were horrified.

Past Becky Long: Colleen, what happened?

Past Colleen Niji: Lynn happened, she ambushed Lincoln as we were coming home from school, she came charging in on all fours, and then, she pounced on and started beating her little brother up badly. I tried to yank Lynn off Lincoln, but she stabbed me in the stomach, and I saw that Lynn had a knife with her. Then, she stabbed Lincoln on the arms, stomach, and legs and he screamed in agonizing pain. Then, Lynn dragged Lincoln up to the rooftops of the school and lifted him up into the air and she had a psychotic crazed grin on her face, and she was going to throw him off the roof of the school and kill him!

Past Laney Emperyous: WHAT?! OH, THAT IS IT, I'M GONNA… !

Past Colleen Niji: No, Laney, you stay here with Lincoln and Lori. Adriana, you have a blood bag for Lincoln to feed on?

Adriana took out the blood bag, and Lincoln bit into it, and he sucked the contents dry, and that caused his wounds to heal and he recovered.

Past Becky Long: Thank God, but Lynn's still there on the roof, and she knows you just foiled her attempt to kill her brother and we all saved him from death again.

Past Colleen Niji: I know. All of you stay here with Lincoln, I'm heading back to roof and I'm gonna kill that superstitious freak!

Past Lori: I'll call the cops!

Lori called the cops who were on their way, and Colleen Niji flew back to the roof to deal with Lynn who was now acting like a rampaging bull after what Colleen did to save him and what they all did.

Past Colleen Niji: I've had it up to hear with all of your stupid attempts to kill Lincoln, you superstitious freak! Now, you leave me with no fucking choice!

Past Lynn: I'LL FUCKING KILL YOU AND THAT STUPID BAD LUCK JINX!

Past Colleen Niji: Bring it on, you stupid rampaging bull!

Lynn charged at Colleen Niji running on all fours and roaring like an animal, but Colleen punched Lynn hard in the stomach knocking the wind out of her, but Lynn got back up, and she roared again in rage and beat her chest like a gorilla, and she charged at Colleen Niji and she still had her bloodstained knife on her, but Colleen fired ruby gems which knocked the bloody knife out of Lynn's hand, and then, she pounced on and attacked Lynn and she started beating her up in a really brutal manner, and Colleen broke Lynn's arms and legs as she screamed and roared with rage.

Past Colleen Niji: That's for stabbing your brother and trying to throw him off the roof to kill him, you superstitious rage-crazy rampaging freak!

Then, the cops came and Colleen Niji explained everything to the cops, and Lynn got put in handcuffs, then, Colleen Niji Draconia imprisoned Lynn inside a ruby prison, and they hauled her back to The Loud House.

Cop: Colleen explained everything to us, now we're not going to arrest Lynn, but we already know that the Guardian Angels are going to deal with her.

Past Rita: We know, Officer, along with all of us. Thank you for bringing our son home.

Cop: You should actually thank Colleen, the other Guardian Angels, and Lori.

Past Lori: Mom, Dad, whatever you give Lynn, make sure she never does this again!

Past Lynn Sr.: Don't worry, honey, we'll make sure of that.

Then, Colleen made the ruby prison disappear, and Lynn growled in anger again, but then, when she saw her angry parents and the rest of her angry sisters and Lincoln, Varie, and I all glaring at her with pure anger, she was in deep shit now.

Past Luna: You've done some majorly horrible things to our bro in the past, Jock Strap, but this, what you tried to do to Lincoln this time, crossed it big time!

Past Laney: You're lucky the cops didn't haul your butt to prison, because now, you're going to face the full extent of our wrath, Belchy McFarty!

Past Rita: Lynn Loud Jr., you are grounded for twenty-five weeks for what you tried to do to Lincoln, and you're going to be subjected to tons of horrible punishment from your brother's Guardian Angels.

Past Lynn Sr.: And don't think you can get any mercy from us, we warned you numerous times, but as always, you refuse to listen! Girls, show her no mercy!

Past Selene Emperyous: Understood, Mr. Lynn.

The Guardian Angels grabbed Lynn, and she was dragged to the backyard to face her doom, and her doom was this: she was being beaten up brutally, and this was going to go on for the weeks that she was grounded as the video ends.

Nico: Lynn, of all the stupid, bone-headed, bullheaded, idiotic, murderous things you can ever do to your little brother, this was one thing that really crossed it big time! If I was so there, I'd give you the ultimate thrashing of your miserable life!

Eli: If I was also there that day, I'd beat you to an inch of your miserable life!

Lincoln: Easy, guys, besides, the Guardian Angels took care of that. They subjected Lynn to a brutal punishment they came up with: it was called The Twenty-Six Week Humiliation, every day, during her punishment, she would be subjected to so many humiliating tactics that we'd use for our humiliations on the jerks and they also pummel her with their fists and feet, and Lynn would be chained to a post with Neutronium Chains lined with rainbow energy, so that she couldn't escape.

Nico: Damn!

Me: Yep, it was something we'd eventually use on the jerks, and it was so brutal.

Kaoruku: It's good he is not the main target for this one.

Xiomara: (Thai Accent) Yeah that is for sure.

Yvette Edmundton: If he were I would just turn him to stone and shatter him into a million pieces before we banish him to the black gates. But Nico told me he redeemed himself.

Zinnia Ilena: That's good he redeemed himself.

Starlight Glimmer: Yeah or that would have been his fate.

Cozy Glow: No kidding on that one.

We were off.

---

We arrived at the park and saw SHIRO MIZUKI Blocking our path!

Me: Shiro Mizuki!

Makoto: Get out of our way Shiro!

Shiro Mizuki: I'm sorry. But your appointment with El of Water will have to be cancelled! Henshin!

He turned into Kamen Rider G4.

Me: Better get out of our way Shiro or I'm going to rip your heart out and make you eat it like how Nico did to Swartz!

Nico: YEAH!

Shiro Mizuki: (Taunting) Ooh I'm so scared!

Me: You should because I'm going to kill you.

Shiro Mizuki: Not if I kill you first.

?: Not on our watch!

Then Blossom and the girls came!

Cadence: You girls made it!

Blossom Z: We sure did. We'll hold him off. You guys go for El of Water.

Me: Right! Thanks girls.

We went to the park.

Cadence: Let me help you guys!

Cadence was punching him all over.

Minotarumon came.

Nico: Thanks for coming, Minotarumon.

Minotarumon: No problem Nico. This will be fun and cool.

Xenia: It sure will.

We saw him and hid as Minotarumon went up to him.

El of Water: Ah, you must be one of those Digimon. You do know that water destroys earth, correct?

Minotarumon: I think with us, you'll find type doesn't always matter!

El of Water: What do you mean us?

Then the spirits of the Agito Riders came and they swirled around him and then converged and then…

KRABBBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off above him and fireballs hit him and blasted him all over and phoenix cry was heard and then we came out.

Me: El of Water. So we meet at last.

El of Water: Team Loud Phoenix Storm and Agito team nice of you to show up.

Shoichi: For the last battle with the one that got away!

El of Water: I honestly am glad you all came. Because now, I get to finish what the Overlord started and destroy all of you!

Shoichi: The Overlord was more of a challenge. You won't be hard to defeat!

Nico: That's for sure and you will be in a lot of pain.

El of Water: Batlings! Attack!

An army of Batlings appeared!

Erica Haddock: Battlings! Now you're talking!

Me: Walk all over them Erica!

Erica Haddock: With pleasure!

She went at the Batlings and she punched and kicked and ripped them apart at a nasty level.

POW BLAM SMASH WHAM BASH!

Erica did all kinds of flips and cartwheels and more as she was bashing them apart!

Me: Too bad I didn't bring any popcorn for this.

Nico: I know.

I fired waves of lightning and it hit the Batlings and destroyed them all over.

The Batlings jumped the Agito Riders!

The Agito Riders lay defeated at the hands of the Batlings.

El of Water: (laughs evilly) Looks like I'll be able to do what the Overlord couldn't after all.

Erica: (punches a Batling) Fuck! What do we do?!

Kadma got an idea.

Kadma: Everyone in the audience! Lend the Agito team your strength! They get stronger with your support! When I give the signal, share your energy with Agito team! Okay? Ready… go!

Everyone in the audience began sharing their energy with the Agito team. And soon, Shoichi found the strength to get up.

Shoichi: I never faltered against the Overlord. And I won't falter against you!

With that, Shoichi punched a Batling, knocking it down.

El of Water: WHAT!?

Me: Now it's time to drive you up!

I fired a wave of lightning and it hit El of Water and electrocuted him all over and he screamed in pain.

Shoichi: Thanks for the help, everyone.

Makoto: I didn't expect us to be so popular.

Ryo: Well, I'm not complaining.

Nicole Hale: Sis, why are we with the Agito team?

Cornelia: Because they don't have that many members.

Nicole Hale: Good reason.

Kadma: With that cleared up, let's finish this!

Shoichi: With pleasure.

Kadma: Let me transform with you guys!

Carter: It would be our pleasure, Kadma.

Lightspeed Rescue Rangers: Lightspeed Rescue!

Ryan: Titanium Power!

Shoichi: (As strange energy consolidates into a red and gold belt, while he crosses his outstretched arms before him) Everybody suit up. Henshin!

With that, Shoichi slams his hands into two buttons on the side of his belt, and in a flash of light a gold and black suit with silver accents and red eyes, dominated by a golden beetle horn crest, generates on Shouichi

Makoto: (Removing his trenchcoat to reveal a black zipper front bodysuit as a panel on the wall opens up, revealing blue and silver armor): Would you mind helping me get in suit?

Shoichi: Glady.

With that, the process begins. Makoto steps into the exposed armor chamber, allowing the chestplate to fold across him while he throws on the blue and silver arm guards and leg pieces. As this happens, Shouichi grabs a silver belt and slings into onto Makoto's waist, causing the red panel on the front to light up section by section. Once it's fully lit up, Makoto takes his helmet, blue with silver face plate, antennae, and orange eyes, and places it in front of his face, somehow generating a back portion and locking tab.

Ryo Ashihara: Henshin!

With his battle cry known, Ryo Ashihara is surrounded by green energy, before the energy consolidates into a strange almost aquatic looking form of green and black with gold accents and huge red eyes.

Ryo Ashihara: Haven't done that in a while.

Kino: (As energy consolidates into a similar yet more monstrous version of Shoichi's belt) Henshin.

His calm battle cry known, Kino assumes his true form, a dark green and black monstrous version of Shoichi's Agito form with two red scarf like items flowing down his back.

Carter: "Red Lightspeed Ranger!"

Chad: "Blue Lightspeed Ranger!"

Joel: "Green Lightspeed Ranger!"

Kelsey: "Yellow Lightspeed Ranger!"

Lincoln: He'll behave himself, and we'll make sure of it. Now, there's one last thing to do and one last loose end to tie up: The Flame King.

?: I will make every last one of you pay for turning my daughter against me and going against our legacy of evil, Team Loud Phoenix Storm.

Finn: Oh great, I knew there was no mistaking that voice, come out now, Flame King, or face our wrath.

Suddenly, a figure appeared from a wall of fire: it was Flame King, Flame Princess' evil father, and he glared angrily at Flame Princess.

Flame Princess: You're done trying to make me follow the same path as you, Dad. I want to walk my own path, and I'll soon be marrying Finn in the future and there's nothing you can do about it.

Flame King: You insolent little brat! I will make you pay for this, all of you will die!

Flame King fired blasts of fire at us, but we absorbed the blasts of fire and it made us stronger than ever.

Me: Sheesh, what a hothead!

Nico: A hothead with a bad temper, those are the worst kind!

Suddenly, Kadma's brown eyes turned neon brown and she was surrounded by a pink and green energy aura with stars, quintessence, plants, leaves, earth, lava, life energy, phoenixes, and angels, she unholstered her Kadma's Quintessence Volcanic Dragon Nature Earth Fury Kandrakar Guardian Greatsword of Earth Kandrakar Quintessence Volcanic Earth Nature Justice from her back, and as she approached Flame King, she left pink and green energy, stars, quintessence, plants, leaves, earth, lava, life energy, phoenixes, and angels with every step.

Kadma: You are indeed everything Finn and his friends have said about you, you are nothing more than a paranoid, powerhungry, manipulative, conniving evil Fire Elemental, and even worse, a bad father. You tried to make Flame Princess follow the same path as you, but you failed. Your daughter had since become a powerful force for good and we became her strongest supporters on her own path. Flame King, the crimes you've committed against The Fire Kingdom and The Kingdom of Ooo cannot go unpunished, as The Predecessor Guardian of Earth, you are hereby sentenced to death for your crimes.

Suddenly, Kadma was surrounded by a massive vortex of pink and green energy with stars, plants, leaves, life energy, lava, and quintessence surrounding the vortex, there are phoenixes and angels flying around the vortex, and in the vortex is an emerald green phoenix with red eyes glaring The Flame King: the red eyes of eternal death. Then, as the vortex faded, Kadma emerged, but she was changed forever.

Kadma grew from 7'4" to 7'5" in height, she has the body of a goddess, she has pink highlights in the bangs of her long purple hair tied in a ponytail, she has neon brown eyes and a pink and green energy aura with quintessence, life energy, stars, leaves, plants, lava, phoenixes, and angels surrounding her, she has the symbol of Earth in the hands of an angel emblazoned on her forehead and Third Eye with green iris, she has on angel earrings with green gems for eyes and holding the Quintessence, Earth, and Eternity Kanjis in her hands, she also has an angel with green gems for eyes and holding the Earth, Quintessence, and Eternity Kanjis in her hands for the pendant on the bottom of her green phoenix-shaped Element of Harmony of her Crystal Necklace of The Buddha with emerald green crystal links and emerald green gems on the gold rock links. Kadma has on her outfit when she was the Kandrakar Guardian of Earth and she has on a long sleeveless white trenchcoat with quintessence, life energy, stars, leaves, plants, lava, phoenixes, and angels on the coattails, and on the back is the symbol of Earth surrounded by quintessence, life energy, stars, earth, plants, lava, leaves, phoenixes, and angels. Suddenly, Kadma felt a sharp pain on her back, and then, her massive emerald purple angel wings with green tips on the purple feathers grew much bigger for her new body, Kadma has on her Ring of the Phoenix with large green gem and heart-shaped gem embedded in it on her right ring finger and White Lantern Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Kadma's massive Kadma's Quintessence Volcanic Dragon Nature Earth Fury Kandrakar Guardian Greatsword of Earth Kandrakar Quintessence Volcanic Earth Nature Justice and all the greatswords and swords that she'd gotten began to merge together, and they were surrounded by a kaleidoscope of pink and green energy, quintessence, life energy, stars, leaves, plants, earth, lava, phoenixes, and angels, and when it emerged, it was transformed into Kadma's Eternal Quintessence Volcanic Dragon Nature Earth Fury Kandrakar Guardian Greatsword of Earth Kandrakar Quintessence Volcanic Earth Nature Justice, it's a brand-new massive greatsword with embedded green gems and the symbol of Earth etched on the 7'4" massive, wide, double-edged emerald green blade, large emerald green dragon heads with green gems for eyes for the crossguard, large white angelic faces built into both sides of the hilt and large emerald green gems embedded in their foreheads, longer midnight black handle, four large green phoenix heads with emerald green gems for eyes and on the bottom of the large green phoenix heads is an emerald green dragon head with green gems for eyes and a pink gem in its mouth for the pommel, Kadma has on her large gold cuff Bracers of The Champions of The Universe with emerald green gems on her wrists and Dragon Ball Bracelet on her left Bracer, her large gold Belt of Elemental Bravery with a large gold phoenix head with emerald green gems for eyes and large green gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's an emerald green kanji below the symbol of Earth that said, "Kadma, Predecessor Guardian of Kandrakar, Predecessor Guardian of Earth, Former Queen of Zamballa, Friend of Phoebe Vandom, Hayley Lair, Emma Cook, Nicole Hale, Xenia Lin, Hay Lin, Irma Lair, Taranee Cook, Cornelia Hale, Cassidy, Halinor, Yan Lin, and Nerissa, Member of Cassidy, Halinor, Yan Lin, Kadma, Nerissa, Archenemy of Minotarumon, Loving Sister of The Agito Kamen Riders, Destroyer of Dark Nerissa and Phobos, Destroyer and Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Friend to Many, Amazing and Powerful Student of Amazing and Powerful Teachers, Amazing Member of Team Loud Phoenix Storm, and Master of Quintessence, Earth, Lava, Stars, Life Energy, Phoenixes, and Angels"

We were amazed by Kadma's Super Angel-Kandrakar Earth Guardian-Phoenix-Harmony Universal Eternal Celestial Xelnaga transformation, but when Flame King saw it, he fell into another infernal rage and fired blasts of fire at Kadma, but Kadma absorbed the blasts of fire and it made her stronger than ever, and Kadma fired a powerful barrage of pink and green energy, quintessence, life energy, stars, leaves, plants, earth, lava, phoenixes, and angels at Flame King, and they exploded with such incredible power as the barrage hit him, now the battle was on.

Shoichi Tsugami: Wow, so this is…?

Kadma: (Divine Godly Voice of The Divine Cosmic Kandrakar Earth Nature Guardian Quintessence Heavenly Phoenix Angel and Divine Cosmic Kandrakar Earth Guardian Quintessence Heavenly Phoenix Angel Love) Yes, this is my Phase 2 transformation, Shoichi.

Cornelia: Now, things are about to heat up.

Lincoln: You said it, now to give Kadma a hand.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf Phoenix Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Hope, and he joined Kadma.

Lincoln: (Divine Echoing Godly Voice of The Harmonious Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Your days of ruling The Fire Kingdom with an iron fist and tyranny are over, Flame King, now it's time for you to be dethroned forever.

Kadma and Lincoln went after Flame King who went ballistic and continued firing blasts of fire at them, but Kadma and Lincoln absorbed the fire blasts and it made them even stronger than ever, and they fired extremely powerful blasts of rainbow energy, pink and green energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Flame King and they exploded with incredible power as they hit him.

Then, they attacked him with their massive greatswords leaving scars on him, and Lincoln left many more with his claws and firing energy slashes from his claws and he and Kadma also attacked him with punches, kicks, and karate chops, along with elemental blasts.

Flame King: I don't care how powerful any of you are, no one defies me and lives!

Me: As if anyone would ever obey a heartless tyrant like you!

Nico: Yeah, you don't deserve to be the king ever again, you despot!

Kadma: (Divine Godly Voice of The Divine Cosmic Kandrakar Earth Nature Guardian Quintessence Heavenly Phoenix Angel and Divine Cosmic Kandrakar Earth Guardian Quintessence Heavenly Phoenix Angel Love) Indeed, and from one former ruler to another, your reign is over. Now, Lincoln!

Lincoln appeared right behind The Flame King, and then, he rammed his large left fist into The Flame King's chest, and he began absorbing The Flame King and his fire powers as his rainbow fire energy aura flared up extremely and exploded as he was gaining a massive power and energy boost. Then, as soon as Lincoln was done absorbing The Flame King, nothing was left of the tyrant except for his empty suit of armor and crown. Then, an energy card with The Flame King's soul appeared in Lincoln's left hand.

Flame King: I DEMAND YOU LET ME OUT OF HERE RIGHT NOW!

Flame Princess: You don't get to give out orders ever again, Father. You've caused enough trouble for the last time. Go ahead, Lincoln, send my father to The Black Gates forever.

Then, The Judgement Kanji appeared on The Flame King's forehead, and finally, he was sent to The Black Gates forever. We cheered wildly for what Kadma and Lincoln did as they holstered their weapons and powered down, and Kadma's new body, clothes, weapons, jewelry, Third Eye, and massive purple angel wings are permanent.

Kadma: That's it for this rotten fiery-tempered former monarch. Thank you for helping me destroy The Flame King forever, Lincoln.

Lincoln: You're welcome, Kadma. So, what's going to happen now, Flame Princess?

Flame Princess: There's no doubt my alternate self, Flame Queen, will rule The Fire Kingdom, but she will no doubt undo everything my father had done during his reign while I'm glad with just being who I am.

Finn: That's true, and of course, I'll be there by your side, Flame Princess.

Flame Princess: (Smiles Warmly) I know you will, Finn.

Me: And you're also going to be glad to know we've recruited Flame Queen into The M.O.E., and she'll have Ember 2023 as her archenemy.

Flame Princess: Oh yeah, this is going to be awesome.

Nico: She'll really love it alright. So, Lincoln, which of the daughters of The Olympian Gods and Goddesses are we meeting tomorrow?

Lincoln: I've already got a good one for tomorrow, the next one we're meeting tomorrow is Mariah Demeter, Daughter of Demeter, Greek Goddess of The Harvest and Agriculture, she's my Guardian Angel from from Greece mainly the legendary Mount Olympus, and like her mother, she's a Goddess of The Harvest and Agriculture and has all her mother's powers of nature and plants, she's immortal, and she's also extremely beautiful and sexy.

Me: Hubba Hubba.

Selene Emperyous: When she and Lincoln met, there was indeed quite the attraction that turned into true love and she swore to protect him from those who sought to do him harm, and her targets were none other than Flip, Lewis Travolta, Scoots, Hawk, Hank, Pablo, Anderson, Chandler, Artie, Trent, and Killjoy Huggins, his enemies, and she also swore to protect him from Lori, Lynn, Lola, Lisa, and Luan, she's really good friends with Laney, and Mariah and Lincoln helped Laney in creating gardens and planting many crops of foods and plants, and Mariah also helped in teaching Lincoln everything she knows about agriculture, harvesting crops, and he even helped her out at her farm. Lincoln made Mariah a beautiful necklace with green gem for the pendant, along with a white short-sleeved blouse, emerald green sleeveless top, long ankle-length white dress skirt, and white bridal gloves, and to show thanks, Mariah kissed Lincoln on the lips as her garden of flowers bloomed, and it was truly beautiful, and she hates Scoots with a bloody passion, because Scoots absolutely hated Mariah for always defending Lincoln whenever he, along with Lori, Lola, Lisa, Lynn, Luan, along with the rest of Lincoln's enemies plotted to kill him.

Michelle Emperyous: And Selene Arcangela told Mariah everything about what that heckling old goat has done to him constantly and trying to kill him, and one time when Mariah and Lincoln were doing some yard work in Liam's farm, Scoots showed up and she was out to kill Lincoln and Mariah yet again, that was until Lincoln let loose the beast inside him and he viciously attacked Scoots with a dangerous ferocity, and he and Mariah lashed at Scoots with vines of poison ivy and fired fruit at her and she got covered in fruit juice and they also pounced on and kicked the tar out of that old goat, and Lincoln fired red energy waves from his massive white angel wings and tied Scoots up in a red energy straitjacket, and when he alerted his family of what Scoots tried to do to him and Mariah, they were really furious, and then, Lincoln called Varie who came with vans from The Lansing Maximum Security Nuthouse and they took Scoots away, but she swore revenge on them big time.

Those who weren't there when that happened gasped in shock.

Nico: Why, that rotten-brained, crazy, heckling old goat! She was out to kill them yet again, she's such a royal pain in the ass!

Me: That's putting it mildly, Nico. But, you were right about that remark, Scoots was a massive pain in the ass, and I still remembered that incident all too well, and on that day, Scoots was even more on thin ice with everyone.

Luna: She sure was, dude, and you're also going to see the video of that incident when we meet her tomorrow.

Lincoln: You got that right, Luna.

POW! Blossom Z bashed Shiro in his face.

Bubbles Z kicked him in his stomach and Buttercup Z and Bunny Z bashed him all over.

Blossom Z threw her yo yo at Shiro and knocked him down and Cadence kicked him and knocked him down and he reverted back.

They tied him up.

Cadance: What do you girls want to do now?

We later came back and saw Erica sitting on a huge pile of dead Batlings reading a book.

Erica: That was awesome guys!

Me: You did great Erica!

Xenia: I'll say!

Carter: Well done!

Erica: Thanks guys.

We came back to Blossom and Cadence.

Moonstone: That's another recruit in our ranks.

Kyd Wykkyd: Damn straight!

Me: Soon to be 2 recruits if Shiro is interested.

Larxene: (to the Powerpuff Girls Z) You girls helped too.

Blossom Z: We sure did.

Shoichi: We'll see you in 7 days.

Blossom Z: We'll try not to be impatient.

Shoichi held out his fist and Blossom Z bumped it.

Then Shiro got up and I shoved my butt in his face and then…

LOUD LONG FART!

I farted in his face at point blank range and knocked him out!

Nico: WHEW! What the fuck did you eat!?

Me: Chili Dog buffet for lunch after the rescue spree.

Blu: Me and Jewel should be getting back to South America too.

Dark Laser: Well, we had fun having you guys.

Nico: We sure did

Whiteout: Take care!

Me: Party all night now!

Blu: We will.

Shoichi: That was so fun!

Qin: Yeah it was!

Xenia: Yep.

Me: YEAH!

Nico: But great job today everyone. This was awesome.

Me: Now we have all the Japanese Riders officially covered.

Nico: We sure do.

Lola: Yep.

Me: Now the American team is left for at the end of June.

Eli: Yep.

Shoichi: (To the viewers) Never mess with forces you will never understand or else.

Brittney: That's for sure.

Nico: Yep. Lets go home.

We went back home and enjoyed the rest of the day. Kadma has done her mission really well.

We later went to sleep.

---

But little did we know as we were sleeping, 2,000 years from now in the 41st Century, in the ruined building that once was the corporation of Bedlam, something evil was brewing.

The ground stirred and then a hand rose up and then out of the ground arose a shadowy figure! IT WAS BEDLAM! HE WAS BACK FROM THE DEAD!

Nico: Planet Valmorg. Always like coming here.

Shoichi: WHEW! It's hot here.

Me: It's over 2,000˚Fahrenheit here Shoichi. But yeah it's awesome.

Xenia: It sure is.

Qin: Yeah and the landscape is always awesome to see here.

Jason Lee Scott: You got that right.

Leeli: It sure is awesome to see.

Girl Jordan: I'll say!

Nico: Jason, I want to thank you, Scorcher, and your teams for coming

Jason Lee Scott: No problem Nico. This will be awesome and cool.

Indigo Zap: You bet it will be. This will be so fun.

Lincoln: You got that right.

Nico: Indigo, do you consider yourself, Rainbow's Shadowbolt counterpart?

Indigo Zap: I guess in a way I do.

Rainbow Dash: And it all was rocky in the Friendship Games. But we became awesome friends in the end.

Indigo Zap: We sure did. And we made awesome dance moves in the videos of the Rainbooms.

Nico: That is so awesome.

Shoichi: That sure is awesome. I love all the songs of the Rainbooms and they are so great.

Nico: They sure are.

Sunset Shimmer: Yeah our music is awesome.

Lola: It sure is.

Nico: I'm just asking because the two of you are competitive.

Indigo Zap: Yeah we sure are aren't we?

Me: You, R.D., Lynn and many of our sports loving friends all have so much in common I.Z.

Indigo Zap: That is for sure.

Xenia: Yep.

Shoichi: Boy they sure do.

Me: So Shoichi how are you liking it at the estate so far?

Shoichi: It's incredible! And the view of the planet is absolutely breathtaking.

Me: At 528,000 feet up you can see half of the planet for miles.

Nico: And the view of the stars is totally crystal clear.

Eli: Yep.

Nico: We're glad to finally have you with us.

Shoichi: Same here Nico.

Ryo: It's so awesome.

Qin: Yep it sure is. Now we just have the American Riders for Dragon Knight.

Lola: Yeah and all the riders from the 1970s to the 80s.

Nico: Also some of those riders from back then helped us during the 20 Days of Darkness. We never got to thank them.

Eli: That's true.

Me: Yeah.

Nico: But we kicked El of Water's butt.

Me: We sure did. And Erica kicked a massive amount of Batlings all to pulp.

Nico: (LAUGHS) She sure did! I'm proud of her. And it was funny how she was sitting on a massive pile of their mangled up bodies after the battle ended.

Xenia: Yeah that was awesome!

Qin: Yeah. She ripped them to shreds.

Nico: And J.D. farted in Shido Mizuki's face and that was so funny!

Lola: (LAUGHS) YEAH!

Me: (LAUGHS) That was so funny! Sorry I had chili dogs for lunch.

Nico: Don't forget about Kadma.

Shoichi: That was awesome! Kadma and all of you guys did a great job.

Lola: Yeah that was amazing.

Camie: Yep.

Girl Jordan: That was an awesome battle to close out the Japanese Kamen Rider Missions.

Xenia: It sure was.

Lola: Yeah!

Maria: The next sea Gene Slammer should be here

Me: On a planet this hot they will bake faster than you can say uncle.

Qin: No kidding.

Camie: Yeah.

Shoichi: And there isn't a speck of water anywhere.

Me: Well that's because it's so hot that life can't survive here.

Nico: Yep. But maybe she is in that cave we were in a while back.

Maria: Yeah.

Nico: Let's go there.

Me: That's the only spot on this planet that's cool enough for us to rehydrate.

We went into the cave.

Me: Ahh!

Qin: Awesome.

Shoichi: Wow what a difference in here.

Haruka: You got that right.

Nico: Yeah.

Eli: It's perfect in here.

Qin: But the entire planet itself would not make a very suitable place for home.

Xenia: Yep.

Nico: Anyone here?

Eli: Look there!

We saw a figure hiding behind a rock.

Me: It's okay you can come out. We're not going to hurt you.

A figure came out and it was a SAWSHARK GENE-SLAMMER GIRL!

Me: Whoa a Sawshark Gene-slammer.

Xenia: Whoa man.

Sawshark: Thank goodness I have been found here.

Nico: Rachel Remmie!?

Qin: Oh my god! You were turned into half Sawshark like Stacy was.

Rachel Remmie: I sure have been. By Paradigm!

Lola: Oh man!

Maria: You don't look that bad.

Rachel Remmie: No but I am hot and thirsty. This place is a horrible one.

Me: You're on the planet Valmorg and you are 214 million lightyears away from home. This planet is over 2,000˚Fahrenheit and it's completely inhospitable for people.

Rachel Remmie: That explains why I'm so hot here.

Nico: Yep.

Maria: What were you doing when you got slammed?

Rachel Remmie: Practicing skateboarding on the half pipe and then this dart hit me and then I woke up like this.

Nico: Geez.

Nico hugged her to comfort her.

Rachel Remmie: Ahh. Thanks Nico.

Me: Lets revert you back and give you some water.

Rachel Remmie: Good idea.

Xenia: Yeah.

Me: (Puts on blind man glasses) Just so you know this is gonna hurt really bad.

Rachel Remmie: I'm ready.

The boys covered their eyes.

Me: Here we go. (SNAPS FINGERS)

She then started reverting back and she doubled over in excruciating pain!

Rachel Remmie: WHY?!

Me: It'll be over in a few seconds!

She reverted back and had blond hair and blue eyes and had a tattoo of the planet Venus on Fire on her right arm.

She got up and was naked because her pants and underwear fell off.

Rachel Remmie: (GROANS) What a horrible pain. GAH! (Covers herself) I need new clothes!

Rarity: Don't worry darling. We can fix this.

The fashion brigade moved in and gave her new clothes. She had on a magenta color shirt, blue shorts and gnarly kneepads and red skates.

Varie showed her a mirror and she saw herself.

Rachel Remmie: Oh wow! I look great. And the skates are awesome.

Varie: Thanks. They were Maria's idea.

Maria: Yep. Here.

She gave Rachel a lot of water and she was gulping it down like no problem.

Rachel Remmie: Ahh. I needed that.

Nico: You okay?

Rachel Remmie: Much better.

Qin: Awesome.

Nico: Good.

Me: Awesome.

BEEP!

Me: Huh?

I looked at my arm computer and it showed that there was AN EVIL SASUKE ON VALMORG!

Me: There's an Evil Sasuke here!

Nico: Okay. If we ignore him, he'll go away.

Me: Nico he is not going to go away until he kills ALL of us.

Qin: Yeah.

Me: Besides I want to let loose all of my power on him.

Sakura Knudson: Yeah. This is always fun.

Nico: You think he has a Carnage Symbiote with him?

Eli: I sense that it's another Carnage from another universe.

Girl Jordan: Nico here is number 2 that you owe me.

Nico: Yep.

May: This means you can join in

Girl Jordan: Yep. After J.D. has his fun.

Me: Fair enough. Okay here I go.

I went out to face him!

Me: Come and get me you sack of motherfucking shit.

Then he saw me.

?: YOU MOTHERFUCKING CUR!

He came to me.

I then went SUPER ANGEL EBONWU UNITED FRIENDSHIP UNIVERSAL ETERNAL CELESTIAL XELNAGA COSMIC ELEMENTAL WOLF MOON PHOENIX!

Me: (DIVINE ECHOING GODLY VOICE) **Nice to see you Evil Sasuke.**

Evil Sasuke then had his eyes glow red with incredible rage!

Evil Sasuke: WHO THE HELL DO YOU THINK YOU ARE YOU MOTHERFUCKING CUR!? YOU ARE NOTHING TO US YOU CUR! WE ARE THE UCHIHA AND WE ARE THE STRONGEST AND THE ELITE!

Me: (To Evil Sasuke) **Hmm. Yes and a "Motherfucking Cur" was** the only kind of person you can handle. I remember that your father said that very same thing to me in 150,000 years just as I was killing the Uchiha for their crimes and snuffing out the very darkness that they used to destroy so many lives. When he made his speech about how you were going to kill all of the Leaf in the name of Madara Uchiha all they did was seal their fate. Your Father poisoned his own son with his own hatred and turned you into a miniature version of him and he poisoned your mind with so much of his hatred over everything that you became a totally lost cause. He made you into a homicidal and completely mentally unstable psychopath and you did not show any value towards friendship or comradery. You wanted everything handed to you on a silver platter just like your wretched father and all your clan did. You cheated in everything, Even though Ninjas cheat, education is the one thing that we NEVER cheat at. Isn't that right and they say that your father was leading the Uchiha to greatness. But it turns out you're just another lost soul of the run-of-the-mill ninja. And you know it. You're not even in the same league in the kind of power that I possess. I can destroy the entire universe in the mere blink of a cosmic eye. In fact, next to my kind of power and the power that you have, you are nothing compared to me and you and your clan were nothing but a bunch of pathetic ants compared to it. The way you covet all that power, the way your clan did all the deeds in the name of the devil known as Madara Uchiha, a monster and a planet destroyer. It's downright fucking disgusting. As the most powerful fighter and warrior and champion in the universe, all I see when I look at you is a fucked up miserable fuckweed and a heartless motherfucking psychotic wretch. And on top of that I fucking hate your style above all others you ruthless fuckkicker! What is it that you are hoping to accomplish? Stealing all the jutsu in the world just to expand your jutsu arsenal and repertoire, committing crimes all over the planet just to satisfy the devil Madara Uchiha, murdering innocent people, stealing jutsu, pursuing petty and worthless desires like revenge and above all betraying the very village your clan founded. You Uchiha Motherfuckers don't give a flying fuck about anyone but your pathetic goddamned motherfucking selves and that is why I killed them all including your father. The Uchiha are heartless

**monsters that murder, lie, steal, betray and are completely powerhungry just like you and that's why I killed them all. YOU ALL FUCKING DISGUST ME!**

(FORSAKEN BY WITHIN TEMPTATION PLAYS)

Evil Sasuke Roared in an incredible amount of rage and fury and he went into his LEVEL 2 Curse Mark Form and he went at me and punched and kicked and brutally fought me all over and tried to smash my head in with indiscriminate fury and he was really determined to make sure that he kills me. I blocked all his punches and kicks and he jumped back and threw numerous kunai and I deflected them all and fired a powerful blast of fire and it hit him in his arm and burned him bad! He was screaming in pain and then he was screaming in agony. But then his screams of pain quickly turned into maniacal and insane laughter. He was laughing like an insane and totally fucked up monster that was fucked up to the core six ways till Sunday and he went at me again and I kicked him in the face and knocked him down and he got up and went at me again and I dodged him and fired a blast of lightning and it hit him in the crotch and electrocuted him all over. He went at me some more and I dodged his strike and kicked him in the back and sent him smashing into a rock and he got up and fired massive blasts of lightning at me and I deflected them back with my sword and he got electrocuted all over and I punched him in the face and he went at me some more and I was making him madder and madder and madder and he was only making me stronger with all his hatred and more. I then punched him in the face and he went at me and I dodged him again and dodged him again and then I kicked him in the back again and sent him crashing into a rock and he got up and went at me some more and fired massive blasts of fire at me and I fired waves of massive fire blasts at him and the blasts collided and exploded with incredible power!

Massive fiery explosions were blasting off all over the place.

I fired elemental blasts at Evil Sasuke and he was firing blasts at me and massive fiery explosions were going off all over and turning the area into a raging inferno.

Nicole: YEAH! GET HIM DAD!

The Entire area around us was turning into a war zone! Evil Sasuke then fired a massive fireball.

Me: **KAAAAAAAAA! MEEEEEEEEEEE! HAAAAAAAAAAAA! MEEEEEEEEEEE! HAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAA!**

I fired a massive rainbow Fire Kamehameha Wave and it went through the fireball and destroyed it and it slammed into the Evil Sasuke and exploded!

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Evil Sasuke was smashed into the ground with incredible force and I kicked him in the stomach with incredible power and he belched up a huge amount of blood and then I grabbed him by his shirt and threw him into the air and flew after him and kicked him in the face and knocked out some of his teeth and he jumped away and fired waves of fire and I fired waves of lightning and they overtook his fire and the blasts of lightning hit him all over and electrocuted him and then I fired a wave of wind and entrapped him in a tornado and then I fired a wave of fire and burned him all over in the tornado as it was turned into a fire tornado. When the tornado faded he jumped out and fired more fire blasts and me and I fired waves of crystal at him and they hit him and cut him all over the place and then I fired waves of wood at him and smashed him all over the place with incredible force and smashed him all over. He ran at me with a Chidori and I teleported and fired waves of lava and burned his hands and he screamed in pain as he was burned all over and then I kicked him in the face and smashed him into a rock! Then he popped out of the rubble and threw the rock at me and I smashed it with incredible brute strength and smashed him with waves of rocks and pebbles and smashed him all over the place! I then fired waves of darkness and electrocuted and burned him all over.

Evil Sasuke got up and he was more enraged than ever before!

HE WAS PISSED!

Taro laughed and charged at Evil Sasuke.

He kicked him in his face and smashed him down!

Me: **Time to get festive!**

Evil Sasuke: What are you laughing at, you cur?!

Taro: The only cur is you. Naruto and J.D. are not responsible for your own mistakes. You are!

Me: **That's right!**

I punched him in his face!

POW! BLAM POW SMASH!

I punched him down.

Nico: How about we wrap this up?

Me: **With pleasure!**

Evil Sasuke got up and he was more enraged than ever before!

Evil Sasuke: (ENRAGED SCREAMING) WHAT IS IT WITH YOU!? WHY ARE YOU SO STRONG!? IT'S NOT FAIR! THAT POWER SHOULD BE MINE!

Me: **You will never have my power.**

Evil Sasuke then raised his right arm up and then I threw an energy disk and it slashed his right arm clean off! He screamed in excruciating pain as it was completely severed from his shoulder and he clutched the stub of his arm.

Evil Sasuke: YOU MONSTER!

Me: **I've been called worse.**

Nico: Yeah!

Me: You don't know how to love anyone Sasuke. All you care about is nothing but yourself.

I then teleported and stabbed Evil Sasuke all the way through his black heart!

Me: **This is for everything you have done! Go to hell and stay there you motherfucking son of a fucking bitch!**

I then slashed him all the way in half and sliced and diced him into a thousand pieces and then I fired a pitch black energy blast of the Black Gates and he was banished to oblivion forever!

Evil Sasuke was obliterated forever.

I powered down.

Me: That felt really good.

Juran: Nico, are you sure he's bonded with the Carnage Symbiote?

Nico: Eli said he wasn't so I trust Eli. But great job J.D.

Me: Thanks.

Girl Jordan: Now it's my turn.

Tsubasa: I thought for sure Evil Sasuke was bonded to that freak!

Eli: Nope. Cletus Kasady is the only one capable of being bonded with Carnage.

Qin: Yep.

Nico: Look!

We saw a figure and it was CLETUS KASADY A.K.A. CARNAGE!

Nico: There he is.

Lola: Uh oh.

Me: Cletus Kasady! You fucked-up piece of shit, I knew one day you'd show your bloodstained ass again!

Nico: You make me sick! I knew it was a matter of time before you showed up!

Carnage: And now, I'm going to enjoy killing all of you and every last person in my way! CARNAGE AND CHAOS SHALL REIGN SUPREME! (LAUGHING DERANGEDLY)

HE'S OFFICIALLY LOST HIS FUCKING MIND!

Me: YOU'RE FUCKING INSANE, KASADY!

Eli: You are out of your fucking mind!

Nico: You've absolutely lost your fucking mind, and you will never hurt another person again, Kasady. Girl Jordan, Lincoln, Leeli, Kaede, tear his fucked-up ass to shreds and let him die in a pool of his own fucked-up blood!

Lincoln: You got it, Nico.

Leeli: With pleasure!

Nico: Can you hurry up and let us kill you? We've still got matters to attend to?

Girl Jordan has transformed into SUPER ANGEL-SEA DRAGON-MERMAID-HARMONY UNIVERSAL ETERNAL CELESTIAL XELNAGA ATHLETIC MAELSTROM ARCTIC SEA DRAGON ANGEL OF DIVINE CELTIC MAELSTROM SEA DRAGON JUSTICE AND DIVINE OCEANIC CELTIC MAELSTROM SEA DRAGON LOVE!

Girl Jordan: (Divine Godly Cosmic Voice of The Celtic Maelstrom Sea Dragon and Divine Oceanic Celtic Sea Dragon Maelstrom Love) **It's time for you to pay for everything you did Kasady!**

Nico: Eli, while this is going on, sense for Swartz's creations.

Eli: Already did and we have Another Ring-Ring, Kabatoncue, Whopper, Moby, Escaroo, Totemer, Ravekiller, China White and Scorcher.

Nico: WHOA!

Eli: And Another Ring-Ring, Kabatoncue, Whopper, Moby, Escaroo, Totemer, Ravemanta and China White are all the same girl. She's one of Lincoln's Guardian Angels.

Xenia: WHOA!

Qin: This will be interesting.

Lola: Yep.

Me: I have just the archenemies for the anothers minus China White.

Nico: Really?

Me: Yep. I summon THE SUPREMACY SUN, THE TRIPPER MERCURY, ELEMENTAL HERO TERRA FIRMA, BLAZING MARS, THE GRAND JUPITER, THE BIG SATURN AND THE DESPAIR URANUS!

I summoned said monsters!

Nico: Cool!

Girl Jordan went at Carnage and blasted and pulverized and smashed him all over.

Nico: Not to rush you but you probably should snap his neck now.

Girl Jordan: Got it.

She fired an energy blast and obliterated him completely and banished him to the Black Gates.

Qin: Good riddance.

She powered down.

We got ready.

Nico: Well, we know who's first.

Me: Yep. And here they come!

We saw Another Ring-Ring, Kabatoncue, Whopper, Moby, Escaroo, Totemer, Ravekiller and China White!

Indigo Zap: Whoa!

Qin: Wow! This will be good!

Lola: Yeah!

Another Ring-Ring: (In a girls voice) This is my kind of planet.

Lincoln: That voice!

The 8 Anothers merged together and reverted back and it was a girl with red hair and she had orange eyes and had the Laval Fire Crest in the middle of her forehead and she had fire angel wings and had orange and red clothes and had a fire sword in her hand.

Lincoln: (GASP!) Elandra Laval!

Elandra Laval: Awesome to see you again Lincoln and wow you have grown into an amazing young man!

Lincoln: I know. I haven't seen you since you were 16.

Elandra Laval: Yeah and also I'm the gene-slammer of the Laval monsters.

Me: Whoa!

Elandra Laval: Also is Luan with you guys?

Me: No. Why did she do something horrible to you?

Elandra Laval: THAT Is an understatement. She did a bunch of horrible psychotic pranks that were so bad that they hurt all of Lincoln's friends! I almost KILLED THAT METAL-MOUTH MANIAC and mounted her head on a pike!

WE GASPED!

Me: (GULPS!) I have a feeling this will be brutal!

Lincoln: We'll have to hear about it later.

Nico: You ready?

Elandra Laval: I sure am.

Me: Is the Another Scorcher friendly or hostile?

Elandra Laval: Friendly and this one is hot too.

Nico: Oh boy.

Girl Jordan: First lets separate you.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background.

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Elandra separated from the Anothers and Indigo Zap and the Legendary Planets fired energy waves and blasted them and blew them apart and I caught the Wonder Ride Books.

Elandra Laval: That was awesome!

Qin: Yep.

Nico: There he is!

We saw a figure and it was ANOTHER SCORCHER!

Me: Whoa! Another Scorcher! Perfect for this planet.

Qin: Yep.

Lola: Awesome.

Another Scorcher: (In a girls voice) I have a feeling you guys did a good one here.

Me: Whoa! Candace Florence!

She reverted back and she was a girl with orange hair and orange clothes and she had fire angel wings.

Candace Florence: Awesome to see you again J.D. Thank you for saving me and my sister Sasha from my so-called evil father.

Me: Anytime.

Nico: What does she mean by that?

Me: Long story. Also she is the gene-slammer of Fire Princess and the Fire Elemental HERO Monsters and she has awesome fire powers.

Nico: Cool!

Kaito: (gets out GoGoV gear) Did Swartz promise you anything?

Zocks: (gets out Timeranger gear) Because we can grant it instead.

Kaito got a V-Lancer and Zocks got a Quantum Ranger Blaster.

Candace Florence: Just to get revenge on my so-called dad for his crimes.

Me: Candace comes from Pakistan and she and her sister Sasha went through hell because of her dad and I appeared as he threatened their lives. It was a toxic marriage and relationship. I pulled out a 12 gauge shotgun and blasted his crotch right off his body.

Nico: (WINCES) OH MAN!

Qin: OUCH!

Eli: Nasty castration!

Xenia: YIKES!

Candace Florence: I know. It was awesome. But my dad swore revenge on me, Sasha, mom and J.D. for ruining him.

Me: Let him try. Sorry we have to fight like this.

Sougo: (gets out Lightspeed Rescue Ridewatch) Your dad is not getting near you.

Geiz: (Gets out Time Force Ridewatch) If he does, he's gonna get it!

Sougo got LightspeedRescueRedArmor while Geiz got TimeForceRedArmor.

Me: I vowed that if he does that his crotch would be the least of his worries. I would blow his head off.

Nico: Nice.

Candace Florence: Good. Sorry about this.

She turned into ANOTHER SCORCHER!

Nico: Time for fire! (ACTIVATES SCORCHER'S RIDEWATCH)

He fired a blast of fire and smashed her down.

Nico: Time for this too! (ACTIVATES CHINA WHITE'S RIDEWATCH)

He fired waves of energy and blasted her down.

May: Time for some sea dragon power! (ACTIVATES SEA DRAGON AND ANGUIS MASCULUS'S RIDEWATCHES)

She fired waves of energy and water and blasted her down.

Maria: Now for some fire and lightning! (ACTIVATES GAZIMON'S RIDEWATCH) (ECHOING) ELECTRIC STUN BLAST!

She fired a blast of lightning and electrocuted her.

Maria: And this! (ACTIVATES DEMON BEATRICE'S RIDEWATCH)

She fired a powerful blast of fire and blasted her down!

Indigo Zap: Top this too! (ACTIVATES CHINA WHITE'S RIDEWATCH)

She fired waves of energy and smashed her down!

Then Girder, Quicksand, Invisible, Toguro, Levira and Oven Jamen came.

Nico: Nice team Girder!

Girder: Thanks Nico.

Me: This will be awesome.

But then something landed on my head.

Me: What the?

I saw that it was a Toucannon!

Me: Cool a Toucannon!

Nico: I thought it was Poromon for a second.

Toucannon: (In a girls voice) No but I do think that's cool.

Nico: Millie Bolt!? Whoa!

Qin: Cool!

She jumped down and reverted back and she was a girl with black hair and had yellow and green clothes and the flag map of Jamaica on her skirt.

Millie Bolt: I got this.

She fired waves of energy and smashed down Another Scorcher and I caught the Ridewatch and purified it and brought over Candace.

Millie Bolt: Awesome!

Indigo Zap: What's your favorite memory of Nico?

Millie Bolt: When me and Nico won the Cross Country Marathon and it was awesome.

Nico: Yep that was so fun.

Qin: Yep it was.

Me: Awesome.

Nico and Millie hugged.

Nico: I've missed you.

Millie Bolt: Same here.

Me: Lets go home and drink some lemonade.

Nico: Good idea.

We went back home.

That person's name is Marana Salazar, she's a dangerous person The Pleiades Sisters have had the displeasure of knowing, and even worse, she's a Satanic witch who'd fallen deep into The Occult when she was fifteen and gained dark powers through a Satanic ritual, but her very dark obsession with The Occult and the dark side drove her deep into madness and fanatical Satanic worship that's at the same level of Bellatrix Lestrange, and everywhere she went, that insane witch killed many innocent people in her fanatical Satanic worship, and she tried to kill Lincoln, but The Pleiades Sisters attacked and defeated that crazy Satanic Witch and sent her to the nuthouse for the rest of her life, but they didn't strip her of her powers since her dark powers were acquired through the use of dark Satanic rituals. Now, years later, that crazy Satanic witch broke out, and she wants revenge on The Pleiades Sisters, but we're going to put an end to that crazy Satanic Witch, and we're sending her to The Black Gates forever.

Lincoln: Wow, we're here in Minnesota, and I know what we're going to do here, not only am I going to rescue the six girls here, but Alcyone, you and your sisters aren't going to like it: Marana Salazar, the insane and fanatical Dark Satanic Witch, has escaped.

The Pleiades Sisters gasped in horror.

Alcyone Pleiades: That insanely fanatical Dark Satanic Witch has escaped?!

Sterope Pleiades: This is all our fault, we didn't strip of her dark powers after we beat the stuffing out of her and sent her to prison! Oh man, that witch is out for blood again!

Nico: Whoa, this sounds really serious. Can you girls tell us about this Dark Satanic witch?

Alcyone Pleiades: You're not going to like it, Nico. Marana Salazar is a very dangerous person that my sisters and I have had the displeasure of knowing, and even worse, she's a Satanic witch who'd fallen deep into The Occult when she was fifteen and gained dark powers through a Satanic ritual, but her very dark obsession with The Occult and the dark side drove her deep into madness and fanatical Satanic worship that's at the same level of Bellatrix Lestrange, and everywhere she went, that insane witch killed many innocent people in her fanatical Satanic worship.

Me: Damn, so we have a fanatical Dark Satanic Witch to kill.

Electra Pleiades: And even worse, she tried to kill Lincoln, but we attacked and defeated that crazy Satanic Witch and sent her to the nuthouse for the rest of her life, but we didn't strip her of her dark powers since her dark powers were acquired through the use of dark Satanic rituals. Now, years later, that crazy Satanic witch broke out, and she wants revenge on us.

Lincoln: I'm not going to let her do so, Electra, we're going to put an end to that crazy Satanic Witch, and we're sending her to The Black Gates forever.

Eclipsa Tyburn: She's indeed on the same danger scale as The Church of Necrom, The Order of The Black Cross, and The Chernabog Sisters, so yeah, she's got to go.

Ronalda Paleozoa: Big time.

Troy: And one day, you've got to tell us what Lori did to Lincoln that was so horrible, it left you with wanting to cut her head off and mount it on a pike and give it to Bobby.

Eclipsa Tyburn: Trust me, Troy, what Lori did is something you're not going to like.

Ronnie Anne: Lincoln told me and Bobby about it, and we were horrified big time. Mom wanted to go down there and hit her with a Chancla, but no, she backed off and let his parents handle her.

Suddenly, we saw a very beautiful and super sexy girl with long brown hair and green headband, brown eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful emerald green angel wings, she's dressed in a midnight black short-sleeved blouse, sleeveless emerald green top, necklace with pearls and green gem for the pendant, long ankle-length midnight black skirt, white bridal gloves, green knee-high high-heeled boots with butterfly buckles, and long white sleeveless trenchcoat with plants, leaves, serpents, and angels on the coattails and on the back is Demeter, and holstered on her back is a massive Demeter-themed greatsword with embedded emerald gems and Demeter etched on the 7'0" massive, wide, double-edged green blade, large green snake heads for the crossguard, large white angelic faces embedded on both sides of the hilt with emerald green gems embedded in their foreheads, longer midnight black handle, four large white angel heads and large emerald green gem on the bottom of the large white angel heads for the pommel, and with her are the six girls.

Selene Arcangela: (Gasps) The snake motif on the sleeveless trenchcoat, you're one of the daughters of the Olympian Gods and Goddesses.

Brown-Haired Girl: That's right, and I got the girls away from that crazy and insanely fanatical Dark Satanic Witch before she could kill them.

Lincoln: (Gasps) That voice, Mariah Demeter, I knew it was you.

?: YOU WILL ALL BE SACRIFICED IN THE NAME OF THE

GLORIOUS DARK LORD, SATAN! (CACKLING INSANELY)

We then saw our target, a girl with long black hair, pale skin, red eyes, an insane grin on her face, and dressed in black clothes, it was Marana Salazar, the insanely fanatical Dark Satanic Witch, and she was out for blood.

Then, Lincoln fired eleven beams of light from his massive greatsword and they turned into crosses that surround Marana Salazar, and he said The Lord's Prayer in Latin. Suddenly, the gold crosses glow with intense light, and Marana Salazar screamed as her dark powers were stripped from her, and then, the crosses turned into swords which impaled themselves into Marana Salazar killing her in a flash of light and she was sent to The Black Gates forever. We cheered as we holster our weapons and powered down.

Lincoln: You've lived for far too long, Marana Salazar, and now, your days of killing innocent people are over. (To Mariah Demeter) And it's so good to see you again, Mariah Demeter.

Mariah Demeter: You too, Linky, it's really been such a long time.

Lincoln went up to Mariah Demeter and he hugged her, and Mariah Demeter is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, fine hair on his massive forearms and short stubble on his jawline, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you nine since you were seventeen, and as you can see, I really grew a lot since then.

Mariah Demeter: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 17-year-old 8'3" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, fine hair on your massive forearms and short stubble on your jawline and many accessories, that's really new, along with getting He-Man's chest harness. You've really really grown a lot in height and become a man, but you're still the same kind boy from long ago. Plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and he's become truly immortal.

Me: And Lincoln, you know this sexy mama?

Lincoln: Indeed I do, J.D., this is Mariah Demeter, Daughter of Demeter, Greek Goddess of Agriculture and The Harvest, she's my Guardian Angel from from Greece mainly the legendary Mount Olympus, and like her mother, she's a Goddess of The Harvest and Agriculture and has all her mother's powers of nature and plants, she's immortal, and she's also extremely beautiful and sexy. When she and I met, there was indeed quite the attraction that turned into true love and she swore to protect him from those who sought to do me harm, and her targets were none other than Flip, Lewis Travolta, Scoots, Hawk, Hank, Pablo, Anderson, Chandler, Artie, Trent, and Killjoy Huggins, my enemies, and she also swore to protect him from Lori, Lynn, Lola, Lisa, and Luan.

Selene Emperyous: She's also really good friends with Laney, and Mariah and Lincoln helped Laney in creating gardens and planting many crops of foods and plants, and Mariah also helped in teaching Lincoln everything she knows about agriculture, harvesting crops, and he even helped her out at her farm. Lincoln made Mariah a beautiful necklace with green gem for the pendant, along with a white short-sleeved blouse, emerald green sleeveless top, long ankle-length white dress skirt, and white bridal gloves, and to show thanks, Mariah kissed Lincoln on the lips as her garden of flowers bloomed, and it was truly beautiful.

Nico: Wow. And we also met your mother when we saw that she gave Timmy's parents The Black Thumb of Demeter.

Mariah Demeter: Ah, yes, my mother's famous curse meant for bad parents, and in this case, his parents were so stupid and neglectful, my mother made sure that curse can't be removed, and any plant they touch will die.

Lincoln: They're behaving themselves, Mariah.

Timmy Turner: But, given their track record, her mom's not going to remove the curse anytime soon, and I was still stunned their stupidity and neglectful behavior had angered her mom.

Selene Arcangela: It sure did.

Me: And she hates Scoots with a bloody passion, because Scoots absolutely hated Mariah for always defending Lincoln whenever he, along with Lori, Lola, Lisa, Lynn, Luan, along with the rest of Lincoln's enemies plotted to kill him, and Selene Arcangela told Mariah everything about what that heckling old goat has done to him constantly and trying to kill him, and one time when Mariah and Lincoln were doing some yard work in Liam's farm, Scoots showed up and she was out to kill Lincoln and Mariah yet again, that was until Lincoln let loose the beast inside him and he viciously attacked Scoots with a dangerous ferocity, and he and Mariah lashed at Scoots with vines of poison ivy and fired fruit at her and she got covered in fruit juice and they also pounced on and kicked the tar out of that old goat, and Lincoln fired red energy waves from his massive white angel wings and tied Scoots up in a red energy straitjacket, and when he alerted his family of what Scoots tried to do to him and Mariah, they were really furious, and then, Lincoln called Varie who came with vans from The Lansing Maximum Security Nuthouse and they took Scoots away, but she swore revenge on them big time.

Nico: That crazy heckling old goat, I should've known she'd do something like this. Now, I'm so glad we gave her The Black Gates.

Lori: She was literally a massive pain in the butt, and all she ever does is cause and start trouble for her own sick amusement, not to mention she's tried to kill Lincoln and all of us many times over.

Luna: She should've been locked up many years ago and never let out, but she got her just desserts when we sent her to her eternal doom.

Ronalda Paleozoa: Sure wish we could've done that to Flip as well!

Lincoln: Now, now, Ronalda, Flip has done tons of horrible things that've warranted The Black Gates, but it's best that we now have him condemned as humiliation fodder for the rest of his life.

Nico: Yeah, besides, he's got a lot of karma to face from everyone in Gotham Royal York since he had cheated a lot of people out of their money and he did a lot of horrible things for his own greed.

Me: Yep, so he's basically facing Karmic Justice: the worst kind of punishment for him.

Lincoln: That's right. And now that you're here, Mariah.

Lincoln went up to and hugged Mariah Demeter in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Mariah Demeter: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Mariah Demeter's neck with emerald gems on the gold lightning bolts and emerald crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck.

Mariah Demeter: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal

Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Mariah Demeter.

Mariah Demeter had a smile on her face and tears in her eyes as Lincoln still had his abnormally massive and powerful muscular arms around her, and he leaned down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the six girls, and when Lincoln saw who they were, he immediately recognized them. The six girls are Crafto, Erika Hayama, Gloria Falken Mayer, Julius Diner Davidson, Manami Kaedezawa, and Monte Bellini from Super Auto Salon: Custom Car Contest.

Lincoln: Oh wow, it's Crafto, Erika Hayama, Gloria Falken Mayer, Julius Diner Davidson, Manami Kaedezawa, and Monte Bellini from Super Auto Salon: Custom Car Contest.

Nicole: Ooh, looks like we got some racer girls, and they even know how to do some paint jobs on race cars.

Lincoln: Maybe we can work on doing some custom paint jobs on our cars as well. Are you girls okay?

Crafto: Yes, we're okay, thanks to you.

Then, when Crafto and the other five girls saw who it was that saved them from Marana Salazar, the insane and fanatically devoted Dark Satanic witch,, their faces turned atomic red upon seeing the 17-year-old 8'3" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head, fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with a gold lightning bolt and Ebonwu Squadron emblem emblazoned on his forehead with Third Eye on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, He-Man's chest harness with colored gems on the orange crisscrossing straps and large gold circular chest plate with phoenix on it, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer and Slayer of Extremely Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic, Irredeemable Bastards and Tyrants, Talented Comic Book Writer and Video Gamer, Jack-Of-All-Trades, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of Many of Team Loud Phoenix Storm's Branch Teams, Spice Demon of The Loud Family, Surfer of The Legendary

Erika Hayama: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made five clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene.

Crafto: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, six Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Crafto, Erika Hayama, Gloria Falken Mayer, Julius Diner Davidson, Manami Kaedezawa, and Monte Bellini with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to The World Tree Estate, and the rest of the team were shocked to find out the villain we went after was an old enemy of The Pleiades Sisters, Marana Salazar, a dangerous person The Pleiades Sisters have had the displeasure of knowing, and even worse, a Dark Satanic witch who'd fallen deep into The Occult when she was fifteen and developed dark powers, but her dark obsession with The Occult and the dark side drove her deep into madness and fanatical Satanic worship in the same level of Bellatrix Lestrange, and everywhere she went, that insane witch killed many innocent people in her fanatical Satanic worship, and she tried to kill Lincoln, but The Pleiades Sisters attacked and defeated that crazy Satanic Witch and sent her to the nuthouse for the rest of her life, but they didn't strip her of her powers since her dark powers were acquired through the use of dark Satanic rituals. Now, years later, that crazy Satanic witch broke out and wanted revenge on The Pleiades Sisters.

But, when Lincoln showed what we all did in giving that insane Dark Satanic Witch the beatdown of her miserable life, and Lincoln finishing her off by firing those beams of light from his massive greatsword which turned into crosses and she was stripped of her powers thanks to him reciting The Lord's Prayer in Latin and they turned into swords which pierced her all over the place and then, she was consumed by holy light and sent to The Black Gates forever, everyone cheered and hugged us and Lincoln's harem kissed him all over, and they had steam whistling out their ears. Lincoln and Mariah Demeter have a lot of catching up to do, now that she's back in town.

Maria: Oh man, so you guys had to deal with a Bellatrix Lestrange-like old enemy of Alcyone and her sisters, jeez.

Lincoln: She was just as insane and murderous as that insane Death Eater, but in the end, Marana met her end and she got The Black Gates.

Me: She sure did.

Nico: Dealing with someone who behaved like Bellatrix Lestrange. (Shudders) I hate to find out if any of your Guardian Angels know of other Dark Witches who behave like The Death Eaters.

Lincoln: I should hope not, Nico.

After destroying Marana Salazar and this time for good, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Mariah Demeter saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Mariah Demeter: My God, I was right that Lincoln's really grown into a 17-year-old, 8'3" tall, really big, handsome, and really strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been bodybuilding and working out for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Mariah, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Mariah Demeter: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in

muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Mariah Demeter: Oh man, I knew it was only a matter of time before he told everyone that story.

Nico: Yep. So, Mariah, what's the story on how you and Lincoln took down that old goat, Scoots, and sent her back to the nuthouse in Lansing?

Mariah Demeter: Oh, that's a story I would never forget.

Mariah Demeter pulled up a video and it played on the screen, and it shows Lincoln and Maria doing some yardwork on Liam's farm. But, then, they heard the sound of an electric scooter in the distance and Lincoln knew who it was coming after them, it was that crazy, heckling, troublemaking old goat, Scoots, and she was out to kill Lincoln and Mariah yet again.

Past Scoots: I'm going to enjoy running you both over and throwing you to the vultures! (CACKLING LIKE A ROTTEN OLD WITCH AND REVVED UP HER SCOOTER)

Past Lincoln: As if, you old goat, I'm not letting you get away with trying to kill us.

Suddenly, Lincoln's heart was pounding and his deep sapphire blue eyes turned blood red, and his fangs grew longer and his claws grew sharper.

Past Lincoln: Now, you're going to get yet another beating, you cantankerous old shrew!

Lincoln let the beast out in him and Scoots charged at Lincoln, but Lincoln lifted Scoots' scooter up off the ground and he threw her off, and he attacked her with a dangerous ferocity, and he and Mariah lashed at Scoots with vines of poison ivy and fired fruit at her and she got covered in fruit juice and they also pounced on and kicked the tar out of that old goat, and they also pounced on and kicked the tar out of that prick and Lincoln fired red energy waves from his massive white angel wings and tied Scoots up in a red energy straitjacket, and when he alerted his family of what Scoots tried to do to him and Mariah, they were really furious, and then, Lincoln called Varie who came with vans from The Lansing Maximum Security Nuthouse and they took Scoots away, and she was seething with rage.

Past Scoots: YOU HAVEN'T SEEN THE LAST OF ME, LOUD, I'LL GET OUT OF THIS, AND I WILL KILL YOU ALL!

Past Mariah Demeter: Kiss my ass, you old goat!

Past Lincoln: If you ever come after me, my family, loved ones, friends, and Guardian Angels, you old goat, you'll find yourself in a metal coffin and you'll be lowered into a pit of molten lava!

The van drove off with Scoots screaming with pure rage as Maria and Lincoln kissed as the video ended.

Nico: (LAUGHS) In your face, you old goat! And what we just heard, you pulled a Bart Simpson on her and told her to kiss your ass, didn't you, Mariah?

Me: She sure did, and I was still cracking up.

Laney: Us too, but our brother really put that old goat back in her place when she came charging in again.

Varie: Yeah, right back in the nuthouse!

Liam: Oh, I remembered that day all too well, that old goat was really asking for it again!

Mariah Demeter: Honestly, it's like the only thing she's got on her mind is revenge.

Lincoln: You got that right, and the same thing can be said for Flip.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Striker Ace - Raye, Sky Striker Ace - Shizuku, Sky Striker Ace - Kagari, Sky Striker Ace - Hayate, Sky Striker Ace - Kaina, Sky Striker Ace - Roze, Trickstar Bella Madonna, Belle Muldoon, Aromaseraphy Jasmine, Aromaseraphy Sweet Marjoram, Aromaseraphy Rosemary, Aromaseraphy Angelica, Counselor Lily, and Dark Valkyria, and they hugged the girls in their abnormally massive and powerful muscular arms, and Striker Ace - Raye, Sky Striker Ace - Shizuku, Sky Striker Ace - Kagari, Sky Striker Ace - Hayate, Sky Striker Ace - Kaina, Sky Striker Ace - Roze, Trickstar Bella Madonna, Belle Muldoon, Aromaseraphy Jasmine, Aromaseraphy Sweet Marjoram, Aromaseraphy Rosemary, Aromaseraphy Angelica, Counselor Lily, and Dark Valkyria placed their hands on the massive pecs of Lincoln and his clones, and then, they shared a passionate and romantic kiss. Nico: Whoa, looks like someone really had an awesome time at Sirena Beach, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… awesome!

Belle Muldoon: (In Heaven) Leni was right that you're indeed a really good kisser.

Jenna: And Pablo and Anderson have some nerve trying to kill them, those heartless buttface psychopaths are just making things much worse for themselves.

Serena Logan: I always knew those two buttfaces were nothing but fucking trouble, but just like Flip and the other jerks, those two dumbasses are just making things worse for themselves.

Lincoln: And we also had a run-in with more of their hulking muscle-bound hired thugs to kill us yet again, but I sucked out their muscle mass and strength and killed them all and sent them to The Black Gates, and they should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Pablo and Anderson scream with extreme hatred and rage, and now, the buttfaces have officially lost their minds.

Maria: (Flips Pablo and Anderson the middle finger) Yeah, up yours, buttfaces!

Nico: Even after we've kicked their miserable hides, those two buttfaces still refuse to quit!

Lincoln: Same with Flip, Lewis Travolta, Icky Vicky, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Me: It sure is, and it's so much more fun seeing them blow their stacks!

---

Later Nico was getting Syd and Becca ready for an awesome simulator adventure into the world of Super Mario Galaxy.

Nico: Syd, you and Becca are up first.

Syd: Awesome! Where are we going?

Nico: To the Good Egg Galaxy and we're going there to battle Dino Piranha and we're going to put him into the M.O.E.

Me: This will be awesome to see!

Eli: It sure will.

Becca: Yep. Ready kiddo?

Syd: You bet I am!

Nico: I'm going with you for supervision and to help out.

Becca: Awesome!

Syd: Lets go!

They went into the Simulator and it activated and then they found themselves in the world of Super Mario Galaxy and they were at Good Egg Galaxy!

Nico: Here we are!

Syd: Wow! Good Egg Galaxy.

Becca: So awesome!

Nico: Yep. We might as well gather star bits too.

Syd: Good idea.

Nico: Yep.

Syd: Lets do it!

They got to collecting numerous Star Bits.

Nico: I already got 10!

Syd: I got 50!

Becca: 75!

Nico: Nice!

They even blasted some enemies too. The Goombas and more.

Syd: (to Becca) Nice bonding experience, huh?

Becca: It sure is kiddo!

Syd: Yeah!

Nico: But the real fun is just beginning. We have THAT to face!

They saw the big egg of Dino Piranha!

Syd: Is that?

Nico: Yep. The Dino Piranha egg.

Becca: That will make an awesome omelette.

Nico: Let's head on to the planet it's on.

Syd: Okay!

Me: (On a radio) J.D. to Nico. J.D. to Nico you are clear for launch. Over.

Nico: Thanks, J.D.!

Me: (LAUGHS) Just a little Astronaut humor. But you're welcome.

They got into the star launcher and then…

ZOOOM!

They fired and collected numerous Star Bits.

They arrived at the planet.

Nico: There's the egg.

Becca: This will be fun.

Syd: Wait. I think I just landed on the egg.

She was right. She had smashed onto the egg with a nasty landing!

Nico: Uh oh!

It cracked open and then out came DINO PIRANHA!

Dino Piranha roared!

Syd: Dino Piranha!

Me: Ugly little toad! But he will be perfect for the M.O.E.

Nico: (gets out Scorcher and Firefly's Ridewatches) Let's cook this egg!

Nico activated them and fired a blast of fire and it hit him on his butt and he yelped and wailed as he was being burned!

Syd: Here let me cool you down!

She formed a leaf fan and blew wind and his butt ignited into a full inferno!

Me: OOH OUCH!

Nico: But the REAL way to damage him is to go for his tail!

Syd: Like this!

She kicked his tail and it swung back and hit him on his head!

BLANG!

Me: OOH! That's going to leave a mark!

Nicole: But that is exactly like Nico said.

Lily: Nice!

Nicole: (To Nico thru the radio) Hit him 2 more times just like that Nico.

Nico: Right!

Then he started to pick up the pace and REALLY run after us.

Syd: Come and get us piranha head!

It roared!

Nico flew in and kicked its tail and bashed it on the head again!

BLANG!

Nicole: OOH! OUCH!

Me: Nice! One more for Becca to make it even.

Unfortunately, that's when it got pissed off. Its head turned bright red like Petey Piranha's head and it roared

Me: WHOA! Now he is mad!

Nicole: He is REALLY SEEING Red!

Xenia: Yep!

Eli: This is gonna get brutal.

Nico: He is mad now!

Becca: Yep! Wait look!

They saw a figure come in and it was a VIKAVOLT!

Nico: Cool a Vikavolt!

Camie: Awesome! A Vikavolt is there!

Nico: Yeah, I think that's the closest to a villainous breakdown from it that we're going to get.

Vikavolt: (In a girls voice) But this will shock it!

Nico: Valencia Raiden!? Whoa!

She fired waves of lightning and it hit the Dino Piranha and electrocuted it and then Becca seeing an opportunity swooped in and kicked its tail and bashed it a final time and it fell to the ground unconscious.

It was teleported to the M.O.E.

Nico: YEAH!

Eli: ALL RIGHT!

Valencia reverted back and she was a girl with teal blue hair and had yellow eyes and blue butterfly wings and had blue clothes.

Valencia Raiden: That was awesome and fun!

They high five!

Syd: YEAH!

Nico: Look. A Power Star!

Syd: I'll get it!

Syd went and grabbed it!

SHE GOT A STAR!

Eli: OH YEAH!

Syd: YAHOO!

Becca: What's your favorite memory of Nico?

Valencia Raiden: When me and Nico went into the middle of the city of Trenton and we destroyed a massive red diamond smuggling operation. We recovered all the red diamonds and returned them.

Nico: That was fun.

Syd: That is so cool!

Nico: Yep.

Nico and Valencia hugged.

Nico: I've really missed you.

Valencia Raiden: Same here Nico.

Nico: Syd you and Becca did a great job!

Syd: It was so awesome!

Later me and Nico were having an Eating Contest and our opponents were Poromon, Sonic, Tails and the Sonic Sisters.

Juniper Lee: Another eating contest?!

Eli: Yep they are eating Chili Dogs. Foot Long chili dogs.

Me and Nico were eating and eating and eating and eating chili dogs like no tomorrow.

Coconuts: Boy that sure is gonna be a lot of chili dogs there!

Scratch: Boy they are going to be farting and passing gas like you wouldn't believe.

Grounder: I thought that happens after.

CLANG!

Grounder: OUCH!

Scratch hit Grounder on his head.

Scratch: That's going to happen after they are done eating you dumbbot!

Kari: Poromon, I hope you won't go easy on Nico just because he's your partner.

Poromon: I won't!

Nico: (Sarcastically) Thanks a lot!

They were eating like no tomorrow.

* * *

French Narrator: (French Accent) 100 plates of chili dogs later.

Me and Nico finished and shockingly we tied with the Sonic Sisters, Tails and Sonic.

Poromon fell over stuffed and bloated!

Lori: And the winners are J.D, Nico, Sonic, Tails and the Sonic Sisters!

We cheered!

Lola: WHOA!

Flamewar: You okay, Poromon?

Then…

MONSTROUS LOUD AND LONG BURP!

Nico: WHOA!

He stopped 10 seconds later.

Poromon: Ahh! Yeah I'm good.

Sam (Total Drama): Nice belch!

Qin: Yeah!

Nico: Boy that was awesome.

Nico patted Poromon.

Me: Boy that was fun.

Then a knock at the door was heard.

Me: Come in!

Then a Gumshoos came in.

Me: Hey a Gumshoos.

Camie: Awesome!

Gumshoos: (In a girls voice) The Weasel slips into the Ground during a rainy day.

Nico: And the weasel will be fed eggs as he sleeps during the rain.

Gumshoos: Awesome to see you again Agent Nico.

Nico: Gina Matta Hari! Awesome to see you again.

She reverted back and was a girl with orange hair and yellow eyes and she had a black hat and black trench coat and black spy clothes on.

Gina Matta Hari: Same here Nico.

Me: Another one of your spy buddies Nico?

Nico: Yep. Gina is an awesome undercover spy agent. Just like Matta Hari.

Eli: Cool.

Afterburner: What's your favorite memory of Nico?

Gina Matta Hari: When me and Nico went and busted a huge criminal organization that was going to destroy all the worlds eggs.

Nico: That was a fun one.

Me: Whoa! That would not be good if we didn't have eggs.

Xenia: Yeah.

Nico and Gina hugged.

Nico: I've missed you Agent Gina.

Gina Matta Hari: Same to you Agent Nico.

Carnivac: Nico actually did good fighting a monster in a giant egg a few hours ago.

Me: It was actually 45 minutes ago.

Carnivac: Oh. Sorry.

Nico: Yep. It's true.

Gina Matta Hari: That is awesome Agent Nico.

Lola: It sure is.

Camie: Yeah that was fun and cool.

Lana: Yep.

Nico: Now lets get ready for our next mission.

Then the previous group came.

Avalanche: Can me, P'andor, Man Ray, Kitty, Tar Pit, Moonstone, Kyd Wykkyd, Larxene, Dark Laser and Whiteout go with you guys?

Nico: Yes you all can come with.

Xenia: Yep.

Avalanche: Awesome.

Tricloid: Nico, which Gene Slammers do you think you'll meet next?

Nico: Crabominable and 4 Oricorio next.

Qin: Cool!

Lola: Nice!

Suddenly, Lincoln's deep sapphire eyes and rainbow iris of his Third Eye glowed, and he had a vision and he saw who it was that we were going to confront: it was Bedlam, an old enemy of Ed and his team, and he's causing havoc. When we saw it, we knew it meant trouble.

Nico: Lincoln, what's wrong?

Lincoln: Nico, where's Ed and his team? We got huge trouble!

Just then, Ed and his team showed up.

Ed (Get Ed): We're here, Lincoln, what's up?

Lincoln: You're not going to like it one bit, I had a vision and I saw who it was that we're going to face today: it's none other than your old enemy, Bedlam, and he's causing havoc.

Ed and his team gasped.

Ed (Get Ed): Bedlam's here?! Oh man, this isn't good.

Nico: Whoa, this guy sounds like bad news, especially with a name like Bedlam.

Ed (Get Ed): Oh, he is bad news to the extreme, Nico. Bedlam's an evil greedy bureaucrat who's determined on taking full control of all of Progress City and continues to seek information he desires.

Me: Jeez.

Deets: Yeah, and Bedlam is like your every megalomaniac, he's also sociopathic, ruthless, greedy, egotistical, callous, cruel, sadistic, and very abusive to his minions, but despite showing arrogance, Bedlam has proven to be an evil genius, and he's a conniving, calculating, and manipulative planner. He's also a power hunger madman, as he will do anything to get Ed's connection to the mystic alien artifacts.

Nico: What a fucked-up megalomaniac, that's it, this guy has got to go!

Lincoln: Black Gates?

Me and Nico: Black Gates.

Max Goof: Allow me to take on this guy while you guys do your usual battles. This morning, I felt like something's been building up inside of me.

Nico: (Gasps) Oh man, does this mean you're going to transform, Max?

Max Goof: Looks like it.

Me: Oh man, this is going to be so awesome!

Nico: Yeah!

Qin: Yep!

Computer: Alert! TEMPORAL DISTURBANCE DETECTED!

Me: Uh oh.

We saw that it was located 100 miles northwest of New York City.

Me: It's located at the east-northeast edge of the estate tree!

Nico: Oh no! All defenses red alert!

Then we activated our force field!

We scanned the portal and out came a bunch of helicopters.

P'andor: (Russian Accent) Are those helicopters?!

Me: They sure are.

Nico: What are they doing?

Eli: I sense they are getting ready to attack.

Bedlam: Fire!

They fired missiles and lasers!

Hotlink: They're firing at the city!

Me: Don't worry guys.

The missiles and lasers hit the force field and were unable to penetrate it.

Bedlam: WHAT!? Why are we not getting through?

Minion: Sir there's a powerful impenetrable force field shield around the entire city and the tree!

Bedlam: Damn that Team Loud Phoenix Storm!

Me: Nice try Bedlam but it's going to take more than missiles and lasers to penetrate our defenses.

Kitty: Okay. The good news is that no one's killed so far. But some building got blown up!

Me: Actually scans show that there are no buildings damaged.

Nico: Boy the force field is stronger than we thought.

Xenia: Yeah.

Eli: Wait! I sense that they are going to use nukes!

WE GASPED!

Me: HE WOULDN'T!

Plitheon: Let me handle those, Jesse!

Jesse Glenn: Very well. Bakugan Brawl! Bakugan Stand! Take the stage, Ventus Plitheon!

Me: But we have a weapon of our own. Fire at will.

We had laser cannons fire at the Helicopters from the tree and blasted the helicopters and blew most of them apart! BEDLAM WAS INFURIATED!

Nico: No nukes on American soil asshole!

Plitheon blasted and smashed the rest of them!

Xenia: YEAH!

Nico: What do you want Bedlam!?

Bedlam: Revenge! Revenge on you for killing me!

Me: You had that coming you monster!

Mason Brown: This time, you've gone too far!

Bedlam: Have I? Gotham Royal York is crawling with criminals. I was just doing everyone a favor by wiping them out along with your precious city. And I would've been able to rebuild it under my rule, of course.

Me: Over MY DEAD BODY!

Avior: Well, no one's gonna be able to rebuild your body once we're finished with you!

Nico: And this time we're going to make sure you never come back. We banished you to the Warp before and now we're going to destroy you and erase you from existence for all eternity with the Black Gates.

All the while, Stewie was tracing the call.

Stewie found his location and it was in an island Located at Latitude: 38.756383 N | Longitude: -67.872243 W.

The call ended.

Stewie: I found where he is at. He's here.

He pointed to where the call was from.

Me: That's only 200 miles off to eastern American Seaboard.

Eli: Wow.

I pulled up the area of those coordinates and it showed that he was in an undersea fortress.

Me: So he has an undersea lair.

Nico: I called some help for this.

Whiteout: I hope it's good backup.

Nico: Oh, it's nothing. Just the Legendary Tony Hawk!

In came TONY HAWK!

Me: WHOA!

Stacy Bolton: NO WAY! Tony Hawk it's an honor to meet you!

Tony Hawk: Same here guys. It's an honor to meet you all.

Me: You too Tony. Stacy idolizes you and you are one of the greatest skateboarding legends ever.

Stacy Bolton: That's right. I love all your skateboarding moves and I know everything you do and I think you are the greatest.

Tony Hawk: I'm honored and glad you like them Stacy.

But there was one that wasn't thrilled about this. Carlos Casagrande was looking at Tony with disdain.

Carlos Casagrande: Tony Hawk.

Tony Hawk: Carlos? Oh my gosh its been a while.

The call ended.

Stewie: I found where he is at. He's here.

He pointed to where the call was from.

Me: That's only 200 miles off to eastern American Seaboard.

Eli: Wow.

I pulled up the area of those coordinates and it showed that he was in an undersea fortress.

Me: So he has an undersea lair.

Nico: I called some help for this.

Whiteout: I hope it's good backup.

Nico: Oh, it's nothing. Just the Legendary Tony Hawk!

Me: WHOA!

Stacy Bolton: NO WAY! Tony Hawk it's an honor to meet you!

Tony Hawk: Same here guys. It's an honor to meet you all.

Stacy Bolton: That's right. I love all your skateboarding moves and I know everything you do and I think you are the greatest.

Tony Hawk: I'm honored and glad you like them Stacy.

But there was one that wasn't thrilled about this. Carlos Casagrande was looking at Tony with disdain.

Carlos Casagrande: Tony Hawk.

Tony Hawk: Carlos? Oh my gosh its been a while.

Alice Gehabach: Are you okay, Carlos?

Hydranoid: Of course not. He's looking at Tony Hawk angrily.

Ronnie Anne: Dio Carlos?

Carlos: I should explain. You see 20 years ago me and Tony were skateboarding partners.

He told us that 20 years ago he and Tony were known all over as great skateboarding legends. But then an accident befell on Carlos because of Tony Hawk. Tony pushed Carlos down and because of that Carlos lost the skateboarding championship.

When he was done we were shocked!

Me: Whoa man! Carlos we didn't know you had a history with Tony as well as were best friends with him.

Nico: Yeah that is cool!

Carlos: It was.

Tony Hawk: Whoa whoa Carlos that was all a misunderstanding.

Carlos: It was?

Tony Hawk: Yeah I never meant for that to happen. I was just giving you a high five and we missed and ended up slapping each others faces and I knocked you down by mistake.

Me: Oops.

Dark Laser: Think about it. Would the famous Tony Hawk intentionally injure you?

Carlos: Boy I had you all wrong. I'm sorry Tony.

Tony Hawk: Aw it's cool dude.

Nico: That is still awesome that you two know each other.

Ronnie Anne: Boy it sure is.

Nico: Yep. Now we got work to do. Lets head out to the undersea lair and make sure that Bedlam pays.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was none other than Thanatos, the mysterious lich sorcerer and the main antagonist of the action-RPG video game Secret of Mana, and he's here to destroy all life on Earth. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln,

everyone, is someone coming after us?

Lincoln: You guessed it, Rayman, and this is something you're not going to like, Nicole: the dark energy signal and the figure we sensed belongs to Thanatos, the mysterious lich sorcerer and the main antagonist of the action-RPG video game Secret of Mana, and he's here to destroy all life on Earth.

Nicole gasped.

Nicole: Oh man, not that lich sorcerer! That guy's a danger to all life on Earth and all over the realms, he's got to be destroyed.

Xenia Lin: And he will be destroyed by me and Lincoln, Nicole.

Hay Lin: Whoa, so now, my older sister, the last of The Guardians of Kandrakar on Lincoln's side is going to transform, this will be one awesome battle no one's going to forget.

Me: You got that right, Hay Lin.

Yan Lin: Indeed, this should be an interesting fight to see.

Nico: Same here, Yan Lin, alright, gang, let's go, it's time to put an end to Bedlam once and for all!

Lincoln: That megalomaniacal madman's going to die here and now, and once we get rid of Bedlam and end his reign of terror, you're next, Thanatos.

Xenia Lin: There shall be no mercy for you, Thanatos, as The Guardian of Air, we shall put an end to you here and now.

Me: Yep.

Nico: Lets head into our submarine and bring the fight to Bedlam!

We went to the garage and got in our submarine and then we were off.

---

We were in our submarine and heading to the undersea lair.

Ariel: Admiral Nico, All stations report they are manned and ready for battlestations sir.

Nico: Excellent.

Volt Luster: It's not every day we use our submarine.

Brontes: No, it is not.

Poliwag: Can I swim in the water alongside you guys?

Nico: If you want. Neptune Crusaders you are more than welcome to swim alongside us.

Varie: Awesome.

Nico: Jared maintain present heading.

Jared: Aye aye sir.

Lisa Loud: We got the lair on sonar. 150 miles and closing.

Nico: Make final preparations everyone. Prepare to fire.

Poliwag started swimming in the water

Larxene: Well, he didn't waste any time.

Nico: Neither did the Neptune Crusaders too.

Lola: Yeah.

Qin: Admiral Nico, Torpedoes loaded and ready.

Nico: Excellent. When we see the fortress stand by.

Me: Aye aye sir.

Lisa Loud: 50 miles and closing.

Lena Isis: Maybe Phosphos should join Poliwag in the water.

Phosphos: I AM an Aquos Bakugan after all

Nico: Go for it.

Phosphos got summoned and was underwater.

Nico: What's that there?

We had a visual of the Undersea lair and it was HUGE! It was a massive 15 mile wide undersea base.

Lola: WHOA!

Me: That is a huge base!

Xenia: It sure is.

Nico: No kidding. Enough to hide an army here.

Moonstone: Bedlam's army, to be precise

Nico: Yep. Arm torpedoes.

They were armed and ready.

Nico: Fire 1.

A Torpedo was fired.

Nico: Fire 2.

A 2nd Torpedo was fired.

Nico: Fire 3.

A third torpedo was fired.

Me: Impact in 10 seconds. 9, 8, 7, 6…

The torpedoes went at the base and they were undetected.

Me: 3, 2, 1…

They hit the side of the base and then…

MASSIVE POWERFUL EXPLOSION!

The explosion blasted a huge hole into the base!

Me: Bullseye!

Lync Volan: Nice!

Nico: Prepare to dock and get ready for battle!

Me: Aye aye sir!

We plowed into the base and got ready and we charged in!

Bedlam: Soldier report!

Soldier: Three direct hits sir! Our hull has been breached!

Bedlam: By who!?

Soldier: Unknown sir!

Soldier 2: Sir our communication, security and scanning systems are being scrambled!

Soldier 3: INTRUDERS DETECTED SIR!

Bedlam: Bedlam bots attack the intruders!

The robots came.

Tar Pit: Bedlam Bots!

We blasted them all over.

Nico: Yeah! Now for the entrance!

Eli: Lets go!

We went to the main monitoring room.

Thorn: Entrance time!

Nico: Lets go.

We went at the door.

Bedlam: Get the systems back online!

Soldier 4: Sir it's not working!

Then the spirits of the 41st Century Figures came in and they swirled around them and then blasted the men and then they converged and then…

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted a hole through the door and a phoenix cry was heard and then we bursted in.

Bedlam: WHAT!? Team Loud Phoenix Storm!?

Me: Surprise!

Bedlam: How the hell did you find me!?

Me: Wasn't that hard to do.

Eli: We traced your call when you called us!

Camie: Big mistake!

Man Ray grabbed Bedlam and slammed him against a window so he could see the carnage he created.

Man Ray: Look at what you've done!

Bedlam: (laughs insanely) It's glorious, isn't it?

Ed the Protector: (Man Ray slams Bedlam into the ground) You're finished here, Bedlam!

Bedlam: You can't stop me, Ed. Soon, I'll command forces beyond your comprehension. I've achieved what Team Loud Phoenix Storm could not!

Me: Don't count on it Bedlam!

I punched him in the stomach and kicked him in his face and punched him in his nose and bashed him down.

Max Goof: Okay, I've had it up to hear with you to last a lifetime, Bedlam.

Suddenly, Max Goof's deep blue eyes turned neon deep blue and he was surrounded by a white and red energy aura with crosses, stars, angels, swords, light, darkness, and keys, he unholstered his Gabriel's Eternal Unbreakable Bonds of Friends and Angels Archangel Keyblade from his back, and as he approached Bedlam, he left white and red energy, crosses, stars, angels, swords, light, darkness, and keys with every step.

Max Goof: You absolutely make me sick to no end, Bedlam, for far too long, you've caused Ed and his friends a ton of trouble with all of your schemes, and for what: taking full control of Progress City and continuing to seek information you desire. You really are nothing more than a megalomaniac, but the very thing that makes you truly the worthless heartless monster you are is you're truly sociopathic, ruthless, greedy, egotistical, callous, cruel, sadistic, and powerhungry. I refuse to let you run free a single second further, Bedlam, as one of the Chosen Wielders of The Keyblade and one of the Future Knights to King Mickey's Court, I will personally see to it that you pay the ultimate price for all of your crimes.

Suddenly, Max Goof was surrounded by a massive vortex of white and red energy with swords, light, darkness, crosses, stars, and keys surrounding the vortex, there's a massive army of angels flying around the vortex, and inside the vortex is a gold phoenix with red eyes glaring at Bedlam: the red eyes of eternal death, lights shined down from the Heavens and a divine choir of Angels sang. Then, as the vortex faded, Max Goof emerged, but he was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Max Goof grew from 7'5" to 7'9" in height, his massive and powerful muscles grew much bigger and he still retained his eight-pack abs, he has red highlights in the bangs of his long black hair, he has neon deep blue eyes and a white and red energy aura with crosses, angels, swords, light, darkness, keys, stars, and Keyblades surrounding him, he has an Angel holding a Keyblade in its right hand and the Light and Eternity Kanjis in its left hand emblazoned on his forehead and Third Eye with deep blue iris, he has on his Crystal Necklace of The Buddha with red gems embedded in the gold sun links and deep blue crystal links and a red angel-shaped Element of Harmony and on the bottom of the angel-shaped Element of Harmony is an Angel with deep blue gems for eyes and holding the Light and Eternity Kanjis in its hands for the pendant, Max Goof has on a white tank-top, long dark blue jeans, black knee-high leather combat boots, white gloves, and long long-sleeved venetian red trenchcoat with angels, light, darkness, swords, keys, swords, and Keyblades on the coattails and on the back of the coat is The Disney Castle and above one of the towers is an Archangel with a Keyblade in its right hand and sword in left hand surrounded by Keyblades and above the Archangel is a Hidden Mickey icon, Crown pendant, Keyblade, and the symbol of Kingdom Hearts. Suddenly, Max Goof felt a sharp pain on his now wider and more muscular back, and then, his massive white angel wings with golden tips on the large white feathers grew much bigger for his new body, Max Goof has on his Ring of The Phoenix with large deep red gem with heart-shaped gem embedded in it on his right ring finger and a Blue Lantern Ring on his left ring finger and Stone of Gelel embedded in his left hand.

Suddenly, Max Goof's massive Gabriel's Eternal Unbreakable Bonds of Friends and Angels Archangel Keyblade and all the greatswords and swords he'd gotten began merging together and they're surrounded by a kaleidoscope of white and red energy, crosses, angels, swords, light, darkness, keys, and Keyblades, and when it emerged, it was transformed into Max Goof's Archangel Gabriel's Eternal Unbreakable Bonds of True Friends and Angels Holy Archangel Keyblade, it's a brand-new massive Keyblade with embedded colored gems and a Hidden Mickey icon, Sora's Crown pendant, a Keyblade, an Archangel, and the symbol of Kingdom Hearts etched on the 7'5" massive, wide, double-edged venetian red blade, large white angel wings for the Keyblade's guard, large white angelic faces built into both sides of the hilt and blue cat's eye pupils and large red gems on top of the blue cat's eye pupils embedded in the forehead, longer midnight black handle, four large white angel heads with deep blue gems for eyes and large white angel head with red gem in its mouth on the bottom of the angel heads for the pommel, the Three Wayfinders of Terra, Aqua, and Ventus surrounded by silver angel wings for the keychain links, and the keychain's token the silhouettes of Mickey, Donald, and Goofy, he has on his brand-new large gold cuff Bracers of The Champions of The Universe with red gems on his wrists and Dragon Ball Bracelet on his left gold Bracer, his new Belt of Elemental Bravery with a golden Mickey head with blue gems for eyes for the belt buckle on his waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on his right hip and his Eater of Sins revolver holstered on his right hip. There's a gold kanji below Disney Castle that said, "Max Goof, Champion of The College Xtreme Games, Loving Only Son of Goofy, Childhood Friend of Pete Junior and Bobby Zimmeruski, Friend to Many, Loving Boyfriend of Roxanne, Ally and Partner of Leon Belmont, Humiliator of Bradley Uppercrust The Third, Destroyer of Walter Bernhard, Brave and Powerful Next Generation Knight of King Mickey's Court, Emissary and Champion of Gabriel The Archangel and The Archangels, Wielder of The Sword of Gabriel and Chosen Wielder of The Keyblade, Member of Team Light Key, Archenemy of The Headless Skateboarder, Destroyer and Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Light, Darkness, The Keyblade, and the Angels and Archangels"

Max Goof has transformed into SUPER ANGEL-DISNEY KNIGHT-ARCHANGEL-HARMONY UNIVERSAL ETERNAL CELESTIAL XELNAGA DIVINE HEAVENLY LIGHT SWORD STORM ARCHANGEL KEYBLADE PHOENIX ANGEL OF DIVINE HEAVENLY LIGHT SWORD STORM ARCHANGEL KEYBLADE PHOENIX ANGELJUSTICE AND DIVINE HEAVENLY LIGHT SWORD STORM ARCHANGEL KEYBLADE PHOENIX ANGEL HOPE!

We were amazed by Max Goof's Super Angel-Disney Knight-Archangel-Harmony Universal Eternal Celestial Xelnaga transformation, and when Roxanne saw him, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding, but when Bedlam saw it, he went mad with rage.

Bedlam: Minions, KILL HIM!

Bedlam ordered his minions to kill Max Goof, but Max Goof stood firm and he fired extremely powerful white and red energy blasts, stars, light, darkness, angels, swords, keys, and Keyblades at Bedlam's minions and they were obliterated in a split second.

Bedlam: YOU USELESS INCOMPETENT FOOLS! I'LL DEAL WITH YOU MYSELF, STARTING WITH YOU!

Bedlam got out a sword and he ran at Ed and his team to kill them, but Max Goof got in the way and blocked Bedlam's sword with his massive new Keyblade and they were in a brief struggle.

Max Goof: (Divine Godly Cosmic Voice of The Angelic Disney Knight Heavenly Keyblade Phoenix Angel and Divine Heavenly Light Sword Storm Archangel Keyblade Phoenix Angel Hope) You are not laying one hand on my friends.

Me: WHOA!

Nico: This is so incredible! It's like the full wrath of The Angels and

Archangels has been unleashed.

Selene Arcangela: It looks like it.

Max Goof: (Divine Godly Cosmic Voice of The Angelic Disney Knight Heavenly Keyblade Phoenix Angel and Divine Heavenly Light Sword Storm Archangel Keyblade Phoenix Angel Hope) You guys do the usual battles, I'll keep him busy!

Then, Max Goof kicked Bedlam away, and he went at him and Max Goof was really thrashing him all over the place with slashes from his massive new Keyblade and blasting him with extremely powerful white and red energy blasts, stars, light, darkness, angels, swords, keys, and Keyblades which really hurt Bedlam bad.

Nico: Okay, Max, you show that guy no mercy!

Me: Show him what happens when he dares to tangle with The College X-Games King!

Max Goof: (Divine Godly Cosmic Voice of The Angelic Disney Knight Heavenly Keyblade Phoenix Angel and Divine Heavenly Light Sword Storm Archangel Keyblade Phoenix Angel Hope) I will.

Max Goof: (Divine Godly Cosmic Voice of The Angelic Disney Knight Heavenly Keyblade Phoenix Angel and Divine Heavenly Light Sword Storm Archangel Keyblade Phoenix Angel Hope) This is the end for you, Bedlam!

---

Nico: Yep. So, Mariah, what's the story on how you and Lincoln took down that old goat, Scoots, and sent her back to the nuthouse in Lansing?

Mariah Demeter: Oh, that's a story I would never forget.

Mariah Demeter pulled up a video and it played on the screen, and it shows Lincoln and Maria doing some yardwork on Liam's farm. But, then, they heard the sound of an electric scooter in the distance and Lincoln knew who it was coming after them, it was that crazy, heckling, troublemaking old goat, Scoots, and she was out to kill Lincoln and Mariah yet again.

Past Scoots: I'm going to enjoy running you both over and throwing you to the vultures! (CACKLING LIKE A ROTTEN OLD WITCH AND REVVED UP HER SCOOTER)

Past Lincoln: As if, you old goat, I'm not letting you get away with trying to kill us.

Suddenly, Lincoln's heart was pounding and his deep sapphire blue eyes turned blood red, and his fangs grew longer and his claws grew sharper.

Past Lincoln: Now, you're going to get yet another beating, you cantankerous old shrew!

Lincoln let the beast out in him and Scoots charged at Lincoln, but Lincoln lifted Scoots' scooter up off the ground and he threw her off, and he attacked her with a dangerous ferocity, and he and Mariah lashed at Scoots with vines of poison ivy and fired fruit at her and she got covered in fruit juice and they also pounced on and kicked the tar out of that old goat, and they also pounced on and kicked the tar out of that prick and Lincoln fired red energy waves from his massive white angel wings and tied Scoots up in a red energy straitjacket, and when he alerted his family of what Scoots tried to do to him and Mariah, they were really furious, and then, Lincoln called Varie who came with vans from The Lansing Maximum Security Nuthouse and they took Scoots away, and she was seething with rage.

Past Scoots: YOU HAVEN'T SEEN THE LAST OF ME, LOUD, I'LL GET OUT OF THIS, AND I WILL KILL YOU ALL!

Past Mariah Demeter: Kiss my ass, you old goat!

Past Lincoln: If you ever come after me, my family, loved ones, friends, and Guardian Angels, you old goat, you'll find yourself in a metal coffin and you'll be lowered into a pit of molten lava!

The van drove off with Scoots screaming with pure rage as Maria and Lincoln kissed as the video ended.

Nico: (LAUGHS) In your face, you old goat! And what we just heard, you pulled a Bart Simpson on her and told her to kiss your ass, didn't you, Mariah?

Me: She sure did, and I was still cracking up.

Laney: Us too, but our brother really put that old goat back in her place when she came charging in again.

Varie: Yeah, right back in the nuthouse!

Liam: Oh, I remembered that day all too well, that old goat was really asking for it again!

Then, an angelic circle appeared below Bedlam's feet, and then, the twelve Archangels had appeared along with the armies of Angels.

Max Goof: (Divine Godly Cosmic Voice of The Angelic Disney Knight Heavenly Keyblade Phoenix Angel and Divine Heavenly Light Sword Storm Archangel Keyblade Phoenix Angel Hope) Mr. Bedlam, you have been found guilty for the crimes that you have committed against Progress City and against Ed the Protector and his team, and now, we shall administer upon you your sentence:

death!

Bedlam's eyes shrank: he was doomed big time for his crimes.

Max Goof: (Divine Godly Cosmic Voice of The Angelic Disney Knight Heavenly Keyblade Phoenix Angel and Divine Heavenly Light Sword Storm Archangel Keyblade Phoenix Angel Hope) HEAVENLY STYLE NINJA ART: ARCHANGELS' HEAVENLY FURY RASENSHURIKEN!

Max Goof formed a massive white and gold Rasenshuriken and orbiting around the golden core are the twelve Archangels of Heaven.

Nico: Incredible!

Then, Max Goof threw the massive white and gold angelic Rasenshuriken and it slammed into Bedlam and he was attacked by The Archangels as they slashed at him with their swords, and then, they fired blasts of heavenly flame at Bedlam, and he was incinerated and his black soul was sent to The Black Gates forever. Max Goof holstered his massive new Keyblade on his back and powered down, and Max Goof's brand-new body, clothes, weapons, jewelry, Third Eye, and massive white angel wings are permanent.

Max Goof: Rest in Peace, Bedlam, and may you never return.

Nico: You got that right, Max, that megalomaniac has failed this entire city. Alright, gang, awesome job, we've gotten rid of Bedlam forever.

Lincoln: Now, there's only one last thing to do, and one last loose end to tie up: Thanatos, the lich sorcerer.

?: (LAUGHING MALEVOLENTLY) And now, I shall destroy you all along with all life on this pathetic world!

Lincoln: There's no mistaking that malevolent laughter from anywhere, you just don't know when to give up, do you, Thanatos.

A figure came out, and it was none other than Thanatos, the lich sorcerer from Secrets of Mana.

Thanatos: You heroes will never stop me, soon, all of you will be dead and all life on this world shall cease to exist! (LAUGHING MANIACALLY)

Xenia Lin: That is never going to happen, you death-spreading lich!

Suddenly, Xenia Lin's sky blue eyes turned neon sky blue and she was surrounded by a pink and sky blue energy aura with stars, quintessence, winds, life energy, phoenixes, and angels, she unholstered her Guardian of Kandrakar greatsword from her back, and as she approached Thanatos, she left pink and sky blue energy, stars, quintessence, winds, life energy, phoenixes, and angels with every step.

Xenia Lin: Thanatos, I will never forgive you for the crimes you've committed against mankind, the world, and the multiverse itself, you were motivated by your own desire for power and because of your never-ending desire to conquer and rule over Fa'Diel, and you caused so much death for your own benefit. You and The Dark Lich inside you have crossed lines that meant one thing: you don't deserve forgiveness for your crimes, and as The Guardian of Air, I will make you pay for every last one of those crimes with your own blood.

Suddenly, Xenia Lin was surrounded by a massive vortex of pink and sky blue energy with stars, winds, life energy, and quintessence surrounding the vortex, there are phoenixes and angels flying around the vortex, and in the vortex is a neon pink phoenix with red eyes glaring at Thanatos and The Dark Lich inside him: the red eyes of eternal death. Then, as the vortex faded, Xenia Lin emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Xenia Lin grew to 7'5" in height, she has the body of a goddess, she has sky blue highlights in the bangs of her long braided sea foam green hair with green streaks, she has neon sky blue eyes and a pink and aqua blue energy aura with quintessence, life energy, stars, winds, phoenixes, and angels surrounding her, she has the symbol of Air in the hands of an angel emblazoned on her forehead and Third Eye with sky blue iris, she has on angel earrings with sky blue gems for eyes and holding the Quintessence, Winds, and Eternity Kanjis in her hands, she also has an angel with sky blue gems for eyes and holding the Quintessence, Winds, and Eternity Kanjis in her hands for the second pendant on the bottom of her aqua blue phoenix-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with sky blue crystal links from her merged Crystal Necklace of the Buddha and sky blue gems on the gold lightning bolts, and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Suddenly, Xenia Lin felt a sharp pain on her back, and then, massive blue angel wings with sky blue tips on the blue feathers grew and sprouted out from her back, and she also now has eleven massive and long sea foam green wolf tails with sky blue tips and sky blue markings, Xenia Lin has on her Ring of the Phoenix with large sky blue gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Xenia Lin's Sword of Kandrakar and all the greatswords and swords that she'd gotten began to merge together, and they were surrounded by a kaleidoscope of pink and sky blue energy, quintessence, life energy, stars, winds, phoenixes, and angels, and when it emerged, it was transformed into Xenia's Quintessence Hurricane Wind Kandrakar Guardian Greatsword of Earth Kandrakar Quintessence Hurricane Wind Justice, it's a brand-new massive greatsword with embedded pink gems and the symbol of Air etched on the 7'4" massive, wide, double-edged sky blue blade, large sky blue dragon heads with pink gems for eyes for the crossguard, large white angelic faces built into both sides of the hilt and large sky blue gems embedded in their foreheads, longer midnight black handle, four large sky blue phoenix heads with pink gems for eyes and on the bottom of the large sky blue phoenix heads is a sky blue dragon head with pink gems for eyes and a pink gem in its mouth for the pommel, Xenia Lin has on her large gold cuff Bracers of The Champions of The Universe with sky blue gems on her wrists and Dragon Ball Bracelet on her left Bracer, her large gold Belt of Elemental Bravery with a large gold phoenix head with sky blue gems for eyes and large sky blue gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. Xenia Lin has transformed into SUPER ANGEL-KANDRAKAR AIR QUINTESSENCE GUARDIAN-PHOENIX-HARMONY UNIVERSAL ETERNAL CELESTIAL XELNAGA DIVINE COSMIC KANDRAKAR AIR HURRICANE QUINTESSENCE HEAVENLY PHOENIX ANGEL OF DIVINE COSMIC KANDRAKAR AIR HURRICANE QUINTESSENCE HEAVENLY PHOENIX ANGEL JUSTICE AND DIVINE COSMIC KANDRAKAR AIR HURRICANE QUINTESSENCE HEAVENLY PHOENIX ANGEL LOVE!

We were amazed by Xenia Lair's Super Angel-Kandrakar Air Guardian-Phoenix-Harmony Universal Eternal Celestial Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when Thanatos saw it, he fell into a rage and fired blasts of dark magic to kill her, but Xenia was immune and his dark magic had no effect on her nor any of us, and she fired a powerful barrage of pink and sky blue energy, quintessence, life energy, stars, winds, phoenixes, and angels at Thanatos, and they exploded with such incredible power as the barrage hit him, and this really angered him now.

Hay Lin: Wow, now Xenia's become the last of the group to transform.

Nico: You got that right, Hay Lin, now the winds of Kandrakar are about to blow away that evil lich!

Lincoln: After what Thanatos had tried to do in his quest to take over Fa'Diel, he deserves to pay for every last one of his crimes with his own blood.

Xenia Lin: (Divine Godly Voice of The Divine Cosmic Kandrakar Air Guardian Quintessence Heavenly Phoenix Angel and Divine Cosmic Kandrakar Air Guardian Quintessence Heavenly Phoenix Angel Love) You got that right, now let's destroy this vile lich once and for all, Linky.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf Phoenix Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Hope, and he joined Xenia Lin.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Your days of trying to take over Fa'Diel are all over, Thanatos, and the same goes for your host, The Dark Lich. Now, it's time for you to die, and this time, stay dead!

Xenia Lin and Lincoln went after Thanatos who continued firing blasts of dark magic at them, but Lincoln and Xenia Lin were still unaffected, and they fired extremely powerful blasts of rainbow energy, pink and sky blue energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Thanatos and they exploded with incredible power as they hit him.

Then, they attacked him with their massive greatswords leaving scars on him, and Lincoln left many more with his claws and firing energy slashes from his claws and he and Xenia Lin also attacked him with punches, kicks, and karate chops, along with elemental blasts. Then, Lincoln drove his massive greatsword into Thanatos' stomach, and he removed The Dark Lich and imprisoned him inside a black coffin, and then, he began sucking out all of Thanatos' dark powers, dark magic, and enormous demonic powers and he made them his own.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Now, to make sure you stay dead and gone for good, Thanatos. LIFE ENERGY DRAIN!

Suddenly, all of the many gems embedded in the 7'5" massive, wide, double-edged golden blade of his Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds began glowing green, and then, Lincoln began draining Thanatos of all his life energy, and when he was done and he removed his massive greatsword from his stomach, Thanatos was now a desiccated corpse drained of magic and life energy, and as soon as his soul appeared, Lincoln threw him into the black coffin with The Dark Lich inside it and he banished them both to The Black Gates forever. We cheered wildly for what Xenia Lin and Lincoln did as they holstered their weapons and powered down, and Xenia Lin's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long sea foam green tails, and massive blue angel wings are permanent.

Xenia Lin: The suffering you've caused for years has finally been brought to an end, Thanatos, may you never return. Thanks for helping me destroy Thanatos and The Dark Lich for good, Linky.

Lincoln: (Smiles Warmly) You're welcome, Xenia.

Suddenly, Xenia Lin wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Xenia Lin's face, they kissed passionately as she moved her arms and placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, and Angel flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with winds blowing behind them, and we cheered wildly. Then, Lincoln and Xenia Lin absorbed the winds and elemental forces and they came back to us as the display vanished.

Nico: Wow, now that was one truly awesome and incredible fight of The Air of Kandrakar VS. The Lich Sorcerer of Death, Lincoln, Xenia, you two showed that despotic tyrant no mercy, and Lincoln, that was one slick move driving your greatsword into his stomach and then sucking out all his dark magic, shadow powers, and enormous demonic powers and abilities and making them your own, and what we just saw, that was…?!

Lincoln: That was one of my new techniques, other than my Vampiric Life Drain, I also know the Life Energy Drain technique. Once I stab the target with my massive greatsword and use the technique, the gems in my greatsword start glowing green, and then, I wind up draining that target of his life-force and I absorb it, and he gets turned into a desiccated corpse.

Me: Whoa, and I thought your Vampiric Life Drain technique was just as deadly.

Lincoln: I've come up with a lot of techniques that utilize my vampire powers and the ability to drain suck out the powers of villains, along with their life energy, and I've had a lot of time to come up with those.

Nico: (WHISTLES) That's really awesome. So, Lincoln, which of the daughters of The Olympian Gods and Goddesses are we meeting tomorrow?

Lincoln: I've already got a good one for tomorrow, and it's one you may like seeing, J.D., the next one we're meeting tomorrow is Cadence Iris, Daughter of Iris, Greek Goddess of The Rainbows.

Me: (Gasps) The Daughter of The Greek Goddess of The Rainbows, that's so awesome!

Lincoln: Yep, and she's my Guardian Angel from from Greece mainly the legendary Mount Olympus, and like her mother, she's a Goddess of The Rainbows and has all her mother's powers of the rainbow along with having rainbow angel wings, she's immortal, and she's also extremely beautiful and sexy.

Me: Hubba Hubba.

Selene Emperyous: When she and Lincoln met, there was indeed quite the attraction that turned into true love and she swore to protect him from those who sought to do him harm, and her targets were none other than Flip, Lewis Travolta, Scoots, Hawk, Hank, Pablo, Anderson, Chandler, Artie, Trent, and Killjoy Huggins, his enemies, and she also swore to protect him from Lori, Lynn, Lola, Lisa, and Luan, she's really good friends with Laney, and Cadence and Lincoln helped Laney with creating beautiful rainbows and the colors of the rainbows were so beautiful, Laney was literally amazed by that and she gained inspiration for her paintings, and Cadence also helped in teaching Lincoln everything she knows about the rainbows, and she gave him the ability to use the seven colorful lights of the rainbow. Lincoln made Cadence a beautiful necklace with red gem for the pendant, along with a white short-sleeved blouse, blue sleeveless top, long ankle-length white dress skirt, and white bridal gloves, and to show thanks, Cadence kissed Lincoln on the lips as a massive and beautiful rainbow formed above their heads, and it was truly beautiful, and she hates Hawk and Hank with a bloody passion, because Hawk and Hank absolutely hated Cadence for always defending Lincoln whenever they, along with Lori, Lola, Lisa, Lynn, Luan, along with the rest of Lincoln's enemies plotted to kill him.

Michelle Emperyous: And Selene Arcangela told Cadence everything about what those buttfaces have done to him and trying to kill him along with what happened seven years ago on Halloween, and one time when Cadence and Lincoln were at the park, Hawk and Hank showed up and they were out to kill Lincoln yet again along with Cadence, that was until Lincoln let loose the beast inside him and he viciously attacked those two buttfaces with a dangerous ferocity, and he and Cadence blasted them with rainbow blasts and rainbow energy blasts and they also pounced on and kicked the tar out of those buttfaces, and Lincoln fired rainbow energy waves from his massive white angel wings and tied the buttfaces up in rainbow energy straitjackets, and when he alerted his family of what Hawk and Hank tried to do to him and Cadence, they were really furious, and then, Lincoln called the cops who came and they took Hawk and Hank away, but they swore revenge on Cadence and Lincoln big time.

Those who weren't there when that happened gasped in shock.

Nico: Why, those overgrown, butt-faced, ugly, heartless gorillas! They were out to kill Lincoln again, they really are a bunch of pains in the ass!

Me: That's putting it mildly, Nico. But, you were right about that remark, those two buttfaces were a major pain in the ass, and I still remembered that incident all too well, and on that day, Hawk and Hank were even more on thin ice with all of us.

Luna: They sure were, dude, and you're also going to see the video of that incident when we meet her tomorrow.

Lincoln: You got that right, Luna.

Black Adam: Never again will Bedlam terrorize innocents.

Jet: No, he won't.

Golden Glider: He's gone for good.

Me: Given the Black Gates.

Ed the Protector: Let's celebrate at our HQ.

Magneto: Good idea.

Ben Ravencroft: After we fix the collateral damage.

Me: Yep. We have now seen the last of Bedlam.

Nico: We sure have! Great job today everyone. Gotham Royal York is still standing and Bedlam is now a forgotten memory.

Eli: Yep.

Qin: That is for sure.

Eli: (To the viewers) Never again will Bedlam hurt anyone again.

Me: That's for sure.

Qin: Yeah.

We went to the HQ of Ed and friends in the 41st century and had a great meal.

We headed home after our mission undersea and then, we headed for bed. But, the night had a bit of a dark surprise in store and one that's a sign for Lincoln's rescue tomorrow, as the scene had transitioned to a ditch in Metropolis to an unmarked grave: but, this was no ordinary unmarked grave in a ditch, there was a large bloodstained curved scimitar planted on the grave, this was the grave of Evil Sebastian. After we killed Evil Sebastian and sent him to The Black Gates on Lincoln's last rescue along with the other evil brothers of The Cthulhu Mythos Embodiments, Drakus and The X-

Squad had thrown Evil Sebastian's body into a ditch and buried him in an unmarked grave, but that would be a huge mistake.

Suddenly, the sounds of groaning echoed in the air unsettling the nightly atmosphere. Then, out of nowhere, a pale hand shrouded by black and red demonic darkness burst out and grabbed the long midnight black handle of the bloodstained curved sword, and then, the ground burst and exploded. As the dust cleared, an ominous figure was standing there and holding the bloodstained curved sword: it was EVIL SEBASTIAN, HE HAS RETURNED FROM THE DEAD IN SEARCH OF REVENGE ON US! But, he underwent a dark change as soon as he came back from the dead: the white sclera of his eyes turned dark red and he still had blood red eyes, and he now has black demonic wings, and he still has on the same clothes he had on when we first met him and when he died.

Evil Sebastian: (DEMONIC ROAR) (Demonic Voice) TEAM LOUD PHOENIX STORM, I WILL HAVE MY REVENGE ON YOU FOR THIS HUMILIATION, AND ONCE I DESTROY ALL OF YOU, ALL LIFE ON EARTH AND THE UNIVERSES BEYOND SHALL BE EXTERMINATED!

UH OH! WE'VE GOT A HUGE BATTLE AWAITING US: EVIL SEBASTIAN HAS RETURNED IN SEARCH OF REVENGE, BUT WE'LL MAKE SURE THE UNDEAD REMAINS OF THIS DEMONIC LIFE-DESTROYING EVIL MONSTER ARE DESTROYED FOREVER!

Me: I knew it was only a matter of time before we came back here again.

Qin: It was so awesome coming here the first time.

Lola: Yeah it sure was.

Nico: That was so awesome!

Applejack: YEEHAW! It sure was a fun one.

Carly Atlas: I thought the world that Haru and Elie came from is awesome.

Camie: Boy it sure is.

Roach: You got that tight.

Nico: Roach, I want to thank you, Girder, and your teams for coming

Roach: My pleasure Nico. And it's going to be so awesome to kick some butt.

Xenia: You got that right.

Qin: Yeah!

Eli: This is gonna be awesome.

Mira: It sure will be fun.

Me: Boy it's hard to imagine that we were here on the day before the start of the 20 Days of Darkness.

Elie: Boy that was crazy.

Girl Jordan: I know! And that was right after Pinkie Pie had us help her bring a really delicious cake to Canterlot for a dessert competition.

Nicole: I remember that! That was so awesome.

Nico: Boy it sure was.

Mira: Yeah no kidding.

Me: Mira, what's Vestal like?

Mira: It's a really beautiful planet. But it has more water than Earth does.

Shanan: This is what it looks like.

Shanan showed a hologram of it.

---

Vestal (Japanese version: Home Country of Vestar (ヴェスター本国, Vu~esutā Hongoku?)) is a planet in an alternate dimension, and the overpopulated home planet of the Vestals. It is a highly advanced technological planet, with large quantities of life existing alongside the Vestals.

Vestal is a planet in a dimension different than both Earth and New Vestroia. Likewise, Neathia and Gundalia are in other dimensions. The planet is apparently very Earth-like, having the same size and features as Earth including its life-forms, which strikingly resemble those of Earth, however, the planet is undergoing a dangerous overpopulation crisis. Some offworlders, including the human Klaus von Hertzon and several Bakugan, including Infinity Helios, are among the planet's numerous inhabitants. King Zenoheld tried destroy this planet that he once ruled with the Alternative Weapon System (most likely because of the Vestals that were against Zenoheld), but the Brawlers prevented this plan from happening.

---

Nico: (Whistles) Wow that is a beautiful planet.

Nicole: It sure is.

Qin: Yeah.

Me: Boy that is an amazing world.

Xenia: It sure is.

Mira: Yeah it's home. And that's where we battled Zenoheld.

Me: That is amazing.

Eli: Yeah.

Me: We'll have to check it out someday and battle Zenoheld there.

Nico: I would like to visit there sometime.

Mira: You'll like it Nico.

Quicksand: It'll be awesome to see what your home planet is like.

Xenia: Yeah it sure will be awesome.

Lola: Yep.

Qin: Boy yesterday's mission was awesome.

Xenia: You got that right.

Nico: Boy it sure was!

Starlight Glimmer: And we are finally rid of Bedlam forever.

Nico: Attacking us in our own home crossed a line.

Me: Big time! But it was a good thing our defenses protected everything.

Nico: It sure did and that was so awesome.

Xenia: Yeah no kidding. That force field made sure there was no damage at all.

Lola: That was a powerful barrier.

Wallflower Blush: It sure was and I'm amazed that it was that powerful.

Me: I built it with the technology we salvaged from the ships of the Harvester Aliens. Those force fields are so powerful that not even missiles, nukes or anything can penetrate it.

Lola: That is awesome!

Nico: Boy that was very smart thinking there. Well done.

May: That is awesome.

Nico: And you guys met Tony Hawk.

Maria: Boy we sure did and that was awesome how he helped us. Stacy told us that he is her hero.

Laney: Yeah she has posters of him all over her room. He is what lead her to become a great skater and a skateboarder.

Nico: That is cool!

Lola: Yeah it sure is.

Camie: That is so awesome that Tony Hawk helped us. But we had no idea that Ronnie Anne's uncle and Tony were best friends back then.

Lincoln: That is a big surprise for us.

Haru: It sure was.

Me: Yeah no kidding. That is so cool that they were friends back then until an accidental slap tore them apart.

Nico: I assure you, I didn't know about that.

Lincoln: None of us did.

Qin: That was a big surprise for everyone.

Xenia: Yeah it sure was.

Lola: Yeah.

Then we heard a REALLY SUPER LOUD FART!

LOUD SUPER FART!

Me: OH MAN! That was loud!

Nico: That wasn't you was it?

Me: No it wasn't. My farts don't sound like that.

Eli: They sound more like Garby's.

Me: Yep. But whoever or whatever made that one has a really nasty case of gas.

Nico: Let's just keep going.

Me: Wait Nico it could be the next Sea Gene-slammer.

Nico: You know it just might be.

Camie: Yeah. Lets go see.

Lola: Yeah.

LOUD SUPER FART!

Me: GOOD GOD! Whoever it is really has a nasty case of gas.

Nico: Yeah.

May: Okay, who's doing that?!

?: Don't come near me!

LOUD SUPER FART!

Nico: GEEZ! Wait that voice. Bianca Vexxos!?

Bianca Vexxos: Nico!? It really is you.

She came out and she was a BLUE WHALE GENE-SLAMMER!

Me: WHOA! You're half blue whale!

Nico: Oh man Like Omaima Lexxington.

Bianca Vexxos: Yeah. (FARTS LOUDLY) Oops sorry.

Me: Calabash Syndrome.

Bianca Vexxos: How did you know?

Me: Omaima told us that she has it herself. She can't stop farting like that.

Vroon: That's what Dr. Bolton turned into, right?

Me: That's right.

Nico: Yep.

Qin: That was crazy.

Bianca Vexxos: I don't know how I turned into this. But I was just eating a seafood dinner then I got hit by a dart and got sick and then went to take a nap. Then next thing I knew I woke up like this.

Nico: Oh man.

Lola: That is crazy.

Bianca Vexxos: Yeah it sure is. (FARTS LOUDLY!) Sorry.

Me: Omaima goes through the same thing. Also she is a Blue Whale Gene-slammer. We met her when we were battling a huge 110 foot long giant squid.

Bianca Vexxos: WHOA! That is amazing! (FARTS LOUDLY) Sorry.

Nico: Let's revert you back.

Bianca Vexxos: Good idea. (LOUD FART) Sorry.

Camie: I'm confused. What is Calabash Syndrome?

Me: It's where you are born with 2 stomachs and it causes you to fart uncontrollably.

Laney: Like what Patrick Smash has.

Eli: Yep.

Camie: Oh man!

Nico: Yep.

Sakura Knudson: That is weird and crazy.

Nico: I know.

Me: (Puts on blind man glasses) Just so you know this is going to hurt really bad.

Bianca Vexxos: Oh boy. I'll try and endure it.

Me: Okay.

The boys covered their eyes.

Me: Ready?

Bianca Vexxos: Ready.

Me: Here we go. (SNAPS FINGERS)

I snapped my fingers and she doubled over in excruciating pain!

Bianca screamed in pain!

Bianca Vexxos: IT HURTS SO MUCH! (LOUD FARTS) SOMEONE KILL ME! KILL ME NOW!

Nico: Geez!

Me: It'll be over in a few seconds!

She farted as she was reverting back!

LOUD FARTS!

Bianca reverted back and she was a girl with blue hair and blue eyes and she had the kanji for whale in the middle of her forehead.

She was back to normal and she was naked.

LOUD FART!

Bianca got up and she saw us.

Bianca Vexxos: Whoa that hurt bad! (LOUD FARTS) Sorry.

She saw that she was naked.

Bianca Vexxos: GAH! (COVERS HERSELF) EYES TO YOURSELVES PERVERTS!

Nico: We have our eyes covered.

Rarity: Don't worry darling we can fix this.

Me: Here Rarity.

I gave her and the fashion brigade noseplugs.

Rarity: Oh thank you darling.

They put them on and gave her new clothes and she was wearing an aqua blue shirt, pants, skirt, gloves and shoes.

Bianca Vexxos: Wow!

Varie showed a mirror and she saw herself.

Bianca Vexxos: Wow! These clothes are amazing. (LOUD FARTS) Sorry.

Nico: It's fine.

Qin: But now we have 3 Blue Whale Gene-slammers with us.

Nico: We sure do.

Me: Now it's time for the reason why we're here. We're going after Gale Ravegroove. He is back for revenge and our scanners show that he is on the warpath.

Nico: Oh man!

Haru: If it's a fight he wants it's a fight he'll get.

Nico: That is for sure!

Eli: Also we have a bunch of Anothers too. I sensed for them and found that we have Another Thalium, Plutonium, Astatine, Rubidium, Nitrogen and Strontium as well as Another Quicksand and Another Girder.

Nicole: Whoa! Six of them are chemicals of the Periodic Table.

Qin: Yeah!

Eli: The Chemical villains are all one person separated and they are one of Lincoln's guardian angels.

Lincoln: Cool!

Me: Yep. Vypra told me that she recruited villains that were all elementals of the very chemicals of the Periodic Table. Lisa would like meeting these guys and she is a scientist.

Lisa Loud: Indeed and that is very interesting and very amazing that they are with our frenemies.

Nico: I sure is.

Maria: Lets summon some backup! (TURNS DIAL) HOT HOT HOT!

She summoned Firefly, Evil Fire Man, Volcano Men, Loyax, Gaspard and Joe & Bob the Arguing 2-Headed Dragon!

Nico: Awesome!

Firefly: Hey guys! Wait usually you don't summon us till the Another Core Villain comes.

Me: We're up against an army.

Qin: Yep.

Firefly: Oh. That makes sense.

Me: How is Bridget doing?

Firefly: She is really mangled up. We removed her metal suit that fused with her. But she is going to be in a lot of pain for a while.

Me: Ouch.

Nico: Have her parents been arrested?

Firefly: Actually we looked it up and found out that her family were convicted of capital murder and they were executed a while back.

Eli: GEEZ!

Me: Good riddance.

Lola: Yeah.

Nico: You brought your army. We brought one of ours!

Haru: We have a score to settle Ravegroove.

Me: And it's not going to end well for you.

Lola: That's right.

Nico: Lets get him!

We went at them roaring at the top of our lungs and transformed and powered up. The fight was full of carnage. Nico slashed a man and cleaved him in two and then he ripped out his heart and shoved it down another man's throat and he ripped another man's head off and kicked it and sent it crashing into another man's head and knocked it off and May slashed a man's neck and Applejack smashed his head in with a warhammer and Laney slashed a man's leg off and blood and guts were splattering all over the place. Lincoln ripped a man's intestines out of his stomach and tied them into a lasso and wrapped them around several men and Brittney slashed their heads off and Lucy was having a blood buffet. Laney slashed a man's arm off and Carol blasted a bunch of men with her atomic ray and obliterated them all over. May grabbed a man's throat and ripped it off and she slashed his head off with her sword and Maria stabbed a man and disemboweled him and blood poured out all over the place. She then took a necklace she had around his neck and stabbed him in the eye with it and Lana made an ice hammer and smashed his head open and Lola fired a massive blast of fire and burned many men all over into ash. Lincoln formed a spear of lightning and stabbed and electrocuted many men and killed them. Axel Adell took an axe and hacked a man in his chest and Eli slashed that man's head off and formed a spear and stabbed him in his neck and ripped his head off. Everyone was really tearing numerous men apart and really drenching the floors red with their blood and guts. Lana blasted a bunch of men with wind and shredded them into dust in a shower of blood. Leni grabbed one man and ripped him in half and blood poured out of him. Lola smashed a man's head off with a blast of fire and more blood poured out and Eddy fired light blasts and incinerated a man in an instant. Rainbow Dash ripped off a man's head with her bare hands. Lincoln plunged his hand into a man's stomach and ripped out his intestines and Lucy and Girl Jordan snapped his neck and Lana chopped a man's leg off. Lola slashed a man's chest in half and ripped his beating heart out and Lisa splashed salt acid and chemicals in the men's faces and burned their heads off. It was a brutal fight!

CLANG!
KRABBBBBBOOOOOOOOOOOOOOOOOOMMMMMMMMMM!

A massive fiery explosion blasted King back as me and him went at each other.

Me: You make me sick Gale! You turned on your own friend just because he left you?! How fucking stupid are you!?

King: He betrayed me and I will kill him and this entire world for what they did to me!

Me: Over my fucking dead body!

King: That can be arranged! EXPLOSION!

His Decaforce Sword turned into a dark version of Explosion and we continued to clash and massive fiery explosions rang out all over the place.

CLANG! KRABBBBOOOOOOOOOOOOOOOMMMM! CLANG! KRABBBBOOOOOOOOOOOOOMMMMM! CLANG! KRABBBBBOOOOOOOOOOOOOMMMM! CLANG! KRABBBBBOOOOOOOOOOOOOOMMMMMM!

The entire area was turning into a sea of fire and carnage!

My fists flared up with orange energy and I punched him all over in the stomach and then a massive fiery explosion blasted him thru the wall!

EXTREMELY MASSIVE FIERY EXPLOSION!

King got up and came at me and I jumped and kicked him in the back!

Me: EXPLOSION STYLE NINJA ART: BAZOOKAS!

I fired orange energy blasts and the blasts hit him in the back and exploded all over.

MASSIVE FIERY EXPLOSIONS!

King's back was badly burned all over the place and he was really in a lot of pain.

Me: If this is all you're made of it's pathetic.

King got up and he was enraged!

King: I FUCKING HATE YOU!

My aura flared up with incredible power! His hatred was as strong as 500 Googol Kisenian Blossoms!

Me: Thanks for the power boost.

He was enraged even more and he went at me and I jumped.

Me: EXPLOSION STYLE NINJA ART: EXPLOSIVE KICK!

I channeled orange energy into my foot and kicked him in the back and he went flying and crashed into a wall and the wall exploded in a massive fiery explosion!

EXTREMELY MASSIVE FIERY EXPLOSION!

Me: That's what I think of your fucking art Deidara.

King got up and he was really enraged!

King: NOW YOU DIE!

He charged at me!

Me: EXPLOSION STYLE NINJA ART: EXPLOSIVE CLAY BOMBS!

I fired a massive shower of C4 Clay Bombs and they hit him and were on him.

Me: BOOM!

MASSIVE FIERY EXPLOSIONS!

The bombs exploded in a massive fiery explosion.

King got up out of the flaming cloud and he was REALLY INFURIATED!

I punched him in the face.

Me: EXPLOSION STYLE NINJA ART: MISSILE STRIKE!

I fired an orange energy blast and it hit King and exploded!

MASSIVE AND POWERFUL FIERY EXPLOSION!

King was still coming at me!

Me: EXPLOSION STYLE NINJA ART: BRITISH BOMBARDMENT!

I fired a massive barrage of orange energy blasts and the blasts all hit King all at once and exploded with incredible power!

EXTREMELY MASSIVE FIERY EXPLOSION!

The blasts knocked him down and he got back up and he was OUT OF HIS FUCKING MIND!

(Naruto Shippuden: Bonds OST - Rage Plays at 2:17 to 3:00)

He went at me roaring at the top of his lungs in extreme rage and he was really punching and slashing and kicking at me and I dodged all his strikes without any problems and I kicked him in the face and slashed him in the chest and he exploded!

EXTREMELY MASSIVE FIERY EXPLOSION!

Me: Try Silfarion!

My sword turned into Silfarion and I slashed him all over with incredible speed and more.

Me: Now Blue-Crimson!

My sword turned into the twin swords Blue-Crimson and I slashed him all over some more.

Me: Your power must be sealed forever! Runesave!

My sword turned into Runesave and I slashed him and sealed his powers away forever.

Me: Time for the heavy power! GRAVITY-CORE!

My sword turned into the heavy sword Gravity-Core and I smashed him all over with incredible force as my sword hit him all over.

Me: Time for you to be blinded by the light of the Sun! MILLION SUNS!

My sword turned into Million Suns and I put on my black glasses and held the blade up and the massive brightness of 1,000,000 suns shined on him and he screamed in pain as his eyes were burned out of their sockets.

King: MY EYES! MY EYES!

After a lengthy battle with his men, Nico and everyone else came and they saw how good I did against him.

Eli: WHOA! You really thrashed him bro!

Nico: Big time.

Firefly fired heat lasers.

And he blasted King all over.

Me: Take this!

I slashed King all over and then…

MASSIVE FIERY EXPLOSIONS!

Qin: Take that!

Xenia: YEAH!

Xenia fired waves of arrows and they hit him and exploded!

MASSIVE EXPLOSIONS!

Eli: YEAH!

Evil Fire Man charged at him and bashed him down and then fired a wave of fire and burned him.

Qin: Take this!

She fired a wave of fire and burned him all over.

Me: Haru lets finish him!

Haru: You got it!

We formed our swords into Explosion!

Me and Haru: EXPLOSION SWORD C4 BOMB SLASH!

We jumped and slashed him and then…

EXTREMELY MASSIVE AND POWERFUL FIERY EXPLOSION OF INCREDIBLE POWER!

Nico: Is he dead?

When the smoke cleared, he was mangled up and down.

Me: Almost.

Me, Haru and Elie fired a powerful blast of energy and obliterated him in an instant.

Me: Now he's gone.

Nico: Good.

Me: Yep. Now for the Anothers. And I know just the archenemies to summon for them. I summon Winda, Priestess of Gusto, Windaar, Sage of Gusto, Musto, Oracle of Gusto, Kamui, Hope of Gusto, Pilica, Descendant of Gusto and Reeze, Whirlwind of Gusto!

In a swirl of wind I summoned said Gusto Monsters!

Reeze: This is gonna be one for the wind.

Kamui: Yeah it sure will be.

Winda: But we're ready for this.

Nico: There they are!

We saw Another Thalium, Plutonium, Astatine, Rubidium, Nitrogen and Strontium!

Me: Whoa!

Qin: This is gonna be an awesome one!

Xenia: Chemistry was never my strongsuit but this is amazing.

Lola: It sure is.

Another Thalium: Sorry you have to see me like this.

Lincoln: That voice!

They merged back and reverted back and it was a girl that had green hair, green eyes and had the symbol of the Gusto in the middle of her forehead and she had neon green clothes and had green angel wings and had a wind sword and she had the symbol of the Gusto on her skirt.

Lincoln: Siobhan Gusto!

Siobhan Gusto: Lincoln it's awesome to see you again. And my god you became an amazing young man.

Lincoln: I sure have. I haven't seen you since you were 17.

Siobhan Gusto: I know. Also I am the gene-slammer of the Gusto Monsters.

Xenia: That is awesome.

Rainbow Dash: Boy it sure is awesome.

Lola: Yeah.

Siobhan Gusto: I see that Lola is with you. I hope you haven't been causing trouble.

Lola: Oh no Siobhan! I am permanently free of my dark side.

Me: Do you have a revelation for where and why you hate Lola so much?

Siobhan Gusto: I sure do but it's a revelation that is so horrible and so disgusting that it almost made me want to rip her to shreds with the power of the wind.

Me: (GULPS) I have a feeling this will be really bad.

Nico: Same here.

Me: Are the Another Quicksand and Girder friendly or hostile?

Siobhan: Friendly and they are awesome ones too.

Lola: Nice!

Nico: Ready to do this?

Girl Jordan: First lets separate you from all those Anothers.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background.

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

Fast to sleep

Fast to sleep

Dark holoré in the Deep

Rise again holoré now

Spring abundant holoél

Render green the dying bough

Raise the rock where Yurgen fell

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Spring abundant holoél

She glowed and was separated from all 6 of the Anothers.

Siobhan Gusto: Whoa! That was amazing!

Lola: Yeah it was!

Xenia: Yeah!

Reeze: This will be good.

Winda: Lets get them!

They fired waves of wind energy and blasted them and they exploded!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOMMMMM!

I caught the Wonder Ride Books!

Xenia: YEAH!

Me: 2 left.

Camie: Now where would the next Another be?

But then Camie saw me getting taller?

Camie: J.D. are you getting taller?

Me: Uh I'm not getting taller Camie. You're sinking!

She saw that she was sinking in a puddle of quicksand!

Camie: What the!? Quicksand! Wait a second. It's Another Quicksand!

Another Quicksand: Surprise! Sorry about that.

Camie: Boy awesome surprise.

Me: And Lina Sandstone! That was awesome.

She jumped out and Camie was thrown and landed in my arms.

Nico: Thought you were Sandman for a moment!

Another Quicksand: (LAUGHS) I get that a lot.

She reverted back and was a girl with brown hair and brown eyes and had brown clothes.

Lina Sandstone: But that wasn't that bad for the gene-slammer of the Dark Scorpion Burglars.

Nico: Whoa!

Me: You're also the gene-slammer of the Dark Scorpion Burglars too!? That is amazing! They are the most notorious thieves in all of the Duel Monsters world.

Xenia: Yeah.

Lina Sandstone: I know. I have Don Zaloog's leadership, Gorg's strength, Cliff's intelligence, Chick's agility and Maenae's beauty.

Nico: That is so cool.

Lola: It sure is.

Mira: Boy that is awesome.

Lincoln: It sure is.

Mira: Sorry we have to do this.

Lina Sandstone: No worries.

Mira: Ready, Wilda?

Wilda: Always ready Mira!

Lincoln: First this.

Lincoln fired a wave of light and separated her from the Another.

Mira: Now for this.

She and Wilda fired a wave of energy and blasted the Another and she exploded!

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOMMM

I caught the Wonder Ride Book.

Me: Got it.

Nico: Yeah!

Maria: I already summoned the team.

Firefly: You sure did.

Me: Now for the Another Girder.

Girder: Yep that's right.

Lola: This will be awesome.

Me: Here she comes.

We saw a figure and it was a dark version of Girder! It was ANOTHER GIRDER!

Me: Whoa!

Girder: Whoa it's like looking at myself in the mirror.

Xenia: It sure is.

Another Girder: (In a girls voice) Yeah no kidding.

Me: (GASP) Adrienne Xiova.

Nico: Whoa!

She reverted back and it was a girl with blond hair and had orange clothes.

Adrienne Xiova: Awesome to see you again J.D.

Me: Same here.

Adrienne is a steel mill worker and she makes construction metal beams and is really good at it.

Nico: Cool!

Sougo: (gets out Samurai Ridewatch) We can help you build that.

Geiz: (gets out Megaforce Ridewatch) With the help of the Constructicons, of course.

Sougo got SamuraiRedArmor while Geiz got MegaforceRedArnor.

Me: If me and Zarya can build the 7,000 foot tall Dubai City Tower we can do that too.

Adrienne Xiova: Awesome! Sorry we have to do this.

Me: I know.

She turned into Another Girder!

Nico: Time to form metal! (ACTIVATES GIRDER'S RIDEWATCH)

He fired waves of energy and blasted her all over.

Nico: I'm getting a sinking feeling! (LAUGHS) (ACTIVATES QUICKSAND'S RIDEWATCH)

He fired a wave of energy and sunk her into the ground.

May: Now you see me… (ACTIVATES INVISIBLE'S RIDEWATCH) (GOES INVISIBLE) NOW YOU DON'T!

She went and bashed Another Girder all over.

May: Time for this! (ACTIVATES TOGURO'S RIDEWATCH)

She fired waves of energy and blasted her all over the place.

Maria: Now for this one! (ACTIVATES LEVIRA'S RIDEWATCH)

She fired waves of energy and blasted her all over.

Maria: Time for you to feel the heat! (ACTIVATES OVEN JAMEN'S RIDEWATCH)

She fired waves of fire and smashed her down.

Mira: Now here is this! (ACTIVATES QUICKSAND'S RIDEWATCH)

She fired waves of energy and smashed her down.

Then Absorbing Man, Platinum Princess, Twist Boma, Son of The Chicken From Outer Space, Vapora and Red-Eyes Darkness Dragon came.

Nico: Nice team Absorbing Man!

Absorbing Man: Thanks Nico!

Qin: Awesome.

Lola: Yeah!

Maria: This will be good.

Then 4 Oricorio came out!

Me: Awesome 4 Oricorio!

Lily: Wow 1 of each kind!

Senzu Oricorio: (In a girls voice) Looks like the fun has started.

Pom Oricorio: (In a girls voice) Yeah it has!

Nico: (GASP) Camie, Cammy, Camula and Camee Cammos!

Me: No way! The Dancing Quartet!? That is awesome!

They reverted back and they were 4 girls for each of the 4 kinds of Oricorio. Camie was a Red hair girl with red eyes and red clothes, Cammy was a yellow hair girl with yellow eyes and yellow clothes, Camula was a purple hair girl with purple eyes and purple clothes and Camee was a pink hair girl with pink eyes and pink clothes.

Camee: Awesome to see you again Nico.

Camie Cammos: We got this.

They fired waves of energy and smashed down Adrienne and I caught the ridewatch and purified it and she was back to normal.

I brought her over.

May: Not every day we get more then one

Me: No it sure isn't. Oricorio had 4 kids to it so this one is special.

Mira: What are your favorite memories of Nico?

Camie Cammos: We all pretty much have the same memories.

Cammy Cammos: Yeah our favorite was on Saint Patrick's day where we did the Riverdance.

Camee Cammos: That was so fun and awesome.

Camula Cammos: It sure was.

Nico: That was so fun.

Me: That is so awesome.

Lola: Yeah.

Nico hugged them.

Nico: I've really missed you girls.

Camie Cammos: We did too Nico.

Lola: But this was awesome and explosive.

We got the bad news that Evil Sebastian has returned from the dead, and not only does he want revenge on us, but he still desires to destroy all life on Earth and the universes beyond. We're also going to find out that even though we sent his soul to The Black Gates, the darkness that'd festered inside him had acquired a life of its own and brought Evil Sebastian back from the dead. But, he won't be alone, last night, he infiltrated the lands of The Three Kingdoms and his demonic power corrupted the Guardians of Wei, Wu, and Shu: The Wei Phoenix, The Wu Tiger, and The Shu Dragon, and he turned them into The Death Phoenix, The Death Tiger, and The Death Dragon. This desecration of The Sacred Guardians of The Three Kingdoms will not go unpunished, we're going to purify the corrupted guardians, and then, we're going to find Evil Sebastian and we're really make him pay for this and destroy his undead remains and this time for good.

Lincoln: Wow, we're here in Oklahoma, and I know what we're going to do here, not only am I going to rescue the seven girls, but we're also in for one dangerous battle.

Sebastian Mendez: And it's one I hoped never to have to deal with again: we got the bad news that Evil Sebastian has returned from the dead, and not only does he want revenge on us, but he still desires to destroy all life on Earth and the universes beyond.

We gasped in shock.

Nico: Impossible, we sent his soul to The Black Gates long ago during Lincoln's rescue in Metropolis when we killed the last three evil brothers of the Cthulhu Mythos Embodiments.

Sebastian Mendez: Yes, it's true that you did, but even though you sent his soul to The Black Gates, I fear the darkness that'd festered inside him had acquired a life of its own and brought Evil Sebastian back from the dead.

Me: My God!

Lincoln: That's not good. But, I also have a feeling he won't be alone.

Sun Jian: And I'm afraid you're right, last night, he infiltrated Xu Chang, Cheng Du, and Jiang Dong and his demonic power corrupted the Guardians of Wei, Wu, and Shu: The Wei Phoenix, The Wu Tiger, and The Shu Dragon, and he turned them into The Death Phoenix, The Death Tiger, and The Death Dragon.

Lincoln: He did what?! This desecration of The Sacred Guardians of The Three Kingdoms will not go unpunished. First, we're going to purify the corrupted guardians, and then, we're going to find Evil Sebastian and we'll make him pay for this and destroy his undead remains and this time for good.

Nicole: That's right.

Lightning: That maniac's going down big time!

Lynn: Yeah.

Sebastian Mendez: And I have a feeling that Evil Sebastian's resurrection wasn't unexpected, it was planned, and there's one person I know who could do this, and it wasn't Chase Young's evil half.

Me: Then, who was it?

Sebastian unholstered his massive greatsword and he slashed open a portal, and then, he fired dark energy threads from the tips of his fingers, and the threads headed for a dark castle, and inside the castle was a girl with black hair, red eyes, and black dress: it was the daughter of Rita Repulsa and Zedd, Zixkle. Then, the dark energy threads pierced her arms and legs, and they dragged her from her castle and as soon as she was through the portal, she landed in front of us and the portal closed. Then, Sebastian summons dark energy chains bound her wrists and ankles.

Me: Whoa, who is this?

Sebastian Mendez: You're not going to like it, J.D., especially you and your team, Jason, the girl you see before you is Zixkle, and she's the daughter of Rita Repulsa and Lord Zedd.

We gasped.

Lincoln: I had no idea those two had a daughter.

Jason Lee Scott: Same here.

Sebastian Mendez: But, Melanie's mother told me about her, she's just as evil, sadistic, and twisted as her parents, and she saw all of your adventures and grew bored of seeing all of you triumph, but when she saw that you banished her mother to The Warp for all eternity, she went completely mad. So, she resurrected Evil Sebastian by using the darkness that festered inside of him, and she also wanted to scatter all of you into a wasteland and she wanted to make sure none of you can use your powers and find your way back.

Sebastian grabbed a pitch black Wonder Ride Book Zixkle had with her, it was called The Shadow Creed.

Zixkle: Give that back, you fool, it's mine!

Sebastian Mendez: So, you have The Shadow Creed, The Dark Wonder Ride Book, and with that, you intended to seal their powers forever, so they could die!

Zixkle: That's right, I grew bored of watching all of your adventures, and I wanted all of you dead, and what you did to my mother, now I want revenge on all of you! (LAUGHING MANIACALLY)

Sebastian Mendez: You heartless, two-faced, psychopathic, twisted, little… !

Lincoln drove his massive greatsword into Zixkle's stomach, and he began sucking out all of her dark powers, dark magic, and enormous demonic powers and he made them his own. Suddenly, her dark Wonder Ride Book was purified, and it was transformed into a new Super Book for Sebastian called The Divine Dark Emissary of Nyx.

Me: Cool title.

Nico: Now, you have your own Super Book, Sebastian. Now, then, Lincoln, would you be so kind?

Lincoln: (Smirks) Gladly, and this is going to add insult to injury to Rita Repulsa and Lord Zedd even more. LIFE ENERGY DRAIN!

Suddenly, all of the many gems embedded in the 7'6" massive, wide, double-edged golden blade of his Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds began glowing green, and then, Lincoln began draining Zixkle of all her life energy, and when he was done and he removed his massive greatsword from his stomach, Zixkle was now a desiccated corpse drained of magic and life energy, and as soon as her soul appeared, Lincoln banished her both to The Black Gates forever.

Sebastian Mendez: That's one future pain in the neck gone forever. Now, to get after our original pain in the neck, but first, I need to destroy Zixkle's castle so that no remnant of her remains.

Sebastian read a verse in his new Super Book, The Divine Dark Emissary of Nyx.

Sebastian Mendez: (Reads a verse) The villainous dark magic-using daughter of the biggest threats to the universe lies dead, and as her wicked spirit is erased from existence, the armies of Nyx emerged from the dark eclipse and destroyed the wicked sorceress' castle.

Then, through a one-way window Lincoln made, we saw the armies of Nyx had emerged from a dark eclipse, and they did just as was read: they destroyed Zixkle's castle and made sure no trace of it remained, and with their duty done, they vanished back into the darkness.

Me: That was so awesome. Now, to get after Evil Sebastian and purify the corrupted Guardians of Wei, Wu, and Shu.

Suddenly, we saw three girls appear before us: one of them is a very beautiful and super sexy girl with long red hair with purple braid and green headband, red eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful rainbow angel wings, she's dressed in a white short-sleeved blouse, sleeveless blue top, necklace with pearls and red gem for the pendant, long ankle-length white skirt, white bridal gloves, red knee-high high-heeled boots with butterfly buckles, and long white sleeveless trenchcoat with rainbows, Pegasi, and angels on the coattails and on the back is Iris, and holstered on her back is a massive Iris-themed greatsword with embedded rainbow gems and Iris etched on the 7'0" massive, wide, double-edged rainbow blade, large white Pegasi heads for the crossguard, large white angelic faces embedded on both sides of the hilt with rainbow gems embedded in their foreheads, longer midnight black handle, four large white angel heads and large rainbow gem on the bottom of the large white angel heads for the pommel.

The second girl is a very beautiful girl with long midnight black hair, pink eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful black angel wings, she's dressed in a blue short-sleeved shirt and sleeveless pink top, necklace with pearls and pink gem for the pendant, long pink skirt, pink pants, white bridal gloves, dark blue knee-high high-heeled boots with butterfly buckles, and long white sleeveless trenchcoat with lightning, quintessence, and angels on the coattails and on the back is The Heart of Kandrakar, and holstered on her back is a massive Heart of Kandrakar-themed greatsword with embedded pink gems and the symbol of Quintessence etched on the 7'0" massive, wide, double-edged pink blade, large white Pegasi heads for the crossguard, large white angelic faces embedded on both sides of the hilt with pink gems embedded in their foreheads, longer midnight black handle, four large white angel heads and large pink gem on the bottom of the large white angel heads for the pommel.

And the third girl is a very beautiful girl with long strawberry blonde hair, blue eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful brown angel wings, she's dressed in a dark blue short-sleeved shirt and sleeveless purple top, necklace with pearls and pink gem for the pendant, long dark blue skirt, dark blue pants, white bridal gloves, dark blue knee-high high-heeled boots with butterfly buckles, and long white sleeveless trenchcoat with time, quintessence, and angels on the coattails and on the back is The Heart of Meridian, and holstered on her back is a massive Heart of Meridian-themed greatsword with embedded pink gems and the symbol of Time etched on the 7'0" massive, wide, double-edged pink blade, large white Pegasi heads for the crossguard, large white angelic faces embedded on both sides of the hilt with pink gems embedded in their foreheads, longer midnight black handle, four large white angel heads and large pink gem on the bottom of the large white angel heads for the pommel, and with them are the seven girls.

Selene Arcangela: (Gasps) The Pegasi and rainbow motif on the sleeveless trenchcoat, you're one of the daughters of the Olympian Gods and Goddesses.

Red-Haired Girl: That's right, and we got the seven girls away from that blood-crazed homicidal evil maniac.

Black-Haired Girl: But, he's sent The Death Dragon, Death Phoenix, and Death Tiger after us.

Strawberry Blonde-Haired Girl: We need to put a stop to them now.

Lincoln: (Gasps) Those voices, Cadence Iris, Nicole Nerissa, and Eliza Brown, I knew it was you.

Me: Wait, your last names, are you girls…?!

Nicole Nerissa: Let's save that for later, here they come!

We then saw our first three targets: The Death Dragon, The Death Phoenix, and The Death Tiger all coming after us.

Nico: Oh man, so that's what that monster did to the Three Sacred Guardians, he has no shame at all!

Lincoln: They're only like that because of Evil Sebastian, but still, we need to save them.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Eternal Friendship Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Vampire-Werewolf-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Vampire Werewolf Phoenix Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Vampire Werewolf Phoenix Mythological Hope.

Phoebe Vandom: I've got an idea. Hayley, Emma, Nicole, Xenia, Eliza, we need to put our Aurameres on Lincoln. If Will, Irma, Taranee, Cornelia, Hay Lin, and Elyon did it for J.D., we can do it for Lincoln.

Sebastian Mendez: But, Lincoln's not a Guardian of Kandrakar.

Me: It won't hurt to try, and I'll also help out as well.

Phoebe, Hayley, Emma, Nicole, Xenia, Eliza, and I went up to Lincoln, and we put our Aurameres on him, and then, his rainbow energy fire aura with mythological creatures and elemental forces and rainbow protective aura had exploded like crazy, and now, he has the symbols of Fire, Air, Earth, Water, Quintessence, and

Thunder surrounding him.

Nico: WHOA! So incredible!

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) WHOA! Is this what you went through when Will and her friends put their Aurameres on you, J.D.?

Me: Yep. Now, combine the powers of The Guardians of Kandrakar with The Elements of Harmony and The Unity Crystals and purify the corrupted Guardians.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You got it.

Lincoln fired three massively powerful rainbow energy helix blasts and combined with the powers of The Guardians of Kandrakar, The Elements of Harmony, and The Unity Stones, they became really supercharged, and they hit The Death Phoenix, Death Tiger, and Death Dragon, and the cleansing energy freed them and restored them to their normal selves, and they went back to The Kingdoms of Wei, Wu, and Shu to resume their sacred task: defending The Three Kingdoms.

Qin: That was so INCREDIBLE!

Nicole Knudson: He did it, he freed and restored the Guardians of Wei, Wu, and Shu!

Me: So awesome!

Then, the Aurameres went back to the Guardians.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) We're not done yet, everyone. We still got that demonic monster, Evil Sebastian, to deal with.

Eli: Now that The Death Phoenix, Death Tiger, and Death Dragon have been restored, it's not long before that monster finds out and charges out after us.

Suddenly, we heard a demonic roar in the distance, and then, we saw a black shadow heading for us, and as it lands, the darkness faded and in its place was Evil Sebastian, but he wasn't like when we first met him in Thailand and when we killed him: the white sclera of his eyes turned dark red and he still had blood red eyes, he now has black demonic wings, he still has on the same clothes he had on when we first met him and when he died, and he has his bloodstained curved scimitar.

Nico: WHOA!

Me: JEEZ! He definitely looks like a demon from Hell now!

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) But, he's still the same monster that we met and whom we killed a month ago.

Evil Sebastian: (Demonic Voice) Laugh all you want, it won't stop me from killing all of you, and then, all of mankind will cease to exist along with all life in the universes beyond! (LAUGHING LIKE A TRULY FUCKED-UP MADMAN AND CRAZED DEMON FROM HELL)

Sebastian Mendez: Zixkle made a huge mistake bringing you back from the dead using the darkness festering inside you, now we're going to end it once and for all, you psychopathic madman from Hell.

Lincoln: (Divine Echoing Godly Voice of The Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You made the huge mistake desecrating the Three Sacred Guardians of The Three Kingdoms, now it's time for you to suffer the consequences.

Then, Lincoln fired eleven beams of light from his massive greatsword and they turned into crosses that surround Evil Sebastian and the holy light coming from them caused him to flinch and cover his eyes, and Lincoln said The Lord's Prayer in Latin. Suddenly, the gold crosses glow with intense light, and Evil Sebastian being a demonic creature screamed in pain, and then, the gold crosses turned into swords which impaled themselves into Evil Sebastian killing him in a flash of light and he was forever erased by The Black Gates just like with Zixkle, and his body was burned by holy flames. We cheered as we holster our weapons and powered down.

Lincoln: Zixkle, you have failed this entire universe just like your evil parents, and for the last time, Evil Sebastian, may you never ever come back.

Nico: That's for sure!

Me: Sebastian made sure Zixkle's evil plans were ruined when he dragged her out from her castle.

Sebastian Mendez: Me? But, I didn't do anything, you guys did when you killed her mother last time, and as an added touch, The Morphin Masters had her sealed in a crystal prison and sent to The Warp forever.

Eli: Yes, but, you dragged their evil daughter out of her castle with what you did, and you now have a Super Book of your own thanks to the purification of The Shadow Creed when Lincoln killed her.

Qin: Yeah, that's the act of a true hero, and you just pissed off Lord Zedd even more with that act.

Nico: If Lord Zedd dares to come back for revenge, well, you know what to do to him.

Sebastian: And if Rita Repulsa also dares to return, she'll join her dear husband in The Black Gates in the future.

Lincoln: And we'll also be joining in on this as well. (To Cadence Iris, Nicole Nerissa, and Eliza Brown) And it's so good to see you again, Cadence Iris, Nicole Nerissa, and Eliza Brown.

Cadence Iris: You too, Linky, it's been such a long time.

Lincoln went up to Cadence Iris, Nicole Nerissa, and Eliza Brown and he hugged them, and Cadence Iris, Nicole Nerissa, and Eliza Brown are very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, fine hair on his massive forearms and short stubble on his jawline, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you three since you were seventeen, and as you can see, I really grew a lot since then.

Nicole Nerissa: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 17-year-old 8'3" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, fine hair on your massive forearms and short stubble on your jawline and many accessories, that's really new, along with getting He-Man's chest harness. You've really really grown a lot in height and become a man, but you're still the same kind boy from long ago. Plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and he's become truly immortal.

Me: And Lincoln, you know these three girls?

Lincoln: Indeed I do, J.D., the first girl is Cadence Iris, Daughter of Iris, Greek Goddess of The Rainbows, she's my Guardian Angel from from Greece mainly the legendary Mount Olympus, and like her mother, she's a Goddess of The Rainbows and has all her mother's powers of the rainbow along with having rainbow angel wings, she's immortal, and she's also extremely beautiful and sexy. When she and I met, there was indeed quite the attraction that turned into true love and she swore to protect me from those who sought to do me harm, and her targets were none other than Flip, Lewis Travolta, Scoots, Hawk, Hank, Pablo, Anderson, Chandler, Artie, Trent, and Killjoy Huggins, my enemies, and she also swore to protect me from Lori, Lynn, Lola, Lisa, and Luan, she's really good friends with Laney, and Cadence and I helped Laney with creating beautiful rainbows and the colors of the rainbows were so beautiful, Laney was literally amazed by that and she gained inspiration for her paintings, and Cadence also helped in teaching me everything she knows about the rainbows, and she gave me the ability to use the seven colorful lights of the rainbow. I made Cadence a beautiful necklace with red gem for the pendant, along with a white short-sleeved blouse, blue sleeveless top, long ankle-length white dress skirt, and white bridal gloves, and to show thanks, Cadence kissed me on the lips as a massive and beautiful rainbow formed above our heads, and it was truly beautiful, and she hates Hawk and Hank with a bloody passion, because Hawk and Hank absolutely hated Cadence for always defending me whenever they, along with Lori, Lola, Lisa, Lynn, Luan, along with the rest of my enemies plotted to kill me, and Selene Arcangela told Cadence everything about what those buttfaces have done to me and trying to kill me along with what happened seven years ago on Halloween, and one time when Cadence and I were at the park, Hawk and Hank showed up and they were out to kill me yet again along with Cadence, that was until I let loose the beast inside and I viciously attacked those two buttfaces with a dangerous ferocity, and we blasted them with rainbow blasts and rainbow energy blasts and we also pounced on and kicked the tar out of those buttfaces, and I fired rainbow energy waves from my massive white angel wings and tied the buttfaces up in rainbow energy straitjackets, and when I alerted the family of what Hawk and Hank tried to do to me and Cadence, they were really furious, and then, I called the cops who came and they took Hawk and Hank away, but they swore revenge on us big time.

Nico: Dumbass buttfaces, honestly, all they wanted was you dead, that's getting stale.

Phoebe Vandom: But, their bloodthirst is really bad. The black-haired girl is Nicole Nerissa, she's Lincoln's Guardian Angel, and like Will and I, she's also The Guardian of Quintessence and The Keeper of The Heart of Kandrakar and has the powers of The Guardians, but she also has powers over the other elemental forces and knows a whole lot about magic both light and dark.

Nicole Nerissa: But, I also have a huge secret that only Lincoln knows, along with his good sisters and his parents: I'm the daughter of Nerissa, and I knew that my mother went rogue, but in one last act of kindness before she gave into darkness, she sent me to live on Earth. Plus, I also have a very huge revelation to reveal to you all and The Oracle of Kandrakar about how her mother went rogue four decades ago.

Suddenly, we found ourselves in Kandrakar, and in front of The Oracle.

Oracle: Sorry for the sudden surprise, everyone, but when I heard Nicole say something about this revelation, I wanted to know for myself as well.

Me: It's alright. Now, Nicole, what was the reason for why your mother went rogue?

Nicole Nerissa: It's not a what, but a who. The person responsible for poisoning my mother's mind four decades ago was Chase Young.

We gasped in shock and horror.

Oracle: Chase Young, the ancient and immortal Heylin warrior? So, he was the one who did this to Nerissa.

Nicole Nerissa: That's correct. Four decades ago, Chase Young used his dark power and poisoned my mother's mind which gave birth to Dark Nerissa. I swore one day I would find a way to free my mother from this darkness and I swore that I'd make Chase Young pay with his miserable life.

Lincoln: Chase Young's evil half already paid the price, and your mother wasn't the only one he had poisoned, he poisoned Principal Huggins' mind which gave birth to his Dark Side, Killjoy Huggins, and he made that accursed Dark Side Creation serum which he gave to Lori, Lynn, Lola, Lisa, and Luan when I was in Third Grade and it turned them into the monsters who made my life a nightmare.

Nicole Nerissa: Chase Young really did so much damage to too many lives 1,500 years ago and even now, but now, his evil half is gone forever. Plus, I protected and defended Lincoln many times over from his many enemies and that also included Lori, Lynn, Lola, Lisa, and Luan. One day, I showed Lincoln my powers with Quintessence and that I'm a Guardian of Kandrakar just like my mother, and I told him of who my mother was and what turned her into the monster that she became, and when Lori, Lynn, Lola, Lisa, and Luan saw me demonstrate my powers, they went ballistic and planned to kill me and Lincoln, but we teamed up and took them down, and after we told the parents and the rest of his sisters of what the five mean sisters tried to do to us, they were furious, and as punishment for their attempted murder, the five mean sisters got grounded for seventeen weeks and they were sent to Aunt Ruth's during that time, and I hated those five ever since, since their vile powerhungry attitude reminded me of the monster my mother became because of Chase Young.

Me: I can't believe Chase Young did this to Nerissa, his evil half truly is the personification of evil.

Nico: Big time, what that dark half of Chase Young did proves just how evil and heartless he truly is, he didn't have a shred of humanity at all!

Phoebe Vandom: That monster paid the price for his crimes when we put him down for good. And the third girl is Eliza Brown, she's Lincoln's Guardian Angel, and like her older sister, Elyon Brown, she's also The Guardian of Time and The Keeper of The Heart of Meridian and has the powers of The Guardians, but she also has powers over the other elemental forces and knows a lot about magic both light and dark. But, she also has a huge secret that only Lincoln knows, along with his good sisters and parents: Eliza's the sister of Elyon Brown, and she like her sister despises that powerhungry bastard, Phobos, and their parents knew of what kind of danger Phobos would one day prove to be, so they sent Eliza to Earth to live in peace and far from her powerhungry brother. Eliza never saw her parents again along with her sister, but she swore one day to make Phobos pay for his crimes against Meridian and all of Kandrakar. Eliza protected and defended Lincoln many times from his many enemies and that also included Lori, Lynn, Lola, Lisa, and Luan. One day, she showed Lincoln her powers with Time and that she's a Guardian of Kandrakar just like her mother, and she told him of who her mother was and what turned her into the monster that she became, and when Lori, Lynn, Lola, Lisa, and Luan saw that, they went ballistic and planned to kill her and Lincoln, but Eliza and Lincoln teamed up and they took them down, and after they told the parents and the rest of his sisters of what the five mean sisters tried to do to them, they were furious, and as punishment for their attempted murder, the five mean sisters got grounded for eighteen weeks and they were sent to Aunt Ruth's during that time, and Eliza hated those five ever since, since their hatred towards their brother and their vile powerhungry attitude and heartlessness reminded her of her evil brother, Phobos.

Me: Whoa. Elyon and Nerissa are in for one huge reunion when we head back home.

Oracle: Already on it.

The Oracle beamed us back home to Gotham Royal York.

Lincoln: Wow, that's what I call a fast return home!

Eli: Yeah, that was really incredible. But, now we know the truth of how Nerissa became like that, and it was due to Chase Young.

Lincoln: That monster half of his paid the price for what he did and we freed Nerissa from her evil self. And now that you're here, Cadence, Nicole, and Eliza.

Lincoln went up to and hugged Cadence Iris in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Finally, Lincoln went up to and hugged Eliza Brown in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Cadence Iris: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, three Elemental Thunderbird Necklace of Eternal Love appeared on the necks of Cadence Iris, Nicole Nerissa, and Eliza Brown with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with three Elemental Thunderbird Choker of Eternal Love on their necks.

Nicole Nerissa: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Cadence Iris, Nicole Nerissa, and Eliza Brown.

Cadence Iris, Nicole Nerissa, and Eliza Brown had a smile on their faces and tears in their eyes as Lincoln still had his abnormally massive and powerful muscular arms around them, and he leaned down to each of their faces and he kissed each of them passionately on the lips, and the girls also returned it, and we cheered for them. Then, we went up to the seven girls, and when Lincoln saw who they were, he immediately recognized them. The seven girls are Eia Arakawa from Dorei-ku: The Animation, Aki Hayami from Aibeya, Saku Misora from Aibeya 2, and Raidy, Fonfon, Fores, and Tisu from Lightning Warrior Raidy.

Lincoln: Oh wow, it's Eia Arakawa from Dorei-ku: The Animation, Aki Hayami from Aibeya, Saku Misora from Aibeya 2, and Raidy, Fonfon, Fores, and Tisu from Lightning Warrior Raidy.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Eia Arakawa: Yes, we're okay, thanks to you.

Then, when Eia Arakawa and the other six girls saw who it was that saved them from Zixkle, the three corrupted Guardians of The Three Kingdoms, and the demonic Evil Sebastian, their faces turned atomic red upon seeing the 17-year-old 8'3" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head, fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with a gold lightning bolt and Ebonwu Squadron emblem emblazoned on his forehead with Third Eye on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, He-Man's chest harness with colored gems on the orange crisscrossing straps and large gold circular chest plate with phoenix on it, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer and Slayer of Extremely Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic, Irredeemable Bastards and Tyrants, Talented Comic Book Writer and Video Gamer, Jack-Of-All-Trades, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of Many of Team Loud Phoenix Storm's Branch Teams, Spice Demon of The Loud Family, Surfer of The Legendary Wave Humungadunga, Third-In-Command And Founder of Team Loud Phoenix Storm, Emissary of The Cosmos and The Heavens, Ambassador of Harmony, Friendship, Purity, Hope, Courage, and Love, and God of Friendship, Hope, Love, Courage, and Justice Dodgeball Angel King of Gotham Royal York, The Unifier of The

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made six clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene.

Eia Arakawa: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, seven Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Eia Arakawa, Aki Hayami, Saku Misora, Raidy, Fonfon, Fores, and Tisu with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to The World Tree Estate, and the rest of the team were shocked to find out the villain we went after went after was Evil Sebastian has returned from the dead, and not only did he still want revenge on us, but he still desires to destroy all life on Earth and the universes beyond. We also going to find out that even though we sent his soul to The Black Gates, Zixkle, the daughter of Rita Repulsa and Lord Zedd gave the darkness that'd festered inside him a life of its own and that brought Evil Sebastian back from the dead, and last night, he infiltrated the lands of The Three Kingdoms and his demonic power corrupted the Guardians of Wei, Wu, and Shu: The Wei Phoenix, The Wu Tiger, and The Shu Dragon, and he turned them into The Death Phoenix, The Death Tiger, and The Death Dragon.

But, when Lincoln showed what happened first to Zixkle with Sebastian dragging her out of her castle and Lincoln sucking out her dark powers and dark magic and making them his own and draining her of her life energy and sending her soul to The Black Gates and it purified The Shadow Creed, the dark Wonder Ride Book and it turned into a Super Book for Sebastian called The Divine Dark Emissary of Nyx, and then, Lincoln purifying the corrupted guardians by firing rainbow energy helix blasts from his massive greatsword and combining the powers of The Elements of Harmony, The Unity Stones, and the Aurameres of The Guardians of Kandrakar, and finally all of us beating down Evil Sebastian who was turned into that demonic monster, and finally Lincoln sending him straight to The Black Gates for good, everyone cheered and hugged us and Lincoln's harem kissed him all over, and they had steam whistling out their ears. Lincoln, Cadence Iris, Nicole Nerissa, and Eliza Brown have a lot of catching up to do, now that they're back in town.

Maria: That'll be the last time that demonic monster dares to come back to cause trouble again.

William: And I can't believe that Lord Zedd and Rita Repulsa have a daughter who's just as evil, sick, and twisted as them.

Lincoln: Same here, but Sebastian took charge on this and after he yanked her out of her castle, we dealt with her for good, and he now has her purified Wonder Ride Book.

Sebastian Mendez: And with it, I can read some of its purified verses to help us out and cause pain to the jerks.

Nico: You saw us use them before, now it's your turn. And we'll be glad to teach you all about them.

Me: Yeah, and with your elemental affinity being darkness, you'll have a lot to learn from Brittney and all of The Goths of Darkness.

Sebastian Mendez: And I'm finally freed from that monster for good, now my life is truly at peace once more.

* * *

After purifying the three Guardian Spirits of Wei, Wu, and Shu and sending Zixkle and Evil Sebastian who came back from the dead as a demonic monster to The Black Gates forever, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Cadence Iris, Nicole Nerissa, and Eliza Brown saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Cadence Iris: My God, I was right that Lincoln's really grown into a 17-year-old, 8'3" tall, really big, handsome, and really strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever.

Nicole Nerissa: He's definitely been bodybuilding and working out for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the body that all bodybuilders could only dream of.

Eliza Brown: If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Cadence Iris: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Cadence Iris: Oh man, I knew it was only a matter of time before he told everyone that story.

Nico: Yep. Hey, Eclipsa, as much as I hate to say it, but what was this dark revelation you had on Lori that she did something so horrible to Lincoln that you wants nothing more than to slash her head off and mount it on a pike and give it to Bobby, and that it made the other sisters hate Lori's guts for more than a year?

Eclipsa Tyburn: I was hoping you were going to ask that, Nico. But, I've got to warn you all, the video you are about to see is not for the faint of heart, and it's indeed very very very very bad.

Eclipsa Tyburn pulled up a video and it played on the screen, and we braced ourselves. The video first showed Lincoln and Eclipsa coming home after school, but then, a smoke bomb was dropped right in front of them, and then, Eclipsa was slashed in the back with a knife and Lincoln was stabbed in his arms and legs, and then dragged away screaming. When the smoke cleared, Eclipsa got up, but she saw Lincoln was missing. But, then, she saw his blood trail, and she saw something else: nail polish, and when Eclipsa put two and two together, there was only one person who'd do this.

Past Eclipsa: Lori, you fucking bitch, I'm gonna ram a forty foot stick right up your ass for this!

Eclipsa took off and searched all over Royal Woods for Lincoln, and when she finds Lori, she's gonna make her pay. Suddenly, she heard loud screaming in the air along with the sound of someone who was laughing like a fucked-up lunatic, Eclipsa knew the screams were from Lincoln and the fucked-up deranged laughter was from Lori, and she flew out following Lincoln's blood trail right back to The Loud House. She followed the trail and it led to Lori's room and right into the lion's den. Suddenly, she saw a sight that would haunt her for eternity: Lincoln was chained to a post in his underwear, he was severely bleeding and crying his heart out while Lori was stabbing him with knives and lashing at him with a metal whip with sharp blades and laughing like a fucked-up lunatic.

Past Lincoln: (Crying with Despair) Lori… , stop it… , stop… , I… , I can't take it… anymore!

Past Lori: SHUT THE FUCK UP, YOU FUCKING WASTE OF SPACE! I WILL NEVER STOP UNTIL YOU ARE FUCKING DEAD AND LYING IN A POOL OF YOUR OWN FUCKING BLOOD! YOU HAVE REBELLED AGAINST ME AND DEFIED ME FOR THE LAST FUCKING TIME! AND ONCE I GET DONE WITH YOU, I WILL KILL EVERY LAST BITCH YOU CALL GUARDIAN ANGELS, ALONG WITH RONNIE ANNE, YOUR HAREM, THAT ASSHOLE, J.D. AND HIS BITCH, VARIE, THOSE STUPID SISTERS, YOUR FRIENDS, AND OUR STUPID PARENTS! NO ONE DEFIES ME AND LIVES, NO ONE! (LAUGHING LIKE A FUCKED-UP MADWOMAN TIMES THE INFINITE POWER!)

Everyone saw it, and they screamed like mad and many of them ran to the trashcan and threw up like crazy, even Nico and May, and that's when they fucking lost it and screamed at the Lori in the video!

Nico and May: LORI LOUD, YOU ABSOLUTELY INFINITE-TIMES FUCKED-UP BACKSTABBING TWO-FACED POWERHUNGRY MURDEROUS EVIL PSYCHOPATHIC CONTROL FREAK BITCH! HOW COULD YOU DO THIS TO YOUR OWN BROTHER?!

I screamed and jumped up to the ceiling and grabbed onto it with my claws!

Eclipsa Tyburn: I told you. Now, here comes what I did to that bitch.

Eclipsa was absolutely fucking angry as she gripped her scythe and is about to go in there and attack! LORI LOUD, YOUR DAYS ARE SO NUMBERED! Then, Eclipsa kicked the door in.

Past Eclipsa: GET THE FUCK OFF MY MAN, YOU CONTROL FREAK PSYCHO BITCH!

Then, Eclipsa charged at Lori and she proceeded to pummel and beat Lori into a pulp, and Eclipsa was really fighting with a very dangerous and very bestial fury. Lori tried to stab Eclipsa in her fit of maniacal and demonic vengeance, but Eclipsa grabbed Lori's arm and broke it as Lori screamed with anger and fury. Then, Eclipsa kicked Lori hard into her vanity and she was knocked out, and then, she proceeded to unshackle Lincoln and he was really bleeding.

Past Lincoln: (Severely Weak) E-Eclipsa?!

Past Eclipsa: Don't say anything else, Lincoln, come on. I'm getting you to the hospital.

Eclipsa ran downstairs and she was met by the others, and when they saw what happened to Lincoln, they absolutely screamed.

Past Luna: Eclipsa, what happened?!

Past Eclipsa: Your psycho older sister happened, Luna. I knocked her out, but I don't know for how long. I got to get Lincoln to the hospital, he's really bleeding to death.

Past Me: I'll go.

I took Lincoln in my arms, but then, Lori got back up and she had her bloody knife in hand.

Past Lori: NO ONE'S FUCKING GOING ANYWHERE! YOU WILL ALL DIE FOR LITERALLY DEFYING ME AND FOR ALWAYS DEFENDING THAT WASTE OF SPACE! HE SHOULD'VE DIED IN MOM'S WOMB! (STILL LAUGHING LIKE A FUCKED-UP MADWOMAN TIMES THE INFINITE POWER)

Everyone gasped in horror at what Lori said, and Lincoln just buried his head in my chest as he cried even more heavily.

Past Me: Everyone.

Past Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, and Lily: Yeah?

Past Me: GET HER!

Lynn Sr., Rita, Varie, and I went to the hospital and we left Eclipsa with Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, and Lily, and they were beyond mega-pissed off at Lori for what she did. Then, they went at her and they viciously pummeled and pulverized her as the video ended.

Eli: Oh God. Lori, I cannot believe that you could do something like that to Lincoln and be so cold and callous about it.

Nico: Not to mention what you said about him, I have never heard such a blatant disregard for the life of a little boy like Lincoln!

May: I can never unsee what I just saw in the video.

Nicole: Me neither. Lori was an absolute fucking animal because of her Dark Side, what she did to her brother was beyond sick, twisted, and evil: that was literally like walking into the heart of darkness.

Me: Yep, but thanks to Eclipsa, she saved Lincoln from Lori's wrath, and we were able to get him to the hospital, and Adriana got to the hospital in time and gave him another blood bag filled with the blood of a bodybuilder who just donated blood, but he wasn't the only one, I also donated my blood and I had a blood bag of my blood, and we put into the IV tubes and the blood was fed into Lincoln's body, and he instantly recovered. But, he couldn't hide his anger and rage towards Lori for what she did.

Nico: So, what happened?

Laney: We tied Lori up after we beat her up ruthlessly, and after Mom and Dad came back with J.D., Varie, and Lincoln, they were absolutely furious at Lori's heartlessness and depraved madness, and there could be no forgiveness for what she did. Lori got hit with truly the hugest penalty that anyone could muster: she was grounded for thirty weeks, and if that wasn't bad, we had Lori sent to The Lansing Maximum Security Nuthouse for what she did, and we hated her for a year for what she did.

Luna: We couldn't forgive her what she did, dude, I knew Lori was really brutal and vicious, but this, this is just total depravity on an extremely massive scale.

Lincoln: Yeah, and even though my physical wounds had healed, I was left with nightmares because of what she did, and I wound up getting night terrors because of it and also of what she said, she really hurt me deeply, and she really broke the bond I had with her when we were little.

Lana: Lori crossed a serious line that warranted no sort of forgiveness from any of us. Lincoln was hurt badly due to it, he wanted to forgive her, but he couldn't.

Lola: So, we decided to have him spend the night with Leni and with Lori in the nuthouse, he could at least have some peace.

Varie: He needed it, I couldn't forget the tears he shed on J.D. as he cried in so much despair.

Me: Me neither. (Shudders) That sight would haunt me for a year.

Nico: Damn, Lori should've realized that her actions have consequences, but no, she didn't learn her lesson, and when she crossed a huge line with that act, there was only one way she could learn.

Lincoln: Yeah, getting viciously beaten up by the rest of the siblings, grounded for thirty weeks and sent to The Lansing Maximum Security Nuthouse.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Trickstar Band Sweet Guitar, Trickstar Black Catbat, Trickstar Bloom, Trickstar Candina, Trickstar Corobane, Trickstar Crimson Heart, Trickstar Delfiendium, Trickstar Divaridis, Trickstar Foxglove Witch, Trickstar Holly Angel, Trickstar Lilybell, Trickstar Lycoris, Trickstar Mandrake, Trickstar Narkissus, Trickstar Nightshade, and Trickstar Rhodode, and they hugged the girls in their abnormally massive and powerful muscular arms, and Trickstar Band Sweet Guitar, Trickstar Black Catbat, Trickstar Bloom, Trickstar Candina, Trickstar Corobane, Trickstar Crimson Heart, Trickstar Delfiendium, Trickstar Divaridis, Trickstar Foxglove Witch, Trickstar Holly Angel, Trickstar Lilybell, Trickstar Lycoris, Trickstar Mandrake, Trickstar Narkissus, Trickstar Nightshade, and Trickstar Rhodode placed their hands on the massive pecs of Lincoln and his clones, and then, they shared a passionate and romantic kiss. Jenna: And Pablo and Anderson have some nerve trying to kill them, those heartless buttface psychopaths are just making things much worse for themselves.

Serena Logan: I always knew those two buttfaces were nothing but fucking trouble, but just like Flip and the other jerks, those two dumbasses are just making things worse for themselves.

Suddenly, we heard Pablo and Anderson scream with extreme hatred and rage, and now, the buttfaces have officially lost their minds.

Maria: (Flips Pablo and Anderson the middle finger) Yeah, up yours, buttfaces!

Nico: Even after we've kicked their miserable hides, those two buttfaces still refuse to quit!

Lincoln: Same with Flip, Lewis Travolta, Icky Vicky, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Me: It sure is, and it's so much more fun seeing them blow their stacks!

---

Later we were watching TV.

Ippei Akagi: You guys wanna get lunch with me?

Dojo: Count me in! I'm starving!

Me: Sure Ippei.

Xenia: Yeah.

Me: Any restaurant is good.

We followed Ippei and went down to the surface.

We were walking to the restaurant.

Mr. Krabs: What do you have in mind, lad?

Ippei Akagi: There's this awesome burger restaurant that I want to try.

Nico: All right. Lead the way.

We followed Ippei and we arrived at an awesome restaurant. It was called THE INFINITY BURGER HUT!

Ippei Akagi: Here we are!

Me: Oh wow! The Infinity Burger Hut! I've heard about this place. They make burgers with 10,000,000 flavors and combinations and they also have over 100,000 sauces for the burgers for everyone to try.

Xenia: That is so cool!

Qin: Yep.

Lola: This will be so awesome.

Tsubasa: Who wants to help me cook burgers?

Me: You cook burgers too Tsubasa?

Tsubasa: I sure do. I work here and it's great money.

Qin: Awesome.

Lily: Sure Tsubasa. I'll help out.

Xenia: Yeah.

Tsubasa: Thanks.

We went in and we got to cooking.

But little did we know that there is a figure coming.

Woman: Another stupid non-gourmet restaurant for me to destroy.

We were cooking all kinds of awesome burgers and they were awesome and Lily was really cooking up an awesome amount of burgers.

Me: Boy this is amazing. Wow. So many bottles of sauces to choose from.

Nico: And all in an amazing sauce dispenser.

Lola: No kidding.

Manager: It sure is. You wouldn't believe what the hottest one we have is.

Me: What is it?

He pulled out a NUCLEAR ISOTOPE CONTAINER! He put it on a table and put on gloves and a radiation suit and opened it and he pulled it out with tongs. It was a glowing orange hot sauce bottle and it had an image of a moon that was glowing red and there was a pepper on it.

Me: Moonscar Diablo Nitro Nova?

Manager: Yep. This is the hottest sauce ever. It's made with Moonscar Island Peppers and those deadly peppers that Lincoln's guardian angels brought.

Nico: WHOA! That is potent!

Xenia: (GULPS)

Tsuyoshi: Guys we have company.

We went out and saw a woman.

Woman: Oh, you must be the people that saved me before.

Taro: That's right. I remember you. You're…

Ruby Salazar: Noriko Ida!

Me: (In my head) Noriko Ida!? I remember her! She is a gourmet food critic that hates all restaurants that aren't gourmet.

Haruka: I take it you have some bad blood with her?

Sapphire Salazar: (to Noriko) Why don't you drop the fucking act?!

Noriko: (chuckles) I can't believe it was so easy to fool the 6 of you back then. (to Taro) Especially you, Don Momotaro.

Me: Ruby, Sapphire? It sounds like you have a really nasty history with Noriko.

Ruby Salazar: You could say that J.D.

Shinichi: The you that we saw was an act, wasn't it? You were just trying to hide your true nature.

Noriko: (laughs) I guess that's why they call you "The Professor".

Eli: If you're trying to play mind games it won't work!

Me: What happened that caused you to get pissed off at her?

Sapphire Salazar: She shut down our restaurant! That's what!

We gasped!

Nico: Wait (To Noriko) YOU Shut down The Salazar Love Eatery!?

Me: What happened back then?

Sapphire Salazar: Oh right you guys don't know about this. It was years before we joined the team and we were gene-slammed. Me and Ruby owned this really awesome restaurant called the Salazar Love Eatery.

Ruby Salazar: We made all kinds of awesome food and everyone loved it. Especially Nico, Qin and everyone. But then Noriko showed up and she called our food disgusting abominations and she called it zero class trash! Our restaurant was a cesspool with no taste! And because of that she forcibly and illegally closed down our restaurant and destroyed our dreams!

We gasped!

Me: You heartless and tasteless snake in the grass!

Tsubasa: Did you even like the dish that I made you at all?!

Noriko: Of course I did. But it was only luck that you found the fruit that it was made from!

Nico: Fruit?

Tsubasa: (to Nico) I'll explain later.

Me: Okay.

Nico: I was really pissed at Noriko for that!

Eli: Who do you think you are woman!

Me: Yeah! You have no authority to close down peoples restaurant!

Noriko: Oh I do and I will make sure that all flavorful restaurants are destroyed and replaced only with gourmet and bland restaurants with no flavor at all!

Me: You have no class!

Ruby Salazar: LIKE HELL WILL WE LET YOU DO THAT!

Noriko: What!?

Ruby Salazar: You will never close down another restaurant on our watch you heartless bitch!

Sapphire Salazar: You ruined our restaurant! You know how much blood, sweat and tears we poured into making that restaurant with all our food!? We poured our heart and souls into them and you destroyed it!

Ruby Salazar: We tried to be nice to you but you just spit in our faces and called our entire restaurant a disgusting trash heap!

Sapphire Salazar: You are nothing but a tasteless and disgusting monster with no love for any kind of food!

Ruby Salazar: You only want people to eat what YOU want to eat! And that is bland and flavorless! You want ALL BUSINESSES to suffer! Because of you we lost our restaurant! You make us sick!

Man: YEAH! You wretched woman! I own the Iron Chili Dog restaurant down the street and I would never allow you in my restaurant!

Lynn Sr.: I would never allow you in my restaurant!

Ruby Salazar: And like it or not me and Sapphire are going to reopen our restaurant and we're not going to let you in it! Whether you like it or not, The Salazar Love Eatery is coming back!

Taro: You're going to pay dearly for decieving me and my companions!

Ippei Akagi: If you think we're letting you walk away after what you did, then you're living in a dream world!

Noriko: But it'll be a dream come true for me. One way or another, gourmet restaurants will be the ONLY restaurants in the world!

Me: Uh oh!

With that, she was surrounded by an energy circle with the Denziman logo and turned into Denshiki from episode 38 of Donbrothers!

---

Noriko Ida (飯田 典子 Īda Noriko) is a gourmet critic who turns into a circuit board-themed Hitotsuki called Denshiki (電子鬼 lit. Electronic Demon), possessing a Denziman Avataro Gear, out of her desire to eat new dishes.

Noriko Ida is dining at a luxury restaurant and despite enjoying her meal, she is bored with the same food she eats regularly and desires to eat something extraordinary. This transforms her into the

Denziman Hitotsuki, Denshiki and after a few moments she suddenly reverts back, feeling full. Noriko wonders why she blacks out and suddenly feels full as she leaves the restaurant, having unknowingly absorbed the patrons and employees of the restaurant.

Later at a restaurant, Noriko overheard the arguement and applauds their competitive spirit, proposing a cooking contest between the two with her as the judge. Tsuyoshi gets the bill and finds that he cannot afford to pay the total, passing out after trying to ask Tsubasa to help him with the cash problem.

The competition starts and the consensus is both dishes are delicious, leaving the Donbrothers in a state of bliss. Noriko on the other hand is not impressed and bored by the same flavors, her desire to eat something new overtakes her and she once again transforms into Denshiki. She ends up absorbing Tsubasa and Takamura before running off. Tsubasa finds himself in the Hitotsuki's body, which is a pocket dimension forest that contains the other people that Denshiki absorbed into herself.

The Donbrothers are transformed and quickly try to rescue Tsubasa. Inside the Hitotsuki, the trapped people beg for food as they are starving. Tsubasa finds a strange blue squash and asks everyone to scavenge for more to make a dish out of. Back outside, the fight gets more intense as the Noto Trio interfere and Sonoza unseals Murasame to fight alongside them. Meanwhile, Tsubasa and Takamura try to figure out how to prepare the squash to feed the hungry people. Taro breaks out his GolDon armor and everyone frantically clears out of the way to avoid getting hit by the Festival End attack, allowing him to defeat Denshiki and free the absorbed people including Tsubasa.

A purified Noriko stumbles into the restaurant, weak from hunger as everyone else tries the prepared blue squash dishes that Tsubasa and Takamura made. Noriko tries some and is overjoyed by the new sensation of flavor that the dishes have, left in a state of bliss from the experience.

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off behind us and we were ready!

Squidward: Time to give this wretched moron a taste of the good stuff and not just the Gourmet stuff!

Mr. Krabs: Darn tootin Mr. Squidward!

Denshiki electrocuted Ippei!

HE SCREAMED IN PAIN AS HE WAS SHOCKED!

Me: Top this one then!

I fired a much more powerful blast of lightning and Eli, Paula, Azula, Lincoln, Linka, Elec Man, Fuse Man, Fiona and all the Lightning users fired waves of lightning and they hit her and electrocuted her all over!

SHE WAS SPARKING AND EXPLODING ALL OVER THE PLACE!

Denshiki then consumed Spongebob, trapping him in her abdominal dimension.

Spongebob then saw himself in a forest with strange blue fruit.

Spongebob: (picks up fruit) These must be the fruit Tsubasa mentioned.

But then SpongeBob teleported back out.

SpongeBob: I think these are the fruits.

Me: Wait a second.

I looked at it.

Me: These are Helheim Fruits!

Tsubasa: Helheim Fruits!?

Nico: Tsubasa you were using a Helheim Fruit!?

Tsubasa: I had no idea!

Denshiki absorbed energy from the Noto layer and discharged it as an electrical beam at Ippei.

I fired a Kamehameha Wave at the blast and the blasts collided and then they exploded!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

The explosion blasted Denshiki back and she crashed into an all too familiar cabbage cart!

CRASH!

Man: (SCREAMS) MY CABBAGES!

Denshiki: Why that little…

BLANG BLANG BLANG BLANG BLANG BLANG!

The man was bashing Denshiki all over with a baseball bat!

We laughed!

Lola: Okay that's funny!

Eddy fired his blaster but Denshiki used electrical boomerang to return it.

Eli deflected the blast back with his lightsaber and it hit Denshiki and blasted her down.

Qin: Nice one!

Nico: Time to fight this monster with more lightning! DRAGON THUNDERCLAP!

The 5 Star Dragonball Glowed and Nico fired a wave of lightning and it hit Denshiki and electrocuted her all over the place with incredible voltage!

Xenia: YEAH! And this!

She fired energy arrows and blasted her all over.

Tsubasa: Avatar change!

He turned into Megaforce Black!

Jake: Oh yeah!

Denshiki fired waves of lightning and I fired more lightning and the blasts overtook her blasts and blasted her all over.

Ruby Salazar: This is for our food!

She fired a wave of fire and blasted her down.

Sapphire Salazar: This is for our restaurant!

She fired a barrage of icicles and slashed her all over the place!

Then a Crabominable came.

Me: Whoa a Crabominable!

Eli: This is gonna get ugly.

Crabominable: (In a girls voice) You will pay for shutting down my restaurant the Crab Cake Lounge!

Nico: Eleanor Nemo!? Whoa!

She punched and pulverized Denshiki all over!

Camie: Looks like the Crabominable Gene-slammer is one of Noriko's victims.

Me: No kidding.

Taro: Had I known about your true colors, I wouldn't have gone easy on you the first time!

Me: Now we know we are NOT going to do that!

Qin: Yeah! Now we're going to pulverize you until you beg for mercy!

Nico: And it's going to hurt!

We fired waves of lightning and blasted Denshiki all over!

Qin: Take this you fiend!

She fired waves of fireballs and blasted her all over!

Kouta: Also, Tsubasa, you don't have to worry. The Blue Fruits are actually very harmless.

Tsubasa: Oh they are? Thank goodness.

Me: I'll have to taste one.

SpongeBob: I brought a massive basket of them.

Me: Neat.

Eli: Lets finish her.

Me: Nico, Chowder, lets give her a Nasty Patty and some Burple Nurples.

Cybertron Crumplezone: You know it's gonna take time to prepare those, right?!

Maria: We'll just have to keep hitting her until then!

Nico: Okay.

Me: Lets do it!

I fired more waves of lightning and blasted her all over.

Me: Time to unleash the wolf on her!

I ran at het fast.

Me: KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON 🌙!

Me: (HOWLS)

I jumped and slashed her all over with my scythe and blasted her all over with blue fire blasts.

Denshiki jumped back and fired waves of lightning and I deflected them back with my scythe and blasted her all over!

I fired waves of blue fire and blasted her all over.

I jumped behind her and slashed her on her back!

Tsubasa demorphed.

Tsubasa: Guys, let me help you with what you need to make!

Nico: Okay!

Tsubasa went and helped out.

I slashed Denshiki all over and Ruby and Sapphire fired a wave of energy and fire and ice and blasted her all over and I jumped over her and slashed her in her face!

She screamed in pain!

Denshiki: WHY YOU ANNOYING FUCKING COCKROACH!

Chowder, Nico and Tsubasa were getting the rotten food ready.

Chowder: Oh, and we're not using poison this time!

Nico: You put poison in your Burple Nurples, Chowder?

Chowder: I don't want to talk about it.

Nico: Oh.

I slashed Denshiki all over and fired waves of blue fire and blasted her all over.

Xenia and Eli fired waves of arrows and lightning.

Edzilla: ED SMASH BAD FOOD CRITIC!

---

He smashed and pulverized her all over!

Sakura Haruno: CHA!

Sakura jumped and punched Denshiki with devastating force and sent her crashing into a gas tanker and then…

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

It exploded into a massive explosion of fire!

Sakura Haruno: Take that you dirt clod!

Denshiki got up and she was MONDO PISSED!

Maria sprayed water at her.

And drenched her. It shorted her out!

Qin: Take that!

Nico: They are ready!

Me: Now to finish her off!

Taro: You got it.

Me: Lincoln, Lightning Superray Formation Zeta!

Lincoln: You got it!

The Lightning users got into a powerful triangle formation and fired a powerful lightning ray and the blasts went into me and I fired a much more powerful concentrated ray of lightning and it hit Denshiki and she exploded!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

She was back to normal and I caught the gear!

Nico: YEAH! Denshiki you have failed this city!

Me: And Noriko Ida you have failed all of Japan.

Ruby and Sapphire went up to her.

Ruby Salazar: You've had this coming for a long time Noriko! Now we're going to give you the black gates!

Sapphire Salazar: This is for destroying our restaurant and ruining our lives! I never want to see your ugly face again! Enjoy oblivion!

Just as they were about to put the Judgement Kanji on her…

Nico: No girls!

Ruby Salazar: But Nico?

Nico: I know she did you wrong but she was punished enough. Giving her the black gates after all that is overkill.

Chowder: The Burple Nurples and Nasty Pasty are done!

Ruby Salazar: Really, Chowder?!

Chowder: Yep.

Ruby Salazar: Awesome.

Sapphire: Lets give them to her.

They then took them and shoved them into her mouth and made her swallow!

Horsea: No poison, right?

Nico: Nope.

Chowder: Nope.

Horsea: Good.

But the Noriko's stomach started grumbling ferociously.

Qin: Uh oh.

Crabominable: Is something going to happen?

Nico: Watch.

But then…

Noriko Ida: (EXPLOSIVE PROJECTILE VOMITING)

SHE VOMITED EVERYWHERE!

Lola: EW!

Lana: Awesome!

Me: OH SICK!

Luna: (FAINTS)

FWOMP!

Ruby Salazar: Before she goes?

Sapphire Salazar: This is for us.

Then Ruby and Sapphire pulled their fists back and then…

KRABLAM!

They both punched her in her face and she was got 2 nasty black eyes.

Nico: Ouch.

Ruby Salazar: Those black eyes will stay on her for 12 years.

She then vanished.

Nico: Oh, she's NOT getting off easy at all. I gave a tip to the Cops.

Me: Nice.

Crabominable: She had it coming.

Eleanor Nemo reverted back and she was a girl with ocean blue hair and had blue clothes and had blue angel wings and she had an Admiral hat on her head and in the middle of her forehead was a sailor compass symbol.

Eleanor Nemo: That rotten woman is getting a nasty surprise in Davy Jones Locker.

Qin: Yep.

Chase: What's your favorite memory of Nico?

Eleanor Nemo: When me and Nico ate the largest crab seafood dinner ever.

Qin: That was a huge meal. Nico ate 50 pounds of crabs.

Xenia: Geez! That is a lot.

Lola: Yeah.

Woody Woodpecker: That is a lot of seafood.

Nico: Yep.

Nico and Eleanor hugged.

Nico: I've missed you.

Eleanor Nemo: Same here Nico. Same here.

Eli: Aww.

Later it was time for us to get ready for our next mission.

Nico: I wonder what our next mission will be.

Lola: Boy who knows.

Me: And I've called in some special guests to help with this.

The Powerpuff Girls Z came.

Blossom Z: Hey guys.

Nico: Hey girls.

Indigo Zap: (to Powerpuff Girls Z) Thanks for coming over, girls.

Buttercup Z: No problem. This will be fun.

Qin: It sure will.

Then the previous group came.

Kite Man: Can me, Pinky & The Brain, Black Adam, Jack O Lantern, Jet, Golden Glider, Mole Man, Magneto, Melter and Ben Ravencroft go with you guys?

Brain: I'm shocked that someone like Noriko concealed her true nature.

Me: All of us are.

Nico: No shit and yes you all can come with us.

Qin: Yep.

Eli: But this will be fun.

Me: Yep.

Crystal Man: Nico, which Gene Slammers do you think you'll meet next?

Nico: Ribombee, Lycanroc and Wishiwashi

Qin: Whoa those will be interesting.

Nico: Yep.

Suddenly, Lincoln's deep sapphire eyes and rainbow iris of his Third

Eye glowed, and he had a vision and he saw who it was that we were going to confront: it was Lord Sopespian, the treacherous monarch whom the Pevensie Children have had to deal with, and he's come back to destroy all the inhabitants of Narnia. When we saw it, we knew it meant trouble.

Nico: Lincoln, what's wrong?

Lincoln: Nico, everyone, we've got an emergency in Narnia. I just had a vision and I saw who it was that we're going to face today: his name is Lord Sopespian, the treacherous monarch whom the Pevensie Children have had to deal with, and he's come back to destroy all the inhabitants of Narnia.

We gasped.

Me: Oh no, not him, he's a blasphemous monster who wants to rule Narnia and kill its inhabitants!

Nico: In many ways, he's just as bad as Jadis The White Witch.

Lincoln: We're also going to confront King Miraz, the genocidal tyrant who also wants to destroy all the inhabitants of Narnia as well.

Me: So, we got two genocidal powerhungry tyrants to deal with. Looks like we're going to war against The Telmarine Empire.

Nico: But, we also got to help Prince Caspian realize what those two are doing.

Lincoln: He already knew about that from The Pevensie Siblings and Aslan, so he's not going to let the two treacherous criminals get away with this. Come on, let's get going to Narnia and deal with those two.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was none other than Chrollo Lucilfer, one of the main antagonists of the anime/manga series Hunter x

Hunter, and the nihilistic leader of the Phantom Troupe, and he's here to bring death and destruction to everything. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is someone coming after us?

Lincoln: You guessed it, Rayman, and this is something no one's going to like: the dark energy signal and the figure we sensed belongs to Chrollo Lucilfer, one of the main antagonists of the anime/manga series Hunter x Hunter, and the nihilistic leader of the Phantom Troupe, and he's here to bring death and destruction to everything

Nicole gasped.

Nicole: Oh man, that guy's a total nihilist who's only goal is destruction and he's an extreme danger to everyone on Earth, he's got to be destroyed.

Shayla Sigmar: And he will be destroyed by me and Lincoln, Nicole.

Me: Whoa, The Avatar of Sigmar, The Twin-Tailed Comet VS. Phantom Troupe Nihilist, he's so going to get burned.

Nico: That's for sure. Alright, gang, let's go, we're heading to Narnia to help The Pevensie Siblings, Prince Caspian, and Aslan take down King Sopespian and Miraz!

Lincoln: Those two tyrants have caused more than enough pain and suffering to the inhabitants of Narnia, this time, their reign is coming to a permanent close, and once we get done dealing with King Sopespian and Miraz and ending their reign of terror, you're next, Chrollo Lucilfer.

Shayla Sigmar: There shall be no mercy for you, Chrollo Lucilfer, as The Avatar of The Twin-Tailed Comet, you shall be burned to ashes for everything that you've done.

Nico: Lets get over to Narnia. The Pevensie Siblings may be in trouble.

Xenia: Right.

Me: Right lets go.

Lincoln put up a rainbow energy field around The World Tree Estate and we to the magic wardrobe and went into it and went through it to Narnia to help The Pevensie Siblings, Prince Caspian, and Aslan take down and destroy King Sopespian and Miraz, and once we got done destroying those two brutal and genocidal tyrants, Lincoln and Shayla Sigmar are going to destroy Chrollo Lucilfer and deal a crippling blow to The Phantom Troupe big time.

We arrived in Narnia.

Pinky: Good old Narnia!

Qin: Wow!

Lola: Awesome!

Nico: Yep.

May: Boy it's good too see this place again

Sailor Narnia: It feels amazing to be back home.

Horsea: This is where I first met you guys:

Nico: It sure is.

Maria: That was so fun and awesome.

Stacy Bolton: It sure was.

Me: Lets find the Pevensie Siblings.

Xenia: Good idea.

Horsea: And this is the spot where I lived,

We saw the water hole she was in.

Maria: I remember that.

Lola: So awesome.

Camie: That is cool.

Varie: It sure is.

Nico: Yep.

Then Aslan came.

Lemon Zest: Aslan? Is that you?

Aslan: Team Loud Phoenix Storm. Been a long time my friends.

Xenia: It has been a while.

Lola: It sure has.

Varie: We grew in numbers since the last time we were here.

Mole Man: Where are Peter and the others?

Aslan: They are in the kingdom of Telmarine.

Me: Then we better head over there fast. We're going to kill King Miraz and Lord Sopespian.

Nico: But before we do what can you tell us about them?

Aslan: They are both genocidal tyrants that want to destroy Narnia.

He told us about them.

King Miraz

King Miraz, simply known as Miraz, is the secondary antagonist of The Chronicles of Narnia franchise.

He serves as the main antagonist of the 1951 novel Prince Caspian and a posthumous antagonist in its 1952 sequel The Voyage of the Dawn Treader. In the films, he appears as the main antagonist of the 2008 film The Chronicles of Narnia: Prince Caspian and a posthumous antagonist in its 2010 sequel The Chronicles of Narnia: The Voyage of the Dawn Treader.

He is the blasphemous and the treacherous leader of the Telmarines, who plans to take over Narnia as its new king and kill his nephew Caspian X just like he did with Caspian IX, his own brother and Caspian's father, unaware that he is actually being manipulated by Lord Glozelle and Lord Sopespian, who plan to usurp his throne and seize control over the Telmar Empire.

He was portrayed by the late Robert Lang in the BBC series while in the film, he was portrayed by Sergio Castellitto.

Miraz was the brother of King Caspian IX and the uncle of Prince Caspian X. However, Miraz hated his brother and murdered him so that he himself could become king. He made himself Lord Protector of Narnia and secretly had all the lords who were noble to Caspian IX weeded out like: Having Belisar and Uvilas shot on a hunting party and pretended that it was an accident, sending the great house of Passarids to the northern frontier to fight the giants where they all died, had Arlian and Erimon and a dozen others executed for treason on a false charge, had the two brothers of Beaversdam shut up as madmen and persuaded the seven friends and noble lords of Caspian IX to sail away and look for new lands and as he expected, they did not return. With nobody else in the way, he instructed his followers to beg him to be king which he succeeded in doing. During his reign, he had the taxes raised high and the laws to be stern. Despite this, Miraz decided to let Caspian live because he had no heir, and instead lets Caspian be raised by his old nurse who tells him stories of Old Narnia despite Miraz having forbidden it from being spoken of.

Twice a week, Miraz and Caspian would take a walk together until one day on one of their walks, Miraz informed his nephew that he must be taught and educated in riding and using a sword, seeing as that he (Caspian) will be king when he (Miraz) passes on. However, Caspian (who was a very little boy at the time) tells him his wish of living in the old days of Narnia and with its inhabitants. Pretending that it's all nonsense, Miraz tries to make Caspian think of battles and adventures but Caspian continues talking about the Kings and

Queens of Narnia which makes his uncle demand to know who had been telling these stories in which his nephew reveals that it was his nurse. As punishment, he has Caspian's nurse sent away without letting them say goodbye and has his nephew mentored by Doctor Cornelius. Realizing that if Miraz found out about the tales of Narnia being told, he would have Caspian whipped and his head cut off, Cornelius takes Caspian to the Great Tower where he secretly told Caspian of Old Narnia that the Telmarine's are trying to cover up and reveals himself as a Half-Dwarf. For a few years, Caspian goes through his education except of ships and sea which his uncle disapproved of.

When Miraz's wife Queen Prunaprismia gave birth to a son, Miraz ordered his soldiers to kill Caspian, but Cornelius warned Caspian and told him of Miraz's evil deeds in the past and that he murdered his father. Caspian then escaped and takes refuge with the Old Narnians after losing his horse in a storm. He conspires with the Old Narnians to help overthrow Miraz. However, after Caspian's horse returns to the castle which makes Miraz realize that his nephew escaped and then realizes that the inhabitants of Old Narnia are not dead as he thought. Cornelius escapes to avoid being questioned and warns Caspian and the Old Narnians that Miraz and his his Telmarian army are going to attack them. They flee to Aslan's How but Miraz's scouts discover it and the Telmarine army arrives at the edge of the woods. As such, the Telmarines manage to defeat the Old Narnians twice at Aslan's How. Caspian and his allies then decide to blow Susan's horn to call the Pevensies back to Narnia and for Aslan to help them.

The Pevensies return to Narnia where Aslan guides them to the How and while Peter, Edmund and Trumpkin enter the How, Susan and Lucy stay with Aslan. Nikabrik, having lost patience with waiting, brings a Hag & Werewolf into the council where they try to persuade Caspian and the others to ressurect Jadis the White Witch in order to defeat Miraz but they refuse and with help from Peter, Edmund and Trumpkin, they are killed. Peter realizes that they can't defeat Miraz's army and decides to challenge him to a duel for the fate of Narnia. However, as Miraz plans to finalize his invasion by killing Caspian, the Old Narnians, the Pevensies and Aslan, his treacherous counselors Sospespian and Glozelle plan to betray him and usurp the throne. Miraz is about to refuse but they successfully convinced Miraz into a sword duel against the former High King Peter Pevensie by making it look like he's a coward. Insulted by this and not wanting to look like a coward, he insults the two as cowards and accepts the challenge.

The two armies gather round to watch the fight the next day. Miraz and Peter fight with the former having the height and during the duel, Miraz uses his height and weight to his advantage by spraining Peter's arm while the latter pricked him in the armpit before taking a break for a moment to be tended to. They return to the duel where Peter kept out of range of Miraz's sword until Miraz struck the former's helmet and making fall on one knee. Just before Miraz could finish him off, Peter grabbed his arm and pulled himself back up. The continued to duel until Miraz tripped on a tussock and fell. Glozelle and Sopespian take advantage of this by claiming that Miraz was stabbed by Peter and a fight between the Old Narnians and Telmarines broke out. During all this, Glozelle stabbed Miraz as revenge for his insult earlier. However, the Old Narnians along with Aslan's help defeat the Telmarines, with a few surrendering and making peace with the Old Narnians, thus ending Miraz's reign once and for all.

Miraz is only mentioned when after Edmund and Lucy return to Narnia with their cousin, Eustace, Caspian reveals his plan to find the seven noble lords and friends of his father to them.

Similar to his book counterpart, Miraz was the brother of King Caspian IX and the uncle of Prince Caspian X. However, Miraz hated his brother and murdered him so that he himself could become king. However, in the film series, he tried to kill the seven noble lords and friends of Caspian IX and is not the king yet and is still the Lord Protector of Narnia at the beginning of the film. Despite this, Miraz decided to let his nephew live because he had no heir, and instead lets Caspian be taught by Doctor Cornelius who tells him stories of Old Narnia despite Miraz having forbidden it from being spoken of.

When Miraz's wife Lady Prunaprismia gave birth to a son, Miraz ordered his soldiers to kill Caspian, but Cornelius warned Caspian and the latter escaped and was chased by Glozelle and his soldiers.

Caspian was knocked off his horse where Trumpkin, Nikabrik and Trufflehunter discover him. Glozelle and his soldiers catch up but Trumpkin fights them off while Nikabrik and Trufflehunter take Caspian in after he blows Susan's horn which brings the Pevensies back to Narnia while Trumpkin is taken prisoner. The next day, (only seen in a deleted scene) Miraz is with his son showing him the kingdom until Prunaprismia joins them. She asks where Caspian is until Miraz sees Glozelle and his soldiers return and gives her their son while "assuring" her that they'll see him soon enough. He then heads to the stables to see what they brought back but Glozelle prevents him by telling him that it's not what he thinks. Glozelle and a soldier then reveal the captured Trumpkin much to Miraz's shock, now realizing that the inhabitants of Old Narnia are not dead as he thought.

Miraz then enters a meeting with the other lords who talk of the disappearance of Caspian even when Sopespia points out that if Caspian were lost, Miraz's son would be the new heir to the throne and asks how such a tragic could've occured in this troubled time. Miraz then claims that Caspian was abducted by Narnians in which the other lordsrefuse to believe until Miraz with Glozelle's help reveals a captured Trumpkin much to their shock. Through his own words, Miraz reminds the other lords what Narnia was like until the Telmarines came, conquered Narnia and supposedly killed its inhabitants and that the Narnians had been breeding themselves, growing stronger, watching and waiting to strike in hiding. He then plots to find Caspian and finish what their ancestors began, starting with building a bridge at Beruna to have his armies cross to destroy the Narnians. Miraz is then seen in Conrelius's room, going through his books on Narnia. After learning about Susan's horn from Cornelius, Miraz realizes that the former had been telling Caspian those stories and has him arrested. He then learns from Sopespian that the construction of the bridge is still continuing much to Miraz's irritation. However, Sopespian suggests to Miraz that he contribute some of his own men due to having so many at his disposal which the latter accepts and orders Glozelle to take as many troops as he needs to Beruna and that they need to get to Caspian before the Pevensies.

Miraz and his followers are then seen by the Pevensies and the rescued Trumpkin arriving at Beruna to oversee the construction of the bridge. Unfortunately, during all this, Caspian has become the new leader of the Old Narnians and have raided large supplies from the Telmarines that were transporting it to the construction of the bridge. Miraz is angery with Glozelle who claims to have lost no men but Miraz points out the injuries and hits him before demanding again on how many many he lost during the raid in which Glozelle reveals that three were killed. Miraz then claims to Sopespian that Caspian is the instigator of the Narnian uprising and decides that Narnia's in need of a new king which he believes to be him. A Telmarine scout discovers that Caspian, the Pevensies and the Narnians are hiding in Aslan's How and reports it back.

Later, the Narnians plan a raid on the castle which goes successfully until after Caspian learns from Cornelius about his father underestimate Miraz which makes him go to confront his uncle instead of going to the gate as he was supposed to. He confronts his uncle with Prunapresmia holding a crossbow at the former until Susan and Peter arrive. Peter reminds Caspian of his part in the plan but Caspian refuses and demands to know the truth from his uncle if he (Miraz) killed his father. Prunaprismia reminds Miraz on him saying that his brother died in his sleep which Miraz confirms as more or less true. He then admits to Caspian that he did kill his father much to Prunaprismia's shock and horror of her husband's evil deed. He then provokes his wife into shooting Caspian to allow him to escape and raise the alarm. Miraz then observes the battle in the courtyard and reveals to have crossbowmen lined up on the battlements on top of the castle to shoot their enemies in case they attacked. Peter tries to get at Miraz but when a satyr reaches Miraz first, Glozelle prevents it from attacking Miraz by shooting it and Miraz out of spite pushes it off the balcony and orders his men to get the gate closed to trap their enemies thus forcing Peter to order a retreat. They succeed in cutting the weight for the gate but Asterius the Minotaur manages to keep holding it up and allow some the Narnians to escape. Miraz orders Glozelle to give the order to the crossbowmen on top of the castle to shoot but the latter is reluctant to do it since his men are still down in the courtyard. Not caring for what happens to the men, gives the order himself and starts shooting at some Narnians but mostly at Asterius to make him let go of the gate. It succeeds and half the Old Narnian army is finished off.

Having made his point since the attack, the lords of the castle crown Miraz as the King while bridge has finally been completed and the Telmarine army marches to Aslan's How. During all this, Nikabrik, brings a Hag & Werewolf to bring Jadis back to life to destroy Miraz but they are killed and the Jadis is prevented from being resurrected. The army arrives at Aslan's How and camp and the edge of the woods. However, the leaders of the Old Narnians plan that Lucy go find Aslan while they distract the Telmarine army with Caspian suggesting that Peter duel his uncle since it is the tradition of the Telmarines that a king should fight to the expectations of his people. Edmund along with Glenstorm and Wimbleweather deliver the message. Miraz is thinks about refusing since his entire army can wipe out the Old narnians at nightfall. However, Edmund, Sopespian, Glozelle and another Telmarine lord successfully convinced Miraz into the sword duel against the former High King Peter Pevensie by making it look like he's a coward (thought the latter three were doing this out of betrayal). Insulted by this and not wanting to look like a coward, he accepts the challenge.

The next day, while Miraz and Peter prepare themselves, the former orders Glozelle to shoot Peter if it goes poorly with the latter reluctantly accepting. Miraz gives Peter a chance to surrender but he refuses and they duel. They both appear to be equal and despite Peter cutting his leg, Miraz has the advantage of height and weight and Sprains Peter's arm until the latter trips the former. They then decide to take a break for three minutes. While having his leg bandaged, Miraz shows his anger at Glozelle for refusing to shoot Peter. They resume the duel with both of them using dirty tactics to win. Afer getting hit in the bandaged leg, Miraz pretends to call for a break but when Peter's back is turned, Miraz takes advantage of this but Edmund manages to warn Peter and the latter manages to stab Miraz down. Miraz waits for Peter to finish him off but he refuses and gives Miraz's sword to Caspian to finish him off. Miraz expresses to Caspian on how wrong he was about him and that he would have the makings of a Telmarine king and accepts his fate to die. However, Caspian refuses to kill him as to no stoop to his uncle's level and let's Miraz live. When it appears to be over, Sopespian pretends to help Miraz up and kills Miraz with one of Susan's arrows to make it look like the Narnians shot him to provoke the Telmarine army into fight the Narnians. Unfortunately, the Old Narnians along with Aslan's help defeat the Telmarines, with a few surrendering and making peace with the Old Narnians, thus ending the Telmarine's reign once and for all.

Miraz is only mentioned when after Edmund and Lucy return to Narnia with their cousin, Eustace, Caspian reveals his plan to find the seven noble lords and friends of his father to them.

Lord Sopespian

Lord Sopespian is one of the two secondary antagonists (alongside Glozelle) of the 1951 novel Prince Caspian, the second installment of The Chronicles of Narnia book series. In the films, he appears as the central antagonist of 2008 film The Chronicles of Narnia: Prince Caspian.

He is a high-ranking Telmarine lord during King Miraz's reign over Narnia. However, Sopespian secretly hates Miraz and conspires with Glozelle to usurp him, with the perfect opportunity coming when Miraz's nephew Caspian X recruits the returning Pevensie siblings, Narnia's former kings, to assist him and the surviving Narnians in taking back their world.

He was portrayed by Rory Edwards in the BBC series. In the film, he was portrayed by Damián Alcázar, who also played Juan Vargas in La ley de Herodes.

During the Narnian Revolution, Sopespian fought the Narnians in the war. He eventually plotted with his cousin and sub-commander Glozelle to overthrow their king Miraz and take over the kingdom themselves. Their plan almost worked, as they convinced Miraz into accepting the challenge to a duel with Peter Pevensie, so Peter would kill him and Sopespian could take over the Telmarine army. When he was done we were shocked and horrified!

Qin: Oh man!

Xenia: We got to destroy them both.

Me: And Prince Caspian is really the rightful ruler.

Centaur Man: I'd actually fit right at home here

Fluttershy: Oh I do too. All these amazing animal friends.

Qin: They sure are awesome.

Lola: I think they are awesome myself.

Aslan: (LAUGHS) Yes it's a great place.

Xenia: It sure is.

Aslan: We are forever indebted to you all for helping us destroy the White Witch.

Xenia: We are glad that she is gone.

Camie: Boy no kidding.

Magneto: Why don't you lead the way?

Aslan: Of course.

Me: Time for some horse power. (WHISTLES)

Our Rapidash came.

We got on them and Aslan went ahead.

Nico: Lets ride!

(THE NIGHT BEGINS TO SHINE BY B.E.R. PLAYS)

We followed Aslan.

Horsea: (to Aslan) It really is good to see you again, Aslan.

Aslan: Same to you Horsea.

Nico: Horsea is an awesome friend and a great teammate.

Maria: And awesome friend for me too.

Horsea: (to Aslan) It really is good to see you again, Aslan.

Aslan: Same to you Horsea.

Nico: Horsea is an awesome friend and a great teammate.

Maria: And awesome friend for me too.

May: This is actually the same place we met her.

Aslan: I know.

We went into the Telmarine territory.

Me: We're in.

Nico: Here we go.

Qin: This is gonna be good

We arrived at a village and the castle was right in front of us.

Me: There's the castle.

Qin: Miraz's castle.

Me: Peter and the kids have to be here.

Brawl: Yo, Peter! You in here?

Peter, Susan, Lucy and Edmund came out.

Lucy Pevensie: (British Accent) You guys!

Susan Pevensie: (British Accent) You all came!

Me: We sure did.

Peter Pevensie: (British Accent) Thank goodness.

Jack O Lantern: Did you guys miss us?

Lucy Pevensie: We sure did.

Susan Pevensire: We thought about all of you guys every day since you helped us.

Prince Caspian came.

Prince Caspian: Team Loud Phoenix Storm. It's a true honor to meet you.

Me: You too. You must be Prince Caspian.

Nico: It's awesome to meet you.

Itasis: You probably heard about your uncle?

Caspian: As far as I'm concerned, I have no uncle.

Me: That's why we're here. We're going to kill him and that good for nothing Lord here.

Caspian: Good.

Me: Just like we killed the White Witch.

Caspian: You all killed Jadis the White Witch?

Me: Yep. Also we have become the most powerful force in the entire universe and our power is never going to be matched.

Nico: Yep.

Caspian: I'm planning to duel my uncle in a one on one duel.

Peter: No. Every second we waste gives Miraz more time to make others suffer. We need to attack him now while we have the element of surprise.

Ben Ravencroft: I admire it being reckless. But Caspian's right.

Peter: I don't mean to question you guys. But given how reckless but effective you guys have been, I thought you would agree with me

Me: We were like that because of Dark Orb contamination.

Lucy Pevensie: Wait you mean the dark orbs were poisoning you guys?

Nico: Yep. Making us people we are not. It's a long story. But guys I agree with Peter. We attack Miraz with the element of surprise.

Xenia: I do too.

Me: Yeah me too.

Kickback: The one on one thing can still work though

Me: Tell you what Caspian, I'll face him first and you can do the rest.

Caspian: Fair enough. I want to see how skilled you really are J.D.

Me: You're in for quite a show.

Xenia: Yep.

Lola: Yeah it will be fun.

Camie: Yeah it will be awesome and cool.

Veon: Did J.D.'s grandfather really save your grandfather back in the wars?

Lucy Pevensire: That's right. J.D.'s grandfather will always be a true hero for me and my family.

Susan Pevensire: It's true and it was great.

Xenia: That was an amazing and awesome story.

Camie: Wow! That is really cool.

Me: Yep. My grandfather saved their grandfather during the Blitz back in 1940.

Nico: Yep.

Golden Glider: And now, history is repeating itself.

Nico: It sure is.

Me: But right now it's time for us to make Caspian's uncle pay the ultimate price.

Peter Pevensire: That's right.

Nico: Yep. Lets do it.

Shrapnel: We're gonna be dealing with an army. So, let's summon one of our own right now

Maria: Right. (TURNS DIAL) INFERNO SCORCH 6!

She summoned Scorcher, China White, Sea Dragon, Anguis Masculus, Gazimon and Demon Beatrice.

Qin: Oh yeah!

Xenia: Infernal and hot.

Nico: Yeah!

Jet: Ah, the good old days of forming a rebellion.

Aang: Those were the days.

Lola: Yeah.

Me: Yep. Come on guys. (EYES GLOW RED) It's time for us to bring down the fake king and bring in the rightful king.

Nico: Lets do it.

Qin: Entrance time?

Marah: Entrance time!

We went to the castle.

King Miraz was thinking and wondering what his next move will be. But then the spirits of the people and creatures of Narnia came and swirled around him and then they converged and then…

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted a hole through the roof of the throne room and a phoenix cry was heard and we came out and landed.

Me: Your reign of terror is over Miraz!

Miraz: GUARDS!

I fired an energy wave and obliterated all the guards in an instant!

Me: You are next.

Miraz: The famous J.D. Knudson. And all of Team Loud Phoenix Storm. I guess I should thank you all for destroying the White Witch. But that monster wasn't worth my time.

Me: So I see. News sure travelled fast like wildfire didn't it.

Miraz: Indeed. Your numbers have grown quite a bit since you were last here.

Me: Are we going to talk or are we going to fight?

I unsheathed my sword.

Black Adam: You know the answer to that, J.D.

Caspian: You can fight Sopespian, J.D. I'll take on my so called uncle.

Me: I can tell this is personal for you Caspian. All right then.

Caspian unsheathed his sword.

Miraz: So you both will challenge us. Very well.

Me: We're not going to just challenge you. We're going to kill you.

Caspian: This is for my rightful place on the throne.

Miraz and Sopespian unsheathed their swords.

They went at us and we went at them and clashed and sparks flew all over as we clashed!

CLANG CLANG CLANG CLANG CLANG CLANG CLANG CLANG CLANG CLANG CLANG!

I kicked Sopespian in his face and kicked him in his stomach. Then I punched him and then grabbed him and carved the star of Satan in his cheek.

Me: To let the devil know that I am the one that sent you.

Lucy Pevensire: Whoa! J.D. is amazing.
